

The atmosphere of God's presence is the highest realm of authority in all of the Earth.

- It creates new galaxies
- His presence expels demons from territories
- God's presence penetrates the locked doors of people's hearts causing them to feel His love and respond back with praise and repentance.
- God's atmosphere moved on Sis Spears' daughter whole backslidden telling her go home.
- It moved on Clif Rogers while doing drugs causing him to hear his brother's voice. He stopped doing his drugs because God's presence moved on him.
- It moved on Dr. Jeffers that said call Pastor Rogers now.

Our personal precision praise is a weapon against the spirit of fear.

- Because God's presence releases joy, strength, peace, and grace into a room when His people place a higher value on praise, not worship, but praise.

You never graduate from the necessity of praise. You never are too spiritual for this.

- A praiseless saint is like a stuffy, hot room with no windows to open, because praise causes fresh air to blow in the building.
- Confronting the spirit of fear, hurt, depression, and loneliness because your personal, precision praise causes God's presence to manifest liberty and authority in a room. For 2 Cor. 3:17 says where God's presence is, there is liberty and freedom.
- God's presence is the only force to silence and control your private and personal fears and disappointments.
- So as darkness acts stronger our praise must get stronger.
- Our praise is to bring under subjection our soulish man - the mind, the will, and emotions.
- Our worship brings our spirit under subjection.
- The bible says in 2 Chron. 20:2, a great multitude surrounded Israel.
 - Their leader was battling a lot of fear
- But the ambush presence of the Lord goes after what is attacking you if you will submit to personal, precision praise.
- Because vs. 22 says as they praised the Lord God's presence ambushed fear, anger, hurt, depression, loneliness, and resentment. This is personal, precision praise.
- This atmosphere and presence comes with something in Ex. 34:5-9.
 - This is God's ambush presence
- So as we release personal, precision praise, God let the overflow of Your presence from my praise overflow onto:
 - My wife/husband
 - My relatives/children
 - The backslidden
 - POW leaders/saints/new converts
 - People who don't know You. (A woman called me out of nowhere and said God told her to call me.)
- God is using sickness, relational hurts, fears, and discouragements to get our attention for personal, precision praise.
- Read Ps. 27:8

- Job said the breath of the Almighty has given me inspiration against what I am fighting.
- His presence is the only way to receiving grace, and praise is the only way to His presence.
- God wants to increase the flow of His presence here to override every battle we face or to give us grace for battles He will not remove.

Read 2 Chron. 20:29 - and the fear of the Lord came upon all the kingdoms of these countries when they heard God's presence through praise fought against their enemies.

God is seeking hearts for purity in motives. Praise reveals the motives of the heart.
