# KM-1500

## High quality digital copying in a compact design

If you would like a reliable digital copier, with an array of options and features usually found on more expensive machines, the KM-1500 is the most cost effective solution for you.

With its small footprint, the KM-1500 will fit into practically any location. Copies are output to the centre of the machine, so no extra space is required. Although small in size, the KM-1500 can have a big impact, providing valuable support in your office.

Fast and convenient, the KM-1500 copies up to 15 A4 pages per minute. Processing paper up to 163gsm with ease, the KM-1500 is equally happy outputting transparencies.

The KM-1500 is so economical that for the first 100,000 copies, toner cassettes are the only consumable required, reducing service interventions, operating costs and environmental impact.

- **15cpm A4 digital copier**
- **600dpi scan and copy resolution**
- **16MB standard copy memory, expandable to 144MB maximum**
- **550 sheet maximum paper capacity from 3 sources**
- **Time to first copy approx. 9.5 seconds**
- **Long-life drum and developer guaranteed for 100,000 pages**

# KM-1500
