Accessories

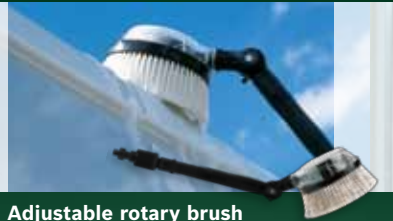

Accessories

To achieve the very best performance from all of your Bosch garden tools and to maximise their life-span, always use genuine Bosch accessories. We offer a complete range of accessories for all of our products so you don't have to make any compromises.

Fixed rotary brush

Detergent and water are delivered through the rotating bristles for extra cleaning power with minimum effort.

Adjustable rotary brush

A fully adjustable head makes light work of cleaning hard-to-reach surfaces and edges.

Wash brush

Perfect for washing cars, paintwork and windows, you can achieve gleaming results every time.

Drain cleaner

This ingenious accessory is the quick, easy way to unblock pipes and drains.

Flexi-jet lance

Designed for ultimate convenience, this enables you to reach and clean hard-to-reach areas.

Hose extension

Available in 7 m or 10 m, extensions provide extra flexibility and convenience.

Water filter

Fits directly to your Bosch high-pressure washer to ensure the water supply is kept clean, and increases the life of the pump.

Bosch Aquasurf cleaner

Ensures that surfaces can be cleaned without spraying water everywhere, and it cleans three times as fast as the standard jet lance.

Get the best results whenever and whatever you're cleaning with the full range of specially formulated Bosch detergents.

All-purpose cleaner
an all-round cleaner for the house and garden.

Glass cleaner
ensures smear-free windows, windscreens and glasswork.

Patio cleaner
swiftly removes algae and moss from floors and roofs.

Polishing wax
protects paintwork and adds a long-lasting shine.

Insect cleaner for cars
specially formulated to be tough on insects and gentle on bodywork.

Universal adapter set
For using Bosch accessories with high pressure washers from other manufacturers. Adapter for Kärcher accessories (not shown) for using Kärcher accessories with Bosch High-Pressure Washers.¹

¹ Applies to most accessories, except for special models and special accessories
