

Sale Catalogue

September 2014

Genus/Species/Cultiva	Notes
<i>Abelia schumannii</i>	Shrub; 1.5m h x 1.5m w; A fast growing, tall, upright evergreen shrub with cardinal red, fully double blooms. Ideally planted in groups, or used as an informal border for great visual displays. Ideal for hedging and screening.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Abutilon "w"</i>	Shrub; Chinese Lantern; 1.5m h x 1.5m w; Hardy evergreen shrub which flowers for much of the year. Flowers are hibiscus-like.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Abutilon "y"</i>	Shrub; Chinese Lantern; Central & Sth America; 1m h x 1m w; Hardy evergreen shrub which flowers for much of the year.; Flowers: All Year; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Abutilon megapotanicum</i>	Shrub; Brazilian Bell Flower; Sth America; 1m h x 1.5m w; Arching cane-like branches with smallish, pendant, bell shaped flowers of pale yellow petals and deep red calyx.; Flowers: Sum/Aut; Flower Colour: Bicolour; Sun/Semi Shade; Adaptable
<i>Abutilon x hybridum</i>	Shrub; Chinese Lantern; 1.2m h x 1m w; Medium shrub with orange bell-like flowers.; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade;
<i>Acacia glaucoptera</i>	Groundcover; Flat Wattle; WA; 0.4m h x 1.5m w; Unusual, straggling shrub. Wing-like phyllodes with yellow globular flowers emerging from central stems in spring. Silver-grey foliage tipped with bronze.; Flowers: Win/Spr; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Achillea filipendulina "Gold"</i>	Groundcover; Yarrow; Caucasus; 1m h x 1m w; Brilliant deep yellow flowers and aromatic bright green foliage.; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained; Drought Tolerant
<i>Aeonium arboreum</i>	Succulent; Canary Islands; 0.5m h x 0.5m w; Succulent with pink-tipped rosette leaves on a basal stem. Flowers, which are usually cream or yellow, come out of the growing points in the center of the rosette. In most cases the plant dies after flowering.; Flowers: Summer; Flower Colour: Yellow; Sun;
<i>Aeonium arboreum var atropurpureum "Schwarzkopf"</i>	Succulent; Black Tree Aeonium; 1m h x 0.3m w; The 20 cm rosette of almost black leaves on an up to 1 m light gray trunk is very showy.; Flowers: Summer; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Aesculus indica</i>	Tree; Indian Horse Chestnut; India; 20m h x 15m w; Rounded tree with glossy leaves on reddish stalks. Buds are not sticky. The flowers are similar to those of the common Horse Chestnut, but open later: white, with pink centre, followed by spiny green fruit.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Agave americana "Variegata"</i>	Succulent; Mexico; 1.8m h x 3m w; Bold sculptural plant with rigid rosette reaching 3-4 feet high and spreading as wide. Its broad, pointed, variegated gray-blue leaves with yellow or white stripes taper to a poisonous sharp spine. Flowers are pale green.; Flowers: Sum/Aut; Flower Colour: Green; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Ajania pacifica</i>	Groundcover; Japan; 0.4m h x 0.8m w; Spreading loose mound of foliage, with white hairs underleaf. Sprays of gold flowers.; Flowers: Autumn; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Ajuga reptans</i>	Groundcover; Common Bugle; Eurasia; 0.2m h x 1m w; Bronze/red foliage. Spreads by runners. Can be invasive.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Adaptable
<i>Ajuga reptans "Caitlin's Giant"</i>	Groundcover; Bugle; 0.2m h x 1m w; Has larger leaves and longer (20cm) inflorescences.; Flowers: Spr/Sum; Flower Colour: Blue; Semi Shade; Moist
<i>Ajuga reptans variegata</i>	Groundcover; Bugle creeper; 0.1m h x 0.8m w; Blue flower spikes in spring, over evergreen cream and green variegated foliage. Ideal for ground cover. Sun or shade, any soil. Spreads by runners. Can be invasive.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Adaptable
<i>Albuca nelsonii</i>	Bulb/Corm; Nelson's Slime Lily; South Africa; 1m h x 0.5m w; Robust evergreen clumping perennial - flowers white with green stripes.; Flowers: Spring; Flower Colour: White; Semi Shade; Adaptable
<i>Alcea rosea "dp"</i>	Perennial; Hollyhock; USA; 1.5m h x 0.6m w; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Well Drained
<i>Alcea rosea "L"</i>	Perennial; Hollyhock; 1.75m h x 0.6m w; Grown for their tall spikes of flowers; Flowers: Sum/Aut; Flower Colour: Lemon; Sun; Well Drained
<i>Alcea rosea "pp"</i>	Perennial; Hollyhock; 1.5m h x 0.6m w; Short lived perennial grown for the tall spikes of pale pink flowers.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Well Drained
<i>Alcea rosea "wy"</i>	Perennial; Hollyhock; Flowers are white and lemon on tall spikes; Flowers: Sum/Aut; Flower Colour: White; Sun; Well Drained
<i>Aloysia triphylla "m"</i>	Shrub; Orange verbena; Americas; 2m h x 2m w; Open shrub with white/mauve raceme flowers and very orange scented foliage.; Flowers: Sum/Aut; Flower Colour: Mauve; Sun; Well Drained; Frost Tender
<i>Aloysia triphylla "w"</i>	Shrub; Lemon Verbena; Americas; 3m h x 3m w; Open shrub with dainty white/lavendar raceme flowers and aromatic foliage.; Flowers: Sum/Aut; Flower Colour: White; Sun; Well Drained; Frost Tender
<i>Alyxia buxifolia</i>	Shrub; Sea Box; Coastal areas of southern states; 1m h x 1m w; C21. Thick, elliptic to obovate leaves and white flowers in cymes between spring and autumn, followed by rounded, red fruits which are about 8 mm in diameter. Indigenous to Geelong area.; Flowers: Sum/Aut; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Amaranthus hypochondriacus</i>	Perennial; Prince's Feather; USA, Mexico, Asia; 1.5m h x 1m w; Short lived perennial with crimson flowers.; Flowers: Sum/Aut; Flower Colour: Red; Sun; Well Drained
<i>Anemone hupehensis</i>	Perennial; Japanese Wind Flower; Japan; 0.5m h x 0.5m w; Fibrous-rooted perennial, evergreen in mild climates. Striking white flowers.; Flowers: Win/Spr; Flower Colour: White; Semi Shade; Moist
<i>Anisodonteia capensis</i>	Shrub; South Africa; 1m h x 1m w; Erect evergreen shrub which flowers all through the year, but mainly in spring-summer.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Anthemis tinctoria</i>	Groundcover; Dyers' Chamomile; Mediterranean; 0.5m h x 0.5m w; Hardy perennial with daisy flowers above dark green crinkled foliage; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Aphanopetalum resinosum</i>	Shrub; Qld, NSW; 2m h x 1.5m w; C21. Bushy shrub or climber with lustrous foliage and masses of greenish cream flowers.; Flowers: Spr/Sum; Flower Colour: Cream; Semi Shade; Moist

Genus/Species/Cultiva**Notes**

<i>Aquilegia vulgaris</i>	Perennial; Granny's bonnet; Europe; 0.5m h x 0.4m w; Clump-forming perennial with blue-green foliage (small fan-shaped leaflets) that emerge from a woody rootstock. The flowering stems usually reach above the foliage and carry spurred, bell-shaped, often pendulous flowers.; Flowers: Spr/Sum; Flower Colour: Purple; Semi Shade; Well Drained
<i>Aristea ecklonii</i>	Grass; Blue Stars; Central & Sthn Africa; 0.4m h x 0.2m w; Spreading evergreen perennial with stiff, upright, grasslike leaves in a tight clump. Flowering stalks covered with dozens of small blue saucer shaped flowers stand above the leaves. Each flower lasts for only one day; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Artemisia arborescens</i>	Shrub; Tree Wormwood; S.E.Europe; 1.5m h x 1.5m w; Perennial shrub with aromatic silver-grey leaves and cream to bright yellow flowers. GBG Silver border.; Flower Colour: Cream; Sun; Adaptable; Drought Tolerant
<i>Artemisia canescens</i>	Shrub; Lacy Wormwood; 0.2m h x 1m w; A small artemisia with very finely cut foliage. An extremely drought tolerant slow spreading plant , ideal candidate for the rock garden, edging or for the front of a well maintained border. Foliage ranges from a pale grey to silver. GBG Silver Border.; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Artemisia ludoviciana "Valerie Finnis"</i>	Perennial; Wormwood; 0.2m h x 0.9m w; An outstanding silver leafed plant for the front of a sunny border growing to 20cm and slowly spreading. GBG Silver Border.; Flower Colour: Cream; Sun; Adaptable
<i>Asarina scandens</i>	Climber; Mexico; 2m h x 1m w; Flowers: Sum/Aut; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Atriplex nummularia</i>	Shrub; Old Man Saltbush; Inland Australia; 3m h x 2m w; Handsome erect shrub with roundish silvery-grey leaves. Good hedge plant in arid areas. Flowers are very small.; Sun; Well Drained; Drought Tolerant
<i>Atriplex paludosa</i>	Shrub; Marsh Saltbbush; 1m h x 1.5m w; Flowers: All Year; Any; Adaptable
<i>Aucuba japonica "Variegata"</i>	Fern/Shade; Gold Dust Plant; 1.5m h x 2m w; This evergreen shrub has dense, glossy foliage that appears splashed with yellow paint. Gold-dust plant can compete with nearby tree roots and responds well to pruning.; Shade/Semi Shade; Well Drained
<i>Ballota pseudodictamnus</i>	Perennial; Shrubby Horehound; 0.4m h x 0.6m w; This distinctive evergreen sub-shrub forms a distinctive ground hugging silver mound, producing a display of pink/white flowers in late spring.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Bambusa nana</i>	Grass; Dwarf Bamboo; China; 1m h x 1m w; Dwarf variegated bamboo. Hardy, fast-growing bamboo with many branches making it perfect for hedging. It enjoys wet feet and boggy areas.; Semi Shade; Moist
<i>Berberis soulieana</i>	Shrub; China; 1.5m h x 1m w; Evergreen shrub with clusters of creamy-yellow flowers and long spines.; Flowers: Summer; Flower Colour: Cream; Sun/Semi Shade; Adaptable
<i>Billbergia zebrina</i>	Fern/Shade; 1m h x 0.2m w; Epiphytic perennial with striped foliage and stunning flowers of watermelon pink with blue and cream.; Flowers: Aut/Win; Flower Colour: Pink; Sun; Well Drained
<i>Bletilla striata</i>	Bulb/Corm; Hyacinth Orchid; Asia; 0.6m h x 0.3m w; Tall sprays of miniature orchid type flowers. Form broad clumps of foliage, soft pleated leaves rising from tubers.; Flowers: Summer; Flower Colour: Pink; Semi Shade; Well
<i>Brachyscome multifida</i>	Groundcover; Cut leaf daisy; 0.25m h x 0.25m w; C21. Low growing perennial herb. Flowers range in colour from mauve and purple to pinks, whites and lemon throughout the year with major flushes in Spring and Summer. Indigenous to Geelong area.; Flowers: Spr/Sum; Flower Colour: Various; Sun/Semi Shade

Genus/Species/Cultiva	Notes
<i>Brachyscome multifida</i> "w"	Groundcover; 0.3m h x 0.3m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Brachyscome segmentosa</i> "jumbo tricolour"	Groundcover; 0.3m h x 0.5m w; Flowers: Win/Spr; Flower Colour: Mauve; Semi Shade; Moist
<i>Brachyscome</i> sp "pink candy"	Groundcover; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Brachyscome spathulata</i>	Groundcover; Spoon Daisy; Eastern Australia; 0.4m h x 0.2m w; Perennial rosette herb with yellow-centred blue/purple 'daisy' flowers. Natural habitat is riparian scrub or woodland. Hybridises - so some variation in colour.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Moist
<i>Brunoniella australis</i>	Groundcover; Blue Trumpets; NSW, Vic, WA (in woodland areas); 0.1m h x 0.3m w; Prostrate or erect herb, often sprawling or scrambling, with few branches. Clusters of tuberous roots are joined by an underground rhizome. Blue trumpet flowers in leaf axils.; Flowers: Spr/Sum; Flower Colour: Blue; Shade/Semi Shade; Adaptable
<i>Buddleja</i> "Silver Anniversary"	Shrub; Asia; 1.5m h x 1.2m w; Compact plant with felted silver foliage and ivory-white flowers. GBG silver border. Aka B. Morning Mist.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Buddleja</i> . "w"	Shrub; Butterfly Bush; Asia, USA.; 3m h x 3m w; Upright shrub with arching branches & silvery appearance.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Buddleja asiatica</i>	Shrub; Asia; 3m h x 2m w; Long nodding spikes of fragrant white flowers. Can be used as cut flowers. Long narrow greyish leaves on slender branches; Flowers: Win/Spr; Flower Colour: White; Sun; Well Drained
<i>Buddleja davidii</i> "Cardinal"	Shrub; 2m h x 1.5m w; Upright shrub with arching silvery branches & dense cones of pinkish purple flowers.; Flowers: Sum/Aut; Flower Colour: Magenta; Sun/Semi Shade; Adaptable; Drought Tolerant
<i>Buddleja davidii</i> "w"	Shrub; 2m h x 1.5m w; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Buddleja fallowiana</i> "Lochinch"	Shrub; Summer Lilac; 3m h x 2m w; 'Lochinch' has extremely fragrant lilac-blue flowers with orange eyes. It is a cross between <i>B. davidii</i> and <i>B. fallowiana</i> , with silvery appearance. Its arching, mounded habit typically reaches 3 to 5 feet in one season, but can grow much taller.; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Adaptable
<i>Bulb unknown</i>	Bulb/Corm; Unidentified bulbs from 2013 stocktake. Origin - Jackie Kos
<i>Bystropogon canariensis</i>	Shrub; Canary Islands; 2m h x 1m w; Evergreen shrub with small grey-green leaves with a Pennyroyal scent. Masses of fluffy grey flowers are produced almost throughout the summer and autumn. The flowering stems are fantastic for floral art and last for ages.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Camellia japonica</i> "Brushfield's Yellow"	Shrub; Asia; 5m h x 4m w; Flower Colour: Cream; Shade/Semi Shade; Moist
<i>Camellia japonica</i> "C.M. Hovey"	Shrub; Asia; 5m h x 4m w; Flowers: Win/Spr; Flower Colour: Red; Shade/Semi Shade; Moist
<i>Canna</i> "Intrigue"	Perennial; Central America; 2.5m h x 0.7m w; Large perennial with a rhizomatous rootstock & narrow pointed burgundy leaves. Flowers are orange/apricot, fading to pink.; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade; Moist
<i>Canna</i> "King of Siam"	Perennial; 1m h x 0.5m w

Genus/Species/Cultiva**Notes**

<i>Canna</i> . "L bp"	Perennial; Tropical & Sth America; 2m h x 0.5m w; Large perennial with a rhizomatous rootstock. The broad, flat, alternate leaves grow out of a stem in a long narrow roll and then unfurl.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Well Drained
<i>Canna</i> . "M y"	Perennial; Sth America; 1.5m h x 1m w; Medium perennial with a rhizomatous rootstock. The broad, flat, alternate leaves grow out of a stem in a long narrow roll and then unfurl.; Flowers: Sum/Aut; Flower Colour:
<i>Canna</i> . "MG a"	Perennial; Tropical & Sth America; 1.2m h x 0.5m w; Medium perennial with a rhizomatous rootstock. The broad, flat, alternate leaves grow out of a stem in a long narrow roll and then unfurl.; Flowers: Sum/Aut; Flower Colour: Apricot; Sun; Well Drained
<i>Canna</i> . "Mr"	Perennial; 1.5m h x 0.5m w; Large perennial with a rhizomatous rootstock. The broad, flat, alternate leaves grow out of a stem in a long narrow roll and then unfurl.; Flowers: Sum/Aut; Flower Colour: Red; Sun/Semi Shade;
<i>Canna</i> . "S o"	Perennial; Tropical Sth America; 1m h x 1m w; Small canna. Flowers are orange, fading to salmon pink.; Flowers: Sum/Aut; Flower Colour: Orange; Sun; Moist
<i>Canna iridiflora</i>	Bulb/Corm; Sth America; 2m h x 1m w; Flowers are a shocking pink.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Canna x generalis</i>	Perennial; Mixed; 1.5m h x 1m w; Large perennial with a rhizomatous rootstock. The broad, flat, alternate leaves can be reddish, green or variegated & grow out of a stem in a long narrow roll and then unfurl.; Flowers: Sum/Aut; Flower Colour: Various; Sun/Semi Shade; Adaptable
<i>Cantua buxifolia</i>	Shrub; Sacred Flower --; South America; 2m h x 1m w; Sacred flower of the Incas, Magic Flower has pendulous, trumpet-shaped flowers on weak stalks. Widely cultivated for the elegance of its brightly coloured flowers often in stark contrast with the bare, untidy stems and branches.; Flowers: Spring; Flower Colour: Pink; Sun; Well Drained
<i>Carissa macrocarpa</i>	Shrub; S Africa; 2m h x 2m w; Dense shrub. Grows quickly. Red fleshy fruits which make delicious jelly.; Flowers: Spr/Sum; Flower Colour: White; Sun
<i>Carpobrotus glaucescens</i>	Succulent; Eastern states; 0.2m h x 0.8m w; Succulent coastal groundcover native to temperate eastern Australia. Succulent leaves are straight or slightly curved. Flowers are 3.2-6 cm wide, and light purple; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained
<i>Castanospermum australe</i>	Tree; Qld Black Bean; Qld; 9m h x 5m w; Rainforest tree with pea-like flowers which turn from yellow to orange-red, followed by long seed pods. Can be grown in pots.; Flowers: Autumn; Flower Colour: Orange; Sun; Moist
<i>Cedronella canariensis</i>	Perennial; Balm of Gilead; Canary Islands; 1m h x 0.5m w; Perennial with cane-like stems spreading from a woody base, fresh green leaves & mauve-pink to white flowers.; Flowers: Summer; Flower Colour: Mauve; Sun; Well
<i>Centradenia floribunda</i>	Shrub; Mexico; 0.2m h x 0.2m w; Flowers: Win/Spr; Flower Colour: Pink; Semi Shade; Well Drained
<i>Centranthus ruber "Albus"</i>	Shrub; Valerian; 0.9m h x 0.5m w; Bushy, clump-forming, woody-based perennial which produces a showy bloom in poor soils from spring to frost. 'Albus' is a white-flowered form of the popular red valerian. Small, star-shaped, white flowers appear in dense terminal clusters.; Flowers: Spr/Sum; Flower Colour: White; Sun; Adaptable; Drought Tolerant
<i>Cephalotaxus fortunei</i>	Tree; Chinese plum yew; North Burma/China; 5m h x 3m w; Hardy shrub or small tree with whorled branches and linear curved leaves. Glossy purplish brown seeds with a fleshy covering.; Flowers: Spring; Flower Colour: Cream; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Cerastium tomentosum</i>	Groundcover; Snow in Summer; 0.15m h x 0.15m w; Spreading plant with narrow silver leaves and star flowers. It can be used as a groundcover or in rock gardens. GBG silver border.; Flowers: Spr/Sum; Flower Colour: White; Sun; Dry; Drought Tolerant
<i>Ceratostigma willmottianum</i>	Perennial; China. S.E. Asia; 1.5m h x 1.5m w; A tough sun loving shrub with pure blue flowers in late summer, the flowering continues into autumn at the same time as the leaves turn red.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Cestrum fasciculatum "Newellii"</i>	Shrub; 3m h x 2.5m w; Evergreen shrub with arching branches and narrow ovate dark-green leaves. From spring till autumn Red Cestrum puts out dense blooms of crimson tubular flowers.; Flowers: Sum/Aut; Flower Colour: Magenta; Sun/Semi Shade; Adaptable
<i>Chamelaucium uncinatum "BurgundyBlush"</i>	Shrub; Geraldton wax; W.A.; 2m h x 2m w; Medium open shrub to 2m, with striking burgundy flowers in spring. Flower size & colour varies. Needs full sun and very good drainage.; Flowers: Spring; Flower Colour: Pink; Sun; Well Drained
<i>Choisya ternata</i>	Shrub; Mexican Orangeblossom; Mexico; 2m h x 2m w; Rounded evergreen with glossy leaves and perfumed white flowers.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Chrysanthemum "b"</i>	Perennial; From perennial border - Tawny brown pompom flowers with a yellow centre.; Flowers: Aut/Win; Flower Colour: Brown; Sun; Well Drained
<i>Chrysanthemum "y"</i>	Groundcover; 0.4m h x 0.2m w; Flowers: Autumn; Flower Colour: Yellow; Sun/Semi Shade; Adaptable
<i>Cistus "(JF)"</i>	Shrub; Rock Rose; Judy Fyfe's garden; 1.5m h x 1m w; From JF's garden. Colours yet to be identified.; Flowers: Sum/Aut; Flower Colour: Various; Sun/Semi Shade; Adaptable
<i>Cistus purpureus</i>	Shrub; Rock Rose; 1m h x 1m w; Rounded evergreen bush with dark pink flowers & bright yellow stamens.; Flowers: Summer; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Citharexylum spinosum</i>	Tree; Fiddlewood; Sth America; 5m h x 3m w; Evergreen tree with spectacular bronze foliage in winter and spring. Small fragrant flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable; Frost
<i>Clematis microphylla</i>	Climber; Travellers' Joy; All eastern states; 5m h x 0.1m w; Light climber or groundcover with twining stems and starry white-cream flowers.; Flowers: Summer; Flower Colour: Cream; Semi Shade; Well Drained
<i>Clivea miniata</i>	Fern/Shade; Bush Lily; S.Africa; 0.5m h x 0.5m w; Evergreen with strap-shaped semi-erect leaves. Stems each produce a head of erect orange or orange-red flowers. Drought tolerant when established;; Flowers: Win/Spr; Flower Colour: Orange; Shade; Well Drained; Drought Tolerant; Frost
<i>Clivea nobilis</i>	Fern/Shade; S.Africa; 0.8m h x 0.5m w; Evergreen with strap-shaped semi-erect leaves. Stems each produce a head of pendant orange or orange-red flowers. Drought tolerant when established;; Flowers: Win/Spr; Flower Colour: Orange; Shade; Well Drained
<i>Cordyline australis</i>	Grass; Cabbage Tree Palm; NZ; 10m h x 2m w; Strappy plant which grows first on a single stem, dividing into a much-branched crown. The leaves are sword-shaped, with numerous parallel veins. The flowers are small & creamy white, produced in a large, dense cluster. The fruit is a white berry.; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Coreopsis grandiflora</i>	Groundcover; 0.5m h x 0.5m w; Compact perennial form with very showy flowers. Lanceolate leaves are up to 4 inches (10 cm) long by 1 inch (2.5 cm) wide and medium to dark green.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Coreopsis sp</i>	Groundcover; 0.45m h x 0.45m w; Flowers: Summer; Flower Colour: Yellow; Sun; Adaptable
<i>Cornus stolonifera</i>	Shrub; Red Osier Dogwood; North America; 2.5m h x 3m w; Deciduous shrub suckering freely. Young shoots are dark red especially in winter. Location: 2nd long bed on north side GBG; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Correa "Bush Pearl"</i>	Shrub; 0.25m h x 1m w; Flowers: Aut/Win; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Correa "Federation Belle"</i>	Shrub; 0.4m h x 1m w; Thought to be a hybrid between C. 'Marion's Marvel' and C. reflexa var. speciosa. A small rounded shrub approximately 30 - 40 cm x 1m. Leaves dark-green, flowers rose pink becoming pale green towards tips from late summer to early winter.; Flowers: Aut/Win; Flower Colour: Pink; Semi Shade; Moist
<i>Correa "mallee fire"</i>	Shrub; 0.5m h x 0.7m w; Flowers: Win/Spr; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Correa "Marion's Marvel"</i>	Shrub; SA; 2m h x 3m w; Hardy shrub with yellow-green bell flowers with hints of pink that look great in floral arrangements. Foliage is shiny and attractive, usually rounded and neat. Can be trimmed as a hedge. C. reflexa x C. backhousia.; Flowers: Aut/Win; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Correa "Skye Bells"</i>	Shrub; 1.2m h x 1.2m w; A cultivar of correa reflexa. Flowers are pink with white tips.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Correa alba "C"</i>	Shrub; 0.5m h x 0.7m w; Dense compact form of shrub with glaucous, almost round leaves. Bears open white (rarely pink) flowers mainly in winter, but there are some flowers for most of the year. Good coastal plant.; Flowers: Winter; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Correa alba "St Andrews"</i>	Shrub; 1.5m h x 1m w; Fast growing with white bell shaped flowers opening to 4 star blooms.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Correa pulchella "Winter Pink"</i>	Shrub; SA?; 0.5m h x 0.5m w; Dainty small shrub with dense habit.; Flowers: Winter; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Correa pulchella (Kangaroo</i>	Groundcover; SA; 0.2m h x 0.5m w; C21. Dainty prostrate shrub with variable leaves and vivid orange-pink bell-shaped flowers.; Flowers: Aut/Win; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Correa reflexa "pl"</i>	Shrub; 1.5m h x 1m w; Flowers are lemon and pink.; Flowers: Winter; Flower Colour: Pink; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Correa reflexa (Brisb.Ra.)</i>	Shrub; Brisbane Ranges; 0.6m h x 1m w; C21. Low shrub with stunning yellow-tipped red flowers. Flowers are larger than normal correa bells. Indigenous to Geelong area.; Flowers: Win/Spr; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Correa reflexa (Carpenters' Rocks)</i>	Shrub; 1m h x 1m w; Evergreen shrub growing with small clasping heart shaped green leaves. These are dark green and shiny above, paler beneath.. Bright vermilion red, bell-shaped flowers are tipped with chartreuse.; Flowers: Win/Spr; Flower Colour: Red; Sun/Semi Shade;
<i>Correa reflexa var. nummularifolia</i>	Shrub; 0.5m h x 1m w; Spreading shrub to 40cm high x 1m wide - small neat oval leaves are a feature - cream bell-shaped flrs in Wi & Sp - requires good drainage - frost tolerant - sun or part shade.; Flowers: Win/Spr; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Correa sp.</i>	Shrub; 2m h x 2m w; Correas vary and hybridise easily: these are of uncertain species.; Flowers: Win/Spr; Flower Colour: Lemon; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Cotyledon orbiculata</i>	Succulent; South Africa; 0.05m h x 0.3m w; Silver foliage. Succulent shrub with grey, opposite leaves with red margins and a powdery bloom. Ground cover. GBG Silver Border.; Flowers: Summer; Flower Colour: Orange; Sun;
<i>Cotyledon undulata</i>	Succulent; 0.8m h x 1.5m w; Succulent with large powdery-silver-grey leaves. Semi frost-tolerant.; Flower Colour: Orange; Sun/Semi Shade; Well
<i>Crassula ovata "Hummels Sunset"</i>	Succulent; Africa; 0.3m h x 0.2m w; Flowers are white with pink tints; Flowers: Win/Spr; Flower Colour: White; Sun; Well Drained
<i>Crithmum maritimum</i>	Herb; Rock Samphire; U.K.; 0.4m h x 0.9m w; Culinary herb. Rock samphire has fleshy, divided aromatic leaves with a pleasant, hot and spicy taste. The stems, leaves and seed pods may be pickled in hot, salted, spiced vinegar, or the leaves used fresh in salads.; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained
<i>Crocasmia "Red Lucifer"</i>	Bulb/Corm; 1m h x 0.6m w; Cousins to the gladiola, these are hardy plants that produce clumps of green sword-shaped leaves, with tall, arching spikes of funnel-shaped blossoms in brilliant flame red.; Flowers: Sum/Aut; Flower Colour: Red; Sun; Well Drained
<i>Cussonia paniculata</i>	Tree; Highveld cabbage tree; South Africa; 2m h x 1m w; Large shrub or small tree with a thin trunk and long stemmed blue green leaves, giving a silvery appearance. Very drought tolerant.; Flowers: Summer; Sun; Well Drained; Drought Tolerant; Frost Tender
<i>Cyclamen "Mixed Colours"</i>	Bulb/Corm; Mediterranean; 0.3m h x 0.3m w; Cyclamen is a genus of 23 species of perennials growing from tubers, valued for their flowers with upswept petals and variably patterned leaves. Most modern cultivars are descended from <i>C. Persicum</i> .; Flowers: Winter; Flower Colour: Various; Sun/Semi Shade; Well Drained
<i>Cymbidium sp?</i>	Fern/Shade; Orchid; 0.5m h x 0.5m w; Variety of orchids, currently unidentified (2012).; Flowers: Win/Spr; Flower Colour: Various; Sun/Semi Shade; Well Drained
<i>Cyperus albostratus "Variegatus"</i>	Grass; South Africa; 0.3m h x 0.6m w; An attractive foliage plant for use in wet boggy places. Flowers are very small; Sun; Moist
<i>Cyperus lucidus</i>	Grass; Chocolate soldier; Eastern states, incl. Geelong region; 1m h x 0.3m w; Robust perennial sedge growing from a short, thick rootstock. The leaves are thick and glossy, flowers form an attractive head which is bright red when young, turning red-brown as it matures. Indigenous to Geelong area.; Flowers: Spring; Flower Colour: Red; Sun/Semi Shade; Moist
<i>Cyperus vaginatis</i>	Grass; Flat Sedge; NSW; 1m h x 0.5m w; Tussock-forming perennial with short, thick rhizome. Native umbrella rush. Stems to 1m tall topped with pointed leaves. Grows in damp soil to 10cm deep water in full sun.; Flowers: Sum/Aut; Flower Colour: Green; Sun/Semi Shade; Well Drained
<i>Dahlia "Country Fire"</i>	Bulb/Corm; 0.9m h x 0.5m w; Branching, tuberous tender perennial.; Flowers: Summer; Flower Colour: Orange; Sun; Adaptable
<i>Dahlia "y"</i>	Bulb/Corm; 1m h x 0.7m w; Branching, tuberous tender perennial with single yellow flowers.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun; Adaptable
<i>Dahlia "Yellow Blush"</i>	Bulb/Corm; 1m h x 0.7m w; Branching, tuberous tender perennial with single yellow flowers.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun; Adaptable
<i>Dahlia collerette</i>	Bulb/Corm; Central America; 1.5m h x 0.5m w; Open pink blooms with an inner ring of white florets and yellow stamens.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Well Drained
<i>Dahlia imperialis</i>	Bulb/Corm; Tree Dahlia; Central America; 4m h x 1m w; Tall perennial with thick bamboo-like stems & double white flowers; Flowers: Autumn; Flower Colour: White; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva

Notes

<i>Derwentia perfoliata</i>	Shrub; Digger's speedwell; NSW, ACT, Vic. including Brisbane Ranges; 1m h x 1m w; C21. Indigenous to Geelong area. Perennial with distinctive silver grey leaves on arching stems and terminal sprays of blue-violet flowers. This plant flowers for much of the year, mainly in spring and summer.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Derwentia perfoliata</i> "Brisbane Ranges form"	Shrub; diggers speedwe;;; Vic, Brisbane Ranges; 0.75m h x 1m w; Has smaller, pointier leaves than the standard form. Perennial with distinctive silver grey leaves on arching stems and terminal sprays of blue-violet flowers. This plant flowers for much of the year.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Deutzia scabra</i>	Shrub; Fuzzy Deutzia; Asia; 2m h x 3m w; Arching shrub with dense cylindrical pannicles of honey scented white flowers tinged with pink.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Deutzia scabra</i> "Variegata"	Shrub; wedding bush/fuzzy deutzia; Japan/China; 3m h x 2m w; Deciduous hardy shrub with long dull rough textured leaves and pannicles of white bell-shaped flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Moist
<i>Dianella callicarpa</i>	Grass; Beauty Berry; 0.5m h x 0.5m w; C21. Evergreen perennial with grass-like leaves. Plant is mat-forming, from stout, creeping rhizomes. Berries are dark blue to purple and long-lasting. Similar to <i>D.tasmanica</i> . Rare in Victoria.Top Ten GBG.; Flowers: Spring; Flower Colour: Blue; Sun/Semi Shade; Moist
<i>Dianella revoluta</i>	Grass; Most states. Indigenous Geelong area.; 1m h x 0.7m w; C21. Hardy clumping plant with flax-like leaves and bright blue flowers with prominent yellow anthers, followed by blue globular fruit. Indigenous to Geelong area.; Flowers: Spring; Flower Colour: Blue; Sun/Semi Shade; Adaptable
<i>Dichondra argentea</i> "Silver Falls"	Groundcover; 0.12m h x 1.2m w; Spectacular groundcover that is very easy to grow, with grey-blue leaves and insignificant flowers. GBG silver border.; Sun/Semi Shade
<i>Dichroa versicolor</i>	Shrub; S.E. Asia; 1.5m h x 1m w; Hardy shade loving shrub with white buds which open to all shades of beautiful bi-coloured blue. It is quite suitable for container growing. Planted along driveways and large garden pathways in rows, it makes a lovely loose shaped and colourful hedge.; Flowers: Spring; Flower Colour: Blue; Sun/Semi Shade; Adaptable
<i>Dicliptera suberecta</i>	Groundcover; King's Crown; Uruguay; 0.4m h x 0.4m w; Low spreading perennial with profuse orange-red flowers. Silver grey leaves.; Flowers: Summer; Flower Colour: Orange; Sun; Well Drained; Drought Tolerant
<i>Dierama pulcherrimum</i>	Bulb/Corm; Fairy Fishing Rod; Sth Africa; 1.5m h x 0.3m w; Graceful plant with flowers appearing on the end of long stems 40 - 100cm. Pink or white pendulous bell shaped flowers above grasslike evergreen foliage.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Dietes bicolor</i>	Grass; Spanish/African Iris; South Africa; 1m h x 1m w; Hardy strappy tufted plant with cream & brown flowers.; Flowers: Spr/Sum; Flower Colour: Cream; Sun; Well Drained; Drought Tolerant
<i>Dietes grandiflora</i>	Grass; Wild iris; South Africa; 1m h x 1m w; A tall strappy grass with white/blue iris flowers. Very hardy.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Dietes iridioides</i>	Grass; southern Africa; 0.6m h x 0.5m w; Branching wiry stems with iris like white flowers with central yellow & mauve marks.; Flowers: Spr/Sum; Flower Colour: White; Semi Shade; Well Drained

Genus/Species/Cultiva

Notes

<i>Disphyma crassifolium</i>	Succulent; Rounded Noon Flower; Vic., SA; 0.1m h x 0.4m w; Hardy succulent which is especially good for areas where salinity is a problem. It would be good on an embankment. The plant makes roots at each node where it touches the soil.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained; Drought Tolerant
<i>Dodonaea viscosa ssp spatulata</i>	Shrub; Sticky Hop Bush; All states except N.T.; 3m h x 1m w; Medium shrub found in temperate and semi-arid areas. The 3-4 winged fruits vary in colour from cream to red. A wind pollinated plant with stigmas having a broad sticky collecting surface ideal for catching airborne pollen.; Flowers: Spring; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Doryanthes excelsa</i>	Perennial; Gynea Lily; East Coast; 1.4m h x 2.1m w; Stiff rosette of broad sword shaped leaves 1-2 metres long. Large globular flower head of bright red flowers on a single stiff stem which may reach 4 metres. Plants may take 10 years to flower.; Flowers: Spr/Sum; Flower Colour: Red; Sun; Well Drained
<i>Duranta erecta</i>	Shrub; Pigeon Berry; Central America; 3m h x 2m w; Flowers are pale mauve blue with a cream eye. Fruits in late summer and autumn with small yellow berries.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained
<i>Dyckia sp</i>	Succulent; Sth America; 0.5m h x 0.5m w; Tough bromeliad with stiff and thorny leaves. Prefers rocky and/or sunny areas and has a natural tendency to clump leading to thick, large mats. Multiple red, yellow or orange flowers on a thin stalk that emerges from the side of the plant.; Flowers: Spring; Flower Colour: Orange; Sun; Well Drained
<i>Dymondia margaretae</i>	Groundcover; Sth Africa; 0.2m h x 0.2m w; Prostrate perennial with short linear dark green leaves with silvery undersides. Flowers are small yellow & daisy-like. Good hanging basket plant.; Flowers: Spring; Flower Colour: Yellow; Sun; Well Drained
<i>Echeveria "Black Prince"</i>	Succulent; Mexico; 0.1m h x 0.3m w; Flowers: Aut/Win; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Echeveria glauca</i>	Succulent; Mexico, Sth America; 0.2m h x 0.3m w; Low-growing large rosette-forming succulent with pale silvery blue green leaves. Fast growing, hardy species with 10cm rosettes in clumps up to 30cm. Flowers are reddish pink.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Echeveria sp " mixed colour"</i>	Succulent; 0.3m h x 0.2m w; Succulent with tight flat rosettes of flattish leaves tipped with red when grown in the sun.; Flowers: Spring; Flower Colour: Various; Sun; Dry
<i>Echinops exaltatus</i>	Perennial; Russian globe thistle; Russia; 1.5m h x 0.75m w; Russian globe thistle with fragrant white flowers; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Echium candicans</i>	Shrub; Pride of Madeira; 1.8m h x 2.5m w; Syn. <i>Echium fastuosum</i> . Soft-wooded shrub with silver-grey leaves and 60cm spires of vivid blue flowers.; Flowers: Spr/Sum; Flower Colour: Blue; Sun; Well Drained
<i>Ensete ventricosum</i>	Fern/Shade; Abyssinian Banana; Southern Africa; 7m h x 5m w; Large, fast-growing, attractive fleshy-stemmed plant with a head of banana-like leaves. This plant only flowers and bears fruit once (after about 8 years) and then it dies. Flowers are cream and maroon.; Flower Colour: Cream; Sun/Semi Shade; Moist; Frost Tender
<i>Epidendrum ibaguense</i>	Fern/Shade; Crucifix Orchid; Central America; 1m h x 0.3m w; Each stem can have up to 20 flowers open on one stem. Looks like a tiny gold cross in centre.; Flowers: All Year; Flower Colour: Various; Sun/Semi Shade; Well
<i>Eremophila alternifolia</i>	Shrub; Native Honeysuckle; 2m h x 2m w; Medium shrub, with pink to carmine flowers. Suitable for hedging. Attractive to birds.; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Well Drained; Drought Tolerant

Genus/Species/Cultiva**Notes**

<i>Eremophila decipiens</i>	Shrub; SA, WA; 1.5m h x 1.5m w; Very hardy open shrub with lanceolate leaves (sometimes sticky) and red flowers in spring.; Flowers: Spring; Flower Colour: Red; Sun; Well Drained; Drought Tolerant
<i>Eremophila glabra</i> "Kalbarri	Groundcover; W.A.; 0.3m h x 1.5m w; Low-growing hardy shrub with silver grey leaves and bright yellow flowers for much of the year.; Flower Colour: Yellow; Sun; Well Drained
<i>Eremophila maculata</i> "Aurea"	Shrub; Mainland states; 2m h x 2m w; Variable shrub, hardy and reliable; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained; Drought
<i>Eremophila maculata</i> "m"	Shrub; 1.5m h x 1.5m w; Hardy variable shrub with narrow leaves & pale mauve flowers with creamy spotted throat.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained
<i>Eremophila nivea</i>	Shrub; W.A.; 2m h x 1.5m w; Upright open plant to 2m with silver grey linear leaves and lilac tubular flowers to 2cm. Needs an open, sunny situation.; Flowers: Spring; Flower Colour: Mauve; Sun; Well Drained; Drought Tolerant
<i>Eremophila</i> sp	Shrub; 1m h x 1.3m w; Flowers: Spr/Sum; Flower Colour: Orange; Sun; Well Drained
<i>Eremophila sturtii</i>	Shrub; Turpentine Bush; Central Australia; 1.5m h x 1m w; Ornamental slender shrub with sticky leaves and masses of pink flowers over most of the year. Frost and drought tolerant.; Flowers: All Year; Flower Colour: Pink; Sun; Well Drained; Drought Tolerant
<i>Eremophila weldii</i>	Shrub; Small leaved emu bush; S.A., W.A.; 1m h x 1m w; C21. Small open shrub with blue-mauve flowers with a spotted throat, about 1.5cm long. Can make a useful potplant.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Eriocephalus africanus</i>	Shrub; Woolly Bush; S. Africa; 1m h x 0.5m w; C21. Bushy evergreen fragrant shrub, sometimes known as African rosemary. Flowers are white with purple centre.; Flowers: Winter; Flower Colour: White; Sun/Semi Shade;
<i>Erysimum cheiri</i> "br"	Perennial; Wall Flower; 0.7m h x 0.5m w; syn Cheiranthus. Perennial herb with brownish flowers.; Flowers: Win/Spr; Flower Colour: Brown; Sun/Semi Shade; Adaptable
<i>Erysimum linifolium</i>	Perennial; Fairy Wallflower; Spain, Portugal; 1m h x 1m w; Clusters of dainty mauve/violet flowers from spring to autumn.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Escallonia illinita</i>	Shrub; Curry Bush; Chile; 2m h x 1.5m w; Aromatic shrub with glossy leaves and curry smell (not culinary).; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Adaptable; Drought Tolerant
<i>Escallonia organensis</i>	Shrub; 1.5m h x 1.5m w; Longflowering shrub with rose-pink flowers.; Flowers: Summer; Flower Colour: Pink; Sun; Well Drained
<i>Eucalyptus</i> sp,	Tree; Unknown species.; Flowers: Sum/Aut; Sun/Semi Shade; Adaptable
<i>Euphorbia caput</i> "medusa"	Succulent; South Africa; 0.3m h x 1.2m w; Flowers: Autumn; Flower Colour: Cream; Sun; Adaptable
<i>Euphorbia wulfenii</i>	Shrub; Wulfen Spurge; Dalmatia; 1.5m h x 1m w; Silver foliage with dome-like chartreuse flower heads. Syn E characias subsp wulfenii. GBG Silver border.; Flowers: Winter; Flower Colour: Green; Any; Adaptable; Drought
<i>Euryops virgineus</i>	Perennial; Sth Africa; 1.5m h x 1m w; Small bright green leaves, upright habit. Flowers for most of the year. Suits seaside gardens.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Ficus macrophylla</i>	Tree; Moreton Bay Fig; Qld, NSW, in coastal rainforest.; 30m h x 40m w; Fast-growing tree with large glossy & leathery leaves and buttressed trunk.; Flowers: Spr/Sum; Flower Colour: White; Sun; Frost Tender

Genus/Species/Cultiva**Notes**

<i>Fragaria alpinus</i>	Groundcover; Wild Strawberry; South America; 0.05m h x 0.3m w; Compact rosettes of darkgreen leaves on ground hugging plant. Edible red fruit.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Fragaria sp "y"</i>	Groundcover; 0.5m h x 0.3m w; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Frankenia connata</i>	Groundcover; Clustered Sea Heath; NSW, SA, NT; 0.3m h x 0.5m w; Low spreading shrub with small mauve flowers. Stems have short spreading hairs.; Flowers: Spring; Flower Colour: Mauve; Sun; Well Drained
<i>Fuchsia "Tr"</i>	Shrub; JD's garden; 2m h x 1.5m w; Tall shrub with glossy dark green leaves and rich pinky-red flowers.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Adaptable
<i>Fuchsia sp "Patio Princess"</i>	Shrub; 1m h x 0.75m w; Flowers are pink and white; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Moist
<i>Gasteria pillansii</i>	Succulent; Sth Africa; 0.1m h x 0.1m w; Stemless succulent which spreads from underground stolons. The leaves are mottled with white spots in transverse bands, giving a silver appearance.; Flower Colour: Orange; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Gasteria sp</i>	Succulent; 0.25m h x 0.5m w; flower colour unknown.; Sun/Semi Shade; Well Drained
<i>Geranium maderense</i>	Shrub; Madeira; 1.5m h x 1.5m w; Flowers: Win/Spr; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Geum quellion</i>	Perennial; Grecian Rose; Chile; 0.5m h x 0.75m w; Low growing perennial herb used for medicinal purposes. Flowers are tangerine.; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade; Adaptable
<i>Ginkgo biloba</i>	Tree; Maidenhair tree; China; 30m h x 10m w; Deciduous tree with unique fan-shaped leaves, turning gold in autumn, and small loquat-like fruit.; Sun/Semi Shade; Well Drained
<i>Gloriosa rothschildiana</i>	Bulb/Corm; Gloriosa Lily; Tropical Africa; 1m h x 0.5m w; Stunning flowers, yellowish-white at the base, deepening to ruby-crimson at the tip. Lily-like leaves become clinging tendrils. Dormant in winter.; Flowers: Summer; Flower Colour: Red; Sun; Well Drained; Frost Tender
<i>Glyceria maxima variegata</i>	Grass; Variegated Manna Grass; Europe; 0.8m h x 0.8m w; Green leaves boldly variegated with yellow and white stripes, pink tinged when young. It is a striking, wide-spreading plant suitable for growing in partial shade or a bog garden: quick to establish and spreads rapidly in up to 15cm of water; Flowers: Spr/Sum; Sun/Semi Shade; Moist
<i>Graptopetalum amethystinum</i>	Succulent; lavender pebbles; Mexico; 0.1m h x 0.1m w; terminal clusters of bell shaped flowers with red markings. Stout stems become prostrate with age.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Graptopetalum paraguayense</i>	Succulent; Mexico; 0.25m h x 0.2m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Grevillea baueri</i>	Shrub; NSW; 1m h x 1.5m w; Medium shrub with spreading branches & bluish-grey leaves. Flowers are profuse red & cream.; Flowers: Aut/Win; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Grevillea chrysophaea</i>	Shrub; Golden Grevillea; Gippsland, Brisbane Ranges; 1m h x 1.5m w; Medium shrub, with slightly hairy leaves. Flowers are rusty gold to greenish gold.; Flowers: Winter; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Grewia occidentalis "Lavender Star"</i>	Shrub; Africa; 3m h x 3m w; Flowers are pink and mauve and star shaped, with generous stamens. These are followed by 4-lobed berries.; Flowers: Summer; Flower Colour: Pink; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Greyia sutherlandii</i>	Shrub; South African bottle brush; South Africa; 4m h x 3m w; Evergreen rounded shrub with leathery leaves that turn red in autumn. The flowers are bright red spikes.; Flowers: Spring; Flower Colour: Red; Sun; Well Drained
<i>Guichenotia ledifolia</i>	Shrub; WA; 0.3m h x 0.7m w; C21. An evergreen shrub with velvety silver spreading branches. Mauve five petalled flowers, winter to spring.; Flowers: Win/Spr; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Guichenotia macrantha</i>	Shrub; South West Australia; 1.5m h x 1.5m w; Evergreen shrub with open graceful growth habit and beautiful clusters of pendulous, papery pink flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Hakea sp</i>	Shrub; pin cushion; 2m h x 1m w; seeds donated to FGBG details unknown - refer to Graeme L; Flowers: Win/Spr; Flower Colour: White
<i>Haloragis erecta "Wellington Bronze"</i>	Groundcover; NZ; 0.6m h x 0.5m w; Erect, branching perennial, with most attractive, bronzed, thick, pointed, saw-edged leaves which will add colour to the border for most of the year. Insignificant greenish-yellow flowers.; Flower Colour: Yellow; Sun
<i>Hardenbergia comptoniana</i>	Climber; WA Coral Pea; WA; 3m h; Slender twining vine, evergreen, with long racemes of white pea flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Hardenbergia violacea</i>	Climber; Flowers: Win/Spr; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Haworthia linifolia</i>	Succulent; 0.2m h x 0.2m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Haworthia sp</i>	Succulent; Sun; Well Drained
<i>Hebe "Marie Antoinette"</i>	Shrub; NZ; 0.4m h x 0.4m w; Bushy spreading evergreen shrub with deep green leaves with new shoots contrasting dusky pink underneath and small tapering flowers, which are deep crimson in bud in spring then which fade to white in late autumn.; Flowers: Win/Spr; Flower Colour: Pink; Sun
<i>Hebe albicans "Snowdrift"</i>	Shrub; 0.4m h x 0.4m w; Prostrate evergreen shrub with blue-grey foliage and white or palest mauve flower in spikes.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Hebe buxifolia</i>	Shrub; New Zealand; 1m h x 0.8m w; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Hedychium "y"</i>	Perennial; 1.5m h x 0.5m w; Tall rhizomatous ginger plant with yellow flowers.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun/Semi Shade;
<i>Hedychium greenii</i>	Grass; Scarlet Ginger; 1m h x 1m w; Superb foliage plant: leaves are glossy dark green above and maroon beneath, with maroon stems. Fragrant flowers are striking orange-red.; Flowers: Summer; Flower Colour: Red; Semi Shade; Moist
<i>Helianthus x multiflorus "Sheila's Sunshine"</i>	Perennial; Perennial Sunflower; Nth America; 1.8m h x 1m w; Multi-flowered, double sunflower with a profusion of large, double yellow flowers from late summer to fall. Plants spread slowly to form dense clumps.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun; Well Drained
<i>Helichrysum italicum</i>	Perennial; Curry Plant; Mediterranean; 0.4m h x 1m w; Silver foliage. Evergreen bushy sub-shrub with linear aromatic grey leaves and bright yellow flowers.; Flowers: Summer; Flower Colour: Yellow; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Helleborus "v"</i>	Fern/Shade; 0.6m h x 0.5m w; Flowers: Win/Spr; Flower Colour: Various
<i>Helleborus orientalis</i>	Fern/Shade; Greece, Turkey; 0.6m h x 0.6m w; Large nodding flowers in a variety of colours from white, green, pink and rose. It is very frost hardy.; Flowers: Win/Spr; Flower Colour: Various; Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Hibbertia scandens</i>	Climber; NSW, Qld; Fast-growing twiner with bright green leaves and large yellow flowers for most of the year. Pruning will thicken its growth and improve it as a ground cover.; Flower Colour: Yellow; Sun/Semi Shade;
<i>Hibbertia truncata</i> "Sunburst"	Groundcover; Port Campbell Guinea-flower; S.W.Victoria; 0.3m h x 0.7m w; Prostrate spreading shrub. A dense mat forming groundcover with mid green foliage and bright yellow flowers occurring in spring and summer.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Hibiscus insularis</i>	Shrub; Phillip Island Hibiscus; Norfolk Island group; 4m h x 1m w; C21. Hardy tall open shrub to 4m. Pale yellow flowers with burgundy tinge, fading to darker burgundy. This plant is very rare in the wild.; Flower Colour:
<i>Hibiscus rosa-sinensis</i> "chandler"	Shrub; 1m h x 1m w; Flowers: All Year; Flower Colour: Pink; Sun; Well
<i>Hibiscus rosa-sinensis</i> "General Corteges"	Shrub; 1.5m h x 1m w; Evergreen hardy shrub with single red flower.; Flowers: Aut/Win; Flower Colour: Red; Sun; Well Drained
<i>Hibiscus rosa-sinensis</i> "Sabrina"	Shrub; 3m h x 2m w; A fast growing, tall, upright evergreen shrub with cardinal red, fully double blooms. Ideally planted in groups, or used as an informal border for great visual displays. Ideal for hedging and screening.; Flowers: Aut/Win; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Homalocladium platycladum</i>	Shrub; Centipede Plant; Solomon Islands; 1m h x 1m w; Evergreen shrub with flattened, jointed, green stems and arrow-shaped leaves. This shrub has both spreading and climbing tendencies. Flowers are short-lived and compact.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Hyacinthoides hispanica</i>	Bulb/Corm; Bluebell; 0.4m h x 0.2m w; syn Scilla hispanica. Single erect stem of bluebell type flowers.; Flowers: Spring; Flower Colour: Blue; Shade/Semi Shade; Moist
<i>Hydrangea aspera</i>	Shrub; Rough Leafed Hydrangea; 2m h x 1.5m w; Medium shrub with mauve lacecap flowers.; Flowers: Autumn; Flower Colour: Mauve; Semi
<i>Hydrangea quercifolia</i>	Shrub; Oakleaf Hydrangea; Asia; 1.5m h x 1.5m w; Rounded deciduous shrub. Double flowers green turning white. Leaves turning red-bronze in winter.; Flowers: Summer; Flower Colour: White; Semi Shade; Moist
<i>Iberis senpervirens</i>	Shrub; candy tuft; Europe; 0.2m h x 0.3m w; evergreen spreading shrub; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Ilex kusanoi</i>	Shrub; Taiwan; Flowers: Spring; Flower Colour: White
<i>Imperata cylindrica</i>	Grass; Blady Grass; 0.6m h x 0.2m w; C21 garden.Long-lived (perennial) rhizomatous grass. It has an erect habit, and fluffy white inflorescence. The leaves narrow to a sharp point at the top; the margins are finely toothed and are embedded with sharp silica crystals.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Indigofera australis</i>	Shrub; Austral Indigo; Southern states, Geelong; 2m h x 2m w; C21. Open spreading or erect plant with sprays of purple (rarely white) pea flowers in spring. Hardy and well-shaped. Prune to encourage compact growth, but do not cut into old wood.; Flowers: Spring; Flower Colour: Purple; Semi Shade; Well Drained
<i>lochroma "b"</i>	Shrub; C & S America; 3m h x 1.5m w; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Frost Tender
<i>lochroma cyaneum</i>	Shrub; South America; 3m h x 1.5m w; Large shrub or tree. Flowers are long and tubular.; Flowers: Sum/Aut; Flower Colour: Purple; Sun; Well Drained
<i>Iris "b&w"</i>	Bulb/Corm; 0.8m h x 0.3m w; Hardy perennial with blue & white flag flowers.; Flowers: Win/Spr; Flower Colour: Blue; Sun/Semi Shade;
<i>Iris "pu"</i>	Bulb/Corm; 0.75m h x 0.3m w; Deep purple flag iris - hardy perennial.; Flowers: Win/Spr; Flower Colour: Purple; Sun

Genus/Species/Cultiva

Notes

<i>Iris chrysographes</i>	Bulb/Corm; China; 0.5m h x 0.5m w; Flowers are fragrant and sometimes streaked with gold.; Flowers: Spr/Sum; Flower Colour: Purple; Sun; Well
<i>Iris japonica</i>	Bulb/Corm; 0.45m h x 0.8m w; Flowers: Win/Spr; Flower Colour: Mauve; Semi Shade; Well Drained
<i>Iris unguicularis</i>	Bulb/Corm; Winter Iris; N. Africa; 0.3m h x 0.5m w; Evergreen beardless iris with flowers almost hidden in clumps of grassy leaves.; Flowers: Spr/Sum; Flower Colour: Blue; Sun; Adaptable
<i>Isopogon formosus</i>	Shrub; Rose cone flower; WA; 1.5m h x 1.5m w; Medium rounded shrub which bears large heads of pink flowers, followed by globular cones. Very beautiful, but unreliable in eastern state gardens. May do better in a pot.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Ixodia achillaeoides</i>	Shrub; Mountain Daisy; South Australia; 1m h x 1m w; C21 Garden. Small perennial shrub, suitable for use as a rockery plant, background shrub or container plant. The flower heads occur in small to large clusters at the ends of the stems.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Jacaranda mimosifolia</i>	Tree; Jacaranda; Brazil; 10m h x 5m w; Fast growing deciduous tree with panicles of flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained; Frost Tender
<i>Jubaea chilensis</i> "Chilean Wine Palm"	Tree; Chile; 20m h x 8m w; Long stalked maroon and yellow flowers hidden within leaves. Sugary sap is made into wine. Small yellow egg-shaped edible fruit called couito in Autumn. Slow growing.; Flowers: Spring; Flower Colour: Bicolour; Sun; Adaptable
<i>Justicia brandegeana</i>	Shrub; Shrimp Plant; Mexico; 1m h x 1m w; Evergreen downy shrub. Flowers with pendant spikes. Overlapping bracts of yellow orange and brown similar to a shrimp.; Flowers: Summer; Flower Colour: Brown; Sun; Adaptable
<i>Justicia rizzinii</i>	Shrub; Brazil; 0.6m h x 0.6m w; syn <i>Jacobinea pauciflora</i> . Hardy small rounded shrub with yellow-tipped scarlet flowers in nodding clusters.; Flowers: Winter; Flower Colour: Red; Sun/Semi Shade; Adaptable
<i>Kalanchoe fedtschenkoi</i>	Succulent; Madagascar; 0.5m h x 0.5m w; Dense succulent shrublet with silvery grey-blue ovate leaves, toothed at the ends. Pendant tubular purple-red flowers.; Flowers: Spring; Flower Colour: Purple; Sun/Semi Shade; Well
<i>Kerria japonica</i>	Shrub; Japanese Rose; China, Japan; 2m h x 2m w; Graceful deciduous shrub with golden flowers.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Kniphofia</i> "o"	Grass; Hot Poker; 1m h x 0.5m w; Feature plant with tall bright orange spikes. Their stems stand high above their grassy foliage, up to 1.5m high.; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade; Adaptable
<i>Kniphofia</i> . "y"	Bulb/Corm; Hot Poker; Africa; 1.5m h x 0.5m w; Feature plant with tall bright yellow spikes. Their stems stand high above their grassy foliage, up to 1.5m high.; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained
<i>Kunzea pomifera</i>	Groundcover; Muntries; S.E.Australia; 0.2m h x 1.5m w; Prostrate, woody shrub with small, shiny, round leaves and fluffy, white flowers that are carried on the ends of short branches. Flowers are followed by small, succulent, edible fruits; Flowers: Spring; Flower Colour: White; Sun/Semi Shade;
<i>Lavandula</i> "Sidonie"	Shrub; Australian Lavender; 1m h x 1m w; Soft mound like shrub with grey foliage and rich blue flowers. Hybrid produced in Australian garden. GBG Silver Border.; Flowers: All Year; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant; Frost Tender
<i>Lavandula angustifolia</i> "Hidcote"	Shrub; UK; 0.4m h x 0.6m w; Dwarf lavender with scented flowers. Silver grey leaves.; Flowers: Sum/Aut; Flower Colour: Purple; Sun; Well Drained; Drought Tolerant

Genus/Species/Cultiva**Notes**

<i>Lavandula dentata</i>	Shrub; French lavender; Mediterranean; 1m h x 1m w; Silver foliage. Shrub with grey-green aromatic leaves and mauve-blue flowers.; Flowers: All Year; Flower Colour: Mauve; Sun; Adaptable; Drought Tolerant
<i>Lavatera x clementii</i> "Bredon Springs"	Shrub; Tree Lavatera; 1.8m h x 1.8m w; Vigorous upright plant with deep pink flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Libertia paniculata</i>	Grass; Eastern Australian rainforests; 0.6m h x 0.2m w; <i>Libertia paniculata</i> has flat, linear leaves 20-60 cm long arising from a much-branched rhizome. Each stem bears up to 6 white flowers with prominent stamens.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Libertia peregrinans</i>	Grass; NZ; 0.6m h x 0.2m w; C21. Perennial producing tufts of narrow leaves which turn a brilliant orange - brown shade in Autumn and Winter. White, iris - looking flowers are borne amongst shorter flowering stems which are an attractive bronze-green colour.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Ligustrum undulatum</i>	Shrub; Privet; Japan; 2m h x 2m w; Hardy hedging plant.; Flowers: Spring; Sun/Semi Shade; Adaptable; Drought Tolerant
<i>Limonium "p"</i>	Perennial; Statice; 0.5m h x 0.5m w; Herbaceous perennial plant, from a rhizome, with attractive flower & bract. Popular garden plant & for floral art.; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Liriope muscari variegata</i>	Fern/Shade; Asia; 0.3m h x 0.4m w; Clump-forming rhizomatous perennial with variegated grey/white/green leaves, giving a silvery appearance. Mauve flowers. Syn. <i>L.graminifolia</i> , <i>L. Platyphylla</i> .; Flowers: Summer; Flower Colour: Mauve; Sun; Well Drained
<i>Lychnis coronaria</i>	Perennial; South East Europe; 0.6m h x 0.7m w; Flowers: Summer; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Mackaya bella</i>	Shrub; Forest Bell; Sth Africa; 2.5m h x 2m w; Erect evergreen shrub with dark green leaves and attractive mauve to white flowers usually marked with fine purple-pink lines.; Flowers: Summer; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Maireana oppositifolia</i>	Groundcover; Heathy blue bush; 0.4m h x 0.2m w; Dwarf shrub with solitary flowers. The fruiting perianth is greenish cream to pale pink with five unequal petal like wings, Silvery succulent foliage.; Flowers: Spr/Sum; Flower Colour: Cream; Sun; Well Drained; Drought Tolerant
<i>Maireana sedifolia</i>	Succulent; Blue Bush; Arid regions; 0.6m h x 1m w; Succulent shrub with silver grey foliage. Flowers pale pinkish-brownish in desert regions, but the shrub does not produce flowers in the Geelong region.; Sun; Well Drained; Drought Tolerant
<i>Melaleuca howeana</i>	Shrub; Lord Howe Tea Tree; Lord Howe Island; 3m h x 1m w; Dense bush with flaky bark; branchlets glabrous. This plant is best known as the habitat for the Lord Howe Island Stick Insect, a critically endangered species.; Flowers: Spring; Flower Colour: White; Sun; Well Drained
<i>Melaleuca micromera</i>	Shrub; wattle honey myrtle; W.A.; 2.5m h x 2.5m w; Rounded shrub with twisted branches and tiny leaves. Small heads of yellow flowers in late spring and early summer.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun/Semi Shade; Well Drained; Frost Tender
<i>Melia azedarach var australasica</i>	Tree; White Cedar, China Berry; Qld, NSW; 10m h x 5m w; Hardy small to medium tree with spreading branches and delicate leaves. Mauve flowers dotted with dark brown & white, followed by poisonous fruit. Useful street tree.; Flowers: Spring; Flower Colour: Mauve; Sun/Semi Shade; Adaptable
<i>Melianthus major</i>	Perennial; Honey flower; Sth Africa; 2m h x 3m w; Sprawling plant with attractive toothed foliage and brownish-red tubular flowers. Can be invasive and is toxic. Weed potential. GBG Silver Border.; Flowers: Spring; Flower Colour: Red; Sun; Moist

Genus/Species/Cultiva**Notes**

<i>Mentha australis</i>	Herb; Native mint; Vic., NSW; 0.4m h x 0.75m w; C21. Straggly, perennial herb with soft, aromatic leaves from 25 - 60 mm long, lance shaped and tapering to a point. Small white to lilac flowers during summer and autumn. Indigenous to Geelong area.; Flowers: Sum/Aut; Flower Colour: White; Shade/Semi Shade; Moist
<i>Meryta sinclairii</i>	Tree; Puka or Pukanui; NZ; 5m h x 4m w; Large-leaved evergreen tree endemic to New Zealand with a distinctly tropical appearance. The tree panicles of green-white flowers followed by black berries; Flowers: Spring; Flower Colour: White; Semi Shade; Adaptable
<i>Mesembryanthemum "p"</i>	Succulent; Pigface; Namibia; 0.2m h x 0.5m w; Spreading ground cover.; Flowers: Summer; Flower Colour: Pink; Sun; Adaptable; Drought Tolerant
<i>Metrosideros collina</i>	Shrub; Pacific Islands; 3m h x 2m w; Flowers: Summer; Flower Colour: Red; Semi Shade; Moist
<i>Miscanthus sinensis</i>	Grass; 0.6m h x 0.5m w; A neat non invasive upright to slightly arching clump of spidery green leaves with a silver midrib and large plumes of silvery-pink flowers.; Flowers: Sum/Aut; Sun/Semi Shade; Adaptable
<i>Miscanthus sinensis "Flamingo"</i>	Grass; Asia; 1m h x 0.75m w; A neat non invasive upright to slightly arching clump of spidery green leaves with a silver midrib and large plumes of silvery-pink flowers.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Miscanthus sinensis "Gracillimus"</i>	Grass; Eulalia Grass; 1.7m h x 1.5m w; Fine ornamental grass with a white midrib & a vase- like form. It shows bronze autumn color.; Flowers: Summer; Sun/Semi Shade; Adaptable
<i>Miscanthus sinensis "Variegatus"</i>	Grass; Asia; 0.6m h x 0.5m w; Ornamental clumping grass. Foliage is variegated, almost equal amount of green and white; blade width is 1.5 cm.; Flowers: Sum/Aut; Sun; Adaptable
<i>Miscanthus sinensis "Yaku Jima"</i>	Grass; Dwarf Miscanthus; 1m h x 0.6m w; Fine ornamental grass, with copper plumes maturing to silver.; Flowers: Autumn; Flower Colour: Brown; Sun/Semi Shade; Well Drained
<i>Miscanthus sinensis "Zebrinus"</i>	Grass; Zebra grass; Asia; 1m h x 0.6m w; Flowers are a pinkish copper, rise above foliage, and become fluffy. Variegated leaves with bright irregular bands of yellow . GBG silver border.; Flowers: Autumn; Flower Colour: Pink; Sun/Semi Shade; Moist
<i>Miscanthus sinensis giganteus</i>	Grass; 1m h x 0.6m w; Fine ornamental grass with silver sheen.; Flowers: Autumn; Flower Colour: Brown; Sun/Semi Shade; Well Drained
<i>Montanoa mollissima</i>	Shrub; Tropical America; 6m h x 2m w; Very large perennials with white flowers and yellow centres. Attractive deeply lode leaves.; Flowers: Sum/Aut; Flower Colour: White; Sun; Well Drained
<i>Muehlenbeckia complexa</i>	Shrub; mad hatters T party; New Zealand; 4.5m h; Flowers are white green forming white berries; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Muehlenbeckia florulenta</i>	Shrub; Tangled Lignum; All mainland states; 2m h x 1m w; Shrub with multitude of thin, intertwined and tangled branches and thin, narrow leaves. The grey-green stems often end in a sharp point. The flowers are small and cream to yellowish. Wetland species.; Flowers: Spr/Sum; Flower Colour: Cream; Sun/Semi Shade; Moist
<i>Myoporum parvifolium</i>	Groundcover; Vic., S.A., W.A., Tas.; 0.2m h x 2m w; Prostrate plant with trailing stems. Some varieties have reddish stems. Oblong leaves to 2cm and white star-shaped flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Myoporum parvifolium "Purpurea"</i>	Groundcover; 0.15m h x 2m w; Purple foliage; Flowers: Summer; Flower Colour: Pink; Any; Adaptable

Genus/Species/Cultiva**Notes**

<i>Myosotis sp</i>	Perennial; Forget-me-not; Europe; 0.3m h x 0.5m w; A spring-flowering favourite, Forget-me-nots are biennial or short-lived perennials that self-seed to come back for many years.; Flowers: Spring; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Nematolepis phebaloides</i>	Shrub; WA; 2m h x 0.6m w; Low spreading shrub with tubular flowers similar to a correa, red with yellow tips.; Flowers: Spring; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Nepeta x faassenii</i>	Groundcover; Catmint; 0.45m h x 0.45m w; Hardy silver-grey leafed perennial herb with blue/mauve flowers.; Flowers: Spr/Sum; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant
<i>Nicotiana rustica</i>	Shrub; South America; 1m h x 1m w; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Nicotiana sylvestris</i>	Perennial; Flowering Tobacco; South America; 1.5m h x 1m w; Fragrant flowers on stately stems above lush green foliage. The scent is strongest at night. The flowers are tubular, white, borne in clusters above the foliage.; Flowers: Summer; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Olearia algida</i>	Shrub; 1m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Olearia astroloba</i>	Shrub; Marble Daisy bush; East Gippsland, Victoria; 1m h x 1m w; C21. Profuse clusters of blue flowers, Winter-Summer. A very rare species recently described (1989). Prefers sun or semi-shade, good drainage and is tolerant of very heavy frosts; Silvery grey foliage.; Flowers: Win/Spr; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Olearia axillaris</i>	Shrub; Coast Daisy Bush; WA; 2.5m h x 2m w; Tough, erect, branched shrub with silvery white foliage and flowers from white to yellow.; Flowers: Sum/Aut; Flower Colour: Cream; Sun/Semi Shade; Well Drained; Drought
<i>Olearia lanuginosa</i>	Shrub; WA; 1m h x 1.5m w; Small shrub with dense woolly young growth, giving a silvery appearance.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Olearia lepidophylla</i>	Shrub; Clubmoss daisy bush; 0.8m h x 0.8m w; Dwarf shrub with young grey woolly young growth. Flower heads are daisy like. Hardy to moderate frost and extended dry periods.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Olearia pannosa ssp cardiophylla</i>	Shrub; Velvet Daisy Bush; Vic SA incl. Brisbane Ranges; 1m h x 1m w; Dry forest shrub. Indigenous to the Brisbane Ranges. Daisy-type flowers are white with a yellow centre. C21 garden.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Olearia ramulosa</i>	Shrub; Twiggy daisy bush; Qld, Vic., NSW, SA, Tas.; 1.5m h x 1m w; C21. Variable shrub with white or blue daisy flowers. Very hardy.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought
<i>Olearia tomentosa</i>	Shrub; Toothed daisy bush; NSW; 2m h x 1.5m w; Small to medium shrub with hairy young growth and large shiny leaves, hairy underneath. Flowers are white to blue with yellow centres.; Flowers: All Year; Flower Colour: Blue; Sun; Well Drained
<i>Origanum laevigatum</i>	Herb; Creeping origano; 0.2m h x 1m w; Spreading perennial and evergreen herb, it is especially suited as a groundcover with the added benefit of providing flavorful leaves.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Well
<i>Ornithogalum arabicum</i>	Bulb/Corm; arabs eye; Mediterranean; 0.8m h x 0.4m w; Large fragrant white flowers with a black eye.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Orthrosanthus multiflorus</i>	Grass; Morning Flag; 0.4m h x 0.2m w; C21. Tufted perennial Iris-like plant with flat leaves to 40cm long. Bears flower spikes to 90cm tall with 3 to 7 attractive light blue-mauve flowers on each spike. Good in rockeries and cottage gardens. Frost hardy.; Flowers: Spring; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant
<i>Oxylobium lanceolatum</i>	Shrub; WA; 2m h x 1m w; Fast-growing shrub with orange-yellow flowers. Now reclassified as <i>Callistachys lanceolata</i> .; Flowers: Spr/Sum; Flower Colour: Orange; Sun; Well Drained
<i>Pandorea jasminoides</i>	Climber; Bower of Beauty; Qld., NSW; Vigorous twining climber with glossy dark green leaves and trumpet-shaped flowers in spring. Flowers vary from pink to whitewith maroon centres.; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "adams quilt"</i>	Pelargonium; 0.6m h x 0.45m w; lime green leaves with bronze margin; Flower Colour: Pink; Sun; Well Drained
<i>Pelargonium "African Queen"</i>	Pelargonium; 0.5m h x 0.5m w; Regal with dark pink flowers, burgundy splotch in centre.; Flowers: All Year; Flower Colour: Magenta; Sun/Semi Shade; Adaptable
<i>Pelargonium "All my Love"</i>	Pelargonium; 0.5m h x 0.5m w; Regal. Ruffle blooms, upper petals crimson margined with lower petals white with pale orchid flush.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Bel Brown Eyes"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are two-tone burgundy & pink.; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Ben Matt"</i>	Pelargonium; 0.4m h x 0.4m w; Upper petal are black and lower petals are reddish purple; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Pelargonium "Bettsie Girl"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: All Year; Flower Colour: Red; Sun/Semi Shade; Adaptable
<i>Pelargonium "Biddy B."</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Frilly deep pink flowers with white centre & velvet feathering top petals; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Black Knight"</i>	Pelargonium; 0.5m h x 0.5m w; Small deep burgundy pansy-like blooms, edged with white.; Flowers: All Year; Flower Colour: Burgundy; Sun/Semi Shade; Adaptable
<i>Pelargonium "Black Lace"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium with dark maroon flowers, lacy edged.; Flowers: Spr/Sum; Flower Colour: Burgundy; Sun/Semi Shade; Well Drained
<i>Pelargonium "Black Prince"</i>	Pelargonium; 0.5m h x 0.5m w; Dark maroon flowers with pink edges.; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Pelargonium "Blakesdorf"</i>	Pelargonium; P. x hortorum cultivar. Dark foliage, red flowers; Flowers: All Year; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Pelargonium "Bodey's Picotee"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are dark wine-red edged with white.; Flowers: All Year; Flower Colour: Burgundy; Sun/Semi Shade; Adaptable
<i>Pelargonium "Both's Double Salmon"</i>	Pelargonium; 0.4m h x 0.4m w; Zonal pelargonium with two-tone salmon pink flowers.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade;
<i>Pelargonium "Bushfire"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are vivid glowing red with black blotches.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Captain Starlight"</i>	Pelargonium; 0.25m h x 0.25m w; Angel pelargonium with small flowers & leaves. Flowers are pink & white.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Pelargonium "Cedar Woods"</i>	Pelargonium; Flower Colour: Mauve
<i>Pelargonium "Charmay Alf"</i>	Pelargonium; 0.5m h x 0.5m w; Angel pelargonium. Flowers are pink, large burgundy splotch on upper petals, smaller spot on lower ones. Deep feathering. Large plant.; Flowers: Spr/Sum; Flower Colour: Pink; Shade/Semi Shade; Well Drained
<i>Pelargonium "Cherby"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are pink & burgundy.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade;
<i>Pelargonium "Cherrie"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium . Flowers are white with splashes of hot pink.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium "Chocolate Peppermint"</i>	Pelargonium; Scented Geranium; 0.5m h x 2m w; Cross of the Peppermint Geranium and the 'Giant Oak'. The large soft leaf has a dark burgundy centre, making it a useful ground cover in tough positions in the garden. Tiny pink flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade;
<i>Pelargonium "Circus Day"</i>	Pelargonium; 0.5m h x 0.5m w; Large carmine pink flowers with purple splotches.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade;
<i>Pelargonium "Congo"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Pelargonium "Crocodile"</i>	Pelargonium; 0.4m h x 0.4m w; Ivy leaf geranium with single pink flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Deacon Barbecue"</i>	Pelargonium; 0.4m h x 0.4m w; Zonal pelargonium with double shaded cerise-pink/coral flowers.; Flowers: All Year; Flower Colour: Coral; Sun/Semi Shade; Adaptable
<i>Pelargonium "Debra Fields"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Dresden Pink"</i>	Pelargonium; Narrow petaled flowers, soft pink. Dark green leaves.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Dubonnett"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are dark salmon pink with burgundy centres.; Flower Colour: Pink; Sun/Semi Shade;
<i>Pelargonium "Echo"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Edwards Pajero"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers are salmon to pink in colour, with darker patches.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium "Edwards Regina"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Sun/Semi Shade
<i>Pelargonium "Estelle"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are lilac, with a white eye & dark blotches on the upper petals.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium "Fairy Fantasy"</i>	Pelargonium; 0.5m h x 0.5m w; Zonal pelargonium with delightful apricot and cream flowers, dark leaves.; Flowers: All Year; Flower Colour: Apricot; Sun/Semi Shade; Well Drained
<i>Pelargonium "Ginger"</i>	Pelargonium; 0.4m h x 0.4m w; Regal pelargonium.; Flowers: Spr/Sum; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Pelargonium "Glowing Embers"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are orange with a violet centre.; Flowers: All Year; Flower Colour: Orange; Sun/Semi Shade; Adaptable
<i>Pelargonium "Happy Valley"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are ruffled pink with burgundy on the top petals.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Pelargonium "Henry Sewell"</i>	Pelargonium; 0.5m h x 0.5m w; Upper petals crimson, feathered violet, with a dark splotch in the centre, lower petals crimson, edged with white.; Flowers: All Year; Flower Colour: Magenta; Sun/Semi Shade; Adaptable
<i>Pelargonium "Humoresque"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are red with pink edges; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Jacobs Unique"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are bright pink.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Johan's Cassie"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium: miniature Angel. Small magenta flowers with fine white edges .; Flowers: Spr/Sum; Flower Colour: Magenta; Sun/Semi Shade; Adaptable
<i>Pelargonium "Kincaid"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are crimson to light burgundy.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Lady Fair"</i>	Pelargonium; 0.5m h x 0.5m w; Regal. Salmon pink with burgundy patches on upper petals.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Lady Plymouth"</i>	Pelargonium; 0.4m h x 0.4m w; Cultivar with eucalyptus scented, white bordered leaves. Lavender-pink flowers are borne in clusters. A variant of <i>P. graveolens.</i> ; Flowers: All Year; Flower Colour: Mauve; Sun/Semi Shade; Adaptable
<i>Pelargonium "Lara Nomad"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Pelargonium "Layla"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium: bright pink with small burgundy blotch.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Moonflight"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are rosy cerise with prominent dark feathers in each petal.; Flowers: All Year; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Mrs Cook"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers: All Year; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "Nina Lorenza"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Sun/Semi Shade;
<i>Pelargonium "Noche"</i>	Pelargonium; 0.5m h x 0.5m w; Flowers are deep purple/maroon.; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Pelargonium "Pink Pet"</i>	Pelargonium; 0.4m h x 0.4m w; A sport of Scarlet Pet. Prolific flowerer, produces masses of clear pink single blooms.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium "Rimfire"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are dark coral pink with burgundy patches.; Flowers: Spr/Sum; Flower Colour: Burgundy; Sun/Semi Shade; Well Drained
<i>Pelargonium "Royal Oak"</i>	Pelargonium; 0.4m h x 0.4m w; Scented pelargonium. Oak-like, dark green, balsam-scented leaves with a deep purple central blotch, and small clusters of mauve flowers with darker smudge.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Adaptable
<i>Pelargonium "Royal Velvet"</i>	Pelargonium; 0.5m h x 0.5m w; Regal. Dark carmine pink flowers with dark red veins; Flowers: Summer; Flower Colour: Pink; Sun; Adaptable
<i>Pelargonium "Scarlet Pet"</i>	Pelargonium; 0.5m h x 0.5m w; Bushy sprawling plant with small showy red flowers in clusters.; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Pelargonium "Shane Baker"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Flowers are apricot-pink with darker patches.; Flower Colour: Pink; Sun/Semi Shade; Adaptable

Genus/Species/Cultiva**Notes**

<i>Pelargonium "Shrubland Pet"</i>	Pelargonium; 0.5m h x 1m w; Rose scented with rose pink flowers. Groundcover.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Pelargonium "Snow Bank"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium.; Sun/Semi Shade; Adaptable
<i>Pelargonium "Vancouver Centennial"</i>	Pelargonium; 0.3m h x 0.3m w; Showy mounding perennial with small, deeply-cut, variegated yellow and brick-red leaves and delicate clusters of red-orange flowers.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained; Frost Tender
<i>Pelargonium "Vin Rouge"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium: Showy ruffled wine red with black markings near centre, all petals veined darker red.; Flowers: Spr/Sum; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Pelargonium "White Champion"</i>	Pelargonium; 0.5m h x 0.5m w; Regal pelargonium. Compact plant with large glistening pure white flowers.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Pelargonium blandifordianum</i>	Pelargonium; Rose scented; 0.6m h x 0.4m w; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Adaptable
<i>Pelargonium crispum</i>	Pelargonium; Lemon Geranium; S. Africa; 1m h x 0.5m w; Stiffly, upright shrub. Lemon scented, rough, crinkled leaves.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Drought Tolerant
<i>Pelargonium echinatum "Alba"</i>	Pelargonium; 0.4m h x 0.4m w; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Pelargonium fragrans "Nutmeg"</i>	Pelargonium; 0.4m h x 0.4m w; Scented geranium with small white flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Pelargonium fulgidum</i>	Pelargonium; South Africa; 1m h x 1m w; Perennial dwarf shrub with a scrambling habit, silvery, silky foliage and bright red flowers. The leaves are oblong to heart-shaped, with serrated margins and are covered with tiny, silvery hairs.; Flowers: Spr/Sum; Flower Colour: Red; Sun; Well Drained; Drought Tolerant
<i>Pelargonium glutinosum</i>	Pelargonium; S. Africa; 1.5m h x 1m w; Erect, well-branched, balm-scented shrub, with soft herbaceous stems when young but becomes woody as it matures. The leaves are green to dark green. Dark pink flowers throughout the year with most in spring.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium graveolens</i>	Pelargonium; Rose Geranium; South Africa; 1m h x 1m w; Erect, much-branched shrub with strongly rose-scented leaves and pink/white flowers. Good container plant.; Flowers: Spr/Sum; Flower Colour: Pink; Shade/Semi Shade; Moist; Drought Tolerant
<i>Pelargonium quercifolium "Cedarwood"</i>	Pelargonium; Scented Geranium; 0.5m h x 0.5m w; Cedar wood scented geranium.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Pelargonium radulifolium</i>	Pelargonium; South Africa; 0.5m h x 0.4m w; Perennial herb up to 50cm tall when in flower. The soft hairy leaves are finely denticated. It has a large tuberous rootstock from which it can resprout after fire. Flowers are mauve to white with darker stripes.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Dry
<i>Pelargonium reniforme</i>	Pelargonium; South Africa; 0.8m h x 0.2m w; C21. Erect or trailing subshrub with pink to magenta flowers with darker markings on upper petals and grey-green, velvety and kidney-shaped leaves. Has tuberous roots and is clump forming.; Flower Colour: Magenta; Sun; Well Drained; Drought Tolerant
<i>Pelargonium sancho panza</i>	Pelargonium; 0.4m h x 0.4m w; Flowers are small with magenta edged with white .; Flowers: Spr/Sum; Flower Colour: Magenta; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Pelargonium tomentosum</i> "Dark Lady"	Pelargonium; 0.4m h x 0.4m w; Sprawling fast-growing geranium with soft, velvety leaves with a dark patch. Peppermint scented.; Flowers: All Year; Flower Colour: Burgundy; Sun/Semi Shade; Well Drained
<i>Pelargonium vitifolium</i>	Pelargonium; Vine-leafed pelargonium; Sth Africa; 1m h x 0.75m w; Syn P. 'Grapeleaf'. Erect shrub with light pink to pale purplish-pink flowers with darker stripes on larger upper petals. Leaves: hairy and rough with 3 to 5 rounded lobes Scent: rose, lemon-rose or balm. Strongly aromatic.; Flowers: Spr/Sum;
<i>Pelargonium x peltatum</i> "Summer Showers"	Pelargonium; Ivy Leaf Geranium; 0.3m h x 0.3m w; Vigorous, upright ivy-leaf geranium. Big, informal flower heads and distinctive ivy leaves create a beautiful cascade; Flowers: Spr/Sum; Flower Colour: Various; Sun/Semi Shade; Adaptable
<i>Pelargonium zonal</i> "Atomic Snowflake"	Pelargonium; 0.5m h x 1m w; Strongly scented ground cover with small creamy white flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Penstemon "magenta"</i>	Perennial; 1.2m h x 1m w; Flowers: Spr/Sum; Flower Colour: Magenta; Sun/Semi Shade; Well Drained
<i>Penstemon "p"</i>	Perennial; North America; 0.6m h x 0.3m w; Narrow-leafed perennial with pink flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well
<i>Penstemon "r"</i>	Perennial; 1.2m h x 1m w; Flowers are dark red - magenta.; Flowers: Spr/Sum; Flower Colour: Magenta; Sun/Semi Shade; Well Drained
<i>Penstemon "Swan Lake"</i>	Perennial; N. America; 1m h x 0.5m w; Lovely white tubular flower with a soft pink blushed throat, produced in spires.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Penstemon "Willie's Purple"</i>	Perennial; 0.8m h x 0.5m w; Flowers: Spr/Sum; Flower Colour: Purple; Sun/Semi Shade; Adaptable
<i>Phebalium aff bilobum</i>	Shrub; Vic., Tas.; 4m h x 2m w; C21. P. bilobum is a spreading branched shrub, with red buds opening to white flowers, useful as a container plant or for cut flowers. This is a similar or related species.; Flowers: Sum/Aut; Flower Colour: White; Semi Shade; Well Drained
<i>Phebalium squamulosum</i> "Dulcies Delight"	Shrub; 5m h x 2m w; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Philadelphus x falconeri</i>	Shrub; Mock Orange; Northern Hemisphere; 3m h x 2m w; Fragrant deciduous shrub.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade;
<i>Phlomis russeliana</i>	Perennial; Hardy Jerusalem Sage; Syria; 0.3m h x 0.6m w; Tough perennial, admired for both its unusual whorls of soft butter- yellow flowers and its large olive-green leaves.; Flowers: Summer; Flower Colour: Yellow;
<i>Phoenix dactylifera</i>	Tree; Date Palm; Middle East and North Africa; 25m h x 15m w; Both male and female trees are needed to set fruit which are yellowish brown when ripe. Fruits only in dry inland areas.; Flowers: Spring; Flower Colour: Yellow; Sun; Well Drained
<i>Phygелиus capensis</i>	Shrub; Cape fuchsia; South Africa; 3m h x 3m w; Sprawling shrub with pendulous tubular bells which can be orange to deep pink. Evergreen and fast growing.; Flowers: Sum/Aut; Flower Colour: Orange; Sun/Semi Shade; Well Drained
<i>Pimelea nivea</i>	Shrub; Rice flower; Tas; 1.5m h x 1m w; C21. Erect open plant with attractive dark green leaves and white flowers in spring.; Flowers: Spring; Flower Colour: White; Semi Shade; Well Drained
<i>Pittosporum tobira</i>	Shrub; Japanese Mock Orange; Japan; 6m h x 4m w; Hardy rounded plant, useful for hedges or groundcover.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Plectranthus "Mona Lavender"</i>	Perennial; 0.8m h x 0.6m w; Attractive form of <i>Plectranthus</i> that does not spread like other members of the family, but rather forms a neat low shrub with an upright, erect habit and spikes of lavender coloured flowers.; Flowers: Sum/Aut; Flower Colour: Purple; Shade/Semi Shade; Moist
<i>Plectranthus . "mv"</i>	Perennial; Sth Africa; 1m h x 1m w; Flowers: Autumn; Flower Colour: Mauve; Semi Shade; Adaptable
<i>Plectranthus ciliatus</i>	Perennial; South Africa; 0.3m h x 0.1m w; Pleasantly aromatic, soft, perennial straggling herb or subshrub, succulent; branches spreading to erect, densely covered with maroon-purple, long multicelled, spreading hairs.; Flowers: All Year; Flower Colour: White; Sun/Semi Shade; Well
<i>Plectranthus ecklonii "pu"</i>	Perennial; Sth Africa; 1.8m h x 1m w; Soft, erect, fast growing shrub with striking purple flowers in autumn.; Flowers: Autumn; Flower Colour: Purple; Semi Shade; Adaptable
<i>Plectranthus intraterraneus</i>	Perennial; cocksaur flower; WA,SA,NT; 0.6m h x 1m w; Fragrant herb with branches that spread or are erect.; Flowers: Win/Spr; Flower Colour: Mauve; Sun; Moist
<i>Plectranthus sp "pmv"</i>	Groundcover; 0.8m h x 1.2m w; Under side of leaves pink; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Adaptable
<i>Plectranthus sp.</i>	Succulent; Dog Bane (?); 0.3m h x 0.5m w; Herb in the mint family, similar to <i>Coleus canina</i> . It is sold as a natural repellent to cats and dogs, however there is no proof of this. Strong musk smell.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Adaptable; Drought Tolerant
<i>Plumbago auriculata</i>	Shrub; Leadwort; Sth Africa; 2m h x 2m w; Rambling evergreen shrub with blue flowers. Responds well to pruning - flowers on new growth.; Flowers: Summer; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Podocarpus macrophyllus</i>	Tree; Kusamaki; 20m h x 3.5m w; Small black berries.; Moist
<i>Portulacaria afra</i>	Succulent; Chinese Jade plant; 2m h x 1m w; Attractive shrub with bright green glossy foliage and contrasting dark purple brown branches.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Well Drained
<i>Portulacaria afra variegata</i>	Succulent; 2m h x 1m w; Attractive shrub with green variegated foliage.; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Well Drained
<i>Potentilla "y"</i>	Perennial; Nthn hemisphere; 0.3m h x 0.5m w; Low spreading perennial herb with soft toothed leaves and lemon-yellow flowers.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Prostanthera nivea</i>	Shrub; snowy mint bush; 3m h x 2m w; Flowers are white with mauve tinges with yellow blotches in the throat; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained
<i>Prostanthera ovalifolia</i>	Shrub; Common Mint Bush; Qld, NSW; 2.5m h x 1.5m w; C21. Erect or spreading shrub with variable aromatic leaves and profuse sprays of purple flowers in spring.; Flowers: Spring; Flower Colour: Purple; Sun; Well Drained
<i>Prostanthera rotundifolia</i>	Shrub; Mint Bush; Vic., Tas., NSW; 2m h x 1.5m w; C21. Rounded compact shrub with aromatic leaves and profuse purple flowers in spring.; Flowers: Spring; Flower Colour: Purple; Sun; Well Drained
<i>Prostanthera serpyllifolia</i>	Groundcover; SA, WA; 0.3m h x 1m w; C21. Prostrate shrub with tubular yellow flowers.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade;
<i>Ptilotus obovatus</i>	Shrub; Silver Tails; Arid parts of mainland states; 0.6m h; C21. Compact shrub with rounded silver grey leaves. Small globular heads of pink and grey flowers.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Ranunculus cortusifolius</i> "RARE"	Perennial; Canary buttercup; Canary Islands; 0.3m h x 0.2m w; Rare plant from the GBG perennial border. Big beautiful maple-like leaves are topped with large heads of shiny yellow buttercups.; Flowers: Spring; Flower Colour: Yellow; Semi Shade; Moist
<i>Reineckia carnea</i>	Groundcover; 0.2m h x 0.3m w; This evergreen perennial looks like a large leafed Mondo Grass, but will cover the ground faster. Light pink scented flowers followed by red berries; glossy, rich foliage, spreading.; Flowers: Spr/Sum; Flower Colour: Pink; Shade/Semi Shade; Moist
<i>Rhagodia parabolica</i>	Shrub; Mealy saltbush; NSW, Vic, SA; 2m h x 3m w; Shrub with silver grey-green leaves and occasional reddish tonings. Flowers are small but fragrant and are followed by red berries. Good hedge material.; Flowers: All Year; Flower Colour: Cream; Sun; Well Drained
<i>Ricinocarpos pinifolius</i>	Shrub; Wedding Bush; Qld, NSW, Vic., Tas., NT.; 1.5m h x 1m w; Graceful rounded shrub with linear leaves. Bears profuse white flowers in spring. Indigenous to Geelong area.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Rosemarinus officinalis</i>	Herb; Rosemary; Mediterranean; 1m h x 1m w; Upright aromatic plant, bearing blue flowers.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Rosemarinus officinalis</i> "Tuscan Blue"	Herb; 1m h x 1m w; Flowers: Spr/Sum; Flower Colour: Blue; Sun; Well
<i>Ruttya fruticosa</i>	Shrub; Rabbit Ears; Africa; 3.5m h x 1.5m w; Bushy tropical plant flowering over several months in terminal spikes. Flowers are tubular and orange-red in colour with lower lip with a brown blotch. In cooler climates should be grown in a green house.; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Salvia</i> "Blue Abyss"	Salvia; 1.3m h x 1m w; Large shrub with dark blue-purple flowers Oct-Jun. It has olive green foliage.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia</i> "Bluebird"	Salvia; NZ; 2.5m h x 1.4m w; Hardy shrub with small blue flowers, ideal for the back of a border.; Flowers: Win/Spr; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia</i> "Costa Rican Blue"	Salvia; 2m h x 1.5m w; Large shrubby perennial with purple-blue flowers and dark bluish calyx. <i>Salvia guaranitica</i> x <i>gesneriiflora</i> .; Flowers: Aut/Win; Flower Colour: Blue; Semi Shade; Well Drained; Drought Tolerant
<i>Salvia</i> "Finn Grove"	Salvia; 0.6m h x 0.6m w; Flower Colour: Mauve; Sun
<i>Salvia</i> "Indigo Spires"	Salvia; 1m h x 1m w; Hybrid with dark violet flowers to 50cm over 8 months of the year. Can become leggy.; Flowers: Summer; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant
<i>Salvia</i> "Marine Blue"	Salvia; 1m h x 0.8m w; Small rounded grey-leafed evergreen with dark blue flowers from spring to autumn. Hardy to heat, dry and light frost.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia</i> "Meigan's Magic"	Salvia; 1m h x 1m w; Vigorous compact shrub with dark navy-purple bract & white flower.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia</i> "Purple Majesty"	Salvia; Mexico; 1.5m h x 1.5m w; A large semishrubby perennial with an upright and somewhat open habit. The shiny dark green leaves are broad, pointed and heavily textured. The deep purple tubular flowers have a velvet-texture and are formed on whorls.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained
<i>Salvia</i> "Silke's Dream"	Salvia; 0.8m h x 0.6m w; Large red and coral flowers.; Flowers: Spring; Flower Colour: Red; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Salvia africana</i>	Salvia; Blue sage, African sage; South Africa; 0.8m h x 0.8m w; C21. Rewarding aromatic shrub, adding texture, contrast and colour to the garden. Flowers are bluish-purple and white. Previously <i>S. africana-caerulea</i> .; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well
<i>Salvia africana "Smoothie"</i>	Salvia; 0.8m h x 0.8m w; C21. Rewarding aromatic shrub, adding texture, contrast and colour to the garden. Flowers are bluish-purple and white.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia africana-lutea "Green Bracts"</i>	Salvia; 1.2m h x 1.2m w; Aromatic, hardy shrub with unusually coloured flowers borne over a long period. It is fairly fast-growing. Syn <i>S. aurea</i> .; Flowers: Spr/Sum; Flower Colour: Orange; Sun; Well Drained
<i>Salvia aurea</i>	Salvia; 1.2m h x 1.2m w; Aromatic, fast-growing, hardy shrub with unusually coloured flowers borne over a long period. Syn <i>S. africana-lutea</i> .; Flowers: Spr/Sum; Flower Colour: Orange; Sun; Well Drained; Drought Tolerant
<i>Salvia cacaliaefolia</i>	Salvia; Guatemala,Mexico; 0.9m h x 0.7m w; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Moist
<i>Salvia canariensis</i>	Salvia; Canary Island Sage; Canary Island; 1.8m h x 1.5m w; A big beautiful and quick-growing sage with rose-pink and purple flowers and papery bracts.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well
<i>Salvia chamaedryoides</i>	Salvia; 0.3m h x 0.3m w; Low perennial with silvery foliage and violet-blue flowers. Suitable for rockeries.; Flowers: Spr/Sum; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant
<i>Salvia chamaedryoides x greggii "Cookie"</i>	Salvia; 0.5m h x 0.5m w; Hardy evergreen small bush. Silver grey leaves and blue violet flowers.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained
<i>Salvia chiapensis</i>	Salvia; Chiapas Sage; Mexico; 1m h x 1m w; C21. A shade-loving Salvia with purplish-pink or magenta flowers which bloom on erect one foot tall stems.; Flowers: Summer; Flower Colour: Magenta; Shade/Semi Shade; Moist; Frost Tender
<i>Salvia chionophylla</i>	Salvia; Mexico; 0.15m h x 2m w; Unusual trailing perennial with grey leaves with light blue flowers.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Frost Tender
<i>Salvia confertiflora</i>	Salvia; Brazil; 1.5m h x 1m w; Shrubby perennial with orange to red flowers in brown calyces.; Flowers: Sum/Aut; Flower Colour: Orange; Semi Shade; Well Drained
<i>Salvia corrugata</i>	Salvia; Ecuador; 1.5m h x 1.5m w; Shrubby perennial with royal blue flowers and dark green aromatic & corrugated leaves.; Flowers: Aut/Win; Flower Colour: Blue; Semi Shade; Well Drained
<i>Salvia discolor</i>	Salvia; Andean Sage; Peru; 0.6m h x 0.6m w; C21. Plant in rock gardens, tubs and borders. Dramatic, purple-black flowers and contrasting silvery leaves and stems. GBG Top Ten.; Flowers: Sum/Aut; Flower Colour: Purple; Sun; Well Drained; Drought Tolerant; Frost Tender
<i>Salvia dolomitica</i>	Salvia; South Africa; 0.9m h x 0.8m w; C21. Perennial with soft lilac flowers.; Flowers: Sum/Aut; Flower Colour: Mauve; Semi Shade; Well Drained; Drought Tolerant
<i>Salvia elegans</i>	Salvia; Pineapple Sage; Mexico, Guatemala.; 1.3m h x 1m w; Perennial shrub with aromatic foliage and cerise-red flowers. Grows naturally in highland forests. Leaves & flowers are both edible.; Flowers: Autumn; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant; Frost
<i>Salvia fruticosa "Greek Skies"</i>	Salvia; Greek Sage; Canary Is., N.Afr.to Middle East;; 1.2m h x 1m w; C21. Medium shrub with soft sage-coloured foliage, soft hairy rugose leaves, giving a silvery appearance. Lavender scented. Neutral to alkaline soils.; Flowers: Spr/Sum; Flower Colour: Purple; Sun; Well Drained; Drought

Genus/Species/Cultiva**Notes**

<i>Salvia gesneriiflora</i> "Red Rambler"	Salvia; 1.6m h x 1.5m w; New growth tips are yellow/green and flowers are a bright orange red, almost luminous. Calyces are light brown.; Flowers: Spr/Sum; Flower Colour: Red; Shade/Semi Shade; Well Drained
<i>Salvia greggii</i> "Alba"	Salvia; 0.8m h x 0.6m w; Flowers: Sum/Aut; Flower Colour: White; Sun; Well Drained
<i>Salvia greggii</i> "bicolor"	Salvia; 1m h x 0.6m w; Flowers are beige and pink; Flowers: Spr/Sum; Flower Colour: Bicolour; Sun/Semi Shade; Well Drained
<i>Salvia greggii</i> "Blast"	Salvia; Mexico,USA; 0.7m h x 1m w; Medium shrub with dense foliage and vibrant salmon pink flowers.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia greggii</i> "Flare"	Salvia; 0.8m h x 0.6m w; Heatwave Flare?; Flowers: Sum/Aut; Flower Colour: Magenta; Sun; Well Drained; Drought Tolerant
<i>Salvia greggii</i> "Glimmer"	Salvia; Mexico,USA; 0.5m h x 0.5m w; A fast-growing, rounded, compact plant which attracts butterflies.; Flowers: Sum/Aut; Flower Colour: Cream; Sun/Semi Shade; Well Drained
<i>Salvia greggii</i> "Glitter"	Salvia; 1m h x 1m w; Aromatic, evergreen shrub which is easy to grow and very tolerant of dry conditions. Produces massed pastel pink- mauve blossoms and green foliage throughout the warm months. Also know as S. 'Heatwave Glitter'?; Flowers: Sum/Aut; Flower Colour: Pink; Sun; Adaptable
<i>Salvia greggii</i> "Heatwave"	Salvia; Mountain sage; USA ,Mexico; 0.7m h x 0.7m w; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Well Drained; Frost Tender
<i>Salvia guaranitica</i> "Black and	Salvia; Blue Anise Sage; 1.3m h x 1.3m w; Bushy semi-woody perennial with dark-green, toothed ovate leaves and spikes of dark-blue, tubular flowers. The calyx is black.; Flowers: Sum/Aut; Flower Colour: Blue; Sun; Adaptable; Drought Tolerant
<i>Salvia guaranitica</i> "Large Form"	Salvia; 1.4m h x 1m w; Large form. Larger flower and more compact plant than the species, with rich, electric-blue flowers on a shrub about 1.3 m tall. It is a non-invasive form, unlike other forms of this species.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Adaptable
<i>Salvia involucrata</i> "Mulberry Jam"	Salvia; 1.2m h x 1m w; An upright shrub-like perennial with dark reddish green leaves and spikes of deep cyclamen pink flowers in spring and autumn.; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Salvia lanceolata</i>	Salvia; Golden Sage; South Africa; 1m h x 1m w; C21. Compact shrub: grey-green leaves with lemon pepper taste & fragrance. Flowers dusky pink with pink/brown calyx.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia leucantha</i>	Salvia; Mexican Bush Sage; Mexico; 1m h x 0.9m w; Small silvery perennial suitable for cottage gardens. Velvety purple/mauve flowers, sometimes white. GBG Top Ten.; Flowers: Sum/Aut; Flower Colour: Mauve; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia leucantha</i> "Pink Velour"	Salvia; 0.7m h x 0.7m w; Small perennial suitable for cottage gardens. Velvety pink/mauve flowers.; Flowers: Aut/Win; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Salvia leucantha</i> "Red Harry"	Salvia; 0.7m h x 0.7m w; Flowers: Win/Spr; Flower Colour: Red; Sun/Semi Shade; Well Drained
<i>Salvia leucantha</i> "White Velour"	Salvia; 1m h x 1m w; Showy cultivar with long spikes of pure white flowers during summer and autumn. A tough drought tolerant plant, with a silvery appearance.; Flowers: Sum/Aut; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant; Frost Tender

Genus/Species/Cultiva

Notes

<i>Salvia leucantha x rutilana</i> "Anthony Parker"	Salvia; 0.9m h x 0.8m w; Perennial plant ideal for cottage gardens. Flowers are deep violet - blue.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Drought Tolerant
<i>Salvia leucophylla</i>	Salvia; California; 1.5m h x 1.2m w; Bushy perennial with lavender pink flowers with silver grey-white calyx. Ideal for dry gardens.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun; Well Drained; Drought Tolerant
<i>Salvia mexicana</i>	Salvia; Mexican Sage; 1.5m h x 1m w; . It has blue flowers and various calyx colors. Mexican sage is highly variable in both leaf form and flower details. This is an autumn-blooming sage with nice form and rugged character; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well
<i>Salvia mexicana "Limelight"</i>	Salvia; Mexico; 1.3m h x 1.5m w; Shrubby perennial with stunning lime calyx and purple blue flower. GBG Top Ten.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia mexicana "Lolly"</i>	Salvia; 1.3m h x 1.2m w; Thick brushes of steely purple/blue flowers with black/blue calyces. GBG Top Ten.; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia mexicana "Major"</i>	Salvia; Mexico; 2m h x 1.5m w; Royal blue flowers with green calyx, dark green glossy leaves. GBG Top Ten.; Flowers: Spr/Sum; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia microphylla "Cerise"</i>	Salvia; 0.6m h x 0.6m w; Grows as a compact upright plant, then spreads. The leaves are a glossy blue green and have a musky fragrance. The flowers are dark red.; Flowers: Sum/Aut; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia microphylla "Hot Lips"</i>	Salvia; Central America; 1m h x 1m w; Cultivar of <i>Salvia microphylla</i> , with scarlet-and-white flowers which can appear completely red or white at any one time. Sweet fragrant foliage. Attractive to bees.; Flowers: Sum/Aut; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia microphylla "Margaret Arnold"</i>	Salvia; 0.6m h x 0.6m w; Grows as a compact upright plant, then spreads. The leaves are a glossy blue green and have a musky fragrance. Small cerise pink flowers and dark calyx.; Flowers: Sum/Aut; Flower Colour: Magenta; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia microphylla "Red Beacon"</i>	Salvia; 0.3m h x 0.7m w; Flowers: Sum/Aut; Flower Colour: Red; Sun; Well Drained
<i>Salvia microphylla var neurepia</i>	Salvia; Graham's Sage; Mexico, S.W. America; 0.9m h x 0.9m w; Evergreen shrub or shrubby perennial with dark, small glossy leaves and blossoms of cherry-red. Its attractive foliage cloaks the plant to the ground, so it is well suited to the front of the border.; Flowers: Sum/Aut; Flower Colour: Red; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia microphylla var wislizenii</i>	Salvia; 0.75m h x 0.75m w; A spreading shrub to 1 metr tall. The leaves are triangular, 2-3 cm long, and often glaucous. Flowers are bright pink in a raceme with whorls that are 2-4 flowered. The calyx is tinged purple. The corolla is vermilion to magenta.; Flowers: Sum/Aut; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Salvia miniata</i>	Salvia; Guatemala, Mexico; 1m h x 1m w; Compact plant with shiny foliage and bright red flowers. Comes from misty mountainous regions.; Flowers: Sum/Aut; Flower Colour: Red; Shade/Semi Shade; Well Drained; Frost
<i>Salvia polystachya</i>	Salvia; Mexico, Central America; 1.2m h x 1m w; C21. Medium shrubby perennial, with pale slate blue flowers, with white throat.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia purpurea</i>	Salvia; Purple Sage; 1m h x 1m w; Tall, slightly sprawling plant, which is smothered with light purple flowers. Syn <i>S. officinalis</i> 'Purpurea'?; Flowers: Sum/Aut; Flower Colour: Purple; Sun/Semi Shade; Well Drained; Drought Tolerant

Genus/Species/Cultiva**Notes**

<i>Salvia regia</i>	Salvia; Mountain Sage; Mexico; 1.5m h x 1m w; Compact shrub which grows in rocky mountain soil. Very bright red flowers.; Flowers: Autumn; Flower Colour: Red; Shade/Semi Shade; Well Drained
<i>Salvia runcinata</i>	Salvia; South Africa; 0.5m h x 0.3m w; Upright plant with light green crinkled foliage.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Salvia sagittata "Mosquito"</i>	Salvia; Mexico; 0.8m h x 0.6m w; Perennial which reshoots from the base. Royal blue flowers on black wiry stems.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Salvia semiatrata</i>	Salvia; 1m h x 0.9m w; Flowers are pink to purple.; Flowers: Sum/Aut; Flower Colour: Purple; Sun; Well Drained
<i>Salvia somalensis</i>	Salvia; Somalia; 1.5m h x 1m w; C21. Pale lime-green foliage complements the pale blue flowers, which have white markings on the lower lip.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade; Well Drained;
<i>Salvia stenophylla</i>	Salvia; South Africa; 0.3m h x 0.2m w; C21. Small winter-dormant perennial with mauve-pale pink flowers on long stems. Small upright salvia with small, aromatic leaves. May not be long-lived; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Salvia tubiflora</i>	Salvia; Sth America, high altitudes.; 1.5m h x 1m w; Large shrub with heart shaped yellow-green leaves. The sparse flowers are a dark cranberry-red color, growing two or three in a whorl, on stiff inflorescences that reach 12 inches (30 cm) long. The flowers are long, straight and tube shaped.; Flower Colour: Red; Sun/Semi Shade
<i>Salvia wagneriana</i>	Salvia; Central America; 2m h x 1.5m w; Hardy shrub with pastel pink fat & tubular flowers. May need summer moisture: mulch well to keep roots cool.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Drought Tolerant; Frost Tender
<i>Santolina virens</i>	Herb; Green Santolina; 0.6m h x 1m w; Compact, rounded shrub with deep-green, segmented leaves and stems. In mid- to late summer, it bears solitary, daisylike, bright-yellow flower heads on slender stems.; Flowers: Summer; Flower Colour: Yellow; Sun; Well Drained
<i>Sarcococca confusa</i>	Shrub; Sweet Box; China; 1.5m h x 1m w; Evergreen shrub with glossy dark green leaves. Buds begin the palest greenish-white & open to a pure creamy white fragrant flower.; Flowers: Winter; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Sarcococca hookeriana</i>	Shrub; sweet box; Himalayas; 1.8m h x 2m w; Evergreen suckering shrub with tiny white fragrant flowers with pink anthers, followed by black fruit.; Flowers: Winter; Flower Colour: White; Sun/Semi Shade; Well Drained
<i>Scabiosa atropurpurea</i>	Groundcover; Southern Europe; 0.6m h x 0.5m w; Flowers: Sum/Aut; Flower Colour: Burgundy; Sun/Semi Shade; Well Drained
<i>Scabiosa caucasica</i>	Groundcover; 0.9m h x 0.5m w; Grey green leaves & powder blue flowers.; Flowers: Sum/Aut; Flower Colour: Blue; Sun/Semi Shade
<i>Scabiosa columbaria</i>	Groundcover; Pincushion plant; N. Africa, Asia.; 0.6m h x 0.4m w; Flowers are red-purple to lilac blue.; Flowers: Sum/Aut; Flower Colour: Mauve; Sun; Well Drained
<i>Scabiosa japonica</i>	Groundcover; Blue Diamond; 0.3m h x 0.3m w; Low-growing biennial with mauve-blue flowers.; Flowers: Sum/Aut; Flower Colour: Mauve; Sun; Well Drained

Genus/Species/Cultiva**Notes**

<i>Scaevola calendulacea</i>	Groundcover; Scented fan flower; NSW, Qld, Vic.; 0.2m h x 1m w; C21. Spreading plant with stems that may reach 1 metre in length. Leaves are shiny, succulent and up to 8 centimetres long. Blue, fan-shaped flowers are present throughout the year. They are followed by blue succulent fruits.; Flowers: All Year; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant
<i>Scleranthus biflorus</i>	Groundcover; NSW, Vic, Tas; 0.1m h x 0.5m w; Spreading, moss-like cushion plant with bright green leaves and minute double-headed green flowers. Likes to grow in rockeries.; Flowers: Spring; Flower Colour: Green; Sun; Well
<i>Sedum rubrotinctum</i>	Succulent; Jelly Bean; Mexico; 0.1m h x 0.1m w; The leaves of this plant change colour from green to red during the summer months and sprout bright yellow flowers from between the leaves in mid-spring. Forms a quick ground cover.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Sedum spectabile "Autumn Joy"</i>	Succulent; 0.15m h x 0.3m w; Clump forming herbaceous perennial with fleshy, succulent silvery bluish-green leaves, pink-green stems and star-shaped pink flowers, fading to brown.; Flowers: Spr/Sum; Flower Colour: Pink; Sun; Well Drained
<i>Senecio articulatus</i>	Succulent; candle plant; south africa; 0.6m h x 0.4m w; greyish blue stems weakly jointed. Terminal sprays of yellow white daisy like flowers Well suited to coastal climate and ideal plant for a large pot.; Flowers: Spr/Sum; Flower Colour: Yellow; Sun; Well Drained
<i>Senecio crassiflorus</i>	Groundcover; Sth America; 0.2m h x 0.5m w; Silvery white prostrate succulent with broadly bell shaped, woolly flower heads. GBG silver border.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Senecio cunninghamii</i> var <i>cunninghamii</i>	Shrub; Bushy Groundsel; NSW, SA, Vic.; 1m h x 1m w; C21 Garden. Small semi-woody shrub with narrow leaves & small yellow flowers; Flowers: Spr/Sum; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Senecio serpens</i>	Succulent; Blue Chalk Sticks; Sth Africa; 0.2m h x 0.4m w; Silver foliage. A ground cover with silver cylindrical leaves. The trailing stems take root as they touch the ground. White flowers.; Flowers: Autumn; Flower Colour: White; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Senecio viravira</i>	Perennial; Argentina, Chile; 0.6m h x 1m w; Deeply pinnate silvery-white leaves and small pale yellow flowers. GBG Silver Border.; Flowers: Sum/Aut; Flower Colour: Lemon; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Senna aciphylla</i>	Shrub; Eastern Australia; 1.5m h x 1.8m w; Flowers: Spr/Sum; Flower Colour: Yellow; Sun/Semi Shade; Well Drained
<i>Spiraea cantoniensis "reeves"</i>	Shrub; Reeves Spiraea; Asia; 2m h x 2m w; Deciduous or semievergreen small shrub with very showy clusters of white flowers in midspring. The wiry, reddish brown, gracefully arching stems can cover an area 6-8 ft across.; Flowers: Spr/Sum; Flower Colour: White; Shade/Semi Shade; Adaptable
<i>Stapelia</i> sp	Succulent; Carrion Plant; Sth Africa; 0.1m h x 0.2m w; Low growing, spineless, green-red stemmed succulent plant, with large 5-pointed star flowers which have an elaborate circular fleshy disk in the centre, are visibly hairy and generate the odour of rotten flesh. Clump-forming.; Sun/Semi Shade; Well Drained
<i>Stemodia</i> sp	Shrub; SA, WA, NT.; 0.5m h x 0.5m w; Erect perennial to 50cm with slightly sticky leaves. Blue flowers are born on the leaf axils in spring & summer.; Flowers: Spr/Sum; Flower Colour: Blue; Sun; Well Drained; Drought Tolerant
<i>Strobilanthes anisophyllus</i>	Shrub; Goldfussia; NSW, Qld & Asia; 1.5m h x 1.5m w; Hardy, evergreen shrub with glossy, dark green leaves of unequal size, which are stained blackish purple on both sides. Mauve-pink flowers appear in spring, and intermittently throughout the year.; Flowers: Spr/Sum; Flower Colour: Pink; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Syringa persica</i>	Shrub; Persian Lilac; Europe; 5m h x 5m w; Tall shrub with large soft mauve flowerheads, very fragrant.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Moist
<i>Tagetes lemmonii</i>	Perennial; Mountain Marigold; Mexico; 1.5m h x 1.5m w; C21. Large sprawling shrub with aromatic (passionfruit) leaves and small golden yellow flowers.; Flowers: Win/Spr; Flower Colour: Yellow; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Tanacetum densum ssp amani</i>	Perennial; Turkey; 0.2m h x 20m w; Silver foliage. Compact perennial with feathery foliage that is silver. It produces yellow flowers during mid summer that are daisy-shaped. Erect sub shrub, clump forming.; Flowers: Sum/Aut; Flower Colour: Yellow; Sun; Well Drained
<i>Tecticornia pergranulata</i>	Succulent; Blackweed Samphire; Arid regions; 0.5m h x 0.5m w; Erect or decumbent succulent/perennial with red/yellow stems and mauve-pink flowers. Syn Halosarcia pergranulata.; Flowers: Sum/Aut; Flower Colour: Mauve; Sun; Well Drained; Drought Tolerant
<i>Templetonia retusa "a"</i>	Shrub; Cocky's Crest; WA; 2m h x 3m w; Large rounded spreading shrub with apricot pea-flowers.; Flowers: Win/Spr; Flower Colour: Apricot; Sun; Well Drained
<i>Templetonia retusa "o"</i>	Shrub; Cocky's Crest; WA; 1m h x 2m w; Low shrub with bright orange pea flowers. Lime tolerant.; Flowers: Win/Spr; Flower Colour: Orange; Sun/Semi Shade; Well Drained; Drought Tolerant
<i>Templetonia retusa "r"</i>	Shrub; Cocky's Crest; SA, WA.; 2m h x 3m w; Large rounded spreading shrub with pea-flowers, mostly in red. Some varieties bear apricot or yellow flowers.; Flowers: Win/Spr; Flower Colour: Red; Sun; Well Drained; Drought
<i>Tetragonia implexicoma</i>	Groundcover; Bower Spinach; 0.2m h x 3m w; A succulent rambling groundcovering shrub. Edible leaves are arranged in clusters along the stems. Small scented, pale yellow flowers are held on long stalks.; Flowers: Spring; Flower Colour: Yellow; Sun/Semi Shade; Adaptable
<i>Teucrium racemosum</i>	Groundcover; Inland areas; 0.4m h x 1m w; Low suckering shrub with narrow silver grey foliage and white flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained; Drought Tolerant
<i>Thomasia brachystachys</i>	Shrub; WA; 1.5m h x 0.5m w; C21. Open, erect shrub, single-stemmed at ground level, leaves cordate, furry.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Thomasia solanacea</i>	Shrub; WA; 2m h x 1.5m w; Upright shrub with attractive lime green felt-like oakleaf shaped leaves. Sporadically throughout the year and in profusion in mid spring appear the small papery white flowers with dark reddish veins and centres.; Flowers: Spring; Flower Colour: White; Sun/Semi Shade; Well
<i>Threlkeldia diffusa</i>	Groundcover; Coast bonefruit; Southern Victoria; 0.25m h x 1.5m w; C21. Prostrate succulent silver grey perennial from the coastal regions and volcanic plains. Indigenous to Geelong area.; Flowers: Spring; Flower Colour: Green; Sun; Well Drained
<i>Tradescantia pallida "Purple"</i>	Groundcover; Purple Heart; Sth America; 0.2m h x 0.3m w; Clumping succulent with purple foliage .; Flower Colour: White; Shade/Semi Shade;
<i>Verbascum sp "cr"</i>	Perennial; Europe; 0.7m h x 0.5m w; Large basal rosette of leaves with a spike of cream flowers.; Flowers: Summer; Flower Colour: Cream; Sun; Well
<i>Viburnum burkwoodii</i>	Shrub; 3m h x 3m w; Semi deciduous or evergreen shrub, with glossy deep green leaves & pink buds changing to white fragrant flowers, appearing in late winter to mid spring.; Flowers: Win/Spr; Flower Colour: White; Sun/Semi Shade; Well Drained

Genus/Species/Cultiva**Notes**

<i>Viburnum dentatum</i>	Shrub; Arrow Wood; Nth America; 3m h x 2m w; Bushy shrub with erect branching stem & broad oval leaves which redden in autumn. Flat clusters of tiny white flowers are followed by dark blue oblong fruit.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Adaptable
<i>Viburnum japonicum</i>	Shrub; Japan; 2.5m h x 2.5m w; Evergreen shrub with leathery leaves and white flowers in flattened trusses. Red berries follow in autumn. May take some years before flowering.; Flowers: Spr/Sum; Flower Colour: White; Sun/Semi Shade; Moist
<i>Viburnum suspensum</i>	Shrub; Arrow Wood; Japan; 3m h x 2m w; Flowers: Summer; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Vitex trifolia "Purpurea"</i>	Shrub; Purple Coastal Vitex; Australia & Asia; 3m h x 3m w; A large widely spreading shrub with olive green leaves with purple undersides, bears lavender mauve flowers, highly recommended for difficult landscape environments, particularly exposed coastal and poorly drained salty areas; Flowers: Sum/Aut; Flower Colour: Mauve; Sun; Well Drained
<i>Westringia brevifolia var raleighii</i>	Shrub; Sea mist; Tas.; 1m h x 1m w; Small shrub with mauve flowers.; Flowers: Spr/Sum; Flower Colour: Mauve; Sun/Semi Shade; Well Drained
<i>Westringia fruticosa</i>	Shrub; Coastal rosemary; NSW; 2m h x 3m w; Rounded shrub to 2m with white flowers for much of the year. Very hardy plant in almost any situation. Good hedging or screen plant.; Flowers: All Year; Flower Colour: White; Drought Tolerant
<i>Westringia glabra</i>	Shrub; NSW, Vic.; 1.5m h x 1m w; Erect open shrub with blue-grey flowers for most of the year.; Flowers: Spring; Flower Colour: Blue; Semi Shade; Well Drained; Drought Tolerant
<i>Zieria prostrata</i>	Groundcover; NSW; 0.4m h x 1m w; Flowers are white or pale pink, often pink in bud. Stems spread often with adventitious roots.; Flowers: Spring; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Isopogon formosus</i>	Shrub; Rose cone flower; WA; 1.5m h x 1.5m w; Medium rounded shrub which bears large heads of pink flowers, followed by globular cones. Very beautiful, but unreliable in eastern state gardens. May do better in a pot.; Flowers: Win/Spr; Flower Colour: Pink; Sun/Semi Shade; Well Drained
<i>Melaleuca howeana</i>	Shrub; Lord Howe Tea Tree; Lord Howe Island; 3m h x 1m w; Dense bush with flaky bark; branchlets glabrous. This plant is best known as the habitat for the Lord Howe Island Stick Insect, a critically endangered species.; Flowers: Spring; Flower Colour: White; Sun; Well Drained
<i>Teucrium racemosum</i>	Groundcover; Inland areas; 0.4m h x 1m w; Low suckering shrub with narrow silver grey foliage and white flowers.; Flowers: Spr/Sum; Flower Colour: White; Sun; Well Drained; Drought Tolerant
