	3900P Product Information	

Material and workmanship	1. The grips on the side are made of soft rubber. 2. Left button and right button with frosted surface. 3. Receiver storage with magnetisms		
Orientation & User Community	High-end mouse For personal computer and business office users		
Planned time to market	March 2014		
Basic specification			
Mouse specification			
Product dimension (LxWxH mm)	104.17x68.17x40.52	Package dimension (LxWxH mm)	TBD
Product weight(g)	TBD	Total weight(g)	TBD
Transmission mode	5G wireless	Ergonomics	Ergonomic design
Working method	Laser tracking engine	Buttons	Left button, middle button, right button, scroll wheel, DPI button, forward and back button
Full travel(mm)	0.35±0.20	Buttons life	3-million times (Left & right button)
Max. acceleration (G)	8	Resolution (DPI)	800/1600
Scroll wheel direction	Four-way scroll wheel(Scroll up/down, scroll side to side)	Max. tracking speed (inch/s)	30
Power supply mode	Alkaline battery (AA *1)	Power button	On the bottom
Working voltage(V)	1.5	Max. working current(mA)	30
Battery life	Two years	Port	USB port
Driver & Driver functions	No	Receiver warehouse	On side of battery slot
Indicator	One LED indicator (Red) The LED will flash ten times slowly after turning on. The LED will flash three times per second when low battery.
