

Get serious about computing with the HP ENVY h8 PC, a stylish, high-performance PC for your most demanding digital tasks. Premium performance levels enable an optimized experience whether you're working, e-mailing, editing photos or videos, gaming or connecting with friends online⁽¹⁰⁾. The HP ENVY h8 PC's expandability lets you add devices and features to support your growing needs. The elegant accented design will attract attention in any home décor.

HP recommends Windows 8.

Designed for Powerful Performance and Elegance

- Handles multiple demanding projects easily and simultaneously.
- Top-positioned power button enables convenient use.
- A built-in valet tray on top of the tower provides convenient access and cable management for a variety of small peripherals and accessories.
- A sliding panel offers quick access to front-mounted ports while keeping them hidden when they're not in use.
- The front-panel 15-in-1 memory card reader makes it easy to transfer photos, music, and other files to and from your digital camera and other peripheral devices.
- The HP ENVY h8 PC also features Integrated Bluetooth^{®(26)} and Wireless LAN 802.11b/g/n⁽¹⁹⁾

Only HP

- HP Connected Music powered by Meridian: Get the most out of the tunes you love today and discover more music in a whole new way with HP Connected Music powered by Meridian. Enhance your experience by browsing your locally-saved music, downloads, Internet radio, and streaming services—all together in one place⁽⁹⁸⁾.
- Sync photos across your PC, smartphone, and tablet. Crop, rotate, add captions, and more. Then share in seconds with friends and family through your social networks.⁽³⁷⁾ HP Connected Photo. Picture the fun.
- CyberLink PowerDirector is fast, feature-rich and easy to use, the powerful set of integrated tools lets you create brilliant movies like a pro. Whether you're practically a pro or a novice, PowerDirector is packed with intuitive and exciting features and is designed for creating brilliant high definition videos that will amaze your friends and family.
- CyberLink PhotoDirector makes it easy to create spectacular photos. From the moment your images are imported, the software empowers you with the tools you need to create professional-looking images, including photo management, photo adjustment and advanced editing features

The Power of HP Multi Display Solutions

Improve your productivity with an HP ENVY h8 desktop with built-in HP Multi-Display Capable technology that supports two monitors at once so you can mega-task: e-mail, research, chat, browse the Web, edit photos, watch videos—all at the same time with more room than ever before. Play your games the way they were intended—without cramming controls and information on top of the action. With support for two monitors, the HP ENVY h8 desktop series lets you take advantage of powerful graphics capabilities.

Hear the Music You've Been Missing

In an exclusive partnership with music industry leaders, HP has engineered an audio system that unlocks all the sounds that musicians and producers have perfected in the studio. What you hear: the highs, lows and subtle in-betweens that standard PCs can't touch. What you get: goose bumps, shivers down the spine and all the feeling that artists put into their music. Beats Audio™ is all about the music. Revolutionary Beats Audio™ system, configurable on select models, was designed by music industry giants Jimmy Iovine and Dr. Dre to let users enjoy their music "the way the artists intended".⁽⁵⁰⁾

HP MyRoom with 12 months free Premium Upgrade

Make HP MyRoom your online meeting place! This PC comes with a free 12 month MyRoom Premium Upgrade.⁽²²⁾ Your upgraded account will allow you to create online rooms, fill them with photos and other files, and invite your friends and family in to share anytime! You can also send video and voice mails, share your desktop, and easily organize your files in the cloud when you access your Box[®] account through MyRoom. Plus, with its simplicity and security, HP MyRoom gives you peace of mind when you're connecting to the people you care about.

Latest Processor Technology

Intel[®] Core™ Processors plus HP-exclusive features propel you into a vivid PC experience. Extra speed and performance adapts to your needs while delivering spectacular visuals in a smooth, seamless flow. With HP convenience and security, it's an unbeatable combination. HP + Intel: It's not just the speed, it's the experience.
