Now RR Has Someone To Rent Plaza Area

BROOKLYN—The hearing before Judge Harold M. Kennedy upon the application of the Long Island Rail Road to dispose of property next to Hicksville Station used by commuters for parking has been adjourned for a month, according to Councilman Frank Chlumsky. Meanwhile, however, the town learned that the LIRR has an offer to rent the tract. The hearing began on Apr. 25 when the RR had a customer to buy the area between B'way and Jerusalem Ave., next to the platform, for \$65,000. It continued last Friday with opposition registered by Robert Glasser of Bethpage as attorney for the Township.

Plan To Repeat Pool Tags

Levitt & Sons of Manhasset plans to operate the two swimming pools in Hicksville, which they own, the same way the facilities were managed and controlled last summer, it was learned this week. Basically, the plan calls for issuance of pool tags thru the NLHOA upon "voluntary" payment of \$1 per house built by Levitt. A local resident who called the Manhasset office of the Levitt organization said she got the impression that the developer was unaware of differences in opinion regarding the proposal to split the Park and Parking District and was apparently cool to the suggestion that there is another civic group in the area—the South Hicksville Assoc. of Levitt Home Owners.

The \$1 "donation," she was told, was to cover the hire of NLHOA guards at the pools to prevent their use by non-residents, like last year, and that her request that Levitt take over this phase was impossible because it was "too costly and would complicate bookkeeping."

2 Hearings On New Ordinance

OYSTER BAY—Dual public hearings will be held by the Town Board in the town hall, here, next Wednesday and Thursday, May 21 and 22, upon a proposed revision of the Building Zone Ordinance of the Township. It is the first complete revision since enactment of the law in 1929; the result of nearly three years of work by special consultants engaged by the township.

The hearings will take place at 8 o'clock in the evening on May 21 and at 10 o'clock in the morning on May 22. "In general, there is little physical change in the ordinance," Councilman Frank Chlumsky explained this week. The complete text of the new ordinance appears in this issue of the Herald, starting on page 17. Off-street parking is required for every degree of zoning and plot size requirements have been tightened.

DECISION THIS MONTH?

Harmony, Unity Advocates Confident After Hearing

OYSTER BAY—While the Oyster Bay Town Board continued its study "of all the angles" according to a spokesman, the opposition was confident this week that the town fathers would reject the plan to split the Hicksville Park and Parking District. Confidence in the ultimate decision in favor of maintaining community unity was based largely upon the viewpoints presented in a hectic three-hour public hearing held last Friday night in a jammed East St. School auditorium in Hicksville.

"If all the angles are explored by then," a town board member told the HERALD yesterday, "we may be able to have a decision by the end of the month." Meanwhile, the Board has continued to receive numerous letters and messages stating assorted views on the question. (A typical letter appears in this issue on page 28.—Editor.)

Armed with a small milk bottle as a temporary gavel, Supervisor Charles E. Ransom opened the hearing, Friday night, at the precise time specified and said he wished to "clear up a misunderstanding. The Town Board had received a petition asking for a split. The Board started to fix the date for a hearing but then found that there was no law covering such a situation. The easiest thing would have been for the Board to rest on the absence of a law. But we didn't feel this would solve the problem, so the Board got behind legislation to permit this meeting. Unfortunately, the impression has been created that because we got behind the law enactment we had therefore made commitments. We have not made up our minds. We want to hear everyone. Please don't be too long-winded and keep the meeting orderly."

The North Levitt Home Owners, well-known for violent anti-Hicksville sentiment, was forced to take the position of plaintiffs pleading for the cause of a split since they were the promoters of the plan to split Hicksville on Old Country Rd.

There was a flurry of questions on points of information before the debate began. Ransom admitted, in answer to questions, that petitions could be submitted to split the fire, street-lighting and other districts. It had been previously noted that such a movement might result if the park district were divided.

David Schwartz claimed that as NLHOA chairman of the block representatives he has "close contact" with the people in the area and is thus "better informed on what the people are thinking and want." He said an "apparent atmosphere" of sectionalism "has not been created by us. We are happy to live in the Town of Oyster Bay."

CARPENTER FILES FIRST:

Defeated Last Week, Mrs Apicella To Run Again For Board June 4

HICKSVILLE—Mrs. Anthony Apicella of 840 Acre Lane, defeated in her bid for election to the School Board last week by a vote of 700 to 465, will try again on Wednesday, June 4, by running opposition to Alan Carpenter of 11 Loretta Lane, the Herald learned last night.

Szendy Has Not Changed Views

Emil J. Szendy, elected last week to the Hicksville School Board for a three-year term starting July 1, was angry and annoyed last night. He denounced the tactics of the Education Assoc and a Levittown newspaper in attempting to link his name with the renewed candidacy of Mrs. A. J. Apicella in the special election on June 4.

"My position is clear and I have not changed it. I am opposed to the tactics of the Education Assoc and NLHOA which tend to promote sectionalism and disunity in our community," he asserted.

Register New Pupils May 20

HICKSVILLE—Registration dates for kindergarten fall classes in public schools were announced this week by Dr. E. H. LeBaron, superintendent of public schools. East St. School will hold registration Tuesday, May 20, from 1 to 4:30 p.m. at the school.

Nicolai St. School will hold registration on May 20, 21, 22 and 23 from 9 to 11 a.m. and from 1 to 3:30 p.m. Children who will be five years of age on or before December 1, 1952, are eligible to register. The child's birth certificate and immunization records must be presented upon registration.

Children whose last names begin with letters A, B, C, D and E will register on May 20 at Nicolai, Letters F through K will register on May 21. Letters L through Q on May 22 and letters R through Z on May 23.

PRESIDENTS OF OUR TWO BANKS:

Were Boyhood Farm Neighbors

HICKSVILLE—The presidents of the community's two banking institutions were boyhood friends on adjoining farms in Hicksville over 45 years ago.

By a happy coincidence the Eisemann family came to this community in 1906, locating on a farm on Newbridge Rd., and in the same year the Koutensky family settled on a farm on Division Ave. The rear yards of both tracts adjoin.

Henry G. Eisemann, today president of the Bank of Hicksville, the son of Mr. and Mrs. Charles Eisemann, was born in Flushing. William E. Koutensky, today president of the Long Island National Bank, the son of Mr. and Mrs. Joseph Koutensky, was born in New York City.

For many years both boys lived as neighbors and today they are presidents of banks on Broadway, here. Koutensky was named president on Dec. 19 following the death of William Duffy. Eisemann was elected president on Jan. 13 of this year upon the death of Joseph J. Illmer.

NEW ELECTION

(Continued from Page 1)

Caffrey who was not a candidate.

VICTORY FOR UNITY

His election was considered by many a resounding victory for those who desire harmony and co-operation in the entire district since his opponent was advanced as the NLHOA and Education Assoc. candidate, largely on a platform of sectional representation. Szendy had spurned sectionalism and gave backing to the present policies of the School Board.

A spokesman for the Education Assoc. said this week: "The Education Assoc. offers congratulations to the new school board member Emil Szendy on his recent election. Like his opponent, Mrs. Apicella, Mr. Szendy spoke in favor of single sessions and the use of the Columbia Survey in planning for future needs."

The Education Assoc. will hold an open meeting at the high school next Wednesday night, May 21, at 8:30 with the Columbia Survey as a topic. Candidates for the Board on June 4 have been invited to attend and speak at the meeting.

Dear Jean:

LEWIS N. WATERS of Syoset was the missing councilman-member of Oyster Bay Town Board at the park and parking district hearing in Hicksville last Friday night. His seat on the stage was occupied by Asst. Town Attorney ROBERT GLASSER. WATERS was scheduled to be guest of honor yesterday (Wednesday) at a testimonial luncheon at the Stockholm, tendered by the Syoset Lions Club. The event marked his retirement from the school board after 19 years. Unlike Councilman FRANK CHLUMSKY, who also went on the Town Board but retired as president of the (Hicksville) School Board after long service, WATERS retained his school board position after he joined the town council.

We hear the Hicksville Fire Dept. is planning to put its grandstand up for sale. VINCE BRAUN is chairman of the committee. . . . Mr. and Mrs. SAM WEISS arrived home Monday night from a weekend trip to Washington to visit their son, daughter-in-law and granddaughter. . . . SAM has called the first meeting of the Labor Day tournament and parade committee for tomorrow night (Friday) at the firehouse. . . . More than 250 Girl Scouts will leave for their day at Camp Edey in Suffolk from Hicksville High School, Saturday morning. . . . A lighting company pole in front of the Post Office rocked dangerously Monday afternoon, until it was noticed by ARTHUR ISAKSEN, SHALHO president, who notified police and the utility concern. Police kept traffic out of the area until the pole was temporarily braced. . . . BILL MANNILLA, Rotary club secretary, has been in the hospital. . . .

Some of the homeowners are having difficulties with garbage pickups of the rubbish that results from spring garden cleaning and new lawn seeding. The reason for the trouble, we hear, is that you folks are putting out containers of rubbish, sand and rocks that weigh more than 100 pounds and the contract for garbage removal states that containers over 100 pounds in weight will not be collected. . . .

Quipped a local voter when he heard that Mrs. APICELLA is running again, "who does she think she is—Devey?" . . . The LIRR "penny-a-day" fare increase, granted by the Public Service Commission, went into effect yesterday (May 14). The RR will also add a 10-cent charge on fares from any station where the ticket office is open 30 minutes before the train is due to depart. Besides, there will be a 15 per cent Federal transportation tax on this. Plan is to cut down ticket buying on trains. . . . ALLEN CARPENTER, school board member, and MICHAEL SULLIVAN, attorney, were guests last week at the Hicksville Rotary Club. . . . M. L. CRITTENDEN of Jericho has been re-elected chairman of the 9th Fire Battalion District with CHARLES LIEB of Plainview as vice-chairman, and M. L. STURTEVANT of Bethpage, secretary. Battalion tourney takes place in Farmingdale this year. . . . When a Washington friend of Congressman LEONARD W. HALL was unable to use a pair of tickets for the Republican State Committee \$100-a-plate dinner in Manhattan, Len called ERNIE FRANCKE and HENRY G. EISEMANN, both of Hicksville, who promptly accepted. . . . We wonder if this comment, written long ago by BENJAMIN FRANKLIN does not have application in the present case of splitting the park district, pools, etc.: "At a great bargain, pause a while." . . . SAM WEISS, ex-chief of the fire dept., was scheduled for election last night as President of the Hicksville Lions Club. The Lions heard HENRY GEBHARDT speak about the fire alarm system which is shortly to be completely revised and modernized. . . . The Hicksville Business Men's Assoc. wants to know what evenings of the week you prefer for local shopping. You can register an opinion by sending a card to the BMA or calling Hicksville 3-1400. . . .

NORTH WEST NOTES:
Strong Opposition To Park Split

By James Cummings.
 Well over 600 people attended the Town Board hearing at East St. School on the Park District, Friday night. The opposition to the split was strongly presented by many civic groups and individuals. The general feeling is that the Town Board will have serious study on the matter and their reply will be to maintain the district intact—NO SPLIT.
 Our President McCarthy spoke on behalf of the opposition to the split going on record against it. The North West Civic Assoc. was well represented and another member, John Finagan of Kuhl Ave., also spoke very strongly to back

McCarthy's statement and that of the opposition.

After the recent social many have asked for another and here's our reply.

JWV Hospital Work Needs More Workers

Mrs. Edna Olitsky of 78 Sleepy Ln., Hicksville, has been elected Junior Vice-president, and Mrs. Emily Eisner, recording secretary, of the Nassau-Suffolk District County Council of the Jewish War Veterans Auxiliary, it was announced this week.
 A meeting of the Hicksville JWV Auxiliary will be held tonight (Thursday) at the Temple, East Barclay St. at 8:30 p.m. Plans will be made for a membership tea and a rummage sale to be held in June.

Seek Hospital Work Aid
 The Auxiliary appeals to women of the community to participate in its work with veterans at Northport Hospital, Mitchell Field Hospital and St. Giles' Children's Hospital. Visits to these hospitals are made each month by the Auxiliary members but with extra help from volunteers, it will be possible to make extra visits, particularly to the hospital for crippled children. The Auxiliary has "adopted" six children and sends them cards and gifts on special occasions. Some of the children are so handicapped that they cannot feed themselves. An additional visit on week-days would be most welcome to them. Ladies interested in the work can call Hicksville 5-8029 R or Hicksville 3-2794 R.

EMERGENCY FIRE DEPT. ALARM:

Almost Broke Up Park Hearing

HICKSVILLE — The fire dept. was called out on a first aid emergency. Friday night, just as the Town Board hearing in East St. School auditorium was starting and a number of the vamps promptly rushed out to answer the call. Supervisor Charles F. Ransom had to advise the audience that it was not a fire in the building. A number had shouted "fire" when the firemen suddenly deserted the hall.

The opposition thought they had lost a spokesman when Arthur Isakson, SHALHO president, was among those who made a bee-line for the rear entrance as the alarm sounded in town. He was back before the opposition's turn to speak came up.

The call was to assist Mrs. Sarah Rawl of Flushing who was visiting her son at 82 Petal Lane in the Levitt-area. She has suffered a

heart attack. After administering oxygen for an hour and a half under the direction of Chief Edward Schlüter, the woman was sufficiently recovered for removal to Meadowbrook Hospital in an ambulance.

TWO LUMBER FIRES
An electric heater caused a fire in the attic of the Al Reeder home at 35 Arch Ln. on May 7 and firemen were called to the scene at 3:35 a.m. Damage was reported as slight.

Lumber piled north of the railroad tracks caught fire twice on May 10 and firemen were called to the scene at 6:55 p.m. and again at 8:02 p.m.

A false alarm brought out volunteer firemen and equipment on May 11 when the new alarm box at Arcadia and Arrow Lanes was set off. Firemen used a CO-2 tank to ex-

What Are Your Hobbies?

Do you have a hobby? You may have one without thinking of it as a hobby. Take flower gardening, for example. One woman started a flower garden to have flowers for her house, but she became so interested in it that she forgot her dislike for the home she had moved to and made her new home more attractive than the old one.

Other hobbies are games, gardening, traveling, metal work, carpentry, collecting shells or old glassware, or learning more about people in other lands. So long as it's an absorbing interest, something not directly connected with your main job, and something you keep coming back to, it's a hobby.

Families may have hobbies, too. Perhaps your family would rather go on picnics or take trips than anything else. Some families have fun with music as a hobby. Even the youngsters take part in singing or playing musical instruments.

A new hobby might be fun to try. It's worth considering.

Can You Find Things?

Do you ever put away your winter clothes and want something that you can't find quickly? It may be a sweater for a summer vacation trip or a wool suit or dress for the first cool days next fall.

Time spent on labels and lists of articles stored away this spring may be saved many times over later in the year, suggest home economists of the U. S. Department of Agriculture. Take time to label each bag or box of winter clothing in order of contents, and then keep a list of what is stored and where. After that, of course, be sure to put the lists in a place where you can find them easily.

Reilly Did Good Job Keeping Order

By Rae Cantilli
Hicksville 3-0233 M

Well, the Annual Meeting of Union Free School District No. 19 is, shall we say, at least partly over? Why I say partly is because at 1:30 a.m. the majority of the people remaining agreed to hold over the rest of the discussion of the budget and the vote of acceptance until May 21st.

Prior to the budget, the majority of people present elected. Norman Reilly of Briar Park as Chairman of the Meeting. Yours Truly was elected acting secretary. The proposal put on the floor in effect to hold the election of trustees to the School Board the following Wednesday was defeated by vote. The majority of the people wanted the election of trustees to be held the same night and also before the budget was considered.

The voting then took place and the following are the results: John Dowling of Blanche St. 210 votes against incumbent Edward Prueser 68. Leland L. Baker of Eldorado Blvd. 204 votes against Charles Loeffler's 61. There were 3 writes in votes for David Welts and 6 ballots invalidated. Congratulations to the new members of the School Board.

A discussion of the budget item by item followed until the postponement for May 21. Up until the item of Transportation, all the items were passed with changes here and there on some of the budget. It was a very good meeting Mr. Reilly did a wonderful job as Chairman and really kept things in order. There were over 250 present and it was encouraging to

NEIGHBOR DOWLING VIEWS NEWS: Case Of The Biteless Canine

By John C. Dowling

The other day I had an opportunity to pass a little time chatting with one of our affable dog catchers and a local policeman. They were on the prowl for a black cocker spaniel who had just bitten a two and a half year old child.

You know, one of the canines who are in the "don't bite" category, and, therefore, is permitted to run free and easy, sans restrictions.

How a dog owner can flatly state that his best friend don't bite is beyond, not only my comprehension, but, also, the understanding of people such as dog catchers who are conceded to have a world of canine experience.

Can't you just visualize this black cocker spending hours each day convincing his master or mistress that he's a benign soul without a wicked tooth in his head, and whose only goals in life are to bark at an occasional grass seed salesman and aid the supermarket moguls in their endeavors to push up the sales of vitamin-enriched K-en-L Ration and Gro-Pup?

Weeks of artful tricks such as sitting up and begging, cuddling up to his master and speaking for his supper finally resulted in frustration. Blackie is let loose.

Of course, he hasn't told the rest

John C. Dowling

of the family that he has his bad days, too. As a matter of fact he may even have a split personality. On this particular morning he must have felt very nasty. Probably up all night with a flea in his ear or something. Anyway, by now he's pleased to come and go as he pleases, and besides he has a date with the saucy little fox terrier of the street.

Well, when his gal friend don't show up that's all he needs to remind him of his latent ornery streak. He muses: "One little bite won't hurt very much and I can get back to my house before anyone sees me." And so, a little tot is bitten.

And what does it mean? Only that an innocent two and one-half year old child has to undergo a series of painful anti-rabies injections because some dog owner ignorantly believes that his animal don't bite or won't ever bite. Therefore, it's okay to let him run loose.

The dog catchers are attempting to do and probably are doing a good job. They have a great deal of territory to cover and are continually hampered by the indifferent attitude of some dog owners. My friend told me they pick up a dog, bring him to the pound, call the owner, if possible, and return

the dog. A few days later the same dog is running loose again.

Space limitations prevent me from printing the entire ordinance governing the control of dogs in the Town of Oyster Bay but here is the first section of that regulation:

Section 1. It shall be and hereby is declared UNLAWFUL for any person, owning, possessing or harboring any dog to allow same to run loose or be at large upon any public highway, street, sidewalk, or other public place in the Town of Oyster Bay without being securely muzzled, unless such dog is under the immediate and full control of the owner or person in charge thereof and while said dog is on leash.

Ed. note: The fine for violating this ordinance is \$25.00.

Here are a few simple suggestions to help
Dial Users get the most from their service:

1. Be sure you have the correct number. If you don't know it or can't remember it, look it up in your directory or personal numbers booklet.
2. Listen for the Dial Tone. If you dial before you hear it, you will get a wrong number or no number at all.
3. Dial the first two letters of the central office name and the central office numeral, followed by the four digits of the number and the party-line letter if there is one.
4. Allow at least one full minute—about 10 rings—for the party you're calling to answer.
5. Answer your telephone promptly.

**LEVITT HOMES IN HICKSVILLE:
Going To Be Neighbors Long Time**

by Adele W. Monat, LE 3-4490

Now that so many of us let our voices be heard by the Oyster Bay Town Board last Friday, we hope that the board members will study all the issues carefully, and eventually come up with a solution which will be of greatest good for the greatest number.

But whatever the final decision, all of us will be living together for a long, long time—and we want to live as friendly neighbors, not as antagonistic enemies.

With so many events constantly being held at the Community Hall on Levittown Pkway, this handsome edifice has almost become my second home. As a matter of fact, I hardly even have to bother steering my car; it almost knows the way by heart already.

This week promises a specially interesting program, with everything from card parties and dances to church meetings and cooking lessons.

Tonight there'll be an Open House for the Levittown Country Dancers. Then on Saturday evening at 8:30, the Women's Society of the First Presbyterian Church of Levittown will sponsor a dance at the Community Hall.

Mrs. John V. Gonzalez of 29 Quiet Lane tells me that the proceeds will go to the church fund.—Mrs. Charles Hearshey of 18 Acre Lane is vice-president of the Women's Society.

After you recuperate from dancing all night, you can go back to the Community Hall on Sunday afternoon at 3 p.m. to hear one of those wonderful performances by the Levittown Opera Guild. This time they'll present scenes from "Carmen" and "I Pagliacci." The admission will be for the benefit of the Levittown Day Care Center, which cares for youngsters from broken homes.

Director of the Levittown Opera Guild is our own Walter Lewis, popular WHLI announcer and operatic basso. He lives at 28 Grange Lane with his charming wife, Ella

Quatch Lewis, who is accompanist for the group. We like to think of Mr. Lewis as Long Island's own Milton Cross, when he hears his mellifluous voice richly rolling out the names of all those classical compositions over the radio.

Then on Thursday, May 22, at 8:30 p.m., the Holy Family parish will hold a Card Party at the Hall, for the benefit of the Convent Fund. Admission will include refreshments. With military bridge being featured, and with prizes for every table, it sounds like an enjoyable evening.

It's the women of the church who should really get credit for this well-planned affair, for they're the ones who are running it. Mrs. William O'Mara of 2 Booth Lane is active in church activities, and her husband is Chairman of the Activities Committee. With their two youngsters, Denise, age 5, and Kevin, 3, they're kept pretty busy with church work in the new parish.

Of course, all meetings do NOT take place in the Community Hall, and one which promises to be of special interest to all women who were so active in the school elections will take place at the home of Mrs. Seymour Jarnal, 249 West Cypress Lane this evening at 8:30.

It will be a discussion of "Our School Administration," led by members of the League of Women Voters. Husbands are invited, too.

GLENDA DEUTSCH celebrated her tenth birthday on April 29 with a family dinner at her home, 32 Booth La., Hicksville. Helping to enjoy the delicious food and wonderful birthday cake prepared by her mother, BEATRICE, were Glenda's younger brother ALAN, six, and her father HARRY.

Also on the birthday list this week is STEPHEN ZIMMER, young son of Dr. and MRS. MICHAEL ZIMMER of 31 Gull Road, Hicksville. Stephen was four years old on May 4th, but one of those horrid spring colds kept him from entertaining his friends at the birthday party which had previously been planned.

With all the nice warm spring weather, it's just about time to get out those pitchforks and start on the tomato-planting. Wouldn't it be wonderful to have those home-grown tomatoes now, when the second-rate ones in the supermarkets are selling for twenty-nine cents a pound, and more? Only trouble with the home-garden variety, is that by the time they're ready for the table, the top-grade ones in the stores are available for a mere dime or so.

BRIDGEHAMPTON—Ninety-six of the most famous sports car drivers in the country have entered fast cars in the road races here on Saturday, May 24, sponsored by the Lions Club.

NORTH EAST REPORT: Mother's Day And Its Great Rewards

By Lee Chanin
Hicksville 3-9553 R

Sunday proved to be a very special occasion at our house. My parents and father-in-law came to enjoy and celebrate with us. We had a delightful time having dinner at a fine restaurant, taking a teisurely drive around Nassau and concluding with a nice relaxing evening at home. Leslie brought her usual, delightful gifts made in school which always carry loads of precious sentiment with them. I was very thrilled and she, very proud.

Our day was clouded by the constant awareness that my mother-in-law is no longer with us. May she have eternal peace.

By way of historical note, I thought you might be interested to know that the idea of Mother's Day was originated by Miss Anna Jarvis of Philadelphia. It occurred to her in remembering her own mother's death, that a day dedicated to all mothers would be a beautiful gesture. She became the missionary of the idea and the author of the phrase, "In honor of the best mother that ever lived - your mother." Pennsylvania adopted her suggestion and other states

followed. On May 10, 1913, a resolution passed the Senate and House to make the second Sunday in May a public holiday.

Janet Ellen Nathanson of 5 Violet Ave. is one year old today and her birthday will be celebrated with a big cake and all the trimmings.

Bill and Mary Noonan of 9 Violet Ave. reached their 10th wedding anniversary on May 9 and Mary was delightfully surprised when Bill arrived home that day with a big bouquet of flowers.

Glen Robert is the new arrival at the Robert Hanson household at 4 Regina St. He was born on May 1st.

Mr. and Mrs. Donald Collins of 5 Regina St. are taking a motor tour through Florida for three weeks and are expected back on Saturday.

Our collections for the Cancer Fund have finally been completed and we are all very pleased with everyone's eager cooperation. I want to thank my very kind assistants again for the time and effort they contributed and more thanks to those who donated so generously as they would.

LADIES AID MEET

A meeting of the Ladies' Aid Society of the Trinity Lutheran Church, Hicksville, was held May 6, in the undercroft at 46 W. Nicholas St. at 2:15 p.m. A spirited discussion headed by Pastor Edward Stammel resulted in arrangements of plans for a birthday party in June and joining the strawberry festival at Plainview.

Mrs. Bertha Schwachheim donated beautiful crocheted potholders. Mrs. Duke returned home from a vacation in California.

Mrs. Minnie Kerbs will represent the society at a convention of the Lutheran Women's Missionary League to be held at Pocono Rest. Mrs. Rudolph Schaufman was appointed publicity chairman.

Carola Schuchardt of 260 Plainview Rd. and Charles Gouse of Cantiague Rd., both of Hicksville, made their radio debut over WNYC on Saturday, Apr 26, when the Hofstra College band appeared for the first time on a major radio station.

Severe Blow To Ill-Wind Crowd

By Florence D. Ryan
Phone LE 9-4947

Get out of my rocking chair, junior, maw is gettin' mellow with age. I am beginning to think all the ill will that has been deliberately fostered has been dealt a severe blow in the past week. Mr. Szendy's overwhelming victory showed that the voters approve of a candidate who is for the welfare of the whole district. At the Town Board hearing, I think the people counseling moderation won the audience. Arthur Schwartz, speaking against the proposed split remarked "there is a lunatic fringe on both sides, but the majority of people are willing to be reasonable. We can keep the pools without a split". I have no idea how the Town Board will react but they seemed reasonable men and the course of reason would indicate a solution other than splitting the district.

Last Thursday, East Street PTA held open house. Phyllis Hennessey, Adelaide Cabbie, and I piled into Phyllis's car and drove over to see what our little dears had accomplished. We enjoyed the meeting and before I forget to mention I think Marjorie Giannelli is a marvelous president with a fine sense of humor, which saves many a meeting from being dull. Mrs. R. G. Hughes of 175 Scooter Lane, historian for last year gave an excellent resume of the year's activities.

After the meeting we mummies admired the lopsided cats and upside down choo choos our offspring produce. Mrs. John Roberts of 174 Blueberry Lane was class mother and we had a fine time discussing our children. Going home in the car the springs groaned a little with the extra weight we picked up at the cookie tray. And the punch was delicious. Tomorrow I diet or I won't be able to get into a thing I own. But what is that that's paved with good intentions. I'm getting warm.

Carol Ann Granie celebrated her fifth birthday the first day of May with a birthday party. Barbara Gagnon, Mrs. Wellner, Mrs. Man-

sis and her son, Kenneth, Mrs. Santog and her children, Marie-Junior, and Stephan were among the guests. Carol Ann was delighted with the party and the guests had a wonderful time. Did you know Carol Ann's brother is Edward Cranie the boy who sang so well at the Nicholai St. PTA meeting a few weeks ago? He is a chip off the old block because his dad has sung professionally. Stanley has a fine voice and no matter where he goes the first cry is always "give us a song, Stan". Last time was when they attended a wedding in Huntington and Stanley sang at the reception which was at Huntington Lane. I'd love to hear the whole Granie family as a chorus. They live at 67 Tiptop Lane.

Have you seen the new driveway going in at 57 Tiptop Lane at the Clifford Bruce's. It looks fine. The improvement bug is all over Tiptop. Bill Gagnon is putting in a patio. Oh how I envy that. The prospect of lounging on a chaise

on the patio with my wuxtan oil and a book appeals to me. Mrs. Gagnon's mother is visiting from Goffstown, N. H. Every time she comes down, something new has been added. Such energy! She flew home Sunday. I confess I'm provincial and people who fly impress me no end. I've never been up in a plane. Oh well, if I want to fly badly enough there is always my trusty broom.

This column puts me in touch with the nicest people. Mrs. Adele Schwartz, 68 Arcadia Lane is helping with the drive to collect funds for Cerebral Palsy. She is working in the A section. Mrs. Schwartz is a New Jerseyite. We had old home town hour on the phone and it was fun hearing about familiar people again. If there are any more of you from Jersey City I'd love to hear from you. Come on all the rest of you and send me your news. It's fun "Getting to Know You".

OFF SOUTH BROADWAY: Another School Election In June

By Bunny Lauer
Hicksville 3-2794 J

Thanks to all the smart people, our man Szendy, got elected. Now don't sit back smugly for we still have another election to go through in June. Allen Carpenter will be a candidate to fill the post left vacant by the recent resignation of Robert Corcoran. If you haven't registered for the current school year for goodness sake, take advantage of the new registration date, May 24, at the high school from 4 to 9 p.m. It is your civic duty to register and vote for friend, Allen.

Well, things are booming here in the Frank Homes (Hicksville - not Frankville); everyone is adding nice improvements. The Whartons of Lee Ave. put up a beautiful trellis. The Giovenellis and Merckers have put in nice, new oil burners. Dottie and Ralph Rankin added a very nice fence and the McLaughlins are putting up a beautiful garage. Even our weeds are turning green.

Little Miss Margarite Ivory of 185 Lee Ave. is sick again. Hurry and get well, honey, we all miss your cheery smile.

Say, you all, don't forget the Nicholai St. School P-TA installation tonight (Thursday). We're serving delicious donuts and cool drinks.

Harriette Woods of Lee Ave. was hostess in her home last Wednesday night to members of the Girl Scout Leaders Club.

KEYBOARD MASTER

Morton Estrin, pianist and teacher of 32 Pictorial Lane Hicksville, performed a solo recital over station WNYC in New York on Sunday evening, May 11. The program, "Keyboard Masters" featured Mr. Estrin in an all-Schumann program including the composer's "Wurium" and "Symphonie Etudes".

Mr. Estrin's activities in the past few weeks have been numerous both as a pianist and teacher. He presented a recital at Levittown Hall on April 20 which marked the institution's first piano recital and professional concert.

On April 27 the younger generation took over as Mr. Estrin's pupils performed brilliantly in a student recital at his studio. Among the young artists who performed were: Barbara Goldberg, Eileen Bolton, Judith Lane, Seth Carlin, Robert Pajer, Steven Estlin, James LaPierre, Joyce Burns, Miriam Simon, and Hannah Burd. A large audience applauded enthusiastically at the excellent performances.

A card party sponsored by the Hicksville Fire Auxiliary will be held tomorrow (Friday) night at the firehouse at 8:30 p.m.

GIRL SCOUT ACTIVITIES:

Pack Gift Boxes For Air Base

By Mrs. Craig Walsh
 LEvittown 9-3199

More than a hundred gift-box trays favors for the patients at the Mitchel Field Base Hospital were made by Browne Troop 85 under the leadership of Mrs. Louis Cerasimo and Mrs. James Bedow at the Methodist Church, Saturday. The favors will be distributed to the patients on Memorial Day. Two slices of gum contributed by the Beech Nut Co. are in each box.

Decorated china plates were made by Intermediate Troop 1 during their meeting at the Methodist Church on May 1. Decals were placed in the center of the plates and ribbon ruffles around the edge to make a very pretty gift for Mother's Day. Two new members, Karen Starr and Sally Given, were invested into the troop at this meeting. Mrs. June Dorenbacher is the troop leader.

COMPLETE HOMEMAKING
 To fulfill their Second Class requirements the Scouts of Inter-

mediate Troop 129 completed their eleventh and last activity (Home Making) by entertaining their mothers with a Mother's Day Program at St. Stephen's Church last Thursday. The color guard for the flag ceremony which opened the program consisted of Nancy Lee O'Donnell, Maria Heilig and Kathy Millevolte. Mrs. Craig Walsh, leader, then turned over the program to Vaika Barlow, Mistress of Ceremonies. Entertainment was provided by Sandra Walsh, Jean Gottleman, Bonnie Wilbur, Jeanette Arnold, Ellen Grossman, Maria Heilig, and Betty Ann Fernandez. Bingo was played and prizes were won by Mrs. David Grossman, Mrs. Manuel Fernandez and Mrs. Larry Huttle. Each mother received a three-carnation corsage made by the Scouts. Patricia Keller was Chairman of the Refreshment Committee.

Medical insurance to cover any possible accidents was the subject of discussion at the meeting of the Hicksville Leaders Group held at the home of Mrs. Harry Woods, 299 Lee Ave. The leaders decided to purchase medical payment insurance with considerably more liberal benefits than was provided previously. Mrs. M. Wilbur presided.

Hicksville Town Committee Meeting will be held next Wednesday, May 21, at St. Stephen's Church, at 8 p.m.

PROPER PLANTING

If when your garden plants come up, They're thick as hair on Johnny's pup.

Then use more care the seeds to place

So each plant will have some elbow space.

Garden planting time is at hand. And Prof. C. B. Raymond, Cornell's home garden specialist, is stressing the importance of the date of planting, soil fitting, depth and thickness. Many commercial plantings were made a week or two ago. Beets, carrots, chard, lettuce, radishes, spinach, and peas and onion sets can be planted any time that the soil can be fitted to make a good seed bed. Lettuce, spinach, peas and onions yield best when planted early.

If the soil is worked just ahead of planting it kills the germinated weed seeds and gives the crop a little better than a fair advantage over the weeds. These few days head start for the vegetables make weed control easier. Professor Raymond says.

The stand of plants has a big influence on the crop yield and on the work required. Too thin spacing of seeds gives the weeds a good chance to start and wastes

space. Too thick planting is even more serious. It wastes seed, necessitates the slow, unpleasant work of thinning, and reduces the yield and quality of the vegetables.

Soil is more moist and cooler in the early spring than it is late in May. That makes it more important to plant all seeds somewhat shallower than would be best for the same seeds a little later. Early plantings of beets, carrots, chard, lettuce, radishes, and spinach need be only half an inch deep. Peas can be put an inch and a half to three inches deep.

Recommended depth and thickness for planting each vegetable are listed in Cornell bulletin 860, "Gardening for Better Living, and in most garden seed catalogues.

Promise Civics Better Streets

HICKSVILLE — At a special meeting of the NW Civic Assoc. Inc. Tuesday night, May 13 at the High School, John R. Brandt, Highway Supt. and Councilman Frank Chlumsky agreed that the "desirable road conditions in the Spiegel development must be corrected." Brandt was given the "green light" by Chlumsky to put these roads into shape with use of bluestone after the resurfacing is completed. The Highway Dept. has made a profile survey of the area and the work will start June 1st, Brandt stated.

To further alleviate the drainage condition Chlumsky said he would negotiate with Jerry Spiegel for property in the area to build a sump. Ernest F. Francke, Brandt, and Chlumsky had attended the meeting to answer questions on town problems.

"OUT OF THE FOXHOLE" . . . Dates to remember — May 16, regular meeting. On May 30, veterans of all wars are asked to participate in this memorable day for those buddies of World Wars I, II and the Korean campaign. If your uniform doesn't fit . . . wear your cap. For those many people who asked us about AMVETS, we hold our services after the parade at the Plainlawn Cemetery, Hicksville, where our Rifle Squad fires a volley over the veterans' graves and decorate the graves of our Standard Bearer and members. In the past two years many townspeople have attended our services . . . all are invited.

May 17, Monthly gathering. Come and enjoy spaghetti and meat balls.
FOR THE RECORDS: Post 44 has asked that the Hicksville Veterans' Council be governed by a set of rules or regulations. We firmly believe that no group, large or small, can function properly without them. LADIES AUXILIARY: Mrs. Grace Dodge is waiting for someone to see her about joining the Auxiliary unit. Mrs. Dorothy Scherf, Aux. State President, will shortly help organize the Plainville AMVETS Ladies group. MAINLY ABOUT OUR MEMBERS: — All post members are asked to leave their telephone numbers in case of an emergency. George Strembel, whose father is chief buyer for Philip Morris, will soon walk down the long trail of apple blossoms and ringing bells. Tony Carriere is taking up television aside from working at

Mild Uproar About Collections

By Dorothy Guelpa
Hicksville 3-1218-W

The trash collection situation around here is causing a mild uproar. The garbage collections seem to be under control but when it comes to trash and the rakings from the gardens and lawns they seem to be heaping up on the curbs. The collections are not regular in that many days are skipped and no amount of phone calls seem to help, people say.

In my neighborhood, we have been watching several containers which now have been at the curb for two weeks. This doesn't add to the beauty of the neighborhood nor to the jangled nerves of the homeowners.

I doubt if they are so rushed that they skip us in their hurry because this morning two of them were sitting in the middle of Center Court shooting crap with some dice skillfully rescued from the more-attractive trash cans on the block. Oh, well, maybe next week.

HOLD SCHOOL EXHIBITS

The annual exhibit of school work was held Thursday, May 8, in the Broadway and Powell Avenue Schools at 7 p.m. Classrooms in both schools were opened to the parents for a look at their children's work. Teachers were in the classrooms to meet the parents and discuss the individual child's work.

The story of the progress of the dance from the Indians to the Jitterbug was presented in the Broadway School and a musical program was presented at the Powell Ave. School.

The Powell Ave. program included a violin solo by Leif Olsen; piano solo by Richard Miller; saxophone by Robert Streck; accordion by Eileen Anonson; violin by Linda Christie and Mary Horan; piano by Jeanne Miller.

Other solos included: clarinet by Kathleen Law; piano by Charles Melone; accordion by Robert Willson; guitar by George Krans; violin by Elisabeth Jett; saxophone by Richard Gaiser; and a vocal by Jimmy Roth. Leif Olsen and Robert Glasser played a piano duet.

A program of musical entertainment was presented at the Broadway School. The Kuhn sisters sang a duet and a trumpet solo was played by Sal Greco, Bruce Kohler and Arthur Schatzel.

Solos were presented by: Geraldine Festante, vocal; Ruth Campaigne, piano; Kenneth DeMott, clarinet; a sax trio was Fred Ippolito, Carolyn Muro and Francis Bavero.

Also: Marie Steinsvold, piano; Albert Rofrano, dance; Loretta Archeri, vocal; Dolores Arceri, vocal; and a vocal quartet included Loretta Buccheri, Lucille Perri, Innocent Lombardi and Virginia Myers.

Board Changes Parking Rules

OYSTER BAY — Amendments to the Bethpage Parking Ordinance were announced last week by the Town Board.

The amendments include: 15-minute parking on North Baldwin Pl 100 feet west of Broadway between 7 a.m. and 7 p.m.; no parking on the west side of Stewart Ave. from Kenney St. to Central Ave.; no parking on the north side of Union Ave. from Hicksville Rd. to Seaman Neck Rd.; Maiden Ln (also known as Railroad Ave.) will be a one way street permitting traffic run off east from Stewart Ave. through Broadway.

ELECTION OF OFFICERS

Mrs. Dorothy Doll was elected president of the WCES of the Bethpage Methodist Church at a meeting on May 8. Her staff of officers are Mrs. Ethel Collins, vice-president; Mrs. Ruth Chowske, treasurer; Mrs. Evelyn Callaghan, recording secretary.

Committee chairmen are: Mrs. Anne Parsons, Youth; Mrs. Mary Day, Child Work; Mrs. Adelaide Ebisch, Spiritual Life; Mrs. Sylvia Knight, Literature and Publications; Mrs. Myrtle O'Brien, Supply; Mrs. Shirley Hardenburg, promotion; Mrs. Inez Abbe, Status of Women; and Mrs. Ethel Collins, program.

STRAWBERRY FESTIVAL

A strawberry festival will be held at St. Paul's Lutheran Church, Stewart Ave., Bethpage, on June 11 in the church basement at 8 p.m. Mrs. John Young and Mrs. John Mohlenhoff are co-chairmen.

Ice cream, strawberries and cake will be served. Entertainment will include the presentation of a play, "A Good Girl in the Kitchen." Mrs. Harold Steele is the director.

A Benrus watch will be awarded at a buffet supper sponsored by the Rosary Society of St. Martin of Tours Church Saturday, May 17, at the parish hall.

Officers of the new official board of the Bethpage Methodist Church will be installed at both services at the church Sunday, May 18. A meeting of the Board will be held at 4 p.m. that day at the church.

Three new members welcomed to the Bethpage VFW Auxiliary Monday, May 5, were Mrs. Mary Moesch, Miss Elaine Moesch and Mrs. Charles Tallman.

Mrs. Peter Curcio, president, invites any young lady who loves to dance to accompany the Auxiliary on a trip to the Northport Veterans Hospital on May 21. Anyone interested in the trip should report to the VFW hall at 7 p.m.

John Burkholder underwent major surgery Saturday morning at Mercy Hospital. He would enjoy receiving cards from his kindergarten friends at 38 Cambridge Ave.

Little Jimmy Motonick of 2 Coronet Crescent East is recovering from a bite from his pet bunny which necessitated the amputation of part of the index finger of his left hand. He and his brother, Billy, were feeding the bunnies, Rippy and Hoppy, when one decided to sample Jimmy's finger.

Hope Pat Price is feeling better by now. We hear he had his appendix out in a hurry last week. He is the son of Sgt. and Mrs. Price of Burkhardt Ave.

DOG BITE VICTIM

BETHPAGE — Alice O'Brien, 9, of 44 Denon Rd. was bitten on the left arm by a collie dog owned by James Nullmeyer of 7 Berkshire Rd. on May 9.

Note Lack Of Parental Interest In Annual District Meeting

BETHPAGE—An increase of \$29,805 to meet the request of the Bethpage Teachers' Assoc. for a raise in salaries was approved by voters during the annual meeting of School District 21 on Tuesday night, May 6, in the Broadway School. A budget of \$433,868.25 for the school year 1952-53 was also approved. Edward Carter was chairman of the meeting.

Fred Kramer, president of the Board of Education, in presenting his annual report said that a 50 per cent increase in enrollment was noted last year and that another 50 per cent increase is expected in September. A total of 1,400 children enrolled in the school system is anticipated.

Kramer explained that the first high school class in Bethpage will be scheduled this September because Farmingdale and Hicksville can no longer accept Bethpage students.

The budget was approved with 103 yes votes, 32 no and two void.

Frank Young was re-elected to the Bethpage Library Board during the annual meeting. Leo Shotland was also nominated for the position which he sought because

he said he "was formerly in the book business and is familiar with library work." Tabulation of the voting was 46 votes for Young, 17 for Shotland and two void.

Voters approved the purchase of two new school sites 214 yes, 55 no and three void votes.

Charles Campaigne was re-elected to the Bethpage School Board with 241 votes. Write-in votes for the position included: Asher, 1;

Jaeger, 1; Glasser, 1; Mary Campaigne, 1; Benintendi, 3; Donellon, 2; and Lee, 1.

Lack of interest in the important issues voted upon was apparent as residents eligible to take part failed to appear at the annual meeting and vote. Teachers and school officials expressed amazement at the parents' disinterest in their children's welfare and attitude of leaving the voting to their neighbors.

Photographer Handy To License Bureau

HICKSVILLE—There are about 7,000 persons who need chauffeur license renewals this year before May 31, it was learned this week. Many of them are expected to take advantage of Kaplitz photography service set up temporarily at Hanley's Esso Servicenter within a few steps of the Motor Vehicle branch office on Jerusalem Ave. near Herzog Pl.

The photographer is providing white-you-wait service six days a week until 9 in the evening.

10 Join Troop, Hike Overnight

The Scouts were: Richard Lukeman, Kenneth Black, Fred Dodge, Frank Madder, George Rindfus, Richard Buffum, John Jens, Thomas Ramsey, Robert Olsen and Earl Martin. Merit badges were awarded at the Council Fire.

New assistant Scoutmaster John Hendrickson, Senior Patrol Leader Carl Ehmg, Life Guard Thomas Thompson, Patrol Leaders Frank Mancuso, Sal Greco and Robert Conroy attended the training course in leadership held at Camp Wauwexep on May 10 and 11.

Boy Scouts of Troop 118 will have a Camporee at the CYO camp in Wyandanch this weekend where they will compete in several events. Buses will leave Bethpage at 6:30 p.m., Friday, May 16, and the Scouts will return on Sunday at 8 p.m.

No Split Is Only Answer

By FRED J. NOETH

THIS WAS A GREAT WEEK for community solidarity and events are now pointing toward the ultimate achievement of a fine future for the community of Hicksville.

The overwhelming victory of Emil Szendy in the school election last Wednesday was a resounding blow to those who have attempted to promote sectionalism and division of community interest. The fact that 1202 out of 1415 registered voted in this election was heartening and refreshing. It cannot be said that a minority handful decided the question. The Szendy margin of victory was likewise decisive.

The significance of this election and the 700 to 465 victory of the pro-Hicksville element over the pro-Levitt forces cannot and certainly will not be overlooked by Oyster Bay Town Board in its august consideration of the park and parking district question.

And then the tremendous turnout for the public hearing last Friday upon the plan to split Hicksville into small pieces was another demonstration of community pride and a sincere desire for harmony and cooperation in solving our multitude of problems.

The Town Board has not committed itself as to the ultimate decision—but those who were present feel confident that the town officials can only come up with one answer: **HICKSVILLE MUST BE PERMITTED TO GROW AND DEVELOP** as a whole unit.

Next Tuesday, May 20, is a formal meeting of the Town Board. By a happy coincidence it is also Hicksville's Founding Day. We can think of no finer "birthday present" to contribute to the cause of harmony and progress than for the Town Board to announce on that day (our 306th birthday) that there will be **no split**.

False Alarms Are Dangerous

FALSE ALARMS of fire are a crime punishable under our laws. Our Hicksville Fire District has one of the most elaborate systems of alarm boxes and signals to give prompt notice in case of emergency. However, all goes for naught when the alarm boxes are operated without justification.

False alarms have increased sharply in recent months and fire officials give stern warning that persons found guilty will be punished to the full extent of the law. Children have been responsible in several cases, it is believed, and for that reason parents are urged to impress upon their off-springs of the chain of events they set off by such "pranks".

We have a fine volunteer fire department. Its members risk their lives, actually in today's traffic-jammed streets, to answer each call. Please don't ask them to do so in response to a false call.

Phone Customers Getting Mad

THE LAST WORD has not been heard on the attitude of many who this week found themselves "moved" from Hicksville to Levittown by the Telephone Co. Petitions of protest are in circulation throughout East Meadow, Wantagh and vicinity and strong opposition is being taken directly to the Public Service Commission.

Perhaps the unkindest cut of all happened to us, Monday night. We attempted to get our home on the phone from out of town. We asked for the number in "Hicksville 3" and the operator tried to tell us the exchange had been transferred to "Levittown 9". Well, really!

And then there is the case of the man in former "Hicksville 5" who has given notice to the Telephone Co. that if he suffers any loss of prestige or business as a professional man because of the new designation he is going to sue.

Incidentally, one phone company official has confessed to us that the utility is somewhat disappointed that pro-Levitt factions have not taken up defense of the company in the face of the growing, surrounding area opposition.

HERALD READER OPINIONS:

3 Indisputable Points On Split

By THOMAS G. EVANS
(A Levitt House Owner)
The following letter, was sent by me today to the Town Board of Oyster Bay:

I attended the public hearing in Hicksville Friday night on the question of whether or not the present Hicksville Park and Parking District should be split to satisfy the demands of some of the Levitt house owners that they be allowed the exclusive right to swimming pools built by Levitt & Sons.

The hearing brought out many facts which should be of interest to the Board, but it seemed to me that these salient points were:

1) The NLHOA does not by a

long shot represent the majority of Levitt house owners in Hicksville. Even some of those people who once joined that organization and/or signed their petition for a split, now oppose both the organization and the partition.
2) The people of "old Hicksville", who unquestionably have a profound right to be heard on this question, are unanimously opposed to the split.
3) The third and probably most significant point deals with the motivating reasons behind the two opinions, namely: Those who favor the split advanced arguments of SELF INTEREST, that echoed with harsh phrases, such as "my pools",

"I paid for it", "it belongs to me", "my dollars", "my rights", ad nauseum.

Those who opposed the split advanced arguments of COMMUNITY INTEREST that echoed with gentle phrases, such as "let's cooperate", "let's be good neighbors", "let's build a better parking district together", "good citizenship", "charity".

I believe that the above three points to be indisputable—and taken into account by the Board can only result in a decision against partition and for a unified community.

Bay." He said he spent \$1500 in Hicksville last year and had cancelled checks to prove it.

MILLER'S BOOKKEEPING
Charles C. Miller, NLHOA president, in his various appearances during the evening said: he estimates the cost of operating the pools after a split would be \$7.50 per house per year, not including Levittown Hall, but based upon 17,000 Levitt-built houses—not only upon the 2300 in the proposed new district; that there has been no formal offer of the pools to the Township or Hicksville District; that his organization just wants to keep the pools limited to the exclusive use of Levitt house occupants.

Edward Collins, NLHOA program chairman, confessed that upon the basis of experience last year in Levittown Park District (Hempstead township) the cost on 2300 homes in a new district would be \$10.20 in new taxes for the average house after a split. He added that he would be willing to pay \$50 a year for the privilege of splitting the district.

Among those who spoke in favor of splitting the district, principally officers of the NLHOA, were David Schwartz, Charles C. Miller, Edward Collins, Frank Lagan, Cecil Abelmann, Harry Melese, Robert Baird, Michael A. Palladino, David Sigerson, Milton Levitt, John Bauer and Donald Dougherty.

The opposition was carried by Emil Szendy, Mrs. Lucia McIntosh, James Redfern, William L. Geyer, George Kunz, Robert Wathey, Steve O'Brien, Arthur Schwartz, William Sill, Austin Bowles, Robert Luteman, Mrs. John Herzog, Lawrence A. Roman, Oscar Lauer, John Finnegan, George McCarthy, Craig Walsh, Arthur Isaksen and Florence Vayn.

Emil Szendy, victor just two days before in the school election

on a platform of anti-sectionalism, keynoted the opposition to a split of Hicksville. He is the owner of a Levitt house and many of those who spoke against the split, Friday, also live in the Levitt section of Hicksville.

Szendy summarized three points of opposition: (1) a split and separate district is not necessary; (2) Levitt and Sons has a responsibility to the people who bought their houses since "free use of pools" was pledged, and (3) tax costs would be prohibitive, running \$20 a year or more.

Arthur Isaksen, SEALHO president, declared that animosity has been built up by the Levittown papers and NLHOA toward Hicksville, that 80 people had met and decided to promote the split district idea, that he and his neighbors desire to "live in peace."

SPIRIT THAT BUILDS

James F. Redfern, local resident for 25 years, said "we need the spirit that builds, not discord and wrangling to serve selfish purposes." He endorsed the sentiments of Mrs. McIntosh who decried the development of a "North and South Korea spirit."

Arthur Schwartz wondered if there is a "pipeline from Manhasset to Miller" and said that the "two swimming pools are being dangled like a carrot before the donkey. What the donkey doesn't see is the added tax burden in back that he is being asked to pull—the park areas, Levittown Hall, etc." He referred to the "magical" increase by proponents of the split from \$7.00 and now to \$10.00 per year per house.

When Miller later "thanked" Arthur Schwartz "for introducing personalities into the issue," Schwartz retorted: "What personalities? Can pangs of conscience be needing? Dr. Miller into foolish statements? If there is no pipeline from Manhasset, where are the carrier pigeons hidden?"

SUGGEST ALTERNATES

Strong pleas were voiced by the

opposition from the Levitt section for the exploration by the Town Board of other proposals to protect the privacy of the pools, without splitting Hicksville.

Letters of opposition were presented during the hearing from the Hicksville Board of Fire Commissioners and Hicksville Lions Club. Other civic organizations of the community have already recorded written objections.

Ransom concluded the session at 11 o'clock by asserting "we are here to serve the people." Police, were called to the East St. School early in the session when the audience became noisy in its approval or disapproval of remarks by speakers.

There was an overflow audience present with an estimated 600 present in the hall and out in the corridors.

Thanks Firemen For Their Help

HICKSVILLE — A public thanks to the Hicksville volunteer firemen for their fast and efficient response to an emergency call for help was expressed this week by Felix Toton of 93 Duffy Ave.

Toton was breaking up concrete on May 3 when a chip flew and struck his head a fraction of an inch below the right eye. Fearful for possible loss of the eye and unable to get a doctor immediately, Toton's son, Gene, put in a call to the firehouse for emergency help.

"Thank God, we found that the bleeding was from just below the eye and not the eye itself," Toton said "but the fast, courteous work of the local firemen could have saved my eyesight had it been necessary."

NO MORE RECEIPTS ON GI INSURANCE!
Veterans Administration says it plans to stop mailing out receipts for premium payments on GI insurance. This statement was made by Assistant Administrator H. V. Stirling to a House Committee looking into possible economies in the VA operation. It is estimated that eliminating the receipts will save the VA more than \$1,000,000.00 each year. Vets will continue to receive notices of premium payments due and will be thus advised of the continuity of their policies.

 To make pastry shells for tart, mold pastry dough over the back of muffin tins.
 Small spruce branches or twigs stuffed inside a tall vase will hold four or five spring flowers in place for an arrangement.
 The tensions of sewing machines should be slackened when sewing on nylon to avoid puckering and drawing of seams.

That Spring Check-Up!
 Have you made the rounds—around the house I mean. There's things to be done—and now that spring is here, it's the time to check-up.
 Per-instance - Do windows and doors need repainting and caulking? Caulk outside where the sill meets the slab—use oak-um it's easy to install and seals out all kinds of weather, bugs and stuff. Check-up on your roof for loose shingles and chimney flashings. Also be sure your gutters and leaders are not clogged up with debris. Also that they are properly connected to downspouts. Report cracks in masonry and brick work. Screens need fixin'. We carry plastic and bronze screening and all accessories to make repairs. Maybe instead of fixin' up the old wood screens—you'd be doing a good trick for yourself by looking-in on our new aluminum tension screens—they're really something—cheap too. Our Phoenix combination doors in white pine are guaranteed for one year and cost no more than other types—and can be installed by any handyman. Are there any cracked asbestos sidewalk shingles that need replacin'—we carry all kinds in stock at all times. When you're ready to **smash** that attic—carport—or cellar, or build a garage, stop in to see your "Uncle Tom" for free advice and booklets on layouts and color schemes, etc. New regulations on F.H.A. financing allows up to 36 months to pay and with no down payment. So, you see, there's no use waitin'—time's a-wastin'—Do it Now and do it Yourself and save \$\$\$.

304th Anniversary Of Hicksville Founding

ROBERT WILLIAMS (center, paper in hand), a near relative of the celebrated Roger Williams who founded Rhode Island, made a land purchase at a point approximately at the corner of W. John St. and Cantiague Road, Hicksville, just 304 years ago next Tuesday. It was May 20, 1648 when the above imagined scene was enacted and Williams bought the present-day site of Hicksville from Pugnipan, Sachem of the Matinecock Indians. It was the plains area known as the Williams Plantation and included about nine square miles. The above is a copy of the mural on the wall of Hicksville High School auditorium, giving the artist's conception of this historic event. The founding of Hicksville is dated from this purchase. The price, according to the Town Records, was simply

stated as a "quantity of trading cloth". Four years ago the 300th anniversary of the Williams Purchase date became the occasion for a gala community celebration. May 20th has been traditionally marked as Founding Day or Robert Williams Day for Hicksville with all local businesses and residents urged by resolution of Oyster Bay Town Board to mark the day and display the American Flag. An annual costume dance sponsored by the Hicksville Civic and Community Assoc. on this date has been discontinued this year due to lack of public support.

Little is actually known about Robert Williams. He lived in Hempstead when he made the purchase, moved to Jericho (then called Lusum) to make his home in about 1665, and died about 1681

while in Maryland. Some of the present day Jericho residents are direct descendants of Williams.

First use of the name "Hicksville" was given in 1836 when Long Island Rail Road built a single-track line out from Jamaica and halted there. Land development followed with streets and homes built, although the area remained largely rural for many generations thereafter. Population records show "a few families" from 1848 to 1745. It was 900 persons in 1888, 1,300 by 1902, 4,000 in 1919 and over 5,000 by 1926. The population climbed to 6,772 by 1930, to 7,351 in 1942 and over 8,000 for 1950. It is today more than 25,000, tripling in the past three years.
