

HP Everyday Photo Paper

HP Everyday Photo Paper delivers photo-quality results at an affordable price. It is heavier and thicker than plain paper and ideal for a variety of photo projects. Supplied in convenient packs of 100 or 25 sheets. Available in A4 or 10 x 15 cm.

- HP Everyday Photo Paper is perfect for everyday printing and delivers noticeably better results than plain paper. The sturdy weight and feel give an instantly better first impression. Smooth, semi-glossy finish on one side for photo-like results.
- HP Everyday Photo Paper is designed for colour-rich photo printing. Special surface coating ensures smooth semi-glossy finish, brilliant colours and rich blacks. A stick-resistant back coating prevents smudging when prints are stacked.
- HP Everyday Photo Paper is HP's lowest-priced semi-glossy photo paper and offers exceptionally good value for money. So affordable it can be used for all photo printing applications, from proof sheets and presentations to kids' photos.

Home and small business users who produce digital photos at home and work.
