Individual Collegiate Records

Individual collegiate records are determined by comparing the best records in all four divisions (I-A, I-AA, II and III) in comparable categories. Included are career records of players who played in two divisions (e.g., Dennis Shaw of San Diego St., Howard Stevens of Randolph-Macon and Louisville, and Tom Ehrhardt of C. W. Post and Rhode Island). Players who played seasons other than in the NCAA will have statistics only including NCAA seasons.
