

DPTech Laser-Jet Consumable

Product Catalog

DPTech
Digital Printing Technology

The Best Business-mate in Digital Printing,

DPTech is a leading manufacturing and trading company of digital printing technology in Korea. We've established the worldwide marketing networks through supreme quality and maximum customer value. Since the establishment, we've been receiving a great reputation in the Inkjet and Laser-jet consumable business through the superior quality, customized services, and the continuous R & D.

The Ink-jet products, we're providing the total Ink-jet solutions such as Plotter Ink, Desk-jet Ink, Heat Transfer Paper and other consumables. The Laser-jet products, we're supplying Toner Powder, OPC Drum, Roller, Chip, and other parts.

DPTech believes that our current duty is to hand over more clean pleasant environment to our posterity; therefore, we'd like to be at the top of preserving environment and to be the driving force of human life. Moreover, the technical innovation is essential to improve high performance and better quality.

DPTech is going to be always on your side by providing total digital printing solutions through the high quality products and professional technical services as the world-class your partner in Digital Printing Technology.

DPTech Products Guide

- Toner Powder 03~05**
- OPC Drum 06~13**
- Roller 13~18**
- Chip (High-light) 18**
- Desk-top Bulk Ink (High-light) 19**

Toner Powder for Color / Mono / Developer / Carrier

"Advanced Toner"

DPTech has been developing highest quality Bulk Toner Powder for Printers, MFP, and Copier based on its various experience and unique technology. The excellence of DPTech products has been evaluated by the worldwide customers. DPTech guarantees the quality of products through the strict quality assurance system and the consistent production technology.

Roller - Lower Pressure Roller

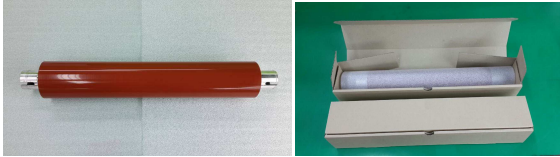

"Reliable Roller"

DPTech has been developing highest quality Roller for Printers, MFP, and Copier based on its various experience and unique technology. The excellence of DPTech products has been evaluated by the worldwide customers. DPTech guarantees the quality of products through the strict quality assurance system and the consistent production technology.

Desktop Bulk Ink for HP / Epson / Canon / Brother / Samsung

"Vivid Color with Stable Quality"

DPTech has been developing highest quality Desktop Ink based on its various experience and unique technology. The excellence of DPTech products has been evaluated by the worldwide customers. DPTech guarantees the quality of products through the strict quality assurance system and the consistent production technology.

Features:

- Intense Colors with Wide Color Gamut
- Reliable Premium Quality Consistency
- Reasonable Price & Universal Ink for Additional Benefits

Packing:

500ml, 1 liter, 5 liter, 10 liter, 20 liter, 200 liter
