**imageRUNNER 5075 V2/5065 V2/5055 V2 Series**

[Back to Index](#)

Featuring Canon's advanced imageCHIP (Concurrent Hyper Intelligent Platform) system architecture, the imageRUNNER 5075/5065/5055 Series devices deliver digital output at speeds of up to 75ppm, 65ppm, and 55 ppm (letter), respectively. With a long-lasting Amorphous Silicon drum, fast warm-up/recovery times, and a large paper capacity, these devices deliver the solid reliability needed in high volume office and light production environments. The imageRUNNER 5075/5065/5055 devices also feature as standard a brand new Single Pass Duplex Scanner/Feeder that efficiently captures image data from both sides of an original simultaneously. Expanded set finishing/stapling capacities, and advanced folding and document insertion options are also available.

**imageRUNNER 7095 V2 Printer**

[Back to Index](#)

The Canon imageRUNNER 7095 Printer, operating at up to 95-ppm (letter), is excellent for print-only environments performing large volumes of transactions and host-based printing. You can configure the system with a choice of print controller options to execute complex workflows and complete long runs with minimal operator involvement. Using a full range of document handling and finishing accessories, professional publishing needs with available in-line perfect bookbinding, saddle-stitched booklet finishing, hole punching, tab feeding, and high capacity stacking can be accomplished.

**Color imageRUNNER C2880 V2**

[Back to Index](#)

The Color imageRUNNER C2880 model is powered by Canon's evolutionary imageCHIP system architecture. It not only enables simultaneous copying, printing, scanning, sending and faxing, it also delivers output at speeds of up to 28 ppm in monochrome and up to 26 ppm in brilliant color. The Color imageRUNNER model packs a great deal of productivity and technology into a convenient compact design. The Color Rapid Fusing System allows for short warm-up times and quick first-copy-out-times. And with 1200 dpi, the Color imageRUNNER model can address more sophisticated document production needs.

**Color imageRUNNER C5185 PRO System**

Based on four-drum technology, the Color imageRUNNER C5185 / C4580 / C4080 Series delivers speeds of up to 51/45/40 ppm, based on letter-sized documents, respectively, for black-and-white output and up to 51/40/36 ppm, based on letter-sized documents, respectively, for color output. The Color imageRUNNER C5185/C4580/C4080 models come standard with a 100-sheet duplexing automatic document feeder, which can handle multi-page originals at speeds up to 70 images-per-minute. The Color imageRUNNER C5185/C4580/C4080 models are available with a choice of print controllers, including an external print server. This print controller configuration flexibility allows the Color imageRUNNER Series to deliver optimized technology for virtually every color requirement and market segment.

The Color imageRUNNER C5185 PRO System is a complete On-Demand color solution. The components included in the System are the Color imageRUNNER C5185 which delivers output speeds up to 51ppm (LTR size output), the ColorPASS GX200 for production level true postscript 3 processing and job management, Graphics Arts Feature Set ver.2.1 and X-Rite Eye-One for sophisticated color management, imageWARE PrePress Manager ver.1.2 (1 License) which provides advanced Make Ready software integrating in a JDF workflow, and the Integrated interface and Stand-A1 for professional operator environments.

**imageRUNNER C5068/C5058**

[Back to Index](#)

The imageRUNNER C5068/C5058 models deliver impressive, high volume, black-and-white letter sized performance at speeds of up to 68/58 pages per minute (ppm) and color output when you need it at up to 16 ppm (letter). For faster copying and capturing of black-and-white or color documents, the standard 100-sheet Duplexing Automatic Document Feeder can scan originals at speeds of up to 70 ipm (impressions per minute) at 300 dpi. And with high-capacity finishing options, professional output is available for any project - in black and white or with a touch of color for even greater appeal.

**DR-1210C**

[Back to Index](#)

Scan stacks of forms, invoices, or contracts at up to 12 pages per minute with the 35 sheet automatic document feeder and have your projects completed in no time. One of the DR-1210C's best features is that it offers the versatility to scan books, magazines, or business cards using the flatbed capability. High quality 600 dpi scans are produced and projects run smoothly thanks to 3 line CCD sensor technology and automatic image processing features such as Auto Page Size Detection, Text Orientation Recognition, and Deskew.

**DR-2050C**

[Back to Index](#)

The DR-2050C offers high-quality image output, with resolution of up to 600 dpi for all your 24-bit color, grayscale, and black-and-white scanning needs. With scanning speeds of up to 20 pages or 40 images per minute, the DR-2050C was built to provide incredible throughput for high-performance duplex scanning. Superior speed and exceptional value are just the beginning of what makes Canon's DR-2050C scanner a leader in its class. Up to 100 user preference profiles can be programmed and stored for fast, easy access to frequently used settings. A variety of user-friendly image processing functions, such as front and back Color Dropout, Text Enhancement, and Pre-Scan, help you to consistently capture document data with accuracy and simplicity.

0433B002AE	Canon DR-2050C w/ 16/32 bit ISIS Driver for Windows & 16/32 bit Twain Driver for Windows CapturePerfect v3.0 for Windows, Adobe Acrobat v8.0 Standard. OmniPage SE (USB Cable included)	\$615	\$695

**DR-2050SP**

[Back to Index](#)

The Canon DR-2050SP is a sheet-fed scanner that incorporates DR-2050C scanner's streamlined desktop design. The DR-2050SP model scans letter-size documents in black-and-white or grayscale at speeds of up to 20 (simplex) ppm and 40i (duplex) images-per-minute (ipm) and 24-bit color at up to 10 (simplex) ppm 20ii (duplex) ipm. When the Canon DR-2050SP is connected directly to a projector via a VGA cable, this scanner allows users to project images onto a screen of hardcopy scanned documents, data from a USB memory drive or even images captured from an IrDA Infrared including images from mobile devices like PDAs, and cell phones.

**DR-3080CII**

[Back to Index](#)

The DR-3080CII scans at speeds up to 86 images per minute. It offers a wide choice of scanning modes-24-bit color, 256 levels of grayscale and black and white modes, even advanced text enhancement for the documents with text on a dark background. Equipped with dual sensors, the DR-3080CII provides fast efficient one-pass, two-sided scanning, for robust document management and flexible paper handling. Connectivity is easy, too. And with only minimal training, virtually anyone can learn to operate the scanner efficiently in a short amount of time.

**DR-4010C**

[Back to Index](#)

In addition to the 600 x 600 dpi optical resolution, 42 ppm scanning speed, and 100 page automatic document feeder capacity, the 4010C automatically detects page size, straightens and rotates images, and skips blank pages. You can use the scanner control panel and one-touch job buttons to assign routine tasks and get your projects done faster. A dual paper path accommodates a range of document types, so you can scan at high speeds. Included software, like Adobe Acrobat and CapturePerfect, help you to get the most out of this scanner to produce high quality digital images.

**DR-5010C**

[Back to Index](#)

The Canon DR-5010C scanner, which targets production-volume environments, scans in both color and black-and-white at a constant rate of 50 ppm, as well as 100 images-per-minute (ipm) in duplex scanning at the industry standard of 200dpi resolution. For improved OCR results, a Custom Color Dropout feature allows you to remove color elements such as lines or shaded boxes. Automatically optimize readability of documents containing hard-to-scan elements such as faint text or pencil writing with two Text Enhancement modes. The DR5010C comes bundled with Canon's CapturePerfect and Adobe® Acrobat® software, in addition to a full-featured ISIS®/TWAIN driver.

**DR-7090C**

[Back to Index](#)

The Canon imageFORMULA DR-7090C Universal Production Scanner delivers incredible flexibility, image quality and reliability, all at high scanning speeds, by leveraging the technologies from its award winning imageFORMULA and imageRUNNER product lines.

The DR-7090C's combination of flatbed and sheet-fed scanning is capable of withstanding the rigors of continuous use in the low-volume production scanning environment and enable it to handle even the most complex scan tasks. Not knowing the type of hard copy documents are to be scanned is no longer a cause for concern with this universal scanner. The well engineered imageFORMULA DR-7090C scanner can help businesses reduce overhead costs and improve scanning efficiencies.

**DR-7580/9080C**

[Back to Index](#)

The DR-7580/9080C is at the top-end of the DR series. The DR-9080C scans up to 90 pages per minute in B/W or Grayscale mode and 50 ppm in Color mode and the DR-7580 achieves 75 ppm in B/W or Grayscale modes. While it remains the features of the DR series such as space saving / compact design and reliable document handling, it improves its scanning speed, operation, image quality and maintenance dramatically.

**Keyboard Accessories for ShareScan for MEAP**

Item No.	Description	COSTARS Price	MSRP
1187V793	Keyboard Bracket 1 <1>	\$95.04	\$99
1187V794	Keyboard Bracket 2 <2>	\$95.04	\$99
1187V795	Keyboard Bracket 3 <3>	\$95.04	\$99
1187V797	Keyboard Bracket 5 <4>	\$95.04	\$99
1266V426	USB Keyboard (Cherry) <5><6>	\$95.04	\$99

<1>Supported devices: imageRUNNER 3045/3035/3030/3025

<2>Supported devices: Color imageRUNNER C3480/C3480i/C3380/C3380i/C3080/C3080i/C2880/C2880i/C2550

<3>Supported devices: Color imageRUNNER C5185/C5185i/C5180/C5180i/C4580/C4580i/C4080/C4080i

<4>Supported devices: imageRUNNER 5075/5065/5055/5050, imageRUNNER C5068/C5058

<5>Keyboard Support requires ShareScan for MEAP ver. 4.2 or higher. Recommended Keyboard by Cherry-Model G84-4100LCMUS-0, Includes USB and PS/2 connectors

Cherry's website to purchase directly: <http://www.cherrycorp.com/english/keyboards/Industrial/4100/index.htm>

<6> Requires USB Application Interface Board-G1 and Expansion Bus-B1 to support the USB Keyboard on imageRUNNER 3045/3035/3030/3025

**eCopy Maintenance & Support Upgrades**

[Back to Index](#)

Add-on maintenance entitles customers to software upgrades for the active period of the M&S agreement and in the case of ScanStation Suite, entitles customers to hardware replacement parts. May be purchased for ShareScan Essentials, ShareScan Suite, and ScanStation Suite or for older versions of ScanStations.

**1-yr Maintenance & Support Upgrades/Add-on**

Item No.	Description	COSTARS Price	MSRP
6315A804AA	ShareScan Essentials – 1-yr Maintenance & Support Add-on	\$456.00	\$475

<input type="checkbox"/> Fair Market Value		<input type="checkbox"/> \$1.00 Purchase Option	
<input type="checkbox"/> Fixed Price Purchase Option – 10% of Total Cash Price		<input type="checkbox"/> PLUS APPLICABLE TAX	
<b>TERM AND PAYMENT</b>	Initial Lease Term: _____ Months	Lease Payment: _____	Advance Lease Payment (Non Refundable) _____

**TERMS AND CONDITIONS**

**1. LEASE.** You agree to lease the Equipment listed above from us (the "Equipment") on the terms and conditions of this lease agreement ("Lease"). The Equipment will be deemed irrevocably accepted by you upon the earlier of a) the delivery to us of a signed Delivery and Acceptance Certificate or b) 10 days after delivery of the Equipment to you if previously you have not given written notice to us of your non-acceptance ("Acceptance Date"). The Lease commences on the day the Equipment is delivered to you (the "Commencement Date") and the first lease payment shall be payable on the Commencement Date or any other date that we designate, and the remaining Lease payments will be due on the same day of each subsequent month at an address specified by us in writing. If more than one Lease Payment is required in advance, the additional amount will be applied at the end of the initial or any renewal term. You agree to pay interim rent for the period between the Acceptance Date and the Commencement Date. We may charge you, and you agree to pay, a one time processing fee of \$95.00. You authorize us to adjust the Lease payments by up to 15% if the cost of the Equipment, including any trade-up and buyout amounts (the "Total Cash Price") differs from the Supplier's estimate. YOUR LEASE OBLIGATIONS ARE UNCONDITIONAL AND NOT SUBJECT TO CANCELLATION, REDUCTION, SETOFF OR COUNTER CLAIM.

**2. NO WARRANTIES.** You are leasing equipment "AS-IS" AND WE MAKE NO WARRANTIES TO YOU, EITHER EXPRESS OR IMPLIED, INCLUDING WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. We shall transfer to you any manufacturer's warranties of the Equipment.

**3. EQUIPMENT USE AND MAINTENANCE.** You will keep the equipment at the location stated above and maintain it in good working condition, eligible for manufacturer's certification, normal wear and tear excepted. You further agree to pay for any repairs. You will pay all shipping expenses if you return the Equipment to us, anywhere in the United States we tell you.

**4. ASSIGNMENT.** You agree not to transfer, sell, assign, pledge, sublease, or encumber either the Equipment or any right under this lease without our prior written consent. You agree that we may sell, assign or transfer the Lease without notice and the new owner will have the same rights that we have and will not be subject to any claims, defenses or setoffs that you may have against any Supplier.

**5. TAXES AND FEES.** You will pay all excise, sales and use, personal property and all other taxes and charges which may be imposed by any government entity during the term of this Lease, arising from the use, acquisition, ownership or leasing of the Equipment, whether due before or after termination of the Lease. You will reimburse us for all administrative costs associated with the preparation, filing, payment, and other costs necessary to properly administer taxes associated with the Equipment. Where required by law, we will file the personal property tax returns with respect to the Equipment, and you shall pay us in advance, and at the time(s) we require, the taxes that we are liable to be due during the year. If applicable, you agree to pay a supply delivery charge if billed, on a pro-rata basis, plus applicable taxes.

**6. INSURANCE.** You will maintain at your expense (a) property insurance against the loss, theft or destruction of, or damage to, the Equipment for its full replacement value, naming us as loss payee, and (b) public liability and third party property insurance, naming us as an additional insured, and give us written proof of your insurance. If you do not give us evidence of insurance acceptable to us, we have the right, but not the obligation, to obtain insurance covering our interest in the Equipment for the term of this Lease, including any renewal or extensions. We may add the costs of acquiring and maintaining such insurance, and our fees for our services in placing and maintaining such insurance (collectively "Insurance Charge") on which we may earn a profit, to the amounts due from you under this Lease. You will pay the Insurance Charge in equal installments allocated to the remaining Lease Payments. You acknowledge that we are not required to secure or maintain any insurance, and we will not be liable to you if we terminate any insurance coverage that we arrange.

**7. TRANSITION BILLING.** In order to facilitate an orderly transaction, including installation and training and to provide a uniform billing cycle, the "Effective Date" of this Agreement will be the twentieth (20<sup>th</sup>) day of the month following installation. You agree to pay a prorated amount for the period

between the installation date and the Effective Date. This payment for the transition period will be based on the Rental Payment prorated on a 30-day calendar month and will be added to your first invoice.

**8. PURCHASE OPTION: AUTOMATIC RENEWAL.** If no default exists under this Lease, you will have the option at the end of the initial or any renewal term to purchase all (but not less than all) of the Equipment at the Purchase Option price shown above, plus any applicable taxes. Unless the Purchase Option price is \$1.00, you must give us at least 90 days written notice before the end of the initial lease term that you will purchase the Equipment or that you will return the Equipment to us. If you do not give us such written notice or if you do not purchase or deliver the Equipment in accordance with the terms and conditions of this Lease, this Lease will automatically renew for an additional 90-day period, and then on a monthly basis until you exercise a purchase option or deliver the Equipment to us.

**9. DEFAULT AND REMEDIES.** You shall be in default under this lease if (a) you fail to make any Lease payment or other payment within 10 days of its due date, (b) you do not perform any of your other obligations under this lease and this failure continues for 10 days, (c) you become insolvent. If a default occurs, we may do one or more of the following: (a) terminate the Lease, (b) require that you immediately pay to us the balance of unpaid Lease payments plus the Equipment's anticipated residual value plus any other amounts due under this Lease, and (c) exercise any other legal right or remedy that we may have. If any Lease Payment is not paid to us within 3 days of its due date, you will owe us a late charge not to exceed the greater 10% of each late payment or \$20.00 (or such lesser amount as is the maximum allowable under applicable law.) You agree to pay all of our costs of enforcing our rights against you, whether in a bankruptcy proceeding or otherwise, including reasonable attorneys' fees.

**10. OWNERSHIP.** You agree that we are the owner of the Equipment and that the Lease is a "Finance lease" as defined in Article 2A of the UCC; however, in the event it is deemed to be a lease intended for security, you hereby grant to us a first priority security interest in the Equipment. YOU AUTHORIZE US TO FILE A COPY OF THIS LEASE AND/OR ANY OTHER DOCUMENT AS A FINANCING STATEMENT AND APPOINT US OR OUR DESIGNEE AS YOUR ATTORNEY-IN-FACT TO EXECUTE AND FILE UCC FINANCING STATEMENTS ON YOUR BEHALF. TO EXTENT PERMITTED BY APPLICABLE LAW, YOU WAIVE ANY AND ALL RIGHTS AND REMEDIES CONFERRED UPON A LESSEE BY ARTICLE 2A.

**11. INDEMNIFICATION.** You are responsible for any losses, damages, penalties, claims, suits and actions (collectively "Claims"), whether based on a theory of strict liability or otherwise caused by or related to (a) the manufacture, installation, ownership, use, rental, possession, or delivery of the Equipment or (b) any defects in the Equipment. You agree to reimburse us for and if we request, to defend us against, any Claims.

**12. MISCELLANEOUS.** YOU AGREE TO USE THE EQUIPMENT ONLY FOR BUSINESS PURPOSES. YOU WARRANT THAT THE PERSON SIGNING THIS LEASE HAS THE AUTHORITY TO DO SO AND TO GRANT THE POWER OF ATTORNEY SET FORTH IN SECTION 10 OF THIS LEASE. YOU CONFIRM THAT YOU DECIDED TO ENTER INTO THIS LEASE RATHER THAN PURCHASE THE EQUIPMENT. YOU AUTHORIZE US TO CORRECT OBVIOUS ERRORS OR SUPPLY MISSING INFORMATION IN THIS LEASE WITHOUT NOTICE TO YOU. YOU AGREE THAT THIS LEASE WILL BE GOVERNED BY THE LAWS OF THE STATE OF NEW JERSEY. YOU CONSENT TO THE JURISDICTION OF ANY STATE OR FEDERAL COURT LOCATED WITHIN NEW JERSEY. IF A SIGNED COPY OF THIS AGREEMENT IS DELIVERED TO US, IT WILL BE BINDING ON YOU; HOWEVER, WE WILL NOT BE BOUND BY THIS AGREEMENT UNTIL WE ACCEPT IT BY MANUALLY SIGNING IT OR BY PURCHASING THE EQUIPMENT SUBJECT TO THE AGREEMENT, WHICHEVER OCCURS FIRST. YOU AND WE EXPRESSLY WAIVE ANY RIGHTS TO A TRIAL BY JURY.

**PERSONAL GUARANTY**

I HEREBY UNCONDITIONALLY GUARANTY THE PROMPT PAYMENT AND PERFORMANCE OF ALL THE Customer/Lessee's obligations stated above. Davis Financial Services (DFS) is not required to legally proceed against Customer/Lessee or the Equipment before proceeding against me. I waive all defenses and notices to which I may be entitled. This is a continuing guaranty and will remain in effect in the event of my death and may be enforced by any assignee or successor of DFS. I authorize DFS or any of its assignees to obtain personal credit bureau reports regarding my credit history. THIS PERSONAL GUARANTY IS GOVERNED BY THE LAWS OF THE STATE OF NEW JERSEY. I CONSENT TO THE JURISDICTION OF ANY STATE OR FEDERAL COURT LOCATED WITHIN NEW JERSEY AND I EXPRESSLY WAIVE ANY RIGHT TO A TRIAL BY JURY,

**ACCEPTANCE OF DELIVERY**

You certify that all the Equipment listed above has been furnished to you, and that delivery and installation has been fully completed and satisfactory. Further, all terms and conditions of the Lease have been reviewed and agreed to by you. Upon your signing below, your promises herein will be irrevocable and unconditional. You understand and agree that we have purchased the Equipment from the above Supplier, whom you may contact for your warranty rights, which we transfer to you for the term of the Agreement. Your approval as indicated below of our purchase of the Equipment from the Supplier, its delivery and your acceptance is a condition precedent to the effectiveness of the Lease.
