At Midtown Athletic Club, we believe being fit is the best path to having fun. And while toned abs and strong biceps are a great bonus, fitness is about having the strength to pursue your passions and the energy to live life with a vengeance.

Dear CDTA Members,

Once more I have the privilege and pleasure of working with an incredible collection of people on the board, committees and employees of our Chicago District. We have some of the finest tennis people in the community committed to growing the sport of tennis. It is our desire to make every tennis experience in the District fair, satisfying and pleasurable.

Our most recent task is to grow participation in tennis events for all ages. We are looking at partnering with tennis organizations and clubs to create one or two day team tennis events. We encourage good and fun competition within a social setting. We hope that a variety of tennis events will increase the number of people playing tennis.

CDTA is a resource for our members for information about tennis programs and opportunities. CDTA league play is strong. Our Super Excellence programs continue to develop top flight junior players and strong cup teams. Our junior players are highly ranked in the Midwest, regionally and nationally. CDTA will continue to support our juniors to maintain our standing as one of the strongest districts in the USTA.

Our long-term and short-term goals from last year are similar for 2014:

1. Increase the Adult League participation in order to increase membership and growth of our organization.
2. Partner with tennis organizations to create different types of playing events for all age groups.
3. Explore ways to maximize the points our junior tennis players earn in our Midwest Closed qualifying tournament and the Chicago District Championships (Qualifier).
4. Broaden the development of community organization tennis.
5. Increase donations of equipment to support the efforts of organizations in their goal of increased participation in the game.
6. Work with tennis clubs and organizations to increase the level of partnership to promote more tennis play and opportunities within our district.
7. Improve communications to our membership as to the tennis opportunities available.

Your thoughts, comments, questions and ideas are always welcome to improve our service to you at the CDTA. And as always, for everyone to have as much fun and enjoyment playing and being around tennis as we do at the Chicago District Tennis Association. I hope to see you all on the Courts!

Neal Zazove

10 & Under Tennis & Youth Tennis, Let's get Active - Smaller courts, shorter racquets and balls that bounce lower. Now, it's easier for kids to play the game and develop a love for the sport right from the start!

USTA Jr. Team Tennis brings kids 11-18 years old together in teams to play singles, doubles and mixed doubles against other teams. It promotes social skills and important values by fostering a spirit of cooperation and unity, as well as individual self-growth. Also, it's a fun environment for kids in which they learn that succeeding is really more about how they play the game – win or lose.

Midwest Youth Team Tennis is the largest youth tennis program in the Midwest. It has been developed to give children the opportunity to play tennis as a team sport just like other youth sports. The Midwest Youth Team Tennis program uses a modified format called QuickStart Tennis. Everyone plays, everyone has fun, and everyone wins!

South Side Junior Tennis Camp and Chinatown Tennis Camp TENNIS PLAYDAY. The September 29th South Side Junior Tennis Club Play Day was held at University of Chicago Lab School tennis courts on a beautiful sunny Sunday afternoon. The coaches kept the tennis players busy with a rotation of activities-including games, serves, forehands and match play. Big shout out to University of Chicago Lab School, Gerold, Leah, Karyn, Susan, Rashley, Ruta, Mario, JP, and Luis for making the day so much fun.

Super Excellence Program 2013 –2014

CDTA Super Excellence is a tournament training program for the top ranked juniors in the Chicago District. Entry into these programs is by invitation only by the Junior Tennis Development Committee, using the most current National, Sectional and District information and standing lists. Sportsmanship and attitude are also taken into consideration. This method of selection provides an objective way to determine the most qualified participants for the upcoming winter season and is a direct reflection of achievement during the past year. The Marian Wood Baird Cup Team & Boys' 18 District Team Cup Players are invited from the participants in our Super Excellence Programs.

Fourth Annual Junior Jamboree

On July 25, 2013, a very hot and humid day in Chicago the CDTA Diversity and Inclusion Committee conducted its 4th successful Junior Tennis Jamboree @ Rainbow Beach Park. Over 230 juniors ranging in ages 4 to 18 were in attendance from five Midwest area summer camp programs.

The host for the 6-hour event was Rainbow Beach Tennis Club.

Community volunteers, parents and camp counselors worked with the Committee to conduct the 3 exhibition matches by the coaches, on-court drills, pass out t-shirts, water, juice, and lunch. Ron Ragsdale was the DJ this year and there were prizes for all. Again this year Leah Friedman CDTA's Junior Development Coordinator was there. The entire day was a great success and a great time was had by all! Midwest camps that participated were Dawaud Talib with the 53rd Street Park District Summer Tennis Camp, Ronald Ragsdale with the Tuley Park - After School Matters Summer Tennis Camp, Rainbow Beach Summer Tennis Camp, Lori James with Love To Serve Summer Tennis Camp, Dora Hubbard with the Dora Hubbard Tennis Academy, Malcolm Bufford with his Summer Tennis Camp @ Tuley Park.

Each summer, juniors from around the USTA/Midwest Section represent their district in an exciting team competition. The 2013 events took place from June 14-16. The USTA/Midwest Section is one of the only sections throughout the USTA that hosts a team competition for boys & girls in the 12s, 14s, and 18-and-under age divisions. Match play consists of a round-robin format throughout the weekend and concludes with the top teams advancing to the championship match. Players are invited to play by their Districts based on their ranking, tournament play, character, and sportsmanship.

2013 Chicago District Championships

This was the first year that all 10 age groups were hosted and run by clubs and organizations, rather than our CDTA volunteers. We had a total of 570 players participate over three weekends, and we endorsed 132 players and 168 alternates to the Midwest Closed.

We would like to thank Oak Brook Tennis Center, College Park Athletic Club, WTS Tennis Services, H-F Racquet Club, Northwestern University (Combe Center) & The Libertyville Club. And a special thank you to Patty Lambropoulos for running the finals. Special thanks again to the tournament directors who ran the host sites and our volunteers for their help with the 2013 Chicago District Championships. A big thank you to our T-shirt sponsors, Midtown Athletic Club, Score Tennis & Fitness, Rod Schroeder National Tennis Camp, XS Tennis, 5 Season's Sports Club BR.

MAKE FRIENDS, PLAY TENNIS.

Tennis isn't just the best workout for your mind and body, it's also a great way to get to know someone. Since 1970, Midtown has been the country's premier tennis club where we get you started with a ball, a racquet and a friend.
