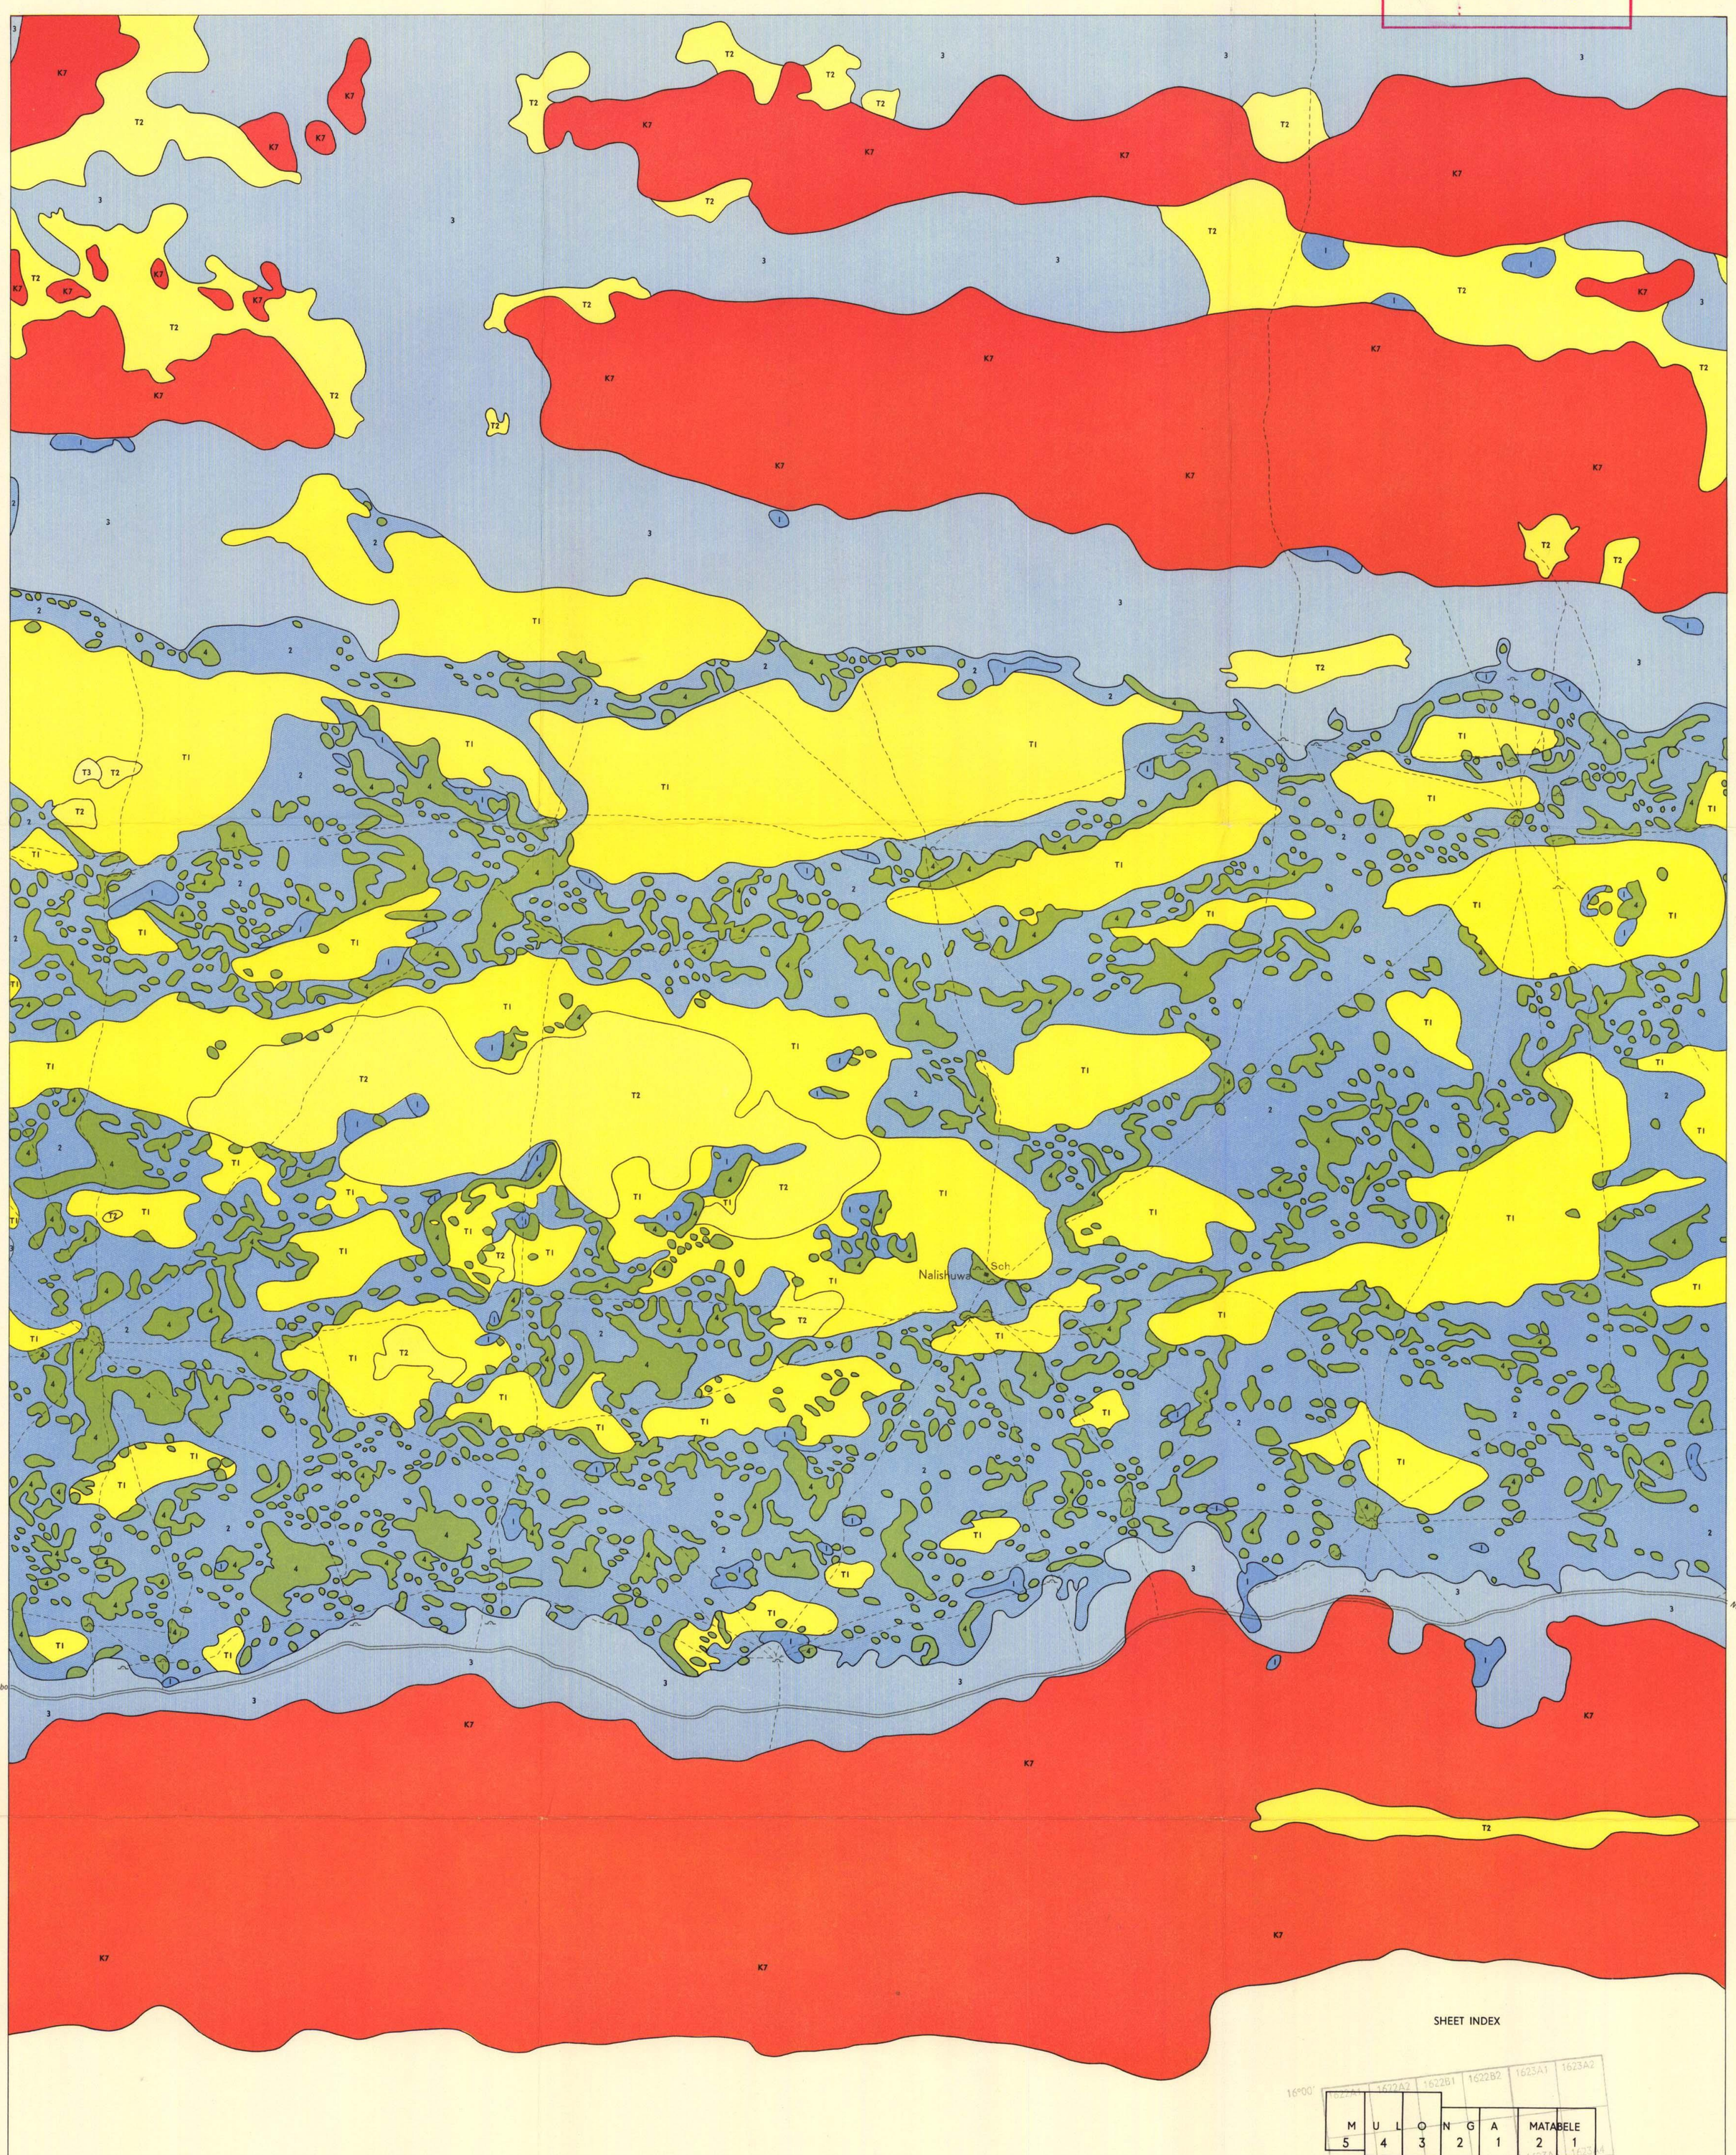
SHEET 2



Geographicals are not given on these sheets as they are uncontrolled sketch maps. The above index indicates their position in relation to the standard 1/4° sheet system shown in grey.

D.O.S. (L.R.)3029 B
First Edition -D.O.S.
Published by Directorate of Overseas Surveys
© ZAMBIA GOVERNMENT 1966

Prepared by the British Government's Ministry of Overseas Development (Directorate of Overseas Surveys) under the Special Commonwealth African Assistance Plan.
Drawn and photographed by D.O.S. 1965 from base map and specialist material supplied by W.C. Verboom, Ecologist, Ministry of Agriculture, Zambia, 1964.

This map accompanies the report on 'The Barotseland Ecological Survey 1964' by W.C. Verboom.

Scale 1:50,000
