## ...❖ OKIFAX 4580

### PROFESSIONAL DESKTOP FAXING

The compact OKIFAX 4580 is a reliable plain paper fax for SoHo and small offices. It includes a host of professional fax features that add up to a very compelling value-for-price offer. For the future, it provides the flexibility to upgrade as your requirements change. With fast scanning, a 33.6K modem and a large 4MB memory, it can send a full A4 page in under 3 seconds without any compromise in quality. Oki's superior technology ensures that incoming faxes always print with clear and sharp business quality. Best of all, with the network option you can send and receive emails as well as sending faxes via the internet to reduce your communication costs. The ISDN option provides connection to the digital network and even faster communication speeds. While the multi-function kit allows you to print, fax, copy and scan all from your PC screen.

### MAIN FEATURES OF THE OKIFAX 4580

- ...❖ Compact, high speed Digital LED fax with 33k6 modem
- ...❖ High value feature set
- ...❖ Easy upgrade to provide Internet and scan to email connectivity
- ...❖ ISDN option for even faster transmission of documents
- ...❖ Upgrade to provide multi-functionality

The OKIFAX 4580 is the ideal plain paper fax for SoHo and small offices.
