

Dear Primary Friends,  
Reverence means more than just being quiet. Reverence is a special feeling of love and respect for Heavenly Father and Jesus Christ.

Dear Primary Friends,  
What should you do with your MOUTH to show reverence at church? I'll tell you...speak quietly, smile, sing songs, pray, keep closed when someone else is talking.

Millie the Mouse

Dear Primary Friends,  
What should you do with your EYES to show reverence at church? I'll tell you...look at the teacher or speaker, close during the prayers

Millie the Mouse

Dear Primary Friends,  
What should you do with your HAND and ARMS to show reverence at church? I'll tell you... hold still, raise your hand to answer a question, fold them during prayer.

Millie the Mouse

Dear Primary Friends,  
What should you do with your FEET and LEGS to show reverence at church? I'll tell you... walk quietly, and hold very still.

And what should you do with your EARS? ...listen to what is being said.

Millie the Mouse

Dear Primary Friends,

Notice the ways special words, like *thee* and *thou*, are used when the prayers are given. This is a way we show reverence.

Millie the Mouse

Dear Primary Friends,  
Today I will remind you of what David O. McKay said, "Reverence is profound respect mingled with love."

When we show reverence we are showing that we respect and love the things that Heavenly Father has given us and that He's created.

Millie the Mouse

Dear Primary Friends,  
Our meetinghouses belong to  
Heavenly Father, and they are holy  
places. We should dress nicely to  
show our respect and reverence.

Millie the Mouse

Dear Primary Friends,  
We should sing and pray reverently,  
think of Jesus Christ when we  
take the sacrament, and listen  
quietly to our teachers and the  
speakers...so we can hear what  
Jesus Christ wants the Holy Ghost  
to tell us.

Millie the Mouse

Dear Primary Friends,  
When we are reverent at church,  
the Holy Ghost will help us know  
and feel the things that Jesus  
Christ wants to teach us.

Millie the Mouse

Dear Primary Friends  
We can show our reverence for  
Heavenly Father by keeping his  
houses clean and orderly. Please  
pick up any litter you may see in  
the church.

Millie the Mouse

Dear Primary Friends  
Today I challenge you to Try to  
remember one of the stories you  
hear in your Primary class or during  
sacrament meeting. Tell the story  
to someone after church.

Millie the Mouse

Dear Primary Friends,  
There are many ways we can show  
reverence for our church building...  
putting litter in the wastebasket,  
taking good care of the grounds,  
opening and shutting classroom  
doors quietly, whispering in the  
chapel when they need to talk, and  
walking (not running) in the halls.

Millie the Mouse

Dear Primary Friends,  
If someone bothers you or talks  
to you during Church meetings,  
quietly and kindly tell him or her  
that you are trying to be  
reverent.

Millie the Mouse

Dear Primary Friends,  
Remember to fold your arms, bow  
your head, and close your eyes when  
prayers are said.

Millie the Mouse

Dear Primary Friends,

Music is a way we show our love for Heavenly Father...Sing every song today! If you do not know the words, hum.

Millie the Mouse

Dear Primary Friends,

Think of Jesus next Sunday during the sacrament. Think of all the stories you can remember.

Millie the Mouse

Dear Primary Friends,

Say a quiet prayer during the sacrament, thanking Heavenly Father for your blessings and ask Heavenly Father to help you feel his Spirit.

Millie the Mouse

Dear Primary Friends,

Think about something kind you can do for someone during the coming week.

Millie the Mouse

Dear Primary Friends,  
Smile at others in the chapel when they look at you, but do not talk.

Millie the Mouse

Dear Primary Friends,  
Walk quietly in the meetinghouse. Do not run or push other children.

Millie the Mouse

Dear Primary Friends,  
If you need to talk remember to whisper, but don't talk while your teacher is talking.

Millie the Mouse

Dear Primary Friends,  
I have been watching you and you have shown a huge improvement in your reverence! You don't need me anymore; keep showing your leaders how reverent you can be! I'm so proud of you!
