Tournament Rules

1. A.T.A. rules will govern this tournament and all scores will be entered in the A.T.A. official records. By entering these events, all shooters agree to accept official decisions and abide by the rules. Violation of A.T.A. SAFETY RULES may be cause for disqualification and removal from the grounds. The Host Club Officials reserve the right to reject or to disqualify any person who interferes with the harmony of this tournament.

2. **Florida Residents** must present their paid A.T.A. Average Card with a **valid Florida Address** to be eligible for resident titles, trophies, added money, and awards. Adult **Florida Residents** must also show their valid **Florida Driver's License** or their valid **Florida Voter Registration Card** as proof of residency. No trap-shooter may compete for Florida Resident Awards unless for the immediate preceding six (6) months, he or she has been a **bona fide resident** of the state of Florida and a member in good standing with the F.T.A. In the case of a dispute with respect to the residence of any shooter entering this tournament, the Classification Committee shall rule on a shooter's right to compete as a Florida resident and any ruling of the committee shall be final. **Any complaint must be filed within 30 days of the last day of the shoot.**

3. All shooters must provide their paid **A.T.A. Average Card** with all scores posted and averaged prior to being classified. Trap shooters must shoot their assigned **Handicap Yardage** or be disqualified. Previous and current averages plus "known ability" will determine A.T.A. classification as follows:

A.T.A. Five Class System

<u>Class</u>	<u>Singles</u>	<u>Doubles</u>
AA	97% and up	93% and up
A	94% and under 97%	89% and under 93%
B	91% and under 94%	85% and under 89%
C	88% and under 91%	78% and under 85%
D	Under 88%	Under 78%

SINGLES PENALTY*: Shooters with less than 1,000 Singles in the current and previous year must shoot in "Class A" or higher, unless they shoot "**Targets Only**".

DOUBLES PENALTY*: Shooters with less than 500 Doubles in the current and previous year must shoot in "Class A" or higher, unless they shoot "**Targets Only**".

HANDICAP PENALTY*: Shooters with less than 1,000 Handicap targets in the current and previous year must shoot on the "Twenty-three Yard Line" or higher, unless they shoot "**Targets Only**".

TARGETS ONLY: Shooters who have been classified for "**Targets Only**" cannot play purses or options and they are not eligible for trophies, titles or added money!

*Senior Veteran shooters are NOT penalized per ATA Rules in HDCCP events.

Registered A.T.A. targets shot during Preliminary Events may be used to achieve the minimum target requirements, but the burden is on each shooter to report for reclassification.

4. It is the shooter's responsibility to declare an **A.T.A. special category** at the time the shooter is classified. Each shooter must verify the category each time the shooter enters an event to ensure eligibility in the competition. Special categories are Lady I (under 55), Lady II (55 years and up), Sub-Junior (under 15 years), Junior (15 to 17 years), Veteran (65 to 69 years) and Senior Veteran (70 years and up).

5. To prevent unnecessary delays, shooters should be at the proper starting trap ready to shoot when the squad is called to the line. Squads cannot wait for absent shooters and must start without them. A shooter missing more than the first sub-event will be scratched and may re-enter through the cashier only. Shooters may **make up one sub-event** on the practice trap. A shooter cannot re-squad by just joining another squad on the line that has an open position. If the rules and procedures are unclear, please consult the Tournament Officials for assistance.

6. Shoot-off procedures; In accordance with time constraints at the Silver Dollar, attempts will be made to complete shoot-offs not carried over. Ties in Preliminary Singles and Doubles events will be carried over to the next like event. Ties in Handicap events may flip (if all shooters involved agree) or shoot-off. Each shooter will be called for a shoot-off three (3) times. If a shooter does not report for a shoot-off, he or she will forfeit the title and the award. Shoot-offs not completed by the 7:45 PM deadline will be decided by coin toss, playing card drawing or carried to the next evenings handicap shoot off. **Beginning with Event 1, the high score in each Singles, Doubles Class will advance one class.**

7. Shooters are limited to winning only one award per event. Any shooter who is tied for event Champion may shoot-off/carry-over for the Championship trophy. If a shooter fails in the championship trophy shoot-off/carry-over and has declared a special category at the time of classification, the shooter will fall back to the declared special category. Any shooter who has declared a special category at the time of classification and whose score qualifies for any trophy in his/her declared category, will compete for the category trophy and not for place, class or yardage group. Any special category shooter whose score does not qualify for a trophy in his/her category, may compete for place, class or yardage group trophies. Upon completion of the event, please collect awards and be photographed for the *Trap and Field* magazine article.

8. In addition to the entry fee, all shooters must pay the daily A.T.A. (\$3.00) and F.T.A. (\$3.00) fees. A Florida Hall of Fame Fee (\$.50) will be collected from all shooters when they enter the **Hall of Fame Event**. Only U.S.

currency will be accepted. Entry fees are non-refundable unless an event is canceled by the Host Club Management. Entries will close when the last squad takes the line.

9. Options and purses are **not compulsory** and may be played at the time of entry only. Changes or cancellations will not be allowed after an entry has been paid. **Trophies will be awarded based on shooter participation. Less than 5 shooters per category will be rolled into Class.** Pay-off sheets will be posted for all events by the Host Club's computer operators who will not be responsible for errors in scores after pay-off sheets have been posted. **Please check your scores!**

10. All **Lewis Purses** will be divided one class each nine (9) entries, or major portion thereof, with three (3) classes maximum and will be paid 60/40 percentage system (ties will divide). All **percentage purses** will be paid 50/30/20 percentage system (ties will divide). All **class purses** will be paid 60/40 percentage system and each class will shoot for its own money (ties will divide). All **handicap yardage group purses** will be paid 60/40 percentage system and each **handicap yardage group** (19-21, 22-24, 25-27) will shoot for its own money. When less than five (5) shooters enter a purse or option, the purse or option will be eliminated and the money refunded.

11. Only regulation A.T.A. trap loads may be shot. Factory shells and reloads may be used; however, suspect shells will be subject to challenge by Tournament Officials and all violators will be disqualified. Keep **guns unloaded** until on the line and it is **safe to shoot**. Test shots will not be permitted on the program trap fields. Please do not pick up empty hulls.

12. Shooters breaking 100 straight or 200 straight without carry over will be awarded a Florida 100 straight or 200 straight pin by the Florida A.T.A. delegate or F.T.A. Secretary.
