### **DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

Please read entire label. Use only as directed.

Shake well before each use. Thoroughly wet all parts of the pests and plants. Repeat treatment in 1-2 weeks if needed. May be used on edible crops up to and including day of harvest.

### **Directions for Dormant Use**

Controls egg stages of pests present in dormant season and scale insects, moths and mealybugs on dormant shrubs (e.g., roses), evergreens, woody plants, fruit trees and shade trees. Thoroughly wet the dormant plants or trees.

### **Toxic Ingredients**

Oil removes the glaucous (blue) bloom from such evergreens as Colorado blue spruce and Koster spruce. Use caution on blooms and buds and on oil sensitive plants such as Chamissoans, Cryptomeria, Japanese Holly, Red Cedar and Smoke tree. If concerned about sensitivity of plants, test spray a portion of the plant and wait several days to determine if burn occurs before spraying larger areas.

Do not apply within 21 days of a sulfur application.  
Do not use Garden Sale® Brand Houseplant & Garden Insect Spray when temperatures are above 90°F.

### **STORAGE AND DISPOSAL**

**STORAGE:** Store this product in its original container and keep in a secure storage area out of reach of children and domestic animals.

**DISPOSAL:** If empty, do not reuse this container. Place in trash or offer for recycling if available. If partly filled, call your local solid waste agency for disposal instructions. Never place unused product down any drain or sanitary drain.

### **PRECAUTIONARY STATEMENT**

Hazards to Humans and Domestic Animals • **CAUTION.** Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove pants and cover fish aquariums before using.
