

# Playin' Hardball

**PICKLED.** With third base coach Billy Keels looking on, freshman Philip Wilkins dashes home in order to get out of a pickle. Philip's knowledge and experience greatly added to this young team.

**HOME AT LAST.** Locke Frazier slowly jogs home after a teammate drives him in. Locke, a freshman, was honored as Most Improved Player at the Athletic Banquet.

**HITTING THE MARK.** Sub-freshman Jake Gaston stretches out to make the stop at first base. When starter Stuart Edwards found himself on the mound, Jake covered first.

**BATTER UP!** During a home game against Thornwell, Russ Brown undercuts a high pitch. Although Russ was a little off on this pitch, he came through for the Eagles on the next pitch, getting a single.

**ON THE MOVE.** Waiting to pick an opponent off at second, Gill Harkins returns to his position as the ball is pitched. Gill was a valuable asset to the team because of the variety of positions he was able to play.

**ACE OF BASE.** Stuart Edwards digs in at first and prepares for the next play. In only his first year on the baseball team, Stuart earned his teammates' votes for Most Valuable Player.
