Table with multiple columns: ID, Name, Address, City, and various numerical codes. The table lists numerous entries, likely representing a directory or a list of locations with associated identifiers.

Table with columns for municipality name, province, and a list of postal codes with their respective names. The table contains numerous entries across various Italian regions, such as Liguria, Lombardia, and Toscana.

Main data table with columns for code, name, address, and other details. It contains a dense grid of text representing a directory or list of entries.

Table with 5 columns: Index, Name, Address, Postcode, City. Lists numerous Italian municipalities and their postal addresses.

Table with multiple columns containing alphanumeric codes, names, and locations. The table is organized into several vertical sections, with some rows containing specific identifiers like 'M. San Donato P. Sca' or 'M. S. Maria D. O. S. Maria'.

Main table containing columns for various categories like 'MAGAZINE', 'REVISTE', 'GIORNALE', and 'ALBUM'. Each entry includes a code, a title, a publisher, and a date. The table is organized into several vertical columns.

Table with columns for various identifiers (e.g., 1135, 1136, 1137), names, addresses, and associated codes. The table is organized into multiple columns and contains a large volume of data entries.

Table with columns for location (e.g., 2036, 2037, 2038), name, address, and phone number. The table is organized in columns and contains a dense list of entries.

Table with 5 columns: Year, Month, Day, Name, and Address/Location. The table lists various individuals and their corresponding addresses across different regions in Italy, including Veneto, Friuli-Venezia Giulia, Trentino-Alto Adige, Lombardy, and others. The entries include names, street names, and postal codes.

Table with 6 columns: Address Number, Name, Address Type, City, Province, and Recipient Name. The table contains a dense list of addresses across various Italian regions, including Veneto, Lombardia, and Emilia-Romagna.

Table with 4 columns: ID, Name, Address, and Contact. The table lists numerous individuals and their details across multiple pages.
