**FEATURED ARTIST SERIES:**

Some of the Carve styles feature artwork from the following artist, Dolsen, JamJar, Cant Draw, Tony Chu, Phoebe Mok, & The Illustrated Man.

**HINGES:**

Most Carve styles have either a 3 or 5 barrel stainless steel hinge.

**LENES:**

Most Carve lenses are category 3, which is the highest category and industry standard. Carve lenses are polarized polycarbonate/AC lenses which offers high sun glare protection, ultimate clarity and 100% UV protection.

**POLARIZED:**

Polarized sunglasses are designed to reduce the glare from surfaces like water, snow and glass.

**WARRANTY**

We cover the sunglasses for 1 year period for any manufacturing defects. All claims to be sent to our head office.

**FRAMES:**

Lightweight and durable injected polycarbonate frames. Two styles (DC & VOODOO) in the Carve range are TR90. TR90 frames are the latest in flex technology.

**VALUE ADDED FEATURES:**

Metal logo inlays on frames and unique frame finishes.

**CARVE is an Australian based and owned company, established in 1998.**

This ever growing brand has embedded itself into a wide range of sporting and lifestyle markets, with a presence locally & in the international market place, with a core goal to supply quality products that won't buckle the bank account. With an over 50+ strong team covering a wide range of sports & lifestyles including Surfing, Snowboarding, FMX, MX, MTB, Kiteboarding, Golf, DJ's & Musicians. Carve has set it's sights on building a team to complement it's range of eyewear. Marquee team riders Adam Robertson & Trent Munro fly the Carve flag on the world stage with a host of local chargers & young guns from a range of sports building the brand from the grass roots up. Join the evolution!
