

Lenovo recommends Windows® XP Tablet PC Edition.

ULTRAPORTABLE AND UTTERLY CAPABLE.

THINKPAD X60 TABLET

Starting at 1.70kg/3.8 lb! the ThinkPad® X60 Tablet features Intel® Core™ Duo and Core Solo Processors, support for up to 4GB² RAM, and high-capacity hard drives. Use the stylus, keyboard, or available touch screen to work unplugged for up to 7.5 hours^{3,4}—the longest standard battery life of any convertible tablet among leading vendors. And with an integrated fingerprint reader and the ThinkVantage® Client Security Solution, the most capable tablet is also the most secure.

New Thinking. New ThinkPad.™

lenovo

BEHOLD THE POWER OF FLEXIBILITY.

Lithe and nimble wins the race.

As little as 27.4mm/1.1" thin⁵ and 1.70kg/13.8 lb. light and with 170-degree viewing angles, the ThinkPad X60 Tablet is ideal for anyone who needs an accurate and portable way to work in a variety of environments. A digitizer pen and touch technology, using the Multi-view/MultiTouch screen (select models), offer maximum flexibility and clear viewing indoors or out. And with exceptional standard battery life, you can work unplugged for up to 7.5 hours.

Enjoy faster wireless connections with the ThinkPad 11a/b/g/n integrated wireless card (select models) using existing WiFi protocols and the new Draft N protocol⁶. Or make your ThinkPad notebook a portable hotspot and use WWAN technology (select models) to connect wirelessly to the Internet from within participating providers' coverage areas⁷. ThinkPad X60 Tablets are products of Lenovo, a global company incorporating the former IBM PC Division. Our mission is to bring more innovation to more people so they can do more amazing things.

© 2006 Lenovo. Produced in the USA, 12-06. All rights reserved. **Availability:** All offers subject to availability. Lenovo reserves the right to alter product offerings and specifications at any time without notice. Lenovo is not responsible for photographic or typographic errors. **Warranty Information:** For a copy of applicable product warranties, write to: Warranty Information, P.O. Box 12195, RTP, NC 27709, Attn: Dept. ZPYA/B676. Lenovo makes no representation or warranty regarding third-party products or services. Footnotes: **[1] Weight:** includes battery and optional travel bezel instead of standard optical drive in Ultrabay drive, if applicable; weight may vary due to vendor components, manufacturing process and options. **[2] Hard disk drive:** GB=billion bytes. Accessible capacity is less; up to 4GB is service partition. **[3] Battery:** These model numbers achieved Battery Run-down Time of at least the time shown during testing. A description of the testing is available at lenovo.com/pc/ww/thinkpad/batterylife. Battery life (and recharge times) will vary based on many factors including screen brightness, applications, features, power management, battery conditioning and other customer preferences. **[4] Supports only two batteries in use at one time.** **[5] Thinness:** may vary at certain points on the system. **[6] 11a, 11b, and 11g wireless:** are based on IEEE 802.11a, 802.11b, and 802.11g respectively. The IEEE 802.11n specification has not been finalized and is currently in draft release. The Lenovo and ThinkPad 11a/b/g/n Wireless LAN Mini-PCI Express Adapters are based on the Draft Release, Version 1.0, of the IEEE 802.11n specification. An adapter with 11a/b, 11a/b/g, or 11a/b/g/n can communicate on any of its supported formats; the actual connection will be based on the access point to which it connects. **[7] WWAN Service Providers:** Coverage not available in all areas. Service available via select service providers and is available in select metropolitan markets. Service agreement required. Special credit and tenure restrictions and additional charges may apply to international roaming. A network connection, third-party software, additional hardware, and/or subscription to a third-party service may be required for certain solutions/applications. Additional restrictions apply. Service is subject to the applicable service agreement/terms from the respective service providers, the corresponding rate plan brochure and coverage maps. Offer subject to change. **[8] International Warranty Service:** available for most models in any country in which this product is sold and serviced. Service delivery methods and parts availability vary by country, may be different from that in the country of purchase, and are subject to change without notice. Fees and restrictions may apply in some countries. **[9] Mobile Processors:** Power management reduces processor speed when in battery mode. **[10] Delivered with Microsoft® Windows XP Tablet PC Edition 2005 preloaded and a Recovery Partition on the hard disk drive.** **[11] Memory:** For PCs without a separate video card, memory supports both system and video. Accessible system memory is up to 64MB less than the amount stated, depending on video mode. **[12] Maximum capacity:** may require the replacement of standard component with largest supported component available. **[13] The Bluetooth word mark and logos:** are owned by the Bluetooth SIG, Inc. and any use of such marks by Lenovo is under license. **[14] Internet access not included.** **[15] Limited warranty:** Support unrelated to a warranty issue may be subject to additional charges. **[16] Included Software:** may differ from its retail version (if available) and may not include user manuals or all program functionality. License agreements may apply. Certain IBM and ThinkPad logo products: are not manufactured, warranted or supported by IBM or Lenovo; IBM and Lenovo logos and trademarks used under license. Contact Lenovo for details. **Trademarks:** The following are trademarks of Lenovo: Lenovo, the Lenovo logo, Access Connections, Rescue and Recovery, System Migration Assistant, ThinkPad, ThinkVantage, TrackPoint, UltraBase and Ultrabay. IBM, the IBM logo, Lotus Notes, and SmartSuite are registered trademarks of IBM and are used under license. Microsoft, Vista and Windows are trademarks of Microsoft Corporation. Intel and Core are trademarks of Intel Corporation. Linux is a trademark of Linus Torvalds. Other company, product and service names may be trademarks or service marks of others.
