Classic Beers

Throughout the late Twentieth Century, there were numerous acquisitions and mergers. In the late 1980s and early 1990s, many of the classic brands were owned by the Falstaff Brewing Corporation, G. Heileman Brewing, Joseph Huber Brewing, the Miller Brewing Company, the Pabst Brewing Company, the Pearl Brewing Company, and the Stroh Brewing Company. I tried the beers below when the brand was owned by one of the aforementioned companies. Ultimately, most (but not all) of these brands became owned by either Miller or Pabst. I do not believe that they are currently in production.
