LEXMARK™

COLOR LASER MULTIFUNCTION PRODUCT

Lexmark X792 Family

The Lexmark X792 Family color MFPs elevate your workgroup productivity through brilliant color printing, productivity solutions, flexible features and an intuitive color touch screen.

Other available models:

- **Lexmark X792de:** Includes duplex and hard disk
- **Lexmark X792dte:** Includes duplex, hard disk, two additional 550-sheet drawers and caster base
- **Lexmark X792dtfe:** Includes duplex, hard disk, two additional 550-sheet drawers, stapling and caster base
- **Lexmark X792dtpe:** Includes duplex, hard disk, two additional 550-sheet drawers, stapling with hole punch and caster base
- **Lexmark X792dtme:** Includes duplex, hard disk, two additional 550-sheet drawers, a five-bin mailbox and caster base
- **Lexmark X792dtse:** Includes duplex, hard disk, two additional 550-sheet drawers, an offset stacker and caster base

Business productivity with robust color performance

| Color | Solutions | Duplex Printing* | Up to 50 ppm | Network | Copy | Scan | Fax | Security | Eco-Friendly |

* Duplex not available on C792e model.

Overview

Robust color printing

Designed for busy color printing environments, the Lexmark X792 Family delivers vibrant, professional quality output that is consistent from the first page to the last.

▸ Lexmark Extra High Yield Print Cartridge available, offering yields of up to 20,000* pages

▸ Print and copy in duplex at speeds as fast as 50 ppm in both black and color

▸ Match brand sensitive corporate colors on marketing collateral and within Microsoft Office with Lexmark Named Color Replacement and PANTONE calibration

▸ Lexmark Color Care Technology to manage color usage and control costs

▸ Instant warm-up fuser to help reduce energy consumption and improve time to first page

Business productivity

The Lexmark X792 Family combines exceptional multifunction performance with time-saving applications designed to make you more productive. These MFPs can deliver the performance of much larger copiers, but with a smaller footprint and a more a ordable price.

▸ Duplex scanning to scan both sides of your documents in one pass

▸ Advanced copy functions let you interrupt long print runs to make a quick copy, and proof the first copy set before completing your copy job

▸ Scan to multiple destinations, including scan to email, scan to FTP, scan to fax, scan to network, and more

▸ Preloaded applications to drive greater efficiency, and Lexmark Embedded Solutions Framework to further extend the capabilities of the device

Flexibility

Select from a number of expandability options and finishing features you would expect from more expensive products.

▸ Ultra-reliable paper feeding to support diverse media, including card stock, labels, UV-resistant outdoor media, banner media and more

▸ Robust output options, including a five-bin assignable mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher

▸ Input capacity expandable up to 2,650 sheets with a high-capacity feeder or extra drawers

▸ Connectivity and application solution cards allow integration into most IT environments

Easy and intuitive

The Lexmark X792 Family is designed for easy operation and maintenance.

▸ Extra large, easy to navigate 10-inch class color touch screen provides audible and tactile feedback to make completing tasks intuitive

▸ Print and scan preview features help you select documents or specific pages within a document

▸ Directional lights on the device provide visual cues to guide you through tasks and maintenance operations

▸ Eco-friendly settings such as the Sleep button and Hibernate Mode

▸ Available device fleet management software

Highlights

Make a lasting impression with award-winning color

The documents you print define an important image—yours. That's why Lexmark's color MFPs help businesses be more productive and stand out with vibrant color. With the ability to print professional quality color in-house, you can add instant impact and save costs by virtually eliminating the need to outsource print jobs. Lexmark also offers a host of color-access and control tools to manage costs.

The right touch

The Lexmark e-Task color touch screen is a key access point to your printer. The extra large customizable 10-inch class interface gives you the ability to preview thumbnails of documents prior to printing, as well as change print jobs at the device. You can even view, select and print specific pages within a document directly from the touch screen. New interactive sensory features provide both tactile and audible feedback, helping to guide you through each operation, confirming a touch has registered and indicating an action is transpiring.

Protecting your information

From the data traveling through your network to the pages being printed, Lexmark's innovative security controls give you peace of mind that your valuable corporate data is protected at every stage.

▸ Cutting-edge user authentication and authorization controls, including LDAP, help protect your device and data

▸ Card reader option to add an extra layer of security

▸ Hard disk encryption protects sensitive data on the disk drive

▸ Automatic, scheduled or manual disk wiping

▸ IPSec, SNMPv3 and 802.1x network security supported

▸ Security-audit logging to help track and identify security risks

True image always

Lexmark is dedicated to designing and manufacturing products that deliver exceptional quality and reliable performance. Maximize the return on your investment, extend the service life of your Lexmark printing equipment and make a lasting impression by always insisting on Lexmark Genuine Supplies, Service and Parts. Lexmark X792 Family color laser printers are backed by a one-year limited warranty. For further protection against unexpected expenses or downtime, extended warranty offerings are available.

Solutions

Save time and money through solutions

Reduce unnecessary printing and simplify work processes through Lexmark solutions. The X792 Family features the Lexmark Embedded Solutions Framework (eSF), our platform that enables you to add a wide range of software applications directly onto the device. Solutions are designed with your productivity in mind, helping you streamline—or even eliminate—paper intensive business processes.

Preloaded solutions* on the X792 family:

Forms and Favorites

Eliminate waste and inefficiencies associated with preprinted forms. Store frequently printed forms, marketing materials or other documents online, then print them on demand.

Scan to Network

Scan a hardcopy document and route the image to one of 30 predefined personal or public shared network folders.

Change Language**

Easily switch the language displayed on the touch screen—18 languages supported.

Examples of solutions available through Lexmark authorized partners and dealers, or through a Lexmark Professional Services engagement:

Background and Idle Screen

Change the touch screen background to your corporate logo, a unique message, or select one of the four screens that are preloaded on the device.

Showroom

Display a customizable, scrolling slideshow on the color touch screen to promote your business or products, or to communicate important messages to your customers or employees.

Card Copy

Save time and effort in copying identification cards, licenses and insurance cards by automatically scanning, enlarging and printing both sides of a two-sided card onto one side of a sheet of paper.

*Additional solutions are available
**Opt-in to Change Language during installation

Key Features

1.

Intuitive color touch screen

The extra large 10-inch class color touch screen allows you to operate your printer with ease and confidence through smart and intuitive navigation, easy access to workflow solutions and shortcuts, and the ability to preview your documents and print jobs at the device.

2.

Flexible output options

Choose from four output options, including a five-bin mailbox, an offset stacker, a staple finisher, and a staple with hole punch finisher.

3.

Duplex automatic document feeder (DADF)

Save time by scanning both sides of your document in one pass with robust color-scanning capabilities and an input capacity of up to 75 pages.

4.

Direct USB

The front USB port allows for convenient walk-up preview, printing and scanning, and is compatible with most printable image file formats.

Lexmark X792dtpe color laser MFP shown

5.

Lexmark solutions

Reduce unnecessary printing and simplify work processes through solutions applications preloaded on your device. Choose additional Lexmark solutions to fit your unique workflow needs.

6.

Long-lasting toner

The Lexmark Extra High Yield Print Cartridge delivers up to 20,000* pages, reducing interventions, cartridge waste and cost.

7.

Eco-friendly features

Easy-to-access features make it easy to print responsibly, including Eco-Mode to reduce paper and toner consumption, and the Sleep button and Hibernate Mode to help you save energy.
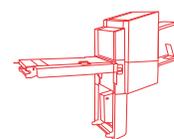

*Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798.

[1] Average continuous black or composite CMY declared cartridge yield in accordance with ISO/IEC 19798.

[2] "Recommended Monthly Page Volume" is a range of pages that helps customers evaluate Lexmark's product offerings based on the average number of pages customers plan to print on the device each month. Lexmark recommends that the number of pages per month be within the stated range for optimum device performance, based on factors including: supplies replacement intervals, paper loading intervals, speed, and typical customer usage.

[3] "Maximum Monthly Duty Cycle" is defined as the maximum number of pages a device could deliver in a month using a multishift operation. This metric provides a comparison of robustness in relation to other Lexmark printers and MFPs.

[4] Print and copy speeds measured in accordance with ISO/IEC 24734, excludes first set of text documents.
