

Mass Bay Youth Lacrosse League

MBYLL Mission, Philosophy, Season Goals and Our History

As Mass Bay Youth Lacrosse League (MBYLL) concluded its 2013 spring season & continues to look for ways to improve the league & organization in preparation for our 2014 spring season; we'd like to reinforce MBYLL's mission, philosophy & goals to all our member towns & coaches; and share some history & key reasons why MBYLL continues to grow & thrive today.

Mission: Our mission is to teach, grow and honor the game of lacrosse in your town/city and in every community throughout Massachusetts by providing leadership, guidance, training and structure to all town/city member programs participating in MBYLL's spring game schedule and the annual Mass Bay Jamboree held in June at the end of our season.

Philosophy: Our philosophy in the MBYLL Classic program is all players participate equally (i.e. equal playing time) in all games on evenly balanced teams based on a player's grade, age, skill, size & experience—U15 (7th & 8th), U13 (5th & 6th), U11 (3rd & 4th) & U9 (1st & 2nd)—playing a local game schedule in their region. There are NO 'A' or 'B' or 'stacked' teams, nor standings or playoffs, at any level playing in the MBYLL Classic program & our traditional league games on Sunday's.

Our MBYLL Select program is an additional town-based playing opportunity—NOT a replacement for—a players participation in the MBYLL Classic program. MBYLL Select team players must also participate on their MBYLL Classic team (*Why? See **Goals** below*). MBYLL Select has Divisional standings, playoffs, Championships & grade-level All-Star games.

Our coaches are certified and trained to be teachers of the game and role models focused on player development, teamwork and learning the fun•damentals—especially the 'fun' part. MBYLL is an inclusive organization open to all MA towns and cities where, collectively, we strive to always provide a safe, enjoyable, learning experience for all participants in an environment NOT swept up in the pressure filled, win-at-all-cost mania still too common in youth sports today.

Goals: Our primary goal is for players, coaches, parents, officials & program leaders to have a fun, rewarding experience while always demonstrating sportsmanship on & off the field as together we learn, share & teach the fundamental skills and teamwork required to play the game well. Responsible growth & greater participation at all levels are key secondary goals.

MBYLL provides training, guidance, certification & grade + age-specific rules of play for all member programs, coaches, players & officials with a particular focus on player safety, sportsmanship & fair play for a positive, fun experience for all participants.

Honor the Game: We honor the game by practicing positive coaching, teaching life lessons beyond the playing field and by developing a strong community among all MBYLL players, coaches, parents, officials, leaders and fans that will last a lifetime.

As MBYLL member programs, we continue to improve our lacrosse knowledge and program capabilities each season as we learn, share & teach the game based on speed, stick skills, athleticism and teamwork—and NOT physical intimidation.
