### **General Information On Condominiums**

A condominium is a special form of real property. To create a condominium in Hawaii, the requirements of the Condominium Property Act, Chapter 514A, Hawaii Revised Statutes, must be complied with. In addition, certain requirements and approvals of the County in which the project is located must be satisfied and obtained.

Some condominium projects are leasehold. This means that the land or the building(s) and other improvements are leased to the buyer. The lease for the land usually requires that at the end of the lease term, the lessees (apartment owners/tenants) deliver their interest in the land to the lessor (fee property owner). The lease also usually requires that the lessees either (1) convey to the lessor the building(s) and other improvements, including any improvements paid for by the lessees; or (2) remove or dispose of the improvements at the lessee's expense. Leases for individual apartments often require that at the end of the lease term, the lessee deliver to the lessor the apartment, including any improvements placed in the apartment by the lessee.

If you are a typical condominium owner, you will have two kinds of ownership: (1) ownership in your individual apartment; and (2) an undivided interest in the common elements.

"Common elements" are the areas of the condominium project other than the individual apartments. They are owned jointly by all apartment owners and include the land, either in fee simple or leasehold, and those parts of the building or buildings intended for common use such as foundations, columns, roofs, halls, elevators, and the like. Your undivided interest in the common elements cannot be separated from ownership of your apartment.

In some condominium projects, some common elements are reserved for the exclusive use of the owners of certain apartments. These common elements are called "limited common elements" and may include parking stalls, patios, lanais, trash chutes, and the like.

You will be entitled to exclusive ownership and possession of your apartment. Condominium apartments may be individually bought, sold, rented, mortgaged or encumbered, and may be disposed of by will, gift, or operation of law.

Your apartment will, however, be part of the group of apartments that comprise the condominium project. Study the project's Declaration, Bylaws, and House Rules. These documents contain important information on the use and occupancy of apartments and the common elements as well as the rules of conduct for owners, tenants, and guests.

### **Operation of the Condominium Project**

The Association of Apartment Owners is the entity through which apartment owners may take action with regard to the administration, management, and operation of the condominium project. Each apartment owner is automatically a member of the Association.

The Board of Directors is the governing body of the Association. Unless you serve as a board member or an officer, or are on a committee appointed by the board, your participation in the administration and operation of the condominium project will in most cases be limited to your right to vote as an apartment owner. The Board of Directors and officers can take certain actions without the vote of the owners. For example, the board may hire and fire employees, increase or decrease maintenance fees, borrow money for repair and improvements and set a budget. Some of these actions may significantly impact the apartment owners.

Until there is a sufficient number of purchasers of apartments to elect a majority of the Board of Directors, it is likely that the Developer will effectively control the affairs of the Association. It is frequently necessary for the Developer to do so during the early stages of development and the Developer may reserve certain special rights to do so in the Declaration and Bylaws. Prospective buyers should understand that it is important to all apartment owners that the transition of control from the Developer to the apartment owners be accomplished in an orderly manner and in a spirit of cooperation.

**II. CREATION OF THE CONDOMINIUM;  
CONDOMINIUM DOCUMENTS**

A condominium is created by recording in the Bureau of Conveyances and/or filing with the Land Court a Declaration of Condominium Property Regime, a Condominium Map (File Plan), and the Bylaws of the Association of Apartment Owners. The Condominium Property Act (Chapter 514A, HRS), the Declaration, Bylaws, and House Rules control the rights and obligations of the apartment owners with respect to the project and the common elements, to each other, and to their respective apartments. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law.

- A. **Declaration of Condominium Property Regime** contains a description of the land, buildings, apartments, common elements, limited common elements, common interests, and other information relating to the condominium project.

The Declaration for this condominium is: \*

**IMPORTANT INFORMATION ON LEASEHOLD CONDOMINIUM PROJECTS**

The information contained in this report is a summary of the terms of the lease. For more detailed information, you should secure a copy of the lease documents and read them thoroughly.

If you have any legal questions about leasehold property, the lease documents or the terms of the lease and the consequences of becoming a lessee, you should seek the advice of an attorney.

There are currently no statutory provisions for the mandatory conversion of leasehold condominiums and there are no assurances that such measures will be enacted in the future.

In leasehold condominium projects, the buyer of an apartment will acquire the right to occupy and use the apartment for the time stated in the lease agreement. The buyer will not acquire outright or absolute fee simple ownership of the land. The land is owned by the lessor or the leased fee owner. The apartment owner or lessee must make lease rent payments and comply with the terms of the lease or be subject to the lessor's enforcement actions. The lease rent payments are usually fixed at specific amounts for fixed periods of time, and are then subject to renegotiation. Renegotiation may be based on a formula, by arbitration set in the lease agreement, by law or by agreement between the lessor and lessee. The renegotiated lease rents may increase significantly. At the end of the lease, the apartment owners may have to surrender the apartments, the improvements and the land back to the lessor without any compensation (surrender clause).

When leasehold property is sold, title is normally conveyed by means of an assignment of lease, the purpose of which is similar to that of a deed. The legal and practical effect is different because the assignment conveys only the rights and obligations created by the lease, not the property itself.

The Developer of this condominium project may have entered into a master ground lease with the fee simple owner of the land in order to develop the project. The Developer may have then entered into a sublease or a new lease of the land with the lessee (apartment owner). The Developer may lease the improvements to the apartment owner by way of an apartment lease or sublease, or sell the improvements to the apartment owners by way of a condominium conveyance or apartment deed.

see Exhibit "B"

Permitted Alterations to Apartments:

see Exhibit "C"

Apartment Designated for Owner-Occupants Only:

Fifty percent (50%) of **residential** apartments must be so designated; Developer has a right to substitute similar apartments for those apartments already designated. Developer must provide this information either in a published announcement or advertisement as required by Section 514A-102, HRS; or include the information here in this public report and in the announcement (see attachment 11a). 11. Conformance to Present Zoning Code

- a.  No variances to zoning code have been granted.  
 Variance(s) to zoning code was/were granted as follows:

b. Conforming/Non-Conforming Uses, Structures, Lot

In general, a non-conforming use, structure, or lot is a use, structure, or lot which was lawful at one time but which does not now conform to present zoning requirements.

	<u>Conforming</u>	<u>Non-Conforming</u>	<u>Illegal</u>
Uses	<u>  X  </u>	<u>          </u>	<u>          </u>
Structures	<u>  X  </u>	<u>          </u>	<u>          </u>
Lot	<u>  X  </u>	<u>          </u>	<u>          </u>

If a variance has been granted or if uses, improvements or lot are either non-conforming or illegal, buyer should consult with county zoning authorities as to possible limitations which may apply.

Limitations may include restrictions on extending, enlarging, or continuing the non-conformity, and restrictions on altering and repairing structures. In some cases, a non-conforming structure that is destroyed or damaged cannot be reconstructed.

The buyer may not be able to obtain financing or insurance if the condominium project has a non-conforming or illegal use, structure, or lot.

D. Common Elements, Limited Common Elements, Common Interest:

1. Common Elements: Common Elements are those parts of the condominium project other than the individual apartments. Although the common elements are owned jointly by all apartment owners, those portions of the common elements which are designated as limited common elements (see paragraph 2 below) may be used only by those apartments to which they are assigned. The common elements for this project, as described in the Declaration, are:

described in Exhibit   "E"  .

as follows:

2. Limited Common Elements: Limited Common Elements are those common elements which are reserved for the exclusive use of the owners of certain apartments.

There are no limited common elements in this project.

The limited common elements and the apartments which use them, as described in the Declaration, are:

described in Exhibit "F" \*.

as follows:

\* Note: Land areas referenced herein are not legally subdivided lots.

3. Common Interest: Each apartment will have an undivided percentage interest in all of the common elements. This interest is called the "common interest." It is used to determine each apartment's share of the maintenance fees and other common profits and expenses of the condominium project. It may also be used for other purposes, including voting on matters requiring action by apartment owners. The common interests for the apartments in this project, as described in the Declaration, are:

described in Exhibit "D".

as follows:

- E. Encumbrances Against Title: An encumbrance is a claim against or a liability on the property or a document affecting the title or use of the property. Encumbrances may have an adverse effect on the property or your purchase and ownership of an apartment in the project.

Exhibit "G" describes the encumbrances against the title contained in the title report dated November 23, 2005 and issued by Island Title Corporation.

Blanket Liens:

A blanket lien is an encumbrance (such as a mortgage) on the entire condominium project that secures some type of monetary debt (such as a loan) or other obligation. A blanket lien is usually released on an apartment-by-apartment basis upon payment of specified sums so that individual apartments can be conveyed to buyers free and clear of the lien.

There are no blanket liens affecting title to the individual apartments.

There are blanket liens which may affect title to the individual apartments.

Blanket liens (except for improvement district or utility assessments) must be released before the Developer conveys the apartment to a buyer. The buyer's interest will be affected if the Developer defaults and the lien is foreclosed prior to conveying the apartment to buyer.

Type of Lien

Effect on Buyer's Interest and Deposit if Developer Defaults  
Or Lien is Foreclosed **Prior to Conveyance**

The Developer intends to finance its own construction;  
thus, no mortgage liens by the Developer are anticipated.

F. Construction Warranties:

Warranties for individual apartments and the common elements, including the beginning and ending dates for each warranty, are as follows:

1. Building and Other Improvements:

The Developer will provide to purchaser a two (2) year "fit and finish" warranty and a one (1) year warranty on the common elements to the Association from the date of turnover.

2. Appliances:

The Developer will pass on the manufacturers' or other vendors' warranties made to it, if any, on any appliances included as part of the apartment being conveyed.

Note (as to 1 and 2 above): Except as provided above, Developer disclaims any implied warranty of habitability, any implied warranty of merchantability, any implied warranty of fitness for a particular purpose or use, any implied warranty of workmanship and any other express or implied warranties, with respect to the apartments, the Project, the common elements thereof, or as to any appliances and furnishings contained within the apartments or the Project.

G. **Status of Construction and Date of Completion or Date of Estimated Completion**

The Developer estimates, but does not guarantee, that the Project will be completed on November 2007. Completion of all apartments in the Project is dependent on market demand, construction schedules and other variables.

H. **Project Phases:**

The Developer [] has [] has not reserved the right to add to, merge, or phase this condominium.

Summary of Developer's plans or right to perform for future development (such as additions, mergers or phasing):

The Developer has separated the apartments covered by the Preliminary Public Report (Reg. No. 5591) for the Project into separate groups, or phases. The second phase covered by this Final Public Report (consisting of 50 apartments) was previously covered by the Contingent Final Public Report (Reg. No. 5770) issued by the Commission on September 30, 2005. The first phase is covered by Final Public Report (Reg. No. 5675) (consisting of 74 apartments) issued by the Commission on October 21, 2005. The remaining apartments covered by the Preliminary Public Report will eventually be covered by a single or multiple Contingent Final or Final Public Report(s) in order to accommodate changing construction and/or marketing strategies as a separate or separate phase(s). As each separate phase is filed, the number of apartments covered by the Preliminary Public Report will be accordingly reduced.

In accordance with Article XXVIII of the Declaration, the Developer intends to register the Project in multiple marketing and construction phases. Also, in accordance with the Developer's reserved rights in the Declaration, of which a summary is attached as Exhibit "A", there is no guaranty that the phases not covered under this Final Public Report, or the Recreational Facilities, or any other improvement in the Project will be developed.

IV. CONDOMINIUM MANAGEMENT

A. **Management of the Common Elements:** The Association of Apartment Owners is responsible for the management of the common elements and the overall operation of the condominium project. The Association may be permitted, and in some cases may be required, to employ or retain a condominium managing agent to assist the Association in managing the condominium project.

**Initial Condominium Management Agent:** When the Developer or the Developer's affiliate is the initial condominium managing agent, the management contract must have a term of one year or less and the parties must be able to terminate the contract on notice of 60 days or less.

The initial condominium managing agent for this project, named on page five (5) of this report, is:

C. **Additional Information Not Covered Above**

1. **Master Declarations.** In addition to the Declaration of Condominium Property Regime of Ko Olina Hillside Villas, purchasers of apartments in the Project will be subject to that certain Ko Olina Declaration of Conditions, Covenants and Restrictions dated December 1, 1986, recorded in said Office as Document No. 1419771, as the same may be amended and/or supplemented from time to time; and that certain Declaration of Covenants for Ko Olina Community Association dated December 1, 1986, recorded in said Office as Document No. 1419773, as the same may be amended and/or supplemented from time to time (collectively "Master Declarations"). Purchasers should pay special attention to additional design restrictions and design review processes imposed by such Master Declarations.

By way of such Master Declarations, purchasers of the Project will be deemed to have membership in the Ko Olina Community Association and, as such, will be subject to certain obligations, including but not limited to, the obligation to pay all assessments imposed by such Master Declarations, which are included in the Project's maintenance fees. All purchasers should review the Master Declarations for any additional obligations.

2. **Declaration of Restrictive Covenants (Private Park).** Developer will be executing, for and on behalf of the Association of Apartment Owners of the Project, a Declaration of Restrictive Covenants (Private Park) in order to meet City and County of Honolulu park dedication requirements. The declaration basically provides the following: a) that the area designated in Exhibit "B" to the declaration, which generally consists of the land underlying the recreational facilities area, which includes the pool, multi-purpose building and cabana, be improved, maintained and used exclusively for private park, playground and recreational purposes by the occupants, owners or lessees of such property; b) that the declaration continue in full force and effect in perpetuity and shall not be repealed, amended to altered in any way, except by a majority vote of the Owners with the written approval of the Director of Planning and Permitting; and c) that the Association maintain and pay for the cost of maintenance of the private park.

3. **Affiliates of Developer.** Prospective purchasers are hereby advised that Centex Homes, dba Centex Destinations Properties, the Developer of the Project, is also licensed to act as the Real Estate Broker for the Project, and the General Contractor for the Project.

4. **Construction and Marketing in Phases.** The Developer, for registration purposes, intends to separate the total apartments initially covered in the Preliminary Public Report for the Project into groups covered by multiple Contingent Final or Final Public Reports in order to accommodate changing construction and/or marketing strategies. The second phase is covered by this Final Public Report (consisting of 50 apartments). On October 21, 2005, the Commission issued an effective date for the Final Public Report under Registration No. 5675 for 74 apartments. The remaining apartments covered by the Preliminary Public Report will eventually be covered by a single or multiple Contingent Final or Final Public Report(s) in order to accommodate changing construction and/or marketing strategies as a separate or separate phases. As each separate phase is filed, the number of apartments covered by the Preliminary Public Report will be accordingly reduced. The Developer intends to file public report packets in multiple separate phases. Purchasers should thus be aware that all of the apartments in the Project, as described in the Project documents, will be closing at different times (depending on the final number selected by Developer to be constructed), and will be closing in phases over a period of time coinciding with the decision to construct, the obtaining of building permits, financing, bonds and issuance of building permits for each phase.

**The Developer hereby discloses that although separate Contingent Final or Final Public Reports will be issued for each phase of the Project, all 174 apartments, or lesser number actually constructed, still legally comprise a single condominium project. In other words, the act of separating the various apartments into different marketing and sales phases does not create separate and distinct condominium projects, but only creates separate "projects" for public report purposes. Accordingly, the common elements described in Exhibit "D" attached hereto will serve all apartments actually constructed.**

5. **Developer to Pay Actual Costs of Project.** The Developer hereby discloses that it shall initially assume the actual common expenses of the Project, pursuant to Section 514A-15 of the Hawaii Revised Statutes, from the date upon which certificates of occupancy are issued for the respective apartments of the Project. Accordingly, no apartment owner shall be obligated to pay his or her respective share of the common expenses until the Developer files a written statement ("Notification") with the Real Estate Commission of the State of Hawaii ("Commission") notifying the Commission and all apartment owners of the Project that, after a date certain ("Transition Date"), each apartment owner shall thereafter be obligated to pay for the respective share of common expenses allocated to said owner's apartment. The Notification shall be filed with the Commission at least thirty (30) days prior to the Transition Date, and a copy of said amendment shall be delivered to each of the apartment owners whose maintenance expenses were assumed by the Developer.

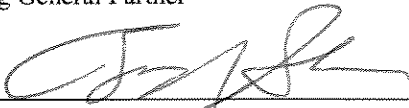

6. **Design Committee.** The Project will have a Design Committee, as described in the Bylaws, which will be established by the Association to promulgate design rules and regulations and regulate the apartment owners' compliance with such design rules and regulations.

7. **Real Property Tax Assessment.** Developer shall be responsible for any real property taxes attributable to the property prior to closing. Any real property taxes paid in advance by Developer for the property will be prorated as a closing cost payable by purchaser pursuant to the Sales Contract.

- D. The developer declares subject to the penalties set forth in section 514A-49(b) that this project is in compliance with all county zoning and building ordinances and codes, and all other county permitting requirements applicable to the project, pursuant to Act 251 (SLH 2000) [Section 514A-1.6] (The developer is required to make this declaration for issuance of an effective date for a final public report.)
- E. The developer hereby certifies that all the information contained in this Report and the Exhibits attached to this Report and all documents to be furnished by the developer to buyers concerning the project have been reviewed by the developer and are, to the best of the developer's knowledge, information and belief, true, correct and complete.

Furthermore, if Developer is the Owner of any two (2) or more Apartments separated by a party wall, floor, or ceiling, Developer shall have the right, without obtaining the approval of any party with an interest in the Project, including, without limitation, any other Owner and/or mortgagee, to consolidate such Apartments that are separated and to alter or remove all or portions of the intervening wall, floor or ceiling at the Developer's expense, provided that the structural integrity of the Project is not affected; the finish of the Common Element remaining is restored to a condition substantially compatible to the Common Element prior to such alteration; and all necessary construction activity shall be completed within a reasonable amount of time, subject to delays beyond the reasonable control of Developer. The Developer shall further have the right to convert that area between Apartments to an Apartment for so long as such Apartments shall remain consolidated or shall continue to be commonly used or owned.

**PERMITTED ALTERATIONS TO APARTMENTS**

Capitalized terms have the same meaning ascribed to such terms in the Declaration.

A. **GENERAL PROVISIONS.** Except as otherwise expressly provided in the Declaration or in the Master Declarations, restoration or replacement of the Project or any portion thereof or construction of any additional improvement or structural alteration or addition to any improvement, different in any material respect from the Condominium Map of the Project, shall be undertaken by the Association or any Apartment Owner only pursuant to an amendment of the Declaration in accordance with Article XIII of the Declaration, duly executed pursuant to the provisions thereof, accompanied by the written consent of the holders of all mortgage liens affecting any of the Apartments involved, and in accordance with complete plans and specifications therefor first approved in writing by the Design Committee. Promptly upon completion of such restoration, replacement or construction the Association or Owner, as the case shall be, shall duly file such amendment, together with a complete set of floor plans of the Project as so altered, certified as built by a registered architect or professional engineer.

B. **ADDITIONS OR ALTERATIONS SOLELY WITHIN AN APARTMENT.** Notwithstanding anything to the contrary contained herein, provided that all requisite governmental permits have been obtained, each Owner of a Villa Apartment shall have the right at any time and from time to time at such Owner's sole cost and expense, and without the necessity of the consent or joinder of any other Apartment Owner or the Design Committee, to make any of the following alterations solely within the Apartment: to install, maintain, remove and rearrange non-load bearing partitions and other non-load bearing structures from time to time within such Apartment, and to paint, paper, panel, plaster, tile, carpet, re-carpet, finish, and do or cause to be done such other work on the interior surfaces of the ceilings, floors and walls within any such Apartment and to finish, alter or substitute any plumbing, electrical or other fixtures attached to the ceilings, floors and walls as may be appropriate for the utilization of such Apartment by such Owner or the tenants or lessees thereof; provided, however, that nothing contained in this paragraph shall authorize any work or alteration which would jeopardize the soundness or safety of the Apartment or any other part of the Project, reduce the value thereof, adversely affect any other Apartment, affect or impair any easement or rights of any of the other Apartment Owners, or interfere with or deprive any Owner of the use or enjoyment of any part of the Common Elements or directly affect any Owner or alter the external appearance of the Project in contravention of the Design Committee Rules (if any) and/or the Design Committee's approval as required under the Bylaws.

C. **APARTMENT OWNERS TO EXECUTE AMENDMENT DOCUMENTS IN CERTAIN CASES.** In the event that any change or alteration of an Apartment pursuant to and in compliance with Section B above shall alter the depiction of the particular Apartment on the Condominium Map or the description thereof in the Declaration, then the Owner of such Apartment shall amend the Declaration and/or the Condominium Map to set forth such approved change or alteration, which amendment(s) may be executed by the Owner of the affected Apartment or Apartments and by no other party, and such shall become effective upon filing of the same at said Office. The provisions of Article XIII of the Declaration notwithstanding, such amendment shall not require the consent or joinder of the Owner of any other Apartment or any other person or entity, other than any mortgagee of such Apartment or Apartments which are changed or altered. Every Apartment Owner and all holders of liens affecting any of the Apartments of the Project and each and every other party acquiring an interest in the Project or any part thereof, by acquiring such Apartment, lien or other interest, consents to and agrees that he shall, if required by law or by any such Owner who shall have changed or altered an Apartment as aforesaid, join in, consent to, execute, deliver and file all instruments and documents necessary or desirable to affect the amendment of the Declaration and/or the Condominium Map; and appoints such Owner and his assigns his attorney-in-fact with full power of substitution to execute, deliver and file such documents and to do such things on his behalf, which grant of such power, being coupled with an interest, is irrevocable for the term of said reserved rights and shall not be affected by the disability of any such party.

### 1. Villa Apartments.

a. Location. The Villa Apartments are located in nine (9) separate 6-plex and fifteen (15) separate 8-plex two-story, multi-family condominium dwelling unit buildings as depicted on the Condominium Map (numbered 1 through 24). Buildings 4, 6, 8, 12, 14, 16, 18, 20 and 22 contain six (6) Apartments per building. Buildings 1 through 3, 5, 7, 9 through 11, 13, 15, 17, 19, 21 and 23 through 24 (inclusive) contain eight (8) Apartments per building. Each building contains Villa Apartment Types A, AR, B and BR.

b. Layout. All Villa Apartments have the number of bedrooms and bathrooms as indicated in the table above, a living/dining room, a kitchen, a lanai, and a one (1) car garage. All Villas Apartment Types have two (2) floors.

### 2. Common Interest and Product Fees.

The percentage *Common Interest* attributable to each Apartment in the Project was calculated by dividing the approximate Net Living Area square footage of each individual Apartment by the total Net Living Area square footage of all Apartments within the Project. The approximate Net Living Area square footage of each Apartment in the Project was determined by measuring the area between the perimeter walls of each Apartment.

Note that the Common Interest percentages reflected in the chart above have been rounded to the sixth decimal place. Thus, the calculations herein are estimates and not exact figures. In order to permit the Common Interest for all Apartments in the Project to equal exactly one hundred percent (100%), the Common Interest attributable to Villa Apartment No. 101 was increased by .000028%.

### 3. Parking Stalls.

Each Apartment will have for its exclusive use the number of parking stalls located in their Limited Common Element garage and in the driveways located directly in front of their Apartment. Additional, unassigned guest parking is available throughout designated areas in the Project for use by guests of Owners of the Apartments. Additionally, there are a total of five (5) designated guest stalls at the recreational facility, which include two (2) handicap accessible stalls.

**EXHIBIT "I"**

**SUMMARY OF DEPOSIT RECEIPT, RESERVATION AGREEMENT AND/OR SALES  
CONTRACT**

Capitalized terms have the same meaning as ascribed to such terms in the Deposit Receipt, Reservation Agreement and/or Sales Contract ("Sales Contract").

The specimen Sales Contract, filed with the State of Hawaii Real Estate Commission, provides for, among other things, a description of the Apartment to be sold, the purchase price, the closing costs, the time, manner and place of payment, the Purchaser's obligations regarding financing, the Seller's warranties and disclaimers regarding the Condominium Map and the Project, and the remedies of the Seller and of the Purchaser in the event of a default under the Sales Contract.

Among other provisions the specimen Sales Contract provides:

1. Notwithstanding any other provision of the Sales Contract to the contrary, the Sales Contract shall become binding upon (i) delivery by Seller of a copy of the Contingent Final Public Report or Final Public Report for the Project (if any), either personally or by registered or certified mail with return receipt requested, and the receipt and notice ("Receipt and Notice Form") advising Purchaser of Purchaser's right to cancel the Sales Contract, (ii) Purchaser having been given an opportunity to read said report(s), (iii) Purchaser's waiver of Purchaser's right to cancel the Sales Contract pursuant to the terms of the Receipt and Notice Form, and (iv) if the Sales Contract is entered into prior to the effective date of the Contingent Final Public Report, or if there is no Contingent Final Public Report, prior to the effective date of the Final Public Report, then, upon delivery of the Contingent Final Public Report or Final Public Report, as applicable, Purchaser's and Seller's execution of an Affirmation Instrument agreeing to render the Sales Contract a binding contract. IF PURCHASER FAILS TO EXECUTE SAID AFFIRMATION INSTRUMENT AND RETURN THE AFFIRMATION INSTRUMENT TO SELLER WITHIN THIRTY (30) DAYS OF PURCHASER'S RECEIPT THEREOF, THE SALES CONTRACT SHALL AT SELLER'S OPTION, BE CANCELLED, AND SELLER SHALL THEREUPON CAUSE ESCROW TO REFUND PAYMENTS PREVIOUSLY MADE BY PURCHASER WITHOUT INTEREST, LESS ANY ESCROW CANCELLATION FEES.

Purchaser may cancel the Sales Contract within thirty (30) days of Purchaser's receipt of the Contingent Final Public Report or, if no Contingent Final Public Report has been issued, the Final Public Report. It is understood that Purchaser may, at any time after Purchaser's receipt of the Receipt and Notice Form, waive Purchaser's right to cancel the Sales Contract. If Purchaser shall fail to execute the Receipt and Notice Form within thirty (30) days of Purchaser's receipt of the Receipt and Notice Form, Purchaser shall be deemed to have received the Contingent Final Public Report or Final Public Report ("Deemed Receipt") and waived Purchaser's right to cancel the Sales Contract (by Purchaser's failure to give said written notice of cancellation). The conveyance of the Apartment to the Purchaser within the thirty (30)-day period referenced above shall also be treated as a Deemed Receipt of the Contingent Final Public Report or Final Public Report and as a waiver by Purchaser of Purchaser's right to cancel the Sales Contract.

If the Sales Contract shall become binding prior to the issuance of an effective date for a Final Public Report, the issuance of an effective date for a Final Public Report for the Project by the Real Estate Commission prior to the expiration of the Contingent Final Public Report (and/or any Supplementary Public Report) shall not affect the enforceability of Purchaser's obligations under the Sales Contract. The Sales Contract will continue to be binding on Purchaser. Moreover, upon the issuance of said Final Public Report, Seller shall not be required to deliver to the Purchaser the Final Public Report, together with a Receipt and Notice Form, but may instead promptly deliver to Purchaser a disclosure statement, informing Purchaser that the Real Estate Commission has issued an effective date for the Final Public Report. The disclosure statement shall also contain all information contained in the Final Public Report that is not contained in the Contingent Final Public Report.

If an effective date for a Final Public Report is not issued by the Real Estate Commission prior to the expiration of the Contingent Final Public Report and/or any Supplementary Public Report, as the case may be, then Seller shall notify the Purchaser by certified mail, and the Seller or the Purchaser may rescind the Sales

Contract and, in such event, the Purchaser shall be entitled to a prompt refund of the Purchaser's entire deposit plus any escrow fees that Purchaser may have paid less any escrow cancellation fees.

2. The Seller has entered into an Escrow Agreement, summarized in Exhibit J herein, with Island Title Corporation ("Escrow"), covering the deposit with Escrow of all funds paid by the Purchaser under the Sales Contract and the disbursement of the funds by Escrow. In the event a purchase is cancelled, Escrow may charge a cancellation fee on account of escrow services performed not to exceed \$250.00.

3. The Sales Contract requires the Purchaser to pay the Total Purchase Price by a series of payments prior to Closing. Such payments include the Reservation Deposit due upon execution of the Deposit and Reservation Agreement, and the initial payment when Purchaser signs the Sales Contract. Purchaser shall then deposit at or prior to Closing, the remaining balance due.

4. The Sales Contract provides that Purchaser will not receive any interest on Purchaser's Deposits. All interest on Purchaser's Deposits, if any, shall accrue to Seller.

5. Purchaser's obligations under the Sales Contract are not contingent or conditional on Purchaser's ability to secure financing from a mortgage lender or on Purchaser's ability to sell Purchaser's current residence or any other property. Financing by Seller of any portion of the Total Purchase Price is not available.

6. The Sales Contract provides that closing costs and expenses shall be allocated as follows: Seller shall pay 60% of the premium for the Title Policy, the cost of drafting of conveyance documents, Seller's notary fees, conveyance tax, and 50% of escrow fees. Purchaser shall pay 40% of the premium for the Title Policy, and any additional costs relating to the issuance of extended coverage policy (including a lender's policy), the cost of drafting of any revisions or addenda to the Sales Contract in addition to those listed in Section C.4 of the Sales Contract, if any, the cost of obtaining Purchaser's consents, if any, Purchaser's notary fees, all recording fees, 50% of escrow fees, any mortgage fees, and Hawaii General Excise Tax. The Sales Contract also provides that at Closing Purchaser shall pay (a) one (1) month's maintenance fee for the Condominium Association, and (b) a non-refundable, non-transferable start-up fee to the Condominium Association in the amount equal to two (2) months' maintenance fee assessments. These start-up fees are one-time assessments at Closing and are not advance payments of common expenses or assessments, and shall be in addition to the normal monthly assessments.

7. The Sales Contract provides that Seller shall complete construction of the building constituting the Apartment or the building in which the Apartment is located so as to permit normal occupancy of the Apartment covered by the Sales Contract within two (2) years from the Effective Date, as defined in the Sales Contract; provided, however, that such two (2) year period shall be extended for any period of time during which Seller is actually and necessarily delayed in beginning or completing construction if such delay is caused by legal defenses for impossibility of performance available under Hawaii law, including, but not limited to, fire, earthquake, act of God, the elements, war or civil disturbances, litigation, strikes or other labor disturbances, or economic controls making it impossible to obtain the necessary labor or materials, or any other matter or condition beyond Seller's control.

8. The Sales Contract provides that Purchaser may purchase upgrades, including modifications or additions to, or upgrades of, the standard fixtures, appliances and/or layout of the Apartment to be made by Seller, pursuant to an upgrade addendum attached to the Sales Contract upon Purchaser's execution of the Sales Contract. Purchaser must deposit one hundred percent (100%) of the purchase price of the upgrades upon Purchaser's execution of the upgrade addendum.

9. The Sales Contract provides that it shall not be construed as a present transfer of any rights or of any interest in the Apartment, but rather states that it is an agreement to transfer in the future. By execution of the Sales Contract, the Purchaser agrees to waive, relinquish and subordinate the priority or superiority of any lien or other legal or equitable interest arising under the Sales Contract in favor of the lien or charge on the Project of the security interests of the Lender, including but not limited to any lien, mortgage or charge securing a loan made to finance the acquisition of the land and the costs of construction (if applicable) and any and all advances therefore until the filing of the Apartment Deed.

10. The Sales Contract provides that it may not be assigned by Purchaser. Any assignment of the Sales Contract is void and of no legal effect. Notwithstanding the foregoing, Purchaser may assign its rights under the Sales Contract to affiliated entities for estate planning purposes without the consent of Seller, provided that any such assignment shall not release Purchaser from its obligations under the Sales Contract. In the event that Purchaser decides to make such an assignment for estate planning purposes, Purchaser shall provide written notice thereof to Seller at least fifteen (15) days prior to the Closing Date, as defined in the Sales Contract, and shall provide to Seller copies of such documents as Seller, in its sole and absolute discretion, deems necessary to complete Closing.

11. The Sales Contract provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract, or the development or management of the Project, the sale of the Apartment or the use or occupancy thereof, or any other aspect of the relationship between Seller and Purchaser regarding the Project which is raised or otherwise asserted after Closing shall be submitted to mediation and, if necessary, to arbitration in accordance with the terms, conditions and procedures set forth in the Sales Contract. The Sales Contract also provides that any dispute by or between Seller and Purchaser arising out of or incident to the Sales Contract that is raised or otherwise asserted before Closing need not be submitted to arbitration, and Seller and Purchaser shall be free to pursue such dispute, as otherwise provided herein, in proceedings in a court of competent jurisdiction, provided that any judicial proceedings initiated shall be conducted in Honolulu, Hawaii.

WHILE A PURCHASER CAN USE THIS SUMMARY AS A GENERAL SUMMARY OF THE PURCHASER'S RIGHTS AND OBLIGATIONS UNDER THE SALES CONTRACT, PURCHASER MUST REFER TO THE SALES CONTRACT TO DETERMINE PURCHASER'S ACTUAL RIGHTS AND OBLIGATIONS. ### **SUMMARY OF ESCROW AGREEMENT**

The Escrow Agreement for the Project dated February 9, 2005 ("Agreement") contains the following provisions (which may be modified or otherwise limited by provisions which are not summarized hereinbelow):

A. As and when Seller and prospective Purchaser enters into a Deposit and Reservation Agreement for the right to participate in a lottery for the reservation and purchase of an Apartment in the Project ("Reservation Agreement"), it shall require payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Reservation Agreement to Escrow together with the address of prospective Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the prospective Purchaser.

B. As and when Seller shall enter into a Sales Contract for the conveyance of an Apartment or other interest in the Project ("Sales Contract"), it shall require the payment of deposit due thereunder to be promptly made to Escrow, and shall deliver an executed copy of the Sales Contract to Escrow together with the address of the Purchaser. Seller shall also promptly pay over to Escrow all monies (including checks) received by Seller from or on behalf of the Purchasers, including those received on any Sales Contract, and all payments made on loan commitments from lending institutions on account of any Apartment in the Project, other than funds received from interim financing.

C. Escrow shall receive, deposit and hold in separate escrow accounts and disburse as set forth in the Agreement: (a) all payments received by it under Reservation Agreements and Sales Contracts, (b) such sums received by it under the Agreement from or for the account of Seller, and (c) all sums received by it from any other source with respect to the Project. Escrow shall not at any time commingle or permit the commingling of any Purchaser's funds with funds belonging to or held for the benefit of Seller. All funds and instruments received from Purchasers or prospective Purchasers shall be held by Escrow in accordance with the provisions contained in Chapter 514A of the Hawaii Revised Statutes. All monies received by Escrow hereunder shall be deposited, within a reasonable time of the receipt by Escrow and in reasonably convenient and practical sums, in an interest-bearing account with a federally insured bank, savings and loan or trust company authorized to do business in the State of Hawaii under an escrow arrangement, and shall be held in immediately available funds in accordance with the terms of the Agreement. All income derived from said account, and all interest paid thereon, shall be credited to the account of Seller unless otherwise directed by a Seller.

D. Notwithstanding anything in the Agreement to the contrary, Escrow shall make no disbursements of Purchasers' funds or proceeds from the sale of Apartments in the Project (including any payments made on loan commitments from lending institutions), except by way of refunds thereof as provided in the Agreement, until the Final Public Report for the particular phase of the Project under which such disbursement is requested, has been issued and Escrow has received a letter from Seller stating that the Purchasers have signed the required Receipt and Notice of Right to Cancel or are deemed to have receipted for the public reports and to have waived their right to cancel, and stating further that no subsequent events have occurred which would give the Purchasers the right to rescind, the Sales Contracts have "become binding" and "the requirements of Sections 514A-40, 514A-39.5 and 514A-63" of the Hawaii Revised Statutes have been met, as said phrases are used in Section 514A-65, Hawaii Revised Statutes, and further that the requirements of Section 514A-62 of the Hawaii Revised Statutes have been met.

E. Purchaser's funds may be used for construction and other allowable expenses in accordance with Section 514A-67 of the Condominium Property Act, as amended, and as enumerated in the Agreement and defined below prior to closing, provided that all the requirements in provision D. above have been met. If funds are to be used for construction prior to closing, the funds shall be distributed by Escrow upon the submission of bills and upon direction to do so from Seller and a qualified financially disinterested person from time to time to pay for: (a) construction costs of the buildings and improvements in proportion to the valuation of the work completed by the contractor in accordance with the contract documents, as certified by a registered architect or engineer and approved for payment by a qualified financially disinterested person; (b) architectural, engineering, and interior design service fees in proportion to the services performed within each phase of services, as approved by a qualified financially disinterested person; (c) the costs of purchasing furnishings and fixtures for the Apartments, as approved by a

qualified financially disinterested person; (d) finance and legal fees, and other incidental expenses of constructing the Apartments or developing the Project, as approved by a qualified financially disinterested person; and (e) such other costs incurred in connection with the construction of the improvements of the Project as a qualified financially disinterested person may approve. Any funds remaining shall not be disbursed until construction of the Project has been completed (or until construction of the particular Apartment being conveyed has been completed to the extent that the Condominium Property Act permits such disbursement) and Escrow receives satisfactory evidence that all mechanics' and materialmen's liens have been cleared (or, to the extent permitted by the Condominium Property Act, have been dealt with in such a fashion as to avoid non-compliance with Section 514A-18 of the Condominium Property Act), unless sufficient funds have been set aside for any bonafide dispute.

F. Each Purchaser shall be entitled to a return of his or her funds, without interest, and Escrow shall pay such funds to such Purchaser, promptly after request for return by the Purchaser if one of the following has occurred:

(1) Escrow receives a written request from Seller to return to the Purchaser the funds of the Purchaser then being held by Escrow;

(2) Seller notifies Escrow in writing of Seller's exercise of the option to rescind the Sales Contract pursuant to any right of rescission stated therein or otherwise available to Seller;

(3) The conditions providing for a refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes (as amended on the date upon which the Sales Contract becomes binding and effective) have been met, and written notice thereof has been provided by Seller.

(4) The conditions providing for refund under Section 514A-62 or under Section 514A-63 of the Hawaii Revised Statutes, as amended, have been met and which notice thereof has been provided by Seller.

Upon the cancellation of any Sales Contract as specified above, Escrow shall be entitled to a cancellation fee commensurate with the services rendered by Escrow prior to such cancellation, up to a maximum of \$250.00, as described in Exhibit "A" of the Agreement, plus all costs incurred by Escrow, which shall be paid by the Purchaser.

G. Except as otherwise provided by law, Escrow shall give each purchaser entitled to a return of his or her funds notice thereof by certified or registered mail, addressed to such purchaser at his address shown on the Sales Contract or any address later made known to Escrow by such purchaser. If such purchaser shall not have claimed such refund within one hundred twenty (120) days from the date said notice is mailed, Escrow shall deposit such funds into a special account in a bank or other depository selected by Escrow in the name of Seller, as trustee for the benefit of such purchaser. After having sent Seller written notice of the foregoing acts, Escrow shall thereupon be released from further liability hereunder with respect to such funds and such purchaser.

H. If the Purchaser fails to make any payment on or before the due date thereof or if the Purchaser does or fails to do any act which would constitute an event of default under the Sales Contract, Seller shall promptly give to such Purchaser and to Escrow, written notice of default. If Purchaser has failed to cure the default after the delivery of notice by Escrow and such default continues after the expiration of any grace period, Escrow shall so advise Seller. If Seller shall thereafter certify in writing to Escrow: (1) that Seller has elected to terminate the Sales Contract and has notified the Purchaser, or (2) that Purchaser is otherwise in default, then, and in either event, Escrow, subject to the provisions relating to dispute and conflicting demands set forth in paragraph 15 of the Agreement, shall thereafter treat all funds of the Purchaser paid under such Sales Contract, less Escrow's cancellation fee, as funds of Seller and not of the Purchaser. Thereafter, such funds shall be held free of the escrow established by the Agreement and shall be held by Escrow for the account of Seller. Upon written request by Seller, Escrow shall pay such funds to Seller or order and shall return to Seller the Sales Contract of such Purchaser and any other documents theretofore delivered to Escrow in connection with the purchase of the Apartment specified in such Sales Contract shall be returned to the person from whom or entity from which such documents were received.

adversely affect the right of recovery thereunder or result in reputable companies refusing to provide insurance as required or permitted by the Bylaws, or (vi) increase the rate of insurance applicable to the Apartments or the contents thereof, or to the Project.

**F. PROHIBITION ON UNAUTHORIZED CHANGES TO THE EXTERIOR OF CERTAIN APARTMENTS OR COMMON AREAS.** No Owner shall, without the written approval and continuing consent of the Design Committee as provided in the Bylaws, change the exterior appearance of said Apartment or any Common Element in any manner, and any and all changes made to any Apartment or to the Common Element of the Project shall strictly comply with the Design Committee Rules promulgated by the Design Committee.

**G. 3. The right of the Board to lease or otherwise use for the benefit of the Association those Common Elements not falling within Section H.2 of this Article above, upon obtaining: (i) the approval of the Owners of seventy-five percent (75%) of the Common Interest, including all directly affected Owners and all Owners of Apartments to which such Common Elements are appurtenant in the case of Limited Common Elements, and (ii) the approval of all mortgagees of record which hold mortgages on Apartments with respect to which owner approval is required by (i) above, if such lease or use would be in derogation of the interest of such mortgagees; and

4. The exclusive use of the Limited Common Elements as provided herein.

**I. DEVELOPER'S RIGHT TO USE.** Notwithstanding anything provided to the contrary, as long as there are unsold Apartments in the Project, Developer shall have the right to use any Apartment which it owns for promotional purposes, and shall have the right to have guests stay in such Apartments for any length of time; provided that such guests shall abide by and be subject to all of the provisions of the Declaration, Bylaws and House Rules. Additionally, the Developer will have the right to utilize Apartments as sales offices or as a place which is utilized to provide services to the Owners or other occupants of the Project, to the extent such use or uses are permitted under applicable law.

**J. PROHIBITION AGAINST INCREASING ENCLOSED LIVING AREA.** The enclosed living area of an Apartment of the Project (as such living area is depicted on the Condominium Map on the date the Apartment is conveyed to an Owner by the Developer) may not be increased.
