(i) If a person is selected by the above process who is already a member of Annual Conference as the delegate from their church/charge, they may do so in the new capacity and thus empower their church's Alternate Delegate to go as the voting representative of their charge. The District Superintendent and District Lay Leader of each District may assist in this process in conjunction with their district's orientation session in preparation for the Annual Conference.

A mass choir made up of over 250 people from throughout the conference filled the sanctuary with the music of Charles Wesley. The performance of "Testament of Praise" marked the 300th anniversary of Wesley's birth. Bishop James King, of the Kentucky Conference, delivered the sermon entitled "Flow," encouraging all assembled to allow God to flow in their lives. An offering was taken for the *Nothing But Nets* Campaign.

reviewed and remains strong. The Board is making an apportionment request for 2008 in the amount of \$3,901,600 for health insurance, a 2% increase. The conference approved the pre-1982 annuity rate at \$552 per year. Dr. Houston outlined the program for homes for retiring clergy. He also addressed the Death Benefit program. Rev. Bill Elwell, Mobile District Superintendent, moved to amend the report and add the following: "Change the effective date for pension credit of an appointment to July 1 effective in July 2008." It was noted the effective conference moving date and the effective conference pension date are not the same. A lengthy discussion followed. The motion was adopted. Dr. Karl Stegall called the members' attention to Report 5 – Direct Bill Study, page 133, in the Brochure of Reports, and emphasized that most conferences bill local churches directly for the pension and insurance benefits of their pastor(s) rather than paying for those benefits through apportioned funds. The AWF Conference apportions local churches, taking into consideration fairness and the financial strength of each congregation. Dr. Stegall stated that to continue this system, we need to do three things: 1) reverse membership decline within the United Methodist Church so will have more contributors, 2) enlist more young adults into the ordained ministry to lessen stress on finances of older participants, and 3) have all of our local churches pay in full all of their pension apportionments since under the present system there is no follow-up on churches that do not pay their pension apportionments. The conference voted to approve the full report of the Board.

## **REPORT OF THE CONFERENCE BOARD OF TRUSTEES**

Rev. Joseph W. Lisenby, president, presented the report of the Board of

Trustees on pp. 187-220 in the *Brochure of Reports*. Rev. Lisenby moved that Reports 1-8, pages 187-217, be approved. The conference voted to adopt Reports 1-8. Rev. Lisenby then turned the conference attention to Report 9 – Conference-Wide Insurance Program (United Methodist Property and Casualty Trust) and gave a background for this report. He said, “We want the conference to vote for the AWF Conference to become a member of UMPACT so we can get an assessment and quote on every local church in the conference in the next six months.” He reported that each local church will have the right to accept or decline coverage—that the program is not mandatory. He also clarified that any individual losses will be paid directly to the church suffering the loss and not to the conference. Rev. Lisenby asked that the wording on page 220 in the *Brochure of Reports* be changed to read “The Board of Trustees recommends the adoption of UMPACT as the insurance carrier for all the churches and ministries of this annual conference.” Bishop Goodpaster invited representatives from PACT to the stage to respond to questions. Rev. Rurel Ausley spoke for the motion. Dave Hollis, Demopolis UMC, asked for clarification. Dale Segrest, Tallassee First UMC, also asked a question for clarification. Rev. Any church that does not wish to participate in the UMPACT coverage will be allowed to keep their local insurance coverage.” Jim Barnes, Marion First UMC, spoke against the amendment. Rev. Don Smith, Toulmanville-Warren UMC, asked for further clarification regarding cost. A lengthy discussion followed. Phillip Segrest, Tallassee First UMC, moved to amend the amendment to read, “Those AWF churches who decide to participate will enter PACT on January 1, 2008, and churches will be helped in canceling coverage with carriers and in securing return of any unearned premium.” Rev. Neil Epler spoke against the amendment to the amendment. Paul Fullerton, delegate at large, asked a clarification question. Ken Donaldson, Morgan Chapel UMC, spoke against the amendment. Dale Segrest, Tallassee First UMC, spoke against the amendment asking the church to be united. Dan Nixon, First UMC, spoke against the amendment asking the church to be compassionate for sister churches. Jim Barnes, Marion First UMC, stood for clarification and understanding of the amendment and spoke in favor. Rev. Ben McKee, New Brockton UMC, spoke for the amendment. Noting that he had just reviewed Judicial Council Decision #636, Bishop Goodpaster clarified that the annual conference is the basic body of the United Methodist Church and therefore has an interest in all the properties of the conference. The annual conference does have the authority and the responsibility to require local churches to participate in an insurance program if it so desires. Rev. Rob Gullede, The Bee Hive, spoke for the amendment. A vote was taken on the Segrest amendment and the amendment was adopted. Bishop Goodpaster adjourned the session for dinner and asked the delegates to reconvene at 7:00 p.m. to continue the discussion.

Trustees Report on page 220 in the *Brochure of Reports* and clarified the amendment before the conference. Bob Reed, Tallahassee First UMC, asked for clarification about the phrase "all churches." Bishop Goodpaster explained that the annual conference is the body meeting in this session and that it has the authority to determine who will be required to participate in PACT. The annual conference has fiduciary responsibilities as a body for all churches. Rev. Lisenby stated that the Board of Trustees has looked carefully into the best solution for the insurance problems in our conference. The Board has determined that PACT has the best offer, and the Board of Trustees is looking seriously to PACT for their best proposal. All the churches in the conference are urged to request PACT assess their insurance requirements. Rev. Lisenby is willing to change the wording to be less restrictive. He indicated that at no time did the members of the Board of Trustees ever consider that participation in PACT would be mandatory. A lengthy discussion followed. The amendment as amended failed. Rev. Lisenby, after caucusing with the Board of Trustees, stated they would present for conference action the language in Report 9 as written. A discussion followed. Report 9 was adopted.

### **DISTRICT REPORTS**

#### **BAYPINES DISTRICT**

The diversity of our district geographically, socially and culturally continues to challenge us to find ways to meet the needs of churches throughout our district. Our Baypines Leadership Training Events for 2007 were held at Brewton UMC, Opp UMC, and Fairhope UMC with a total of 245 people involved in training. This model of cluster or sub-district events is obviously effective and one our district continues to utilize and encourage.

In February, 12 members from our District participated in the trip to Israel with Bishop Goodpaster. Our 2006 Global Ministries chair, Bill Johnson, helped coordinate displays for several mission projects at Annual Conference. In keeping with our cluster group emphasis, six churches in South Baldwin County coordinated a Gospel Revival and Arts/Craft Expo for Baypines missions in October. Consequently our district was able to furnish all the fixtures for the Henderson Settlement's new outlet store in White Oak, TN in November.

The Baypines District United Methodist Women, president, Imogene Martin, leadership training has been offered in three geographic areas for our local UMW chapters. On September 24, our United Methodist women held their District Annual Day at Monoreville UMC. The Honorable Lynn Stuart, Associate Justice of the Alabama Supreme Court, was the speaker for the day. The offering went to "Babies First", a project of the UM Children's Home.

On September 28 our District United Methodist Children's Home Appreciation Banquet and White Christmas Kick-Off was held at Atmore with approximately 100 people in attendance. Susan Simonson and Jim Byram shared their work with the Children's Home and churches in our district were recognized for their support. Jim Byrum, Assistant Executive Director, gave an overview of the Children's Home and thanked all in attendance for their continued support, he also reviewed the role and importance of the White Christmas Offering. A total of 30 churches in the Baypines District were recognized as giving \$10.00 or more per church member in 2006. The United Methodist Children's Home operates three programs within the boundaries of the Baypines District. Keron Kyzar, a member of Andalusia United Methodist Church, serving as a liason between UMCH and the local churches of the district.

The United Methodist Men's Banquet was held at Bay Minette on November 2 with Rev. Bill Kierce as the keynote speaker. Under the direction of John Croft our district United Methodist Men's organization is slowly gaining ground. We have a couple of local chapters which have re-activated in the past 18 months. We now have a scouting coordinator in the person of Dr. Mark Gable from Andalusia. At least 25 persons from our district participated in the United Methodist Men's 2007 Advance at Blue Lake.

**"To Be In One Accord...Pray Together"** was the theme of our District Rally on November 12 at Atmore UMC. Special music was presented by Ben Reese, violinist and Gentle Spirits from Toulminville-Warren UMC. Rev Mike McKnight brought the message on Acts 2 as a continuation of the Bishop's Episcopal address and emphasis on becoming an Acts 2 church.

We approved our 2008 District Administrative Fund for \$81,000; District Missions Fund for \$27,500; District Congregational Development Fund for \$27,500; and USA Wesley Foundation Fund for \$27,500 for a total budget of District Apportionments in the amount of \$163,500.00

January 2008 is the goal date for our next Habitat for Humanity Build. Our district built a house in 2003 and one in 2005. Under the leadership of A.J. Benintende the committee is seeking to enlist volunteers and funding throughout our district. We need \$38,000 for the project and have \$18,000 already in hand. Sub-committees are hard at work on the project. To volunteer or obtain further information contact A. J. Benintende at [ajb@gulftel.com](mailto:ajb@gulftel.com) or 251-967-1313.

February 11, 2007 our Laity met under the direction of our lay leader, Ed Hand, to begin the process of considering lay nominees for election to General Conference. We come prayerfully to our 2007 Annual Conference asking God to guide us in our deliberations and choices as we seek to serve Him and His church.

Ruth E. Penton, Chair

## DEMOPOLIS DISTRICT

The Demopolis District CORE Team met several times throughout 2006. The first meeting was held on January 3 and quarterly thereafter. Listed below are the dates and main points of each meeting:

### 3 Jan 06

Discussed agenda (s) for Super Sunday(s)

- District Superintendent Rev. Reba Wiley presented proposed order of worship
- Designated Rev. E.L Davis to provide a brief overview of the CORE Team purpose

- Set aside 15 minutes for the music concert (2:30-2:45)
- District Superintendent Reba Wiley distributed inserts promoting Super Sunday
- Informational letters will be mailed to lay leaders to promote maximum participation
- Class leaders will be contacted by CORE Team to ensure they have their teaching tools . - Announced open season for Medicare enrollment
- Mr. Ed McBride is available to offer training in Medicare Part D. Mr. McBride presented programs at Northside Baptist Church and Whitefield UMC. Mr. McBride would like to train people who can help others in the program. Mrs. Jane Watson and Rev. Phil Craddock suggested presenting the Medicare Part D training at a different time, to allow for a wider community participation. Mr. Jimmy Scruggs advised this was too large a subject to limit to one hour. Therefore Medicare Part D. Training was not included in Super Sunday schedule.
- There was an in depth discussion about the ongoing need to do mission work in the aftermath of Hurricane Katrina. Conference Disaster Relief Coordinator Mr. Clyde Pressley encourages all districts to still form mission teams. Rev. John King said that he would check to see if there is special need that the Conference Disaster Response desires at this time.

**March 16, 2006** the first quarterly meeting was held at the District office in Demopolis. Rev. Esmer L. Davis opened the meeting with prayer and welcome. The January 15 and 22 Super Sundays were evaluated using the agenda, class registration sheets and evaluations from the two events. The results are as follows:

- Class event participation increased about 5% from 2005.
- Great music, excellent speakers and easy access to delectable refreshments were the catalyst for increased attendance for the worship services
- The two Super Sundays for 2007 will take place January 7 and 21. ) Locations will be at Demopolis First and a church TBA in the South. Assembly time will begin at 2:20 p.m. The order of worship/format used in 2006 will be used in the events. 5:00.
- Speakers suggested for 2007 included Bishop Larry Goodpaster (North) and Dr. Herb Sadler (South)
- *Two by Two with Michael Bryan* and the *Narrow Path Men's Gospel Group* will be invited back as musical guests.
- Super Sunday events will be publicized by sending letters to Demopolis District pastors before Thanksgiving, distributing bulletins inserts after Christmas and mailing letters to lay leaders the week before the events
- Youth will have "Praise and Worship" time again.
- Possible classes for 2007:  
Stewardship-spiritual gifts-finances/possible teachers-Pat Luna, Committee on Finance / Treasurer,  
Family Ministries (including discussion on accessibility)  
Pastor - Parish Relations,  
United Methodist Women,  
Youth Praise and Worship,  
Spiritual Formations- "Growing your church Spiritually",

Confirmation and Trustees.

- Discussed organizing for summer storms. One district meeting will be held with a pastor and lay person from each local church. Designated lay person from each church will then notify Rev. Reba Wiley of damages done.

The Demopolis District CORE Team held its second quarterly meeting . On June 20<sup>th</sup> 2006. District Superintendent Reba Wiley shared an inspirational devotion. She talked about how God always sees us when we feel like we cannot see Him. Sometimes we must place our complete trust in hearing God's instructions and following His voice when the path isn't clear. The minutes for the March 16, 2006, meeting was presented and approved.

- The Principal Speakers for both North and South end of the District were finalized. Bishop Goodpaster for the North and Dr. Herb Sadler for the South at Thomasville First United Methodist Church.

- The Demopolis District hosted a community program on Medicare part D. Ed McBride offered his expertise to inform attendees about this plan.

- Handouts were distributed about preparing for disaster response. Rev Reba Wiley announced that the conference received around 3.4 million dollars in disaster relief according to Bishop Goodpaster.

- The CORE team decided to continue with the mission statement theme of "RENEWAL."

- Rev. Reba Wiley noted that certain publicity measures for last Super Sunday were successful and should be repeated for future Super Sundays.

- Mr. John Stegall expressed his concerns about the need of lay speakers in the Demopolis District. Mr. Stegall stressed the fact that the Demopolis District does not offer the required training of ten hours in advance course work for lay speakers. He asked that the district consider hosting a training program. Mr. Stegall also wanted churches to respond to the conference's call to make the second Sunday in October Laity Sunday." The entire service would be led by lay personnel. The CORE team discussed and identified the classes to be offered at Super Sunday program 2007. The following classes were selected: Lay Speakers, Lay leader/Lay members, Spiritual Gifts and Spiritual Growth, PPRC, Youth and Praise, Adult and older Ministries, General Jurisdictional Connectional System, U.M.W. This list of classes were approved by the CORE team.

- A mission task force was established to plan and promote District Missions Day. The emphasis is on providing assistance to the Children's Home. Rev. Phil Craddock, Mr. Jimmy Scruggs, Mrs. Bobbie Samac, and Rev. Reba Wiley will serve on that committee.

The next two quarterly meetings of the CORE team were used to finalize the Super Sunday classes and teachers and to put together the program. The classes and teachers are listed below:

Lay Speakers- Mr. John Stegall; Spiritual Growth- Rev. Dan Nixon; Older Adult Ministries- Mrs. Ann Taylor; United Methodist Women- Mrs. Bobbie Samac; Children's Ministries-Ms. Jane Watson/Rev. Leigh Meekins;

PPRC- Rev. Reba Wiley; General Jurisdictional Conference- Bishop Larry Goodpaster; Youth in Praise and Worship- Rev. Michael Bryan of Noah's Ark, Panama City, FL and St. Matthews's Liturgical Dance Group; Lay Leaders/Lay Members- Mr. Bill Hill.

**The United Methodist Women:** According to Mrs. Bobby Samac, president of the UMW, the Demopolis District UMW had a very productive year.

- The UMW donated many books to the *Give A Book Foundation* and proved to be a key component in the organization success .

- Distributed hand towels and hygiene kits to UMCOR

- Donated quilts to the Children's home; each resident of the home will have a quilt to take with them when they leave

- Five Star rating catapulted this past year from seventh to fifteenth.

Mission Sampler Day was a big success. Attendance was good and overall the program was very interesting. I'd certainly like to thank Mrs. Bobbie Samac and the UMW for all their hard work and congratulate them on another successful year.

**The United Methodist Men and Lay:** The members have been very active this past year. Many days have been dedicated to assist with work on hurricane damage throughout the AWF area and beyond,. The members should especially be proud of their work on the old mental health building that was used to house displaced hurricane victims. The United Methodist Men and Lay were instrumental in the success of District Mission Day for the children's home in Selma. Members built picnic benches, sponsored a cook out and topped off the festivities with fellowship, praise and worship. Many thanks to the men and lay people for all their time and effort in support of such a worthy cause.

As chair person of the Demopolis District CORE Team, I'd first like to give thanks to our Lord and Savior Jesus Christ for allowing me to serve in this position. I'd also like to thank Rev. Reba Wiley, the Demopolis District Superintendent, for her leadership and the members of the CORE Team for their insight and hard work. Working with the Demopolis District CORE Team in 2006 has been filled with many extremely rewarding experiences and I'm truly looking forward to working with the Team in 2007 . May God continue to bless and keep you and yours.

Rev. Esmer L. Davis  
Chairman

## **DOTHAN DISTRICT**

2006 was an active and productive year for the Dothan District Council on Ministries as we sought to better live into our mission of "Growing Healthy Churches." The Council worked together to better define our role and concluded that our primary purpose should be to offer the gifts of the various

ministry teams to district churches as resource persons. Highlights of our ministry are found below.

**Super Sunday:** A capacity crowd of more than 500 Dothan District United Methodists met for a brief worship experience and to conduct the business of the District Conference at First United Methodist Church, Dothan on the afternoon of January 22. Following the plenary session participants participated in a wide variety of training sessions designed to strengthen their ministries in the local church. Feedback on the leadership of the workshops was overwhelmingly positive. As the adults gathered for training, several hundred youth from around the district participated in praise and worship followed by a time of fellowship and games. Leigh Meekins provided outstanding leadership for the planning implementation of this successful program.

**Training Events:** Several significant training events were offered for laity and clergy during 2006. In March, Ken Callahan presented two outstanding workshops, "Small Strong Congregations" and "A New Beginning for Pastors and Congregations." Both events were well attended and well received. In November, more than 150 district laity and clergy attended an "Evangelism Workshop" led by Dr. Winston Worrell, director of the World Methodist Evangelism Institute. During this productive and informative workshop participants were challenged to make evangelism an intentional part of their daily lives and given tools to facilitate their ministries of evangelism.

**Pastor Appreciation Banquet:** One of the most popular events of the year was our annual "Pastor Appreciation Banquet". A capacity crowd of more than 300 pastors, Lay Leaders and Pastor Parish Relations Chairs gathered at First United Methodist Church Dothan for a delightful evening together.

**Laity Banquets and Rallies:** Under the leadership of Gip Kingry, District Lay Leader, four outstanding Banquets and Rallies were held in 2006. Locations throughout the district hosted wonderful meals and programs focusing variously on "District Youth", "Awards", "Music" and "Church Growth and Evangelism". At the "Awards" rally, in addition to the churches highlighted below as churches of the year, our District Lay Leader, Gip Kingry was honored. Kingry received the annual Bill Piper Memorial Award, given each year to an outstanding district lay person. Average attendance at these events was more than 185, a significant increase over previous years.

**District Churches of the Year:** At the May Laity Rally the following churches were honored as churches of the year in their average worship attendance categories.

- 1-34 Napier Field United Methodist Church, Pastor Rev. Jerry Jones
- 35-74 White Oak United Methodist Church, Pastor Rev. Donna Coty
- 75-200 First United Methodist Church, Samson, Pastor Rev. J. Nathan Elliott
- 200+ First United Methodist Church, Dothan, Senior Pastor, Dr. Lawson Bryan

**United Methodist Women:** Led by District President Betty Helms, 939 United Methodist Women comprised 36 units. The district United Methodist Women contributed a total of \$35,700 to missions during 2006, exceeding their goal by more than \$6,000. Funds were also given to the Mattie Kolb Scholarship Fund which awarded three \$500 scholarships to college students from the Dothan district.

**District Mission Project:** In June, more than 70 United Methodist adults, youth and children gathered at Aplin Farms and gleaned more than 2 tons of tomatoes which were distributed to food banks and mission projects in Dothan, Enterprise, and Andalusia.

**Communications:** Under the leadership of Corrina Casson, the Communications Work Area has been very active this year improving the visibility of various district and local church events through various media outlets and working with churches to help with publicity and to assist them in establishing Communications Teams.

Respectfully Submitted  
John McCullough  
Chair, Dothan District Council on Ministries

## MARIANNA/PANAMA CITY DISTRICT

The CORE Team of the Marianna/Panama City District seeks to focus on what programs and events are essential to the district level of our connection. There is the clear intention to support and complement the local church level and the conference level without duplicating efforts and programs. During the 2006/2007 conference year, the CORE Team chose to focus on the District Conference, District Leadership Training, and district events that lead up to and prepare for the Annual Conference Session.

The 2006 District Conference was held at Lynn Haven UMC on November 5. District Superintendent Walker Epps preached on his understanding of Bishop Goodpaster's emphasis on the character of an Acts 2 Church. The District Conference conducted business which will undergird the work of the district, including the adoption of a detailed budget and election of officers to the committees and boards that will be active.

The CORE Team took a very innovative approach to the District Leadership Training Event. Moving the date from a Sunday afternoon to a Saturday gave twice as much time for an excellent seminar on leadership skills. The event took place on January 13, at Woodlawn UMC with Rev. Bert Jones as facilitator, and the practical training offered is applicable to every level of leadership in the local church. During the 2006/2007 conference year, the CORE Team has planned and carried out several other seminars, briefings, and training sessions to inform and prepare our pastors and lay persons for effective ministry. A seminar on the new CRSP pension plan was held for clergy in Chipley in January. Also in January PPR training was offered

in three locations in the district. The Lay Caucus was held in Bonifay on February 11. A strong emphasis on missions, urging every church to reach from the pews into the world was planned for the first weekend in May. Based on a division of the district into four quadrants, churches in each geographical quadrant of the district were urged to work together on ways to reach outside our normal sphere of ministry to make an impact on the world with a witness for Jesus Christ and a demonstration of the church's desire to reach people in love and service.

Rev. Ron Ball, CORE Team Chairperson & Rev. Walker Epps, District Superintendent

## MONTGOMERY-OPELIKA DISTRICT

Annual Conference is always an exciting time in the life of the church. This is especially true during an election year. Local church and district activity peak on two occasions during this eventful year – first, at the district caucus and again at annual conference. Frequent contacts and much conversation always precede the caucus and there will again be much excitement regarding the candidates as we work our way through the voting and election process.

Our system of elections and church administration in the United Methodist church is greatly admired and complimented even by those outside our denomination. We do actually have one of the best, if not the best, administrative and governing process of any. It is fair, it is reasonable, it is understandable, it is responsible, and it is open.

This said, we should all – clergy and laity – take up our full responsibilities for attendance and participation during this election year by being present for every session, paying attention, representing our local church and district, and voting on every issue and on every ballot. Only then can we say that we have fulfilled our membership pledge to serve in this great church we call United Methodist.

And when conference and the voting is over, we should return to our churches and districts with the same renewal and revival that Wesley felt when he felt his heart “strangely warmed.” I ask you to pledge and pray with me that we honor the Wesley tradition, support the United Methodist ministry, and that we each strive toward Jesus’ calling to perfection.

With this I should greet you with a “farewell.” I am fortunate to have served for many years as your district lay leader with far more bishops and district superintendents that I care to remember. Not only do I know that it was a great honor to serve, but I have always felt it my humble responsibility to help when called. I have asked our district superintendent, Rev. David Chunn, to accept my resignation and to end my tenure effective July 1, 2007. Family, friends, and other opportunities call to me from many places near my family origins in Cherokee county – in the great North Alabama Conference. There I will most likely continue in the service of the United Methodist church. Farewell.

Randall A. Estes  
District Lay Leader

## MONTGOMERY-PRATTVILLE DISTRICT

We, of the Montgomery-Prattville District, continue in our attempts to discern the many ways in which God calls upon us for service in ministry. Both the clergy and laity of the district have heard and heeded that call by responding in very positive and fruitful ways in 2006. The year has been one in which many new challenges were issued, recognized, and successfully met.

Our Annual District Lay Academy was held in January of 2006 and the event proved to be very successful. A total of nine different workshops were conducted and they were led by some of the finest facilitators available. It was an extremely well attended event with more than 250 persons taking part. Numerous training opportunities for church officers and for other persons were provided in a variety of areas. And, judging by the evaluations submitted by attendees following the academy, virtually everyone found the workshops to be both interesting and helpful in their pursuits to become better-equipped to meet their leadership responsibilities within their churches.

Unfortunately, many within our conference are still suffering from the ravages of some of the horrific storms that we have experienced over the past couple of years. We find that, despite the passage of time, there are still a great many homes and churches that have not yet been completely restored. Recognizing this fact, the Montgomery-Prattville District continues to provide valuable assistance to those affected. Rev. David Stewart, our District Disaster Response Team Coordinator has continued to be instrumental in coordinating activities throughout the year that have taken place in effected areas. Volunteer work teams have been dispatched to areas in both Alabama and Mississippi to assist in rebuilding and making repairs to damaged homes and properties. Their efforts are greatly appreciated and we offer our heartfelt thanks to all of those volunteer workers who so willingly give of their time and talents to assist their brothers and sisters in times of need.

The Lay Speaking Ministry, under the leadership of Helen Edwards, District Director of Lay Speaking, was again very active in 2006. A district training event for both Local Church Lay Speakers (basic course) and Certified Lay Speakers was held in September with 54 persons in attendance. The quality of instruction provided was rated as outstanding. The district now has 144 individuals who are recognized as either Local Church Lay Speakers (LCLS) or Certified Lay Speakers (CLS). Helen reports that, in the year 2006, her records reflect that lay speakers within this district filled pulpits on 68 separate occasions. This number, however, can not be considered accurate and the number of pulpits actually filled stands to be substantially greater. Experience has taught us that, quite frequently, lay speakers are contacted directly by pastors or church officers and asked to fill in for pastors without the request having gone through the Director of Lay Speaking. Consequently, in a great many of those instances, the director

is not advised of the engagement and therefore, the records reflect a fewer number of speaking engagements than is actually the case. Our district is understandably proud of its Lay Speaking Ministry.

In September, October, and November 2006, a series of Concerts of Celebration were held involving all of the churches within this district. These concerts were preceded by a series of planning meetings involving both the clergy and laity of our eight Montgomery-Prattville District clusters (sub-districts). Unique to this year's Concerts of Celebration was the fact that while again emphasizing the need for clergy and laity to continue to function as partners in ministry, the primary focus of the concerts was on the contributions of the laity. Rev. Jim Carpenter, our District Superintendent, directed that local church lay leaders, along with their pastors, were to take active roles in the planning of the concerts. He further directed that lay persons were to take an active lead in presenting reports of the activities and accomplishments of their respective churches and in bringing the inspirational messages at each of the concerts. In seven of the eight concerts, the messages were delivered by laity. Each of the Concerts of Celebration was well received and exceptionally well attended.

While we are truly grateful for the many ways in which God continues to use the good people of the Montgomery-Prattville District, we pray that we might never become complacent or self-satisfied with our meager accomplishments. Rather, it is our hope that we might be of humble mind and heart as we simply seek to do ensure that His perfect will might be done.

To God be all glory, honor, and praise!

## **PENSACOLA DISTRICT**

In 2006 the Pensacola District CORE Team focused its efforts around the challenge "Continue to Expand the Vision." Our dedicated group of women and men, both lay and clergy, met several times throughout the calendar year to plan and implement various ministries designed to proclaim Jesus Christ to the people of our communities and throughout the world.

One of the most memorable moments in the life of our district in 2006 was the ground-breaking ceremony for the Pensacola District Children's Crisis Shelter. After years of prayer, planning, and extensive fundraising, the Crisis Shelter is finally becoming a reality. Because of hurricane delays and the resultant stricter building codes, the cost of building the shelter escalated and additional funds were needed. Donations are being received through designations to the Pensacola District office.

The Pensacola District CORE Team also approved continued expansion of the Pensacola United Methodist Community Ministries. It is now host to seven service or ministry organizations, all of which are reaching out to meet various community needs. These services include literacy programs, drug abuse recovery, homeless veterans assistance, food distribution, and much more. One of the highlights for 2006 was a program established to feed children during the summer months when school is not in session. While meeting the needs of the people, Pensacola United Methodist Community Ministries also provides local church members with wonderful opportunities to volunteer their gifts, time, and talents in serving others. We are delighted to announce the appointment of Rev. Joe Mullen as the director of Pensacola United Methodist Community Ministries. It is also a pleasure to share that PUMCM is a Conference Advance Special (#0109-2).

The Pensacola District continues to support the Love for Peru Foundation with financial and physical assistance. Through the efforts of several congregations within the district, mission teams were able to build an additional seven houses in Peru, bringing the total to more than 80 new homes. In addition, the CORE Team sponsored the shipment of 250 wheelchairs to Peru, culminating in a very moving presentation and celebration in Lima. A second container of wheelchairs is almost ready for shipment.

The Pensacola CORE Team will again provide leadership training for pastors and members of our local congregations. The annual LITE Day will feature Dr. Bert Jones of the Christian Medical and Dental Association who will spotlight the theme "Being a Leader in the Local Church."

The Pensacola CORE continues to expand its vision into 2007 by searching for new fields of ministry. Explorations are already underway for establishing community ministry sites in each of the counties served by the District.

The CORE Team has renewed its vision for a Hispanic Ministry on the western part of the District. There is also a dynamic new vision emerging for designing and launching a Stewardship Resource Team created specifically to help congregations and the District with non-cash and planned giving. Under the vibrant leadership of our District Superintendent, Rev. Mike Roberts, and with the continued visionary efforts of the men and women of the Pensacola CORE Team, 2007 will certainly be a year of spiritual and numerical growth for the District and for the Kingdom of our Lord, Jesus Christ.

*Disaster Recovery Ministries 2006*, Rev. Alan Gantzhorn, Coordinator:

No major hurricanes entered the Gulf of Mexico during the 2006 hurricane season, giving churches of the Pensacola District a much-needed reprieve after two very active hurricane seasons in 2004 and 2005. From Shalimar to Perdido Bay, the churches of our district turned their attention from immediate disaster response to long-term hurricane recovery and preparedness for the next disaster. Many churches began to revise and refine their disaster

plans, while others began to train response teams to deal with future emergencies. The churches of our District continue to provide leadership to partner organizations in the long-term recovery efforts in Escambia and Santa Rosa counties. In addition, many district churches that adopted sister churches in Mississippi or Louisiana after hurricane Katrina continue to work with those churches on long-term recovery efforts.

*Lay Speaking Ministries*, Bruce Knecht, Director:

In 2006 Pensacola District had 73 local church lay speakers and 81 certified lay speakers. Lay Speaking Ministries filled pulpits 85 times at 28 different churches. Certified lay speakers were supplied to The Haven of Our Lady of Peace Nursing Home in Pensacola every Sunday of the year. Israel Cruz, CLS, conducted 48 Spanish worship services at Saufley Field Prison Camp. Alba Kerwin also conducted Spanish services. We had two training sessions, hosted by Mary Esther UMC and Ferry Pass UMC. 31 attended basic courses, 38 attended advanced courses, and five were consecrated as certified lay speakers (CLS). The session at Ferry Pass was the first time the District has offered a five-week course. Twenty from the Pensacola District attended Conference Lay Speaking Training at Blue Lake April 7-9. There four taught the adult basic course, two attended the youth course, one adult attended the basic course, and 13 attended advanced courses.

*United Methodist Women*, Debbie Bush, Director:

Pensacola District United Methodist Women began 2006 with training: a UMW workshop at the annual District Leadership Inspirational Training Event January 7, Conference UMW Leadership Training January 14, then District UMW Leadership Training January 21 at St. Andrew UMC. The District held three mission studies. The study "Public Education" was held February 18 at two locations. 43 members (4 units) attended at Gadsden Street UMC and 86 (14 units) attended at Crestview FUMC. St. Luke UMC hosted the study "Children of the Bible" on March 4. 99 members (18 units) participated. St. Mark UMC in Pensacola hosted the study "India & Pakistan" on April 1<sup>st</sup>. 86 members (15 units) participated. Seven members from our District went to the UMW Assembly held in Anaheim, California, May 4-7. When the Cooperative School of Christian Mission was held at Blue Lake July 27-30, 30 members from 12 units participated. District UMW Annual Day 2006 (September 23 at Warrington UMC) was one of the best Annual Days that we have had. 110 participated, representing 22 units and the Pineview UMW which is to be formalized in 2007. District UMW presented a plaque to St. Andrew UMW for most members participating in a UMW event throughout the year. St. Mark UMW received a plaque for Host Unit having the most members present during the year. We also had 3 Bronze units, 9 Silver units, and 7 Gold units. We continue to endorse such projects as "Give-A-Book Foundation," working with the Children Service Center, and other avenues that aid and support women, children, and youth.

## BOARD OF CONGREGATIONAL DEVELOPMENT

The Alabama-West Florida Board of Congregational Development exists to lead in planting new churches, and to coach, encourage and resource existing churches toward vital ministry.

In the past year, we celebrate these victories:

- A Director of Hispanic/Latino Ministries was added to our conference staff. *Martha Rovira* brings wonderful experience to this new position. Already she is helping speed up the process by which leaders are prepared and new churches are planted. Her ministry focuses on both congregational development as well as issues of advocacy and mission on behalf of Hispanic/Latino people. With a population doubling in our area roughly every four years, there is enormous ministry and church-planting potential here.
- The Grace Place/Lugar de Gracia is a new church project in Mobile District, led by Bill Curtin and Irving Santos, the first church in our conference's history (so far as we can tell) to have been birthed as bilingual in its ministry and services
- Lafayette Street Church in Dothan voted to become a restart congregation in a new location. They have sold their former property and are moving to the western edge of the city, with the support and investment of their district and the annual conference.
- May 14-15, 2007 is our conference's first Summit on New Church Development – a time when cabinet members, board members, conference staff and people who have helped to plant new churches can come together and assess both our victories and our challenges in Alabama-West Florida. From this meeting, we hope that a comprehensive plan for new church development will soon emerge, addressing issues of leader selection, funding and best models.
- Visionary Shares were purchased by individuals and churches across the connection to support the ministries of New Vision UMC, a new church start near Panama City (fall 2006) and Dauphin Island UMC (spring 2007).
- Church of the Year Awards will be announced at this year's annual conference, as we seek to discover and lift up Acts 2 churches of all sizes – both to encourage them in their good work, and to offer models for effective ministry to the rest of us.
- Natural Church Development was launched in 14 AWF churches in the past year. Several others completed the process, many who reported extraordinary advances in their church's ministry. If you would like to explore Natural Church Development for your church, please call the Conference Office.
- 14 pastors participated in the second year-long Academy of Congregational Development, bringing to 42 the number of our

pastors who have completed this training. The Academy is offered every other year, exposing our best leaders to ministry practices from across the nation.

- Paul Nixon, our Director of Congregational Development consulted on-site with approximately 70 different churches and/or pastors during the past conference year, exploring strategies for effective ministry and church development.

## BOARD OF DISCIPLESHIP

The Conference Board of Discipleship (CBOD) includes evangelism, stewardship, worship, spiritual formation, and education. The goal of the CBOD is to identify and define systems and resources that accomplish the conference's MVPs.

As the following reports demonstrate, over the past year, education, evangelism, worship, stewardship, and spiritual formation have opened new avenues of service and resources to make our conference more responsive to the needs of local churches and their leaders.

Some of our areas of focus include providing on-going stewardship training, restarting the 3-Year Covenant Community, offering our first 5-Day Academy for Spiritual Formation at Blue Lake, as well as continuing to provide an education consultant for each district. Our Worship Team is active in ensuring every annual conference is a blessing for all participants. The experiential prayer room initiated by our Spiritual Formation Team was such a huge success we will be offering it again this year. The first annual conference evangelism awards highlighted lay and clergy leaders who are making a difference in their local churches. Nothing should be a higher priority than winning souls for Christ, and our Evangelism Team is leading the way.

Additional plans are underway in all areas to provide even greater opportunities in the future! Please visit the AWF website to learn more about what your Board of Discipleship is doing for you and to take advantage of the opportunities offered for churches of all sizes.

Join with me in thanking the following members of the CBOD for their dedication, creativity, and hard work: Janet Westlake, Education; Carol Lee, Worship; Minta McDavid, Spiritual Formation; Robbins Sims, Stewardship; Grant Parker, Evangelism; and Bill Price, Emily Garner and Helen Edwards, at-large members. As we move into a new year, we pray the CBOD will become even more productive as a tool and resource for AWF churches and leaders.

Blessings,  
Pat Luna, Chair, Board of Discipleship

## DIVISION OF SPIRITUAL FORMATION

Dr. Robert Mulholland in his book, *Invitation to a Journey*, describes Christian spiritual formation as “being conformed to the image of Christ for the sake of others”. The Division of Spiritual Formation of the Board of Discipleship has sought to offer and encourage this invitation to a journey into deepening spiritual growth and formation through various opportunities in our Conference. Our work includes:

- The bringing together of a conference spiritual formation team to vision, discern, plan and explore opportunities for spiritual growth and formation. In January 2005 and 2006 the team met in retreat at Blue Lake for spiritual renewal and visioning.
- An eleven circuit Labyrinth was purchased by the Conference and the Labyrinth Ministry was birthed. Conference wide training was held for Facilitators from each district and the Labyrinth is available to congregations, retreats, Annual Conference and more for opportunities to a Labyrinth Prayer experience. Rev. Karen Evans of Pensacola First Church directs this ministry. For more information and/or reservation of the Labyrinth contact Karen at [evansk@pensacolafirstchurch.com](mailto:evansk@pensacolafirstchurch.com).
- In conjunction with North Alabama Conference, we have sponsored a 5-Day Academy for Spiritual Formation at Camp Sumatanga, North Alabama’s conference camp near Birmingham, and at Blue Lake. These take place each Fall; the third annual 5 Day will be held this year at Camp Sumatanga.
- We sponsor and support through scholarship funding and participation, the Upper Room’s Two Year Academy for Spiritual Formation that is held at Camp Sumatanga. The Leadership Team of this Academy experience is comprised of laity and clergy from our Conference as well as from other conferences and states.
- The Three Year Covenant Community was revived and began in 2006. It takes place at Blessed Trinity Retreat Center near Phoenix City, AL. Rev. John Bonner of Trinity UMC in Ft. Walton, FL directs this ministry.
- At Annual Conference in 2006 we sponsored an “Experiential Prayer Room” with various stations of prayer such as remembering your baptism, knitting prayer shawls, making prayer beads, prayers for the world, a spiritual reading book table and “The Resting Place”, which was an area of rocking chairs, prayer shawls and the like for delegates to come away for awhile for prayer, rest and reflection in the midst of the business of Conference. Conference was continu-

ally supported with prayer. The Labyrinth was also part of this experience. The Experiential Prayer Room will be at Conference again this year. Come join us.

- The Prayer Shawl Ministry grew out of the Experiential Prayer Room and Lesley Cooper of Montgomery First Church directs this ministry.
- We sponsor Confirmation Day with the Bishop at Blue Lake each Spring. Rev. Paula Roane of Destin UMC directs this ministry.
- At this time, we are prayerfully seeking guidance and discernment in developing and making available opportunities for Spiritual Direction for laity and clergy in our conference.

Minta McDavid  
Chair, Division of Spiritual Formation

## **DIVISION OF EVANGELISM**

I was delighted with the marvelous response from persons across our annual conference that submitted the names of laypersons and clergy that were to be later honored with an Alabama -West Florida Conference Evangelism Award on the closing day of Annual Conference A.D. 2006. In all, eight laypersons, nine clergy and yet another group of laypersons were recognized for their commitment to the cause of evangelism in our conference. It is my hope that we will continue to recognize individuals who display a passion for evangelism at each annual session of conference.

In addition to this annual recognition, though, my desire for A.D. 2007 is to sponsor, through the Division of Evangelism, District Continuing Education Events for both lay and clergy participants in the following areas:

- (1) The practice of intentional and invitational evangelism in the parish and from the pulpit
- (2) Basic instruction in organizing and implementing an effective visitation program in the local church, regardless of the size or setting of the congregation.

Respectfully submitted,  
T. Grant Parker, Sr., Chair, Division of Evangelism

## **DIVISION OF EDUCATION**

Our Christian Education consultants continue to serve within the annual conference. Many workshops have been offered to help local churches improve their teaching ministries. The consultants are still available to lead work-

shops. The local congregation sets the date and handles the promotion of the event. The consultant brings the knowledge and the resources needed to train the teachers. The annual conference pays the consultant's honorarium and travel expenses. As a result, our teachers grow in their confidence and skills and our educational ministries improve.

The Older Adult task force had an exceptional event at the Explorations in Antiquity Center in LaGrange, GA on October 26-27, 2006. Betty Cates and Ann Taylor led this event. *Walk to Sunrise*, the Older Adult Assembly at Blue Lake is April 26-28, 2007 with Dr. George Mathison as the keynote speaker. Marti Patterson and Terri Francis are the leadership team for this event.

Our conference sent two representatives to the Single Adult Summit sponsored by the General Board of Discipleship in November 2006. We also sent two consultants to a curriculum forum sponsored by the United Methodist Publishing House in January 2007. Vacation Bible School training sessions were held in February 2007 in Montgomery and Pensacola. The Division of Education is continually seeking new ways to strengthen the Christian education ministries of our annual conference.

Janet Westlake  
Chair, Division of Education

## DIVISION OF WORSHIP

The theme for 2006 Annual Conference was JUBILEE II: Sharing God's Abundance. In honor of the 50th Anniversary Celebration of Full Clergy Rights For Women our guest preachers were all clergywomen; Rev. Denise Honeycutt, Rev. Robin Wilson, Rev. Dr. Anne Burkholder, Rev. Rebecca Youngblood, and Rev. Joy Moore. Conference was held for the second year at Christ United Methodist Church in Mobile. Staff persons Earle King and Ralph Guddeman were instrumental in planning and implementing the week. Hannah Wilson from the Christ staff designed the logo used on printed materials for Conference.

Conference opened on Sunday afternoon with a reception honoring our Special Mission Offering Recipients; Cameroon Mission and Disaster Recovery Ministry. Photos of both areas were displayed along with a Cameroonian store where articles brought from Cameroon by Rev. Wes Magruder were sold, allowing a substantial sum to be added to the offerings earmarked for Cameroon. Floyd Howard from Gulf Shores UMC staffed the store. Rev. Linwood Lewis shared articles from Hurricane Katrina that were displayed along with photos of our response to ministry in the disaster recovery area. A steel band from Pensacola, FL. under the direction of Harold Foster provided entertainment for the reception. In keeping with the theme the UMW served refreshments during the afternoon from a unique

table arrangement. For the second year a Worship Guide was printed containing the services during conference.

Opening worship, Sharing the Spirit, took place on Pentecost Sunday. James Keith Posey opened the service as banners and streamers carried by children and youth of all ages paraded through the congregation. The Reverend Denise Honeycutt was preacher. All the decorative items used in the service were recycled to other churches or given to the UMW to be used at Blue Lake. The Memorial Service, Sharing the Bread, on Monday morning was a Service of Remembrance and Holy Communion. Ordination was Monday night at Dauphin Way UMC.

Tuesday morning service, Sharing the Grace, contained The Order for Commissioning Probationary Members for Ministry and Service. Tuesday evening worship, Sharing the Gospel, was led by the Toulminville-Warren Street UMC music ministry team. The Service of Sending Forth on Wednesday morning was Sharing the Blessing, led by Bishop Goodpaster.

The Experiential Prayer Room, a new spiritual experience offered at conference, was provided by the Spiritual Formation area under the guidance of Minta McDavid. Morning communion was held there. Nine prayer stations were placed around the borders of the labyrinth. Everyone who participated asked that this become a regular addition to conference worship. Evaluations from participants were favorable in all areas. A detailed evaluation was presented to Bishop Goodpaster by the worship chairperson. Planning for Annual Conference 2007 began in the summer of 2006. Site for the gathering will be Frazer UMC in Montgomery.

## **DIVISION OF STEWARDSHIP**

The Stewardship Division of the Conference Board of Discipleship held two training events in 2006. The first was an advanced course for Stewardship Mentors and those who previously had received our introductory stewardship course. This course was held at the Covenant United Methodist Church in Dothan and focused on the role of planned giving and estates in a year round stewardship program. Terri Turner from the Alabama West Florida United Methodist Foundation led the class. The second class was a repetition of our introductory stewardship course and was held at the

First United Methodist of Mariana. In January of 2007, we sponsored a training event at Whitfield United Methodist Church in Montgomery. Dave Bell, Director of the United Methodist Center for Christian Stewardship of the General Board of Discipleship, led this event.

We continue to have a team of trained stewardship mentors who are available to work one on one with churches. Most of the churches participating in the mentor and/or training programs have reported measurable increases in giving and all have reported improvements in the stewardship climate.

We plan to hold at least one additional introductory training event in 2007. The date and location will be announced. We invite any congregation to contact us to receive training and/or receive assistance from a trained stewardship mentor.

Robbins Sims,  
Chair, Division of Stewardship

### **COMMISSION ON THE STATUS AND ROLE OF WOMEN (COSROW)**

The purpose of the Commission on the Status and Role of Women (COSROW), as set forth by the 1976 General Conference, is to “challenge the Church to a continuing commitment to the full and equal responsibility and participation of women in the total life and mission of the church, sharing fully in the power and the policy making at all levels of church life.” The Al-W. Fl COSROW seeks to be a catalyst to encourage women, both lay and clergy, to serve the Church in such a way as to facilitate its mission, its vision and priorities toward becoming a Church for all God’s children.

Toward these ends we began the conference year with breakfast at Annual Conference where around 60 participants were challenged by our speaker, Rev. Reba Wiley; recognized the Rev. Jean Spikes as the longest serving clergywoman in the Conference; and presented the \$1,000 Jane Walker Scholarship to Kathy Knight, student at SMU’s Perkins School of Theology. During the plenary session the annual Alice Lee Award, which recognizes women who have been “bridge builders and barrier breakers” for women, was presented to Dr. Jan Love, a daughter of this Conference, then head of the Women’s Division, now Dean of Candler School of Theology.

The winter retreat was built around the theme, “Empowering Women for the Living of these Days”, and featured eight discussion groups and five activities to provide intellectual and spiritual stimulation and to promote a sense of community among the 78 attendees.

We supported women clergy by awarding three scholarships to the Clergywomen’s Consultation held in Chicago and another three to the Jurisdiction Consultation at Epworth-by-the Sea.

COSROW also collects and shares data regarding the extent of inclusion of women in the policy-making of the Church. An analysis of the report from the 2006 Nominations Committee showed that of the 129 people nominated 31, or 24%, were women. Of the 40 members of the Board of Trustees for Birmingham-Southern College, 4 were women. Huntingdon, originally a woman's college, had 12 women among the 47 trustees listed, 25.5%. COSROW plans to monitor the 2007 Annual Conference for inclusiveness of both gender and race.

Respectfully submitted,  
Ruth Gynther, Chair  
COSROW Division of the Board of Advocacy

## DIVISION OF NATIVE AMERICAN MINISTRIES

Aldersgate United Methodist Church is the largest Native American church in the Alabama-West Florida Conference, and has a long and proud history in its community, located on the northern edge of Mobile County. In the early days this was a rural and isolated community that depended on agriculture and timber products. At that time Byrd's Chapel was the main church in the community. Since it was a community church with no pastor, different church members preached from week to week.

In the mid-1930's. Rev. W. P. Patillo came to the community as a Methodist missionary. Brother Patillo and several community leaders decided they needed to build a new church with a full-time pastor. This new church, Aldersgate, became the hub of the community and was the center of most community activities.

Brother Patillo continued his ministry to this community for 20 years, from the mid-1930s to the mid-1950s. In addition to helping establish the church, he had the foresight to purchase property in the area for use of the church and its members as homesites.

Other Methodist missionary teachers came to the community in the 1940's, and were instrumental in establishing the local school. The church and the community continue to enjoy a close relationship.

On June 25, 1985 the church was struck by lightning and burned to the ground. But of course the spirit of this congregation couldn't be destroyed.

They saw it as an opportunity to grow and soon they were breaking ground for a new, more modern building, and the new church was completed as it exists today. In 2000 a new Gym and Fellowship Hall were added to serve the growing needs of the church. Both are used for many community events.

On November 5, 2006 we held our annual Homecoming. This year's theme was "An Aldersgate Family Reunion" and focused on the rich history of the church and its significance to the community. We honored the founders of Aldersgate and involved their family members throughout the service. A slide show tracing the history of the church was a high point of the celebration. Of course the traditional "Covered-dish Dinner" followed the worship service.

Today Aldersgate is involved in many exciting projects. We are in the early stages in the Natural Church Growth process, and anticipate additional community outreach, membership growth, and increased participation in group activities.

We now have 7 certified Lay Speakers in our membership, and many of them will be speaking other churches on Native American Sunday. The church is responsive community needs, and holds numerous fundraising events and benefits as needed.

Our church has produced two United Methodist ministers, George Weaver and Prentiss Taylor. Another member, Dunford Cole, is entering the ministry and is a certified candidate for licensing.

Aldersgate has a rich tradition of fellowship and love that binds us together as a community of faith. We pray that we can continue in the positive spirit of our founders, seeing challenges as opportunities, and doing Christ's work in our world.

Dunford Cole  
Chair

## **DIVISION OF HISPANIC MINISTRIES**

As my previous reports, I want to thank our Lord and Savior, for the continued growth and the accomplishments made in the conference. Our support to the National Hispanic/Latino Plan (NHLP) and the Southeastern Jurisdictional Hispanic Committee continue with our active participation in convocations and training events.

We have a new staff member in the Conference, Martha Rovira-Raber, Coordinator of Hispanic Ministries. Martha is working on a comprehensive plan for the conference and providing support to the existing and emerging ministries. Martha could be reached at (251) 975-7575 or [martharr@awfumc.org](mailto:martharr@awfumc.org). Additionally, the conference continued the support of the two NHLP Commissioned Missionaries, German and Leticia Gomez.

As the Chair of the Division of Hispanic Ministries, my participation during

the last year in district meetings, UMW activities, and local church mission fairs was more limited due to the growth of the ministry in Gulf Breeze and Saufley Field Prison Camp.

## CONFERENCE BOARD OF GLOBAL MINISTRIES (CBGM)

Providing Resources, Opportunities, Cooperation, Evaluations, Support, Success.

The **PROCESS** continues through work of CBGM outreach divisions connecting with local churches.

Volunteers in Mission is enlisting church partnerships with Cameroon and providing leadership training of UVMIM teams and Cameroon pastors and churches.

Parish and Community development is working to establish the first Cooperative Parish in the AL-WFL Conference. The initial site (Macon County) involves congregations of different sizes and a variety of pastoral leadership partnering together to achieve ministry goals that the individual churches would not be able to attempt on their own. Although the initial alliances will be between United Methodist congregations, the Cooperative will seek to serve as a catalyst, enlisting congregations of other denominations in the ministry of the parish and creating a network through which the resources and relationships within the Body of Christ are maximized.

Disaster Response is working to determine the delineation of responsibilities regarding response vs. recovery ministries in order to insure that both areas are being covered. With the focus recently of mitigation, training designed to foster greater preparedness for the next event is being considered for district meetings in which information and potential resources for Disaster Response in each District is shared.

In the area of Advance Specials we are endeavoring to simplify the Conference Advance Special approval process. This may mean creating new policies similar to General Advance. "Empowering Ministries of Health: Transform, Mobilize, Advocate" is the current focus for Health and Welfare Ministries. Participation in the national conference provided inspiration and a better understanding in developing health ministries in the local congregations of the AL-WFL Conference. Health and Welfare Ministries division

continues to work with UMW and COSROW sharing the message of “Health and Wholeness” at retreats, supporting Golden Cross Sunday and serving on the AL-WFL Wellness Forum providing health information at the Annual Conference. Wellness Forums will be held in each District in the coming year.

The October 2006 Russia Initiative Mini-Consultation held in Montgomery showed that US and Eurasian churches have developed strong and wide-ranging relationships. Our support has enabled the churches in Russia to develop a variety of holistic ministries with emphasis on making disciples for Jesus Christ, social outreach, youth and educational programs. At the same time the Eurasian churches continue to deal with scarce resources and societal attitudes that hinder their ministries. Bishop Hans Vaxby shared information about the current state of the United Methodist Church in Eurasia that was exciting, inspiring and somewhat disturbing, all the while stirring a renewed enthusiasm of commitment to this vital ministry.

Throughout all the networks, committees, task groups, conferences, meetings, workshops, seminars, retreats and consultations we celebrate the gift that we are a “connectional church”. Our little cup of faith/resources becomes a fountain of blessings in other countries and for the neighbor across the street.

Boots Guthrie, Chair

## **GOLDEN CROSS**

Golden Cross is a program which seeks to assist United Methodists of our Conference who need financial aid for medical expenses. We receive many requests for aid each Conference year. We have been able to respond to all requests made this year.

Golden Cross receives no funds from apportioned items. It's only source of income is from the people of the local churches within our Conference. Each local church is encouraged to receive a special offering for the Golden Cross on Mother's Day in May. These funds are remitted to the conference treasurer. Golden Cross captures the Spirit of our Lord by providing help to those in need.

These guidelines will be assisting those in need:

1. Assistance shall be available for United Methodists. Payment toward financial assistance shall be made only to the hospital, physicians, or pharmacy.
  - a. The director of Golden Cross will provide each applicant with a form which must be filled out in advance of receiving assistance.
  - b. With the completed application form there must be a copy

- of the bills showing the unpaid balances.
- c. This information is to be returned to the Director of Golden Cross.
  2. Assistance will be granted to a person only upon the recommendation of a pastor or District Superintendent who is in a position to know of the need or circumstances. A Pastor needing medical assistance shall be granted only on the recommendation of his or her District Superintendent.
  3. Upon receiving a request from a pastor or district superintendent, an application form will be sent to the person needing assistance.
    - a. The form is to be filled out by the person or pastor requesting help.
    - b. A copy of the bills, with balance due, "MUST ACCOMPANY THE APPLICATION FORM" which is to be sent to the Golden Cross Director.
  4. The amount of assistance granted to any person shall be limited to a total of \$1,200 for any combination of hospital, physician or a drug bill when the funds are available.

A Special Note: With the submission of this report of the "Golden Cross," we all must express our thanks for the Rev. Thomas W. Sowell, Director of the Golden Cross Ministry, from June 3, 1992 to December 31, 2006, in recognizing his commitment and efforts in supporting those who have needed help. Golden Cross Ministry Leadership Change: The new Director of the Golden Cross is Mrs. Guthrie Childs, member of the Conference Board of Global Ministries as Chair of the Division of Health and Welfare. Mrs. Childs is a retired nurse who has been very active in helping manage and directing health management in her local church in the Mobile District, and that of the AWF Annual Conference. Mrs. Childs is also on the General Board of Global Ministries, Health and Welfare Committee, addressing not only the issues of health management in our annual conference, but moreover the whole United Methodist Church. Her direct relationships are well founded in the broad and professional links in areas of health management. We are blessed as an annual conference for not only Mrs. Childs' leadership on the Conference and General Board of Global Ministries, but also her connection with the health communities across both the states of Alabama and Florida. Mrs. Childs is not only a nurse for those who need help, but she is also a nurse who teaches with clear and definitive direction for what must be done regarding health issues. We are blessed to have her on our team and available for those needs of the entire Alabama-West Florida Conference.

Prayerfully Submitted by:  
Rev. Thomas W. Sowell  
and Curtis Henderson, Director of Advocacy & Global Ministries

## COOPERATIVE SCHOOL OF CHRISTIAN MISSION

## NOAH'S ARK

The ministries of Noah's Ark are growing. During the summer of 2006, we enabled over 3000 youth and chaperones to make God's presence known in Panama City and Panama City Beach! Our summer staff of young adults ministered with groups that spent time with us, going with them to the rescue mission, various nursing homes, a children's home, and doing yard work and minor home repair for elderly local residents. These "mission" activities usually start between 8:30 and 9:00 a.m. After a lunch break, we go to the

beach with trash bags to collect vacationers' trash and invite people to our two FREE nightly concerts. On Monday through Saturday nights, our band *Two by Two* performs concerts at 8:00 and 10:00 p.m. The show includes music from the sixties to the present, and features songs written by present and former Noah's Ark staffers. After the concerts we spend time with the retreat groups staying with us, and finally call it a day sometime between 12:30 and 2:00 a.m. Yes, those times are right! In spite of the long hours and short pay, our summer staff has a high retention rate because of the importance of what we're doing. Our world is desperate to know God's presence, and we're here to help people know God's presence. Most of the staff came to Noah's Ark first as youth group members, so we know how important this ministry can be. Our purpose in all we do is to make God's presence known and to challenge those who spend time with us to continue that mission after they go home.

We have had a great 2006-2007 Snowbird Season. Around 850 persons joined the Noah's Ark Snowbird Club this season, participating in over 90 different weekly classes and activities (That might be a record!). Volunteers lead and/or teach activities and classes such as wood working, art classes, musical groups, fitness walking, card games, photography, computers, outdoor sports, social events, singing and playing at area nursing homes, Bible study, and Sunday morning worship. God continues to recreate our community at Noah's Ark each season. This Spirit-led community continues to influence the lives of participants throughout the year.

All this takes place in buildings that require more and more maintenance using equipment that has to be replaced periodically. Our facility would have virtually crumbled long ago if not for the Snowbird Club members and others who have given their time and skills. This year, for instance, they have bought and installed ceiling tiles, updated and repaired electrical outlets, switches and plumbing, created a new computer center with multiple stations for Snowbird Club members, and installed wiring for a completely new campus-wide communications system.

Volunteers also negotiated a contract with a new communications provider. This new system will both save money and provide more and better communication service. In all, **over 100 Snowbird volunteers have given over \$100,000 worth of labor and 10,000 service hours** toward maintenance and repair at Noah's Ark this season.

Our Executive Director and our Pastor (the only full-time year-round staff persons) provide guidance, support, and coordination. With this many creative persons around, differences sometimes arise between individuals or groups, and these same two staff members help people address such differences with grace, love, and forgiveness. Since our purpose is making God's presence known, the heart of our life is expressed in worship. Worship attendance has been strong, our social events have been full, and our community has thrived spiritually this year.

This season we have invited the public to three “jazz nights” at Noah’s Ark. Attendees heard great jazz, received warm hospitality, and experienced the presence of God. We hope to continue this “jazz ministry” and to develop new ministries to our local community and to persons who visit.

The only place we are hurting is in the area of finances. Our costs keep rising, but our income is not keeping pace, to say the least. We are a Conference Advance Special and a General Advance Special of the Alabama-West Florida Conference of the United Methodist Church, but the actual amount of money *available* from “official” sources is very limited. Responding to budgetary constraints, staff salaries have only increased approximately 2% annually. We also have fewer staff members than in the early nineties (with more to do!). Accordingly, we are seeking new sources of income. Strengthening our financial base will require developing funding sources both inside and outside our conference and the United Methodist Church.

Noah’s Ark continues to be the ONLY Christian presence and outreach point in the middle of the exploding resort area of Front Beach Road. When people see our ark-shaped facade, they see the United Methodist Cross and Flame emblem, now widely identified with the “Open hearts, open minds, open doors” campaign. We Alabama-West Florida United Methodists must not take for granted the opportunity to share God’s presence here and now. Please join us in making God’s presence known on the world’s most beautiful beaches. The Board of Directors of Noah’s Ark consists of the following: Lee Ann Boykin: Chairperson; Jim Miller: Vice Chairperson; John Hart: Treasurer; Mrs. Boots Guthrie: Secretary; all ordained United Methodist ministers of the greater Panama City area and an equal number of lay persons; the Marianna-Panama City District Superintendent; a Conference Council representative; Conference and District UMW representatives; representatives of the Conference Board Of Missions and the Conference Council on Youth Ministries; the Marianna-Panama City District Missions Secretary; Noah’s Ark’s Pastor Executive Director; and *members at large*: *Rev. Ken Autrey, Mr. Ken Hundley, Rev. Patrick Quinn, Rev. Joe Curtis, Rev. Dick Brooks, Rev. Mike Owenby, and Mrs. Lee Ann Boykin.*

Blessings and peace to you,  
 Luke Pinegar, Executive Director, Noah’s Ark  
 J. Michael Bryan, Pastor, Noah’s Ark  
 Lee Ann Boykin, Chairman, Board of Directors

## UNITED METHODIST INNER CITY MISSION

The United Methodist Inner City Mission continues to honor the call of Christ to minister to the spiritual, physical, and emotional needs of those who often times feel isolated from mainstream society. As did John Wesley,

we continue to go to the people carrying a message of Christ centered hope, love and justice. The following are highlights of our ministry since our last Annual Conference in June 2006.

*THE MISSION ON BROAD STREET*

The mission is continuing its full scope of programs to minister to the spiritual, emotional and physical needs of the community and adding new ministries. During the past year, the Mission was able to provide emergency assistance to families in need of food and medicine, or who needed assistance with utilities and rent due to unforeseen emergencies. Our Community Enrichment staff continues to work with senior citizens and youth to improve their quality of life. Many senior citizens in our community live alone and do not have any means of transportation. Transportation and daily activities are provided for the "Taylor Park Seniors" including daily devotionals, recreation, field trips, ceramic classes and monthly luncheons. The staff also works with the Oakdale Community Service Club which is a large group of community residents who address a wide variety of issues in the community from environmental issues (vacant houses and lots that need to be torn down or cleaned up) to safety issues (working with the Enhanced Neighborhood Policing to safely report criminal activity such as drug trafficking in a manner that protects the identity of those filing the reports and prevent possible retaliation). The staff also continues to minister to those whose lives are torn apart by drugs and violence by providing assistance in entering rehabilitation programs.

Lack of transportation remains a major problem for residents. Therefore, the Mission provides transportation on an as needed basis for appointments with doctors, the housing board, social security, and other social service agencies, and for job interviews. Monday through Fridays a hot breakfast is served at the Mission for the homeless of our community. During the holidays, the Mission provided two hundred food baskets with turkeys during Thanksgiving and again at Christmas to needy families so they could enjoy a holiday meal. We also served Thanksgiving and Christmas luncheons at the Mission for members of the community. Through the generous gifts and donations and Santa Assurance, we were able to provide over \$30,000.00 in food, toys and gifts to indigent families during Christmas.

We have added two new ministries since the last Annual Conference. There had been no overnight shelter in Mobile for single homeless women since Hurricane Ivan destroyed the only shelter that was available. This has posed a serious problem for those women who must survive on the streets at night with no place to go. A few years ago, one homeless woman was found dead in a city park where she had been murdered. The police knew that she had been sleeping in the park's pavilion and they would check on her during the night. Even with their efforts, she suffered a traffic end to her life. Several possible locations for a shelter have fallen through due to zoning problems or from people who did not want a shelter in their neigh-

borhood. The Mission has worked with a task force from the Homeless Coalition to address this problem and has opened its doors as a temporary overnight shelter for women. Presently, the downstairs is being used for the shelter. If funding is received to make renovations to the upstairs, several rooms there will be used as a permanent shelter.

The Mission has also partnered with Pro-Kids to provide counseling services at the Mission for troubled children and youth. A psychologist with fifteen years experience counseling at-risk youth now comes to the Mission one to two afternoons a week to meet with children and youth in individual sessions. This has proven to be a very successful program and one that is meeting a great need for families in our community.

#### *TAYLOR PARK RECREATION CENTER*

The Mission's Taylor Park Recreation Center continues to play a vital role in our ministry to the children and youth in our community by providing a safe and secure environment to meet the spiritual and physical needs of the children. During the summer, ninety five students attended our morning tutorial program for at-risk students at Taylor Park. This program was staffed by certified teachers and aides through a grant received from the Mobile County Public School System. Eighty six percent of the children participating showed gains in their reading skills. In the afternoon, one hundred children participated in our Summer Enrichment Program. The Mission partnered with the Drug Educational Council who provided additional staff for the program. Participants were also taken on various field trips outside of the community. Children participating in our summer tutorial and enrichment programs were provided with a free lunch through our summer lunch program that was open to all the children in our community. The Mission has received another grant for our after school tutorial program. The funds are designated for the sole purpose of hiring certified teachers and aides and for materials to be used in the program. The Mission now has nine certified teachers and seven aides working with the eighty-five students enrolled in the program. Based on the funds received, the program will extend into the summer.

The Mission continues to provide a year round sports program at Taylor Park which includes football, basketball, baseball and softball for inner city youth. This year, the junior girl's basketball team won the city championship. During the summer, the Mission also took fifty children to Blue Lake for a week of Camp Discovery. This was not only a great recreational experience for them, but a wonderful spiritual experience as well.

With the support from the United Methodist Churches in the Alabama-West Florida Conference, the Mission continues to carry on our ministry of living and sharing the Gospel through love and forgiveness, gentle encouragement, strong values and teaching by example. We appreciate your support and ask that you continue to keep us in your prayers

## ALABAMA RURAL MINISTRY (ARM)

“Necessity is the mother of invention”. I do not know who wrote this but what great wisdom. Christ gave us a mandate to love our neighbor, to share the Good News, to go into all the world, and so much more. If we tried to tackle this alone, the burden would be more than any one of us could bear. We would easily be crushed and fall into a guilty despair. And so the Church and the community of faith becomes the avenue for us to accomplish these acts of love in the name of Christ. That is why I am so grateful! ARM does not function alone and we must be creative to minister to such a large number of people. There is no one person accomplishing these tasks...it is conglomerations of servants from all over who make this happen. From our Board of Directors, our field coordinator in Mobile, the volunteers, the churches who give financial support, to people in Germany that make financial contributions- many people come together to further the growth of the ministry. As you read through the next few columns, I pray you get a sense for how many people and ministries have come together to spread God’s love in Alabama.

Our newest and exciting endeavor is in Escambia County and the Brewton community. Through the leadership of Mrs. Carolyn Jennings and the support of Brewton United Methodist Church, ARM has begun its first affiliate. The affiliate model is such that it creates its own local board of directors, builds its own budget, and organizes volunteers to serve within the local community. Due to the geography of the Escambia area, there is a disaster response component that deals with mitigation and preparedness. Careful evaluation will help us discern if this is the model of how ARM can spread into other counties throughout the state. They have already had community events and hosted work teams! Brewton does not run our summer youth program but teams are welcome to go and work throughout the year.

Special Events: Winter 2007:

Martin Luther King Weekend retreat (Auburn/Tuskegee)

Birmingham Southern Service Learning Team (Tuskegee)

The start of Wednesday Reach with Auburn United Methodist (a once/month day of service)

Special Event: Fall 2006:

Make a Difference Day Oct. 29<sup>th</sup>. This is a National Day of service sponsored by Paul Newman the last day of October. **I am personally issuing you and your church a challenge. Mark this day on your calendar for next year and get your church to create opportunities for people in your congregation and community to go out and serve.**

Summer 2006:

Work teams combined in Livingston, Tuskegee and Wilmer- 17

Sonshine Day Camps: Livingston and Wilmer averaging 30 children at each.

Our site in Tuskegee now hosts work teams year around. Tuskegee FUMC has allowed us the use of their parsonage which is an excellent place to house teams of 20 or less. Wilmer is close to being a year round site with the addition of the community life center at West Wilmer. Rev. Fail and the West Wilmer Church have done an amazing work in this community. As you think about the Fall 07 and into 2008, consider bringing a youth, adult, or intergenerational team to these sites either on a weekend, Fall/ Christmas/ Spring Break, or during the summer.

ARM took a hard blow last summer. A significant reduction of work teams and an increase in material cost created a situation where costs exceeded income. Although we learned extensively from the aftermath of Hurricane Katrina, we were not prepared for how it would affect our ministry. We also learned that other home repair ministries faced the same struggles. The United Methodist Church and specifically our Annual Conference responded in our time of financial need and we are so grateful!

If you have questions or want us to come share the story, please let us know. Also, check out our website, it gives great information and updates about ARM: [www.arm-al.org](http://www.arm-al.org). Thank you for the opportunity to serve!

Your servant, Lisa Pierce

## DUMAS WESLEY COMMUNITY CENTER

Dumas Wesley Community Center concluded its one hundred and third year of service to residents in the Crichton inner-city neighborhood of Mobile. The programs offered by the Center reflect its mission of providing opportunities for seniors and youth, individuals and families to pursue a positive, safe and healthy life.

**Day Care.** Dumas Wesley's Day Care program has been in existence almost as long as the Center. Currently, over one hundred and twenty children ages three months to twelve years receive the love, nurturing and learning skills necessary to healthy development. Full-time and after school care is available. The Junior League of Mobile provides reading buddies and arts and crafts classes for the children, and special love and attention is given by "Foster Grandparents."

**Programs for Youth:** Dumas Wesley provides a non-threatening environment for neighborhood children and youth through the following activities:

- After school tutoring
- Recreation and sports teams
- Super Saturday Field Trips
- Arts and Crafts
- Leadership and Career Mentoring
- Summer Camp at Blue Lake
- Summer Day Camp/Recreation Program at DWCC
- Youth Volunteer Service Projects
- Youth Counselor liaison with schools

A new computer room was recently set up for the children and teens to learn computer skills and do research for homework projects.

**Sybil H. Smith Family Village.** A transitional housing program for homeless women and their children, the Sybil H. Smith Family Village has served 149 women and 218 children since opening in the summer of 1999. The families reside in a 17-unit furnished apartment complex located on the campus of DWCC. Upon completion of the program, each resident receives linens, kitchenware, dinnerware and other accessories for her new home. These household items are then replaced for the next family through "Showers for Sybil" held by the United Methodist Women. Through a comprehensive life skills curriculum, counseling and case management, the women and children are able to overcome the trauma of homelessness. The women in turn volunteer their time and talents to Dumas Wesley, their churches and the community. The Village was recently commended by the Department of Housing and Urban Development for its success in assisting 74% of the women graduating from the program to obtain permanent housing, and for the fact that income levels of the women doubled.

**SAIL (Senior Activities for Independent Living).** For senior citizens, the SAIL program offers transportation to the Center for daily social activities, nutritional meals and health screenings. Meals are also delivered five days a week to the senior citizens of Crichton. Transportation to medical appointments and the grocery store is provided. During spring and summer months, church youth groups and work teams from throughout the country paint and repair homes of the seniors.

**Neighborhood Outreach Worker.** Dumas Wesley's staff is in daily contact with residents in the Crichton community. Organized meetings at the Center provide residents with a forum to express their needs and concerns to elected officials. Neighborhood clean-up campaigns take place throughout the year and blighted areas are reported to the proper authorities on a regular basis. Block captains throughout the community keep residents informed and involved in improving conditions. The City's Environmental Court convenes twice yearly at the Center. The Center is also a meeting site for civic groups and service organizations. The Annual Toy Store and Emergency Utility Assistance program is coordinated by the Neighborhood Outreach Worker. Each year in December, one hundred families in the Crichton community are able to provide their children with a memorable Christmas through DWCC's Toy Store. Toys, games, bicycles and other items are donated by churches, employees of the University Of South Alabama Medical Center, businesses, schools and other organizations. The toys are then priced at a fraction of retail value and parents shop at the "Toy Store." Proceeds from sales are then placed in an Emergency Needs Fund to assist Crichton families with utility bills and other needs throughout the year.

**Annual Walk for Families.** The Center's main fundraising effort, the "Walk for Families," is held the third Saturday in March each year. Churches, groups and individuals obtain sponsorships, pledging to walk or run a 2-mile fun course or 5-mile course through mid-town Mobile. Proceeds benefit all programs of the Center.

**Hurricane Katrina Relief Efforts.** The Gulf Coast continues to recover from Hurricane Katrina. Through generous grants from UMCOR and the United Way of Southwest Alabama, the Center provided day care for children of evacuees, distributed donations of food, medication and essential personal items, and assisted with utility deposits for FEMA trailer hook-ups. Five families displaced by the hurricane entered the Sybil Smith Family Village and were provided with case management, counseling, clothing, food, school uniforms and supplies, and other material goods necessary to move into permanent housing. Temporary shelter for relief workers from throughout the country is available at the Center.

**Staff Changes.** Deaconess Clara J. Ester, Executive Director, retired in December 2006 after almost thirty-seven years of service to Dumas Wesley, leaving a rich legacy of compassion and courageous advocacy for the less fortunate citizens of our city. Brenda Carlisle, Director of Sybil Smith Family

Village, was selected by the Board of Directors to become Executive Director of Dumas Wesley effective January 1, 2007. Diane McCaskey will serve as Director of the Village. The staff of Dumas Wesley will continue to strive to meet the changing needs of the inner-city neighborhood and families we are privileged to serve. We invite you to visit with us, tour the Center and meet some of the many families whose lives you have touched through your constant prayers, donations and support.

## **UNITED METHODIST VOLUNTEERS IN MISSIONS (UMVIM)**

Many United Methodist Volunteer In Mission teams from churches in our Alabama-West Florida Conference have worked in the United States and around the world in 2006. Groups have served from Bayou La Batre to Baton Rouge, from Mexico to Ecuador, from Cameroon to Russia, it is difficult to determine the exact number of persons involved but hundreds have served construction, medical/dental, bible school, storm recovery, and other needs. In addition we have focused on our new United Methodist Mission Initiative to Cameroon, seeking to encourage church partnerships with the churches there. Currently some twelve churches have partnered with the Cameroon churches and this partnership is growing. A clergy team including Bishop Larry Goodpastor went to Cameroon in January 2007 to lead a Pastor's retreat and work with several churches in the Yaounde area. Our hope is to send a team this conference year made of one representative from each partner church to Cameroon to visit partner churches and distribute mosquito nets. Also we are getting positioned to send construction teams to build a church in Cameroon and also medical teams. Opportunities abound for volunteer mission work in the United States and around the world. To learn more about all the opportunities go to [www.umvim.org](http://www.umvim.org).

Respectively submitted, R. Neil McDavid

## **MILK AND HONEY OUTREACH MINISTRIES**

Milk and Honey Outreach Ministries was established in 1994 as a children's Bible study program within a low income, inner city housing project. It soon became apparent that many of the children were having difficulty with reading and faced many other challenges that were not being addressed by the services that were being provided. By 1996, the program was incorporated as a community-based non-profit organization (501C3) and children received after school care, tutoring, mentoring, and nutrition, in addition to Christian education.

This ministry is an expression of God's love in the world and serves to bring God's healing, hope, and help to people in need. Milk and Honey has partnered with and been supported by a number of churches including Methodist, Episcopal, Presbyterian, Baptist, and the Protestant Navy Chapel

as well as a number of community and governmental organizations including the City of Pensacola, United Way of Escambia County, the Department of Juvenile Justice, and the Community Drug and Alcohol Commission.

By providing services within the neighborhood, by consistent, trusted African American role models and dedicated volunteers, the program has become a valuable part of the lives of needy children. Our current programs include:

**After-school program:** This program provides services to 35 children 4 times per week, 3 hours per day from August to May. Services included academic tutoring, counseling, computer training and a weekly Bible study. Volunteers help with basic reading and math skills as well homework assignments. Nutritious snacks donated by the community are provided during Bible study. Because of the closure of the neighborhood school in our target area, we have changed the hours of operation of our after-school programs to accommodate an extra hour bus ride experienced by many of our students. Even though the children in our after-school program live in the same neighborhood within walking distance of each other, they currently attend six different elementary schools. Our efforts have been to provide consistent nurturing, support and encouragement to our students and families during these challenging times as well as academic assistance.

**Summer Program:** The summer program operates from June to August, Monday- Friday from 8 a.m. to 5 p.m. to provide safe, fun, enriching activities in a Christ-centered atmosphere. Many of the children we serve are from low-income single-parent families and providing supervised activities during off-school hours is very important. Children are most at risk to be involved in delinquent activities during the after-school hours and school breaks. Our Summer Camp is an opportunity to make a positive difference in their lives. An average of 30 students per week participate in this program that includes a daily meal provided by the Florida Impact. A large part of the program involves off-site activities and providing safe, reliable transportation is the limiting factor in the number of children served by this program. Activities include horseback riding (equine therapy), swimming lessons, skating, bowling, and field trips to museums and other places of local interest. We also provide ongoing Christian education and partner with local churches to provide Vacation Bible School.

**Spring and Fall Break Camp:** This program was initiated in 2003 in partnership with the Pensacola First United Methodist Church's Bishops' Initiative on Children and Poverty Task Force. Most of the children served by Milk and Honey Outreach Ministries receive free lunch at school during the academic year and through the Summer Camp (Florida Impact) during the summer vacation. There was a need to provide a nutritious lunch during the weeklong Spring and Fall breaks. Similar to the summer break, this is also an opportunity to provide a safe, nurturing place for children when they are out of school. Activities include a spiritual focus each day with Scripture, music, crafts, and fellowship. In addition, we have character building workshops to deal with issues of anger management, conflict resolution, drug pre-

vention, etc. and special arts, dance, and sports activities. Approximately 50 children (ages 3-15 years old) attend each day. The dates for Spring Break camp 2007 are March 19-23 and for Fall Break are in October.

**Girls Embracing a More Excellent Way (GEMS):** This program is targeted to African American girls 10-17 years old who are from a single family home and/or from a high crime neighborhood. Milk and Honey recognizes that girls with the above background need a support system to ensure successful entry into adolescence. For many of these girls, there is a family history of teen pregnancy, lack of parental involvement, peer pressure, for sexual activity, inadequate positive role models, inadequate communication between children and adults, and large quantities of idle time. A pilot program was conducted in 2000 and 2001, but the program was discontinued due to a lack of funds. The need for this program is overwhelming and it was reinstated in 2004. A series of Friday night workshops are scheduled on January 9, February 13, March 12, August 13, September 10, and October 8. Two sleepovers are scheduled for April 16 and November 12, 2004. In addition, most Friday nights informal group sessions are held with the girls to discuss issues that they are facing each week. Through these sessions and one-on-one mentoring with positive role models the girls will learn strategies for effective goal setting, support for a commitment to a lifestyle of sexual abstinence until marriage, appropriate methods for interacting with peers and adults, and how to identify their spiritual gifts.

Thanksgiving and Christmas dinner boxes activities include every family participating in any program offered to the Kid's Club. We continue to involve the youth of First United Pensacola downtown. In addition to the dinner boxes the families benefits in: New Clothing - this includes parents and other siblings; New household items given at the parent's request; Toys in the latest electronics and tradition dolls and trucks; New undergarments, socks, and t-shirts for each child.

## **NELLIE BURGE**

I bring you Greetings from Nellie Burge Community Center. I know this newsletter has been a long time coming but I had to prioritize my responsibilities. I know each and every one of you would really appreciate our efforts into making our center, one of the most sought after Day Cares in Montgomery. I will attempt to bring you up to date on all the positive things that have taken place since I became the Executive Director, May 1, 2006. I started off running from day one and I honestly wish I could say that I have been able to catch my breath yet, but I haven't. Each day when I walk into our building, I feel so blessed to have the support of so many United Methodist Churches, Families, UMW, UMM, Youth Groups, Circles, Sunday School Classes, Friends and others that NBCC can count on when needed. Without yours support, a lot of the changes that have taken place within our building would not have happened. I would encourage each and every one of you to please come out and see what you have done to help give our center a

much needed face lift.

Some of the positive things that have happened since I came on board are listed below:

The Day Care grew from about 65 children to 104 children with a waiting list now of 7 Toddlers, 3 Nursery's and 3 Expectant Parents due this summer who already want to put their unborn child here.

Furnishings in the building have been replaced to reflect a more professional atmosphere

Children are being exposed to more activities, especially in the summertime, like having Youth Groups come to teach Vacation Bible School, attending Vacation Bible Schools at our local churches, attending a Biscuits Baseball Game, visiting the zoo, Shakespeare Festival, feeding the duck, weekly library visits, swimming, visiting a farm, going to the Rosa Park Museum, Chucky Cheese, Alabama Cattleman Association, White House of the Confederacy and other places allowing them the opportunity to have fun in a positive way. Hopefully, these events will stay etched in their mind to let them know you can have fun without violence, especially since we have so much of that around today.

Nellie Burge is collaborating with more agencies in the community, which is a win, win situation for both organizations.

Events that took place here at Nellie Burge Community Center:

NBCC license was renewed for two more years in November 06.

We received the following Grants:

\$15, 000 from Children's Trust Fund for After-School Program

\$10, 000 from Working Women Home Association for general operating assistance

\$1800 from Central Alabama Community Foundation for assistance with teachers training to attain NAEYC (National Association Education of Young children).

Rev. Jim Dannelly helped submit a grant for an Enhanced GED Program from the Advanced for Christ General Advance Program in the amount of \$16,000 for computers, supplies and salary for a person to administer the program. We haven't heard from them yet.

No Child Left Behind Grant was applied for last year but we haven't received a response.

Police Department, Fire Department and Postal Service came out last September for Occupational Month.

This past summer we had the following Youth Groups to assist us at NBCC: Mary Esther, FL., Frazer Memorial, St. James, Trinity, Aldersgate, First UMC/Clanton and Prattville.

On Saturday, October 28, 2006, we had about 23 Volunteers from Gama Beta Phi from Troy State. This was National Volunteer Day and they assisted us with painting, cleaning out our storage room, working around the playground and other items we needed taken care of.

Trinity Presbyterian came out and had a Fall Festival for the children and teachers. They had a ball and really enjoyed it.

Teachers were given a Luncheon of Appreciation from Aldersgate UMC

Aldersgate UMC and Landmark Church of Christ donated baskets for the staff at Nellie Burge Community center with a variety of food for Thanksgiving.

First UMC picked up our Pre-Schoolers for a Christmas Party on Monday, December 18, 2006. The children enjoyed the outing.

Toys were presented to our children on Wednesday, December 13, 2006 from Trinity Presbyterian School.

NBCC currently sponsors 99 Home Care Providers. Our program reimburse home providers the cost of meals served to the children in their care, provided those meals follow USDA nutrition guidelines. NBCC has Training Hours Available in Early Childhood Education for our home providers. This is done in the following ways:

Using a creative curriculum in the early childhood learning environment.

CDA Training (includes Safety, Centers, Blocks, Art, Reading/Computers, Sciences Dramatic Play and more)

Advising Services - This training is offered through Nellie Burge Community Center by Ann Evbayiro, Child Care Director-264-4108 (ext 1).

ANNUAL Dinner:

Nellie Burge 28<sup>th</sup> Annual Dinner was held, January 11, 2007 at First United Methodist Church. Our speaker was one who gives Nellie Burge Community Center credit for part of his academic pursuits, Christophe Jackson. Chris played the piano throughout the evening at age 7 for the 1st Annual Dinner Meeting of the Board of Directors of Nellie Burge Community Center. He gave credits in his speech to the people who had helped him be the person

he is today. He provided music at that event by performing with the RJS Trio.

We have to give the committee Chairperson Committee, Mrs. Mary Ellen Bullard, Mrs. Portis Cunningham and Mrs. Martha Hawkins along with the other Co-Chairs, a big thank you for a beautiful job for the entire program. The food was prepared by Ms. Martha Hawkins of Martha's Place and everyone enjoyed the meal. If you weren't able to attend this year, you really missed a wonderful event.

Special Thanks goes out to our Volunteers from Easter Seal for all the great work you do at Nellie Burge Community Center.

I know this is not listing every good deed that was done to assist us here at Nellie Burge because we wouldn't have room to list them all. But we want everyone to know that everything that you donated to Nellie Burge whether it was in form of finance, volunteering, visiting, praying or any other deed that it didn't go un-noticed. We are forever Thankful from the bottoms of our hearts for all that you do. I can't thank the support of the board for all the assistance they give to make this organization successful. I thank you from the bottom of my heart for all the continuous support that you give to Nellie Burge Community Center.

## BOARD OF COMMUNICATIONS

The Board of Communications is charged with delivering the message of the ministries of the Alabama-West Florida Conference. By utilizing numerous means of multi-media communications, we work to spread the Good News of

Christ throughout our conference and the world. Many improvements in the conference's ability to communicate have been initiated. Through the hard work of our Director of Communication, Meredyth Earnest working with Bishop Goodpaster, our conference staff, and the Board of Communications, needed innovations have been implemented. The Board of Communications is organized to better meet the Conference's needs for external, internal and crisis communications.

The communications ministry centers on a variety of areas:

1. Alabama-West Florida Conference's Web site, [www.awfumc.org](http://www.awfumc.org)
2. Communications, training and consulting with local churches
3. External media relations across the conference
4. Mass Communications – Both internal and external for AWF Conference
5. The *NewsCONNECTION*, an E-newsletter distributed biweekly to over 4,000 people
6. Improving Conference information management & databases
7. Crisis information management
8. The *Narrator*, a quarterly publication of the AWF Conference
9. Media coverage of annual conference
10. Publishing *The Daily Bread* newspaper during annual conference

2006 Accomplishments for Communications:

1. A Media Advisory Board, made up of media specialists from television, radio, and print journalism, was formed to improve our use of all forms of media in the Conference. The Media Advisory Board met with the Bishop, the Director of Communications and members of the Board of Communications in Montgomery, Alabama and Pensacola, Florida. These meetings provide valuable information which was shared with the district and local church communicators.
2. Provided improved communications vehicles at 2006 Annual Conference in Mobile, Alabama. Members of the board were instrumental in producing *The Daily Bread*, a daily newspaper summary of happenings at Annual Conference.
3. Assisted in providing timely, needed, and continuing communications to the annual conference.
4. Conducted two major communications training events directed towards the district and local church communicators.
5. Individuals of the Board of Communications provided training at several district training event/Super Sundays.
6. Individuals of the Board of Communications conducted local consultations to improve the use of local media and advertising.
7. The Board of Communications continues to update the Conference's crisis communications

The Board of Communications looks forward to an exciting and productive 2007.

Rev. Michael Lawler, Chair, Board of Communications

## BOARD OF CHURCH AND SOCIETY

The Conference Board of Church and Society works in concert with other boards and agencies of our conference and with social issues oriented groups operating in Alabama and Florida. The program year has been filled with situations that required that this Board organize its participation in more efficient ways. Here are some of the areas in which the Board has recently been involved:

A quality Cooperative School of Christian Missions was held at Blue Lake Methodist Assembly, July 27-29. Our chairperson with two other Board members served on the school planning committee consisting of representatives of the Conference Board of Global Ministries and of United Methodist Women. The school was truly a successful, shared experience for planners, teachers and students. The Board of Church and Society participated fully on every level of the school.

Fifteen high school and college students from the Alabama-West Florida Conference and two adult leaders represented us at The Washington, D.C. Citizen Seminar sponsored by the General Board of Church and Society. The trip was made possible by apportionment money offered through the Conference Board, individual donations, and work projects done by the students themselves. Government action and the state of immigration policy were central topics of the Conference. Participants got to meet with Senator Richard Shelby of Alabama for a policy discussion. Ethical issues and economic realities were examined in the light of Christian responsibility. The students listened to and worshiped with undocumented day laborers for whom a Gathersberg, Maryland, United Methodist Church was providing support. These fine students expressed gratitude to the Conference, the churches, the Board of Church and Society, Rev. Ashley Davis at the Troy University Wesley Foundation, who was trip coordinator, and everyone else who made the seminar possible. The event took place the week of September 17, 2006. Plans are already in place for a trip in 2007.

In a related event, seven representatives of our conference and the Board attended a Workshop on Immigration Law and Strategies for a Successful

Legislative Program, Saturday, January 27, 2007 at Providence Hospital in Mobile, Alabama. The presenter was Mirna Torres, Director of Legalization and Advocacy for the Catholic Legal Immigration Network. The purpose of this workshop was to enhance and expand legal services to indigent and low income immigrants principally through church immigration programs and to meet immigration needs identified by the churches. Ms. Torres is an attorney representing a charitable network of 1200 lawyers and accredited paralegals who are interested in networking with church agencies across denominational lines to aid immigrants.

The Conference Board of Church and Society supports Alabama Arise and Florida Impact, two policy groups organized to support legislation which promotes human rights, economic fairness, environmental protection, and public health. Many of their emphases coincide with Christian ethical concerns. Equitable funding for education, tax relief for the working poor and a bill of rights for tenants are three legislative victories that Alabama Arise helped achieve in 2006. Issues like Medicaid long term care reform, environmental justice, constitutional reform, further tax reform, campaign finance reform, a death penalty moratorium, public transportation, and tobacco policies will be reviewed and addressed by the two groups in the coming year.

On Wednesday, March 7, representatives of the Conference Board of Church and Society, the Conference United Methodist Men, the Conference Program Staff and members of our conference clergy, joined other reputable civic groups to hold a press conference at the Statehouse in Montgomery, Alabama. The purpose of the gathering was to show support for using funds awarded the state for winning a tobacco related suit, for educating young people about the dangers of smoking. It is our opinion that these funds are presently used for less worthy projects. Another purpose was to call for the abolition of cigarette vending machines which are an obvious way around present laws which restrict minors from smoking.

The Alabama-West Florida Conference Board of Church and Society endeavors to explore ways that United Methodist individuals and groups can serve the present age under God's righteousness with mercy. We are thankful for a Church that seeks to be of some earthly good.

Respectfully submitted,  
Joseph H. Reams, Chairperson

## **BISHOP'S INITIATIVE "A CHURCH FOR ALL GOD'S CHILDREN"**

The Bishop's Initiative on Children and Poverty (BICAP) has been in transition. The Initiative is now recognized as *A Church for ALL God's Children*, a program of the Annual Conference. *A Church for ALL God's Children* is focused on the response to the needs of ALL of God's children: children, youth, adults, and the community. The guidelines have been redesigned to be inclusive of ministries with youth, older adults, and children in the congregation and community. This refocus allows congregations to be creative in their ministries of outreach and response to the Word of God.

In 2007, churches receiving the award will have complied with the Guidelines for The Bishop's Initiative for the Church for All God's Children. These churches will be announced at annual conference, June 3-6, 2007.

Churches in the future will be utilizing the Guidelines for *A Church for ALL God's Children*. Churches in the conference are encouraged to begin the process of being *A Church for ALL God's Children*. The refocused Guidelines now provide for ministries with youth and older adults as well as children. Churches are asked to provide a "scrapbook" documenting each Guideline of the program. These scrapbooks can be in many different forms, including a DVD. Guidelines are available through the district representatives and the Office of Connectional Ministries.

District representatives are available to assist in the process and to provide resources for churches in the process. The district representatives for *A Church for ALL God's Children* are:

## BOARD OF HIGHER EDUCATION AND CAMPUS MINISTRY

### BIRMINGHAM-SOUTHERN COLLEGE

**The 150th year for Birmingham-Southern College** was punctuated with change and progress. Plans for an Admission hospitality house, a lake and park for student recreation, upgrading of student housing, and a commitment to the four-year experience were announced and work began quickly on the Admission House and student residences. An adjacent apartment complex, newly renovated and purchased in late fall, will provide additional housing and allow for the oldest dorm to be closed for renovation. A move from Division I to Division III athletics was announced mid-year, with teams to be added in football, women's lacrosse, and men's and women's track and field. Dr. Neal Berte was named President Emeritus and retired from the campus as Chancellor.

**The Sesquicentennial Year** was also the context for the launch of new programs that engage students across disciplines in inquiry and exploration of faith, human dignity, and vocation. Collaboration in coursework and extra-curricular programming brought to the campus persons who could not only facilitate the exploration, but ask the hard questions and help students

shape response out of their own experiences. Service components throughout the year placed students across the city, state, and nation to serve the church and community. Speakers *included* Randy Day, General Secretary, General Board of Global Ministries; Jim Winkler, General Secretary, General Board of Church and Society; F.W. de Klerk, former President of South Africa and recipient of Nobel Peace Prize in 1993; E.O. Wilson, environmentalist and two-time Pulitzer Prize winner; Rita Dove, former U.S. Poet Laureate, Pulitzer Prize winner, author of *On the Bus with Rosa Parks*; Maureen Cropper, economist and environmentalist, Professor of Economics at University of Maryland; David Shipler, Pulitzer Prize winner and author of *The Working Poor*; Deborah Lipstadt, Dorot Professor of Modern Judaic Studies at Emory University and author of *History on Trial: My Day in Court with David Irving*. Faculty and student presentations broadened the exploration of “what it means to be human” and “what does *dignity* mean?” The closure of the Sesquicentennial Year was celebrated with May 2006’s Baccalaureate and Commencement ceremonies and five honorary degrees were presented:

- Rebecca Gilman, ’87, award-winning playwright, Honorary Doctor of Humanities
- Carol A. Newsom, ’71, Charles Howard Candler Professor of Old Testament at Candler School of Theology, Honorary Doctor of Divinity
- David Shipler, Pulitzer Prize-winning author, Honorary Doctor of Laws
- William H. Willimon, bishop of North Alabama Conference, Honorary Doctor of Divinity, and
- Odessa Woolfolk, founder and president emeritus of the board of the Birmingham Civil Rights Institute, Honorary Doctor of Laws.

A reunion day of festivities and dinner was highlighted with fireworks over the campus and city.

**Commitment to academic excellence continues.** Nine faculty members and President Pollick presented papers at international conferences. Eleven faculty members presented at national conferences. Seven students presented at national conferences, as well, and four received research grants at major universities for the summer of 2006. Ten faculty members were added in math, English, library science, music, Spanish, art, and sociology. Accolades and recognitions for both the academic program and the college experience have been received from Institutional Research and Evaluation Inc. listing BSC among *America’s Best Christian Colleges* for the seventh year; *The Washington Times’* one of the nation’s top 30 colleges; Loren Pope’s *40 Colleges That Change Lives - 40 Schools That Will Change the Way You Think About College*; Barron’s *Best Buys in College Education*; *The Journal of College Admission’s Best 201 Colleges for the Real World*; *Best 361 Colleges* by Princeton Review; and U.S. News & World Report moved BSC up 14 places in the top tier of its Best Liberal Arts Colleges. Each year, Birmingham-Southern ranks No. 1 in Alabama and among the nation’s best in percentage of all graduates accepted to medical, dental, or health career

programs. The college also ranks high nationally in graduates accepted to law school and has a distinguished record of job placement and admission to other graduate and professional schools.

**Intercollegiate athletics** will move to Division III beginning with the 2007-08 academic year. Joining the Southern Collegiate Athletic Conference will bring competition with schools similar in size, ranking and mission. The SCAC includes schools such as Sewanee, Rhodes College, Centre College, DePauw University, and Millsaps College. Coaches have been named to new sports, and athletes expect to number just over 200 in all sports.

**Crisis on Campus:** In March, the Birmingham-Southern family responded to the arrest of two students charged with the arson of nine rural Alabama churches. The Alabama Churches Rebuilding and Restoration Fund was established, and teams of faculty, staff, and students were formed to access the needs at each church. A tenth burned church and team were added to the rebuilding efforts, though it was not burned by the students. The Fund received more than \$368,000 that has been distributed to the churches – gifts of love from churches and individuals across the conferences, state and community as well as gifts from AmSouth Bank, FOX6/WBRC TV, The National Conference for Community and Justice, and The Community Foundation of West Alabama. Teams assisted with debris removal, cleaning damaged churches, and coordinating resources and donated items. By May, each church was supported by a rebuilding team that included architects, contractors, community liaison, and scores of volunteers. In October a celebration dinner was held on campus for pastors and members of each church, BSC response teams, and other community leaders. Speakers were Governor Bob Riley, U.S. Representative Artur Davis, Lamarse Washington of NCCJ, Carolyn Warziniack of Jackson Hole, WY, and two pastors of burned churches: Rev. Jim Parker of Ashby Baptist Church and Rev. Glenn Harris of Spring Valley Baptist Church. Ministry with these congregations continues.

**Religious Studies and preparation for ministry remains strong**, and the offering of Religious Education has opened new doors for ministry and vocation. The Religion major reflects faculty expertise and student needs, students go deeply into Biblical studies, reach widely to embrace theology, and walk confidently in the footsteps of Jesus, Paul and Wesley to claim the inheritance of our faith. More than 30 students have chosen Religion as their primary study; more than 75 students are seriously considering vocation in ministry. Religion courses are in demand from students in all disciplines and the IY (first year) classes on Wesley and theological responses to environmental crises added last year will rotate with a gospel study and theology course. 2007-08 will inaugurate two scholarship programs for Religious Education: the Elizabeth Henry Evins Scholarship, and the United Methodist Church Vocation Scholarship. Religious Education students will participate in colloquy sessions as well as coursework for a broad and

deep experience of faith and vocation. Internships in a variety of age-level ministries, with non-profit agencies, and with deacons and elders will mark their journey. Mentoring and counseling students as they discern their call to ministry or vocation is a priority and reaches beyond the classroom, the Chapel, Religion courses, and the campus. The Boards of Higher Education and Ordained Ministry offer support to students and to faculty and staff.

**Retirement:** Our great sadness is the announcement of the retirement of Dean of the Chapel, Dr. Stewart Jackson in June 2007. Dr. Jackson has served the College for 28 years as Chaplain, Counselor, and Dean of the Chapel. The search committee composed of students, church-related faculty and staff, and ministerial trustees are prayerfully seeking a United Methodist Chaplain to assume responsibilities for UM worship and Wesley Fellowship, coordinating ecumenical ministries, and faithfully connecting with the ministries of the conferences.

**Wesley Fellowship:** Each week students gather for Wesley Fellowship: a meal, time for prayer and support of one another, Bible study or other program, and fellowship. On Thursday evenings, they enjoy a social time and on Friday assist with the children's ministry at a new West End church, an intercity planted church in our neighborhood.

**Ecumenical Work:** There are six Chapel Interns this year who work with Dr. Jackson to provide worship on Sunday afternoons and programs throughout the week. Students plan and lead the service, coordinate special choirs and preachers, and use the liturgical year and lectionary as both teaching and worship tools. Sunday is an especially meaningful beginning of the week for an ecumenical gathered group.

**The Religious Life Fellows Program** began this year to meet an expressed need for students to learn more about other faiths. Students applied for the fellowships with qualifications including commitment to ones own faith but interested in interfaith conversations and awareness. Fifteen students now meet twice a month to learn from each other and to participate in programs in the city. They also plan an annual cultural event for the campus community. The faiths of Christianity, Judaism, Hinduism, and Islam are represented in the 2006-07 Fellows.

**Service-Learning:** The local projects for our Service-Learning Program include: Meals on Wheels, Woodlawn Tutoring, Woodrow Wilson Tutoring, Woodrow Wilson Student of the Month, Woodrow Wilson Boy/Girl Scouts, Urban Kidz, First Light Women's Shelter, FocusFirst Vision Screening, Oak Knoll Assisted Living and International Tutoring. The Interims in Service-Learning hosted two projects; one international and one local. The International project worked with the Foundation for Sustainable Development in Ecuador and the local project studied urban and rural poverty in Alabama, working with Alabama Rural Ministry in the Alabama/West Florida Conference. In addition, work teams for the burned churches and to

Moss Point, MS, are planned.

**Birmingham-Southern College is grateful for the support of the Alabama-West Florida Conference** and is strengthened by the ministry of the annual conference. Lay and clergy from across Alabama and Florida serve on the Board of Trustees, the Pastoral Advisory Board, The President's Advisory Council, the Norton Board, and advise in areas of Admission and Financial Aid, Pre-Ministerial Advising, and the Center for Ministry. More importantly, daughters and sons of Alabama-West Florida excel as students and lead skillfully and faithfully in service and ministry.

## CANDLER SCHOOL OF THEOLOGY

Candler School of Theology is grounded in the Christian faith and shaped by the Wesleyan tradition of evangelical piety, ecumenical openness, and social concerns. Its mission is *to educate—through scholarship, teaching and service—faithful and creative leaders for the church's ministries in the world.* These purposes define Candler's role as a school of Emory University and of the United Methodist Church and point to the unique challenges and opportunities we face in leading a national research university in re-discovering what it might mean to relate to a major denomination.

Our school, unique in its placement within a top twenty research university and its commitment to educate pastoral and academic leadership, is poised to play an active role in the positive transformation of the church and the world. Religion has bound and divided communities since the beginning of time and now is no different. When polled about their research, over three hundred Emory professors named "religion" as a theme in their work. Ethically aware, theologically profound voices are desperately needed in our society, and Emory draws on its Methodist heritage and looks to Candler to bring wisdom, clarity, compassion, and tolerance to the conversation. For example, Mary Elizabeth Moore, professor of religion and education, is co-chairing one of our university strategic initiatives, "Understanding Religions and the Human Spirit." Candler's faculty continues to be among the most distinctive in theological education. Forty-six members hold full-time appointments, and six hold part-time appointments. An additional fifteen serve in an adjunct capacity. Woodie White and Jack Meadors serve as the United Methodist bishops in residence. Bishop L. Bevel Jones III remains at Candler working with the Development Office.

In our commitment to the practice of ministry, we partner with eighty churches to ensure that ministerial preparation takes place in both the local church and on the campus. Candler's Contextual Education program intentionally pairs a faculty member with supervisors from church and community ministries so that teaching teams represent the church and the academy. Twenty-nine teaching supervisors support our Contextual Education and Teaching Parish (student pastor) programs. Dr. Alice Rogers has broad-

ened the Teaching Parish program, and it now includes students appointed to churches in the Alabama-West Florida, North Alabama, North Georgia, South Georgia, and South Carolina Annual Conferences.

This year, enrollment was 510, with 396 in the Master of Divinity program, 59 in the Master of Theological Studies program, 20 in the Master of Theology program, 9 in the Doctor of Theology program and 26 enrolled as Special, Non-Degree students. Eighty-three percent of students are enrolled full-time. The student population is 23% US ethnic minority, 10% international, and 51% women. More than 50 denominations are represented with 56% of MDiv students being United Methodist from 34 Annual Conferences. Other denominations of the Methodist family represented at Candler include African Methodist Episcopal, Free Methodist, Wesleyan Methodist and the Methodist Church of Korea.

Good things are happening as we develop and put into action a plan for the life-long learning of church leaders. A group of leaders in life-long learning, including a number of United Methodists, have given advice on enhancing our programs. Our Institute of Preaching and Pastoral Renewal led a group to the Holy Land after having taken a course in continuing education and funding for this program has been renewed for 2007. Information on upcoming events is available at [www.candler.emory.edu](http://www.candler.emory.edu).

Groundbreaking on Phase I of our new building is planned for spring 2007. Our full project—two buildings—will provide faculty and administrative offices, state-of-the-art classrooms, new library facilities, a teaching chapel, and space for the University's Ethics Center. The University plans to gather its rich religious resources within and near the Candler facilities to create a "religious complex" centered around Candler.

The faculty has begun to implement an inspiring strategic plan that calls for the facilities noted above, new faculty chairs, program support, and increases to our scholarship endowment. This year, 77% of eligible students received scholarship support from Candler with an average scholarship covering 78% of tuition. Gifts from the Methodist Education Fund (MEF) have played a large role in this support. However, so much more still needs to be done. More than 60% of Candler's MDiv graduates leave school with educational debt. This burden undermines their effectiveness in ministry, such that some seek alternative employment. Your continued support, gifts, and prayers mean a great deal as we work to provide a strong educational program as well as support for the courageous and committed students who choose to undertake the challenge of theological education.

I am honored to be Candler's dean as of January 2007. I am deeply grateful for the leadership of Russell Richey in the previous six years and for his help in ensuring a smooth transition. I look forward to his continued, powerful presence at Candler as a leading scholar of Methodism, as a teacher, and as

one who makes significant contributions to the life of the church. Thank you for your many expressions of welcome and for your support of Candler. I very much look forward to getting to know you all better in the months and years ahead.

Sincerely and with thanks,

Jan Love

Dean and Professor of Christianity and World Politics

Candler School of Theology

## HUNTINGDON COLLEGE

In the past year, Huntingdon College has taken great strides in fulfilling our promise as a United Methodist institution of higher education. As an extension ministry of the Church, Huntingdon seeks to provide high quality academics in a culture of faith. An intentional effort over the past four years to renew the ties between the United Methodist Church and Huntingdon College is beginning to bear great fruit. Huntingdon College has built its capacity on all levels to define itself theologically as a Christian college of the United Methodist Church. The process of reconstruction is progressing as we continue to live out, and live into, what it means to be an institution of higher education in the Wesleyan tradition.

In the fall of 2006, Huntingdon College welcomed its largest entering class in two decades. Forty-two percent of this class were United Methodist and received the Cross and Flame half-tuition grant. Your investment through apportionment giving makes this grant possible, and a Huntingdon College education affordable for hundreds of our students. It is our goal to empower a new generation of leadership for both church and society. At Huntingdon, students are confronted with the simple but profound and ultimate question, "What has God called me to do with my life?"

In December of 2006, the College received notice from its accrediting body, the Southern Association of Colleges and Schools, that its two-year probation status had been lifted. Huntingdon had been placed on probation in December of 2004 on the grounds that it was not demonstrating financial stability. The College has seen dramatic improvement in its financial health due to increasing enrollment and strong fundraising trends. The United Methodist Church has played a significant role in both of these areas.

In July of 2006, we welcomed the Reverend Dr. Jimmy Jeffcoat as a member of our faculty, and as Director of the Bishop Paul A. Duffey Institute for Church Leadership. Dr. Jeffcoat will lead our effort to offer undergraduate degrees in religion, leading to certifications in Christian Education and Youth Ministry. The Religion Department will add a fourth faculty member in academic year 2007-2008. In a partnership with Blue Lake,

the Connectional Staff, and the Duffey Institute, the Student Leadership Initiative will hold its first camp on the Huntingdon campus, June 26-30, 2007. Through this annual event, our conference will begin to identify the next generation of church leaders.

The Sybil H. Smith Trust has awarded a grant to Huntingdon College and the Duffey Institute to begin the Rural Church Leadership Initiative. The purpose of this program is to motivate, support, prepare, and train clergy in rural churches for the transformation of rural congregations and communities. A cohort of 24 pastors will be selected each year for a course of study, leading to a Certificate in Rural Church Leadership. The first cohort will be chosen from rural counties in South Alabama and Northwest Florida, where the Smith Trust generally serves. The Bishop and cabinet of the Alabama -West Florida Conference will select these pastors. Tuition, room, and board will be provided through a grant from the Smith Trust. It is our hope to expand this opportunity to other areas of Alabama in coming years. The first cohort will begin in August of 2007. The group will meet for five two-day seminars, and graduate in the spring of 2008. These pastors and their congregations will also be eligible for mini-grants for outreach to their communities.

In August of 2006, Mr. Jack Horner, Director of Music at First United Methodist Church in Montgomery, took on the additional responsibility as Director of Choral Programs at Huntingdon College. This past spring the Choir conducted its first Spring tour in many years, making stops at several churches in Alabama and Northwest Florida.

In September, Dr. Mark La Branche, Vice President for Institutional Advancement and Dean of Ligon Chapel, and Dr. Larry Bryars, Vice Chairperson for the Alabama-West Florida Conference Board of Ordained Ministry, attended the Fund for Theological Education, "Calling Congregations Conference." Dr. La Branche and Dr. Bryars are working with the Conference to plan a Calling Congregations Sunday. On this Sunday, churches will be encouraged to celebrate God's calling, and specifically to lift up the calling to ministry. This emphasis will play a vital role in raising up the next generation of church leaders.

Huntingdon College continues to be recognized as one of the best liberal arts colleges in the nation. Our graduates have found acceptance into the best graduate programs and professional schools. Many distinguish themselves in their fields of endeavor. Most importantly, they go forth from Huntingdon with an orientation of faith and service.

Respectfully submitted,  
The Rev. Dr. Mark La Branche  
Vice President for Institutional Advancement and Dean of Ligon Chapel

## UNITED THEOLOGICAL SEMINARY

**UTS Mission Statement:** *United Theological Seminary is a Christ-centered graduate school of the United Methodist Church that equips leaders for the church in a pluralistic world through the nurture of piety, the love of learning and the pursuit of justice.*

United Seminary has now completed its first full year at the new Trotwood, OH, facility after 80 years on the Harvard Boulevard Campus. The new facility is a state-of-the-art educational center, complete with the latest classroom technology, a media center for students and faculty, and a spacious new library. The EUB Heritage Center celebrates the long history of the seminary first founded by United Brethren Bishop Milton Wright, father of the Wright Brothers, and other area business leaders in 1871.

UTS is developing partnerships that reflect a lasting commitment to collaboration in urban ministries, wellness education, leadership formation, pastoral supervision, children's and youth programs, advocacy for women and children, and peace with justice. The seminary has an effective program of medical ethics with Wright State University, and has begun internship programs in urban work with area municipalities. The area YMCA, the City of Trotwood, and United are cooperating in the development of health care and related work for students, faculty, and staff. Utilizing the recreational and educational facilities on campus, United has become in effect a gathering place for church, business and civic groups.

The planning process that first led to the relocation of the seminary has also paved the way for the most relevant and effective academic plan including a dynamic Master of Divinity degree. The M.Div. focuses attention upon vital faith in Christ, scholarship, and a profound commitment to justice ministry and outreach. The school has a long standing reputation as one of the top contextual education programs in the country, and also offers intercultural studies and cutting edge degree and certificate programs in pastoral care, liturgical studies, and media in ministry.

The seminary's doctoral studies program has long been committed to educating leaders in context through a strong mentor-based program supported by the school's tenured faculty. Degree candidates spend at least five intensives on campus along with numerous peer sessions in context with others. Research and projects document the depth of experience and scholarship associated with the degree.

Over the past several years UTS has engaged in consultation with the United Methodist Church and other judicatory partners in order to determine the most effective way to prepare pastors and laity for ministry locally and globally. The school is clearly dedicated to excellence in scholarship, faithfulness to Christ, and fruitfulness in service. At UTS we participate with others in equipping leaders, changing lives, and transforming communities.

G. Edwin Zeiders, President

## GAMMON THEOLOGICAL SEMINARY

Gammon Theological Seminary is as grounded in the Christian faith and shaped by the Wesleyan tradition as any of the other United Methodist schools of theology. The mission of Gammon Theological Seminary is to recruit, support, and educate pastors and leaders for the United Methodist Church as an historically African American institution, in partnership with the Interdenominational Theological Center.

Gammon began in 1869 as a department at Clark College in Atlanta, Georgia, named for its founder and first president, Bishop Davis W. Clark of the Freedmen's Aid Society of the Methodist Episcopal Church, South. In 1883 the school was granted academic autonomy as Gammon Theological Seminary – named for its greatest benefactor, Dr. Elijah H. Gammon. In 1958 Gammon became the United Methodist component of a consortium of six historically African American theological schools, The Interdenominational Theological Center (hereinafter ITC), which pool faculty, staff and campus resources, as well as the world class Robert W. Woodruff Library in the contiguous Atlanta University Center.

Gammon/ITC is a co-educational, professional graduate school of theology. Its faculty personifies vigorous scholarship, rigorous academic discipline, and significant research in the service of the church and other communities in the world. It is the world's premier resource for black church scholarship and faith-based solutions to the spiritual and socioeconomic challenges confronting the African-American community.

The interdisciplinary course offerings offer a holistic educational experience, integrating theological studies with preparation for the ministry. The institution's longstanding scholar/minister tradition prepares students for preaching, teaching, and a range of other roles in church and society. The institution's 160 courses fall into four major areas of study: biblical studies and languages; philosophy, theology, ethics, and history; persons, society, and culture; and the church and its mission.

Gammon offers the following degree programs: Master of Divinity, Master of Arts in Christian Education, Master of Arts in Church Music, Master of Arts in Christian Education and Master of Divinity, Master of Arts in Church Music and Master of Divinity, Master of Arts in Church Music and Master of Arts in Christian Education, Master of Divinity and Master of Public Health, Doctor of Ministry, and Doctor of Theology in Pastoral Counseling.

Gammon/ITC is fully accredited by the Association of Theological Schools in the United States and Canada and by the Southern Association of Colleges and Schools. The school is a member of the Atlanta Theological Association, among other organizations, and maintains cross-registration arrangements with Candler School of Theology at Emory University, Clark

Atlanta University, Columbia Theological Seminary, and Morehouse School of Medicine.

The ITC's outstanding faculty members are committed to vigorous scholarship, rigorous academic discipline, and making significant contributions to research and publishing. Many of these dedicated teachers, 90 percent of whom hold doctorates, are recognized nationwide as experts in their fields. The faculty numbers 24, eight of whom are African American women, the largest number of black women on any seminary faculty in North America.

Edward and Anne Wimberly are examples of a strong United Methodist presence at Gammon/ITC and their local church, Ben Hill United Methodist Church. Dr. Edward P. Wimberly (Ph.D. from Boston University in Pastoral Psychology and Counseling) is a fully ordained Elder in the United Methodist Church and ITC's Executive Vice President for Academic Affairs, Academic Dean and Jarena Lee Professor of Pastoral Care and Counseling. Dr. Anne Streaty Wimberly (Ph.D. in Educational Leadership from Georgia State University with a cognate in gerontology and Master of Theological Studies degree from Garrett-Evangelical Theological Seminary) is the head of the Christian Education department at ITC, as well as Director of two major Lilly Endowment youth and parish development programs. The Wimberlys have individually published several works dealing with their respective ministries. They jointly wrote The Wind of Promise: Building and Maintaining Resilience in Clergy Families, recently published by Discipleship Resources.

The student body of 450 is diverse not only in denomination, but also in age, race, gender, nationality and circumstances. Many students are second-career ministers, mature and established with pastoral and family responsibilities. Other denominations of the Methodist family represented at Gammon include African Methodist Episcopal, African Methodist Episcopal – Zion, Christian Methodist Episcopal, Free Methodist, Wesleyan Methodist and the Methodist Church of Korea.

Grassroots and community based outreach programs from Gammon/ITC include serving clergy and laity who do not have formal theological training with education in Bible scholarship, church management and other coursework. Over 50 cities are learning sites, and more than 2000 "Certificates of Theology" have been awarded in the U.S., Japan and the Caribbean.

Gammon/ITC plans to maintain its financial integrity and institutional advancement as a debt-free institution that operates from conservative leadership and planning designed to demonstrate a positive fiscal balance. The Board of Trustees' strategic 2004-2014 goals related to institutional advancement include: (1) make in-depth cost assessments of spending related to outcome measures, (2) make in-depth resources allocation assessment related to outcome measures, (3) enhance the customer services program,

(4) strengthen relationship between fiscal affairs and institutional advancement, (5) improve the processes of communication with current and potential donors, (6) enhance awareness of the external community of the contributions of the Gammon/ITC community to church and global communities, (7) complete a capital campaign, and (8) develop a program for bequests and planned giving. This report is based on officially published information linked through <http://www.gammonseminary.org> and similar resources.

Yours in Christ,

## WESLEY FOUNDATIONS

### *ALABAMA STATE UNIVERSITY*

God has truly blessed our efforts and we are grateful. We have established our Choir. Thus far, our students have provided music during worship services at two area churches, Locust Bluff and Metro Act II. Metropolitan provided transportation for the students to both functions. Our students

were received well and valued the experience. We have also been blessed financially beyond our apportionments by the Wetumpka Cluster and our Montgomery/Prattville District along with receiving a Talent Grant last year. We appreciate the finances as well as the encouragement that come with them.

Our ministry is a recognized organization here at Alabama State, fulfilling the University requirements, and we are making our presence known to the campus at-large. We are grateful for the supportive relationships our Board has developed on campus on our behalf and anticipate even more progress.

Winning souls for Christ- as we grow closer to Christ ourselves- is our aim while fulfilling our vision as a ministry of assisting students in their quest to grow spiritually by availing them opportunities for outreach, service, fellowship and fun.

As campus minister, I envision our ministry becoming a very active and viable force on campus. Over the next three to five years, we anticipate having a functioning mentoring program for incoming students by our Wesley Foundation members, an intramural basketball and volleyball team, a missionary team of students who assist during disasters or other times of need in our area and conference, a winning souls for Christ through movies (Movie Night), a Sing-a-Along for Jesus Night twice monthly, a campus talent show, two three-day seminars or workshops covering issues that affect our students and their walk with God. It is my prayer that our choir will be

solidly organized consistently sharing in worship and concert music giving glory to God. I envision collaborating with other ministries on our campus to have a facility that will house all campus religious organizations providing space for programs, worship and speakers within the next three to five years. We further hope to acknowledge our students' achievements by developing honors programs and activities that relate to our culture as well as others.

We are planning to participate in the upcoming United Methodist Student Movement Student Forum 2007 at the University of Puget Sound, Tacoma, Washington, on May 24-27, 2007 and become more involved in community activities close to our campus.

I am enthusiastic about our present and our future. With a humble heart that is grateful to be used by God in this manner, I request your continued prayers and your support.

Shelia A. Smith, Director  
Alabama State University Wesley Foundation

### *AUBURN UNIVERSITY*

Setting a goal after much prayer and reflection, our Wesley Foundation decided to expand the ministry staff. Over the past decade, we have had interns help in very significant ways. Yet, the time came to have an associate director. We are very pleased to announce the hiring of Julie Robertson. She finished her Masters of Divinity from Asbury, was a youth director for five years and was very active at the Wesley Foundation at the University of Arkansas. Julie is on the elder track in the ministry candidacy process.

In addition to Julie Robertson's leadership, Auburn University Wesley is involved in a mentoring program with Perkins School of Theology at Southern Methodist University. This year, we have a seminary intern, Johnny Peters, completing his requirements for a Masters of Divinity. With these very dedicated and capable staff additions, our student ministry is blessed.

### *BISHOP STATE COMMUNITY COLLEGE*

The Wesley Foundation at Bishop State Community College has undergone some major hurdles this year in trying to form. Our Director resigned and we had no campus advisor for the first half of the semester. Once we were assigned an advisor for the school, Board members are trying to assume different roles to insure that the ministry gets off the ground until we can get a new director. The goal of the Wesley Foundation is to function as a caring faith community by providing opportunities, activities and experiences that will empower students to become mature Christians.

Activities are limited at this time to a Tuesday Bible Study which the ministers on the board have agreed to conduct for now. The group participated in Homecoming activities for the school and hosted their annual Gospel Fest. Attendance affected close to 150 people from the student body and the community.

During the school's block party, 6 new members were recruited.

We will be working on a couple of new projects to get more involvement for students who are interested in Bible Study and cannot attend because of scheduling. E-mail Bible Study, formation of a prayer team, and placing prayer boxes in the different locations on the different campuses.

Because we need to hire a Director, financial support will be needed from our entire district. Board members have already agreed to a generous amount of support, and we as a Board will plan a major fund raiser for this year to assist with financial needs.

Submitted by the Executive Board of Directors

## *TUSKEGEE INSTITUTE*

### MISSION

Tuskegee University's Wesley Foundation is working toward making disciples for Jesus Christ by setting an example by the life-style we live. We strive to "walk the walk" and not just "talk" about the bible and our savior, Jesus Christ. By doing so, students and others will have a true example of what a disciple of Christ really is in this world today.

### VISION

In an effort to cultivate dynamic, thriving congregations, the campus minister and the Wesley Foundation regularly encourage students to become part of and participate in the activities of a local church. The campus minister will work with the campus personnel and members of the local church to provide encouragement in this area and to encourage students in their academic studies in order to help facilitate their success.

Tuskegee University Wesley Foundation meets on a weekly basis. There is a role of officers, in which the student leader and assistant student leader maintain an active part in the weekly activities. Bible Study groups have been meeting in one of the dormitories or in the Pepsico Student Union building. Along with the Holy Bible, the group has been using reference books entitled *The Rules of Engagement* by Dr. N. Cindy Trimm, volumes 1, 2 and 3. The key scripture and verses used for this year is St. John 3:16-17.

### PRIORITIES

The campus minister works with local churches (clergy and laity) and com-

munity organizations and leaders, to help develop creative ways to encourage the students to utilize their gifts. This will also open up doors of opportunity for mentors for the students while undertaking academic studies.

The campus minister is focused on taking the time needed to pray and talk with students about salvation and faith. This allows for the campus minister to learn more about a student on an intimate level and to discover their needs.

The campus minister and students strive to participate in as many activities possible to enhance their spiritual and educational growth. In the summer of 2007, the campus minister and some students plan to travel abroad for the

Wesley Heritage Tour to London, England. This tour will be a study guide and educational program centered upon the lives of John Wesley and Charles Wesley. The Tuskegee University Wesley Foundation Board fully supports this endeavor and the plans to achieve this goal.

Patsy W. Gibson - Campus Minister

## *THE UNIVERSITY OF SOUTH ALABAMA*

### MISSION STATEMENT

The USA Wesley Foundation nurtures Christian disciples during the crucial collegiate years by offering students opportunities to explore their relationship with God through worship, study, missions, leadership, fellowship and support.

### PROGRAM

Throughout the fall and spring semesters, our goal is to offer relevant and meaningful programming that will awaken students to their relationship with Christ and encourage them to continually develop that relationship. To that end the following is a list of programming for the school year 2006-2007:

- Awakening Fall Kick-Off Retreat
- Lunch Bunch (weekly free lunch)
- *The Way* (weekly worship service)
- Canoe Trip
- Serve dinner at Ronald McDonald House
- Fall Retreat
- Fall Festival
- Bowling Night
- Movie/Game Night
- Midnight Breakfast
- Students / Worship Band visit local churches
- Male/Female Retreat
- Junior/Senior High School Experience
- Relay for Life
- Lenten Bible Study

- Small Groups
- Mission Trip to Kentucky

In addition to the list above, we have monthly fellowship activities as well as monthly mission opportunities.

### LEADERSHIP

Our students comprise the leadership of USA Wesley. The Student Ministry Team consists of the following positions:

- Outreach and Campus Connection
- Historian/Secretary
- Worship Team/Circuit Riders
- Community Service and Missions
- Fellowship
- Hospitality
- Intramurals
- Small Groups
- Email/Devotions

Each of these areas is vital to the community and growth of USA Wesley. These leaders are examples to other students that attend Wesley activities and this structure provides more ownership of the entire program. In addition to the above, the students take the lead in worship, from offering prayer, encouragement and support to providing all of the music each week.

### BUILDING

This February, we celebrated the one year anniversary of being in our new building. This permanent structure is the realization of many people's hopes and dreams of a haven for United Methodist student activity. Not only is the building in use throughout the week for regular Wesley programming, but it is also a place where students can hang out between classes or meet for fellowship. Additionally, it is being used more and more by local church groups for meeting space. We are very proud of our building and excited about the possibilities it affords us for the future.

### BOARD OF DIRECTORS

Our Board of Directors is completely committed to the success of the ministry at the USA Wesley Foundation. They take an active interest in the lives of the students and in the programming offerings throughout the year with many participating alongside the students. They continually ensure that our needs are being met and have set for themselves the task of retiring the debt on our new building. Because of increased construction costs due to an active hurricane season in 2005, the debt on the building was more than initially anticipated. This presented a challenge to the Board, one which they willingly took on and are currently working towards completing. The Board participated in training and brainstorming sessions in August and September and has plans to participate in an upcoming BHECM training session in order to ensure that we are in compliance with their guidelines.

### THE FUTURE OF THE USA WESLEY FOUNDATION

"If you build it, they will come," has been in the back of my mind ever since I came to the Wesley Foundation in June of 2006. I was extremely fortunate

to “inherit” an unbelievable building. Now that we have the capacity, I have high hopes that we can fill it up with more and more South Alabama college students. To that end, my hope is that we all – students, Board members and our supporters - will continue to tell our story on campus, at local churches, and around the community so that people know who we are and what we are about. The college years are indeed a crucial and formative time in the lives of young adults and through the Wesley Foundation we can stay connected to them and help nurture their faith.

Respectfully submitted,  
Rev. Dana Brady, Director

### *TROY UNIVERSITY*

The purpose of the Troy Wesley Foundation is to be a Christian Family to anyone who desires to grow closer to and renew his or her strength in the Lord. Our facility contains a kitchen, basketball court, and a common area with a carpetball table, pool table, couches, a TV, and occasionally a Ping-Pong table, and wireless high-speed Internet. However, the Troy Wesley Foundation is more than a building with fun things to entertain students. The Troy Wesley Foundation, from tutoring each other to feeding each other, truly experiences *koinonia*.

#### Program Ministry

The Troy Wesley Foundation’s primary activities are those that take place on a weekly basis. We have weekly **praise and worship/discussion Bible study** on **Wednesday** nights with an average attendance of **25-30**. Our fall study’s theme was “Cow Tipping: Getting Rid of the Idols in our Lives.” During the spring we studied the Gospel according to St. Luke. Our other large-group gathering is our **Thursday Common Meal**, which averages attendance of **40-50**. In the fall we continued our **Tuesday lunch bible study**, which averaged **10-15**, and studied Hosea. In the spring we changed format to **small groups studying *The Screwtape Letters***. These groups were led by members of the ministry council.

This year we added two weekly events as well. The first was a Monday freshman lunch at the campus food court, which averaged 2-3 freshmen, a number of upperclassmen, and many non-Wesley students. In addition to ministering to non-Wesley students through freshman lunch, we began coordinating **CHURCH**. **CHURCH** is an **ecumenical gathering of Christians that seeks to arrange services from a variety of Christian denominations and traditions by utilizing the wide diversity of backgrounds in the Troy community**. Services are planned according to the tradition of the speaker. When the speaker is from a sacramental denomination, the Eucharist is celebrated.

### Special Events

In order to fulfill our purpose statement of being a Christian family, we host a variety of special events throughout the year. On the first day of classes in the fall we offered free lemonade on the quad to university students. In the fall we attended a **Faith in Action seminar in Washington, D.C.** On **move-in day** we assisted residents with moving into their dorms and then threw a move in **party** with music, food, and video games. We hosted **mid-night breakfasts** just before finals both semesters. Both semesters we had **semi-formals**, and in the fall we **tailgated before football games**. *This fall we took a group of approximately twenty students to the Troy v. Florida State game. We were the guests of the FSU Wesley Foundation.* In addition to those activities we coordinated an All Saints service, Ash Wednesday service, and an on-campus memorial service after the death of a student.

### Missions

The Troy Wesley is committed to missions work, and participates in a variety of missions opportunities. Both semesters we participated in **Alabama Rural Ministry** work weekends. At the end of November we coordinated the Big Brothers Big Sisters Christmas Party. Throughout the year we had various other ministry opportunities at local nursing homes, during New Student Orientation, and on campus. In early May a group of **14 students** traveled to **Juarez, Mexico** and built a house with **Casas por Christo**. Although it is not a very big house, we were able to minister to the entire community of Juarez, not just the family that will be living in the house we built.

### Stewardship

Although most students do not have a significant source of income, they give of their time and talents to help in as many ways as they can. Whether they are planning worship services, playing in the praise band, or participating in fundraisers, they give back in as many ways as they can. Last year we started hosting an annual golf tournament at the Troy Country Club and continued that fundraiser this year. Throughout the year we participated in a number of carwashes and window-washing events to raise funds for programs in which we participate and to assist the Wesley financially.

We thank you for the opportunity to serve the students of Troy University. We feel that our presence on campus positively impacts the lives of many young people and extends the love of Jesus to all. Please keep us in your prayers as we continue our ministry at Troy University.

*THE UNIVERSITY OF WEST ALABAMA*

*“Wait for the Lord, and keep to his way, and he will exalt you to inherit the land,”* (Psalm 37: 34a). This has been the theme of what God has done for us at The University of West Alabama Wesley Foundation in 2006. This has been a year of incredible transformation for our ministry as we have sat and watched in wonder and amazement at what God can do.

Looking back over the last ten years of reports from our ministry, one would notice much concern expressed over the condition of the building in which our ministry is housed. The building was built on a “rift” of post-oak clay which caused significant foundational and structural problems. The problems were so significant that having them repaired was cost prohibitive. During this period of time the campus minister and Board of Directors have sought a solution to this overwhelming problem. The solution finally reached in 2003 was that there is no effective solution and that we would simply live with the problems until such a time when the building was no longer safely inhabitable. That time grew nearer with every rain storm and fluctuation in temperature. Just when almost all hope had been lost an amazing thing happened. In a series of quickly evolving events, in May of 2006 we were able to secure a five year lease on a fraternity house that had recently become vacant. We now suddenly had access to a nearly half-a-million dollar building which had been built in 2000. Along with the necessary gathering and office space came ten double-occupancy rooms we had available for rent. The rent The Wesley Foundation must pay to the fraternity is recovered by renting the rooms, and we are now a residential ministry facility – a place on the campus of a public university of intentional Christian community. This transformation has been overwhelming in its impact on our ministry. Attendance at nearly everything we offer has increased over 50% of what it has been in the past, and there is hardly a time during the day that you can walk in our building and not find someone there. It is a place of worship, a place of service, and a place where students genuinely enjoy coming and sharing their lives together as the Body of Christ.

In addition to all the new activity going on in our ministry due to becoming a residential ministry, here are some other highlights of our year:

- Welcome Back cookout sponsored by Livingston UMC
- Welcome Week Fish Fry sponsored by Brewersville UMC
- Tuesday Night Dinners (weekly)
- Praise and Worship (weekly)
- Sunday Night Prayer Group and Bible Study (weekly)
- Guys’ Discipleship Group (weekly)
- Girls’ Discipleship Group (weekly)
- intramural sports (This was the first year we’ve participated in intramurals in at least six years.) – flag football, basketball, and softball
- Homecoming Parade Party
- Graduation Luncheon for students and families (twice this year – for both winter and spring commencements)

- All Hallows' Eve Service
- hosted second annual retired clergy alumni reunion / retreat
- 2 mission trips to be in ministry with the Blackfeet United Methodist Parish in Heart Butte, Montana – one during the Christmas break and one in May

The biggest challenge of our ministry continues to be finances. What was reported last year continues to be true: over the last five years we have experienced over 200% growth in ministries offered and students participating on merely an 11.1% budget increase. We are diligently pursuing ways to increase our predictable monthly income and pray that God will reveal to us ways to share our vision of ministry at UWA with others in a way that will convict them to contribute financially. The demographics of West Alabama make fund-raising a difficult task. We are greatly appreciative of those churches who pay 100% of their Wesley Foundation apportionments and strongly encourage churches who have not reached that mark as of yet to strive to do so. Ministries like ours cannot survive without the full support of the churches in the Alabama-West Florida Conference.

Please pray that God will continue to show us his guidance and blessing as we march boldly into new territories of ministry at The University of West Alabama!

Grace and Peace,  
Rev. Cherie Meadows, Director, UWA Wesley Foundation

### *THE UNIVERSITY OF WEST FLORIDA/PENSACOLA JUNIOR COLLEGE*

The latest news in our campus ministry to Pensacola is that Stuart Worth was appointed the Wesley Foundation Director in June of 2006. Sheila Feltner had done a great job in previous years of turning an inactive ministry into an actual group that could be found on campus. Unfortunately Sheila moved this past summer to Georgia leaving some big shoes to fill. Both UWF and PJC are commuter colleges with a large majority of students working their way through school. This makes finding time for campus ministry difficult but for a few fortunately not impossible. Although our numbers are small our depth of seeking and finding God is great.

Our activities have increased this year from one weekly event to three. On Monday nights we have a Religion and Film Class. Tuesday nights St. Luke UMC, which is close to UWF's campus, hosts a gathering for discussion and reflection led by Jeff Pement. Many of the students also worship on Saturday nights and then fellowship afterward at Cokesbury UMC.

Because we have no facility it is difficult to make our presence known to the general student population. We have had success at reaching out to students

by making our ministry mobile and with the use of camping chairs and portable grills have had many an event out on the campus lawn. Along with the regular weeklong events we also try to have random outings to the beach and other places to build community. Our Wesley Fellowship has also been a big help to the Meltdown Youth Retreat in Panama City by being assistants to the Meltdown planning committee.

We here at Wesley are blessed to have the help we receive from the conference. The church is great at working with children and youth and very supportive of adults. It is our goal to help fill that gap between when youth leave their church youth group and they come back as young professionals. May our church be in ministry to all its people and may Wesley help make that happen.

In God's Love,  
Stuart Worth

## BOARD OF LAITY

### CONFERENCE LAY LEADER

The major task the Board of Laity began back in 2005 was the review of the laity election plans and policies which was completed, published in the 2006 Brochure of Reports and approved at the Laity Orientation at annual conference. The major effort of the review was to provide a level playing field for all desiring to become delegates to the General and Jurisdictional Conferences in 2008. A part of that effort was the development of a standard Profile Sheet to be used by all candidates.

Changes to Standing Rule 29 were approved by the Annual Conference which increased the membership of the Board and appears as the new Standing Rule 28. These new positions have been filled and we welcome Helen Edwards, Vaughn Nichols and Georgette Griffin as the new members. We also welcome Rev. Bill Elwell as our Cabinet Representative and thank Rev. Reba Wiley for her very welcomed advice and encouragement. The *Discipline* tells the laity that we are responsible through our ministries for achieving the mission of the church, "to make disciples of Jesus Christ." Since that is our "mission," it ought to be the most important thing on our "to do" lists. My fear is that it is known but we do not give it much thought. We just accept it and think of it as something we do by all the things we do everyday. If we are being a disciple and imitating Jesus, surely our efforts ought to be more demanding than simply being a church member and calling ourselves Christians. Should we not stop every now and then and evaluate how much fruit we are producing in our everyday ministries and things we support? We continue to struggle with our ability to measure the disciple making process. The best measurement we have is the number of profes-

sions of faith we have in each church. It tells us how well we are reaching the unchurched in our communities.

We are not doing a very good job across our conference! In recent years we have been talking about how many churches have no adult professions of faith. The number is staggering. This is not accomplishing their mission. How can they be considered dynamic and thriving congregations? The lay leadership in the vicinity of these churches with no professions of faith ought to be talking to them and helping them. From 2004 to 2005, we have five districts that have more churches with professions of faith, but overall we have a significant decrease in the number of individuals. We have to get out more and reach the unchurched.

We are also responsible for developing and promoting stewardship of time, talent and possessions. Can you imagine all we could accomplish if every member in our churches was committed to serving somewhere in our ministries beyond going to church some of the time? Measurement of the area we think of most often with regards to stewardship, our financial support, is pretty simple. We know we have churches which do not pay 100% of their apportionments. One of our Bishop's goals has been for us to pay at least 90% for the Conference. We almost got there in 2005 but we have slipped back in 2006. Maybe our problem is we, the laity, do not know who is not paying their fair share. If we have a responsibility, we need to step up to the plate. The lay leadership in our districts needs to get involved, work with the clergy and the churches falling short. What a celebration it would be if we had a district stand up at Annual Conference and announce they have paid 100% of their apportionments!

Another of the Board of Laity's tasks is to promote the observance of Laity Sunday which is usually celebrated the third Sunday in October. As a reminder, the Quadrennial theme of "One in Spirit, All in Ministry" continues with the specific area for 2007 "In the Spirit of Stewardship" and for 2008 "In the Spirit of Fellowship."

The Annual Association of Conference Lay Leaders last year at the yearly meeting, selected the themes for the 2009-2012 Quadrennium to be:

"Disciples Transforming the World"  
Through Prayers in 2009  
Through Presence in 2010  
Through Gifts in 2011  
Through Service in 2012

## LAY SPEAKING MINISTRY

The Conference Committee of Lay Speaking Ministry (CCLSM) continued their reflections and prayers as to (1) Who we are, (2) Whose we are, and (3) Where we are going in the AWFUMC. We have requested meetings with Bishop Goodpaster and the Cabinet to ascertain how we could become more effective in developing renewed cooperative unity within the various agencies of the UMC. There is an essential need for developing a continuing dialogue. The challenges and areas of concern have been identified. Priorities have been developed. However, we continue to seek the Mind of Christ as to how we can structure Lay Speaking Ministries to function more effectively from a conference perspective.

As we seek new skills, insights, and methods, we recognize the need for better understanding of the roles to be assumed by both clergy and laity as each fulfills the call of God in their lives.

The 18<sup>th</sup> Annual Conference Training event was conducted in April at Blue Lake. We experienced the best representation of minority participants as they shared their gifts and talents. Our conference was also represented at both the Jurisdictional and National training events.

Three basic and advanced training events were in Dothan, Montgomery-Prattville and Pensacola districts. Training classes were provided in the following areas: Basic (Youth); Basic (Adult); Basic (Hispanic); Lay Speakers Tell Stories; Lay Preachers Preach; Lay Speakers Interpret to Others our Methodist Heritage, Lay Speakers Discover Spiritual Gifts. An advanced new class was taught in cooperation with the Dothan District ministerial in-service, The course was taught by Dr. Winston Worrell, *Reaching New Persons for Christ; An Organizing Approach*.

Worship services were provided in the following areas: prison services, rehabilitation centers, bible studies, visiting shut-ins, youth ministries, nursing homes, hispanic services, developing outreach sunday schools, discussion groups, pulpit supply, and camp services.

Each District is now represented by its District Lay Speaking Director. The District Directors for the year 2007 are:

1. Baypines, Peggy Duck
2. Demopolis, John Stegall, CLS
3. Dothan, Charles Decker, CLS
4. Marianna/Panama City, Joann Turner/Ray Williams, CLS
5. Mobile, Charles Moye, CLS
6. Montgomery – Opelika, Pat Caylor/Elizabeth Whatley, CLS
7. Montgomery - Prattville, Helen Edwards, CLS
8. Pensacola, TBA

The CCLSM presented a resolution to the 2005 annual conference asking each church to recognize and participate in Laity Sunday or a Sunday of their choice. Adopted by Conference, we are thankful for continuing support of Lay Speaking Ministry.

Dr. Wayne Bradshaw, CLS  
Conference Director of Lay Speaking Ministry

## UNITED METHODIST MEN

In striving to fulfill the purpose of United Methodist Men, in “declaring the centrality of Christ in every man’s life” our focus this year has been on the spiritual growth of each United Methodist man’s life in the Alabama West Florida Conference.

There are many challenges and obstacles that present themselves in achieving this purpose. It was the Council’s determination that the two greatest obstacles were communication and connectional identity. Our organization goals have been centered on improving these two areas of concern.

Realizing that if an organization continues to do the same old things and expect different results it will never experience the achievement of new goals, the Council is launching several new changes in the organizational structure of United Methodist Men. To improve communication and connectional identity each District is being organized with the appointment of several vice presidents located in key geographical areas to assist the district president in connecting the local UMM units together at the district level. It was recognized that all of our districts are too large for one person, the district president, to properly serve and communicate with the many UMM local units. This was creating the communication problem within the district. With better communication through the new vice president it is the opinion of the Council that men in the local church will be able to become more involved with other men in the district through shared missions and projects and will experience a better connection with the other UMM in his District. Future plans call for shared missions and projects at the conference level.

While this reorganization effort was a major focus of the Council, the local UMM of the conference continued to do much good work in the Kingdom of God at the local level through programs emphasized by the General Commission of UMM.

Many local units continued to participate in the Society of St. Andrews program to feed the hungry. Several groups gleaned fields to collect produce to be distributed to the food banks in the area. This year, over 163,00 pounds of produce was distributed to local food banks. On a local basis several churches participated in potato drops to assist in bagging potatoes for dis-

tribution to the hungry. Chuck Christian, our Conference Hunger Relief Advocate, also reports that Teresa Cole has joined the Society of St Andrews in Montgomery to coordinate efforts to work with the local produce market to collect unsold produce for distribution. Chuck also reported that over \$7,800.00 was contributed by churches to support the Society's efforts. This was more than double the amount collect in the previous year.

Jim Kincade, Conference Prayer Advocate, reports that an emphasis is being made to encourage more local UMM units to participate in the Upper Room

Prayer Line by answering the prayer calls at their local church. A number of men have been involved in this ministry at the Annual Advance at Blue Lake and have received such blessing from their efforts they have expressed an interest to have the program started at their local church. Jim will be working with any interested groups to start this program.

Vaughn Nichols continues to work to fulfill the great potential that Boy and Girl Scouts of America offers UMM of the conference. The biggest challenge Vaughn faces is the creation of a conference wide organization, starting at the local level, to work with young boys and girls. Scouting offers one of the greatest opportunities of outreach for the United Methodist Church to reach unchurched youth of the community. If you have interest in working with youth in this area, please let your pastor known of your interest. Truly "the fields are white with harvest" in this mission.

Our Annual UMM Advance at Blue Lake attracted over 200 UMM for a Spirit filled weekend. With the theme of "Rehearsing The Gospel" Dr. Maxie Dunnam preached four inspiring messages in 24 hours. On Saturday special workshops were conducted that were very informative and inspiring, teaching men how to answer the call of God in their life. The "Sandspur Band" presented a special musical concert on Friday night. Everyone agreed that this year's Advance was one of the best yet.

2007 is already underway with a strong commitment from each district president to rise to the challenges and opportunities of the UMM of the AWFC. With the guidance and power provided by the Holy Spirit great things will be accomplished for God's Kingdom through UMM of the AWFC.

IN Christ, Serving Christ,  
Juddy Stephenson, UMM Conference President

## UNITED METHODIST WOMEN

The Alabama-West Florida United Methodist Women is a community of women whose PURPOSE is to know God and experience freedom as whole persons through Jesus Christ; to develop a creative supportive fellowship; and to expand concepts of mission through participation in the global minis-

tries of the church.

The Conference Mission Team attended the South Atlantic Regional School of Christian Mission in Norfolk, VA in June, 2006. The theme for the school was "Harvesting Peace." Georgette Griffith was elected to serve as Alabama-West Florida Conference Representative to the Regional School Planning Committee. Jane Barber submitted a logo for the school and it was used in the program book.

The Cooperative School of Christian Mission was held at Blue Lake July 27-30. Nancy Bearden, President of Southeastern Jurisdiction CORE Planning Team United Methodist Women was a study leader for the "Globalization: Its Impact in our Lives." Lynn Hamric, Women's Division Director, was a study leader for "Peace, Shalom, and Salaam."

The theme for Annual Day was "Rise, Shine, Glorify God." The meeting opened with the parade of banners. Clara Ester, retiring Executive Director Dumas Wesley Community Center, Mobile, was presented with a Special Mission Recognition pin for 36 years service. The keynote speaker for the day was Julia Taylor, Women's Division Secretary for Children, Youth, and Family Advocacy. Julie's topic followed the theme, "Rise Shine, Glorify God" Bishop Larry Goodpaster and the District Superintendents served as the celebrants for Holy Communion. There were 249 persons in attendance. Over one thousand dollars was collected to help defray shipping the 4,284 hand towels United Methodist Women contributed to UMCOR.

Two new units were recognized. In the Baypines District, Guy's Chapel was reorganized and in the Mobile District Sims Chapel-McIntosh was chartered. Each of these units received a New Unit Banner to keep for a year. Bishop

Larry Goodpaster installed the new officers. Beth Bowdin, President; Mary Jo Morton, Secretary; Beth Henson, Communication Coordinator; Edna Williams, Social Action Coordinator; and Joyce Maddox, Education & Interpretation Coordinator. Mary Lou Brown was appointed as Alabama-West Florida's first Spanish Language Coordinator.

Leadership training was held in October, 2006 at Blue Lake. Newly elected and current district officers were in training sessions led by their respective conference officers.

LTE, National Leadership Event for new conference officers was held in St. Louis, MO in November, 2006. Six of our new officers attended: Beth Bowdin, Mary Lou Brown, Georgette Griffith, Beth Henson, Joyce Maddox, and Nancy May.

Julia Tulloch, Women's Division Executive Secretary for Leadership Development, met with the conference mission team for a workshop,

“Working Together”. to enhance leadership capabilities.

Spiritual Enrichment Retreat was March 23-25, 2007 at Blue Lake. The theme was “Resurrection Women.” Leaders were Jeanette Clifton, Jackie Whitehouse, and Myra Martin, of the Southeastern Jurisdiction Core Planning Group. Through worship, art, activities and reflection time, the group was renewed and invigorated with a refreshed zeal to work for mission with women, children, and youth.

In April, 2007, eleven women from AWF attended a BOLD FAITH Seminar sponsored by the General Board of Global Ministries in New York, NY. The seminar was on immigration. The group stayed at the Alma Mathews House, attended the seminar and toured the UN.

The United Methodist Women of the Alabama-West Florida Conference contributed a total of \$210,430.65 to mission giving which encompasses: international, national, conference and UMCOR. As United Methodist Women, we continue our journey with excitement as our lives fulfill the PURPOSE of United Methodist Women with its focus on mission to women, children and youth.

Beth Bowdin, President

## UNITED METHODIST YOUTH

The United Methodist Youth said goodbye to good friends in 2006. Jeni Lee moved to Tennessee, and Sterling and LeeAnn Boykin are no longer serving as sponsors. The members of UMY rotated off after Annual Conference 2006, and a new group was not recruited. UMY is in a rebuilding phase. Still, the youth of Alabama-West Florida accomplished a great deal in the past year. The Spring Fling 2007 Task Force put together a fabulous retreat. The Youth Service Fund continues to raise and distribute funds for mission projects by and for young people. UMY is partnering with Blue Lake Camp and Huntingdon College’s Duffey Institute for Church Leadership to offer a new summer spiritual formation experience called Student Leadership Institute. This program will offer cutting-edge programming and nationally known speakers and musicians in an effort to challenge and train student leaders to exercise Christian leadership in every avenue of public life. Great plans for the rest of 2007 and 2008 are being made. After a two-year lay-off, Energize will return in October at Blue Lake. UMY plans to partner with Huntingdon’s Duffey Institute to offer top-notch training for youth directors, beginning in Spring 2008. A new group of student leaders is being recruited to offer advocacy and leadership opportunities for young people through Alabama-West Florida UMY and will begin meeting within the next few months.

Respectfully submitted, Nathan Attwood

## UNITED METHODIST YOUNG ADULTS

The Young Adult population is exploding all around us, but it is diminishing in many local churches. The Board of Laity and the Office of Connectional Ministries will be working together to develop programs and events that will help young adults become a more vital part of the congregation. Student Forum, Exploration, and Hungry are three events that have been successfully held in the past, and will continue to be supported and provided to the young adults of our conference.

Because the young adult age bracket covers such a large spectrum, we will try to provide opportunities for people with similar life experiences to gather together for fellowship and worship. Young adults can find themselves in many categories including but not limited to being in college, being single, married, with children, without children, working, and unemployed.

Some possible projected ideas are an intercollegiate worship experience, a conference wide gathering of young adults, and a young adult worship service. A local intercollegiate worship service would be meaningful and fun to young adults in college. It would serve to break down the walls of indifference and allow for others to worship as one body of believers. We, the conference, must assess what the needs and desires of young adults are so that we can better serve them. One way to do this is to have a gathering of young adults (people ages 18-35) with the goal of asking questions and trying to find out the dos and don'ts of young adult ministry. Another important aspect of young adult ministry is corporate worship with one's own age. A large-scale gathering of young adults all across the spectrum would offer an amazing opportunity for friendship, networking, and community.

With the help of the Board of Laity and other conference bodies, the young adults in our conference will be offered many opportunities for growth and fellowship in the coming year(s). I look forward to helping make some of these ideas a reality.

Kim Woodfin, Young Adult Representative

## COMMISSION ON ARCHIVES AND HISTORY

The Commission on Archives and History has functioned as prescribed by the *Discipline of the United Methodist Church* and Standing Rules of the Alabama-West Florida Conference of the same. We have been active in the Conference as we are bringing to conclusion the history of the Conference covering the years 1939-2000. We are hopeful that the editing and publishing might be finished by the 2008 Annual Conference which will be the 200<sup>th</sup> year of Methodism in the State of Alabama.

The Historical Society of the Alabama-West Florida Conference has been activated and Rev. Leonard Shults is the president. Anyone wanting to join may do so by sending \$10 to the Archives Offices in Montgomery. Mrs. Sharon Tucker is the treasurer.

We have been asked to work with our sister conference, The North Alabama Conference, in planning the celebration of Methodism's entrance into this state. All suggestions are welcomed.

W. Thad Chesser, Chair

## ARCHIVIST'S REPORT

(This report reflects the activities in the Methodist Archives Center for the calendar year 2006.)

### PROCESSING AND ACCESSIONING RECORDS

Having two full time staff members in the Archives Center has enabled me to focus on processing and accessioning the records. The backlog of records awaiting processing has decreased to just a few, and new shipments of records are being processed more quickly. Also, I am now able to consult with the various conference officers and agree on "retention schedules" describing which records should be preserved, which should be kept for a period of time before being destroyed, and which records can be destroyed. During 2006 I have visited four conference officers "on site." There are some 12 conference administrative offices, 8 district superintendents' offices, 20 or more institutions, and around 48 agencies and committees that should create retention schedules and transfer their non-current valuable records to the Archives Center. Following is a list of the records donated, processed and accessioned during 2006.

## RESEARCH AND SERVICING OF RECORDS

Mrs. Sharon Tucker, as research assistant, focuses on research and servicing of the records, which is often time consuming. She has responded within twenty-four hours in most cases to 114 inquiries by phone and e-mail. She assisted 56 persons who visited the Center. She is also very efficient in maintaining routine office procedures and always very helpful wherever needed.

## CHANGE IN STANDING RULES

The standing rule governing the Commission on Archives and History (COAH) was changed at the 2006 session of the AWFC to rule #33 as found on page 256 in the 2006 Journal. Standing rule #34B was eliminated stating that it "references a Conference Committee on Records which the COAH constitution already provides for in Article VI, Section 2." The COAH amended its constitution so that Section 2 reads: "There shall be a Records Management Committee (RMC) chaired by the Conference Secretary as described in Bylaw #1." Bylaw #1 states, "The committee shall be composed of Conference Officers or designated "Records Officers" who relate to various conference agencies . . . . The following officials shall be members of the committee: Bishop, Secretary, Treasurer, Director of Connectional Ministries, Administrator of Board of Ordained Ministry, Lay Leader, Director of Communications, Secretary of the Cabinet, Representative of Huntingdon College, and Chair of the Commission on Archives and History and Archivist." The primary responsibility of the RMC is to oversee the Archives Center.

## OTHER ACTIVITIES

The Archives Center acts as the office for the Commission on Archives and History and does its share in helping with various other COAH projects.

### **Commemoration Service and Luncheon**

We were involved with planning the luncheon for the families of deceased ministers attending the commemoration service at the annual conference session. We maintain a page on our Web site telling about the service. We update the list of names and date of deaths as we get word of ministers, deacons, and spouses who have died. The COAH provides grave markers for the deceased ministers' headstones, and we keep in contact with the district superintendents to be sure that they have one on hand to present to the family.

### **Local Church Heritage Award**

We create, distribute, and receive applications for the Local Church Heritage Award given each year at the annual conference session. The applications are turned over to a committee to decide on the winner a month before the conference session. We also see that the plaque is engraved and ready for presentation.

I maintain a Web site for the COAH ( <http://archives.huntingdon.edu>) with pages dedicated to information on the location and services of the Center, information on the holdings in the Methodist and Huntingdon Collections, instructions on how to donate and transfer records to the Center, information on other projects of the COAH, and pictures and stories of historic churches in our conference.

## HISTORIAN'S REPORT

This past year (2006) the long awaited update of the AWF conference history was completed. This was a five-year project undertaken by the Conference historian, Rev. Jabe Fincher. The completed manuscript, at the time of this writing, is in the process of being reviewed, edited, clarified, finding appropriate publication, and publicity. This is being performed by the History Book Committee. It is hoped that the finished product will be published for distribution at the 2008 Annual Conference. This will coincide with the 200<sup>th</sup> Anniversary of the introduction of Methodism in south Alabama by Matthew P. Sturdivant in 1808.

Some of the duties of the historian include gathering information, pictures,

speeches, newspaper clippings, bulletins, etc. of each annual conference session for future research in the AWF Methodist Archives located at Huntingdon College in Montgomery, Alabama. Another duty is to locate obituary/memoir information and photographs of deceased clergypersons and clergy spouses that have died in the previous year. A listing of information needed for a memoir is located at the COAH Web site at:

<http://archives.huntingdon.edu>

The AWF Conference Historian is Rev. Jabe Fincher and can be contacted via email at: [jabe.finchler@gmail.com](mailto:jabe.finchler@gmail.com) The Commission on Archives and History (COAH) is there to assist you in your history writing and preservation. Please feel free to contact the Archives Center for any assistance.

## COMMISSION ON EQUITABLE COMPENSATION

“It is the purpose of the commission on equitable compensation to support full-time clergy serving as pastors in the charges of the annual conference by: (a) recommending conference standards for pastoral support; (b) administering funds to be used in base compensation supplementation; and (c) providing counsel and advisory material on pastoral support to district superintendents and committees on pastor-parish relations” (624.2, 2004 Discipline).

In our desire to help thriving congregations secure an appropriate pastor salary, we recommend the following guidelines to be considered as a church applies for assistance through the Commission on Equitable Compensation. Only full-time pastors who are full connection, probationary, associate, seminary students, full-time local pastors, student local pastors, and retired pastors are eligible for equitable compensation support. These pastors must be certified by the Board of Ordained Ministry, approved by the annual conference, and appointed to a church or charge. Each pastor who is in good standing and who is appointed by the Bishop to less than full-time service is eligible for Equitable Compensation in one-quarter increments. No associate pastor, part-time local pastor, or supply pastor shall receive salary support from this fund.

To receive fully scheduled equitable compensation for the minister's category, the church must pay 80% of the equitable compensation for 2006. The amount of equitable compensation a pastor is eligible to receive is based upon the total of his/her salary, travel allowance and utilities, and other approved related allowances excluding housing allowance given in lieu of a

parsonage.

No pastor of any classification shall receive aid from the fund if he/she receives income from any other church source, if the income, plus salary from the charge he/she serves, is more than the equitable compensation. No person qualifying for equitable compensation, which amounts to less than \$600 per year, will receive any equitable compensation. The Commission expects the local churches to take care of that amount.

We recommend that no pastor serving outside the bounds of the Alabama-West Florida Conference be eligible to receive equitable compensation unless there is no appointment available for him/her in the Conference and he/she is assigned by the Presiding Bishop to an appointment outside the conference, or unless it be a special appointment by the Presiding Bishop. Appointment for the convenience of the pastor shall not be considered sufficient reason to receive equitable aid.

The Commission on Equitable Compensation recognizes there may exist from time to time certain situations within our conference where special funding consideration beyond the stipulated requirements may assist a church to become self-sustaining more quickly; in such situations, a supplement, determined by the Commission on Equitable Compensation, above the regular equitable compensation may be given the pastor provided the money is available for the purpose. Normally no situation will receive this special consideration for more than three years. Such cases will involve Growth criteria, such as: growth potential, leadership requirements, age of church, and indebtedness. The final determination will be made in consultation with the Conference Board of Global Ministries.

In case of cooperative parish ministries or specialized ministries, the District Superintendent may recommend that the Commission on Equitable Compensation, in consultation with the District Board of Missions, give consideration to supplement the salary of a pastor/director or any associate director of a large parish or specialized ministry even though the person comes under the benefit of equitable compensation, without any reduction in the equitable compensation support.

The Commission on Equitable Compensation recognizes that there may exist from time to time hardship cases, which should be considered for financial assistance. Sensing a need for such assistance for a charge, the district superintendent should assess the situation, hold the charge conference before the November meeting of the Commission on Equitable Compensation, and present the findings of the Commission upon whom rests the final decision.

To motivate churches toward the goal of total pastoral support, the Commission proposes to give the pastor 60% of a salary increase above the amount currently paid by the church after the minimum required for his/her

category has been reached. This would apply to the charge that

he/she is presently serving at the beginning of the payment period, January 1. This supplement will be based on the yearly increase of the pastor's salary. The commission recommends the cabinet consider the cumulative amount of part of the salary when appointment is made to another charge. The actions of this paragraph do not apply to newly organized congregations.

The Commission recommends that all charges receiving equitable compensation assistance develop and continue a program with a goal to eliminate dependency on salary supplements for their pastor. The Commission further recommends that no charge be eligible to receive equitable compensation for more than 5 consecutive years. A specific plan of this program shall be submitted through the district superintendent to this Commission. To receive equitable compensation support a charge in the past year must have a net gain in membership, a net gain in worship attendance, pay 100% of their apportionments, and have had at least 1 profession of faith.

The district superintendents are required to review all equitable compensation situations in their districts to ascertain the necessity for such funds and whenever possible seek to reduce the need of this supplement. The Commission recommends that churches or charges, to be eligible for equitable compensation aid, should consist of a minimum of 100 members per charge, except in the case of a new church.

It is the responsibility of the district superintendents to follow the guidelines set forth by the Commission when recommending pastors for equitable compensation. Also, the district superintendents shall be responsible for the accurate completion and submission to the secretary of the Commission the forms provided by the Commission for this purpose. The secretary shall not issue a check order for equitable compensation funds until all criteria have been met. When the status of a pastor receiving these funds changes, the district superintendent should immediately file with the Commission the changed status.

Full time local pastors that do not have a parsonage must receive a housing allowance to bring their total plan compensation up to the denominational average compensation.

The Secretary of the Commission on Equitable Compensation shall file with the Journal Editor for publication in the Conference Journal each year a report listing the payment from the equitable compensation fund during the year, giving names of pastors and charges and amount paid to each. This report is to be made by the second Monday in March. The Commission recommends the following Equitable Compensation Schedule for 2008. The figures are rounded to the nearest 0 or 5.

**UNITED METHODIST FOUNDATION, INC.**

Once again, your Conference United Methodist Foundation experienced a year of significant growth in service to our churches and agencies. The UM Foundation is the conference agency equipped to provide the financial tools to aid our churches and members in becoming better stewards of their financial assets. In 2006 the Foundation, joined numerous churches, donors and others to bridge the gap between the church's mission and the financial needs of the present. With over \$3.9 million in new funds being placed with the Foundation in 2006, the Foundation is currently managing over \$55

million in funds designated to support various ministries in the Church. We could not have been successful in providing these fiscal services without the vision and foresight of our pastors and church members.

Within our Board of Directors are various sub-committees that each have worked diligently in their particular area of interest. Our Scholarship Committee awarded \$25,400 in various scholarships to ministerial and lay students. Approximately another \$50,000 in scholarships from Foundation managed funds was awarded by various local scholarship committees. Our Investment Committee has worked tirelessly this year to expand and further diversify our investment pools to take advantage of the shifts to a variety of market sectors. The Foundation provides low cost investment options that incorporate the *Discipline*. Although conservatively invested, the Foundation investment funds provided 2006 total returns of: 4.2% Income Fund; 9.5% Balanced Fund and 12.7% in the Equity Fund.

Part of the increased interest in our services relates to our newer Charitable Gift Annuity Program. Church members are finding this program offers a simple way to make a deferred gift to your church while receiving a current income tax deduction and fixed annual payments to the donor/annuitant for life. The Foundation is offering free detailed gift illustrations to interested persons or families. If you are interested in a free illustration, call (334)793-6820 or email [foundation@alwfumf.org](mailto:foundation@alwfumf.org). In addition to providing new opportunities to give, the Foundation is committed to stewardship education and recently approved the creation of a new staff position. This staff person is available to travel to your area to make presentations, hold meetings and conduct seminars on planned giving, financial planning and other related areas. For more information contact the Foundation office.

## UNITED METHODIST DEVELOPMENT FUND

The Alabama-West Florida United Methodist Development Fund continues to offer first mortgage loans to qualifying churches and organizations for building projects at attractive rates and terms. In 2006 the Development Fund assisted nine (9) churches building projects or land acquisitions. The loans are made on a first mortgage basis or by using trust assets as collateral. The Development Fund staff works with church leaders to analyze the feasibility of certain debt levels.

Church loans are made possible through deposits placed with the Development Fund by individuals and church organizations. These deposit accounts earn a competitive rate of interest and can be withdrawn at any time. The Development Fund currently manages almost \$12 Million enabling us to make larger loans in the Conference.

The Board of Directors of this Fund continues to monitor both our deposit

and loan rates to maintain the best possible balance in providing fair interest rates to both our depositors and churches borrowing money. For loan and deposit applications see our web page at [www.alwfumf.org](http://www.alwfumf.org).

## AWF FEDERAL CREDIT UNION

Your credit union is a service agency of the Alabama-West Florida Conference and is open for membership to all ministers of the conference, their family members, conference employees, church employees, and employees of institutions owned by or affiliated with the Annual Conference. Membership is established by completing the membership card, making a deposit of \$50 and paying a \$1 membership fee. Deposits and payments should be sent to AL-W FL Methodist Federal Credit Union, P. O. Box 646, Georgiana, AL 36033. Dividends are paid on all share account balances of \$100 or more. Deposits are insured by NCUSIF.

The credit union offers a variety of simple interest loans. Signature loans are available up to \$4000 for a term of up to two years.

The credit union is administered by a nine-member Board of Directors which meets monthly. The directors are elected by the credit union members who attend the annual membership meeting each January. Directors are elected for a three-year term and may succeed themselves. Dividends are paid quarterly, and the Board of Directors set the dividend rate the last month of each quarter.

Mrs. Debra Blackburn is the credit union treasurer, and she keeps all account records. All questions about loan payments and share accounts should be directed to her at 1-800-605-6044. ## **BOARD OF PENSION AND HEALTH BENEFITS**

The Board of Pension and Health Benefits is pleased to offer quality health-care, disability, pension, retirement, financial planning, long-term care and death benefit coverage to the clergy and churches of the Alabama-West Florida Conference. Due to an ever-changing environment in the fields of health care and investments and the changing contexts for ministry, the Board works hard to stay abreast of new developments and to provide expanded benefits at affordable costs.

### **REPORT NO. 1 – Whole, Healthy Lives**

The Board of Pension and Health Benefits has adopted as its goal to create a strong web of benefits that not only provides protection and assistance to participants at times of illness or transition, but also promotes a culture of wholeness and health in all areas of life within the Alabama-West Florida Conference. A Wellness Forum comprised of members of the Board of Ordained Ministry, the Board of Pastoral Care, Counseling, and Training, the Board of Discipleship, and the Board of Pension and Health Benefits has begun a review and study of the physical, emotional, spiritual, relational, vocational, intellectual, and financial health of our conference. Under the leadership of LuAnne Wages, the Forum has identified various transition points in ministry and is working to create a series of inter-disciplinary events to assist pastors in making healthy decisions as they approach and negotiate those transition points. The Board of Pension and Health Benefits is continuing our on-going efforts to evaluate both our products and our procedures to determine their effectiveness in promoting healthy choices among participants.

### **REPORT NO. 2 – Health Insurance**

The Board works hard to provide excellent health care coverage to our clergy and lay participants through a partially self-funded insurance plan, administered by Blue Cross – Blue Shield of Alabama. Mobile lay member Pete Miller serves as chairperson of the Insurance Sub-Committee of the Board. The cost of this health insurance plan is covered by participant premiums, church apportionments, and clergy assessments.

In 2006 income exceeded claims, which allowed the Board to hold down increases in apportionments for 2008 and premiums for 2007 and to add to the health insurance reserves, which had a market value of \$4.7 million at year's end. The Board of Pension also maintains an Operating Reserve Fund at the United Methodist Foundation with a balance of \$500,000. The Board of Pension and Health Benefits seeks to increase the insurance reserves each year in its efforts both to maintain strength and stability in our insurance program and to offset the unfunded liability associated with

providing post-retirement medical benefits to current and future retirees. The Conference unfunded liability was estimated in 2006 to be in excess of \$30,000,000. The 2006 study results are included in Report 3, Exhibit 1.

To insure the financial stability of our health insurance program, the Board of Pension and Health Benefits increased the apportionment request for the year 2008 by 2% – well below the national trend of health care costs, which have been rising at an annual rate 8.5%. A thorough review of our health insurance benefits in mid-2006 resulted in a number of changes in our plan benefits, the most sweeping of which was the addition of point-of-sale prescription drug benefits once a \$200 deductible is met. The Board believes that these changes make the benefits more attractive for our participants and actually offer a savings to the conference. Because of the outstanding performance of our health insurance program and these savings, premiums for 2007 remain at the 2006 level and the apportionment request for 2008 is \$3,901,600, a 2% increase.

Conference health care coverage is available for lay employees of local churches, and the Board of Pension and Health Benefits encourages every church with lay employees to consider adding this outstanding benefit. For information on premiums and enrollment requirements, please contact the Conference Insurance Office.

In an effort to strengthen the conference health insurance plan, contain costs, and encourage healthy-lifestyle choices by participants, the Board of Pension is reviewing a number of developing trends in health care, including consumer-driven health care options. While these plans have grown in popularity, the Board is reviewing both the savings and the long-term viability of such plans.

### REPORT 3 – Actuarial Valuation of Post-Retirement Medical Benefits of Employees and Retirees

In response to the direction of the 2000 General Conference, every five years the Alabama-West Florida Conference retains an outside consulting firm to calculate the liabilities associated with providing postretirement medical benefits to current and future retirees in accordance with the terms of its existing plans and contribution arrangement. The report in Exhibit 1 was prepared by Watson Wyatt Worldwide, based on conditions existing as of January 1, 2006.

The full report presents actuarial liabilities for the plan, as well as the applicable expense and liability amounts that would exist in the conference-reported plan financial information in accordance with the Statement of Financial Accounting Standards Nos. 106 and 132.

In addition, cash flow information is presented which projects the future claims and participant contributions for the current group of active and retired employees, along with the resulting employer costs. Cash flows, liabilities, and the net periodic postretirement benefit costs have been calculated based on conditions existing as of the January 1, 2006 measurement date.

Please contact the Fiscal Office at 888-873-3127 if you would like to review the report in its entirety.

In this report (Number 3, Exhibit 1), we summarize the information provided through the valuation. Currently there is no formal funding plan established, though the Board of Pension and Health Benefits seeks to use any revenues over expenditures in the health insurance program to build up reserves and to underwrite this liability. We fund the annual retiree health costs through apportionments and individual monthly premium payments.

## REPORT 4 – Pension

The Reverend Dan Morris chairs the Pension Sub-Committee of the Conference Board of Pension and Health Benefits. The Board continues to be delighted by the fine work of the General Board of Pension and Health Benefits of the United Methodist Church. With assets exceeding \$15 billion and over 66,000 participants, the General Board ranks in the top 100 pension plans in the country and is the largest denominational not-for-profit financial service organization in the world. In addition, the General Board acts as a socially responsible investor and participates actively in shareholder advocacy, proxy voting, portfolio screening, and community investing. The General Board remains the largest denominational investor in affordable housing programs for low and moderate-income families in the nation. Through 2006 the General Board has allocated over \$1.5 billion for investments in affordable housing and community development projects.

Many current and future retirees find that their pension benefit is derived from several different plans. While the number and variety of plans make calculating pension benefits confusing, the various plans offer a certain level of security due to the diverse ways in which retiree pensions are funded.

1. The Pre-1982 plan bases the pension payment for a retired person on the number of years served with pension credit prior to 1982 and the Past Service Rate (PSR). The Board of Pensions sets as its goal to offer a PSR equal to 1% of the Conference Average Compensation (CAC), though that goal has proved elusive. In 2007 the PSR is set at \$541 per service year for retired clergy and \$379 for surviving spouses. For 2008 the Board proposes a past service rate of five hundred fifty-two dollars (\$552), or .92% of the CAC. The total rate for surviving spouses is proposed to be three hundred eighty-seven dollars (\$387). The Annual Conference adjusts the pension benefits of those living in Conference-provided retirement homes by a reduction of \$50.00 per month for ministers and \$35.00 per month for surviving spouses.
2. The Ministerial Pension Plan (MPP) was the mandatory retirement plan for clergy serving from 1982 through 2006. Under this plan, the Board of Pension contributed 12% of the Denominational Average Compensation (DAC) on behalf of each eligible clergy person under appointment. Benefits at retirement are determined on a defined-contribution basis.
3. The United Methodist Personal Investment Plan (UMPIP) is a voluntary defined-contribution plan for personal contributions and rollovers made by clergy and lay employees.
4. By mandate of the 2004 General Conference, beginning in January, 2007, the General Board of Pension replaced the MPP with the Clergy Retirement Security Program (CRSP), which has two

components – a Core Defined Benefit Plan and a Core Defined Contribution Plan. The Core Defined Benefit Plan determines a pension benefit using the following formula: 1.25% of the DAC (in the year of retirement) times the number of years of credited service after 2006. Clergy appointed to less than full time service are credited for service in increments of 25%, 50% or 75%.

- a. The Core Defined Contribution Plan determines the pension benefit from the defined contribution of 3% of the participant's plan compensation.
- b. The UMPIP replaces the pre-2007 PIP plan and operates like PIP as a defined contribution plan with either pre-tax or post-tax voluntary contributions.

Retiring pastors may expect their pension benefits to come from multiple plans – Pre-1982 based on years of service with pension credit before January 1, 1982 and the PSR or the Defined Benefit Service Monies (DBSM) which ever provides the greater annuity payment, MPP based on defined contributions from 1982 through 2006, supplemented by PIP and UMPIP contributions, and CRSP based on the number of service years after 2006 and the DAC in the year of retirement. Because of the change in plans, it is important for participants to verify that the post-2006 appointment information, including appointment percentages for less than full time appointments, listed in the *Journal of the Alabama-West Florida Conference* each year is correct. The Conference Board of Pension and Health Benefits will assume that the *Journal* information is correct unless a correction is submitted and verified within the conference year in which the *Journal* is printed.

The Cumulative Pension and Benefit Fund served as a voluntary defined-contribution retirement plan through 2006, funded through employer contributions made on behalf of deacons (prior to 2006), diaconal ministers, and lay employees of local churches. This fund is now part of the UMPIP plan.

By action of the 2005 Annual Conference, Deacons are eligible for the same pension, health insurance, disability, and death benefits as Elders, effective January 1, 2006.

Information from the General Board of Pension and Health Benefits is available online at [www.gbophb.org](http://www.gbophb.org).

The Board of Pension and Health Benefits recommends that the apportionment line item for Conference Claimants Fund be set at \$3,957,600, a 2% increase, for 2008.

We call attention to paragraph 621 of *The 2004 Book of Discipline* of The United Methodist Church relative to the requirement that the apportionment

for the pension and benefit programs be paid in proportion to the payment of the pastor's salary by the local church. The Discipline gives the church treasurer the primary responsibility for the application of proportional payment. If the church treasurer fails to do this, the pastor is then required to adjust his/her cash salary. Also the Discipline states that the pastor cannot receive a bonus or other supplementary compensation tending to defeat proportional payment. For example, if a church only pays 70% of the pension and benefits apportionment, the minister should receive only 70% of his/her cash salary as set by the Charge Conference.

## REPORT 5 – Direct Bill Study

The Conference Board of Pension and Health Benefits has voted to study a proposal to bill churches directly for the pension and insurance benefits of their pastor(s) rather than paying for those benefits through apportioned funds. Reports have shown that we are among only six conferences in the Southeastern Jurisdiction of The United Methodist Church that continue to apportion health insurance and pension costs. Rev. Rusty Taylor serves as Chair of this study group, which will begin its meetings following the 2007 session of the Annual Conference and will report their findings for consideration at the Conference Board of Pension and Health Benefits meeting in the first quarter of 2008. Any Board action will be presented for consideration to the Annual Conference.

## REPORT NO. 6 – Supplement One to the Clergy Retirement Security Program

This Supplement One is applicable to the Alabama-West Florida Conference and is effective January 1, 2007. It replaces any previously executed Addendum A (or Attachment 1) and shall be in effect until amended by the Annual Conference in accordance with the provisions of the Clergy Retirement Security and the Comprehensive Protection Plan revised January 1, 2007.

CPP contribution base shall be the active participant's plan contribution for a plan year not to exceed 200% of the Denominational Average Compensation. The CPP contribution rate shall be 4.4% of the contribution base of each active participant. [CPP Section 4.01(a).]

The CPP church contribution shall be made monthly to the plans by the Annual Conference in accordance with the Plan Document. Such CPP church contributions shall be transferred monthly from the deposit account of the Alabama-West Florida Conference by the General Board of Pension and Health Benefits to the Comprehensive Protection Plan. The Annual

Conference shall maintain an amount in its deposit account sufficient to provide for the monthly transfer of the church contributions on behalf of its active participants.

The Alabama-West Florida Annual Conference Board of Pension and Health Benefits is hereby authorized, at its discretion, to arrange with The General Board of Pension and Health Benefits for active participation in CPP by persons who are eligible under special rules but not automatically included as active participants. [CPP Section 3.03.(a)]

All full and associate members appointed to Sabbatical Leave shall continue to participate in CPP, provided the Conference makes the required contribution based on 3.4% of the DAC. [Disciplinary Paragraph 350; CPP Section 3.02(a).]

All full, associate, and probationary members granted a Leave of Absence may be continued in CPP provided the Conference makes a contribution of 4.4% of the DAC. [Disciplinary Paragraph 352, CPP Section 3.02(a)]. All full, associate, and probationary members granted family leave may continue in CPP, provided the Conference makes the required contribution based on 4.4% of the DAC. [Disciplinary Paragraph 353; CPP Section 3.02(a).] The surviving spouse benefit will be 70% of the participant's formula benefit.

**RE: 2007 Funding Plan for the Alabama-West Florida Annual Conference**

Dear Mr. Houston:

Attached is a copy of the funding plan for 2007 submitted for the portion of Supplement One to the Clergy Retirement Security Program attributable to the Alabama-West Florida Annual Conference.

The total liability as of January 1, 2005, for 2007 is \$36,433,685 based on the following key actuarial assumptions:

- 7.0% interest
- RP-2000 mortality table
- Past service Rate of \$541 and
- 2.0% average increase in the Past Service Rate

In the opinion of The General Board of Pension and Health Benefits of The United Methodist Church, the attached funding plan meets the funding requirements of Paragraph 1506.8 of *The Book of Discipline of The United Methodist Church 2004*. This opinion applies only to the attached funding plan.

Sincerely,

Jeanne Featherstone  
Actuarial Services

cc: Frank Dunnewind, Conference Pension and Benefits Officer, Alabama-West Florida Annual Conference  
Ronald Coleman, General Board of Pension and Health Benefits

Enclosure

The 2007 Past Service Rate (PSR) is \$541 or .92% of Conference Average Compensation (CAC). The conference intends to maintain the PSR to CAC ratio between 0.9% and 1.00%. We expect future PSRs to increase by 2% per year in keeping with the CRSP automatic increases.

The conference will fund the benefits, if necessary, through an account established and dedicated to clergy retirement benefits funded by apportionments. Any apportionments not needed for pre-1982 pension contributions may be used for retiree benefits.

The 2007 funding plan numbers are summarized below.

Past Service Rate                      \$541

|                                | <u>FUNDING*</u> |
|--------------------------------|-----------------|
| Plan Assests (Funding)         | \$ 43,434,195   |
| Minimum Contribution Liability | \$(36,433,685)  |
| Funded Status                  | \$ 7,000,510    |

\*As of January 1, 2005. Assuming 7% interest and the RP 2000 Mortality Table and 2.0% future PSR increases.

J. Gorman Houston, III  
Chair, Conference Board of Pension and Health Benefits

### REPORT NO. 8 – Claimants’ Memorial Fund

We recommend the continuation of the Claimants’ Memorial Fund, such funds being invested by this Board with the interest being used for the benefits of the Conference Claimants. Individuals and groups are invited to make voluntary contributions in any amount the fund as memorials to deceased ministers, members of minister families, or lay persons. Checks should be made payable to the Alabama-West Florida Conference and sent to the conference treasurer, Montgomery, with the name or names of the persons being memorialized. Families of those so memorialized will be notified that a memorial gift was received.

### REPORT NO. 9 – Special Appointment Pension Responsibilities

In keeping with paragraph 1506.3.a(3), 4g, 4h, of the 2004 Discipline, we recommend that those clergy appointed to extension ministries be approved for pension responsibility on this Annual Conference in the following full time appointments: the director of the Assembly Grounds, the director of Noah’s Ark, the director of the Mobile Inner City Mission, the director of the Alabama-West Florida Board of Pastoral Care Counseling and Training, the directors of the University of South Alabama and Troy Wesley Foundations, and the chaplain at the United Methodist Children’s Home (effective January 1, 2007), provided such appointments are made as members of this Annual Conference under paragraph 344.1a(1) of the 2004 *Book of Discipline of the United Methodist Church*. The district superintendents, ministers appointed to the Conference Connectional Ministry and the Fiscal Office are approved with pension responsibility on this Annual Conference.

We recommend that special appointments to the United Methodist colleges and universities and other general agencies shall be listed as with pension responsibility on the institution or agency.

We recommend that chaplains in the Armed Forces be listed with pension responsibility on the chaplaincy of the military service.

We recommend that ministers under appointment as approved evangelists, area appointments and other special ministries shall be listed with pension responsibility on this Annual Conference only upon payment to the Conference Claimants Fund an amount equal to 16.4% of the DAC as determined by the General Board of Pension and Health Benefits. (2004 Discipline, par. 1506.3a.)

By special arrangement those ministers on leave of absence or probationary members appointed to attend school may qualify for the Comprehensive Protection Plan by a personal payment of 3.45% of the DAC to the Conference Claimants Fund.

We recommend that special appointments to non-Methodist institutions shall be listed without pension responsibility on this Annual Conference

We recommend that all missionaries shall be listed with pension responsibility on the General Board of Global Ministries.

#### REPORT NO. 10 – Depositories

We recommend that the official depository for pension funds shall be the same as that designated by the conference for other conference funds as well as the General Board of Pension and Health Benefits of The United Methodist Church.

#### REPORT NO. 11 – Pension Plan for Lay Employees

We strongly endorse the UMPIP and the Basic Protection Plan administered by the General Board of Pension and Health Benefits for lay employees of United Methodist local churches and agencies. In keeping with paragraph 259.2g (12) of the *2004 United Methodist Book of Discipline*, we recommend and urge our churches to use these plans provided by the Church to provide pension equal to at least 3% of compensation and death and disability coverage for our lay persons who serve our churches.

Churches and agencies should contact the General Board of Pension and Health Benefits, 1201 Davis Street, Evanston, IL 60201, (800) 851-2201 for information on becoming plan sponsors for the UMPIP for lay employees.

#### REPORT NO. 12 – Full Time Service as a Requirement for Pension Credit

We call attention to the following provisions relative to full time service, rendered prior to January 1, 1982, as a normal condition for pension credit which appears in paragraph 1506.4 of the 2004 Discipline.

- A. Full-time service of a ministerial member or a lay pastor shall be required as a normal condition for pension credit; provided,

however, that such credit may be granted for part time service by a three-fourth vote of those present and voting in the Annual Conference, on recommendation of the conference Board of Pensions and Homes for Claimants.

- B. Full-time service shall mean that full time is devoted to the work of a pastor by one who has not attained the mandatory age of retirement for a Conference member, who is not attending school as a regular student, who is not substantially employed in non-pastoral work; and whose cash support per annum from all church sources is not less than the schedule of equitable compensation adopted by the Annual Conference for those in this person's classification.

It should be noted that service of either a ministerial member or lay pastor is without pension credit if it is not full-time service as defined, except in cases of approved part-time service.

### REPORT NO. 13 – Resolutions Relating to Rental/Housing Allowances for Retired or Disabled Clergypersons

The Alabama – West Florida Conference (the “Conference”) adopts the following resolutions relating to rental/housing allowances for active, retired, or disabled clergypersons of the conference:

**WHEREAS**, the religious denomination known as The United Methodist Church (the “Church”), of which this conference is a part, has in the past functioned and continues to function through ministers of the gospel (within the meaning of Internal Revenue Code section 107) who were or are duly ordained, commissioned, or licensed ministers of the Church (“Clergypersons”);

**WHEREAS**, the practice of the Church and of this conference was and is to provide active Clergypersons with a parsonage or a rental/housing allowance as part of their gross compensation;

**WHEREAS**, pensions or other amounts paid to active, retired, and disabled Clergypersons are considered to be deferred compensation and are paid to active, retired, and disabled Clergypersons in consideration of previous active service; and

**WHEREAS**, the Internal Revenue Service has recognized the Conference (or its predecessors) as the appropriate organization to designate a rental/housing allowance for Clergypersons who are or were members of this Conference and are eligible to receive such deferred compensation;

**NOW, THEREFORE, BE IT RESOLVED:**

**THAT** an amount equal to 100% of the pension or disability payments received from plans authorized under *The Book of Discipline of The United Methodist Church* (the “*Discipline*”), which includes all such payments from the General Board of Pension and Health Benefits (“GBOPHB”), during the year 2008 by each active, retired, or disabled Clergy person who is or was a member of the Conference, or its predecessors, be and hereby is designated as a rental/housing allowance for each such Clergy person; and

**THAT** the pension or disability payments to which this rental/housing allowance applies will be any pension or disability payments from plans, annuities, or funds authorized under the *Discipline*, including such payments from the **GBOPHB** and from a commercial annuity company that provides an annuity arising from benefits accrued under a GBOPHB plan, annuity, or fund authorized under the *Discipline*, that result from any service a Clergy person rendered to this Conference or that an active, a retired, or a disabled Clergy person of this Conference rendered to any local church, annual conference of the Church, general agency of the Church, other institution of the Church, former denomination that is now a part of the Church, or any other employer that employed the Clergy person to perform services related to the ministry of the Church, or its predecessors, and that elected to make contributions to, or accrue a benefit under, such a plan, annuity, or fund for such active, retired, or disabled Clergy person’s pension or disability as part of his or her gross compensation.

**NOTE:** It should be noted that the above applies only to the minister and not to the surviving spouse. The rental/housing allowance that may be excluded from a Clergy person’s gross income in any year for federal income tax purposes is limited under Internal Revenue Code section 107(2) and regulations thereunder to the least of: (1) the amount of the rental/housing allowance designated by the Clergy person’s employer or other appropriate body of the Church (such as this Conference in the foregoing resolutions) for such year; (2) the amount actually expended by the Clergy person to rent or provide a home in such year; or (3) the fair rental value of the home, including furnishings and appurtenances (such as a garage), plus the cost of utilities in such year. If you need further information concerning this exclusion, please contact your CPA or the Conference Fiscal Office

REPORT NO. 15 – Homes for Claimants

The Board of Pension and Health Benefits owns 23 living units for persons who retired from the conference prior to 2003. Under the leadership of Monroeville lay member Hunter Lindblom the Homes Sub-Committee manages the Claimants' Homes Program. No additional assignments of homes to retirees will take place, and homes are being sold as they are vacated. Home-sales proceeds are placed in a Homes Fund at the United Methodist Foundation. \$55,622.777 was expended on insurance, maintenance, taxes and repairs in 2006. Rev. Jean Spikes has begun serving as a liaison between the Board of Pension and Health Benefits and the retired clergy and spouses living in conference housing in the southern part of the Conference. Rev. Tom Sheppard has served as a helpful liaison in the northern part of the conference for several years. Repairs, general maintenance, and general upkeep are performed as needs arise and funds are available. The Board recommends that \$46,575 be apportioned for maintenance, taxes and insurance for the Homes for Claimants and for Conference Board of Pension and Health Benefits Operations in 2008.

REPORT NO. 16 – Policy for Claimants' Home Occupants

Should an occupant of a claimant’s home choose to relocate from a claimant’s home the following policy will apply:

Documented moving expenses not to exceed \$2,000 will be reimbursed.

A grant not to exceed \$3000 will be given to offset documented closing costs for the purchase of a home or documented rental deposit for an apartment, town home or assisted living facility.

The moving expenses and grant will be available to clergy persons or a surviving spouse occupying a claimant home. It is not available to family members when the home is vacated as a result of the death of a clergy person or surviving spouse.

REPORT NO. 17 – Need-Based Housing Grants

By direction of the Annual Conference, the Board began selling vacant homes in 2002 to pay off all mortgages and create a Homes Fund with the United Methodist Foundation. Beginning in 2005, the Board began offering need-based housing grants for retiring clergy. The grants are made from the earnings of the Homes Fund. As of December 31, 2006, the Homes Fund at the United Methodist Foundation had a market value of \$1,826,005.75.

History

The 1992 Alabama West Florida Annual Conference adopted a proposal from the Board of Pensions and Homes for Claimants that changed the direction of homes for retired clergy. Beginning with the Annual Conference of 2003, the Board stopped purchasing houses or assigning currently owned homes to newly retired clergy. After 2002, homes vacated were sold and the proceeds placed in a Homes Fund. After 2003 grants were to be made to those who needed help with retirement housing. Priority for grant applications will follow the guidelines as set forth below

An applicant is to be defined as:

A clergy person who retires with a minimum of 20 years full-time service with pension credit on the Alabama-West Florida Conference and is receiving his/her pension.

An un-remarried surviving spouse of an active clergy person with

a minimum of ten (10) years full-time service in the Alabama-West Florida Conference. He/she must have been married to the qualified clergy person during the years of qualifying service. Exceptions may be considered in the case of death prior to 10 years service.

The surviving spouse of a retired clergy person who was married to that clergy person at the time of his/her retirement

Clergy Persons who are placed on Incapacity Leave by the Annual Conference

Application Period:

Clergy that retire June 1, 2003 or thereafter may apply for a grant any time subsequent to their retirement. Surviving spouses may apply within one year of the date of death of the clergy person. Clergy Persons who are placed on Incapacity Leave by the Annual Conference may apply within one year of being placed on incapacity leave or they may apply subsequent to retirement, provided they retire on or after June 1, 2003.

To be considered for a grant, the applicant and spouse's post-retirement earned income from all sources must be equal to or less than the denominational average compensation (DAC) in the year of application.

Applicants must submit a Board of Pension and Health Benefits Financial Statement, along with the most recent 1040 Income Tax Form including all schedules. Applicants must also complete an interview with a Grant Committee appointed by the Board of Pensions.

Funding:

In order to maintain and grow the Homes Fund, a percentage of the net income will be returned to the corpus of the fund each year. The expectation is that initial grant applications will be numerous in the beginning years, so a higher percentage of net income will be used. A gradual increase to a 80% of net income use and a 20% return to the corpus of the fund is recommended below:

| <u>Year</u>  | <u>% Returned to Fund</u> |
|--------------|---------------------------|
| 2005         | 5                         |
| 2006         | 5                         |
| 2007         | 10                        |
| 2008         | 10                        |
| 2009         | 15                        |
| 2010         | 15                        |
| 2011-Forward | 20                        |

If initial eligible applications exceed the income in 2005, the 2003 and 2004 net income could be applied to those grants less a 5% return of net income to the Homes Fund. Grants are intended to assist retiring clergy to obtain

housing. The money granted to applicants should be used to aid with some form of housing such as down payments, closing costs, rental deposits, etc. Grants are awarded on a one-time basis up to \$3,000.00, as set forth herein. Grants will be disbursed within 30 day after approval by the Grants Committee.

Grants are not guaranteed but will be awarded based upon the Grant Committee's discretion considering financial need, circumstances, available grant funds and the totality of the overall circumstances.

Amendments:

These guidelines may be amended from time to time by simple majority of the Conference Board of Pension and Health Benefits.

REPORT NO. 18 – Other Retirement Services

The General Board of Pension and Health Benefits offers other outstanding services to active and retired clergy, including affordable financial planning services through Ernst and Young and Long-Term Care Insurance through the John Hancock Insurance Company. For more information on these services, please contact Frank Dunnewind at the Conference Fiscal Office.

REPORT NO. 19 – Incapacity Leave and CPP Disability Benefits

Terms:

Incapacity Leave: A conference relations status of a clergy member who is unable to perform his or her ministerial work because of a physical or emotional impairment, the conference may grant incapacity leave upon recommendation of the conference boards of ordained ministry and pension.

CPP Disability Benefits: Benefits paid by the Comprehensive Protection Plan to clergy persons who are determined by the General Board of Pension and Health Benefits to be eligible for these benefits and are on incapacity leave. Incapacity Leave is granted to clergy who are members of the annual conference who are unable to perform their ministerial work because of incapacity due to health matters and disabling conditions. It is not a status that is used to solve appointment problems.

The 2004 *Book of Discipline of the United Methodist Church* References Paragraph 358. Incapacity Leave Resulting From Health Matters and Disabling Conditions

1. When clergy who are members of an annual conference (§¶368) are unable to perform their ministerial work because of incapacity due to health matters and disabling conditions, upon recommendations of the conference board of ordained ministry and the conference board of pensions, and by a majority vote of the executive session of clergy members in full connection with the annual conference who are present and voting, they may be granted

annual incapacity leave without losing their relationship to the annual conference; provided, however, that such leave may be granted or renewed only after a thorough investigation of the case by the Joint Committee on Incapacity of the annual conference, which will report its findings to the conference Board of Ordained Ministry and the conference Board of Pension. This relationship may be initiated by the clergy member or cabinet with or without the consent of the clergy member through the Board of Ordained Ministry. When incapacity leave is given without the clergy member's consent, reasonable accommodation shall be offered whenever possible. When a clergy member is granted incapacity leave by the annual conference, if the medical evidence has not yet met the standards for the receipt of benefits as set forth in the Comprehensive Protection Plan, section 5.04, the conference Board of Pension may authorize payment of the benefits in the amount that would otherwise be payable from the Comprehensive Protection Plan. The payments shall be made by the General Board of Pension and Health Benefits as a charge to the annual conference granting the incapacity leave. If payments from the Comprehensive Protection Plan are subsequently approved, the annual conference will be reimbursed for benefits already paid, not to exceed the amount otherwise payable from the Comprehensive Protection Plan. Each incapacity leave granted by the annual conference shall be recorded in the conference minutes.

2. When clergy who are members of an annual conference are unable to perform their ministerial work between sessions of the annual conference on account of health matters and disabling conditions, with the approval of a majority of the district superintendents, after consultation with the executive committee of the conference Board of Ordained Ministry and the executive committee of the conference Board of Pension, an incapacity leave may be granted by the bishop for the remainder of the conference year; provided, however, that such leave may be granted only after a thorough investigation of the case including accommodation provisions by the Joint Committee on Incapacity of the annual conference; which will report its findings to the conference Board of Ordained Ministry and the conference Board of Pension. When a clergy member is granted incapacity leave by the bishop, if the medical evidence has not yet met the standards for receipt of benefits as set forth in the Comprehensive Protection Plan, section 5.04, the conference Board of Pension may authorize payment of the benefits in the amount that would otherwise be payable from the Comprehensive Protection Plan. The payments shall be made by the General Board of Pension and Health Benefits as a charge to the annual conference granting the incapacity leave. If payments from the Comprehensive Protection Plan are subsequently approved, the annual conference will be reimbursed for benefits already paid, not to exceed the amount otherwise payable from the Comprehensive Protection Plan.

3. When clergy members on incapacity leave provide medical evidence that they have recovered sufficiently to resume ministerial work, or are able to return through reasonable accommodation, they may receive an appointment from a bishop between sessions of the annual conference, thereby terminating the incapacity leave. Such appointment shall be reported

immediately by the cabinet to the conference Board of Pension and to the General Board of Pension and Health Benefits. Such termination of leave, together with the effective date, shall also be recorded in the minutes of the annual conference at its next regular session.

Paragraph 634.2(k): "Conference Board of Ordained Ministry": "The duties of the annual conference Board of Ordained Ministry shall be...k) To interview applicants and make recommendation concerning: (1) changes from the effective relation to a leave of absence or retirement; (2) return to the effective relation from other relations; (3) honorable location; (4) readmission of located persons and persons discontinued from probationary membership; (5) sabbatical leave; (6) incapacity leave; (7) appointment as a student; (8) termination; and (9) changes to or from less than full-time ministry. "The board shall keep a record of these changes and the reason behind them and place a copy in the permanent records of the annual conference maintained by the secretary of the conference."

Paragraph 651. "There shall be a Joint Committee on Incapacity in each annual conference. It shall be composed of a minimum of two representatives each from the Board of Ordained Ministry and the conference Board of Pension, who may be elected by those boards at the beginning of each quadrennium and at other times when vacancies occur, and a district superintendent appointed from time to time by the bishop to represent the cabinet. Unless and until other members are elected, the chairperson and registrar of the Board of Ordained Ministry and the chairperson and secretary of the conference Board of Pension, or others designated by them, shall be authorized to represent their respective boards. The committee shall organize at the beginning of each quadrennium by the election of a chairperson and a secretary. The duties of the Joint Committee on Incapacity shall be:

- a) To study the problems of incapacity in the annual conference.
- b) To provide for a continuing personal ministry to any disabled clergy of the conference and to aid them in maintaining fellowship with the members of the conference.
- c) To determine what medical doctor or doctors it will approve for medical examinations and reports regarding disabled clergy, and what medical doctor or doctors it will recommend to the General Board of Pension and Health Benefits for that purpose.
- d) To make recommendations to the board of ordained ministry, the conference Board of Pension, and the cabinet on matters related to incapacity, including steps for its prevention, incapacity leave, benefits, and programs of rehabilitation.
- e) To cooperate with and give assistance to the General Board of Pension and Health Benefits in its administration of incapacity benefits through the Ministers Reserve Pension Fund or the Comprehensive Protection Plan."

Going on Incapacity Leave:

1. When an eligible clergyperson requests CPP Incapacity Benefits:

2. Application is requested from Conference Pension and Benefits Officer or General Board of Pensions and Health Benefits (GBOPHB).
3. Application is completed:
  - a. Form A, Applicant Information for Long-Term Disability Benefits is completed, signed by the applicant, and mailed to the GBOPHB.
  - b. Form B, Attending Physicians Statement is completed by the applicant and the physician, signed by the Physician and mailed to the GBOPHB
  - c. Form C, Clergy Disability Benefits Application is completed and signed by the applicant including the Authorization to Release Information to the General Board page and mailed to the District Superintendent
4. The District Superintendent signs Form C, acknowledging that the individual is applying for disability benefits and mails it to the Conference Pension and Benefits Officer.
5. The Conference Benefits Officer signs Form C, acknowledging that the individual is applying for disability benefits.
6. The Conference Benefits Officer contacts by phone each member of the Joint Committee on Incapacity (JCI) to alert them to the fact that the individual is applying for CPP Disability Benefits and signs Form C for the Chair of the Joint Committee on Incapacity.
7. The Conference Pension and Benefits Officer mails Form C to the GBOPHB.
8. Form F: The District Superintendent must state, in writing, that the Bishop has or will grant the individual Incapacity Leave. The District Superintendent must also indicate one of the following:
  - a. The applicant will be granted incapacity Leave ONLY if disability benefits are approved from the CPP and if approved the date incapacity leave will begin,
  - b. The applicant has been or will be granted incapacity leave and the conference deposit account should be charged for conference disability grant in the amount of: 40% of the Denominational Average Compensation (DAC) Greater of 70% of plan compensation or 40% of DAC (standard CPP benefit)  
Other (specify amount)
  - c. The applicant has been or will be granted incapacity leave without benefits and the date incapacity leave will begin.

If the conference deposit account is to be charged with CPP benefits (option b), the conference Pension and Benefits Officer will coordinate approval with the Executive Committee of the conference Board of Pension and Health Benefits. Form F is signed by the Conference Pension and Benefits Officer and mailed to the General Board of Pensions and Health Benefits.

The Conference Pension and Benefits Officer will provide a copy of Form F to the Board of Ordained Ministry Executive Secretary to insure that the Board of Ordained Ministry takes appropriate action. Because of HIPPA privacy regulations, it will be the standard position of the JIC to recommend to the Board of Ordained Ministry the status recommended by UNUM.

Coming Off Incapacity Leave:

Among the reasons a participant will no longer receive CPP disability benefits are the following:

1. If a participant becomes disabled on or prior to the date he/she attains age 60, and is receiving disability benefits in the Conference year in which he/she attains age 65, and the disability continues, then the benefits will terminate on June 30 following the person's 65th birthday anniversary (if the final day of the regular session of such person's conference falls in the month of May or June, or, otherwise, on the last day of the month in which the closing day of such Conference session occurs) Para 5.04 d. (7) CPP Plan Document.
2. If the participant becomes disabled after age 60, and the disability continues, then the benefits will terminate on the earlier to occur of (i) June 30 following the end of a five year period from the date the disability was determined to have begun (if the final day of the regular session of such person's Conference falls in May or June, or, otherwise, on the last day of the month following the end of such five-year period in which the closing day of such Conference session occurs); or (ii) June 30 following such person's retirement date (if the final day of the regular session of such person's Conference falls in May or June, or, otherwise, on the last day of the month in which the closing day of such Conference session occurs). Para 5.4 d. (8) CPP Plan Document.
3. If the individual provides medical evidence that they have recovered sufficiently to resume ministerial work, or are able to return through reasonable accommodations a request must be submitted to the Bishop and the Joint Committee on Incapacity.

The Joint Committee on Incapacity, through the Conference Pension and Benefits Officer, will receive the recommendation of the participants doctor or will request a referral through the UNUM for the name of a physician available and competent to provide an Independent Medical Evaluation of the individual's request. Because of HIPPA privacy regulations, the JCI will request only a recommendation from the physician as to the individual's ability to resume work and will follow the physician's recommendation as to making a recommendation to the Board of Ordained Ministry. Alternately, and at the discretion of the JCI, the recommendation of UNUM regarding continuation of CPP Disability Benefits may form the recommendation of the JCI to the Board of Ordained Ministry. Having received the recommendation from

the JIC, the Board of Ordained Ministry will conduct the interview required in paragraph 634.2 (k)

If an individual receives an appointment between sessions of annual conference, the cabinet must report the appointment immediately to the conference Board of Pension and the GBOPH. Such termination of incapacity leave, together with the effective date must also be recorded in the minutes of the annual conference at its next regular session.

Part-Time Appointments:

If an individual seeks a part-time appointment in anticipation of coming off incapacity leave the following information is required:

1. The appointment cannot last longer than 12 months.
2. The written recommendation of the individual's doctor. The operative word is recommendation. That is, the doctor believes that it is in the medical best interest of the individual to begin part-time service and is encouraging and cooperating with the return to part-time service.
3. The number of hours that the individual will work.
4. When the appointment will start
5. Will the person serve a church as the only pastor or will the individual serve as an associate of a church?

Report No.8 - STEWARDSHIP RESPONSIBILITIES AND LOCAL CHURCH CONCERNS

1. CFA believes that all apportionments are needed in the amounts apportioned. Further, CFA believes that it is within the capacity of the churches to pay the apportionments in full. Effort has been made to hold apportionments for which CFA has responsibility to minimum increases. The 2008 Conference budget reflects an increase of 5.31% over 2007.

2. By action of the 2001 Annual Conference, the following schedule shall be used in setting apportionments for new churches:

|                           |                  |
|---------------------------|------------------|
| 1st full year .....       | no apportionment |
| 2nd year.....             | 25% apportioned  |
| 3rd year .....            | 50% apportioned  |
| 4th year.....             | 75% apportioned  |
| 5th year & following..... | 100% apportioned |

3. Apportionments shall be made to all churches using the apportionment formula outlined in CFA Report - Formula and Allocations.

4. Local churches shall provide for the audits of local church records as provided in paragraph 259.4c of the *2004 Book of Discipline of the United Methodist Church*.

## Report No. 9 - FORMULA AND ALLOCATIONS

1. The Apportionments shall be developed using a formula based on financial strength of the local churches and the membership of the local churches. Financial strength will be weighted 75% and professing membership weighted 25% in the formula. Apportionments will be determined by local church decimal applied to the amount of each budget item at the conference level.
2. The financial strength of a local church in calculating the decimal formula shall be based on all local expenditures (lines 63-71 of the Local Church Report to the Annual Conference). This eliminates all apportionments and special giving from the formula. (Listing: Standing Rule No. 22)
3. The winter/spring meeting of the Council on Finance and Administration shall be the time for receiving requests from all boards and agencies for the ensuing year. All boards and agencies should be advised that they place their allocations in jeopardy when they fail to submit timely budget requests.
4. The pastor and chairperson of the Committee on Finance or the church treasurer shall sign the annual local church report as being correct. The local church is encouraged to enter the Local Church Report information using the "Church Dashboard" located on Alabama West Florida Conference Web Site ([www.awfumc.org](http://www.awfumc.org)) Contact the District Superintendent's office for the User Name and Password if they are not known by the church pastor. The Fiscal Office will print a copy of the information entered and send it to the local pastor to check. The Fiscal Office will establish a date by which it should be notified if corrections are necessary. If no corrections are identified by that date, the fiscal officer will consider the report accurate. When the new year's apportionments are run in July, there will be only one set of apportionments, which will be the final set. There will not be a "Trial Set" of apportionments.

## Report No. 10 - DISTRICT SUPERINTENDENTS' COMPENSATION

The Council on Finance and Administration continues to pay very close attention to the subject of compensation for district superintendents. The Council recommends that superintendents' salaries be based on salary figures from within the conference. The formula we are using for guidance in determining the superintendent's salaries is based on an analysis of the average percentage raise (from 2005 to 2006) of the top three senior pastors' appointment salaries from each of the eight districts. After evaluating this percentage increase and with a commitment to fiscal responsibility, CFA recommends that the base salary of the district superintendents be increased by 5.52% for 2008 from \$95,132 to \$100,364.

1. The base salary of the district superintendents shall be set at \$100,364 for 2008 with travel expense paid on voucher from a travel pool of \$82,000. The executive committee of CFA shall adjust the rate per mile, as needed, within this limit.
2. District superintendents shall receive no supplementary travel funds from district administration funds.
3. Each district shall place funds in its budget for district parsonage utilities, up to a total of \$4,500, for each calendar budget year. Utilities to be included are electricity; gas, water sewage, and basic television cable or satellite services, telephone, Internet service, and trash collection.
4. The districts which provide district superintendents a housing allowance in lieu of a parsonage shall designate the housing amount in the minutes of the District Conference. This designation shall be made in advance of payment of such allowance, either upon appointment or in advance of the calendar year thereafter.
5. Each district shall place in its district administration fund an amount not to exceed \$2,000 for continuing education.

## Report No. 11 - MOVING GUIDELINES AND EXPENSES

The Tuesday following the adjournment of Annual Conference shall be the official moving date for each conference year. Salary through June 15th shall be paid to the pastor by the church from which he/she is moving. Salary beginning June 16th shall be paid the incoming pastor by the receiving church.

If health insurance assessments and/or premiums are deducted from the pastor's compensation, the full monthly amount for June should be deducted from the pastor's June compensation by the church **from** which the pastor is moving. The church **from** which the pastor is moving shall send in the full monthly payment to the Benefit Development Group. This arrangement should be coordinated and understood by the pastor and church treasurer.

If UMPIP payments are deducted from the pastor's compensation, the June UMPIP payment **will not** be made by the Church **from** which the pastor is moving. Instead arrangements should be made between the pastor and the church to which the pastor is moving

Upon retirement, disability or death of a minister, the conference shall pay up to \$2,500 for documented moving expenses to the first place of retirement or disability or the first place of dwelling for a surviving spouse. Moving expenses to be reimbursed shall not be incurred prior to retirement notification to

the Bishop and will be reimbursed after the retirement move is completed.

We call attention to the resolution adopted by the Annual Conference of 1988, which designated the Alabama West Florida Conference United Methodist Foundation as the official depository for discretionary endowment funds owned by the Annual Conference and its related Boards and Agencies.

Local churches are encouraged to use the Foundation for endowment funds in order to insure proper management and fiduciary accountability.

Maintenance costs on the Andalusia parsonages and Conference Office Building totaled \$11,936.79 in 2006.

### REPORT NO. 2 - SIGNATURE AUTHORITY

In keeping with ¶515 of *The 2004 Book of Discipline of the United Methodist Church*, the President and any one of the following officers of the Board of Trustees may sign any required written instruments necessary to carry out the action authorized by the Annual Conference regarding the sale, transfer, lease or purchase of Annual Conference property: The Vice President or the Secretary.

### REPORT NO. 3 - DESIGNATION OF UMC OWNED PROPERTY AS CULTURAL, HISTORICAL, OR ARCHITECTURAL LANDMARK

Paragraph 2512.7 of *The 2004 Book of Discipline of The United Methodist Church* directs that “the board [of trustees of the annual conference], after consultation with the conference commission on archives and history. . . shall develop a policy for an annual conference response, on behalf of any local church, church-related agency, or district or annual conference board of trustees located within the bounds of the annual conference, to any governmental effort to designate a property held in trust for the benefit of the United Methodist Church ( 2503) by any such board of trustees as a cultural, historical, or architectural landmark.”

Governmental designation of church-owned real property as a cultural, historical, or architectural landmark severely infringes upon and restricts the rights of the church of the church as a property owner and as a religious institution.

Governmental designation of church-owned real property can cause a reduction in the market value of the property.

Typically, the exterior facade of a building may not be altered without governmental permission.

Depending on governmental requirements, alterations of the interior may be forbidden without governmental permission.

Improvements (such as buildings) on the property are either forbidden to be demolished, or can be demolished only after extensive and expensive applications and hearings.

Sale of landmarked property, when it is no longer required for church purposes, becomes almost impossible; a buyer is not given the freedom to demolish the structures on the property or to use it as he/she sees fit. Such limitations would render church-owned property virtually unable to be sold in the future.

The church could be blocked from transforming the donations given in the past to establish real property for United Methodist use into new establishments for United Methodist Church use, a promise made to the donors at the time their donations were originally solicited.

In exchange for such limitations on the use of property, governmental bodies typically will compensate the property owner for such reduction in property value and limitations on development and use by allowing federal and state

income tax credits against actual expenditures made for future rehabilitation work done to the property. Such income tax credits are worthless to a church, however, because a church does not pay income taxes.

Because of the restrictions and infringements upon the rights of the church as a property owner and religious institution, in general such governmental designations should be discouraged.

There may be, however, instances when allowing such a landmarking to take place is in the best interests of both the public and the church. Therefore, the following principles are established as the policy of the Alabama-West Florida Annual Conference:

1. Any Board of Trustees which voluntarily wishes to cooperate with a governmental body in having that property landmarked which the Board of Trustees holds in trust for The United Methodist Church shall do the following:
  - a. Comply with the provisions of 2515, 2517.2, 2539, 2540, 2541, and/or 2543 (as appropriate) of *The 2004 Book of Discipline of the United Methodist Church*, just as if such landmarking were a sale of the property.
  - b. Obtain a majority vote of the Bishop and Cabinet, combined, approving such a voluntary landmarking of church-owned property.
  
2. On behalf of the Alabama-West Florida Annual Conference, the Annual Conference Board of Trustees, as the designated successor in interest to church-owned property held in trust for the United Methodist Church under 2548.3 of *The 2004 Book of Discipline of the United Methodist Church*, and as the designated agency “to intervene and take all necessary legal steps to safeguard and protect the interests and rights of the annual conference anywhere and in all matters relating to property and rights to property” of any of its agencies, organizations, or local churches under 2512.4, is directed to intervene, at the request of the superintendent of the district in which the affected property is located, to oppose any governmental effort to involuntarily designate any such property as a cultural, historical, or architectural landmark. This intervention may include engaging what legal or professional counsel is needed. Such intervention may include opposing such landmarking designation in any or all state or federal courts, if necessary and appropriate. The Annual Conference Board of Trustees may, at its discretion, undertake such intervention by financial assistance to the affected board of trustees. Such funding shall come first from any positive balance in the fund described below. Additional funding, if necessary, be requested from the Annual Conference Council on Finance and Administration.
  
3. The Annual Conference Committee on Finance and Administration shall establish an Interest-on-investments account to be used, at the discretion of the Annual Conference Board of Trustees, to help defray

the costs of opposing governmental efforts at involuntary landmarking of church-owned property as described above. Funds contributed to this fund may only be used for the designated purpose. Any use of these funds will be reported to the annual conference. Income generated from this account may be used by the Conference Council on Finance and Administration (or its successor organization) for any purpose it shall designate. The Conference Board of Trustees is directed to a) request monies from the apportioned budget of the annual conference, as reasonably available, and b) solicit voluntary contributions, to put into the account to hold in reserve for the designated purpose.

#### REPORT NO.4 - GENERAL TRUST GUIDELINES

In the absence of specific guidelines regarding the investment and distribution of gifts to the Alabama-West Florida Conference Board of Trustees, the board establishes these guidelines in order to provide ongoing support of the ministries identified by the donor. The use of "Board of Trustees" in this document refers to the Board of Trustees of the Alabama-West Florida Conference of the United Methodist Church.

- The objective of the trust is to conserve principal as an ongoing source of funding.
- Any part of the principal may be withdrawn only in extreme and overwhelming circumstances, bordering on the financial survival of the entity designated by the donor and must be approved by the Board of Trustees.
- Fund management will be provided through the services of the Alabama-West Florida United Methodist Foundation.
- Up to 100% of the earned income may be utilized upon approval of the Board of Trustees.
- Realized capital gains will be treated as an increase in principal value.
- The use of a trust fund as collateral for a loan will be decided on a case-by-case basis by the Board of Trustees.
- Board of Trustees will determine the investment strategy for each fund and any changes in investment strategy will require approval of the Board.
- Any material change to the income distribution policy requires approval of the Board of Trustees.
- Board of Trustees encourages the use of the General Trust Guidelines for all additional gifts.

#### REPORT NO.5 - 15 PASSENGER VANS

In an extra ordinary action The National Highway Traffic Safety Administration (see [www.nhtsa.gov](http://www.nhtsa.gov)) issued a safety advisory for the fourth time in five years saying:

- 15 passenger vans are far more prone to rolling over than school buses, cars, or mini-vans.
- Occupants of 15 passenger vans are less apt to wear seat belts.
- 15 passenger vans are three times more likely to roll over when fully loaded than when they have fewer than 10 passengers.

Federal law does not let car dealers sell the vans for transporting people 18 years and younger.

The *South Carolina United Methodist Advocate*, dated May 2001 stated:

*School buses average 0.2 deaths per 100 million miles. Vans average 1.2 deaths per 100 million miles.*

The Alabama-West Florida Chancellor states, "I believe that the use of these vans should be strongly discouraged by the Conference. There have been studies which tend to show that 15 passenger vans can become unstable in emergency situations where the vans are fully loaded. Where the vans have not been prohibited by the Department of Transportation, the use of fully loaded vans to transport passengers has been strongly questioned. There is evidence that a fully loaded 15 passenger van exceeds the design criteria for the suspension systems of the van. Under emergency braking or handling maneuvers, the van can become unstable and there have been several crashes involving fully loaded vans. Consequently, it is my opinion that the Conference should strongly discourage the use of 15 passenger vans for the transportation of people in our Conference. Although the conference cannot prohibit the use of these vans, I believe we should strongly discourage the use of these vans due to the liability concerns and safety concerns."

It is the recommendation of the Board of Trustees that churches not use or purchase 15 passenger vans to transport passengers and that before churches do so that they obtain competent legal advice and consult with their insurance company.

## REPORT NO.6 - PARSONAGE STANDARDS - 2007

The Book of Discipline states, "Housing provisions shall comply with annual conference housing policy and parsonage standards." In order to establish a housing policy and housing standard the annual conference recommends three options available for the local church. The Annual Conference does not put one option above the other. They are co-equal, depending upon the local situation.

The charge conference shall review the recommendations of the Pastor-Parish Relations Committee regarding provision of adequate housing for the

pastor(s) of a local charge in consultation with the district superintendent, the charge shall choose one of these three options.

OPTION ONE

Before implementing a housing allowance, a congregation must obtain the district superintendent's permission. If the congregation decides to sell an existing parsonage, the church leadership shall follow the Discipline guidelines for selling the parsonage and using the proceeds of the sale.

Upon recommendation of the Pastor-Parish Relations Committee and the Board of Trustees with approval by the Committee on Finance, the charge conference shall provide an annual housing allowance. The housing allowance shall not be considered as part of compensation or remuneration of the pastor(s).

#### REPORT NO.7 - POLICY STATEMENT CONCERNING SEXUAL MISCONDUCT BY CLERGY OF THE ALABAMA- WEST FLORIDA CONFERENCE OF THE UNITED METHODIST CHURCH, INC.

The Alabama-West Florida Conference of the United Methodist Church, Inc. affirms *The 2004 Book of Resolutions*, Sexual Abuse Within the Ministerial Relationship and Sexual Harassment Within the Church, which states that sexual abuse within the ministerial relationship and sexual harassment within the church are incompatible with biblical teachings of hospitality, justice and healing. In accordance with *The 2004 Book of Discipline* ¶161(F), we affirm that all human beings, both male and female, are created in the image of God, and thus have been made equal in Christ. As the promise of Galatians 3:26-29 states, all are one in Christ. Therefore, this Conference of the United Methodist Church supports equity among all persons without regard to ethnicity, situation or gender.

### Statement of Purpose

Clergy members of this conference are in a position of sacred trust, responsibility and power which affords the opportunity for unique relationships of grace and caring. Sexual *misconduct* by *the* clergy *violates this* trust and constitutes an abuse of the power and position of the clergy. It is the purpose of this policy to prohibit sexual abuse, sexual harassment and sexual misconduct by the clergy members of this conference in the performance of their responsibilities as ministers of the gospel. It is also the purpose of this policy to provide a method for reporting such misconduct and a procedure for resolution of complaints of misconduct involving clergy members of this conference.

### Theological Foundation

All persons are created by God. Scripture teaches that male and female are created in the image of God, and are of equal value in Christ. Jesus was sent into the world that all persons may experience whole relationships with God and each other. We are called to live in a right relationship with God, with one another, and with ourselves. This calling to live in the fullness of our God-created humanity requires that we sustain a vital relationship to God so that we may maintain the dignity of all life, and treat each other with respect and dignity. *The 2004 Book of Discipline* states: "We recognize that sexuality is God's good gift to all persons. We believe persons may be fully human only when that gift is acknowledged and affirmed by themselves, the church and society."

### Definitions

*Sexual harassment* is defined by *The 2004 Book of Discipline*, ¶161(I) as "any unwanted sexual comment, advance or demand, either verbal or physical, that is reasonably perceived by the recipient as demeaning, intimidating, or coercive. Sexual harassment must be understood as an exploitation of a power relationship rather than an exclusively sexual issue. Sexual harassment includes, but is not limited to, the creation of a hostile or abusive working environment resulting from discrimination on the basis of gender." Sexual harassment may occur in any environment where the work of the church takes place. Sexual harassment also includes intimidating or coercive behavior that threatens or results in a tangible employment action.

*Gender Harassment* is behavior that is harassing in nature against a woman because she is a woman or against a man because he is a man.

*Sexual abuse* is conduct of a sexual nature that is in violation of the legal rights of others and/or conduct that is prohibit by law. Sexual abuse includes criminal sexual conduct or sexual contact by force, threat or intimidation that is in violation of the laws of the States of Alabama or Florida. As applicable to interactions with children or vulnerable persons, the term "sexual abuse" includes the subjection of a child or vulnerable person to any sexual act by any person responsible for their care in violation of the laws of the states of

Alabama or Florida. To uphold the moral standards of the United Methodist Church as defined by *The 2004 Book of Discipline*, no person under the age of 18 nor any vulnerable adult may give consent to sexual acts.

Sexual abuse within the ministerial relationship occurs when a person within a ministerial role of leadership (pastor, educator, counselor, youth leader, or other person of leadership) engages in sexual contact or sexualized behavior with a congregant, parishioner, client, employee, student, staff member, co-worker or volunteer.

*Sexual Misconduct* is conduct which is a chargeable offense within the meaning of ¶2702 of *The 2004 Book of Discipline*. Sexual misconduct may also be an abuse of power through sexual contact or activity (not limited to sexual intercourse) which exploits the vulnerability of a parishioner, client, staff member, or volunteer, or conduct which causes or allows those persons to engage in sexual conduct with a person in a professional relationship (whether paid or unpaid) to this annual conference. Sexual misconduct may also include any sexual contact or activity (not limited to sexual intercourse) between a person in a therapeutic or counseling role or relationship with a parishioner or client. In such instances, consent is not a defense. Such behavior is inappropriate and immoral.

### **Policy Statement**

Sexual harassment, gender harassment, sexual abuse and misconduct of a sexual nature within the life of the church interfere with its moral mission. The Alabama-West Florida Conference of the United Methodist Church, Inc. prohibits and will not tolerate these behaviors, which are sinful, demeaning, abusive and wrong. This conference commits itself to the fair and expedient investigation of any complaint of sexual and gender harassment, sexual abuse or misconduct of a sexual nature within the conference and will take action deemed appropriate and in compliance with the *Book of Discipline*. Further, it shall be the policy of The Alabama West Florida Conference of the United Methodist Church, Inc. to create an environment of hospitality for all persons, male or female, which is free from this type of sinful conduct and which encourages respect, equality and kinship in Christ.

### **Procedure for Reporting Complaints**

Some instances of harassment can be resolved informally by conversation between the parties or facilitated by mediation. In all other instances, conduct that is in violation of this policy must be reported immediately. Such a report may be made either to the Presiding Bishop of the Conference or any district superintendent of this conference. A report of such conduct may be reported to the Presiding Bishop at the Bishop's office in Montgomery, Alabama or to the district superintendent at any of the district offices within the conference. Upon receipt by a district superintendent of a report of clergy misconduct of a sexual nature, the district superintendent must immediately report such complaint to the Presiding Bishop.

### **Non-Retaliation for Reporting**

The Alabama-West Florida Conference of the United Methodist Church will not retaliate against any person who brings forward a complaint or reports any conduct prohibited by this policy. All staff, leaders and volunteers are expected to immediately report any knowledge of harassment, abuse or misconduct to anyone of the persons listed above. Prompt and appropriate investigation and corrective action, where appropriate, will be taken, including discipline. Persons who make false accusations may also be disciplined in the event that the accusations have been proven false.

### **Investigations**

All investigations and remedial measures shall take place according to the pertinent provisions of the *Book of Discipline*. Nothing contained in this policy shall be construed to in any way alter or enlarge on any requirement of the *Book of Discipline*. All complaints or reports of conduct that is in violation of this policy shall be promptly and thoroughly investigated in accordance with the *Book of Discipline*. All investigations shall be consistent with fair process as set forth in ¶¶2701 of The *2004 Book of Discipline* and the Decisions of The Judicial Council of the United Methodist Church.

### **Confidentiality**

While The Alabama-West Florida Conference of the United Methodist Church, Inc. cannot guarantee absolute confidentiality, it will make every reasonable effort to maintain confidentiality by disclosing information concerning the complaint or the investigation only on a “need to know” basis and as necessary to promote God’s call for justice, reconciliation and healing.

### **Mandatory Reporting**

The Alabama-West Florida Conference of the United Methodist Church, Inc. will comply with all applicable state or federal laws regarding the mandatory reporting of misconduct of a sexual nature committed by any clergy.

### **Mediation and Reconciliation**

The Alabama-West Florida Conference of the United Methodist Church, Inc. encourages resolution of disputes and conflicts by mediation and reconciliation. Where appropriate, the conference encourages parties to utilize mediation in order to reach a just and equitable resolution of the matter, giving due consideration to the severity of the situation, the position of the parties and nature of the conduct involved. Where appropriate, the conference encourages the utilization of mediation agencies such as *Just Peace*, and appropriate support teams.

REPORT NO.8 - POLICY STATEMENT CONCERNING SAFE  
SANCTUARIES

**SAFE SANCTUARIES POLICY**

*Approved June 2007*

**OUR MANDATE**

**Introduction:** The General Conference of The United Methodist Church, beginning in April 1996, adopted a resolution aimed at reducing the risk of child sexual abuse in the church. The adopted resolution includes the following statement:

Jesus said, "Whoever welcomes (a) child...welcomes me." (Matthew 18:5). Children are our present and our future, our hope, our teachers, our inspiration. They are full participants in the life of the church and in the realm of God.

Jesus also said, "If any of you put a stumbling block before one of these little ones..., it would be better for you if a great millstone were fastened around your neck and you were drowned in the depth of the sea." (Matthew 18:6) Our Christian faith calls us to offer both hospitality and protection to the little ones, the children. The Social Principles of The United Methodist Church state that "...children must be protected from economic, physical and sexual exploitation, and abuse." (Paragraph 162C)

Tragically, churches have not always been safe places for children. Child sexual abuse, exploitation and ritual abuse occur in churches, both large and small, urban and rural. The problem cuts across all economic, cultural and racial lines. It is real, and it appears to be increasing. Most annual conferences can cite specific incidents of child sexual abuse and exploitation within churches. Virtually every congregation has among its members adult survivors of early sexual trauma.

Such incidents are devastating to all who are involved: the child, the family, the local church and its leaders. Increasingly, churches are torn apart by the legal, emotional, and monetary consequences of litigation following allegations of abuse.

God calls us to make our churches safe places, protecting children and other vulnerable persons from sexual and ritual abuse. God calls us to create communities of faith where children and adults grow safe and strong.

*(From The Book of Resolutions of The United Methodist Church – 2004:  
copyright 2004 by The United Methodist Publishing House, pp. 201-202)*

Therefore, in covenant with all United Methodist congregations, the Alabama-West Florida Annual Conference adopts this policy and its accompanying procedures to demonstrate our absolute and unwavering commitment to the physical safety and spiritual growth of all our children, youth, senior citizens, and at-risk adults. Every congregation within the Alabama-West Florida Annual Conference is expected to uphold this policy as its minimum standard in establishing safe sanctuaries for all God's children.

**Statement of Covenant:** In all of our ministries with children, youth, and adults, we are committed to demonstrating the love of Jesus Christ so that each person will be "...surrounded by steadfast love, ...established in the faith, and confirmed and strengthened in the way that leads to life eternal" ("Baptismal Covenant II," *United Methodist Hymnal*, p. 44).

**Statistics from Safe Sanctuaries by Joy Melton:**

- The National Committee to Prevent Child Abuse, based in Chicago, IL, reports that in 1997 over 3,000,000 children were reported for child abuse and neglect to child protective service agencies in the U.S. That equates to one incident every ten seconds around the clock, seven days a week.
- Studies have estimated that 1 out of 3 girls is sexually abused before the age of 18. Similarly, studies indicate 1 out of 7 boys have been sexually abused before the age of 18. Even more frightening is that these numbers may be underestimated since many children are reluctant to report abuse.
- The National Committee for the Prevention of Child Abuse in the United States of America reports that 2000 deaths attributable to child abuse and/or neglect occur each year.

**Definitions of Abuse:**

- Physical abuse – abuse in which a person deliberately and intentionally causes bodily harm to a child.
- Emotional abuse – abuse in which a person exposes a child to spoken and/or unspoken violence or emotional cruelty.
- Neglect – abuse in which a person endangers a child's health, safety, or welfare through negligence.
- Sexual abuse – abuse in which sexual contact between a child and an adult (or another older and more powerful youth) occurs.
- Ritual abuse – abuse in which physical, sexual, or psychological violations of a child are inflicted regularly, intentionally, and in a stylized way by a person or persons responsible for the child's welfare.
- Abuse of vulnerable adults – ritual, emotional, or sexual abuse of any person over 19 years of age with physical, mental and/or developmental disabilities.

**The church at risk:**

In light of the statistics, it seems that any organization involved with

young people is a place where abuse could occur. Several factors make local congregations, districts, and annual conferences more susceptible to risk:

- Churches behave as relatively trusting organizations, relying upon their members and their leaders to conduct themselves appropriately. Sometimes this trusting attitude persists even in the face of questions or reports of misconduct.
- Churches are notoriously inactive when it comes to screening its volunteers and/or employees who work with children and youth. Often, no investigation is done at all before total strangers are welcomed aboard.
- Churches routinely provide opportunities for close contact and for close personal relationships with children. Indeed, these are nurtured and encouraged as we try to live out the gospel message.

#### **Consequences of abuse:**

- When one child is abused within a church or Christian program, many victims are created, including the child, the congregation, the child's family, and often the family of the abuser.
- The congregation becomes a victim after abuse is revealed and relationships are fractured. It may also suffer for a long time when civil or criminal litigation ensues as a result of the abuse.
- Of foremost importance is the child who has been harmed and for whom care must be provided.
- In addition, paragraph 2702 of the 2004 Book of Discipline names child abuse, sexual abuse, sexual misconduct, and sexual harassment as chargeable offenses for clergy and lay members.

No congregation or annual conference can afford, either financially, ethically, or morally to fail to implement strategies for the reduction and prevention of any and every kind of abuse. Therefore, it shall be the policy and covenant of the Alabama-West Florida Annual Conference of the United Methodist Church to do everything in our power to prevent physical, emotional or sexual abuse against children, youth, and adults with developmental disabilities involved in any ministry sponsored by the annual conference or in any of our local congregations.

Further, we are called to minister to those persons who are experiencing abuse and to those who have been victims of abuse in the past. To that end we covenant to be aware of our legal responsibilities and to comply with those responsibilities and go beyond those responsibilities when necessary to act justly in the best interest of those who have been abused or those who are most vulnerable to abuse.

Careful screening is the only way to prevent the abuse of children, youth and vulnerable adults. It can be time consuming and expensive, but well worth the effort and peace of mind that comes with having the most reliable, com-

mitted and experienced staff and volunteer in place for every program that involves children, youth and vulnerable adults.

Although it is our fervent hope and prayer that child sexual abuse does not occur in our programs, we must put into place sufficient mechanisms to reduce the risk of abuse of children, youth, and those who work with them. For that purpose, our ministries shall implement the following procedures in congregation, district, and conference ministry programs and events.

## **STANDARDS, CRITERIA, and RESPONSIBILITIES**

### **Minimum age**

The following standards for authority figures (whether volunteers or staff) are designed to separate authority figures from the group they are serving by age or enough years to reinforce recognition of the authority figure's role.

1. Authority figures – defined as the primary leaders of youth and children's activities
  - a. To work with youth (grades six and above), the authority figure must be a minimum of age 21 and at least four years older than the youth involved.
  - b. To work with children (infants-fifth grade), the authority figure must be a minimum of age 18.
2. Assistants – defined as persons who lend aid to the authority figure and act at the direction of the authority figure, including volunteers. Whether working with youth or children, assistants must be:
  - a. A minimum of 12 years of age and four years older than the participants, and
  - b. In the judgment of a staff member, competent to assist in the activity.
  - c. An assistant may not be counted as an adult in the child/adult ratios.
  - d. An assistant must lend aid with at least two authority figures present.

### **Two adult rule**

A minimum of two non-related adults are to be utilized in all programming with children, youth, and at-risk adults. When it is impossible to staff with two non-related adults, there must be an additional adult serving as a floater with visual and physical access to all areas.

### **Open-door policy**

Classrooms or child care rooms should be open to visitation at any time without prior notice by staff, parents, or other volunteers.

### **Six month rule**

It is highly recommended that a six-month rule be established in the selection of volunteers wishing to give service in the areas of children and youth

ministry. This means that all volunteers show evidence of membership in good standing in a local congregation or campus religious organization for a minimum of six months. Persons not meeting this minimum requirement may serve only in an assistant capacity with two other non-related adults.

### **Adult/Child ratios**

All ratios must be understood in light of first having two adults present at all times. Adults and authority figures should never be alone with a child or youth. This can include, but is not limited to an automobile while taking a young person home, a classroom with windowless or locked doors, or a cabin at camp.

State codes are required for day care centers and school-based programs and are a strong standard for all programs to follow. This includes Sunday school, mid-week, and summer programs.

#### *Alabama State Codes for child care ratios:*

- Birth to 18 months – 1 Adult to 5 Children
- 18 months to 2 ½ years of age – 1 Adult to 7 Children
- 24 months to 36 months of age – 1 Adult to 8 Children
- 2 ½ year to 4 years of age – 1 Adult to 11 Children
- 4 years of age to school age – 1 Adult to 18 Children
- School age to 8 years of age – 1 Adult to 21 Children
- 8 years of age and older – 1 Adult to 28 Children

**Note: For more information contact the Alabama Department of Human Recourses.**

#### *Florida State Codes for child care ratios:*

- Birth to 1 year – 1 Adult to 4 Children
- 1 to 2 years of age – 1 Adult to 6 Children
- 2 to 3 years of age – 1 Adult to 11 Children
- 3 to 4 years of age – 1 Adult to 15 Children
- 4 to 5 years of age – 1 Adult to 20 Children
- 5 years and older – 1 Adult to 25 Children
- Mixed Age Groups:
  - o When children 2 years of age and older are in care, the staff-to-children ratio shall be based on the age group with the largest number of children within the group.
  - o In groups of mixed age ranges, where children under 1 year of age are included, one staff member shall be responsible for no more than 4 children of any age group.
  - o In groups of mixed age ranges, where children 1 year of age but under 2 years of age are included, one staff member shall be responsible for no more than 6 children of any age group.

**Note: For additional information contact the Florida Department of Children and Families.**

Participants who are physically or mentally impaired:

- Those needing constant and individual assistance or supervision – 1 leader to 1 participant
- Those needing close, but not constant, assistance or supervision – 1 leader to 2 participants
- Those needing occasional assistance – 1 leader to 4 participants
- Those needing minimal assistance – 1 leader to 5 participants

### **Overnight programs:**

Overnight events include summer camps, retreats, mission trips, lock-ins, or any event that extends through the evening. The adults staying with the young people must always be the same gender as the young people. The adults must never share a bed with a young person and should not be alone in the room with a young person at any time.

- Grades 1-3 – 1 adult to 8 young people
- Grades 4-8 – 1 adult to 10 young people
- Grades 9-12 – 1 adult to 12 young people

### **Motel/hotel settings**

A hotel should be selected that has rooms opening to the interior (i.e. closed hallway) of the building. Where possible, select adjoining rooms on a single hallway.

- When two adults cannot be assigned to a room housing youth, the youth should be roomed separately from the adults. If adjoining rooms are available with doors that can be left in the open position, a single adult in each of the adjoining rooms is acceptable.
- An adult should not share a bed with a young person.
- Where adults need to be assigned to separate rooms, it is recommended that one adult room be located between every two youth rooms on the hall.
- Adults should develop a rotating schedule allowing for the hallways to be monitored throughout the night.
- If room checks are needed, they should involve two adults of the same gender as the room residents.

### **Transportation**

- All drivers should be screened in the same manner as other leadership for an event including a review of their motor vehicle record.
- When private vehicles are used to transport young people for programmed church-related events, leaders should ensure that appropriate insurance is being maintained by both the church and the private driver.
- All drivers must be 21 years of age or older.
- Where possible, it is recommended that two adults be placed in each vehicle or the vehicles teamed in minimum groups of two that stay together at all times.
- The trustees or bus committee should be requested to establish safety policies and guidelines for the operation of church-owned

vehicles. These should be strictly followed at all times.

- On all planned trips, a signed, notarized permission slip should be on file. In the absence of such a form, the adult should call a parent or relative to pick up the child.
- Adults should make every effort not to transport a young person unless a second adult is in the vehicle with them.

### **Mentoring**

Mentoring programs or other efforts to pair young people with caring adults are often credited with being the key to a young person's success in life.

Therefore, mentoring programs should follow these guidelines:

- Provide basic screening and background checks for all adults who will be working with children and youth.
- Establish clear written guidelines for settings, boundaries, and the environment where the mentoring will occur.
- Providing training for all adults (or youth, if they will be working with children) who are interested in being mentors.
- Make it clear that all persons are expected to following congregation and conference guidelines for reducing the risk of abuse.
- Outings should be in public places with routes and time frames agreed upon in advance, and know to all. Outings with several mentors and young people are preferred.
- One-to-one mentoring or tutoring should take place in a group setting, such as one large room rather than individual rooms spread throughout the church building.

### **Counseling**

At any counseling session with children, youth, or adults, the door of the room used should remain open for the entire session. Ideally, the session will be conducted at a time when others are nearby, even if they are not within listening distance. A counseling session should never be held in secret, even if the person being counseled makes that request.

Whenever someone seeks counseling, it is important to determine in the initial meeting if the counselor is actually qualified to address the needs effectively. If not, the person should be referred to another counselor.

### **Interpersonal boundaries**

Adult workers with youth and children must be attentive to:

- Appropriate dress codes
- Appropriate use of language
- Appropriate demonstrations of affection and encouragement. (i.e. An adult leader should never initiate a hug and should always be the one to end the hug.)

### **Home visitation**

When visiting a young person in their home, the two non-related adult rule still applies. If a young person drops by the home of an adult volunteer or staff person, the visit should be conducted in the front yard or moved to a local restaurant. Educating young people of these requirements before they visit is most beneficial.

### **RECRUITING, SCREENING, AND TRAINING**

#### **Recruiting and screening volunteer and paid staff**

- A. All persons employed or volunteering in a supervisory capacity for children/youth shall:
  1. Be at least 21 years of age (in certain circumstances such as Blue Lake camps, 18 years shall be the acceptable minimum age when combined with adequate training in the conference policies and procedures and competent oversight by a qualified adult such as the camp director, pastor, or conference staff.)
  2. Complete Application/Commitment Form. (sample form available)
  3. Provide three character references. It is recommended that the three references be contacted on all applicants having access to children, youth and vulnerable adults.   4. Be interviewed by the director of the ministry or program. (sample form available)
  5. Consent to the following background checks:
    - a. Multi-state criminal and sexual offender check based on social security number
    - b. Motor vehicle records (for those who will be transporting children, youth or at-risk adults)

The annual conference will run the background checks through the Trak-1 company. The records will be maintained at the conference office. A background check is valid for four years. If the individual changes physical addresses, the checks must be run again. Individuals participating in the congregational life of the congregation seasonally or with conference events without being an active member of the congregation, background checks should be done on an annual basis. Details about running background checks are found in the appendix. (request form available)

  - 3. Complete a basic orientation/training provided by the director or other supervisor before working.
- D. Unfavorable background checks or a refusal to complete the screening procedures:
  - 1. Volunteers or Staff (other than clergy):

    - b. The pastor and pastor-parish chairperson shall meet with the person to discuss the report.
    - c. Review process may consider the following factors:
      - 1) The nature and seriousness of the crime
      - 2) The relationship of the crime to the purpose of the congregation
      - 3) The age of the person at the time of the commission of the crime
      - 4) The time elapsed since the person's crime
      - 5) Any charge that deals with sexual abuse or child abuse shall prevent the person from working with children and/or youth.
    - d. Documentation of action taken should be placed in the person's file.
  - 2. Clergy Persons:
    - a. The district superintendent shall send a "Notice of unfavorable background check" form to the clergy person.

    - c. The district superintendent shall follow disciplinary guidelines in handling the report.
    - d. A letter shall be placed in the clergy's personnel file reporting the action taken.

### **Training staff and volunteers**

The church should ensure that regularly scheduled (i.e., at least annual) training focused on current issues of child protection is available to and received by those working with children and youth. Attendance at this training should be required of all paid staff members and adult volunteers who work with children and/or youth. Documentation of attendance should be kept from year to year so that if an incident occurs, the church has proof that they followed the policy. (Note: Many insurance companies are mandating training and its frequency.)

The training should include:

1. The definitions and signs of child abuse.
2. The church's policy and procedures on child abuse and the reasons for having them.
3. The need to maintain a positive classroom environment, including appropriate discipline and age-level characteristics.
4. The appropriate behavior for teachers and leaders of child/youth events.
5. Child abuse reporting responsibilities and procedures.
6. Definitions of appropriate interpersonal boundaries (ways of touching students, appropriate language, etc.)
7. All forms used by the church for application, background checks, reporting, and teacher files.

### **REPORTING ABUSE**

#### **Reporting abuse or alleged abuse in Alabama:**

Alabama's mandatory child abuse and neglect reporting law states that all school teachers and officials, social workers, day care workers or employees, mental health professionals, members of the clergy as defined in Rule 505 of the Alabama Rules of Evidence, or any other person called upon to render aid or medical assistance to any child, when the child is known or suspected to be a victim of child abuse or neglect, shall be required to report, or cause a report to be made of the same, orally, either by telephone or direct communication immediately, followed by a written report, to a duly constituted authority. When an initial report is made to a law enforcement official, the official subsequently shall inform the Department of Human Resources of the report so that the department can carry out its responsibility to provide protective services when deemed appropriate to the respective child or children.

#### **Reporting abuse or alleged abuse in Florida:**

All cases of suspected abuse must be reported to the Florida Abuse Hotline. Initial reports should NOT be made to the county/local branch of the Florida Department of Children and Families. The Florida Abuse Hotline may be reached at **1-800-96-ABUSE**. Reports may be faxed in, however, the preferred option for the Florida Department of Children and Families is for persons to call the Florida Abuse Hotline and talk to a Hotline counselor.

### IMPLEMENTATION IN THE ANNUAL CONFERENCE

The key to implementing a Safe Sanctuaries policy in our annual conference is communication with each congregation and conference agency regarding (1) the need for a policy, (2) to whom the policy applies, and (3) how it will be implemented. The Safe Sanctuaries policies will be enforced by a board nominated by the Conference Committee on Nominations of the annual conference. A form will be submitted with the charge conference packet to ensure that each congregation is actively providing a Safe Sanctuary for every age group.

#### I. Create an ongoing "Safe Sanctuaries board."

##### A. Possible Members

1. Representative of the conference staff
2. Representative of the Blue Lake program staff
3. Representative from the conference youth program
4. Representative from Noah's Ark
5. Representative from the Board of Ministry
6. Representative of the Board of Trustees
7. A District Superintendent
8. Conference chancellor
9. One or two members at large

- B. See section on "Duties of the Safe Sanctuaries board" for specific responsibilities.

#### II. Develop a policy

This document is the organizational policy for the protection of children, youth and at-risk adults. It should be evaluated at least every four years to ensure that it maintains its effectiveness. At a minimum, the policy should include a brief theological statement, definition of child abuse, a strong statement that abuse will not be tolerated, standards to be followed, a commitment to investigate any and all allegations of abuse, and a place for alleged incidents of abuse to be reported. It must also comply with state laws and insurance requirements.

#### III. Educate the congregations and conference agencies

Congregations and conference agencies should be sent a letter stating that the policy has been adopted by the annual conference and explaining the need for the policy in the letter. The congregation will be required to submit a form with their charge conference materials documenting their compliance with this policy.

#### IV. Screen all staff and volunteers

- A. Implement a process for recruiting, screening and hiring workers (paid staff and volunteers) who will work with children and youth in annual conference programs. A thorough screening process for staff (including clergy) and volunteers will:

1. deter persons who engage in predatory behavior from applying for a position,
  2. identify possible predators,
  3. show the church's commitment to protecting children and youth
- B. Always check prior employment and references. The screening process should include an application with information on previous employers, references and church affiliation. Make sure each source is contacted and information on each contact is in the staff/volunteer "personnel" files. (sample form available)
- C. Conduct background checks on:
1. Multi-state criminal and sexual offender check based on social security number
  2. Motor vehicle records (for those who will be transporting children, youth or at-risk adults)

V. Formally train the volunteers and staff

All workers (staff and volunteers) should be required to attend training annually on the Safe Sanctuaries policies, procedures and expectations for working with children and youth (i.e. two adult rule, four year older rule, sign in and sign out sheets, what to do if an accident occurs, reporting an alleged incident of child abuse, information on state child abuse laws, and the like).

The annual conference board will offer training annually for clergy and local church leaders to enable them to conduct training events in their local congregations.

VI. Meet the standards as described in this policy.

VII. Reporting an incident

1. If an incident should happen at or during a conference sponsored event, the following persons are to be notified.
2. Director of the event or staff person relating to the event
3. District Superintendent
4. Conference Treasurer
5. Director of Connectional Ministries
6. Director of Communications
7. Bishop

Once the report is made to the above persons, the Conference Crisis Plan will take affect.

**IMPLEMENTATION IN THE LOCAL CHURCH**

The key to implementing a Safe Sanctuaries policy in a local church is communication with the congregation regarding (1) the need for a policy, (2) to whom the policy applies, and (3) how the congregation plans to implement it. It is recommended that the policy be enforced by a board nominated by

the Lay Leadership Committee and the Administrative Council.

I. Create an ongoing “Safe Sanctuaries board”

A. Possible Members

1. Pastor
2. Staff Parish Relations committee member
3. Trustees Board member
4. Children’s ministries coordinator
5. Day Care Director (if applicable)
6. Lay Leader
7. One or two members at large
8. Lawyer

B. See section on “Duties of the Safe Sanctuaries board” for specific responsibilities.

II. Develop a policy

Implement an organizational policy for the protection of children and youth. At a minimum, the policy should include a brief theological statement, definition of child abuse, a strong statement that abuse will not be tolerated, standards to be followed, a commitment to investigate any and all allegations of abuse, and a place for alleged incidents of abuse to be reported. Also, be sure to check conference policies and procedures, state law and the requirements of the insurance carrier. In writing a policy for a local congregation, language may be borrowed from this document.

III. Educate the congregation.

- A. Send a letter to the congregation stating that the policy has been adopted by the Annual Conference; explain the need for the policy in the letter.
- B. Have the board chairperson speak about it from the pulpit.
- C. Send a synopsis of the policy to the members of the church.

IV. Screen all staff and volunteers

- A. Implement a process for recruiting, screening and hiring workers (paid staff and volunteers) who will work with children and youth. A thorough screening process for staff (including clergy) and volunteers will:
  1. deter persons who engage in predatory behavior from applying for a position,
  2. identify possible predators,
  3. show the church’s commitment to protecting children and youth
- B. Always check prior employment and references. The screening process should include an application with information on previous employers, references and church affiliation. Make sure each source is contacted and information on each contact is in the staff/volunteer “personnel” files.
- C. Conduct background checks on:

1. Multi-state criminal and sexual offender check based on social security number
  2. Motor vehicle records (for those who will be transporting children, youth or at-risk adults)
- D. Prior to beginning the screening processes, have a question and answer time about the implementation procedures. This might be led by someone from Human Resources, Child Protective Services, or a day care center director.
- E. Provide time after an educational event for new people to receive their screening packets and ask questions about filling out the applications.

V. Formally train the volunteers and staff

All workers (staff and volunteers) should be required to attend training annually on the church's policies, procedures and expectations for working with children and youth (i.e. two adult rule, four year older rule, sign in and sign out sheets, what to do if an accident occurs, reporting an alleged incident of child abuse, information on state child abuse laws, and the like).

VI. Meet the standards as described in this policy

VII. Other issues to consider:

**Make the physical setting safe and conduct periodic safety inspections.** For example:

- a. All classroom doors should have windows or a half door; if an office does not have a window in the door, the door should remain open during counseling sessions or private meetings.
- b. The bathrooms should not be isolated or far removed from classroom/play areas.
- c. Hall monitors should patrol the halls during programs.
- d. Sign in/out procedures can be helpful, especially for younger children (age 10 and younger).
- e. All other aspects of safety should be considered as well to minimize the risk of serious injury when accidents occur.

**Communicate regularly with parents.**

- a. Provide advance notice and full information/disclosure about events and activities, with written permission forms and information on who will be supervising and working with the children and youth.
- b. Give information to families about the church's policies and procedures for preventing child abuse.
- c. Encourage parents to communicate with someone in authority about any concerns, fears or worries about their children and/or a volunteer or staff person.
- d. Know the church's families.
- e. Be prepared for how to handle sensitive and confidential matters with families and concerned church members.

**Maintain adequate liability insurance coverage.**

- a. The coverage must apply to all the different activities of the church, at and away from church premises.
- b. The church should work with a knowledgeable insurance agent who knows the needs of a church.
- c. Remember, too, that the least expensive insurance may have significant gaps in coverage.
- d. The church should understand what coverage they have for sexual misconduct.

**Be prepared for the worst at all times.**

- a. “This is our church; it won’t happen here” is a naïve viewpoint that can create an environment open to problems. Opportunities for accidents and abuse happen more frequently when prevention steps are not in place. Also be prepared for the worst, and never make assumptions about what might or might not happen in a church.
- b. This also means being prepared with a plan for responding immediately to allegations of abuse, including state reporting obligations.

**Always remember that this is a Church!**

- a. The Church is a sanctuary. Churches make a commitment to protect children each and every time a child is baptized.
- b. Churches should be role models in the community for the time and attention given to the care of children and youth.

**Keep the records safe and secure.**

- a. Limit the number of persons who know the outcomes of the background and criminal checks to the appointed clergy person, the Safe Sanctuaries committee chairperson, and perhaps one other designee.
- b. Copies of the applications and the actual reports should be “double locked” - locked file cabinet in a locked office.

**No Exceptions!**

- a. No one is exempt from the screening, even the woman who has been working with children for many years.
- b. The key to explaining this need is the reality that the procedure is designed to protect not just the children, but also the adults from false accusations.
- c. Another key to explaining this need is that if all current staff and volunteers are properly screened, then new staff and volunteers more readily understand the need.

**DUTIES OF THE SAFE SANCTUARIES BOARD**

Each church should implement this policy either through a Safe Sanctuaries board or through the Board of Trustees. For those churches that elect to

appoint a Safe Sanctuaries board, the board should be nominated by the Lay Leadership committee with input from the Staff-Parish Relations committee. The following are the duties of the Safe Sanctuary board:

- A. Meet at least twice per calendar year.
- B. Report directly to the Administrative Council or governing body of the congregation.
- C. Educate the congregation:
  1. Formally educate all volunteers and employees annually.
    - a. This may require multiple training sessions to reach everyone each year, especially for seasonal workers (VBS, new staff, coaches, etc.).
    - b. See "Educational Component" of Safe Sanctuaries policies for a suggested training program
    - c. The sessions should be lead by a member of the board.  
Assistance may be provided by:
      - 1) A social worker of counselor from the Department of Children Services.
      - 2) A counselor, principal, social worker, or other trained professional from within the congregation or community.
  2. Educate all children and youth about signs of abuse and how to respond to abuse.
  3. Educate your congregation annually about the contents of the policy and why it is necessary.
    - a. Use the church newsletter, web-site, mailers, etc.
    - b. Include the policy in new member orientation classes.
    - c. Focus on the policy during Child Abuse Prevention Month (April).
    - d. Provide a description of the policy in youth and children brochures and resource packets generally made available to Sunday school classes, choir, parents, etc.
- D. Ensure compliance with the policy.
- E. Fill out annual Charge Conference report in partnership with the pastor.
- F. Be available to answer questions about the policy.
- G. Grant temporary exceptions to the policy when they are appropriate and necessary.
- H. Review and renew the policy annually.
- I. Evaluate board functions.
- J. Assist with investigations, if necessary.
- K. Review insurance compliance.
  1. Check the church's liability coverage.
  2. Make sure all employees and volunteers are protected in the coverage.
  3. Serve as the congregation's liaison with insurance agent and attorney to review coverage, maintaining records of all efforts the church makes to reduce the risk of abuse.
  4. Be aware of whether the policy requires background checks,

- yearly training, etc.
- L. Know the child intervention resources in the area and make that information available to your church.
1. National Child Abuse Hotline 1(800) 4-A-CHILD
  2. Florida Child Abuse Hotline 1(800) 96-ABUSE
  3. Alabama residents should call the National Hotline
  4. County Department of Human/Children Services
  5. Area Child Protective Services
  6. National Committee for the Prevention of Child Abuse 1(312) 663-3520
  7. Parents Anonymous 1(800) 421-0353
  8. Alabama Sex Offender Registry

  9. Florida Sex Offender Registry [www.flsexoffender.net](http://www.flsexoffender.net)
- M. Other duties, as needed.

### **EDUCATIONAL COMPONENT**

Implementing a comprehensive strategy for the prevention of abuse in a local church must be accompanied by a substantial amount of education being provided for the workers with children and youth, the parents of children and youth, the congregation, and the children and youth themselves. This model is designed to be used as a three or four hour workshop and should be adapted for the target audience. It should be offered periodically throughout the year and any time new volunteers are beginning service in the congregation.

#### **I. Opening Worship**

- A. Prayer of invocation – Gracious and most merciful God, you have brought us together in witness to your love for all children. Open our hearts and minds in this moment and prepare us to receive your message. Show us your will and fill us to overflowing with courage to face the reality of abuse within our midst. Give us energy and dedication enough, to make this, your church, a holy and hallowed place where all your children may be safe and secure as they grow in faith and in their knowledge of your presence in their lives! Amen.
- B. Suggested scriptures:
1. Exodus 22:21-23 – You shall not wrong or oppress a resident alien, for you were aliens in the land of Egypt. You shall not abuse any widow or orphan. If you do abuse them, when they cry out to me, I will surely heed their cry.
  2. Matthew 19:14 – Jesus said, “Let the little children come to me, and do not stop them; for it is to such as these that the kingdom of heaven belongs.”
  3. Luke 9:46-48 – An argument arose among them as to which one of them was the greatest. But Jesus, aware of their inner thoughts, took a little child and put it by his side, and said to them, “Whoever welcomes this child in my name welcomes me, and whoever welcomes me welcomes the one who sent me; for the least among all of

you is the greatest.”

- C. Brief devotion – Begin by recalling the baptismal ritual for children, reminding the participants of the pledge made by the congregation at each child’s baptism. Acknowledge and list the many ways your congregation lives out that pledge through its current ministries. Conclude by introducing the safe sanctuaries policies as the newest component of your church’s ministries with children and youth.

## II. Introductory information

- A. Current occurrences – Set the stage here for the substance of the event by introducing recent news reports from your own community’s newspapers or television broadcasts related to incidents of abuse of children, youth, or the elderly in any locations or institutions. Also, at this time, present the material related to any current litigation involving the church or claims of abuse.
- B. Current statistics – Quote the statistical information from the conference Safe Sanctuaries policy or from other sources available to you. Emphasize the fact that two million annual incidents translates into one incident of abuse every fifteen seconds.
- C. Reasons to implement an abuse strategy:
  - 1. Our church is a community of faith that can offer a safe haven and sanctuary where children, youth, and adults can seek advice, help, and nurture.
  - 2. Our church is a place where more than just facts of abuse can be taught. We can also teach and proclaim our Christian values: compassion, justice, repentance, and grace.
  - 3. Our church is the place where all can come to learn and develop the inner strength and spiritual resources they will need to feel truly connected to God and to face suffering and evil.
  - 4. Our church can be the place where children and adults are able to learn how to respond to painful and confusing events using the wisdom of the Scripture.
- D. Summarize – These reports and data demonstrate that we cannot ignore the possibility that abuse could happen here. For the sake of our children and youth and the protection of our workers against false allegations, we need to intentionally work to prevent abuse.

## III. What is abuse and how can we recognize it?

Use the information from the ‘Our Mandate’ section of this policy to give the definitions of abuse.

## IV. Who are abusers?

Abusers of children and youth are more often than not familiar adults trusted by others. Less than twenty percent of child abuse is perpetrated by strangers. Just as victims of abuse come from all segments of society, abusers can be from any racial, ethnic, economic, and social group. They will come into contact with their victim through their work in ministry or through their association with the congregation.

V. What are we doing to keep at-risk individuals and our workers safe?

Present the new policies and procedures for offering a safe sanctuary for all people. Give participants time to read the policies and review the forms. Allow time for questions and discussion as you review each section with the group.

- A. Screening of staff: employees and volunteers – Use your own policies and the information in this conference policy for the substance of this section. Provide copies of all screening forms, application forms, covenant forms, consent forms, and position descriptions. Allow time for a review of each form and for questions from the participants.
- B. Training of staff: employees and volunteers – Use your policies and the information in this conference policy for the substance of this section. Be thorough in reviewing all of the safety procedures, and allow time for questions.
- C. Reporting suspected abuse – Use your policies and the material specific to your state to explain the reporting procedures developed for your church. Explain the policy, the procedure for making a report, and the concept of confidentiality.
- D. Completing the task – If this is the first occasion the workers have had to see and review the screening, application, and position description forms, you may need to allow time for each of them to complete the forms.

VI. Closing worship

- A. Covenant forms – Distribute covenant forms to the participants.  
Invite people to celebrate the church's commitment to protecting vulnerable individuals and those who work with them by completing a covenant form. (sample form available)
- B. Read Luke 9:46-48 and sing "Jesus Loves Me."
- C. Offering of covenant forms – Ask the participants to bring forward their signed covenant forms as a sign of offering themselves in ministry. Sing the Doxology.
- D. Benediction – May the grace of the Lord Jesus Christ, the love of God, and the power of the Holy Spirit guide and direct you in all you do. Amen.

**SAFE SANCTURIES BACKGROUND CHECKS**

The Alabama-West Florida Annual Conference has signed a contract with Trak-1 to provide background checks for all conference programs and local congregations. The procedure to conduct a background check is:

1. Ask the volunteer or staff person to complete the request form. This involves their full legal name, physical address, birth date, and social security number with an authorized signature. If the individual is reluctant to give the church representative their social security number, they may mail it directly to the designated staff person at

- the conference office.
2. The local congregation will mail the request form along with a check payable to the *Alabama-West Florida Annual Conference* to the designated staff person at the conference office. The 2007 cost is \$9.00 for a basic check that would involve a social security number check and a multi-state criminal and sexual offender check or \$14.50 for a social security check, multi-state criminal and sexual offender check, and a motor vehicle records check. The motor vehicle check should be run on anyone who will be transporting children, youth, or at-risk adults in church vehicles or their personal vehicles.
  3. The conference staff person will contact Trak-1 to run the check. Estimated response time is 1-3 days for the results. The results of the background checks will be maintained in a confidential file in the conference office and at Trak-1.
  4. The conference staff person will inform the church representative in writing of the results of the background check. Details of an unfavorable report will not be shared without the consent of the person involved.
  5. It is recommended that churches pay for the background checks to encourage volunteer participation.
  6. A background check is valid for four years unless the individual changes physical addresses. For those who serve the church on a seasonal basis and are not active in any other manner, a background check is requested to be done annually. A background check being held by the annual conference may be used by multiple congregations or conference programs.

## **REPORT NO.9 – CONFERENCE - WIDE INSURANCE PROGRAM (UNITED METHODIST PROPERTY AND CASUALTY TRUST)**

In recent years the leadership of the conference began to realize the inadequacies of the insurance coverage of some of our churches. The trustees

began investigating insurance issues in the annual conference. They found that the cost of such insurance had increased over time resulting in a shift of dollars away from mission to administration, a reduction in some coverage and limits; and restriction on ministry through a loss of or inability to obtain or afford coverage for some risks and/or some United Methodist entities.

As a result they have also grown increasingly concerned with the increasing cost of property insurance in our costal counties and our vulnerability in today's litigious society. The learnings from this investigation revealed the difficulties experienced by two annual conferences of the United Methodist Church that have been financially devastated by multi-million dollar legal judgments in the past two years. The Alabama – West Florida conference trustees desire to do everything possible to keep our churches out of harm's way and to enhance our protection of ministry and mission.

In 2002 the Board of Trustees began exploring various insurance options for conference properties and insurance issues facing local churches in our conference. This examination of risk exposure led to further evaluation of the property and liability insurance needs of our churches. The results of this exploration revealed inadequacies in liability coverage for various things such as misconduct, workers' compensation, automobiles, and the unavailability of coverage for non-traditional church activities. In addition to dramatically escalating cost, churches of all sizes have experienced difficulties getting insurance and several have been non-renewed.

At the same time, in 2002, the General Council on Finance and Administration began to evaluate the United Methodist Insurance Program and consider alternatives. A lengthy process led to the creation of the United Methodist Property and Casualty Trust (PACT) on January 1, 2005. PACT is a not-for profit, annual conference owned, "all-lines captive insurance company." It offers a full line of coverage and like for-profit insurance companies make use of reinsurance partners.

The trustees compared what is available through standard insurance providers and what has been accomplished with the creation of the PACT. The trustees believe that PACT best addresses realistic limits of coverage. The PACT rates were comparable to premiums currently being paid to companies providing less coverage. Being a United Methodist-owned regulated insurance company that insures only United Methodists means the risk assumed are only those of our church and not of our sister churches of other denominations. Being United Methodist-owned means PACT will be tuned to the needs of the annual conference, its agencies and local churches, understand church polity, and allow United Methodists to supervise and control litigation.

In September 2006 the Board of Trustees joined PACT by insuring all of the annual conference property and operation.

The Board of Trustees, after debate and deliberation, recommended that a conference wide program be proposed for approval at the 2007 Alabama-West Florida Annual Conference. This decision was reached after studying the benefits of such plan. Conference-wide coverage allows for the certainty of knowing every church is protected with adequate limits of coverage, that the potential for “divide and conquer” litigation techniques of settling with one party to fund litigation against the other can be eliminated and the risks and exposures are by the insurer – all of which provides for premium stabilization. Furthermore, conference-wide coverage will allow for the placement within this annual conference of risk management personnel to service the needs of the subscribers.

In December the chair of the Trustees, PACT’s Chief Executive Officer and PACT Service Center Staff presented a program overview to the bishop and cabinet. As a result of this meeting the bishop and cabinet endorsed the trustees’ proposal and began planning for a conference wide learning sessions in each of the districts.

*Why PACT?*

- Not-for-profit, annual conference owned
- We pay only United Methodist losses (get our churches out of the same risk pool as other denominations and other not-for-profits)
- Accumulated surplus and traditional insurance expenses like commissions will returned to the annual conference and its local churches
- Focus on ministry protection (risk management)

*Why a conference-wide property and liability insurance program?*

- Every church is insured.
- Every church has adequate coverage.
- Protects us all from liability for our sister churches
- Costs will be stabilized in the early years.
- Costs will be reduced over time.

*Bottom-Line on Cost*

- Premium should be no more than what churches are paying today for similar coverage
- Improved coverage customize to ministry
- Projected cost savings after the first five years

Although the cost of insurance through PACT is influenced by the same general market shifts that affect the pricing of for-profit insurers, PACT can minimize the impact of such general market shifts over time and return dollars to conference and local church ministry in ways that a for-profit carrier cannot.

The program will be administered by the AWF Fiscal Office and the PACT Service Center. The staff will eventually focus primarily on ministry protection (risk management) efforts under the direction of the Board of Trustees with guidance from the PACT Director of Ministry Protection. Conference staff will also provide routine, first-line interpretive assistance to churches; collect the required initial application form; coordinate volunteer appraisal assistants who will work with churches whose property values are less than \$10 million; receive changes, additions and deletions to be forwarded to the PACT Service Center; do the necessary billing and collecting of premiums; advocate for churches to PACT or the carriers as needed; and provide other administrative efforts as required.

The program will be governed by an insurance sub-committee of the Conference Board of Trustees with Cabinet and Council on Finance and Administration representation. In addition, the AWF Treasurer/Director of Administration and the AWF Chancellor will be ex-officio members of the committee with vote. The committee will report regularly to the AWF Trustees, CF&A and Cabinet.

The use of the ministry protection fee (risk management fee, commission) paid by PACT, will be determined by the Insurance Committee. It is anticipated that an appropriate amount will be retained by the AWF Fiscal Office for administrative and ministry protection staffing. If the Insurance Committee determine that there are surplus funds after meeting administrative and ministry protection needs, the fees will be applied to the required capitalization costs on a pro rata basis in order to reduce future premiums. The goal for the management of this fee is to maximize the return of premiums to the churches. When surplus is returned to the annual conference by PACT, the Committee will determine how that surplus will be returned to the churches as future or support a reduction of premiums.

The Board of Trustees recommends the adoption of the resolution to establish UMPACT as the conference-wide insurance carrier for all of the churches and ministries of this annual conference.

All Alabama – West Florida churches will enter PACT on January 1, 2008, and will be helped in canceling coverage with carriers and in securing return of any unearned premium.

The Board of Trustees and the Treasurer/Director of Administration are authorized to execute any related documents necessary to implement the conference wide insurance program.

President  
Conference Board of Trustees

## PASTORAL CARE, COUNSELING AND TRAINING

Pastoral Care, Counseling, and Training (PCCT) is a ministry that serves the clergy and diaconal ministers and their families by offering subsidized Christian counseling and continuing education events.

The subsidized counseling is provided by a network of Christian counselors who have agreed to a designated number of counseling sessions at a reduced fee. Clergy and diaconal ministers and their immediate families may obtain this service by contacting Rev. Stephen T. King or Zanatta Hagan at the PCCT office at 800-258-6474. At this time, approved counselors and subsidy information is provided and the highest degree of confidentiality is maintained at all times.

During the year 2006, PCCT assisted with 222 counseling sessions for 25 clients (includes individuals and families), contracting with 22 counselors on the network of 70, and subsidized \$15,157 for this counseling. Assistance was provided to the Board of Ordained Ministry by subsidizing recommended psychological testing. PCCT has also worked with the Cabinet in scheduling Sexual Ethics in Ministry workshops for all clergy to attend as a mandatory requirement. The workshops for 2006 were offered at Jackson FUMC, Jackson, AL, and Harvest Church, Dothan, AL, with .5 CEU, and were facilitated by Rev. Danny Doss, Pastoral Counselor at Christ UMC in Mobile, AL. Rev. Doss is an ordained minister of the AL-West FL Conference. The year 2006 completed the first three year requirement period of attendance for clergy and 2007 will begin the second three-year requirement period. PCCT will continue to schedule these workshops and will also offer a financial workshop in 2007 to assist clergy with budgeting, taxes, and retirement planning.

PCCT continues to offer services of confidential counseling and growth enrichment opportunities for ministers and their families. The counselor network is available to all clergy as a referral source for their church members.

The services of PCCT are geared to crisis intervention, but prevention remains a key goal. The Board continues to work with the Clergy Wellness Forum to improve upon the opportunities offered to our clergy.

## METHODIST HOMES FOR THE AGING

For years people have viewed retirement living, assisted living and nursing homes as places where the elderly go to die, not live. At Methodist Homes our efforts to change that perception continues to be of great importance. We, as a part of the culture change revolution, commit ourselves to provide an antidote to the isolation and de-humanizing environments that so often comprise institutional care. Residents need to live where they can learn, grow, live full lives and receive person-directed care. Plans are underway to change our homes in Birmingham and Dothan to provide facilities that will address the needs of seniors today and for years to come. The fifty acres at Fair Haven in Birmingham and the twenty acres at Wesley Manor in Dothan will be developed to provide new programs of care and accommodations for residents. To meet the culture change, the Fair Haven and Wesley Manor expansions would include new garden homes, new assisted living rooms, new specialty care assisted living rooms and new health care rooms. The health care areas will be patterned after a new concept called "households" which provide more private rooms in a community environment. Fair Haven would add a gated community with new apartments and include a Wellness Center with a swimming pool.

This year at Fair Haven we have entered into a relationship with the University of Alabama at Birmingham Center for Aging. This is another part of the culture change that is taking place and will provide a new and better opportunity for our residents. The Certified Geriatrician who serves as Fair Haven's Medical Director will be responsible for training new Geriatricians. Due to this new relationship, a clinic is now available to the residents.

The staffs at our twelve homes in both conferences are well aware of the changing needs of a growing and aging population. They understand that our homes must provide more than just a place to stay. Through activity programs, resident involvement and participation as well as improvements to our homes, we are committed to making life better for our seniors.

As we continue to enhance our programs and physical facilities we must also continue our awareness that many residents are living longer than their resources are lasting. For this reason we must increase our efforts of securing the necessary financial support for the Fountain of Love Program that provides assistance to them. Our mission is to provide a home for residents regardless of their ability to pay for their care.

Letters from the family members of residents receiving assistance demonstrate the significant difference the Fountain of Love Program is making in peoples lives. One family member writes, "I received your "Life Changing" letter with a sigh of relief and total joy and so much appreciation to you and the Board. My brother and I, along with our families also give thanks to the

Lord for this expression of goodness and love to us and our mother. We will do what we can to help keep the "fountain flowing." ...My mother, a lifelong Methodist, will also be forever grateful."

Another family member writes, "My wife and I would like to take this opportunity to thank you and the Board for accepting Mother into the Fountain of Love Program. I am so glad that we have found a christian home for Mother." It has been said that, "We must not, in trying to think about how we can make a difference, ignore the small daily differences we can make, which, over time, add up to big differences that we often cannot foresee." Our Methodist Homes must, to the best of our ability, position itself in this new culture to make a difference in the lives of our seniors - both for today and for future generations.

Thank you for supporting this significant ministry with your prayers and your gifts.

President & CEO

## PASTOR'S ASSEMBLY

Pastor's Assembly provides the unique opportunity for pastors of this conference to share in a time of both fellowship and learning. Through participation in worship and training sessions, clergy are able to sharpen their pastoral skills while nurturing their spiritual life.

The 2006 Assembly held at Blue Lake Assembly in September featured Rev. Michael Bowie, teaching pastor at Ginghamburg Church in Tipp, Ohio. During his time with us, Mike passionately challenged, motivated, and encouraged the assembly attendees while stressing the importance of good stewardship of all God's resources. Those attending assembly also had the wonderful opportunity to participate in small group sessions led by Frederick Outlaw, Paul Nixon and Hiram Johnson. These break-out sessions focused on the Bible, preaching, and issues involving guilt and shame (subject of Hiram Johnson's book). This variety of plenary and breakout sessions was well received by those attending.

The 2007 Pastor's Assembly is scheduled again in September with a two-day format. We look forward to welcoming Drs. Anne and Ed Wimberly as our plenary speakers this year. Dr. Ed serves as Executive Vice President/Provost and professor of Pastoral Care and Counseling at the Interdenominational Theological Center in Atlanta, Georgia. His wife, Dr. Anne is professor of Christian Education at ITC. The couple's most recently published book, The Winds of Promise: Building and Maintaining Strong Clergy Families will provide the back drop for our plenary sessions. The

Board plans to offer a varied schedule of plenary and breakout sessions that participants may choose from. In addition, opportunities for personal time and reflection through an assortment of spiritual disciplines will be made available. The Assembly Board encourages each pastor to make plans now to join us in September.

Rev. John Brooks,  
Chairperson

## BLUE LAKE ASSEMBLY

Many organizations saw increased attendance for their various programs during 2006 which is very encouraging to the future of Blue Lake United Methodist Assembly. The unfortunate part of this equation is that we continue to turn groups away due to the lack of space.

On a negative note our total summer camping enrollment dropped for the second time in 10 years primarily due to fear of weather possibilities of the past and lost confidence on Blue Lake United Methodist Assembly facilities particularly at Dogwood Camp. For all camps we had 1174 in attendance. We did not fair any better in the conference camps with a total of 743 for 2006. This was 180 less than in 2005. If we had not had to cancel two major camps we believe we would have had better attendance. Although the numbers were the smallest in recent years it was felt that the content of our camps and the response from the children was the best yet. The year 2007 looks to be a good year with the addition of four new cabins in Dogwood which will be air conditioned and the complete renovation of the cabin bathrooms in Pinewood. Also we are encouraged by the high caliber of Deans and summer permanent staff personnel.

The year 2006 was the time for Blue Lake United Methodist Assembly to start a major Capital Campaign. It is hoped that we will raise at least 2.2 million dollars. This will allow for some major needed repairs to be accomplished as well as some new construction that has been dreamed and planned for a long time.

We have not waited on the results of the campaign to make needed repairs to equipment and facilities which is a constant concern. Thanks to so many volunteers and the sharing of financial resources we continue to add to the esthetic beauty and safety of the facilities of Blue Lake.

### Blue Lake Partners and Friends

We revised and placed special emphasis on our Partner Program in 2004. It is now called **Blue Lake Partners and Friends**. Members of "Blue Lake Partners and Friends" pledge to support Blue Lake with their prayers, presence, gifts and service. Blue Lake United Methodist Assembly pledges to

keep Partners and Friends up-to-date about our ministry through a regular newsletter, special functions, and opportunities to serve by sharing your talents. Thank you for your prayerful consideration to join us in this changing ministry.

There are six categories in our Blue Lake Partners and Friends program for your annual contributions. They are as follows:

|                    |                       |
|--------------------|-----------------------|
| Lifetime Partner   | \$ 1,000.00 or more   |
| Sustaining Partner | \$ 500.00 to \$999.99 |
| Regular Partner    | \$ 100.00 to \$499.99 |
| Youth Partner      | \$ 50.00 to \$ 99.99  |
| Partner            | \$ 25.00 to \$ 49.99  |
| Friend             | \$ 10.00 to \$ 24.99  |

As we did last year we have broken down our report in several subheadings beginning with a listing of our **SUPPORTERS**. By listing our supporters, we are saying a big **THANK YOU** for your continued support of Blue Lake United Methodist Assembly. We should remember that this is support above and beyond the Apportionments. Next there is a listing of our Conference **RATES** schedule. If you read closely you will find that our new rates have changed. This is due to the increase of food and transportation. In fact the rates at Blue Lake United Methodist Assembly have not received a major change since 1997. Please review this schedule carefully as you plan your future events. It is important to note that Blue Lake United Methodist Assembly still has the lowest rates of any like religious camp in the Southeast Jurisdiction. Also there is a need to restate our **RESERVATION** policies. These policies have been in effect for well over eight years with no major change, but it is important to restate them for the record.

**We are now the official registrar for every event that takes place at Blue Lake United Methodist Assembly.** This does not preclude a group for continuing to have a registrar within the framework of that group. It is imperative for all groups with an appointed person(s) to work directly with the Blue Lake United Methodist Assembly Registrar when making arrangements for activities.

## OUR SUPPORTERS

Many persons, families, organizations and churches have contributed to Blue Lake United Methodist Assembly in various ways and to many causes. A major portion of our needed revenue comes from our daily operating revenues. This accounts for approximately 75% of all monies received. The next major source of revenue is the local church through the apportionments. These moneys amount to an additional 20%. Our other financial support comes from those who give to Partners and Friends, special projects, memorials, and programs.

It is extremely difficult to put a price on the value received from those groups and individual who are involved in our **Sponsorship Program**. By sponsoring a cabin, a building, or a particular room at one of the camp areas one contributes immeasurably to Blue Lake United Methodist Assembly. It is our custom to honor this support and these supporters by listing them in our Annual Report to the Annual Conference. The Board of Trustees is deeply grateful for all who give of their prayers, their time and their financial gifts. It is a fact that without the untiring efforts of so many lovers of Blue Lake United Methodist Assembly we would not be able to exist.

We cannot say enough about the Blue Lake Emmaus and Chrysalis communities. The men and women of these communities are constantly volunteering for various projects. These communities contributed almost \$15,000.00 and the labor force of over 50 volunteers to completely replace the ceiling in the Pinewood Cafeteria, replace the ceiling in the staff room of Pinewood, rewire the entire Pinewood Lodge, and replace the lighting in every room except the kitchen to include new gym lighting. In addition about a dozen outside mercury vapor lights have been placed in strategic location around the campus at Pinewood making it a much safer place especially at night. Also the lighting in the Oakwood Cafeteria has been replaced making a world of difference in this facility.

A conservative estimate says these communities saved Blue Lake United Methodist Assembly about \$40,000.00 in construction and labor cost. This project was directed by a Board of Trustees member Mr. Jim Busby. We cannot thank Jim enough for his tireless effort in making Blue Lake United Methodist Assembly a safer and more esthetically beautiful place. He is volunteering his expertise and valuable time to be our General Contractor in the construction of the bathrooms in 9 cabins at Pinewood Camp and the construction of the 4 new cabins at Dogwood Camp. We can not thank you enough for all you do Jim for Blue Lake United Methodist Assembly.

We want to list the others who participated in this immense project that has added so much to the esthetic beauty and all around safety to Pinewood Camp. If we have left out anyone we give you our apology in advance.

**RESERVATIONS**

We solicit your support in making sure that we all understand how important it is to follow our policies. These policies have been painstakingly created in order that as many organizations and individuals as possible may have a chance to come to Blue Lake United Methodist Assembly and enjoy a safe religious experience. It is the policy of Blue Lake United Methodist Assembly that all who wish to reserve facilities must pay a deposit of \$250.00. **All reservations are considered to be tentative and subject to be given to someone else unless and until this deposit is received.** It is imperative that you schedule your activities as early as possible, including the paying of the deposit. **One caution**, if you have to cancel your activity for any reason you must do so 60 days prior to the start date of the activity in order for the deposit to be returned. In addition, we need to remember that Blue Lake United Methodist Assembly requires your final personnel count two (2) weeks prior to the start of the event. Please let us know if you wish to have a complete copy of the Blue Lake United Methodist Assembly Policies.

In conclusion, the Blue Lake United Methodist Assembly staff has worked hard to make our buildings and grounds a clean and safe place. We are very proud of our 2006 inspections of our food service and housing from the Alabama Department of Public Health. Our lowest grade this year was a 90 which is a common area in the Oakwood gym. The highest grade was a 99 which was receive by the Oakwood kitchen. The Oakwood kitchen staff deserves a very special thank you for a job well done. Blue Lake United Methodist Assembly Board of Trustees and the Blue Lake United Methodist Assembly staff wish to thank all persons who have given of their time, talents and financial resources during the past year. Any and all success can be attributed to your generosity toward this area of our church. We look forward to each and every opportunity given to us to serve you as we continually dedicate Blue Lake United Methodist Assembly to the Glory of God.

**UNITED METHODIST CHILDREN'S HOME**

*"Keeping God's Children First"*

December 31, 2006, saw us with the highest census for children being served for the whole year. We celebrate this positive way to close the calendar year

not because we delight in the increase of children needing our services, but because we take this as an indication that we do it best. We know we can't take care of all the children in need in the geographical area we serve, but we are convinced we offer the very best of care to those entrusted to us.

To anyone who is the least bit familiar with the administration and services delivery in this ministry, it is understood that the one constant is the possibility of change. That reality has been very much with UMCH in the past twelve months.

In July, Mr. Mike Galloway announced his resignation as he chose to move on to direct a similar program in the Florida Conference. As a result, the Board of Directors of UMCH decided to hire an "interim" CEO to allow time for a thorough search process for someone to fill the position.

At the same time, the Board was committed to and involved in a process of Strategic Planning with consultant, Mr. Tom Thompson. The Board was advised to delay the "search" long enough for the process to clearly define the role and responsibility of the President and CEO they sought to hire. Consequently, the actual beginning of the search was delayed a few months. That process is now in deliberate activity as the "Search Committee" begins its task. As the "Interim" CEO, I make this report for publication in the Brochure of Reports. By the time annual conference meets, it is anticipated that a new CEO will have been found and hired and will be available for introduction to both annual conference sessions.

We do want to report that the ministry of UMCH has not stalled nor hesitated. The multiple programs of ministry to children and families across Alabama and North West Florida have continued with the delivery of services in the excellent tradition of this 116+ year old ministry dedicated to "Keeping God's Children First."

Thanks to the hard work of our Public Relations/Development, and management staff, and, especially, the dedicated work of those who daily care for children and families in need, 2006 has been a record year in receipts of funds to support this effort. As of this writing, the exact final numbers are not in, but it appears that we have had nearly a 10% increase over 2005. The year 2006 also saw significant changes in programs. Due to personnel issues, we terminated the program called Birmingham Center for Children and Families. We immediately began to explore with United Methodist ministers and leaders in the greater Birmingham area new ideas and needs for the full utilization of facilities located there.

As a result, we are now beginning the search for personnel to guide the operation of a "Babies First" ministry in the Birmingham Group Home. We plan to have this open and operating by the second half of 2007. We are actively exploring with congregations in the extreme North Alabama region

the possibility of beginning something similar to “Babies First” ministry in that area. By the time this report reaches you, the new Transitional Living Cottage at the Tuscaloosa Group Home for Boys will be open and occupied. This facility was dedicated as the “Milton Booth Home”, honoring the committed spirit and untiring inspiration of the late Rev. Milton C. Booth of the North Alabama Conference in making sure this facility was constructed.

The changes of 2006 saw us lose a contract for Family Options in the Mobile (South West Alabama) area. That contract ended September 31, 2006. As a result, we had to terminate 16 very good and loyal employees. As the rule of constant changes goes, however, we saw an increase in the contract for Family Finders (Foster Home enlistment, training and supervision) in the Pensacola area.

At the same time, we have been finalizing a contract with “Children In Crisis, Inc.” of the Fort Walton Beach/Shalimar/Crestview area, to operate a group home and shelter home they are now constructing in a new Children’s Neighborhood in the Shalimar/Ft Walton area. The Children’s Neighborhood was modeled after the UMCH Children’s Village in Selma. Plans now call for these two new facilities to be open by the last quarter of 2007.

UMCH is very excited about the expansion of ministry opportunities in the North West Florida area and we are planning distinctive and targeted Public Relations efforts for this area.

The UMCH Board of Directors believes that its process of Strategic Planning and the successful hiring of a new President and CEO to guide and direct that Plan will result in a highly successful year in 2007-2008.

Respectfully submitted, Joseph W. Lisenby, President & CEO (Interim)

## COMMITTEE ON EPISCOPACY

The Committee on Episcopacy met with Bishop Goodpaster in the Conference Room at the Episcopal office on November 14, 2006. The committee was brought up to date on the areas of responsibility in which the Bishop participates through his attendance and his leadership; these are many and varied. Bishop Goodpaster also shared with the committee a schedule of events and activities in which he would participate for the first six months of 2007.

The spring meeting of the committee was held on May 7, 2007. Barbara Christenberry gave a report on the Episcopal residence on Lancaster Lane in Montgomery, Alabama. As with all homes, there are repairs and improvements that must be made. Water damage has been repaired, a new dryer purchased, and a new light fixture installed. Future plans include kitchen renovation and furniture updates at a cost of between \$15,000 and \$25,000. Bishop Goodpaster reported to the committee that, at the 2007 spring meeting of the Council of Bishops, Bishop Goodpaster was named presiding bishop to the Southeast Asia Mission due to his work with the General Board of Global Ministries. This responsibility will include setting up standards for clergy, developing a board of ordained ministry for an ordination process, and planting new congregations and fellowships in Vietnam, Laos, and Thailand.

New evaluation forms to be used in evaluation of bishops are not complete; the committee will complete its evaluation when the new forms are received.

Since our conference has named all four of our former bishops as honorary members of the AWF Conference except for Bishop William W. Morris, the committee, by a unanimous vote, recommends that this session of annual conference adds Bishop Morris to the list of honorary bishops in the AWF Conference. With approval of this recommendation, a plaque, properly inscribed, will be presented to Bishop Morris no later than the 2008 annual conference session.

For the Committee on Episcopacy,  
John Sherrer, Chairperson

## SOUTHEASTERN JURISDICTIONAL CONNECTIONAL TABLE

It is an honor to report to the Alabama-West Florida Annual Conference on behalf of the Southeastern Jurisdiction Connectional Table and our President, Bishop J. Lawrence McCleskey. We have worked diligently this past year to evaluate and make more effective the many offerings in the jurisdiction.

The Connectional Table has led in the study of our preferred future. Through the work of the Organizational Task Group, we have studied the entire ministry of the Southeastern Jurisdiction. A report made at the annual meeting of the Connectional Table was passed. It called for a Transition Team that is presently working in preparation for our report and recommendations to the 2008 Jurisdictional Conference.

As we considered our organization for the future, there was an extensive study done by the Southeastern Jurisdiction Agency Task Group. Through meetings with the 7 agencies (Commission on Archives & History, Gulfside Assembly, Hinton Rural Life Center, Intentional Growth Center, Southeastern Jurisdictional Agency for Native American Ministries, Southeastern Methodist Agency for Rehabilitation, United Methodist Volunteers in Mission), we evaluated their effectiveness and considered the relationship of the agencies to the jurisdiction as we move into the future. All of these groups are commended for their service to the members and leaders within the Southeastern Jurisdiction.

At Lake Junaluska we are planning for a great year as we welcome over 100,000 guests. We anticipate the Bishop Joseph and Mrs. Shirley Bethea Welcome Center being completed in the summer. A special word of thanks to your annual conference for committing resources to make this building a reality. As people come to Lake Junaluska they will be greeted in a hospitable manner in this building that has been built as a symbol of reconciliation.

The Southeastern Jurisdiction continues to offer opportunities for leader development as we do our part in making disciples of Jesus Christ. Our Southeastern Jurisdiction ministry staff has given leadership in thirteen of the Southeastern Jurisdiction annual conferences this past year. The Ministries with Young People have had record numbers of events this winter and is preparing for a great summer of retreats for youth and adults at Lake Junaluska. We plan to serve over 5,000 young people of the Southeastern Jurisdiction this year. The summer children's program is planned for daily study and activity, serving families that come to Lake Junaluska in the summer and children from the community.

This past year in Hispanic Ministries we have held events for small churches; a Module I training program for lay missionaries and pastor mentoring, and a course of study consultation. The Korean-Asian Ministry has provided consultation in nine of the annual conferences in the Southeastern Jurisdiction and events: (1) Clergy Family Retreat; (2) Korean-American Pastors Continuing Education Program; (3) Lay Leadership Academy; and (4) Korean-Asian-American Youth Event.

We are working with leadership in the Jurisdiction to sponsor a multi-cultural event in December at Lake Junaluska. Our African American office is giving support to the design team along with all Southeastern Jurisdiction ethnic ministries. We were thrilled to co-sponsor the event "Our Call to Hospitality, A Biblical Response to Immigration" conference with the General Board of Church and Society in February.

Our guests continue to enjoy the recently renovated Terrace Hotel and the beautiful grounds. Work is being done to Stuart Auditorium anticipating renovations in the future. We have done \$2.7million dollars worth of renovations to the dam at Lake Junaluska. The work has allowed us to bring up to code the 93-year-old dam, assuring a beautiful lake as well as a safe structure. A special thanks goes to the annual conferences and local churches of the Southeastern Jurisdiction who are contributing to the special asking for dam reconstruction. Presently we have received \$395,960 from the special asking.

We provided leadership, staff support, and hospitality to SoulFeast, The Older Adult Event, Soul at Work, Choir Music Weekend, The Ministers' Conference, Pastors of Large Churches, and District Superintendents and Directors of Connectional Ministries.

The jurisdiction has been represented on the United Methodist Council of Bishops Committee on Katrina Church Development. All local churches and annual conferences are challenged to remember the local churches that are in desperate need of support. Along with the annual Katrina offering in the fall, partnerships with local churches are being sought throughout the church.

It is a pleasure to serve The United Methodist church in the Southeastern Jurisdiction.

### Independent Auditors' Report

Council on Finance and Administration  
Alabama - West Florida Conference of  
the United Methodist Church  
Andalusia, Alabama

We have audited the accompanying statement of cash receipts, disbursements and transfers of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church - Connectional Ministries Account for the conference year 2006. This statement is the responsibility of the Council's management. Our responsibility is to express an opinion on this statement based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of recorded cash receipts, disbursements and transfers is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement presentation. We believe that our audit provides a reasonable basis for our opinion.

This statement has been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this method of accounting, revenues are recognized when received rather than when earned and expenses are recognized when paid rather than when incurred.

In our opinion, the statement referred to above presents fairly, in all material respects, the cash receipts, disbursements and transfers for the conference year 2006, of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church - Connectional Ministries Account on the basis of accounting described above.

We have audited the accompanying statement of cash receipts, disbursements and transfers of the Episcopal Office Account of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church for the conference year 2006. This statement is the responsibility of the Council's management. Our responsibility is to express an opinion on this statement based on our audit. The prior year summarized comparative information has been derived from the Episcopal Office Account's 2005 statement and, in our report dated February 23, 2006; we expressed an unqualified opinion on that statement.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of recorded cash receipts, disbursements and transfers is free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall statement presentation. We believe that our audit provides a reasonable basis for our opinion.

This statement has been prepared on the cash receipts and disbursements basis of accounting, which is a comprehensive basis of accounting other than generally accepted accounting principles. Under this method of accounting, revenues are recognized when received rather than when earned and expenses are recognized when paid rather than when incurred.

In our opinion, the statement referred to above presents fairly, in all material respects, the cash receipts, disbursements and transfers for the conference year 2006, of the Episcopal Office Account of the Council on Finance and Administration of the Alabama - West Florida Conference of the United Methodist Church on the basis of accounting described above.

at Emory University. On August 27, 1951, in Sneads, Florida, Carl married Ruby Monette Dudley. Together they had two children: Carla Ann, September 4, 1955, and David Lee, May 25, 1959. Carl was a United Methodist pastor and evangelist with over 40 years of service. He served in the South Alabama-Northwest Florida conference of the United Methodist Church. His pastorates included Calloway UMC in Panama City, FL; the First United Methodist Churches of Chipley, FL, Bonifay, FL, Geneva, AL and Opp, AL, Flomaton, AL; the Lafayette Street United Methodist Church in Dothan, AL; and the Myrtle Grove United Methodist Church in Pensacola, FL. In retirement, Carl served the Asbury UMC church in Ozark, AL; the Sardis UMC in Hartford, AL; and as interim of the First UMC Church in Enterprise, AL. He also served in various positions of the administration of Asbury College, including Director of Outreach and Director of Alumni Affairs. He preached extensively in revivals and camp meetings across the eastern U.S., including Hollow Rock and Sychar in Ohio; Taylor County in Georgia; Tangier Island, MD; and Bethlehem, Lakeland and Avon Park in Florida. A memorial service was held at the Wilmore Free Methodist Church on August 17, 2006, in Wilmore, KY. Dr. E. Dean Cook, Dr. Daryl Diddle, and Carl's children, David Coulliette and Carla Palmer, spoke at the Wilmore Free Methodist Memorial service. A second memorial service was held at First United Methodist Church of Enterprise, Alabama, on Sunday, September 3, 2006, at 2:30 p.m. Rev. Don Dean, Rev. Gary Daniel, David Coulliette and Carla Palmer spoke at the memorial service in Enterprise. The following is an excerpt from the eulogy given by Carl's children, summarizing the life of their father:

*"I have long been intrigued by a verse of scripture in John 13 that I've thought about in these days following Dad's death. It's the part of the story just before Jesus washes his disciples' feet. The verse I have focused on is John 13:3: 'Jesus knew that the Father had put all things under his power, and that he had come from God and was returning to God.' That little verse fascinated me because it seemed to give some insight into the mind of Jesus as he was facing his passion and his relationships with these loved ones, his disciples. As I read this, it seems to me that of all the other huge concepts this talks about, it also means that Jesus thoroughly knew himself – he knew from where he had come, he knew where he was going – and he knew the power God had placed in his hand. And with this incredible knowledge, he chose to serve – to wrap a towel around his waist and wash feet. I have seen in my father someone who had a good solid sense of himself. He knew his own roots, from where he had come – he knew so profoundly the life altering grace of God that had laid out a path before him, and even though he often saw his own gifts and abilities as frail, he knew that God had called him and would equip him. And with that profound knowledge,*

*he never tried to exert power on his own behalf, but he took up a towel and served. He was a servant leader for his congregations, he served our family untiringly, and he served God with his whole heart. And he has finished so well. Thanks be to God!"* Carl Coulliette is survived by his wife Ruby and children, David and Carol Coulliette and Stuart and Carla Palmer; and five grandchildren, Caitlin and Caleb Coulliette and Josh, Abby and Hannah Palmer.

On many a Saturday afternoon and Sunday evening he could be found leading MYF meetings and Drum and Bugle Corps practices. It can truly be said that Brother Bill gave tirelessly of himself to his churches and to his family. It is because of his devotion to his churches and family and because of his dynamic personality that Bill will not be forgotten by anyone who had the opportunity to know him.

In addition to his work as a pastor and educator, his love of country, combined with his knowledge of history, led him to successfully encourage others to a sincere patriotism, a deep appreciation of God's blessings of freedom, and a responsibility to use those freedoms appropriately to advance God's Kingdom. Married 53 years, his example as husband demonstrated Christ's call to love sacrificially and with commitment to one another. His contributions in the service of his God, family and country will have a lasting and far-reaching impact on those who knew him and the generations who will follow the many individuals and families who were touched by his ministry.

**Ellis Robert Dickerson, III** was born June 3, 1926, in Jackson, Mississippi. He was the eldest child of Ellis Robert and Janice Guess Dickerson.

Bob graduated from Central High School in Jackson, Mississippi. He attended Millsaps College and received the Bachelor of Arts degree in 1950.

Bob graduated from Asbury Seminary in 1952 with a Bachelor of Divinity degree. On August 23, 1947, in Jackson, Mississippi, Bob married Eugenia Nesbitt Binns. Together they had three children:

Susan, July 2, 1948; Melissa, October 25, 1952; and Robert David, December 25, 1954. Bob and Eugenia were married fifty-four years at the time of her

death in 2001. Before entering the ministry, Rev. Dickerson volunteered to serve in the United States Navy. He left for boot camp the day following his high school graduation. He later was sent to Mobile, Alabama, to serve on the U.S.S. Zaniah, a liberty ship constructed there. Eventually, the ship and crew found their way to the Western Pacific and ultimately to Buckner Bay, Okinawa for the invasion of Japan during World War II. Like many others facing conflict, he began to read the Bible for spiritual consolation. It was while doing this that he came to believe in Jesus Christ as his Savior and Lord. Soon, without any training and in the absence of a Chaplain on ship, he began to preach to his shipmates, who often scoffed at his unimpressive endeavors. He did succeed in bringing at least one convert to Jesus Christ – himself! Rev. Dickerson's ministry began in 1951 in the Mississippi Conference. He was ordained an elder in 1953. In 1958 he transferred to the Alabama-West Florida Conference. Bob's appointments began at Forest Park in Panama City in 1958; in 1962 he went to Memorial in Selma; in 1967, Forest Hill in Mobile; in 1971, Shalimar; and in 1975, to Pensacola First. In August 1984 Bob began serving as District Superintendent of the Dothan District; in 1985 he went to the Pensacola District as D.S.; in 1990 he served at Gadsden Street in Pensacola; and in 1993 he retired, after forty-three years of service. Bob Dickerson served beyond the local church on district and conference agencies, including: Board of Evangelism, Secretary (4 years); Board of Evangelism, President (4 years); Executive Committee, Conference Council (4 years); Chairman, Section of Ordination, Board of Ordained Ministry; Delegate to General Conferences 1972, 1976; Delegate to Southeastern Jurisdictional Conferences 1972, 1976, 1980. In 2002 Rev. Dickerson married Clair Spenser. They were married at the time of his death. In October 2006 he went to an Alzheimer's facility in Tallahassee, Florida. He was most unhappy about the move and quickly declined. He died in Big Bend Hospice on November 27, 2006. His funeral was held on November 30, 2006, at Gadsden Street United Methodist Church in Pensacola, Florida. Those officiating were Rev. David McVay, Rev. Doug Williams and Rev. Steve Winton. Burial followed in the Barrancas National Cemetery. He is survived by his wife Claire; children, Susan Dickerson, Melissa Schroeter and Robert David Dickerson; grandchildren, Hillary Brett and Keira Tollesrud; and great-grandchildren, Macy and Camden Tollesrud. Ellis Robert Dickerson, III will be remembered as a wonderful husband and father to his family. He had a wonderful sense of humor and loved to laugh and sing, which he taught his children to do. He had a theatrical flair, which was evidenced by his early ministry – he brought the devil to church one Sunday. He would stop at nothing to bring a lost soul to salvation. He was a faithful servant of our Lord and Savior!

Those officiating were Dr. John Ed Mathison, Rev. Reed Wilbanks, and Rev. Shane Segars. He is survived by his wife E'Wanna; daughter Patti and her husband, Ronald Riccio; daughter Peggy and her husband, Randy Foster; stepson, Terry Lucas, and his wife Laurie; stepson, Steven Lucas, and his wife Kristi; and stepdaughter, Tami Carpenter, and her husband Spero Zervos; twelve grandchildren; nine great-grandchildren; and eight step-grandchildren. John Ed Mathison, pastor of Frazer Memorial United Methodist Church in Montgomery, Alabama, wrote about Rev. Thompson, "Jack Thompson's influence on the growth of Frazer Memorial United Methodist Church could not be described in a few pages. He had a passion for evangelism and winning people to Christ. He designed the framework for evangelism for Frazer. He, more than anyone else, was responsible for the continued, steady growth on profession of faith, transfer from other denominations, and transfer from other Methodist churches. His holistic view of evangelism is still used in the witness of Frazer today. He both preached about evangelism and practiced it."

At the time of his death, Rev. and Mrs. Asa Boozer resided at 4313 Indian Hills Road, S.E. in Decatur, Alabama. He died April 9, 2007, after a three-month battle with cancer. His funeral service was held on April 12, 2007, at the First United Methodist Church in Decatur, Alabama. Those officiating were the Reverend Dr. Karl Stegall and the Reverend Dr. Terry Greer. He was buried following the service in the Decatur City Cemetery with the Rev. William E. Calhoun delivering words of comfort and thanks for the life and service of Rev. Asa Boozer. He is survived by his wife Jane; his son Michael and his wife Bonnie; his daughter Janet; his grandchildren, Michael Asa Boozer, Jr. and Alan Wesley Boozer, of Decatur; his brother, Francis Boozer, and wife Jean of Linden, Alabama; his sister, Ann Lynch, of Montgomery, Alabama; and a number of nieces and nephews. Asa was first and foremost a servant of God. He took his life's work seriously. It was said of him that he kept life in its proper perspective; he lived simply, loved generously, cared deeply, spoke kindly and left the rest to God. He was a people person. His colleague and friend, Rev. Bill Calhoun, stated that Asa could walk into a room, and it was as though someone had turned on a light. His compassion for others was a driving force for him. Asa wanted the churches he served to grow in number and he worked hard at that, but he was even more concerned with the spiritual growth of his churches. He was directly involved with expansion and/or renovation projects of all the churches he served. Asa never limited himself to his churches. He ministered to the whole community and was a positive influence upon the lives of many. His lasting tribute is that he was faithful to the United Methodist Church and to his Lord and Savior. Asa was devoted to Jane, his children and his grandchildren. He enjoyed playing golf, especially with family or friends, and had a hole-in-one to his credit, which made the local newspaper in Marion. His sense of humor was enjoyed by family and friends. He had a fun, loving spirit. Asa made sure his family knew he loved them by his actions, but more often by saying it aloud. He put the needs of others before his own. Even during his last months, Asa was concerned about others facing difficult circumstances and continued to call and check on others as long as he could. Even in death he continued to serve others through organ donation. He kept the faith, although saddened to leave this world and those he loved so dearly. His never-ending faith will remain an example for us to follow, and his loving spirit will be with us always.

**Nancy Ann Hall Williamson** was born on August 25, 1915. She is the daughter of Alex Franklin and Nancy Adeline Price Hall. Ann was born in Mossy Head, Florida. She attended school at Mossy Head and later worked in several jobs around DeFuniak Springs, FL. On March 22, 1936, in DeFuniak Springs, Florida, Ann married Luther "Luke" Thomas Williamson. Their early years of marriage were spent in the DeFuniak Springs area, where Luke worked in the logging, sawmill and insurance industries. Together they had three children: Joe

Frank, born on December 15, 1939; Larry Thomas, born on September 14, 1941; and Nancy Jan, born on December 12, 1950. In 1952 Luke became the pastor of West End Methodist Church in DeFuniak Springs, Florida. Together for the next twenty-seven years, he and Ann served the Alabama-West Florida Conference. In 1954 they went to Galilee Methodist Church in Graceville, Florida; in 1956 they moved to Springfield Methodist Church in Panama City; they stayed in Panama City for the next few years, serving St. Marks, Cypress and Vernon Methodist Churches. In 1962 they returned to Graceville, where they served Salem Methodist Church. It was 1966 when they went to Altha, Florida, to serve the church there. In 1970 they went to the Mobile District, where they served Coden-Zirlott Road. From 1972 until retirement in 1979, they served Gilbertown, Marianna Grace, Sardus and St. Stephens Churches. Rev. Williamson retired in 1979 due to health problems, and they settled near Coden, Alabama. After his passing in 1990, Mrs. Williamson remained there near her daughter Jan until 2001. She then returned to DeFuniak Springs, Florida, to live near her son Larry. She filled her time with her church, her children and grandchildren, sewing, crafts, and tending her flowers. At a young age, Ann learned to strive to fulfill goals in the 4-H Club. In later years she served in the Women's Society of Christian Service and was very happy to receive her lifetime pen, which she wore proudly over the years. Serving as a Pink Lady and Grey Lady in several hospitals helped her fulfill her longing to help others. She was Superintendent of the Sunday School at her husband's very first church and worked wherever she was needed in each church as they moved around. Ann had a talent for fixing up the older parsonages in which they lived. She would add a fresh coat of paint or scrub things until they shined. By adding flowers inside and out, things became like new again. Nancy Ann Hall Williamson passed quietly away on June 17, 2006, in Blountstown, Florida, near her son Joe, a month after suffering a fall with resulting head injuries. Her funeral was held on June 19, 2006, in DeFuniak Springs, Florida. At her prior request her dear friend, Rev. Scott Hohn, officiated at the service. Her dearly loved and respected pastor from Wesley Memorial, Rev. David Wilson, assisted in the service. When Scott Hohn was a young, single pastor he became Ann's neighbor. Over the years as he served her church, she had much advice to pass on to him as they visited together. A strong bond of love and friendship was formed between them. David Wilson was there in her frail years to prayerfully encourage her. Her life went full circle in her service to the church. It began at West End Memorial and came back to the same church (new name), Wesley Memorial, to end her years of service. Family and friends recently donated a new steeple for this church in memory of Luke and Ann and in honor of others. Ann was a warm, gracious lady and a friend to many...a friend who was always there to help anyone in need, give an encouraging word, and to lend a shoulder to cry on or a confidential ear to listen. Over the years of moving around in the conference, she made many lasting friends. Her kind heart and gentle spirit will always linger on in the hearts of her family and friends. Taking care of her family, working in the church, and helping others was what made her the happiest in life. She leaves many family and friends behind that loved her dearly. Mrs. Williamson is survived by her children, Joe and his wife, Margaret Williamson, of Blountstown, Florida; Larry and his wife, June Williamson, of DeFuniak Springs, Florida; and Jan and her husband, Perry Zirlott, of Coden,

#### ALICE LEE AWARD

Each year the Alabama - West Florida Conference Commission on the Status and Role of Women (COSROW) honors a woman who has been a bridge builder and barrier breaker toward the full and equitable participation of women in the life of both the church and community by presenting the Alice Lee Award. Like the woman for whom this award was named, this year's recipient has blazed a trail for other women. The Rev. Willow Jean Spikes has been following God's call to preach, bucking all odds, since a very young woman. A 1965 quote from the *Mobile Register* points out, "She is, in a true sense, a pioneer. What she had to pioneer against was the barrier of rejection of women ministers. But Jean Spikes has, since 1949, gone quietly about her Master's business, that of telling the gospel."

Though raised in the Methodist Church, Rev. Spikes began her ministry in the Congregational Methodist denomination which was more open to women and served the Concord Congregational Methodist Church in Ozark for 10 years. She returned to the Methodist Church after it opened its doors to full ordination for women. She was the second woman ordained in this Conference and is the woman who has served it the longest.

A number of years ago when asked how she felt about entering the predominately male ministry Miss Spikes acknowledged, "I had to grapple with the idea of being rejected, of having doors closed, and all the fears that went along with the unknown, and, as I recall, I had no encouragement from anyone." One of the reasons that the Commission on the Status and Role of Women was established was to be supportive of women clergy.

She was born in Geneva Co., attended Vennard Bible College, Troy University, and did her seminary work at Emory Univ. She has served numerous appointments in our Conference. The records of these many churches indicate that all have excelled and thrived under her leadership. Even after her official retirement she was given the award for Small Church Growth for her work at the Trinity UMC in Semmes, Al and received the Denman Award for the Mobile District in 2003. She was the first woman to serve as Conference Evangelist and has preached many revivals, Holy Spirit conference and homecomings. She even traveled to the Orient-Japan, Korea, Taiwan, and Hong Kong-teaching and training Bible Women. When at Brewton Rev. Spikes was the first woman to be elected president of the area-wide Ministerial Association, and then when she moved to Mobile she became the first woman to serve as president of the Ministerial Association there. Jean is quoted as saying on many occasions, "I am not in the ministry to promote the cause of women but to promote the cause of Christ." But by doing just that she has promoted the cause of women! Her most recent District Superintendent noted that there are now churches that

accept women pastors without blinking an eye or even see women as the clergy of choice. He goes on to say, "That women in the past few years who have traversed in and through the Mobile District and have had an open door and a willing ear to listen to them, could best be explained in one name whose influence among all clergy and many churches still looms large—Jean Spikes!" I will close with another quote from District Superintendent Bill Elwell, "Let's stand and cheer for the one gracious lady upon whose shoulders so many gratefully stand! The Reverend Jean Spikes!"

#### RESOLUTION NO. 1

*IN SUPPORT OF THE NATIONAL PLAN FOR HISPANIC/LATINO MINISTRY*

**Whereas**, the Hispanic-American population continues to increase at an annual rate of 14.3% to a total now of over 47 million persons and by 2010, it will account for half of all the annual population growth in the United States; and

**Whereas**, the Hispanic American population is not only the fastest growing segment of the population but also the youngest with an average age of 24/27 compared to the national average of 36 years of age; and

**Whereas**, the latest Bureau of the Census figures show that Hispanic/Latino population growth can be accounted equally from natural growth and immigration, and is found in urban, suburban, and rural sectors of the country as well as spreading across all regions of the country; and

**Whereas**, God and our Wesleyan heritage calls United Methodists as part of the Church of Jesus Christ to be in ministry with people of all races, nationalities, ethnic groups and social classes, and reach out to them with open doors, open minds, and open hearts; and

**Whereas**, many United Methodist annual conferences are working toward fulfillment of the National Plan for Hispanic Ministry's goals, including the development of faith communities and community ministries, new church starts and revitalization of established congregations, and the development of lay and clergy leadership to support and expand those ministries; and

**Whereas**, more than 52 annual conferences have partnered with the National Plan to work together toward those goals through mission initiative grants and the development of strategic implementation plans; and

**Whereas**, the General Council on Finance and Administration has reported a Hispanic/Latino United Methodist membership growth of 6% last year, the sixth consecutive year of such growth; and

**Whereas**, the National Plan is ready to respond to this fast growth of the Hispanic/Latino population through the resources, knowledge and experience accumulated to date, and is proposing a renewed emphasis on resourcing annual conferences in the areas of new church development, Non-Hispanic congregations reaching out to Hispanics, and assisting the United

Methodist Church in addressing critical issues such as immigration and lay and clergy leadership development; and

**Whereas**, the Southeastern Jurisdiction has one of the fastest-growing Hispanic populations in the United States with more than a 300% increase and one of the most culturally diverse Hispanic constituencies; and

**Whereas**, the Alabama-West Florida Conference area has over 248,512 \*Hispanics within its boundary lines; and

**Whereas**, the National Plan for Hispanic/Latino Ministry continues to provide resources, facilitators, expertise and training for the Alabama-West Florida Annual Conference Hispanic/Latino Ministries and local churches;

**Therefore, let it be resolved** that at the Alabama-West Florida Annual Conference, June 3-6, 2007, the Alabama-West Florida Conference affirms the continuation of the National Plan for Hispanic Ministry for the 2009-2012 quadrennial; and

**Furthermore, let it be resolved** that the Alabama-West Florida Annual Conference petitions the 2008 General Conference to approve the continuation of the plan and provide sufficient funds to fulfill its goals.

## RESOLUTION NO. 2

### *TOBACCO PETITION*

**WHEREAS:** As people of faith, we believe that the body is a spiritual temple; a major tenet of every faith is spiritual well-being and the promotion of good physical and mental health, and tobacco undermines both; we, therefore, have an essential interest in reducing the toll of tobacco, particularly among children and youth who are targeted by the tobacco industry.

**WHEREAS:** Every year, more than 7,300 Alabamians die horrible but preventive deaths caused by tobacco addiction, due to smoking and other forms of tobacco use, and thousands more suffer from tobacco-caused disability and disease;

**WHEREAS:** One in every four high-school aged youth (62,100) in Alabama is a current smoker; and another 8,800 Alabama children become addicted smokers every year; in addition 26% of Alabama male high school students use spit or smokeless tobacco;

**WHEREAS:** Exposure to secondhand smoke in workplaces and homes kills and harms thousands of Alabamians every year;

**WHEREAS:** Alabama's health care expenditures caused by tobacco use total over \$1.38 billion each year, including more than \$219 million in annual tobacco-caused expenditures by the State Medicaid program;

**WHEREAS:** Alabama also has weak smoke-free laws and below-average tax rates on tobacco products and needs to do more to keep tobacco out of the reach of children;

**BE IT RESOLVED:** That the Alabama West Florida Conference of the United Methodist Church endorses comprehensive and effective public policy measures recommended by the CDC and other experts to prevent and reduce smoking and other tobacco use in the state particularly among children and pregnant women, including:

- \*Prohibiting smoking in all workplaces, in all restaurants, and in bars;
- \*Increasing Alabama's tax rates on tobacco to at least the national state average to reduce teen smoking and help fund Alabama's health care needs;
- \*Funding Alabama's tobacco prevention and cessation programs at least at the minimum level of \$26.7 million per year as recommended by the CDC;

### RESOLUTION NO. 3

#### *PROPOSED LEGISLATION FOR GENERAL CONFERENCE 2008*

**Whereas,** the Discipline reflects inconsistencies in regards to the Order of Deacons in the matter of leaves of absences in paragraphs 326.1, 330.1 and 355.1. Therefore, the following changes are recommended to General Conference 2008.

#### Paragraph 326.1

The commissioned ministers planning to give their lives as deacons in full connection shall be in ministries of Word and Service.

#### Paragraph 330.1

Paragraph 355.1

**RESOLUTION NO. 4**

*OAK GROVE UNITED METHODIST CHURCH*

**WHEREAS**, for almost a decade, the Oak Grove United Methodist Church, Troy, AL, has been forced to spend precious financial and emotional capital defending the cemetery and church grounds from the threat of eminent domain; and

**WHEREAS**, as part of the connectional relationship between the Alabama-West Florida Annual Conference and the Oak Grove United Methodist Church, the Oak Grove United Methodist Church needs the connection's assistance in ensuring that justice and mercy be poured out in equal measure, as the congregation continues its heritage of Christian service to the community in the Wesleyan tradition since 1882;

**THEREFORE**, be it resolved that the 2007 session of the Alabama-West Florida Annual Conference of the United Methodist Church expresses its solidarity with its congregation at the Oak Grove United Methodist Church, Troy, AL, whose territorial integrity is being threatened by a proposed expansion of the Troy Municipal Airport.

Submitted by the Oak Grove United Methodist Church Board of Trustees:

**RESOLUTION NO. 5**

*UNITED METHODIST LEADERS BEING ACCOUNTABLE TO THE BOOK OF DISCIPLINE OF THE UNITED METHODIST CHURCH*

Subject: United Methodist leaders being accountable to the Book of Discipline of the United Methodist Church.

**Whereas**, Par. 161. G (2004 Book of Discipline) states: The United Methodist Church does not condone the practice of homosexuality and considers this practice incompatible with Christian teaching, and

**Whereas**, Par. 304.3, under the heading "qualifications for ordination," states:

The practice of homosexuality is incompatible with Christian teaching.

**Therefore** self-avowed practicing homosexuals are not to be certified as candidates, ordained as ministers, or appointed to serve in The United Methodist Church, and

**Whereas**, Par. 341.6, under the heading “Unauthorized Conduct,” states: Ceremonies that celebrate homosexual unions shall not be conducted by our ministers and shall not be conducted in our churches, and

**Whereas**, Par. 2702.1 (b), under the heading “Chargeable Offenses,” states: Practices declared by The United Methodist Church to be incompatible with Christian teaching, including but not limited to: being a self-avowed practicing homosexual; or conducting ceremonies which celebrate homosexual unions; or performing same-sex wedding ceremonies, and

**Whereas**, Par. 2702 (e) under the heading “Chargeable Offenses,” states: Disobedience to the Order and Discipline of The United Methodist Church, and

**Whereas**, Delegates to the 2004 General Conference affirmed these statements and the Judicial Council, in Decisions 702, 708, 722, 725, 764, 844, 984, 985, also affirmed these statements.

**Therefore**, we, clergy and lay members of the Alabama-West Florida Annual Conference, meeting in session on June 3-6, 2007, call upon the 2008 General Conference to reaffirm to all leaders, including bishops, district superintendents, boards of ordained ministry, and pastors, that these standards are binding upon all leaders and members, so long as they are serving in The United Methodist Church, or until such time as these standards are revised or stricken from the Book of Discipline of the United Methodist Church.

*IS OUR STANCE ON ORDINATION OF PRACTICING HOMOSEXUALS  
BIBLICAL AND IN LINE WITH HISTORIC METHODIST THEOLOGY?*

Page 1 of 1

Title: RETAIN LANGUAGE BARRING ORDINATION OF PRACTICING  
HOMOSEXUALS

Discipline ¶304.3

Financial Implications: None

The Alabama-West Florida Annual Conference meeting at Frazer Memorial United Methodist Church June 3-6, 2007, hereby petitions the 2008 General Conference to retain the current language of 304.3, which reads, "While persons set apart by the Church for ordained ministry are subject to all the frailties of the human condition and the pressures of society, they are required to maintain the highest standards of holy living in the world. The practice of homosexuality is incompatible with Christian teaching. Therefore self-avowed practicing homosexuals are not to be certified as candidates, ordained as ministers, or appointed to serve in The United Methodist Church."

Rationale: The church's position on homosexuality presents a scripturally faithful balance and agrees with 2,000 years of church history and the nearly universal opinion of the worldwide Church, after repeated intensive study and dialog. The debate over homosexuality has absorbed an inordinate amount of the church's time, energy, and resources.

**RESOLUTION NO. 7**

*STANDARDS FOR MEMBERSHIP IN THE UNITED METHODIST CHURCH*

**Whereas**, the Holy Scriptures (John 3:1-6); Romans 10, 9-10; 2 Cor. 5:17 and others), tell us why we need to be saved, and how we can be saved, and the change in life that comes as a result of being saved.

And, **whereas**, The Book of Discipline (2004) Par. 216.1 through 221.5 sets forth the meaning of membership and standards for membership in The United Methodist Church.

And, **whereas**, both the Biblical standards and the standards from The Book of Discipline (2004) are not to be applied selectively to any person or group of persons, but are to be applied to any persons seeking to become a follower of Jesus Christ, and become a member of The United Methodist Church.

And, **whereas**, The United Methodist Church has been challenged concerning its standard, for excluding “self-avowed practicing homosexuals,” as set forth in Par.161.G, 2004 Book of Discipline, which says the practice of homosexuality is not condoned by the Church and is incompatible with Christian teaching.

And, **whereas**, there have been attempts within The United Methodist Church, since the 2004 General Conference, to insist that self-avowed practicing homosexual are being selectively discriminated against, and therefore standards of The Book of Discipline (2004) may be disregarded.

Now, **therefore**, we, the members of the Alabama-West Florida Annual Conference, meeting in session on June 3-6, 2007, call upon the 2008 General Conference to instruct and reaffirm to all bishops, district superintendents, boards of ordained ministry, pastors, and members of all general boards and agencies of The United Methodist Church, that so long as we serve in The United Methodist Church, or until such time as the Book of Discipline is revised, we are not to disregard, circumvent, or violate the will of the General Conference, as set forth in the 2004 Book of Discipline, or the future editions of the Book of Discipline.

DOCTRINE OF THE UNITED METHODIST CHURCH DISCIPLINE*

Title: AFFILIATED INSTITUTIONS TO FIT WITH THE MISSION AND  
DOCTRINE OF THE UMC

Discipline ¶1415.3

Financial Implications: None

The Alabama-West Florida Annual Conference meeting at Frazer Memorial United Methodist Church on June 3-6-2007, hereby petitions the 2008 General Conference to amend ¶1415.3, which currently reads: “¶1415.3 *To provide an effective review process to ensure that schools, colleges, universities, and theological schools listed by the University Senate and qualifying for Church support have institutional integrity, well-structured programs, sound management, and clearly defined Church relationships.*” By adding to the last sentence the words, “and a mission and philosophy consistent with the mission and doctrine of The United Methodist Church.” So that the paragraph in question would read as follows: ¶1415.3 *To provide an effective review process to ensure that schools, colleges, universities, and theological schools listed by the University Senate and qualifying for Church support have institutional integrity, well-structured programs, sound management, and clearly defined Church relationships and a mission and philosophy consistent with the mission and doctrine of The United Methodist Church.*

Rationale: As institutions affiliated with The United Methodist Church, these schools are part of the Church’s mission and ministry, receiving name, credibility, and financial support from the Church. As such, they should be expected to carry out their work in accordance with the mission and doctrine of The United Methodist Church.

*COURSE OF STUDY TO MAINTAIN UM STANDARDS*

Title: COURSE OF STUDY TO MAINTAIN UM STANDARDS

Discipline ¶1421.3d

Financial Implications: None

The Alabama-West Florida Annual Conference meeting at Frazer Memorial United Methodist Church on June 3-6, 2007, hereby petitions the 2008 General Conference to amend ¶1421.3d, which currently reads: “*¶1421.3d Prescribe a Course of Study for local pastors that include the studies for license for pastoral ministry and the five-year Course of Study curriculum. All work in the Course of Study shall be taken in programs approved by the Division of Ordained Ministry.*” By adding the following sentence after the first sentence of the paragraph, “All classes in the Course of Study shall be taught consistently with the doctrinal and ethical standards of The United Methodist Church, as reflected in the Doctrinal Standards (¶103) and Social Principles (¶160-166) of The Book of Discipline.” So that the paragraph in question would read as follows: *¶1421.3d Prescribe a Course of Study for local pastors that include the studies for license for pastoral ministry and the five-year Course of Study curriculum. All classes in the Course of Study shall be taught consistently with the doctrinal and ethical standards of The United Methodist Church, as reflected in the Doctrinal Standards (103) and Social Principles (160-166) of The Book of Discipline. All work in the Course of Study shall be taken in programs approved by the Division of Ordained Ministry.*

Rationale: The Course of Study is providing the basic theological education for an increasing percentage of United Methodist pastors, and it is essential that local pastors receive a solid grounding in United Methodist theology in their foundational studies.

Title: RETAINING THE BAN ON HOMOSEXUAL UNIONS

Discipline ¶341.6

Financial Implications: None

The Alabama-West Florida Annual Conference meeting at Frazer Memorial United Methodist Church on June 3-6, 2007, hereby petitions the 2008 General Conference to retain the current language of ¶341.6, which reads, "Ceremonies that celebrate homosexual unions shall not be conducted by our ministers and shall not be conducted in our churches."

Rationale: This statement reflects the sentiment of most United Methodist members and the majority of citizens in the United States and many other countries. Sanctioning homosexual unions would give the church's approval to homosexual behavior and relationships, which would be inconsistent with 161G. This policy statement is necessary in order to maintain unity in the church.

Discipline ¶161G

Financial Implications: None

The Alabama-West Florida Annual Conference meeting at Frazer Memorial United Methodist Church on June 3-6, 2007, hereby petitions the 2008 General Conference to retain the current language on homosexuality in ¶161G, which reads, *“Homosexual persons no less than heterosexual persons are individuals of sacred worth. All persons need the ministry and guidance of the church in their struggles for human fulfillment, as well as the spiritual and emotional care of a fellowship that enables reconciling relationships with God, with others, and with self. The United Methodist Church does not condone the practice of homosexuality and consider this practice incompatible with Christian teaching. We affirm that God’s grace is available to all, and we will seek to live together in Christian community. We implore families and churches not to reject or condemn lesbian and gay members and friends. We commit ourselves to be in ministry for and with all persons.”*

#### *IN SUPPORT OF MARRIAGE*

**WHEREAS**, the United Methodist Social Principles ( 161C) declare: “We support laws in civil society that define marriage as the union of one man and one woman”;

**WHEREAS**, marriage is a divinely ordained institution that contributes to social harmony and the protection of children;

**WHEREAS**, the Scriptures describe marriage between man and woman as symbolizing the love and faithfulness between God and His people;

**WHEREAS**, marriage has been understood across cultures and across the centuries as the faithful union between man and woman;

**WHEREAS**, the 2006 sessions of two other annual conferences of the United Methodist Church (Dakotas and Holston) have adopted similar resolutions;

**BE IT THEREFORE RESOLVED** that the Alabama-West Florida Annual Conference of the United Methodist Church hereby affirms the United Methodist stance on marriage and support laws in our states, Alabama and Florida, that protect the definition of marriage as the union of one man and one woman.

### RESOLUTION NO. 14

#### *CHANGE OF PERCENTAGES OF MINISTERIAL EDUCATION FUNDS DISBURSEMENTS FROM 75-25 TO 50-50*

**Whereas** the Book of Discipline states, “The duties of the annual conference board of ordained ministry shall be to assume the primary responsibility for the enlistment and recruitment of ordained clergy by working in consultation with the cabinet and the General Board of Higher Education and Ministry...” ¶634.2.a (emphasis added)

**Whereas** the Book of Discipline states, “The duties of the annual conference

board of ordained ministry shall be to work with and support the Order of Deacon and the Order of Elder, including receiving reports, offering financial support, and coordinating the Order's activity with the continuing formation offerings of the board." ¶634.2.o

**Whereas** the Book of Discipline states, "The duties of the annual conference board of ordained ministry shall be to work with and support the Fellowship of Local Pastors and Associate Members (see 323), including receiving reports, offering financial support, and coordinating their continuing formation." ¶634.2.p

**Whereas** the Book of Discipline states, "The duties of the annual conference board of ordained ministry shall be to administer the portion of the Ministerial Education Fund for use by the annual conference in its programs of enlistment, basic professional educational aid, continuing formation, ethnic ministry and language training, and professional growth of ordained ministers. Priority shall be given to scholarships for seminary students preparing for ordination." ¶634.2.u

**Whereas** the Book of Discipline states, "All candidates for ordination as deacon or elder in The United Methodist Church are strongly encouraged to attend United Methodist schools of theology since these schools share with the General Board of Higher Education and Ministry and the conference Boards of Ordained Ministry in the work of preparing persons for ordination and leadership in The United Methodist Church." ¶1422.2 (emphasis added)

**Whereas** the Book of Discipline states, "The United Methodist schools of theology share with the conference boards of ordained ministry the responsibility for the education and formation of candidates for admission to the annual conferences." ¶1423 (emphasis added)

**Therefore, be it resolved** that the Alabama / West Florida Annual Conference, in session at Frazer Memorial United Methodist Church, strongly encourages the General Conference 2008 to be held in Ft. Worth, Texas to amend by addition and deletion Part V, Chapter Five, Section II, ¶816 of The Book of Discipline to reflect a Change in the percentages of Ministerial Education Funds Disbursement as reflected below.

Delete 25 in ¶816.1 and add 50 to read:

1. Of the total money raised in each annual conference for the Ministerial Education Fund, 25 50 percent shall be retained by the annual conference that raised it, to be used in its program of ministerial education as approved by the annual conference and administered through its board of ordained ministry.

And Delete 75 in ¶816.2 and add 50 to read:

2. Of the total money raised in each annual conference for the Ministerial Education Fund, 75 50 percent shall be remitted by the conference treasurer to the treasurer of the council for distribution to the General Board of Higher Education and Ministry for support of ministerial education and shall be administered by that board. It shall be distributed as follows:

Rationale: If the oversight of training for ministry lies within the responsibility of the General Board of Higher Education and Ministry and the conference Boards of Ordained Ministry the funds received specifically for this training should remain within the annual conferences in which it is raised, while leaving sufficient funds at the General level for divisional programs of ministerial enlistment and development.

### RESOLUTION NO. 15

#### *RESOLUTION ON THE INTEGRITY OF MEMBERSHIP IN THE UNITED METHODIST CHURCH*

**WHEREAS** Methodism has always preached that since Christ died for all persons, all persons, regardless of race, gender, or economic status, are invited to receive the gospel; and

**WHEREAS** Methodism has always believed that the invitation demands a response, and that persons are made new creatures in Christ through repentance and faith, and that as new creatures persons are to live holy lives;

**WHEREAS** Methodism traditionally has believed in a regenerated membership; that is, that (professing) membership is reserved for those have been made new creatures in Christ, and are committed to the beliefs and practices of the church;

**WHEREAS** John Wesley himself set a high standard for this when he declared: “not only no common swearer, no Sabbath-breaker, no drunkard, no whoremonger, no thief, no liar, none that lives in any outward sin, but none that is under the power of anger or pride, no lover of the world, in a word none that is dead to God, can be a member of his Church,” (from the sermon “Of the Church”);

**WHEREAS** pastors traditionally have always had the responsibility to proclaim the gospel, to lead persons to Christ, to prepare them for membership, and to discern when persons are duly prepared for membership;

**WHEREAS** our Methodist system of a regenerated membership is endangered by a teaching which asserts, in the name of inclusivity, that there are

no barriers of belief or practice that would prohibit anyone from being a member as long as those persons speak the vows:

**WHEREAS** this teaching would further assert that it is the persons themselves who interpret the meaning of the vows, not the pastor, and a pastor has no right to discern who is or who is not ready for membership, and indeed, may be guilty of a chargeable offense if he or she should in any instance deny or delay membership;

**WHEREAS** such a system of teaching, if it prevails, would leave the United Methodist Church susceptible to charges that it has no standards.

**BE IT THEREFORE RESOLVED**, that the Alabama-West Florida Conference, for its part, affirms belief in a regenerated membership, with the high standards of Methodism, its doctrinal standards, its general rules for its membership, and the responsibility of pastors to nurture, lead, and discern in matters of that membership.

**RESOLUTION NO. 16**

*ON THE HUMANITARIAN CRISIS IN UGANDA*

“Dear children, let us not love with words or tongue but with actions and in truth. This then is how we know that we belong to the truth, and how we set our hearts at rest in his presence ...”

1 John 3:18-19

*I. Origins of a Crisis*

**Whereas**, tribal conflicts in northern Uganda in 1987 led to the formation of the Lord’s Resistance Army (LRA), a rebel militia coalition of Acholi tribesmen formed as a reactionary response to the overthrow of Uganda’s president, also an ethnic Acholi; and

**Whereas**, the LRA commits numerous humanitarian atrocities which are designed to underline the inability of the government to protect the populace, including but not limited to:

- the abduction of children;
- the rape and sexual molestation of children;
- the involvement of children in sexual slavery;
- the use of children in open conflict, often against their own families;
- the widespread use of desensitization to violence to exert psychological control over abductees;
- the physical abuse of abductees including neglect and brutal punishments;
- isolated cases of murder of abductees; and

**Whereas**, 60% of the total number of schools in Uganda are non-functioning due to the insurgency, resulting in over 250,000 uneducated children; and

**Whereas**, thousands of children walk for hours each night to sleep without fear from rebel kidnappings, and walk for hours every morning to return home; and

**Whereas**, the current Ugandan government's actions have been inconsequential at best and have failed to establish any concrete solutions to the crisis; and

### *II. Theological Considerations*

**Whereas**, in the Wesleyan tradition, there is no holiness but social holiness; and

**Whereas**, our social creed calls for us to, "dedicate ourselves to peace throughout the world, to the rule of justice, and law among nations, and to individual freedom for all people of the world;" and

**Whereas**, the Social Principles of the United Methodist Church states, "Children must be protected from economic, physical, emotional, and sexual exploitation and abuse;" and

### *III. Global Considerations*

**Whereas**, United Nations Undersecretary-General for Humanitarian Affairs and Emergency Relief Coordinator Jan Egeland said, "I cannot find any other part of the world that is having an emergency on the scale of Uganda, that is getting such little international attention;" and

**Whereas**, the United Nations Convention on the Rights of the Child acknowledges that all children have certain basic human rights, including the right to life and the right to his or her own name and identity; and

**Whereas**, the Optional Protocol to the Convention on the Rights of the Child on the involvement of children in armed conflict urges governments to prevent the compulsory recruitment of children under the age of eighteen in armed conflict; and

**Whereas**, the International Criminal Court has issued numerous arrest warrants against key figures of the LRA insurgency for crimes against humanity and war crimes; and

**Whereas**, the Diagnostic and Statistical Manual of Mental Disorders (DSM-IV-TR) states that individuals who are involved in or have witnessed an event that involves death, injury, or a threat to the physical integrity of another person face the severe psychological effects of Post-traumatic Stress Disorder including the persistent recurring memory of the traumatic event and the numbing of general response to stimuli, adversely affecting their well-being.

**Therefore, be it resolved** that, we, the Alabama-West Florida Conference, call upon the General Board of Global Ministries, the General Board of Church and Society, and all Annual Conferences to offer humanitarian and psychological aid, where possible, to individuals affected by the current crisis; and

**Therefore, be it further resolved** that, the General Board of Global Ministries designate Invisible Children, Inc., a private relief organization focused on the specific needs of displaced children in Uganda, as an advanced special; and

**Be it further resolved that,** we call upon United Methodists in the United States to implore the United States Federal Government to ratify the United Nations Convention on the Rights of the Child, which all member states of the UN have adopted with the exception of the United States and Somalia; and

**Be it further resolved that,** United Methodists in the United States urge the Federal Government to provide assistance to the ICC and their actions of arresting key perpetrators of the humanitarian violations within the LRA; and

**Be it further resolved that,** the people of the United Methodist Church shall seek social justice, freedom, and peace in Uganda by increasing awareness of the atrocities as well as by contributing monetarily to aid organizations currently assisting in relief efforts in Uganda.

### RESOLUTION NO. 17

#### *USE OF SOUTHEASTERN JURISDICTION PROPERTY TO PROMOTE HOMOSEXUALITY*

**WHEREAS,** Lake Junaluska, a Southeastern Jurisdiction ministry and property of the United Methodist Church, rented its facilities to the Reconciling Ministries Network to host the “Hearts on Fire Conference” event on September 2-5, 2005; and

**WHEREAS,** the Reconciling Ministries Network is a pro-homosexual organization which opposes and seeks to change the stand of the Discipline of the United Methodist Church in regard to the practice of homosexuality, the celebration of same sex union ceremonies, and the ordination of practicing homosexuals; and

**WHEREAS,** the Discipline of the United Methodist Church for over a quarter of a century has stated that it does not condone the practice of homosexuality and declared this practice “incompatible with Christian teaching” (161); and

**WHEREAS**, homosexual persons no less than heterosexual persons are individuals of sacred worth. All persons need the ministry and guidance of the church in their struggle for human fulfillment, as well as, the spiritual and emotional care of a fellowship that enables reconciling relationships with God, with others, and with self; and

**WHEREAS**, The United Methodist Book of Discipline (§806.9) states that “no board, agency, committee, commission, or council shall give United Methodist funds to any gay caucus or group, or otherwise use such funds to promote the acceptance of homosexuality,” and Lake Junaluska is supported by United Methodist funds; and

**WHEREAS**, the Judicial Council has made clear that “all entities of the Church are bound by the provisions of the Discipline, and no entity or individual member of the Church has the right to negate or ignore the Discipline” (Decision #886); and

**WHEREAS**, Lake Junaluska’s own internal policy requires it to rent its facilities only to groups having a mission compatible with the “mission” of the United Methodist Church; and

**WHEREAS**, the use of Lake Junaluska for a pro-homosexual rally is use that is not compatible with the “mission” of the United Methodist Church and violates the spirit, if not the letter, of the Discipline;

**NOW THEREFORE BE IT RESOLVED,**

1. The Alabama-West Florida Annual Conference considers the decision to allow the “Hearts of Fire Conference” to be held at Lake Junaluska to be misguided, divisive, and harmful not only to Lake Junaluska but to The United Methodist Church;
2. The Alabama-West Florida Conference urges that no such future event which seeks to promote the acceptance and the practice of homosexuality should be held at Lake Junaluska; and
3. A copy of this resolution be mailed to the director of Lake Junaluska and to all the bishops of the Southeastern Jurisdiction.

**\* Call to Worship and Greeting**

**Bishop:** We have gathered here to celebrate the lives of those who have served faithfully through the years, and now share the triumph of Christ in glory.

**People:** **We affirm with praise and thanksgiving the goodness of God.**

**Bishop:** Let us rejoice in God's presence with us, in death as in life, among those who mourn as with those who now see Christ face to face.

**People:** **In the midst of our grief we sing with joy, for God's love is over all that has been made. Blessed be God's glorious name forever.**

**Bishop:** The Lord be with you.

**People:** **And also with you.**

**Bishop:** Let us pray. Tender and compassionate God, we seek to know you through the hearing of your Word and pray that we may go beyond hearing to obeying, as shown by the faithful lives of your departed servants whom we honor today. We know that they are precious in your eyes, worthy of your special attention and ours, for they served well in the task that you gave them. Grant that we may feel your presence as did the followers who knew Jesus in the breaking of the bread, and may we experience the fire within that sent them out to share good news. **Amen.**

**Invitation to the Table and Call to Confession**

Rev. Walker Epps

**Leader:** Christ our Lord invites to his table all who love him, who earnestly repent of their sin and seek to live in peace with one another. Therefore, let us confess our sin before God and one another.

**People:** **Merciful God, we confess that we have not loved you with our whole heart. We have failed to be an obedient church. We have not done your will, we have broken your law, we have rebelled against your love, we have not loved our neighbors, and we have not heard the cry of the needy. Forgive us, we pray. Free us for joyful obedience, through Jesus Christ our Lord. Amen.**

(All pray in silence.)

**Leader:** Hear the good news: Christ died for us while we were yet sinners; that proves God's love toward us. In the name of Jesus Christ, you are forgiven!

**People:** **In the name of Jesus Christ, you are forgiven.**

**All:** **Glory to God! Amen.**

**Great Thanksgiving**

Bishop Goodpaster  
 and Rev. David Chunn

The Lord be with you.

**And also with you.**

Lift up your hearts.

**We lift them up to the Lord.**

Let us give thanks to the Lord our God.

**It is right to give our thanks and praise.**

It is right, and a good and joyful thing, always and everywhere to give thanks to you, Almighty God, Creator of heaven and earth:  
 God of Abraham and Sarah,  
 God of Miriam and Moses,  
 God of Joshua and Deborah,  
 God of Ruth and David,  
 God of the priests and the prophets,  
 God of Mary and Joseph,  
 God of the apostles and the martyrs,

God of our mothers and fathers,  
 God of our children to all generations.  
 And so with your people on earth and all the company  
 of heaven, we praise your name and join their unending  
 hymn, saying:

**Holy, Holy, Holy, Lord, God of power and might,  
 heaven and earth are full of your glory. Hosanna  
 in the highest. Blessed is he who comes in the  
 name of the Lord. Hosanna in the highest.**

Holy are you, and blessed is your Son, Jesus Christ. By  
 the baptism of his suffering, death, and resurrection you  
 gave birth to your Church, delivered us from slavery to  
 sin and death, and made with us a new covenant by  
 water and the Spirit.

On the night in which he gave himself up for us, he took  
 bread, gave thanks to you, broke the bread, gave it to  
 his disciples, and said: "Take, eat; this is my body  
 which is given for you. Do this in remembrance of me."  
 When the supper was over, he took the cup, gave  
 thanks to you, gave it to his disciples, and said: "Drink  
 from this, all of you; this is my blood of the new  
 covenant. Do this as often as you drink it, in  
 remembrance of me."

And so, in remembrance of these your mighty acts in  
 Jesus Christ, we offer ourselves in praise and  
 thanksgiving as a holy and living sacrifice, in union with  
 Christ's offering for us, as we proclaim the mystery of  
 faith.

**Christ has died; Christ is risen; Christ will come  
 again.**

Pour out your Holy Spirit on us gathered here, and on  
 these gifts of bread and wine. Make them be for us the  
 body and blood of Christ that we may be for the world,  
 the body of Christ, redeemed by his blood. Renew our  
 communion with all your saints, especially those whom  
 we name before you.

*(As the name of each of the honored is read aloud,  
 their picture will appear on the screen.  
 In reverence, the congregation is invited to stand.)*

Since we are surrounded by so great a cloud of  
 witnesses, strengthen us to run with perseverance the  
 race that is set before us, looking to Jesus, the Pioneer  
 and Perfector of our faith. By your Spirit make us one  
 with Christ, one with each other, and one in ministry  
 to all the world, until Christ comes in final victory, and  
 we feast at his heavenly banquet.

Through your son Jesus Christ, with the Holy Spirit in  
 your holy church, all honor and glory is yours, Almighty  
 God, now and forever. **Amen.**

And now, with the confidence of children of God, let us  
 pray with boldness.

#### Commissioning

*The bishop then says to the congregation:*

Brothers and sisters in Christ, these women and men stand here today, elected as probationary members of this annual conference and commended to us for commissioning to ministry among us.

Christ gave this command: "Ask the Lord of the harvest to send laborers into his harvest." In Antioch, the Holy Spirit instructed the community to "Set apart Barnabas and Saul for the work to which I, the Holy Spirit, have called them." These sisters and brothers know our Savior's concern for God's people, see the plentiful harvest, and are ready to respond generously to the Lord in the words of the prophet: "Here I am, send me."

Urged on by the love of Christ and strengthened by the Holy Spirit, they come to declare in public their desire to bind themselves to the service of God and to be appointed to share in the ministry of Christ. The Church has discerned that they are persons of sound learning and of Christian character, possessing the necessary gifts and signs of God's grace for this ministry.

In commissioning them, we acknowledge and affirm God's calling them and their response to that call; we affirm their gifts, abilities, and training for servant leadership; and we invoke God's grace upon them for true service. We ask you, people of God, to declare your assent to the commissioning of these persons.

**One:** Do you trust that they are called by God's grace to be commissioned?

**All:** **We do so trust! Thanks be to God!**

**One:** Will you uphold them in their ministry?

**All:** **With God's help we will.**

*The bishop examines the candidates:*

Brothers and sisters in Christ, this is a solemn hour in your life and the life of the church. You have shared in the ministry of all the baptized and you have witnessed that Christ calls you into ordained ministry. Serving among us as faithful disciples, we have seen in you gifts and grace for leading the people of God in service.

**One:** Will you give yourself fully to the work of God in the world and to servant leadership in the life and work of Christ's church?

**Commissioners:** Following Christ, I will.

**One:** Will you join with other probationary members for mutual support in the practice of leadership among the people of God?

**Commissioners:** With God's help, I will.

**One:** Let us pray.

*(The whole congregation joins in prayer for the candidates.)*

**Almighty God, may the grace of ministry rest upon these your servants and may the opportunity to serve lead them into the fullness of your calling. Clothe them with your righteousness and grace that they may glorify you by giving themselves to others; through Jesus Christ our Savior and Lord. Amen.**

*Those to be commissioned kneel at the altar. Then, the bishop, laying both hands upon each candidate, prays:*  
Gracious God, with the power of your Holy Spirit, send (name) to lead and equip your Church for ministry. Amen.

*After these individual prayers, the bishop extends his arms over the entire class and says:*

Now, on behalf of the whole Church, I commission you to be faithful servant leaders among the people, to lead the Church in service, to proclaim the Word of God, and to equip others for ministry, in the name of the Father, and the Son, and the Holy Spirit.

*The bishop then prays:*

Lord, help these your servants to understand and live the mystery of your love more completely each day. Deepen their sense of purpose as they fulfill the commissioned ministry of the Church, and prepare for the ordained relationship. Fill them with the spirit of your love so that they may be wholehearted in proclaiming salvation to the people, and in making disciples for the glory of your name. We ask this through Jesus Christ. Amen.

**\* Closing Hymn**

*Forth in Thy Name, O Lord*

Wesley  
UMH #438

**All: Amen!**

**All: We are sent in Christ's name. Thanks be to God!**

**About this worship service:** Bishop Larry M. Goodpaster prepared this Service. During this service, the Annual Conference will commission new probationary members, both Deacons and Elders. Commissioning implies that the person is being "sent" by the annual conference for service, and the annual conference invokes the Holy Spirit to empower commissioned ministers during their time of probationary membership. The probationary period is a time of full service and temporary stage in one's journey toward ordination and full membership in the annual conference. The period of commissioned ministry is concluded when the person is received as a full member of the annual conference and ordained as a deacon or elder, or as a decision is made not to proceed toward ordination.

**Preacher:**

Bishop James R. King, Jr.

### Covenant Service

*(To be found on the back pages of the Appointment Book)*

*\*The congregation is invited to stand.*

**About this worship service:** Bishop Larry M. Goodpaster prepared this Service.

Services of consecration and commitment can be meaningful ways of affirming and empowering people to serve the cause of Christ in our churches, in our communities, and in the world. Many churches install their church leadership with a service of consecration. Others send short-term missionaries like Youth Groups and United Methodist Volunteers in Missions on to their tasks by commissioning them in a worship service. This reminds us of the sacred work that we are called to do, but it also reminds us that we do not serve alone. Not only can we count on God being with us, but those who commission us are encouraged to work through prayer and support.

### Worship Leader:

Bishop Larry M. Goodpaster

Special Thanks to Janet Nabors from Church Street UMC in Selma, Ala., for playing the piano during the Annual Conference business sessions.
