2022 Boys Super Team

Bios for Super Team players are written by their coach

Lorenzo Pinili

Brother Rice

When asked to write a bio for a player who was named to the MIGCA Super Team for the 2nd straight year, it takes great pride to detail his accomplishments on the course as well as in the classroom.

As Captain of the 2022 team, Lorenzo Pinili was responsible for leading Brother Rice to their 2nd straight State Championship - Division 2. He placed 2nd overall with a 2-day total of 144, however was medalist on Day 2 with a 3 under 68 at GVSU.

Throughout the year - Lorenzo tied for 1st or won various tournaments during the 2022 season. The following events:

NextTee @ OHCC - Tied for 1st - 70

Oakland County - Tied for 1st - 68 - 3 under

Highest Honor - 69 - 2 under

Regional - 68 - 3 under

What is more impressive is his GPA: 4.293 and he was named NHSCA - Academic All American during the 2022 school year. After having a chat with him, you would find out that he is helpful (continues to support Detroit Schools with school supplies - golf fundraiser), respectful to everyone he comes in contact with, his relationship with God and willingness to assist in any way. Very appreciative of what life has given him. Honestly, as Brother Rice's captain - true leader who stressed team work, not individuality.

Remy Stalcup

Everest Collegiate

When the 2022 high school golf season started, Remy Stalcup had one goal in mind: he wanted to lead the young EC golf team to the 2022 Division 4 State Title. The previous season, Remy won the Division 4 Individual State Title as only a sophomore. Despite this amazing accomplishment, his primary goal for his junior year was bringing home a team title.

The team and Remy experienced success during the season. Of the eight 18-hole tournaments the team and Remy participated in, the team finished in the top five in each of them. Remy placed in the top ten in each tournament as the medalist in one event, 2nd in three events, 3rd in two events, 4th in one event, and 7th in one event. His 18-hole scoring average was 73, and his 9-hole average was 36.

Although the team fell short in their quest to win the State Title, the team's second place finish and Remy's third place individual finish as well as the honor of being named a member of MIGCA's 2022 Super Team made Remy's junior year one that will go down in EC history as one of the most successful seasons by an individual golfer.

Ieuan Jones

Ann Arbor Skyline

Ieuan had an excellent sophomore season. He won the Division 1 Individual State Championship with a two-day total of 138 (-6), after finishing T2 freshman year. He is also a repeat SuperTeam member. He has been a key part to the success of the Ann Arbor Skyline team, and helped lead them to a Division 1 state title in 2021. He was medalist at the SEC Red Division and shot 72 (E), and was medalist at Regionals with a score of 71 (-1). Ieuan is an exceptional talent on and off the course. He is an outstanding student who carries a 4.0. In addition to his hard work in the classroom and on the golf course, he found time to establish the IRJ foundation where he used his golf as a way to give back. Raising money through his play, he was able to make a generous donation to the Ronald McDonald House Charity Ann Arbor. He is an impressive young man with a very bright future.

Robert Burns

Powers Catholic

Robert Burns had an outstanding season for the Chargers from Powers Catholic HS. Robert's season average was 73.8. He was a unanimous All-Conference selection and was also named the Saginaw Valley League MVP. Robert had several low rounds this season highlighted by three scores of 68; at Midland CC, Warwick Hills CC, and The Fortress in Frankenmuth. Robert also fired a 69 at the MHSAA Regional held at the Emerald in St. John Mi. In the 16 tournament round he played he finished in the top 10, 14 times and the top 5, 12 times. Robert finished the season with a pair of 76s in the state finals held at the Meadows in Allendale MI. Where his team finished just 2 shots out of the runner up position.

Jeffrey Andrus

Royal Oak Shrine

Jeffrey Andrus had a great senior season capped off by a D4 Individual State Championship title at the State Finals.

He won the Greenhills invite earlier in the year and was also runner up at the Catholic League championship and the Regionals tournament.

What makes Jeffrey special is his work ethic and attention to detail. When I started coaching him as a freshman, he would always make an effort to work on all elements of his game daily in the season especially his short game. His attention to detail and work ethic continued throughout his high school career which culminated into a great ending for him. I am very proud of him and all of his accomplishments and could not think of a more deserving student athlete to be on this 2022 Super team. I'm very grateful for the opportunity that I had coaching him and I look forward to watching him grow as a golfer and human being both collegiately and beyond. He started playing for Central Michigan's Men's golf team this past fall.

Evan McDermott

Spring Lake

Evan had an incredible career at Spring Lake, capped off by a special senior year. Evan won half of the events he participated in including the Division 2 regionals @ Lincoln Hills, the Ottawa County Invitational, the Ludington Invitational, the Bitner Invitational, and the Detroit Jesuit Invitational @ Detroit Golf Club. He was also the OK Blue individual champion and finished 3rd at the state competition @ the Meadows. In his 17 starts, he finished in the top 3 14 times and only finished outside of the top 5 once. An incredible season on the course cannot overshadow his even more impressive high school career in the classroom. Evan carried a 3.98 GPA, was a top 20 student in his graduating class and earned a full scholarship to play golf at the University of Nebraska. Evan is a rare, once or twice-in-a-career type of athlete both on and off the course and I couldn't be more proud of his achievements as he has earned everything he has through hard work, high character, and an incredibly positive outlook on life.

Bryce Wheeler

Gull Lake

Bryce is not only an outstanding golfer, he is even a better person. Bryce has an outstanding work ethic, leads by example, and was a great role model for his team. He is the first two time all-state golfer at Gull Lake. He would have had a chance as a three timer except for 2020. Bryce played a huge role as freshman in our postseason. He helped our team to our previously highest finish in the state finals before this year. Bryce finished not worse than third in any event this year, and won 8 individual tournaments. Getting sick in the middle of the season was the only thing that slowed him down. He led the state in scoring average for 9 and 18 holes for qualifying and all rounds. He was a two time captain and a member of the National Honor Society. Our schedule this year involved us traveling and playing some of the best golfers and teams in the state, and he proved that he belonged with the best of the best. Capping off an amazing senior season with an Individual State Title and leading us up to a runner up finish to the powerhouse Brother Rice. I feel blessed that I was able to coach him for four years, and I know he will excell playing at GVSU.

Drew Miller

East Lansing

Drew Miller had an amazing high school golf season in 2022. Amongst a field of skilled players, he was the medalist with a score of 70 (-2) at the inaugural Corporal B. Tournament at American Dunes Golf Club. He also earned co-medalist honors at the Ferris State Lakelands Invitational with an under par round of 71. Drew was the Individual Conference Champion of the Capital Area Activities Conference - Blue Division and CAAC Blue Player of the Year, posting a round of 68 (-4) at the Conference Championship at Forest Akers West. He was the Runner-Up Individual at his Division 1 Regional as well as the Runner-Up Individual at the Division 1 State Finals.

When compared to all other players in the State of Michigan, Drew's 9 Hole Scoring Average for the year on iWanamaker put him at #2 in all Divisions (35.7). His 18 Hole Scoring Average of 72.1 gave Drew a ranking of #3 in all Divisions.

Drew is exceptional in the classroom as well as on the golf course. He maintains a 4.00 GPA and is dual enrolled in college courses at Lansing Community College. After considering several offers, Drew verbally committed to Michigan State University, where he will play on the Spartan Men's Golf Team beginning in 2024.

2022 Girls Super Team

Bios for Super Team players are written by their coach

Kate Brody

Grand Blanc

Kate Brody had an amazing senior season leading to her being selected as Miss Golf for the 2022 season. In Kate's final season playing for the Grand Blanc Bobcats she played in 7 regular season tournaments where she finished as medalist 6 times and runner up in the other event. In the Saginaw Valley pre-season tournament at The Fortress Golf Course Kate had an incredible round of 10 under par 62 setting a course and school record. The following week she came back with a 7 under par at the Charger Invite played at The Flint Golf Club. At the Saginaw Valley Conference Championship Kate was medalist carding a 65 and being awarded the MVP of the conference for the 4th consecutive year. For the entire season Kate's 18 hole tournament scoring average was 69.36. At regionals Kate posted another 7 under par 65 helping the team to qualify for the state championship. The first day of the Division 1 state championship at Bedford Valley Kate played solid golf posting a 73 which had her sitting in 3rd place heading into the final round on Saturday. On Saturday, the second and final day of the championship Kate capped off her high school career by firing a 72 to win the State Division 1 individual championship. The Bobcats will truly miss Kate as she has been the team's captain and leader. Her work ethic, passion for the game and desire to compete have been so valuable in developing a special Bobcat team. Kate will be attending The University of Wisconsin on a golf scholarship and studying business.

Macie Elzinga

Bryon Center

In the 2022 season, led the team towards winning the OK White Conference Title as well as the Regional Title for the second straight year. She also led the team to a 4th place finish at the state finals. In addition to team success, Macie won our conference individually, placed second at regionals, and won the state championship by 5 shots.

Macie says "This season was special because I have never been this close to my team before. 5 players were seniors and I love all of them like family. We were all on the same page all season in terms of our goals and it was a really special thing to experience and I wouldn't change a thing." Macie volunteers over the summer at kids' golf camps, and I tries to give back as much as possible to those who have helped her throughout her golf career thus far. Macie is also an excellent student with a 3.68 GPA and has helped Byron Center Golf Team earn Academic All-State Team awards for the second straight year.

Elise Fennell

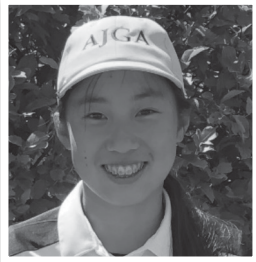

East Kentwood

As a junior, Elise Fennell is a two time All State, three time OK Red Conference Player of the Year and All Conference OK Red, and now, she is All State Super Team as a player. This season Elise averaged 35 during 9 hole OK Red Conference Jamboree Events, and she averaged 71.7 for her 18 hole rounds total including invitationals, conference events, regionals, and states.

While Elise appears very calm, reserved, and relaxed on the course, she is extremely fierce, prepared, and calculated as a player. She is a student of the game and takes the time to analyze all facets of becoming a better player. Elise is fully committed to her team and helping others improve. She has been a wonderful leader to her teammates and constantly takes the time to help them improve their mechanics and mental approach to golf. As a student, Elise takes

her education seriously. As a 3.9 student respectively, Elise is fierce and prepared in the classroom as well, knowing the importance of education as a gateway to future success in life.

Elise Fennell is a coach's dream as a person, player, and student! I am extremely proud of Elise, and I am blessed I have the opportunity to coach such a quality, young lady.

Alena Li

Okemos

Alena Li has already posted some amazing numbers as a High School golfer and she's only a Sophomore. Alena has a deep love for golf which has motivated her to work very hard at her game. She is the first to arrive and the last to leave practice, a terrific role model for the other members of our team. After many of our matches Alena would go straight to the golf course and spend time on the range and putting green to try to improve on the things she felt needed work. Alena has become more comfortable in the role of a leader and will be a Captain next year.

As a Freshman, Alena was named to the Division 1 All State team with a 74.25 average. She finished 9th at the D1 State finals at The Meadows, and was named to the Lansing State Journal Super Team.

As a Sophomore, Alena was our team MVP while winning 11 events and lowering her average to 72.75. Alena finished 6th at the D1 State Finals at Bedford Valley. She shot a 68 at Forest Akers East in the CAAC Open and shot a 69 at Bedford Valley in the Scott Family Invitational. She also shot a 33 at Grand Ledge Country Club in a 9 hole league jamboree. Alena has never had a round in the 80's in her High School career!

Alena is a terrific student carrying a 4.0 unweighted GPA while challenging herself with all College Prep and AP course. She is also a member of ACTION a student volunteer organization and is part of the Philharmonic Orchestra. She is truly an amazing person, friendly, caring and humble. Congratulations Alena, you've earned it!

Grace Wang

Rochester Adams

Grace Wang has had a wonderful career on the Adams Golf team. That includes being named All-State Honorable mention as a freshman, All-State First Team as a sophomore and now the Dream Team as a senior. Grace has been a member of the OAA All-League team and All Oakland County team every year of her career. She tied for first place in the regional tournament her freshman year and has been a medalist or a top 10 finisher countless times in her career. She finished her senior year as the medalist at the Oakland County Championship to make her the individual Oakland County Champion. She also won the 44th Michigan Girls' Junior State Amateur GAM Tournament in 2022. During her 4 years in high school Adams has 4 OAA League Championships, 3 Regional Titles, An Oakland county Championship in 2022, State Runner-up in 2020, and a State Championship in 2022. Grace will be continuing her golf career at the University of Michigan next year. Off the golf course Grace is also very busy and successful. She is the president and junior liaison of the National Honors Society, BPA Vice President, a member of the Michigan Youth Empowerment Foundation, the Vice President of the Youth Leadership Committee, a member of the MYEBEAT committee, National PTA reflections student co-chair, President of the MYE golf for youth club, and a Presidential Volunteer service (gold) member. Grace is loved by her teammates and coaches and will be missed on and off the course next year!

Lauren Timpf

Lutheran North

Lauren Timpf is the embodiment of what high school sports is all about. A true team leader and always a team player. When interviewed after her individual state championship, she credited her Mustang teammates with inspiring her to be a better player. What she may not realize is her leadership on and off the course was one of the main reasons for the Lutheran North Mustangs Division 3 state championship in 2022. Averaging a 70.3 for 18 and a 33.7 for nine holes Lauren's hard work, practice and diligence has paid off. As a coach I can say that Lauren is the complete package. A great golfer, great student, and a young lady who not only has integrity in the game of golf, but in life.

Jessica Jolly

Rockford

Jessica is an absolute professional on and off the course. She is the first to ask how her teammates are doing and is incredibly unselfish. She has been an amazingly mature young lady ever since she walked in campus as a freshman. Any college would be ecstatic to have her play for them. She's a leader and someone teammates will feel they can approach and talk to.

Jessica holds all records at Rockford High School. She holds the 9 hole record with a 33 and 18 hole record with a 64. Her consistency on the course is above and beyond as most of her 9 hole scores are in the 30's and 18 hole scores are in the upper 60's and low 70's.

I'm truly excited to see where Jessica's path takes her!

Mia Melendez

Mia had a remarkable sophomore season in 2022. She won every event she competed in! Her 9-hole scoring average for the season was 36 (average par 36). She earned the title 'All Catholic' for the league distinction for the second year.

Mia had many successes in the tournaments in which Greenhills competed. In the Dexter tournament, she scored 69, one under par, to win the tournament individually and lead her team to win the tournament. She also won the tournament at St. Catherine's (Links of Novi) shooting even par (70) and beating several players named to the All-State team in their respective divisions. Mia led the team that day to a second-place finish and the best team score in school history (340).

Mia won her second regional title, scoring 72 (even par) at Washtenaw Golf Club, two consecutive titles, and leading the team to the second straight regional title. Mia also won an individual state title for the second year in a row! This year's win came down to the last two holes, much like the 2021 season. Mia performed well again under the pressure of quality competition, winning by one stroke.

I'm most proud of Mia for her stellar conduct on the golf course during competition and at practice. She is a humble player and has received many compliments from other coaches and players for her great attitude and unassuming demeanor. She's a confident player but not boastful. At practice, she's always willing to help teammates with advice about their golf game. Off the golf course, Mia stays engaged with her community as well. She is a member of the varsity soccer team, the Forensics team, the Equity and Education service team, and a Gryphon ambassador. Mia also excels in her academics, making her an outstanding student-athlete.
