Attendance

Students are at risk of being marked truant when a call or written note from a parent/legal guardian is not presented to the school **within three (3) days of an absence**. The definition of an absence includes: a partial or full day absent from school. These types of absences can all be marked truant if contact from the parent/legal guardian is not made within the allowed time limit and if the absence does not fall under the acceptable guidelines. These guidelines include: illness, family emergency, or a doctor's appointment. If you are taking your child out of school for a trip, you need to fill out the pre-arranged absence forms and return them to the office **at least 2 days before** the trip or the absences are unexcused. These forms may be picked up in the office or printed off from our school website.

Principal's Corner

Dear Parents/Guardians,

It was wonderful to see so many parents and guardians at our Parent-Teacher Conferences. Communication with the teacher is crucial for your child's success. If you were unable to attend yesterday, you may still contact the teacher to set up a conference with them. The teachers are willing to do a phone conference if you are unable to come into the school. Report cards were given out at the conferences.

Your partner in education,

Mrs. Lepisto
