

External Enclosure

Hi-Speed USB 2.0, eSATA, 2.5"

Enjoy the benefits of true SATA speed.

Model
709064

This enclosure is fully SATA-capable and equipped with the SATA L-type internal and eSATA I-type external data ports that support faster transfer data speeds. Hi-Speed USB 2.0 connections offer convenient and versatile data storage, transfer and recovery solutions.

Lightweight, Sturdy Construction

The MANHATTAN External Enclosure includes an aluminum housing to provide better heat dissipation for cooler operation and extended service life.

Easy to Install

No special drivers or installation are needed. The MANHATTAN External Enclosure is USB-powered for convenient use almost anywhere without an external supply or adapter.

Lifetime Warranty

Strict manufacturing standards ensure the highest quality in all MANHATTAN products. All items carry a full Lifetime Warranty — the strongest quality commitment anyone can make.

Model
709064
