RACING FUN AT HOME

Carrera - Motorsports at home

What was first enjoyed by fathers is now rapidly winning over their sons, and their sons' sons as everyone battles for pole position – because motor racing is pure passion. One against one. **Carrera** has offered top starting conditions for almost 50 years. Critical factors for our incomparable success have been the latest technologies, outstandingly authentic detail and the direct reference to the most popular racing series.

Carrera. The brand has long been the embodiment of sensational racetrack action. **Carrera GO!!!** has stood for fun, speed and fantastic drifts in 1:43 scale for 10 years. The **Carrera Club** is the chance for **Carrera** fans to get together and is another example of our 10-year success story. **Carrera** power in an anniversary double-pack!

Carrera – Racing fun at home!

CARS WITH INNOVATIVE VEHICLE TECHNOLOGY

1. ADJUSTABLE CAR CHASSIS HEIGHT (MODEL DEPENDENT)

- a) Enlarges the car's distance between the track and the body's front (improves passing high banked curves and crossings).
- b) Standard setting of chassis – for flat track layouts
- c) Automatic track adaption of the swing arm via swing arm spring.

2. REMOVABLE, REPLACEABLE ENGINE TRANSMISSION BLOCK

Various gear ratios and tyres to alter the top speed, acceleration and braking performance of the cars (model dependent).

ORIGINAL LICENSES

Detailed, perfect design and highest quality – these standards require a close collaboration with the car industry. For this reason Carrera is producing their original detailed cars only on basis of license agreements. And that's why the Carrera model might be put on the market before the big original is introduced.
