Debbie Halvorson: "A" from the NRA. "F" from Illinois families.

Illinois Democrats, connect the dots: Debbie Halvorson received an "A" rating from the NRA — the gun lobby standing in the way of President Obama's plan to end gun violence. Halvorson has stood up for the gun lobby for years.

- In 2007, she voted against banning high-capacity ammunition magazines and co-sponsored a bill that would allow some criminals to carry loaded, hidden guns across state lines.*
- In 2008, she earned an "A" from the NRA. She received the NRA's endorsement in 2010.*
- And even after the Newtown tragedy, she said, "I'm not willing to change my stance" on guns.*

If the NRA says YES,
we should say NO.

On February 26, VOTE NO on Debbie Halvorson.
