## Council To Start Forthwith On Storm Damage Repairs

They appeared to be in a no-win situation said County Manager, Mr. Dan Hurley at the May monthly meeting of Waterford County Council held in Dungarvan last Monday commenting on what action the Council should take in regard to storm damage repair works. "If we start now with the summer season coming on, some will find fault with us but if we don't start and wait until the end of the year others will find fault," he said.

Before the meeting was a report from the County Secretary Mr. B. J. McNally which stated that the Department of the Marine had estimated the cost of the restoration of the storm damage in the county at £710,000 and was prepared to provide up to 50% of the

cost (£690,000 in the County area and £20,000 in the Dungarvan Urban area). To finance the 50% of the work that will not be grant aided, the Council were asked to authorise the borrowing of £350,000.

A priority sequence of the works drawn up includ-

ed the replacement of the sea wall at Tramore and the restoration of damage in the major and most popular seaside areas; areas where further storms could cause more additional damage if not repaired and finally the elimination of danger areas.

### THREE PRIORITY AREAS

The marine works were divided into three areas — Waterford, with a total of £343,000 (includes £200,000 for Tramore); Kilmacthomas with a total of £207,000 (Bonmahon £100,000, Clonea £70,000,

Abbeyside (UDC) £20,000, Ballyvoile £5,000, Ballinard £12,000) and Ardmore where a total of £160,000 will be spent (Ardmore £45,000, Cunnigar £40,000, Whiting Bay £30,000, Ballinagoul £10,000, Ballyquin £5,000, Ballymacart £15,000 and Glencorin £15,000).

The report added that it was recognised that there would be some inconvenience to the public and holiday makers but that to postpone the most pressing priorities until after the tourist season would not be a practical means of having the work carried out efficiently and cost effectively.

The County Manager, Mr. Hurley, said that he would recommend that the work be started forthwith in selected areas. "My priority is to start at once and the contract documents are ready to go our to-morrow if the Council approves," he said.

On the proposal of Cllr. Pat Coffey seconded by Cllr. Paddy Cahill the Council then unanimously agreed to borrow the required amount and to start the work forthwith as recommended by the Co. Manager.

## Waterford Is Down The Ladder For Road Grant Allocations

Commenting on the fact that the Department of the Environment had allocated a further £28,000 (in addition to the £65,000 previously allocated) for flood damage to roads in the County at the monthly meeting of Waterford County Council in Dungarvan last Monday, Cllr. Willie McDonnell described the allocation as "just lunacy." He said that the roads in the Tallow

area had suffered badly from flood damage and £28,000 wouldn't even repair one of these. "I am surprised that our Oireachtas members did not succeed in getting more and it just shows that Waterford is well down the ladder where these allocations are concerned. We've done the worst of any county in Ireland and we should look for more," said Cllr. McDonnell.

## Co. Council Tribute To Late Cardinal O Fiaich

Members of Waterford County Council joined in paying tribute to the late Cardinal Tomas O Fiaich as a great Irishman and an outstanding churchman at their monthly meeting held in Dungarvan last Monday. As a mark of respect, on the proposal of Cllr. Seamus Dunphy seconded by Cllr. Willie McDonnell, the meeting was adjourned for a short period at the outset.

At the same time the national flag was flown at half-mast on the flagstaff outside the courthouse where the meeting was held.

### COUNCIL CHAIRMAN BEREAVED

On the proposal of Cllr. John Carey the Council also extended sympathy to Council Chairman, Cllr. Michael Queally on the death of his father-in-law, Mr. Pat Foran, Clonea-Power.

### GOOD WISHES

Members, on the proposal of Cllr. McDonnell, joined in extending best wishes for a speedy recovery to Cllr. James A. Walsh at present hospitalised in Cork.

# Husbands Fined Wives Go Free In Sunday Pub Convictions

When an Abbeyside publican was convicted for a breach of the Licensing Laws on Sunday, March 25 last at Dungarvan Court last week it was stated that all but two of those found on the premises on the occasion were members of the same family.

Garda R. Dunne in reply to questions by Inspector M. Delaney, who prosecuted, stated in evidence that accompanied by Garda O'Shea he visited the licensed premises of Maurice Dee at 3.17 p.m. on

Sunday, March 25 and took the names of ten persons. The closing time for Sunday was 2.30 p.m.

Garda O'Shea then gave evidence of taking the names of two other persons who were also on the premises at the time.

In reply to Mr. N. King, Solr., who appeared for the publican and two of the 'found-ons', Inspector Delaney agreed that the house was always a very well conducted one and that this was the first conviction.

Mr. J. Curran Solr., who appeared for the other "found-ons" said that they were all members of the same family including husbands and wives. He said that there was Confirmation in Abbeyside that day and the family had then gone to see the pub and had overstayed.

District Justice Oliver J. Macklin remarking that in these cases the wives were usually at home waiting for the husbands to come in to their dinner said that in this instance the wives were with the husbands.

With the agreement of Inspector Delaney, the District Justice then said that in the circumstances he would strike out the summonses against the wives but imposed fines of £25 on each of the other found-ons.

Convicting the publican as charged, the District Justice said that as it was a first conviction and having regard to the good record of the premises, he would impose a fine of only £25 and would not order an endorsement.

## TRANSFER OF LICENCE APPROVED

On the application of Mr. N. King Solr. who was acting on behalf of Mr. J. P. Gordon, the District Justice granted an ad interim transfer of the licence in respect of "The Village Inn," Abbeyside held by Maurice Dee to Mary Organ later at the Court.

Ms. Organ in evidence told the Court that together with John Organ she had purchased the premises from Maurice Dee and was now in possession. She was fully aware of the Licensing Laws.

Inspector Delaney said that there was no garda objection to the application which was then granted.

### MARRIED PRIESTS!

A comment on the radio about the opinions of youth on married priests made me feel a wee bit sad. I wondered what influences had led them to say a married clergy would be acceptable. Most youth groups I've seen on T.V. displayed a lack of reverence for religion not to mention the appalling ignorance they displayed. However, let's get the picture right. Jesus designed and established His Church to save souls. And, compared to all other systems inaugurated by human teachers, there's nothing to match or rival the Divine construction. That's no surprise. If you disagree, then I feel you have got to pray.

What then is wrong with our Church? If young people suggest new ways, then, either their approach is wrong or the Church's presentation is at fault. Let us get it clear. The teachings of Christ are not open for change. They are designed to meet the needs of today and tomorrow. Now, I have noticed lots of people are confused about Divine law, and Church law. You know Jesus did empower His Church to make laws, such as, going to Mass on Sundays. We are all bound under Divine Law to worship God, but God left the office of saying how frequently we should perform this duty to His Church. The Church is then within her rights to amend her laws to meet the needs of changing times. You remember that some years back the Church abolished most of the fasting laws. It was a case of outliving their usefulness. She could not release us from our duty of practising penance and self-denial, but she suggested various ways of fulfilling the law, and left the matter to our own judgment. We are now our own task masters! It is often easier to be told what to do!

The radio comment, as I said, indicated that there was no opposition to a married clergy. Yes, celibacy is a Church law, and, despite what the priest said on the A.O.M's show on May 6th, it is closely guarded. The Church has met this challenge before, and she'll resist it again. The Church has a duty to keep the model of Christ before the world; and she knows that what she asks from her children is hard, yet! she's confident that many of her sons will embrace the way of the cross. Undoubtedly, there's a wave of hedonism sweeping the world. Their aim is to make sin look respectable. They want us all to join in the swim. They forget that sin is always sin, and nothing can alter that fact. It is inevitable that when we live in so polluted an atmosphere that we need the visible presence of Christ. The Church will ensure that we have that help.

Last week the theme was unity, and this week the readings emphasise the holiness of God's Church, which I feel more than covers the issue thrown up by the youth poll. Remember, convention is not a reason for altering a Church law. Last week I saw a youth wearing colourful shorts: he was about 18. One leg was yellow broken with a smear of red; and the other leg was black with red motifs. His jersey would have been distinctive on any field of play. I thought, if he ap-

peared like that when I was his age, the laughter generated would have set him on course for the mile record! But, no eyes were raised, and no laughter was heard. It is the age of colour and freedom; and he was in step with the times. Indeed, the Church too has to present herself in modern garb, and make herself more attractive, but she can never change her structure or alter her course. Already, she has shed many out-dated regulations. It is a challenging age. The world is sick, really sick. Hence, the Church must present Christ in His most attractive garb.

St. Paul reminded us that the Church should be holy, and that that ought to be her aim and purpose. As Jesus said: "Be you perfect . . ." Jesus established one Church to sanctify man, and organised it to operate on set rules for all time. No power will compel or force her to alter her mission. Our earth is the place or arena where man will work out his fulfilment. "This is the will of God, our sanctification." The Church not only encourages us to be holy, but, she also makes available the means, the Sacraments. Those who accuse the Church of asking for the impossible should consult the records of the innumerable frail souls that rose to greatness

### FAITHFUL SERVICE

The Sunday readings reminds us that we are not all called to serve in the same role, but, whatever our calling, our greatness rests with faithful service. Undoubtedly, some offices involve great sacrifices, but that is not to say that those called to married life, cannot be saints. Faithfulness is important. Judas made a mess of his ministry. God expects all His children to give testimony and bear witness to Him, but witnessing does not take the same form for all. The Church, inspired by the wisdom of her years, is adamant that her priests should be wholly intent on the things of God.

Somehow, I feel that wisdom has not this time sprouted from the mouths of babes! Marriage is itself under attack. And, the more you weigh up the problems that could arise, the more you'd realise that that is no solution. Would you close down the religious orders, the power houses of the Church? I could have listed the drawbacks, but they are peripheral. The Church deems that her priests should be clothed with the spirit of Christ. She wants them to be like Him, and make His presence felt in the world. The more the priest reflects Christ, the more fruitful will be his work, and the greater his reward. Were I to list the fifth mark of the Church, I would write the word suffering. The Church was born through suffering, and it remains part of her life.

If we are short of priests, surely it is up to all of us to beg God to supply more harvesters. Bring back the spirit of God into your home, and create the atmosphere where the seeds of love will grow. Instill into the gentle hearts of your children that life with God here and hereafter is the whole purpose of existence.

## Know Your Rights

Q. — In addition to my Contributory Old Age Pension of £58.50, I have a small pension of £20 p.w. from my former employer. According to my new Tax-Free Allowance Certificate I am to be taxed at 53%. As I am 68 years old surely this is a mistake?

A. — The new tax exemption limit for a person aged 65 is £3,750 and for a person aged 75 it is £4,350. As your income for 1990/91 will be approximately £4,190 you will not be totally exempt from tax.

However, as your income is only slightly over the limit you will be entitled to marginal relief. This will help to reduce the amount of tax you will have to pay.

Assuming that you are only entitled to the basic tax free allowance of: £2,050 Personal Allowance, £800 PAYE Allowance, £200 Age Allowance, your Tax Free Allowance = £3,050. Taxable Income = £1,140.

If you were taxed in the normal way you would be liable for tax of £342 for the year (£1,140 at 30%). Marginal relief would reduce your tax to £233 (£440 at 53%).

If you examine your TFA Certificate you will see that you have been allowed the £3,750 exemption limit and you are then taxed at 53% on any income over £3,750. This is how marginal relief appears on your TFA Certificate. For further information contact your Inspector of Taxes or your nearest CIC.

## Telethon '90 A Huge Success

This year's Telethon effort in Dungarvan was very much a young initiative, involving the youth of the town, in order to provide much needed cash for the umbrella organisation, "The People In Need." Not only was about £6,000 raised, but the actual effort of bringing the whole event together brought out organisational skills few knew existed, and these can only benefit the town in future such events, and in commercial ventures.

The disco, and a basketball dribble from Dungarvan to Waterford, a 10k walk by Dan Dineen and companions, an unbelievable number of car washes, cake sales and miscellaneous activities in the schools, jelly baths and a concert in the square, were only some of the activities undertaken in the area, and they all show the great willingness of the young (and not so young) to help those who need to be helped.

### THANKS

## Government Running Of Cattle Schemes Is Scandalous — Gillis

The President of the Irish Farmers' Association, Alan Gillis criticised the Government for failing to properly administer EC and farmer-funded livestock and disease eradication schemes which were designed to benefit thousands of Irish farmers but were currently in administrative chaos.

Mr. Gillis said that a four-month delay in paying out over 10 million pounds under the 1989 livestock headage and premia schemes to over 10,000 farmers was nothing short of scandalous.

And he also had strong words to say about the failure to keep TB reactor compensation grants up to date. He said it was unforgivable that farm families suffering the trauma and financial hardship of herd

depopulation under the TB scheme should be asked to wait up to 3 months for the statutory payments to which they were entitled. It was all the more galling, he added, given that the farming community was now contributing over 55 per cent towards the cost of the TB scheme.

### TOTALLY UNACCEPTABLE

Mr. Gillis said that payment arrears of such proportions to these livestock

farmers were totally unacceptable as the delay had in many instances forced farmers on low incomes to borrow money from the financial institutions to meet wintertime fodder bills.

He added: "It is incomprehensible that it is not possible to pay in full monies due to farmers under these schemes, which involve either EC or farmer contributions, within the year in which they apply."

The IFA leader said that he would be raising the matter directly with the Minister for Agriculture at the earliest possible opportunity and would be seeking a solid commitment that all outstanding monies be paid forthwith.

## This Week Teagasc Co. Waterford Says

### GRASSLAND

The month of May is the most critical time of the year for grassland Management.

A good roadway and paddock is essential for proper grassland management. Fairly large paddocks that can be subdivided to take account of different growth rates are useful.

A plentiful supply of water should be closely available to cows at all times. Roadways should have good smooth surfaces as hoof damage from rough surfaces is a major cause of lameness.

When grass is scarce it is better to feed meals to maintain yields rather than to graze silage ground.

### PREPARE FOR SILAGE MAKING

It is most important to prepare well in advance for silage making. In addition to cleaning the pit and surrounding area, farm roads should be repaired and potholes filled. If left undone, these wreck expensive machinery, damage tyres and lead to breakdowns and delays.

If roadways and gaps are not clean, muck will be brought into the yard on tractor and trailer wheels and will finish up in the pit.

Narrow gateways should be widened to avoid damage to machinery, posts and gates.

Make sure all overhead wires are removed beforehand and remember to cut down any branches that will be in the way of high trailers. The cabs of tractors are getting bigger every year and have long mirrors out to the side. Allowance has to be made for these along all routes the machinery will have to move.

Where acid is used as an additive the barrels should be brought out to the fields in good time. Leaving them in the yard for the tractor drivers to carry out will hold them up, thus slowing down the whole operation. The barrels can ideally be brought out in a transport box.

Finally, make sure you book your contractor in good time.

### FARM ACCIDENTS

Farming can be a dangerous business, especially during the summer months when the work-load reaches a peak and children are on school holidays. Statistics show that 30-50 persons are fatally injured on Irish farms annually and over 4,000 suffer serious injury.

Co. Waterford is no exception and farmers and their families have suffered from their share of accidents in recent years.

Children under 18 years of age are involved in 30% of all fatal accidents.

Children of every age are at risk, especially during the summer months. However, a particularly disturbing find was that 22% of accidents were in the 1-5 age group.

The following strategies should be adopted to limit the risk to children:

- Limit the playing area of young children. Farm yards can be very dangerous places.
- Children must not accompany a parent while doing farm work like machine operation and livestock moving.
- Only give juveniles work that they are physically and emotionally able for.
- Remember, 16 years is the minimum age for driving a tractor on the public road.

## Farmer Control Must Be Provided For Says ICOS Chief

"Irish co-operatives have been gearing for 1992 by adopting strategies which will give them the necessary scale and scope to compete in the new Europe.

It should not be forgotten that the reason for this strategic planning is the security of the long term incomes of the farmer members," said John Barry, Vice-President in the course of the Presidential address to the annual meeting of ICOS in Dublin last Wednesday.

Mr. Barry said: "The control of the business must remain with farmers and the new structures

which are being created must build in safeguards for the retention of that control. In this regard I welcome the positions adopted by the Presidents of ICMSA and IFA and the position adopted by Macra na Feirme in this regard. This is an important matter to have on the record and I have no doubt but that shareholders will take account of the lead given by all farming organisations in this matter."

## Abbeyside Scout Notes

### THE ULTIMATE CHALLENGE

Next Sunday, May 20 is 'D' Day in the village as Dogleaf Park hosts the soccer match of the decade when the ultimate challenge takes place. For those who have not heard, a soccer match between the present leaders and older scouts versus scouts from the past will be the highlight of the afternoon. This will be preceded by a match between the younger scouts versus the link badge/cubs selection. The main purpose of the afternoon will be to make as many members of the unit, past and present, active and alive, as part of the "Be Active, Be Alive" ceremonies.

The kick-off for the first match is 2.30 p.m. — Paddy O'Dea, Brian McNamara, John Kyne and Thomas Moore are reported to be training very hard every Tuesday although I think the real ace up their sleeve could be Neil Moore who scored a hat-trick last

week. For the Link Badge/Cub team — team captains David Carroll and Damian Wall are quietly confident of pulling off a surprise result.

The main match kicks-off at 3.45 p.m. with the scouting present squad reportedly doing extra training — Aidan Mullarkey and J. P. Cosgrave were canoeing Tomas, Alan and Fran are busy at the GAA while SL Ray has been spotted pedalling over and back to town. Team captain Brendan "Bryan Robson" Flynn has insisted on an early night for all squad members for Saturday night. For scouting past the information is a bit sketchy and manager Paddy "Charlton" Whelan will only say he is very happy with his large squad with stars like Greg Fives, Paddy Murphy, Felix Shields and James Veale, just to mention a few.

So don't forget to call to Dogleaf Park next Sunday afternoon for a feast of soccer, fun and crack.

### TROOP MEETING

Last Saturday night's troop meeting was a very special one. It was special as Wolf Patrol member Sean Kelleher planned the entire meeting.

On Sean's "menu" was slippery soccer and a cycling challenge. As we were joined by the Link Badge tonight, our numbers were bigger than usual so Sean decided to split everyone into two groups.

It proved to be a very well thought out meeting with learning, safety and enjoyment all thrown in. On the slippery soccer pitch the crack was only mighty with J. P. Cosgrave and Martin Whelan two of the first to find themselves upended, with newcomers Mark O'Connor and David Broderick seemingly enjoying themselves but if you were feeling apprehensive ask Peter Moynihan for the perfect solution.

For the cycling challenge, Sean's plan was safety and compass cardinal points awareness, for this the patrols were given directions at each junction in a journey that took the route of Friar's Walk, McCarthyville, Clonea Road, Waterford Road, Strandside North, King Street and back to the den. It was nice to see Alan Ryan pedalling around making the new and younger chaps aware of safety on the road.

It proved a very enjoyable meeting (maybe a bit wet but enjoyable nonetheless) so to Sean Kelleher we say thanks and well done on a very well thought out and fulfilled meeting.

### MOTHER AND SON

Plans are well in hand for our "Mother and Son" which takes place at Mellerray Scout Centre next week end. We look forward to a good turn out from all units in the region.

### LATE PADDY HACKETT

It is with deep sadness we record the death of Mr. Paddy Hackett, Liam Lynch Terrace, Newcastle, which sad event took place suddenly at his residence on Saturday morning, May 5. Deceased who was in his early fifties, hailed from one of the best known and most popular of local families.

A great GAA supporter and a skilled player in his youth, he was a kind and loving husband and father and his demise leaves a void in his native Newcastle that cannot be filled.

On Sunday evening his remains were removed from Sean Condon's Funeral Parlour, Clonmel, draped in the Black and Amber of his beloved Newcastle. On arrival at the church a guard of honour was pro-

vided by Newcastle GAA Club of past and present members.

On Monday morning after Requiem Mass the funeral took place to the Old Cemetery, Newcastle, where interment took place in the presence of a large concourse of mourners who came to pay their final respects to a much loved member of the community.

We tender our condolences to his wife and family.

### LATE WILLIAM (WILLIE) HALLY

Widespread and profound sorrow was occasioned by the deeply regretted death which occurred suddenly on Saturday last of Mr. William (Willie) Hally, Large-Wood, Newcastle. A thoughtful and helpful neighbour, his warm sense of humour, unassuming courtesy, generosity and kindness to all marked him out as a true Christian. Accordingly, all who knew and respected him will deeply and justifiably mourn his demise and long cherish his memory.

That Willie will be sadly missed was evidenced at the removal of his remains from Sean Condon's Funeral Parlour, Clonmel on Monday evening of last week to St. Mary's Church, Newcastle, when all walks of life were represented in the large concourse of sympathisers, indicating the esteem and high regard in which the deceased and his family are held.

Following Requiem Mass on Tuesday evening, the funeral took place to the Old Cemetery, Newcastle

where a dear friend was laid to rest.

Sincere sympathy is extended to his wife and family.

### SYMPATHY

### LATE JOHN (JACK) CAHILL

It is with regret we record the death which took place at Ardkeen General Hospital, Waterford, on Tuesday of last week of Mr. John (Jack) Cahill, Coolnahorna, Rathgormack. Deceased was a man truly endowed with many admirable traits of character. He was a wonderful neighbour who will be fondly remembered as a hospitable and kind person whose outstanding, sincere nature made him many good friends. Accordingly, those who were fortunate enough to make his acquaintance will deeply and justifiably mourn his demise.

On Wednesday evening his remains were removed from Walsh's Funeral Home, Carrick-on-Suir to Rathgormack Parish Church and after Requiem Mass on Thursday morning interment took place in the adjoining cemetery.

To his wife and family, his brothers and sister we tender our deepest sympathy.

## Euro Festival Plan For Waterford

Yet another major annual festival — with an international flavour — is being planned in Waterford. And, all going well, the initial one will be staged in October next year.

Already, an organising committee has met several times and discussed and accepted a number of proposals and a fairly broad outline of the festival programme has now emerged.

It will be known as the Waterford Festival of Europe, with one particular country being featured on each occasion. Initially, the focus will be on Germany.

The aims of the festival are cultural in the broadest possible sense, allowing for

and encouraging the people of Waterford to enjoy not only the art but also the food, the popular music and fashions and the manufactured goods of the festival's chosen nation.

Features of the initial festival will include exhibitions of German art — paintings, sculpture, etc. — and literature; a debate involving a German theologian, and a street party, in which the public will be invited to savour German food and drink.

# PENSMAN Takes You . . . . Behind The SPOTLIGHT

## CO. COUNCIL HOLD FIRST "NON-SMOKING" MEETING

Waterford County Council met for the first time since the "no smoking in certain public areas" law came into force on May 1 when they gathered for their May monthly meeting in the Courthouse, Dungarvan last Monday. To ensure that the members were aware that they were gathering in a no-smoking area, four large signs to this effect were displayed prominently around the walls.

Whether by accident or design, only 15 of the Council's 23 members turned up for the meeting and the entire agenda was disposed of in a little over one hour and a quarter — meetings nearly always take a full two and a half hours to complete!

While quite a few of the Council members are non-smokers, it was very unusual to see that the usual puffers were not lighting up and the meeting proceeded to its conclusion without a single wisp of smoke polluting the air!

A senior Council official who shall be nameless but who relishes the occasion "drag", commented to us that he thought that the new Act was in breach of the constitutional rights of the individual and he would not be very surprised if the matter was contested in law. A point that struck us, though, about this entire new situation is who is to enforce the new law?

Incidentally as we were leaving the Courthouse after the meeting we found

one member who is an inveterate smoker outside the door puffing to his heart's content. He remarked to us, "it's a desperate state that we have to come out here now to have a smoke!"

As we said, whether it was by accident or design, the attendance was down and the duration was cut by half, but the meeting did not pass off without a ruffle which came at the very end. Under the heading "A.O.B." Cllr. Kyne referred to the holding of an oral hearing in Dungarvan last week to deal with objections raised to the grant of planning permission for the location of a "knackers' yard" at Pulla, outside Dungarvan.

Cllr. Kyne said that because of an alteration in the date he had missed the meeting but had been reliably informed that during the hearing a senior official of the Council in defending the decision to grant permission, had adopted a rather threatening attitude at times which was not appreciated by those who had

lodged the objections. Cllr. Kyne alleged that it had been inferred during the hearing that some of the objectors themselves could be subject to prosecution under the Planning Act and "this type of threatening attitude" was resented by them and in his opinion he agreed that such an attitude "was unhelpful."

We understand that this matter may be referred to again at the next meeting of the Council.

## MORE ABOUT JAMES F.X. O'BRIEN

Further to our article in last week's column about the Young Irlander, James Francis Xavier O'Brien, who had the distinction of being the last man to be sentenced to be hanged, drawn and quartered under British law in Ireland following his participation in the Fenian Rising in 1867 we have, thanks to the help of Mr. Walter Terry, Aghlish, succeeded in learning a little more about this Dungarvan born Fenian who, having been sentenced to death, had the sentence commuted to penal servitude for life.

According to the information supplied to us by Mr. Terry, James F.X. O'Brien was born in what is now known as Park House at Lower Main Street, in 1828. At the age of 20 he was involved in an abortive attack on Cappoquin police barracks in 1848. A warrant was issued for his arrest but he succeeded in slipping out of the country in a vessel owned by his father, a wealthy Dungarvan merchant.

We have also learned that O'Brien studied medicine in Galway but left with John O'Leary, a prominent Young Irlander, to continue his studies in Paris where he once again fell in with other Young Irelanders. He went to the United States and accompanied an expedition to Nicaragua and at the outbreak of the American Civil War he joined up as assistant surgeon in a regiment which contained a high proportion of Irishmen.

Back in Ireland he took part in the Fenian Rising, was captured and sentenced. In the British jails where he was lodged he suffered all the barbarities visited upon prisoners but he eventually emerged to resume his Fenian activities and to become a highly successful businessman. He subsequently became a

member of Parnell's party, was for many years M.P. for South Mayo and at the time of his death on May 28, 1905 was M.P. for Cork City.

Walter Terry who has a great interest in local history was not sure whether James Francis Xavier O'Brien was buried in Dungarvan but he does have recollections from his youth of seeing his daughters when they visited their family relatives in Aghlish House, Ballinaparka.

## A VERY LATE START

Responding to an invitation from Udaras na Gaeltachta we turned up at Halla Pobail na Rinne at 8 p.m. last Friday night for the presentation of the £4,000 prize won by the Coiste Pobail in the Udaras competition, "An Pobal Beo". The invitation stated "8.00 i.n. Bronnadh na Duaise, 9.00 i.n. Buffet, 10.00 i.n. Ceol agus Rince".

However, for what ever reason (none was given) the function did not get under way until close on 10 p.m. almost two hours behind the scheduled time. This was a great pity as even some of the invited guests had to leave before the proceedings eventually commenced.

We stayed on for the official presentation and speeches but had to leave before the buffet and the ceol and rince as it was then running very late. No bouquets for Udaras for this lapse in punctuality on such an important occasion.

## REMEMBERING THE LATE DONAL FOLEY

In his column "Country Matters" in the "Sunday Independent" of May 6, Joe Kennedy refers to the late Donal Foley's "Three Villages" in the context of the latest publication of Alice Taylor entitled "Quench The Light" which was the subject of a recent Gay Byrne interview.

This was what Joe Kennedy wrote having watched the television interview of Alice Taylor on The Late Late Show: "Oddly next day I found a much earlier book of the genre in the helpful Exchange Bookshop in Dalkey. This was Three Villages, a collection of homely sketches of his life in Co. Waterford and elsewhere by Donal Foley, a late lamented old friend and colleague.

"After all the years since its publication in the 'seventies' I found it as moving as ever, sentimental perhaps. No doubt this had much to do with shared memories of Ring Parish, the Irish in London, newspaper days of only yesterday it seems.

"And true enough I am often seen tilling a garden in the Deise watching the choughs rising over the Faille where they nest in the cliff. But surely it's Ceann a' Bhathalaig rather than Ceann a' Mhacalla where Donal remembered the house "full of gaiety" of the Kelly family?"

"But then Seamus Ennis always insisted it was Valhalla after the Norse Elysian fields. The Gaelic scholars may differ but it certainly has been heavenly down there these past few days."

Although we get the 'Sunday Independent' on a regular basis we must admit that we missed this item on May 6 but thanks to a hint from Polly Kelly (O Faolain) who called in from Ballinagoul last Friday we rummaged back and found it.

Having also known the

late Donal Foley as a dear and close friend and having had long years of association with Ring and the Kelly family and the old days in Ceann a' Bathalaig and Faille a' Staicin we can concur wholly with the piece written by Joe Kennedy and say, just like those lines from "The Kerry Dances," — O, to think of it, fills my heart with tears!

## T.D. TRAVELLED AROUND THE WORLD

Returned to his home last week was Deputy Austin Deasy who had just completed a round-the-world trip. Deputy Deasy, as a member of an all-party Dail delegation, travelled first to Taiwan (formerly the Island of Formosa) in the Chinese National Republic. Continuing on his east-west journey, the Dungarvan Deputy then flew on to the United States where he paid visits to several centres and then completed the final leg of his round-the-world trip when he flew back from New York to Shannon last week.

## THE FLOWER OF SWEET STRABANE

Our choice for the ballad corner this week comes from over the border and records the beauty of Martha who was "The Flower Of Sweet Strabane." Strabane is a border town in Co. Tyrone close by to Co. Donegal and the River Foyle. It is, like many of our old ballads, a tale of unrequited love.

If I were King of Ireland and had all things at my will,  
I'd roam for recreation and comfort I'd seek still,  
The comfort that I'd seek for as you all may under stand.  
Is to win the heart of Martha, the Flower of Sweet Strabane.

Her cheeks they were rosy red, and her hair a lovely brown,  
And over her lily white shoulders it carelessly hung down,  
She's one of the fairest creatures in the whole Milesian Clan,  
And my heart is captivated by the Flower of Sweet Strabane.

I wish I had you Martha away down by Inishowen,  
Or in some lonely valley in the wild woods of Tyrone,  
I'd do my whole endeavour and work the newest plan,  
To win the heart of Martha, the Flower of Sweet Strabane.

Adieu unto you Foyle and Finn and the Mournes' water wide,  
I'm sailing for America no matter what betide,  
As down the Foyle the waters boil and my ship sails out from the land,  
I'll say goodbye, my darling love, the Flower of Sweet Strabane.

## Miss Anna Patterson

On Tuesday, May 8, following a duration of illness, Miss Anna Patterson "Auburn," Burgery, Dungarvan, passed away peacefully at St. Joseph's Hospital, Dungarvan. A native of the town, Anna hailed from a well known and highly respected family, and was the last surviving member of the Patterson's and was in her mid-seventies. A quiet, unassuming person Anna was for many years secretary to the late County Manager, Simon Moynihan.

A keen gardener, she loved the outdoor life and was a regular to Colligan Woods with her dog for her stroll.

For some years she was Church Warden in St. Mary's Church of Ireland and was a very faithful attendant.

On Wednesday the removal took place from the Kiely Funeral Home to St. Mary's Church of Ireland for service. Rev. Cecil Weakes and Rev. Desmond Warren were the clergy present. Many of her colleagues from her County Council days joined Anna's relatives and friends at the funeral obsequies.

"At rest."

Chief mourners — Patricia and Marjie (nieces), William, Gerald and Ian (nephews), and other relatives, friends and acquaintances.

(James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Tommy Roche

The locality learned with great sadness of the passing of 71 year old Tommy Roche, London and formerly of 46 Caseyville, Dungarvan, at a Chelsea

hospital on Sunday, April 29. Hours earlier he had enjoyed a social drink and a game of cards with a great friend who was taken ill later that evening and died. Some time that same evening, Tommy himself was taken ill and died.

A native of Dungarvan, Tommy was predeceased by his wife Theresa (nee Sullivan) of Shandon, some years ago. In his youthful days he was no mean footballer, lining out with the Ballinacourty side. From 1940/45 he served with distinction in the Irish Army. Most of his life he spent in London in the building trade where he was the life and soul of the plant. A regular visitor to the Old Boro, John liked to keep abreast of happenings. Only some weeks back he attended the funeral obsequies of his brother-in-law John Woods.

May Tommy and John rest in peace.

The funeral took place in London with burial at Chelsea Cemetery.

Chief mourners — Thomas, David, Christopher, Jimmy (sons), Margaret (daughter), Mary Roche, Caseyville (sister), Patrick Sullivan, Shandon (brother-in-law) and his grandchildren, nephews, relatives and friends.

(Obituary by James Kiely & Sons, Funeral Directors.)

## Mr. Samuel (Sam) White

It is with profound regret and deep sadness we write on the demise of Mr. Sam White, South Terrace, Dungarvan, which occurred on Friday, May 4, at the District Hospital, Dungarvan following a duration of illness. A member of one of the town's best known and highly respected families, Sam was aged 93 years. Most of his life was spent in London where he was a carpenter of high renown. His masterly touch and attention to detail won the wide acclaim of all.

In 1967 Sam retired to take a well deserved rest from his labours. A self-educated man who was an avid reader, a discussion on any topic was well within his compass of capabilities. In his London days he was a cornerstone

in the Irish community, yet Sam knew where his roots were, in the Old Boro. For the past number of years he resided with his niece Josephine Dennehy until his period of hospitalisation.

We tender our deepest sympathy to his brother John, nephews George Lucas (London) and William White, nieces Josephine Dennehy, Mary Power and Christina Tobin, on their loss.

On Saturday evening, following Rosary and Prayers of Requiem at the hospital mortuary, the cortege left for his beloved St. Mary's Parish Church. En route, the funeral paused in a prayerful tribute at South Terrace. Rev. J. Kiely, C.C., assisted by Rev. W. Carey, C.C. and Very Rev. J. O'Sullivan, blessed and received the remains.

On Sunday morning following the 11.45 a.m. Mass, celebrated by Very Rev. G. Power, P.P., and at which the Lessons were read by Josephine Dennehy (niece), Sam was laid to rest in the family burial ground in the adjoining cemetery. Appropriate hymns and psalms were sung by the Parish Choir accompanied by Claire Maher (organist). The graveside prayers were recited by Very Rev. G. Power, assisted by Rev. W. Carey, C.C., Rev. J. Kiely, C.C., Very Rev. Fr. J. O'Sullivan and Rev. J. Hooper, O.S.A.

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Richard (Dick) Daly

The news of the death of Mr. Dick Daly, Ballinacourty, occasioned widespread sorrow and deep regret in the locality. A well known farmer, Dick was a great favourite with one and all. We tender our condolences to his wife Nancy, sons, daughters, relatives and friends on Dick's passing, which occurred last week at Cork Regional Hospital.

On Thursday evening last the removal took place from the Kiely Funeral Home to Ballinroad Church. Interment took place on Friday following Requiem Mass which was offered for the happy repose of Dick's soul.

(Full obituary next issue). (Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. Patrick Foran

With sadness we pen these lines on the passing

of Mr. Patrick Foran of Bridgetown, Clonea, Carrick-on-Suir, which occurred at his residence on Saturday, May 28, following a period of ill-health. The late Mr. Foran was a native of Dunhill and had reached the great age of 94 years.

Well known in the sphere of agriculture, Patrick was a hard working individual who won the respect of all. A kind, generous man, he lived for his wife Mary and family (7 girls and 4 boys).

We offer our deepest sympathy to his daughter Mrs. Joan Curran, Killossera, on her cross of bereavement.

On Sunday evening, May 29, the removal took place to Clonea Church where in the presence of a huge and representative concourse of mourners, Very Rev. Fr. Wall, P.P., blessed and received the remains.

On Monday morning, following Concelebrated Mass, the interment took place in the adjoining cemetery. After a life so well led in the true Christian way of life we have no doubt Patrick is enjoying eternal bliss in the company of grand-daughter Elaine and the Divine Lord.

(Obituary by James Kiely & Sons, Funeral Directors.)

## Mr. Herbert Buttimer

It was on May 11 at his brother's residence at Coolnanav, Cappagh that Mr. Herbert Buttimer, Cappagh and Ballincollig, Co. Cork, died. Deeply mourned by his brothers Wilfred and Roy, sister-in-law Sally, nieces Vida, Charlotte and Jean, relatives and friends.

Service took place at his brother's residence on Monday at 12.30 p.m., after which the funeral left for Kilmeen Cemetery, Rossmore, Co. Cork for interment.

(Full obituary in next week's issue).

(Funeral arrangements by James Kiely & Sons, Funeral Directors, Dungarvan.)

## Mr. David Cunningham

We record with regret the death of Mr. David Cunningham, Boolattin, Leamybrien, which occurred on Monday, May 7, at St. Joseph's Hospital, Dungarvan after a long period of illness. He was aged 73 years.

A quiet, gentle man, he was a member of the farming community. Extremely popular with all sections of the community, his death has been the cause of much sorrow to

his many friends.

Sincere sympathy is extended to his sorrowing wife, family and relatives on their sad loss.

Following prayers recited by Fr. P. Butler, C.C., removal was from Dungarvan hospital on Tuesday evening, May 8, to Kilrossanty Church where the remains were received and blessed on arrival by Fr. O'Brien, C.C., assisted by Fr. P. Butler, C.C. and Fr. Ryan, C.C., Carrick-on-suir.

Following Concelebrated Requiem Mass on Wednesday morning celebrated by Fr. Frawley, P.P., assisted by Very Rev. R. Doherty, P.P., and Fr. Ryan, P.P., Stradbally, interment took place in the adjoining cemetery. Fr. Frawley offi-

ciated at the graveside, assisted by Fr. Doherty and Fr. Ryan.

## FISHING

Our main tourist attraction is, and always has been, fishing. Every year we see them arrive with their gear to the local hotels and guest-houses to spend their vacation on the banks of the Irish Rhine. They come from various parts of Ireland, from mainland Europe, but especially from England and Wales.

Up until now there have always been grey areas as regards to where one could fish and for what? All this has now changed with the formation of an Anglers' Club, which, with the co-operation of Lismore Estates, will control a three-mile stretch of the Blackwater River.

Facilities on the river banks will be improved and we understand that advice and guidance will be available for the inexperienced and casual angler.

The new club is a very welcome innovation and we wish the Committee and members every success.

## TRAFFIC CONGESTION

More and more in recent times, traffic holdups occur, especially in and around the junction of Main and Church streets. Much of the town's business is now conducted in this area and shoppers tend to park cars as near as possible to the shops. Huge delivery lorries then arrive and have no place to park and must, of necessity, remain on the street while their loads are being discharged.

This causes frustration to motorists just passing through. We believe that parking regulations should now be considered as a matter of urgency as the problem can only get worse.

## AT THE SPORTSFIELD

There were three games played over the weekend, with ideal weather conditions for all three.

On Saturday evening An Rinn played Ballinameela in the junior hurling championship. An Rinn ran out easy winners on the score 6-11 to 2-7. Midway through the second half incidents occurred which resulted in three players being sent to the sideline. Matters could have developed into a free for all were it not for the instant and decisive action of local referee J. J. Landers who got between the opposing factions and kept them apart. J. J. was quite distressed after the game and he had every reason to be. (Who would want to be a referee!)

In fairness it should be said that the vast majority of players on both sides played the game as it should be played and shook hands when it was all over.

On Sunday afternoon, Ballysaggart defeated Kilgobinet on the score 3-10 to 1-6. Kilgobinet, in the process of team building, can hardly be expected to make an impact on this year's junior hurling championship. Ballysaggart on the other hand, having won two games, could go all the way. They have scope for improvement, especially in the area of fitness, but at their best they will be hard to beat.

Referee for this game was J. M. Kelly (Shamrocks).

In the senior hurling championship game, Dungarvan had a welcome win over Fourmilewater on the score 5-14 to 4-5. The high scoring kept interest alive up to the last few minutes.

With the championship being run on a league basis and given other results at the weekend both these sides still have everything to play for.

Referee J. M. Kelly (Shamrocks).

## CAPPOQUIN/AFFANE G.A.A. NOTES

**U-14 Footballers Win County Title — Affane 4-6 Killure/Erin's Own 0-2** — Our U-14 footballers covered themselves in glory at Walsh Park, Waterford, last Saturday evening when they finished convincing winners over Eastern champions, Killure/Erin's Own. Although our opponents were physically stronger the locals showed more craft and teamwork throughout to dominate the exchanges. They were never extended at any time and with every player adopting the proper attitude the title always looked Western bound.

This county title was a victory for training and dedication as the team was defeated in their first game of the season but from there on they knuckled down to training and under Denis McCarthy's coaching, improved with every outing culminating in last Saturday's great win.

There was great scenes of jubilation as the cavalcade of cars arrived back in Cappoquin with horns blowing and colours flying with the cup held aloft by captain Eamonn Murphy. It was a grand sight as everyone gave our heroes a royal welcome.

The victorious team were then treated to a scrumptious meal at Walsh's Hotel to round off a wonderful day for the club.

For the record, here was the team — Glen Arrigan, Cha Scanlan, James Fenton, John Dalton, Brian Cullinane, Brian McCarthy, Brian O'Connor, Paul McLaughlin, Eamonn Murphy (capt), John Quann, Ray Curran, John Lynch, Ian Flynn, Tony Prendergast, Dermot Coughlan. Subs. — Miceal Murphy, Ward Fraher, James Manahan, Darragh Wilkinson, Christy Dalton, Eamonn McGrath, Barry Keniry.

**S.H.C. v. Roanmore — Roanmore 4-12 Cappoquin 1-2** — Our senior hurlers suffered a heavy defeat against Roanmore last Saturday evening in Dungarvan. Once again we hurled reasonably well out-field but in the final quarter we seemed to lose our formation. To put things in their proper perspective had we converted all our scoring chances (we hit a total of 13 wides in that second half alone) scores would have been closer. Allied to the fact that two of Roanmore's goals were blatant "square balls" and we also lost talented wing-back, Sean Costin, through injury in the first half, one can draw the true conclusions from the game. These are not excuses for our defeat, they are the true facts.

Despite all those setbacks our young side never dropped their heads and put in maximum effort. They made plenty of mistakes of course but if the numbers turn up for training we can iron out the faults.

**Team** — E. McGrath, L. Lacey, K. O'Reilly, M. O'Reilly, S. Costin, S. McCarthy, D. Cummins, B. Murray, J. Buckley, M. Power, P. Curran, F. Murray, S. Fraher, J. Phelan, G. Morrissey. Subs. — M. Mason for S. Costin; M. Lacey, P. Casey, J. McGrath (Jnr.).

Our man of the match was Donagh Cummins.

**Gate Collection Rota** — On gate duty this week, May 13 to 19, are Ml. Ormonde, M. Phelan, K. Mc-

Carthy. Next weeks gate collectors, May 20 to 26 will be D. McGrath, J. Fraher and K. Veale.

**S.H.C. v Tallow** — Our next game in the S.H.C. will be on Sunday next, May 20, against our old rivals Tallow at the Lismore venue. With Ned Power back in charge Tallow will be hard to beat, but invariably we raise our game against them.

We are pointless to date

which might give us a greater incentive to get on the winning trail. So come on lads keep those heads up and put in your best effort. The game is timed for 3.15 p.m.

**Injured Players** — With Pat McCarthy a long term casualty, probably out for the season, the club has lost an outstanding player. Also on the injured list, but thankfully not as serious are, Martin Reddy (leg in-

jury) and Sean Costin (hand). We can ill-afford to be without players of their calibre, so we wish them a speedy recovery to full fitness.

## AFFANE BRIDGE CLUB

Results, May 7 — 1st B. McCarthy and M. O'Sullivan; 2nd Pat Keever and J. O'Gorman; 3rd Claire Meaney and Brid Bergin; 4th Vera Curran and E. O'Driscoll.

## Parties Bound Over In Youghal Fisheries Vendetta

District Justice Oliver J. Macklin, President of the District Court, presided at a special sitting of the District Court in Youghal last Thursday to deal with a series of charges arising from what he described as a vendetta between a number of local fishermen and officers of the Southern Region Fisheries Board.

Following a day-long sitting of the Court and having listened to all the evidence, District Justice Macklin expressed the hope that commonsense between the parties would prevail before bodies were taken out of Youghal harbour.

Before the Court was Michael Faul, 12 South Main Street, Youghal, an officer of the Southern Region Fisheries Board who was convicted on a charge of assaulting Michael Power, Strand Street, Youghal at Market Square, Youghal on December 2 and bound to the peace for a period of twelve months.

In the course of his evidence Mr. Faul stated that he had been subjected to the most obnoxious vilification and that any action he had taken had been

taken in self-defence. He added that he was constantly being threatened and was seriously concerned for his safety.

Also before the Court arising from other incidents were Anthony Hennessy, North Main Street, Youghal, Michael Power, Strand Street, Youghal and Michael Hennessy, Market Square, Youghal, all of whom were bound to the peace for periods of twelve months.

District Justice Macklin at the close of the lengthy hearing said that it was clear to him that a very serious vendetta was going on between certain fishermen in Youghal and officers of the Southern Region Fisheries Board. "It seems to me," said the Dis-

trict Justice, "that if the nettle is not grasped this vendetta will end up badly, possibly with bodies being taken out of the harbour."

He asked whether it was too much to ask that people live together in harmony adding that there was no place in the Ireland of the 1990s where people can think that they have the right to take the law into their own hands. He was, he added, seriously concerned with the situation and hoped common sense would prevail for the future.

Michael Faul was also fined 50p the maximum allowed under the Act for discharging a firearm within 60 feet of a public road at Clashmore on May 2, 1989.

Serves 6.

## KNOW YOUR GRAPEFRUIT

DID you know there are about 30 known varieties of grapefruit but in this country, we're familiar with three in particular.

**The Marsh variety:** This is very thin skinned with a tangy flavour. Particularly refreshing, its white flesh has a high juice level and few pips. It's available from May to October.

**The Rose:** This has distinctive skin with a slight pink blush and flesh tinged with pink. Available from May to September.

**The Star Ruby:** This is a recent variety with red peel and ruby segments. It's a favourite with sweet-toothed people and is virtually seedless. It's available from May to August.

Whichever you choose, you'll find it heavenly ... in Latin, the grapefruit is blessed with the name *Citrus Paradisi*.

## The Weather In April Was Varied And Changeable

April is generally a month of varied, changeable weather and this year fitted that pattern well, according to the report issued by the Irish Met. Service.

Both sunshine and temperatures were close to normal, while rainfall varied from well above normal in the northwest to well below in the southeast. A notable feature was the week of cold, blustery

April showers around East-ertime, which included hail and sleet showers, thunderstorms, and the strongest winds of the month.

**RAINFALL**

Amounts were normal or above to the northwest of a

line from Ennis to Dundalk, and below normal to the southeast of that line. It was the wettest April since 1977 at Claremorris, while at the same time it was the driest at Rosslare for 10 years.

**TEMPERATURE**

Temperatures were normal or very slightly below, taking the month as a whole. Mean values ranged from 7.4°C at Casement Aerodrome to 9.1°C at Shannon Airport. Monday, May 30, the last day of the month, was the warmest at most stations.

**SUNSHINE**

Sunshine was normal or above almost everywhere, ranging from a daily average of 5 hours at Clones to 6.4 hours at Rosslare. It was the sunniest April since 1974 at Shannon and Mullingar, and since 1976 at Cork and Claremorris.

# The Dail And Its Procedures Needs New Image Says Deasy

In a recent Dail Debate on the Reform of Dail Procedures, Deputy Austin Deasy expressed the opinion that the Dail and its members had fallen into disrepute in recent years where the general public were concerned.

He felt that there was an urgent need for a new image and welcomed the resolution on the Reform of Dail Procedures and the televising of proceedings. In a forewarning the Deputy stated that if the Dail was not reformed from within, gut instinct told him that it would be reformed from without bearing in mind the dramatic swing in certain directions in Irish politics. With regard to the number of weeks the Dail meets Deputy Deasy felt that they should be meeting for 45 weeks of the year and for possibly 3 or 4 days a week with sittings commencing at 10.30 a.m. and concluding at 6 or 7 p.m. instead of having sessions as late as 12 midnight.

He further emphasised that the discussions in the house should be relevant and that members should not be allowed to waffle on for an hour or two on major Bills or the Budget, with dull and dreary contributions. He also advocated that with the advent of television the spoof which has been commonplace in the Dail Chamber should gradually disappear or maybe quickly disappear as it will not be tolerated by the general public when they see it on T.V. or by people who visit the Dail Chamber.

**A RIDICULOUS SYSTEM**

Deputy Deasy also expressed his annoyance with the system of voting which he said was ridiculous in its present form where it takes up to 25 minutes to vote, trudging through lobbies for something that could be done at the press of a button. He felt that it was also necessary that members be allowed to ask Parliamentary Questions during Dail recesses explaining that if the Dail goes into recess on the last week of June and returns on the third week of October, during that time T.D.'s had no more relevance than County Councillors, Urban Councillors or Town Commissioners as

they cannot raise a matter and could be writing to a certain Department or Ministry until the cows come home and would not receive a relevant reply. With regard to the Order of Business Deputy Deasy expressed further frustration at the bedlam which occurs

because as many as 25 or 30 members are offering to raise matters of importance which may concern their constituencies or may be of National or International importance but of course only two at the maximum can be raised in any one day. He concluded that as representatives of the public they were in the Dail to see that the public points were got across and that outdated procedures must be updated.

## Some weeding and trimming now will save trouble later

By Pete Moss

MAY is the month which really brings the garden to life and that means some hard work for the gardener.

But effort now will usually be rewarded by good results and less work later on.

Trimming will be one job with, on one hand, hedges such as privet starting to grow vigorously. Give them a light trim to keep them looking good and bushy.

And growth on the lawn may also be starting to look a little ragged and in need of a cut, but don't trim a new lawn until the grass is at least two inches high.

If the weeds are also thriving in the lawn then remove them by hand where possible or dab them with a paintbrush dipped in weed-killer.

**Measures**

But if they already have a firm hold then apply a good selective weedkiller to stop them now rather than face a long drawn out battle throughout the summer.

Don't forget to take tough measures as well with weeds poking through paths and drives and keep the hoe handy for the ones invading the flower beds.

Roses will be getting vigorous but pull up sucker shoots, the pale and extra thorny ones which sap the strength of the plant. Rip them out before they establish and check for and eradicate early pests.

The most likely are aphids (greenfly) and leaf-rolling sawfly which can be quickly dispatched now with insecticide but, as always, be careful when using sprays - protect bare skin, keep pets away, choose calm days and keep upwind.

On the planting front, there is still time to establish conifers and other evergreens.

Soak young trees overnight in their root balls

and plant in soil enriched with moist peat or compost and if the weather is warm and dry, water them down daily until they are well-set.

In the case of lesser plant forms, take care when putting them in as the fickle weather of recent years makes frost a possibility early in the month though, generally, the east side of the country is more at risk than the west.

Hardened half-hardy annuals and dahlia tubers are some that can go out but if planted in a low-lying area of the garden, stand by with cloches or even a light covering of newspaper if frosts are likely.

However, frost shouldn't upset sowing biennials such as Sweet William, wall-flowers and Canterbury Bells for next year's displays of colour.

**Complete**

There is still some work to be done on past displays - the tulips need lifting if you want to plant up the beds for summer. Replant the bulbs elsewhere to allow the foliage to die away naturally before storage.

If you have indoor bulbs of any spring varieties then they can also go outside to complete their cycle before storage, but don't expect to get another indoor display from them. You must now treat them as outdoor bulbs for autumn planting.

The other early bloomers of the year, the primroses, should also be lifted for dividing so that they can enhance their display next year but remember that they prefer moisture and shade.

## IFA Move On Drop In Lamb Prices

The President of the Irish Farmers' Association, Mr. Alan Gillis said recently that the rapid expansion of sheep numbers in recent years could be well accommodated in the European market — which is only 85% self-sufficient — with proper marketing by Irish export factories.

Mr. Gillis said the unprecedented drop in lamb prices over the last fortnight, unless immediately tackled, would destroy confidence in the sheep industry and could reverse the rapid progress in production of recent years.

Type set and published by the "Dungarvan Leader," O'Connell St., Dungarvan and registered at the GPO as a newspaper.

Our first match was at 1.15 p.m. v. Bishopstown (Cork) and we won this one 1-8 to 0-1.

Our second match was against Cloghane (Kerry), this was a very one sided game — Lismore 10-4 Cloghane 1-2.

Our last match was v. Enniscarna (Clare) and as they were also unbeaten the winning team was into the final. They goaled early on but we came back to lead 1-1 to 1-0 at half time. Things improved in the second half and we ran out convincing winners on the score of 3-4 to 1-0.

The final was fixed for Sunday at 12 noon in Fitzgerald Stadium, Killarney. On Saturday evening after tea we attended Mass and then booked into the An Oige Hostel for the night. The fun and high jinks of that night will long be remembered as sleep was a word that no one understood. Things settled down about something a.m. (but not for very long). Some of the stories that are now starting to leak out are so tall they'd amaze you.

On Sunday morning we received a phone call (Air-mount Hospital, Waterford), from Jo Jo, wishing us luck and informing us that she had done her bit for camogie by giving birth to a bouncing baby girl.

Congratulations. At 11 a.m. we packed our gear and headed for Killarney.

At 12 noon on the dot the action started (20 minutes a side) and it was hectic. After 3 minutes Enda Ormond shot our first goal and we were looking good, then as the game wore on we lost control and at half time were led by 1-1 to 1-0. We were lucky to be only a point down and but for Caroline Ormond in goal (who was in top form) it could have been worse. Things got worse early in the second half as we went 3-2 to 1-0 down. Our fighting spirit came to our rescue then and Maud Cunningham goaled to get us back in the game. Ben Keffe goaled from a "30" and the fight was on. Three minutes to go, another "30" and Ben struck again — goal. We were ahead, but could we hold on? Tension ran high, but in the end we survived.

Our jubilation knew no bounds as players cried, cheered and hugged each other. Lismore had again made history by becoming the first Waterford team to win at the Pan Celtic.

Each and every player should be proud of themselves as when all seemed lost they fought (as only they can) like tigers and were rewarded. Now we have our hearts set on the county and nothing or no one is going to stop us!

This is the panel of U-16 players that took part in the Pan Celtic — Caroline Ormonde, Ciara Murphy, Maire Caples, Deirdre Hickey, Maud Cunningham, Geraldine Barry, Brenda Barry, Emma Ryan, Enda Ormond, Ben Daly, Emma Dunne, Ben Keffe, Siobhan O'Gorman, Claire Ahearne, Lyn Heaphy, Melanie O'Reilly.

Training for the U-16

panel is on Saturday, May 19 at 5 p.m. in the G.A.A. field.

On Tuesday next, May 22, our school team will play Butlerstown in the County final of the I.N.T.O. Mini-Sevens in Dungarvan at 6.45 p.m. All supporters please note.

Also our U-14's are training hard for the Feile Competition which is on in Gaultier on Sunday, May 22. We will be bidding for three-in-a-row here having won it in '88 and '89. Support would again be welcome.

More next week.

## LISMORE COMMUNITY GAMES

It is once again the time of year for Community Games. First of all I would like to congratulate our soccer team (boys U-12) who played Ballymacabry on Saturday last and came out on top with a one goal win. On Sunday we had the final against Cappoquin which was also a very interesting match, but our team were unlucky to be beaten.

Well done to Michael O'Leary and all who helped to get the U-12 boys to the final.

On Monday night last, May 14, Noreen Quann took the swimmers to Fermoy Pool. Results next week. The girls art will take place in the school next week.

**Local Athletic Finals** — The local athletic finals for boys and girls from U-8 to U-17 will take place on Friday week, May 25 at 6 p.m. in the Christian Brothers School Field. There will be all sorts of competitions from sprints to long distance, (hurdles U-10), long jump and shot. We hope to see a great crowd on Friday week. All are welcome.

## "Remembering Other Days"

Our "Remembering Other Days" photo this week recalls the halcyon days of hurling in Waterford when Croke Park had been conquered once and there were still journeys to be completed to the highest hurling awards in the country. It was taken on a Bank Holiday week-end in London in 1950 — two years after our great '48 All-Ireland win — when a Waterford team travelled over to play a Kilkenny selection in a tournament game in Mitchum Stadium. Relaxing outside their hotel in London on the occasion are a group of Co. Board Officials, selectors and team members. Included are Maurice McHugh, Charlie Curran, Co. Board Chairman, Billy Doocey, Mick Doyle, Co. Board Treasurer, Michael Fives, selector, Larry Fanning, John Keane and Tom Fives.

## Ballysaggart Notes

### CARD RESULTS

1st Paddy Roche and Pad Walshe; 2nd Kieran Fenton and Mick Coleman; 3rd Sean Griffin and Mick Daly. Lucky Tables — John Daly and John Kennefick, Mick Pratt and Pat O'Connor; Dave Fennessy and Jim Kearney. Raffle — Pat Roche, Paddy Roche, Johnny Casey and Mary O'Neill.

### NEW ARRIVAL

Congratulations to Helen and John Fitzgerald, Seemocudda, on the recent birth of a son.

### G.A.A. NOTES

Two More Points For Hurlers — The final score will show a comprehensive victory for our junior

hurlers against Kilgobinet in Cappoquin on Sunday last. Anyone at the game however, will know that we were not as impressive as the scoreline suggests. However, four points for two games is just the start we were looking for.

Next weekend we take on Geraldines in the third game of the series and two more points here will set us up nicely, as we then have a break for a few weeks. Geraldines are going to provide the strongest opposition to date and we won't be allowed the lapses we had last Sunday.

The game is fixed for Lismore on Saturday evening at 7.30 p.m.

**Dungarvan Museum Notes**  
 During the winter months the Museum Society has been rather dormant, but now with spring, we have come alive. On April 19, we had the most wonderful talk by our noted historian and author, Mr. Sean Murphy accompanied by his wife Sile — it was a night to remember, and those who missed it, missed a treat.  
 We all look forward to this season's Museum Programme. The museum is again open with a fascinating collection of local historical items.  
 Come and visit and learn about your town and its history.  
 Our next lecture! — look out for the poster — An illustrated lecture by Mr. James Quain, on the "O'Dell family of Ardmore and Carriglea." This promises to be another interesting lecture, not to be missed. — P.R.O.

They say that hearts don't really break,  
But I know that's not true,  
That night I heard the awful news,  
My heart just broke in two.  
How strange it seems that those we need,  
Are those we love the best,  
Are just the ones God takes away,  
To His place of rest.

To those who have a sister,  
Love her while you may,

Congratulations are in order to Mr. Patrick and Mrs. Florence Power, Kilmoylan on the birth of their new baby son.

## KILL G.A.A. NOTES

Last weekend saw the local derby take place when Kill took on Bonmahon in the junior football championship. With the Tramore venue in perfect condition the lads got a good start with a point after one minute of play, but by half time the scoreline read 0-3 each. In the second half Kill had to do without the services of Joe Kennedy, but this young team responded brilliantly with a great goal from Ben Whelan, and in the end we hung on to win by 1-6 to 0-6.

The team was — J. Kiely, F. Casey, M. Dunphy, D. Kiely, P. Halloran, J. Power 0-1, M. Ryan, M. Kiely, P. Kirwan, A. Kirwan, S. M. O'Regan 0-3, K. Whelan, B. Whelan 1-0, J. Kennedy 0-1, R. Hennessy 0-1.

## ST. MARY'S G.A.A.

Last weekend saw our U-14 hurlers in action in the first round of the championship. Unfortunately the lads lost by 5-4 to 1-0 with Fergus Torpey getting that score.

Also last weekend the U-11 hurlers were in action playing two matches and winning both. On Thursday night they beat Erin's Own by 8-3 to 3-0 in Poleberry, and then on Sunday morning they beat Ballyduff by 8-2 to 2-1 in Ballyduff.

Type set and published by the "Dungarvan Leader," O'Connell Street, Dungarvan and registered at the G.P.O. as a newspaper

## TALLOW G.A.A. NOTES

**S.H. Tournament — Tallow 2-14, Erin's Own 2-13** — Tallow just got the better of Erin's Own in this tournament final played in Killeagh, by one point. Team: Martin Murphy, Tomas McCarthy, Jim O'Donoghue, Trevor Sheehan, Tim Sheehan, Connie Curley (0-1), Johnny

Geary, Mark Geary, Brian Henley (0-2), Colin Cunningham, Steve Curley (0-1), Dermot Henley (1-4), Paul Curley, Pat Murphy (capt.) (0-3), Mickey Curley (1-3). Subs. — Michael Cunningham for Trevor Sheehan, J. J. Henley for Colin Cunningham.

**J.H.C. — Tallow 2-13 Shamrocks 2-8** — Tallow and Shamrocks served up a lively game of hurling in Tallow on Friday night last before a big crowd. Tallow got off to an electric start and had 1-5 on the board before Shamrocks raised their first flag, a point from a free. At half time Tallow led 1-7 to 0-3.

Shamrocks came more into the game at the start of the second half and had added 1-1 before Tallow replied with 2 points and a further goal by Jerry Murphy settled Tallow down. With time almost up and Tallow leading 2-13 to 1-9 the Shamrocks had a goal to put a more respectable score on the game. This was a very solid display by our second team and every player played his part in an excellent victory.

Best for Tallow on the night were — goalkeeper Seamus O'Brien, Con Ryan, Aidan Ryan, Gary Ahearne, David O'Regan, Gerry Hogan, while our forward line were in great form led by Philly Curley, Martin McCarthy, Denis O'Flaherty, Eamonn Power, Michael Henley, Jerry Murphy and second half sub. James Beecher.

Team — Seamus O'Brien, Aidan Ryan, Con Ryan, Gary Ahearne, Paul McDonnell, David O'Regan, Martin Allen, Gerry Hogan, Pat Sheehan (capt), Denis O'Flaherty 0-2, Philly Curley 0-6, Eamonn Power 0-1, Martin McCarthy 1-3, Jerry Murphy 1-1, Michael Henley. Sub. — James Beecher for Pat Sheehan (injured).

A special thanks to our supporters on the night, it was great to see such a big crowd there.

We play Dungarvan on Saturday night next at 7.30 p.m. in Cappoquin. All players to be at the Square at 7 p.m.

**S.H.C. — Tallow 2-12 Clonea 2-10** — Tallow senior hurlers collected their second brace of championship points at the expense of Clonea on Sunday last in Dungarvan. After a lack lustre first half Clonea led by 0-6 to 1-2. Tallow started the second half in determined fashion and had forged ahead by 9 points with ten minutes to go. But back came Clonea and came within a point of Tallow with time nearly up. A Pat Murphy free on the call of time gave Tallow a very good victory and even though we played well below par it is good to win.

Team — Martin Murphy,

Tomas McCarthy, Jim O'Donoghue, Micheal T. Cunningham, Tim Sheehan, Connie Curley 0-1, Johnny Geary, Mark Geary 0-1, Trevor Sheehan, Dermot Henley 0-1, Steve Curley 1-4, Colin Cunningham, Paul Curley, Pat Murphy 0-4, Brian Henley 0-1. Sub. — Mickey Curley 1-0 for Colin Cunningham.

## ST. CATHERINE'S G.A.A.

Our adult players brought off a hat-trick during the week. Our junior hurlers set the ball rolling when travelling to Lisgoold where they overcame the homeside in the Divisional junior hurling league. This was a thrilling game of hurling with Lisgoold providing strong opposition. On a lively sod with alternative scoring all through the hour it was a most entertaining contest. Catherine's, however, survived and with the better overall balance they won on the score 3-8 to 2-7.

Catherine's lined out as follows — John Hartnett, Ted O'Leary, Pad Joe Lonergan, Billy Neville, Eppie Hartnett, Denis Buckner, John McCarthy, Kevin Barry, James Spillane, Alan Bryan, Mike Mangan, Mike Walsh, Edward Sheehan, Paddy Ahern, John Hennessy. Subs. — Sean Hickey, Eddie O'Brien, Michael Dineen, Dessie O'Keefe, Mike Hartnett.

Willie Coady, refereed.

**Junior (A) Football At Castlelyons — St. Catherine's 4-3 Castlelyons 1-9** — This looked like curtains for St. Catherine's when the scoreboard showed at the interval Castlelyons 0-5 St. Catherine's 0-0. Gathering their resources however, on the resumption Catherine's forwards picked off some vital scores and in a hard fought out last quarter the visitors emerged winners after an exciting, but clean game of football.

Catherine's team — Pat Murphy, Mike Walsh, James Spillane, Barry Regan, Kevin Barry, Shane

O'Connell, Denis Buckner, Donal O'Leary, Maurice Hartnett, Seamus Neville, Patsy Donoghue, Pad Joe Lonergan, Edward Sheehan, Sean Buckley, Ted O'Leary.

Dan Kenneally, Dungourney, refereed.

**Intermediate Hurling League** — Newtownshandrum made the journey to Ballynoe last Saturday. Both teams were short regulars but both gave good displays. The sides were level 2-4 to 1-7 at half time but Catherine's just edged the decision 2-14 to 2-10 in the end.

Catherine's were served

by — P. Murphy, B. Neville, S. O'Connell, B. O'Regan, E. Hartnett, P. G. Lonergan, S. Neville, K. Barry, S. Buckley, C. Clancy, D. O'Leary, M. Walsh, M. Mellerick, P. O'Sullivan, P. O'Donoghue. Subs. — M. Hartnett and E. Sheehan (used).

Referee — Jack Cotter, Middleton.

**Under-12's** — Our U-12 footballers were defeated by Carrigtwohill at Dungourney last Wednesday evening in the initial round of the championship and our U-16 hurlers were unsuccessful in a County League tie at Ballynoe last

Sunday morning when their opponents were Fermoy.

## BALLYNOE PAST PUPILS RE-UNION

The big day, July 20, is moving nearer when a large assembly is expected for the above reunion and in case any one is omitted and is not written to, we will be only too glad to hear from same.

We are still in quest of any old photos or papers that would be relevant and all those will be taken care of. Our thanks too for what we have received so far.

# Ballyduff Notes

## HAPPY EVENT

Congratulations to Mr. and Mrs. Tom Barry, Ballyheaphy on their recent happy event.

## BALLYDUFF G.A.A. NOTES

The senior hurlers lost to Passage at Dungarvan on Sunday evening by 1-11 to 0-13 in a very competitive game. Having played with the wind in the opening half we led at the break by 0-7 to 0-4, having been six points up at one stage. However, Passage came into the game strongly in the second period and drew level as the game went into the final minute and snatched the winner on the stroke of time.

We play Ballygunner next Sunday again in Dungarvan in what is now a very important game as we need to win to be sure of being in the running for the play-off stages. Throw-in is at 3.15 p.m.

The senior hurlers have advanced to the semi-final of the Sargent Cup following their win over Roanmore.

The Primary Schools hurling team defeated Ballymacarby last Wednesday evening by 3-9 to 2-0. They played Tallow on Monday night and won by 3-10 to 4-1.

The U-14 hurlers will play Ardmore next Monday night in Ardmore in the first round of the championship at 7.30 p.m. Players to be in the village at 6.30 p.m. They defeated Dungarvan and St. Patrick's in recent challenge games and will play Dungarvan (away) again tonight (Wednesday).

The Primary Schools football team lost to Grange last Wednesday in their first game. It is great to see the girls involved.

Helmets are now available from the school or Pat Flynn at a cost of £10 each.

The intermediate footballers will play Shamrocks in Tallow on Saturday, June 9.

The club history will be officially launched by G.A.A. President, Mr. John Dowling on Thursday, May 24 in the Grand Hotel, Fermoy at 8.30 p.m. It is a great honour for the club to have the President of the Association present for the launch. The attendance will also include Co. and Divisional Board officers as well as officers of Bord na nOg. The launch is open to everyone and we hope to see a large turnout of former players and members in attendance as well as our present players and members. This will be a very special occasion and the culmination of many years of work and effort by Maurice Geary in compiling and producing this history.

## LADIES CLUB

A meeting will be held in the Library on Monday night, May 21 at 8 p.m. sharp. All members are requested to attend.

## WEDDING CASEY - TOBIN

St. Michael's Church, Ballyduff, was the setting for a very pretty wedding when Miss Geraldine Casey, daughter of Mr. and Mrs. John Casey, Toor, Ballyduff and Mr. Bob Tobin, son of Mrs. Maura Tobin, Sevensisters, Co. Kilkenny, were united in the Sacrament of Matrimony. Nuptial Mass was celebrated by Rev. Fr. Martin Tobin assisted by Very Rev. Fr. K. Mulcahy P.P.

Bridesmaids were Ann and Geraldine Casey, sister

of the bride, with Frank and Bertie Tobin, brothers of the groom, as bestmen. Flowergirl was Claire Maye and Michael Tobin was pageboy.

The Lessons were read by Evelyn Casey and Oliver Tobin, while the Prayers of the Faithful were recited by John, Mossy, Pat and Tom Casey.

The soloist was Mary Farrell with musical accompaniment by Billy Hogan.

The reception was held in Cahir House Hotel and the honeymoon was spent in Portugal.

We wish Geraldine and Bob many years of wedded bliss.

## BALLYDUFF COMMUNITY COUNCIL

Friday night, May 18, is the night all Ballyduff have been waiting for. This is the night we sponsor a Greyhound Meeting at Youghal Track beginning at 8.15 p.m. There are nine races on the card, including two semi-finals of the Paddy Whiskey Stakes. The working committee under John Kenny have already ensured that this meeting will be a huge success. Sponsorship has been obtained for the other seven races and all dogs have been duly nominated. Admission to the track on next Friday night is £3, but by buying a ticket for £2 you get in free. If you have been tormented by ticket sellers over the past couple of weeks, bear with us, as all the money is being used for the reconstruction of the Hall. Already great strides have been made by the builder, Dave Feeney, but we can all see that fundraising efforts must be kept up. A bus will leave the village at 7.15 p.m. for the Races and let's hope that the weather allows everyone to have a great night. — P.R.O.

We congratulate the new Mr. and Mrs. Odgen and wish them every happiness for their married life.

### SYMPATHY

Our deepest and sincerest sympathy is this week extended from this whole parish area to Mr. Eddie Cunningham, Stradbally Post Office, on the death of his father at the District Hospital, Dungarvan, early last week. great holiday, but is now delighted to be back home in Ireland again.

### HOME FROM HOSPITAL

Welcome home to the following two men who were both at St. Bridget's Unit, Waterford Regional Hospital, Ardkeen: Mr. Michael Mason, Curraheen, Stradbally and Mr. Jack Curran, Garronturton, Kilmacthomas, who we hope are now both on the road to full and lasting recovery and that they will both be out and about again in the very near future.

A reminder from our local committee also that the judging for this year's Bord Failte competition commences from the first of June and they ask that all please have their various places in order before then. They are grateful for all of the co-operation they have received in the area so far and now maybe with a little more from everyone, we can still take this year's overall title if luck is on our side on the day.

Great work is at present taking place about the area also for our Entente Floral entry which will not be

judged until the middle of August and for which the local preparations are well in hand. The local committee and their helpers are to be congratulated on the great work done by all about the place so far.

### TELETHON '90

There was very little action in this area for the second 'People In Need Telethon and only for a visit from Mr. Eddie Coady and his Silent Mikes to the area, one

would think the event was not taking place here at all, which is a great pity as there are surely a lot of people in need in this whole parish area.

At the same venue on Friday last, there were only five tables in play and the winners were — Mrs. Tessie Cusack, Mrs. Kitty Gough, Mrs. Cissie Kiely, Mrs. Kay Mullaney, Mr. Nicholas M. He asked that serious consideration should be given to the matter.

The County Engineer, Mr. John O'Flynn said that he had also received a copy of the petition and he told Cllr. Coffey that he would look into the matter.

## COUNTY CAMOGIE NOTES

# Cork Dominate

Some weeks ago it was quietly learned that the Waterford girls had opted to take part in the Munster senior championship for this year. We were told that Munster Council had opened up the senior to make for more teams and add some variety, so teams like Waterford — officially graded junior — would still be able to stay in the junior championship.

Obviously the girls had their reasons and only they can say if their trip to Riverstown achieved their aims or not.

The game itself was never a contest, with the Cork girls, pacing themselves with confidence and in truth strolled the game with ease. Over the hour, very few Waterford girls stood the test or showed the confidence needed at this level.

Having said this, perhaps all was not lost. Lessons were surely learned, lessons that will, if acted upon, stand us in good stead for the important business later on in this

month. Let's take heart then in the knowledge that those signals clearly given at Riverstown will point us in the right direction for our tilt with Cork in the junior championship later this month.

**Waterford:** Mary Murphy, Siobhan Coghlan, Geraldine Kennedy, Catriona Hutchinson, Catriona Caples, Sinead O'Sullivan, Niamh McMahon, Anne Marie Gorman, Orla Flynn, Catherine Whitty, Carmel Murphy, Anne Piper. Subs — Orla Brady for Geraldine Kennedy; Mary Lonergan for Catriona Hutchinson; Elaine O'Mahony for Anne Piper.

## THE SEVENS

A success story now, the National Schools Sevens, organised by Dolores Gilhooley and run off at McGrath Park, Tramore was even more successful than anyone ever envisaged. Fourteen teams (140 schoolgirls) took part in a hive of activity right through from 3.30 p.m. to 8 p.m. Twenty-one games in all, what excitement, the sheer joy of seeing so many children enjoying the game was in itself something special.

Yes, there were winners and losers as one would expect, but the real winners on the day had to be

Camogie itself. The fact that Butlerstown were the overall winners will please many people and Dolores in particular, but the real achievement was the fact that at long last, and after many efforts, camogie is, hopefully, about to take off in the schools.

## REMINDER

Reminder to those friends (and some materials promised) — it would be really nice to hear from you. Yes, you are busy; yes, you will do it; you know that and I know it too — but I thank you in advance.

## Western Bord na nOg Notes

On Saturday afternoon the under 14 football finals got under way at Walsh Park.

Having won the Western final with flying colours, Abbeyside were expected to do well, but they lost the county final to a much stronger Tramore team.

In the "C" final, Gaeltacht were defeated by 4 points by Ferrybank.

In the "B" final Cappoquin/Affane produced a

fine performance to beat Killure/Erin's Own by 4-6 to 2 points.

Congratulations to Affane/Cappoquin on their fine win and indeed to Abbeyside and Gaeltacht on reaching the finals.

All clubs are reminded that the under 14 hurling championships commence on Monday next. This competition is again kindly sponsored by Yoplait. —(P.R.O.).

Well done to Michael Flynn on his fine catch of the evening and it is also a new club record, weighing a tremendous 8 1/2 lbs. Now that's a little reminder for you all to keep

your gear out and get the fish in.

## JUVENILES

A little reminder to all juveniles, on May 26 we will host our Munster Juvenile Championship which will be fished in the harbour area from 16.00 hours to 19.30 hours (sponsored by Baumann's Fishing Tackle Dept.). So now is your chance to get in a bit of practice, we are looking forward to seeing you all out on the day, the harbour is a good venue for this competition. — Sea Scorpion.

## Tipperary Motor Club Notes

The little known Lada Niva 4 x 4 last year turned out to be the "black horse" of 4 x 4's by winning the Xtra-Vision 4 x 4 trials. The 4 x 4 trials were held mostly on the Army Tank Training Grounds in the Curragh Army Camp. The Munster Motor Club also held a weekend event at the grounds in Vernmount outside Cork.

This October the Tipperary Motor Club is planning to hold a round of the Xtra-Vision Championship. Any standard four wheel drive jeep may be used, no matter how old, and no roll cage is needed unless the jeep is open top or soft top. What is needed is a fire extinguisher, a tow rope front and back, and a good set of tyres. The tyres play a very important part and studded or knobbely are not allowed. The tyres used must basically be high grip but road legal, the most common tyres are Firestone.

The object of the trial is to drive a number of pre-set courses without touching any of the markers on the course, without stopping, going backwards or crossing your own tracks. You get marks for the

amount of the course your have already covered. Two drivers are allowed per jeep.

Anybody who might be interested in more details about the championships or just our event should phone 058/68253.

A great social evening was had by many club members and friends at our American Tea Party with 60's Disco in Clonmel.

Don't forget this months club meeting in Dungarvan on May 16 in Lawlor's Hotel at 9 p.m.

## EVENTS FOR THIS WEEKEND

## Seachtain Na nOg — Juvenile Handball Week

The Irish Handball Council has announced details of Seachtain na nOg — Juvenile Handball Week, which will be held from Sunday, May 27 to Sunday, June 3. The purpose of the promotion is to introduce young boys and girls to the fun, excitement and enjoyment of playing a simple game of handball as a form of recreation.

Primary schools are invited to take part in the activities and teachers can liaise with local Handball Clubs on events and the use of handball facilities, the availability of handballs and promotional literature.

Handball clubs will be organising a special programme of events during the week including mini-handball games, skill tests, fun events, special competitions and primary school promotions as well as

coaching for young people.

As the rules of handball are simple, the basics of the game can be learned quickly by children. Young people can enjoy many and varied fun games through mini-handball and they can take part in organised county, provincial and national handball competitions.

## IRISH AND INTERNATIONAL GAME

Handball is a traditional

Irish game and an integral part of GAA activities. It has been played in Ireland in various forms since pre-Christian times and was also played in ancient Greece, Rome and Egypt.

Juvenile Handball Week provides an opportunity for children and young people to play handball. They will find it a very enjoyable game which involves little cost and basic forms of which can be played almost anywhere there is a wall. All handball clubs and county boards will be publicising events over the coming weeks and the public are invited to respond by trying out the game and, possibly, taking up the game of a lifetime.

# WORLD CUP PREVIEW

## LIAM BRADY (West Ham United)

Date of Birth — 13/2/56

Age — 33

Club — West Ham United

Caps — 71

First Cap — v. U.S.S.R. 30/10/74

Last Cap — v. W. Germany 6/9/89

Height — 5'7" Weight 10.7

World Cup Appearances — 22

European Championship Appearances — 27

Honours — F.A. Cup & Italian League.

Liam Brady may be going to the World Cup finals as a T.V. panelist but in the week he finally hangs up his football boots, I feel it is only right that I should do a profile on him.

Liam Brady was signed by Arsenal as a 13 year old but didn't actually leave his Dublin home for Highbury until 2 years later. Arsenal did the deal early to land the skinny Dubliner — a move which the F.A.I. nowadays does not encourage. Brady's family was a soccer one — his brother Ray had played for Ireland in the early 60's and a grand uncle had also been an international player. From schoolboy football for St. Kevin's of Dublin, his skills made him an early target, and Arsenal got in with their offer ahead of other English clubs, Manchester United included. While Brady was progressing at Arsenal the club had one of their most successful periods, winning the league and cup double in 1971. But the breakthrough came with his league debut in October 1973. Arsenal protected him at first by resting him from some games, but his talents could not remain hidden for long.

Johnny Giles, the then Irish player manager, finally persuaded Arsenal that he could stand up to international football and he made his international debut in October 1974 against the U.S.S.R. in a famous 3-0 victory. I was in a packed Dalymount Park for that game and a phrase from Philip Greene's commentary still comes to mind — "the pupil teaches the master," Brady being the pupil, Giles the master. That debut saw Brady make the world stage of football and he did take over from Giles as Ireland's midfield play-maker.

With his club he was grabbing the headlines — along with Frank Stapleton and David O'Leary — especially with his display in defeating Manchester United 3-2 in the Cup final in 1979.

Off the field Brady felt he wasn't appreciated by Arsenal and he left them for the football giants of Italian football Juventus in 1981. He liked Italy but would he succeed where so many others failed? Once again his famous left foot didn't fail him. Juventus won the league and Brady played a major part in the victory. Into the next season and once again Juventus were battling for the league, when with a few games to go, Brady was shocked to hear he would not be retained by his club at the end of the season. Club Presi-

dent, Gianni Agnelli, head of Fiat Motor Company and Juventus, had seen Michel Platini and wanted him so Brady had to go. Undaunted Brady went on to get the winning goal in the last game for his club to clinch the championships for the second year just pipping Fiorentina.

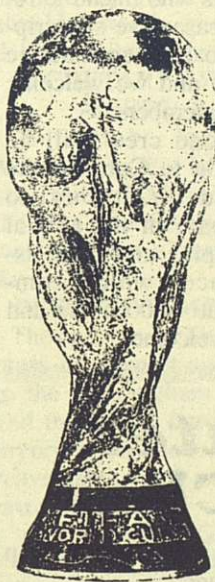

But Brady was too good to be allowed join any of Juventus's main rivals so Agnelli made sure he signed for the newly promoted Sampdoria where Brady again played very well before he moved on to Inter Milan where he tasted defeat twice in the semi-final of the U.E.F.A. Cup. An unhappy final chapter to his Italian career with Ascoli saw Brady return to London with West Ham United.

Brady's Irish career was for me chequered by some great games and indifferent ones. Without doubt under Giles, the square passing was over done especially with Brady playing too deep and under Hand the team often lacked direction. The arrival of Charlton has been well chronicled, the team style changed and Brady was doing well but then suspension ruled him out of Ireland's first game in Germany and then injury saw his chance gone for all games. But the Brady of West Ham wasn't the Brady of old! Charlton used him for special occasions and it all ended against West Germany in a friendly on September 6, 1989. West Germany had just equalised and Charlton immediately replaced Brady and amid the after match controversy Brady announced his retirement.

The F.A. and Charlton responded by leaving the door open but Brady knew it was time to go.

On Wednesday in his testimonial game Brady will don the Irish jersey for the last time against Finland.

Capped 71 times by his country in a career that saw his skills bring him success and financial security Liam Brady was Ireland's player on the world football stage. How ironic now that his country has qualified for football's biggest stage and Liam Brady sadly won't be there. — B.K.

## MUNSTER SENIOR LEAGUE — O'CONNELL CUP SEMI-FINAL

# Dungarvan Have It All To Do

### DUNGARVAN UNITED v. TRAMORE ATHLETIC

Dungarvan face a daunting task on Friday evening (May 18) when they travel to St. Colman's Park, home of Cobh Ramblers for this cup semi-final with league champions Tramore Athletic. It offers the Blues the chance of salvaging something from a disappointing season, but face a difficult task as Tramore are undoubtedly the best side in the Munster Senior League despite losing the Beamish Cup final to College Corinthians last weekend.

In the league encounters Tramore had a somewhat flattering 3-0 victory in dreadful conditions in Tramore Park while a late goal by ace striker Jim Leahy gave them the points in the recent league encounter in Kilrush Park. Indeed that league encounter epitomised Dungarvan's season where a lack of scoring power has seen them lose no fewer than ten games by either 0-1 or 1-2. Contrasted to that Dungarvan have a defensive record which bears comparison with any in the league.

On paper Dungarvan appear to have little or no chance but then there have been some real shocks in the semi-finals of cup competitions both here and in England already this season. United will look to keeper Barry McGrath to produce his best form and for both Derek Lyons and Brian Whelan to continue to display their splendid form of recent weeks. Pat Keane, Martin O'Sullivan, Mickey Hickey and Johnny Hughes will add much needed experience to a very youthful side and Ger Beresford and Willie Coward will be the men that the Blues will turn to, to orchestrate the set pieces.

Billy Coleman will hope to shake off the leg injury that ruled him out of the quarter-final tie but David Sheehan must be rated as very doubtful as a result of a hamstring injury. Derek Lyons also received a knock at training on Monday night which is causing concern.

Team managers John Walsh and Kealan O'Neill are taking the following squad to St. Colman's Park — Barry McGrath, Willie Coward, Derek Lyons, Brian Whelan, Michael Hickey, Georgie Hamilton, Billy Coleman, Martin O'Sullivan, Pat Keane, Ger Beresford, Johnny Hughes, David Whelan, David Sheehan, Bryan Kirwan, Thomas Kenneally.

Supporters intending to travel to St. Colman's Park should note that the team coach will depart Kilrush Park at 4.45 p.m. on Friday

afternoon.

Whoever wins through to the cup final are in for a busy weekend. The other semi-final also takes place on Friday night in Avondale Park when Crofton Celtic play either College Corinthians or Rockmount.

The final is then scheduled for Turners Cross on Sunday (May 20) with a 7 p.m. kick-off.

The final will be preceded by the F.A.I. Youths Cup final between Wilton United (Cork) and Cherry Orchard (Dublin).

### U-14 T.S.B. LEAGUE

# Dungarvan Outclass Carrick

### DUNGARVAN UTD 3 CARRICK UTD 0

Dungarvan gained two valuable points in their quest for league honours against Carrick at Kilrush Park on Saturday last.

The Blues were much too good for this Carrick side, and with a bit of luck their win could have been more emphatic. They completely dominated the first half with some fine flowing football that the Carrick lads could not match and it was merely a matter of time before the goals would come.

About twenty minutes into the game the Blues won a corner on the right which was floated in to the goal area where it fell to M. Cummins who made no mistake. Shortly after we were two up when a penalty was awarded for handball and S. Roche duly obliged.

Carrick came more into the game for a period in the second half, but some of their tactics in trying to stop the Blues playing, left a sour taste, but the Dungarvan lads kept their heads and their composure to regain control of the game. Then a crossfield pass found C. Walsh wide on the left, and his cross into the goalmouth was knocked into the goal by a

defender under pressure from S. Roche, who had a fine game at centre forward.

But this was a game in which everyone played well. The back four were solid all through, the midfield used the ball very well and the wide men got their crosses in early to cause the Carrick defence all sorts of problems. J. Sheehan on goal never really got much to do, but when called upon he dealt with it comfortably.

Team — J. Sheehan, M. Hyslop, Micheal Cowming, D. Wall, J. Hyslop, T. Kiely, A. Landers, C. Murphy, S. Roche, R. Finnegan, C. Walsh, O. Simms, D. Walsh, M. Lynch.

I would like at this stage to wish a speedy recovery to our regular keeper, Morgan Cummins, who is on crutches at the moment. I don't really know what happened but I believe he fell over a cat! I hope it wasn't a black one Morgan, any way best wishes and keep the spirit up.

## Dungarvan Hockey Club Notes

The Dungarvan Hockey Club A.G.M. was held in Whitechurch House Hotel on Friday, May 4. The following committee for 1990/91 was elected:

President — Mary Murphy; Vice-President — Karen Dempsey; Secretary — Kate Cagney; Treasurer — Mary Keane; P.R.O. — Siobhan Kelly; Fixtures Secretary — Grainne Kelly. Other Committee members include — Martina Moore, Angela Cashin, Mary Ronayne, Patricia O'Shea and Mary Kearns.

Congratulations to: Minor (A) Player of the Year — Martina Moore; Minor (B) Player of the Year — Karen Dempsey; Best Allrounder — Avice Kiely and Club Person of the Year — Grainne Kelly, all of whom were deserving prize winners.

The Dungarvan Hockey Club will hold their annual mixed hockey tournament on Sunday, May 27 in Dungarvan Crystal Sports Club, Kilrush at 12.30 p.m. sharp. Teams will consist of 6 players, 3 men and 3 women and the entry fee will be £12 per team. Watch out for further information on this event. — P.R.O. Siobhan Kelly.

entries in early as entry will be on a first come first served basis. Competitors will also receive a set of bye-laws with their entry number and all are asked to please observe them in the interest of safety. The change in the scoring system will make the competition much more enjoyable and open it up to the less skilled. So watch out Billy!

Paddy, Cormac and the rest of the skippers have been out testing the water recently with some people getting early training. The amount of fish caught was not great but I hear things have improved greatly with lots of mackerel, pollock, ling and conger being caught. Even an 8 lb. 7 oz. bass! The increase in the number of English and other anglers has also coincided with the arrival of the fish.

Connie's boat, Kara Marie arrived on Sunday last with smoke coming from some vital equipment. The crew didn't appear too worried though and were soon snug in the Moorings with stories of catching pollock in threes and mackerel who only wanted rusty hooks with hardly a hair on them. A likely story! Hopefully the Kara Marie will be back in action very shortly.

Smoke was also seen rising in Kilrush where the Mako is suffering the attentions of Seve. We are not sure if it was pipe smoke or something less serious, but no doubt the Mako will soon appear in pristine glory.

See you on the 27th!

The Gold Coast came alive with style on Friday last, May 11, as folks gathered to join in the club's Cheese and Wine event.

A most enjoyable evening followed with music provided by the Phoenix.

The ladies of the Committee worked very hard to provide a table display which was really gorgeous and enjoyed with relish throughout the night by all present.

Sincere thanks goes out to Doreen, Caroline, Imelda and Ann for their trojan work.

Confined Draw — At midnight, Francis Kiersey of Kilmacthomas drew the lucky winners as follows: 1, £500 — Michael Cum-

mins, Glenbeg; 2, £200 — Paddy Cummins, Ballincoush; 3, £100 — Kevin Byrne, Carlow; 4, £50 — Stephen Foyle, Coolmore.

The road crew will be travelling to Cobh on the weekend 19/20th next to participate in the annual round spike and Cobh Island races which commence at 14.00 hours and all are welcome.

## Blackwater Cycling Club

The Cappoquin Pork & Bacon Blackwater C.C. was very much to the front last Sunday in Cobh. Vincent Lombard finished 2nd in the Under-12's, Brian Moore followed quickly on his wheels to finish 7th. Unfortunately Paul Moore crashed and had to be taken to the South Infirmary, Cork, but he should be back on the bike in about two weeks.

Bryan Geary, Ken Moore, Shane Motherway and Kevin Cotter took part in the U-14's. Bryan finished 4th and Ken, Shane

and Kevin finished well up in the bunch.

In the Under-16's we had Paul Lynch from Lismore and John Moore. John finished 10th and Paul finished very well up in the bunch. Paul is a newcomer to the sport and we him wish good luck in the racing scene.

In the S.C. race we had Denis McCarthy and Maurice Hickey. This was a very enjoyable race with an exciting finish. Maurice finished 8th and Denis finished in the first bunch.

### MICHAEL ROCHE WINS MUNSTER TITLE

The Munster Veteran Track and Field Championships took place in Cork last week and local athlete Michael Roche took time off from the longer road distances to show that he has also got fine basic speed when winning the 3,000 metres title in fine fashion.

Michael dipped under the nine minute barrier and in doing so showed that he will be a match for the best when the National Championships take place later this summer.

### WALK MEDAL

The Munster Junior Championships were held in conjunction with the Vets events and Denis McCarthy walked the 10,000 metres in 51 mins. 28 secs. to win a silver medal for himself and the club. Denis, a student at St. Augustine's has been competing in walking events for the club over the last two years.

## Abbeyside/Ballinacourty G.A.A. Notes

### GOOD WIN FOR HURLERS

Our intermediate hurlers opened their campaign with a good win over De La Salle (3-7 to 2-7) on Sunday last in Kill.

Overall it was a very good performance which team selectors Eddie Cashin, Liam Enright, Liam O'Dea and trainer David Sheehan, should feel very happy with. Now that we have secured 2 pts we must build on this and next Saturday night we play Stradbally in the second round and the Reds will be no push over.

We also play Stradbally in the J.H.C. on Sunday night next in Lemybrien.

### OLD AND NEW

A few interesting facts on last Sunday's match cannot go unnoticed. Team trainer David Sheehan made his championship debut for the club, hopefully the first of many games in the Blue and Gold. With the De La Salle club on Sunday was Jim Morrissey, Ballinacourty, who is now resident in Waterford — many is the sterling game he played for Abbeyside over the past few years.

### U-14 COUNTY FOOTBALL FINAL

Defeat was our lot in this game played in Walsh Park last Saturday. We went under to a very much bigger and stronger Tramore fifteen who collected their fifth title in as many years.

Overall it was a very satisfying year for all concerned, capturing our first Divisional title in this grade since 1984. Attention will now switch to hurling as we prepare for the championship which is coming up in the next few weeks.

### U-12 (A) HURLING TOURNAMENT

Following the highly successful 'B' tournament two weeks ago, an equally successful and very enjoyable (A) tournament took place last weekend.

We were hosts to Ballybaccan/Grange (Tipperary), Cobh and Youghal. At the outset of the tournament, Club Chairman Pat Moore welcomed all the teams and their mentors and wished them all success, and officially started the days activities.

Following some very enjoyable hurling, Ballybaccan/Grange and ourselves qualified for the final. We trailed at half time by one point, but came out on top by 3-3 to 0-4 to clinch the trophy.

Juvenile Committee Chairman, Tony Mansfield, thanked everybody for making it such an enjoyable day, and presented the trophy to our victorious captain James Keohan, and a prize to each member of the team.

Our sincere thanks to all the clubs for participating, to Pat Ryan and Larry

Cliffe for having the lads in such fine form, to our referees Laurence Power and Tom Whelan, and last but by no means least our ladies committee for providing the refreshments throughout the day.

### PHELAN CUP

On last Tuesday night week, May 8, our senior footballers defeated St. Saviours by one point 3-13 to 4-9 in the first round of the Phelan Cup in Tramore.

The win provided a big boost for all concerned as preparations continue for the resumption of the S.F.C. on May 27 against Clashmore.

On Tuesday of this week

we were due to play Kilrossanty in the second round of the competition in Stradbally.

### ON INJURED LIST

Best wishes are extended to John Foley (Jnr.) who is presently recuperating from a very serious leg injury. John, a very popular member of our U-14 hurling and football panels, is wished a speedy recovery and we all hope to see him in action again very soon.

### JUNIOR HURLERS

Our junior hurlers are due into championship action shortly and the discussions are on as to the possible line-out.

## Stradbally G.A.A. News

### INTERMEDIATE HURLERS v. ABBEYSIDE

On Saturday evening next, May 19, our intermediate hurlers play Abbeyside in the championship in Dungarvan at 7.15 p.m. This will be a most difficult game to win as Abbeyside are a very strong side, with a good tradition. So the Reds will have it all to do here.

### JUNIOR HURLERS v. ABBEYSIDE

Our junior hurlers play Abbeyside on this Sunday evening, May 20 in Lemybrien at 7.30 p.m. Our game against Cappoquin last week was called-off, so this will be our first outing and we will probably start outsiders.

### UNDER-14 HURLERS v. CLASHMORE

On Monday evening next, May 21, our U-14 hurlers play Clashmore in the championship in Stradbally at 7.30 p.m. Our team have prepared well with plenty of training and coaching, so we could get off to a good start here.

### "BIG ONE" COMING!

On Sunday week, May 27 our senior footballers play last year's county finalists, Nire, in the next round of the championship in Dungarvan at 3.15 p.m. This is a game in which the Reds will start outsiders because the Nire are a very strong side and last year defeated the Reds on their way to the final. So the players know what's before them and nothing but a big improvement is needed if we are to have any chance here.

### MANY THANKS TO OUR SUBSCRIBERS

The club would like to thank the many people who subscribed to our annual collection last weekend — to our members who collected and particularly Rev. Fr. Michael Ryan P.P., for

his help.

### PHOTOS AND NAMES

The Schools Anniversary Committee are looking for photographs and names of people who had attended the boys school in Stradbally down through the years. They are particularly interested to hear from people who have families away from home and would welcome any material that would help the organising committee. Please contact either Tom Murphy N.T. or Mrs. Pauline Barnes or any member of the Committee.

### EXCITING WIN FOR HURLERS

Our intermediate hurlers had a great victory over St. Mollerans on Sunday last in the championship, on the score 2-12 to 1-14. This was a great start to the championship and one that should certainly give great determination to the team.

### SECRETARY AWAY IN AMERICA

Our club secretary, Michael Coffey, is at present away in America for the next two weeks, where we wish him a good holiday.

### DEEPEST SYMPATHY

The club would like to express its deepest sympathy to the Cunningham family and the Guiry family, Lemybrien, on their sad bereavement which occurred last week.

### UNDER-AGE COACHING

County hurling coach, Peter Power, will be in the field on this Thursday evening, May 17 from 5 p.m. to 7.30 p.m. All under-age players from 16 down are to be present and if possible selectors also.

### SUNDAY NIGHT DANCING

Dancing continues on this Sunday night, May 20, for members and friends who are all welcome to come along. A good night assured.

# Dublin Hit For Six As Waterford Excel

Waterford 6-11, Dublin 1-2

The difference between junior and senior competition was clearly spelt out at the magnificent St. Vincent's Sports Complex in Dublin on Sunday last, as last year's All-Ireland Junior champions Dublin were well and truly defeated by a Waterford team that was too good for the Dubs best efforts. There is no doubt that in time Dublin will make a big impression in senior ranks but there is still a bit to go as far as team work and all-round ability is concerned.

Dublin fielded players from nine clubs and they lacked the cohesion and understanding necessary at this level. In fairness, Waterford enjoyed the advantage of 13 players playing with the same club and this was very evident during the game.

The pitch was in perfect condition with Leitrim's Geraldine Wyrnn on the whistle, and Waterford raced into an early lead as June Whyte had a point and Catriona Casey added another five minutes later. June Whyte got through for a Waterford goal and it was obvious at this stage that the Dubs were struggling. They rallied temporarily as Suzanne Carroll found the net.

Aine Wall retired with an unfortunate hand injury, but her replacement, Fiona Crotty added a Waterford point before her sister Marie, the best forward on view, scored a fine goal in the 23rd minute. The Dublin fullback was booked after a couple of rough tackles and in a two minute spell the game was put beyond Dublin's reach. Marie Crotty pointed a free, Marie O'Ryan scored a superb goal from 30 yards and Bernie Ryan again found the net from the kick-out to leave Waterford comfortably ahead 4-5 to 1-0 at the interval.

Waterford played their best football against the breeze in the second half. Within three minutes Marie Crotty scored three points on the trot and although Louise Lynch replied with a Dublin point, Bernie Ryan and Noirin Walsh, moving upfield, tacked on

two further points, before a sweeping movement by Martina O'Ryan, June Whyte and Patricia Butler ended with Geraldine O'Ryan scoring Waterford's fifth goal. Christine McGinn pointed for Dublin, but Bernie Ryan, with a fine goal, completed the scoring.

### GREAT PERFORMANCE

This was a great Waterford performance and whilst the quality of the opposition must be taken into account, the type of football played was outstanding. This win means that Waterford have six points from four games and their next clash is against Laois.

Waterford — M. O'Donoghue, A. Dunford, P. Tyrell, A. Morgan, N. Wall, A. Fitzpatrick, S. Wall, M. O'Ryan, C. Casey, N. Wall, B. Ryan, M. Crotty, D. Wall, J. Whyte, G. O'Ryan. Subs — F. Crotty, P. Butler and S. Byrne.

### UNDER-16 A CHAMPIONSHIP

The final of the under-16 A Championship, for the Mercy Cup, takes place on this Friday night at Ballymacarbry, when the home side take on a joint Kill/Na Deise team. This has the makings of a fine game. The group side will look to County players, Ruth Ahern, Alison Morrissey, Jennifer Coffey, Lorraine Mooney, Marcella Foran, Honor Lonergan, Olivia Condon, Roseanne Ryan, Martha Cahill, etc., and if they hit top form they are well capable of winning.

Ballymacarbry will look to Noirin Walsh, Regina Byrne, Cliona Walsh, Deirdre Wall, Michelle

Walsh, Fiona Crotty, Natasha Galvin, Catriona O'Gorman and they certainly won't give up their title easily. The magnificent trophy presented by the Mercy Order was first played for last year when Ballymacarbry defeated Kill in the final at Modeligo.

## Geraldines G.A.A. Notes

### JUNIOR HURLING CHAMPIONSHIP

Geraldines v. Ballysaggart at Lismore on next Saturday evening, May 19 at 7.30 p.m. This game is brought forward from Sunday to Saturday evening.

### CLASHMORE 2-13 GERALDINES 1-9

Played at Bushy Park on Saturday evening last, Clashmore proved too strong for us and beat us by seven points. We certainly are not firing in all departments.

Our panel was — Johnny O'Grady, Richard Hurley, Johnny O'Brien, Pat O'Brien, Billy O'Connell, Michael Kiely, Shane Kiely, Daithi O'Brien, Seamus Meskill, Brian Conner, Brendan O'Grady, Paddy Corkery, Eddie O'Grady (capt), James O'Connell, Royco Ware, Tony Hally, James Morrissey, Sean Osborne, Declan Carlton.

Johnny Moore, was a fair and firm referee. — P.R.O.

# Friary Take Senior Hurling Cup

**ST. AUGUSTINE'S 3-10  
DUNGARVAN C.B.S. 1-9**

On Tuesday of last week the long awaited replay of the Waterford Colleges Senior Hurling Championship took place at Fraher Field. This was a fine game of fast open hurling, with the Friary deserving winners, having led from early on, a beautiful opening goal by star forward Brian Beatty.

For most of the first half there was never much in it, due to the solid midfield play of Kevin McGrath and accuracy of J. Patrick Fitzpatrick for the C.B.S. A brace of points by B. Beatty and one from Tom Fives left the Friary 3 points ahead at half-time.

Half-time score — St. Augustine's 2-4 C.B.S. 0-7.

In the second half Tom Fives and his midfield partner B. O'Driscoll began to dominate, and a steady supply of ball to the Friary forwards yielded some lovely scores — in particular two from substitute Pat Murphy, who gathered a high ball and slammed it to the net, as well as putting over a point from near the sideline.

The boys from the C.B.S. never gave up, and battled on bravely to the end. They were well served by Raymond Kelly, Shane Denn, Thomas Kiely, Kevin Killigrew, Kevin McGrath and John Patrick Fitzpatrick.

Best for the Friary were Pat Hayes, Paul Breen, Michael Hubbard, Tom Fives, Oliver Murphy, Brian Beatty and Pat Murphy.

Scorers: St. Augustine's — B. Beatty 1-3, P. Mur-

phy 1-1, D. Kelleher 1-0, O. Murphy 0-2, T. Fives 0-2, J. Kennedy 0-1. M. Hubbard 0-1. C.B.S. — J. P. Fitzpatrick 1-5. K. McGrath 0-2, T. Kiely 0-1, F. Cunningham 0-1.

**St. Augustine's** — M. Clancy (Cork), K. Byrne (St. Patrick's), P. Hayes (Abbeyside), R. Power (Ballyduff Lr.), P. Breen (Abbeyside), M. Hubbard (St. Mary's), J. Wyse (Fourmilewater), M. Fenton (Clashmore), B. O'Driscoll (Kilkenny), E. Power (St. Mary's), J. Kennedy (St. Mary's), T. Fives (Tourin), B. Beatty (Abbeyside), O. Murphy (Ballygunner), D. Kelleher (Cappoquin). Subs. — P. Murphy (Ballyduff Lr.) for E. Power (injured).

**Dungarvan C.B.S.** — J. J. Ronayne (Dungarvan), R. Kelly (Dungarvan), S. Denn (Naomh Brid), C. Gough (Dungarvan), P. Flynn (St. Patrick's), K. Killigrew (Abbeyside), D. Sheehan (Dungarvan), K. McGrath (St. Patrick's), T. Kiely (St. Patrick's), F. Cunningham (Dungarvan), J. Morrissey (Dungarvan), K. Walsh (St. Patrick's), B. McGrath (St. Patrick's), P. Veale (Abbeyside), J. P. Fitzpatrick. Subs. — R. Ryan (Naomh Brid) for Killigrew (injured).

## Dungarvan G.A.A. Notes

### SENIORS GAIN FIRST WIN

A workmanlike performance would best sum up the championship display of the senior hurlers at Cappoquin last Sunday when they registered an emphatic twelve points victory, 5-14 to 4-5, over Fourmilewater to keep hopes of reaching the knockout stages still very much alive.

We unflatteringly led by 3-5 to 0-5 at half-time after dominating throughout most of the thirty minutes. But then as has happened so often in the past we fell asleep early in the second half as Fourmilewater rattled in three goals that jolted us severely.

However full credit to the lads who again took control of the exchanges and rifled over some great scores to quickly put the issue beyond all doubt. We must now try to build on this welcome victory as we face into the more searching games that lie ahead.

### PHELAN CUP WALKOVER

The senior footballers received a first round Phelan Cup walkover from Sliabh gCua last week when the Touraneena club found itself unable to muster the required playing numbers.

We played a challenge instead but really it was a meaningless exercise and was poor compensation for the lack of a competitive game.

### JUNIORS GO UNDER

Our junior hurling championship defeat by Lismore at Colligan last Saturday evening was not unexpected, but a really gutsy display deserved much better than a 3-12 to 1-7 scoreline at the end of the hour.

Our fellows gave this one a real go and could, and should, have been much closer to the victors at the end. We certainly lost no caste whatever though in this defeat.

### TALLOW NEXT

The juniors are in action again this weekend when

they play Tallow at Cappoquin on Saturday evening (7.30). If we can build on last weekend, despite the defeat, we could give the Bridesides a fair old run for the spoils. We depart for the venue at 6.30 p.m.

### FEILE NA nGAEL

The Under-14 hurlers put up a tremendous performance against highly vaunted Lismore in the Western Feile na nGael final at Cappoquin last week before going under by 1-9 to 1-2.

We led by a point at half-time when in fact the lead should have been considerably greater. Full marks to Lismore who piled on the second half pressure, but the boys battled manfully to the end and did the club proud on the night.

The championship gets under way at the end of this month by which time we will have training and some challenge games under our belts. Hopefully the combination of the two will put us in good shape for a real crack at the title.

Congratulations also to Kieran Curran, Kilrush, who was runner-up to Johnathan Moore of Abbeyside in the county final of the Feile Skills Competition. It was a splendid effort by Kieran.

### LONG PUCK

A reminder to the Over 40s in the club. The long puck in connection with "Be Active, Be Alive" week takes place at Fraher Field on this Thursday evening at 8 o'clock.

The Tipperary duo, Peter Ferncombe and John McLoughlin, are reported to be "blowing for road" after their success last year, and I'm just wondering if there is any "local" in the club capable of spiking the Clonoulty and Marlfield men.

### THURLES BOUND

Plans are in train to bring Under-12 and 14 hurling teams to Thurles on Sunday, June 3, when Waterford face Cork (most probably) in the Munster senior hurling champi-

onship semi-final.

Bro. Hickey, who made such a valuable contribution to our county intermediate hurling championship victory over Passage a few years back, is now based in Thurles and it is through his good offices that we are hoping to arrange games for our two squads on the morning of the big game.

### HELMETS

With the hurling season now in full swing our juveniles should note that they can purchase helmets, complete with facial guard, for just £10.

Pa Meehan, or any member of the juvenile committee, will take care of the boys needs.

### GOOD LUCK PETER

Peter Ferncombe, who had such an outstanding game in the drawn tie, will be an important member of the Waterford team in Sunday's Munster championship replay against Clare in Listowel.

Because of Peter's involvement with the county side our senior hurling championship game against Mount Sion has been postponed and will not now be played until after the Munster senior hurling semi-final.

### SENIOR FOOTBALL NEXT

For the senior footballers the next major championship test is against Kilmacthomas on Sunday week. That one will take a lot of winning, but if victory is attained we will have put ourselves in a very strong position for a place in the quarter final at least. More anon.

### SYMPATHY

The club extends sincere sympathy to the Daly family of Ballinacourty on the death last week of Dick.

His brother Paddy donned the blue jersey with considerable distinction and shared in our last county senior football championship triumph in 1954.

### WATERFORD COLLEGES HURLING FINAL

## Deserving Win For Dungarvan CBS

**Dungarvan 4-4, Mount Sion 2-3**

Dungarvan CBS scored a well-deserved victory over Mount Sion at Abbeyside last Wednesday to capture the Waterford under-15 1/2 hurling colleges title for the second time in three years. In what was a hard, competitive game, Dungarvan CBS led from the second minute through a Kieran Cunningham goal and retained their lead throughout the match.

With Raymond Ryan giving a fine performance at midfield, Dungarvan had a commanding lead after twenty minutes, with further goals coming from Michael Enright and Dermot Ryan.

Mount Sion came more into the game and snatched two goals from Ray McGrath and Freddie Robinson to trail by only four points at half time: Dungarvan CBS 3-3, Mount Sion 2-2.

### MORE POSSESSION

Mount Sion enjoyed much more possession in the second half but could make little impression against a very solid Dungarvan defence in which Tom Morrissey was outstanding at full back and Michael Barnes, Eoin Murray and John Joe Ronayne were also particularly impressive. With Raymond Ryan at this stage hampered by injury, Dungarvan used three midfielders, Dwaine Moore, Niall Considine and Eoin Cunningham who all hurled very well in the second half.

Best for Mount Sion were Declan Hutchinson, Derek Walsh, Alan Robinson, Stephen McGrath and Roy McGrath.

Scorers — Dungarvan CBS — Dermot Ryan 2-0,

Michael Enright 1-0, Kieran Cunningham 1-0, John Joe Ronayne 0-2, Niall Considine 0-1 and Raymond Ryan 0-1; Mount Sion — Roy McGrath 1-1, Freddie Robinson 1-0, Alan Robinson 0-2.

**Dungarvan CBS** — A. Walsh (St. Patrick's), M. Barnes (Stradbally), T. Morrissey (Dungarvan), M. McLoughlin (Dungarvan), F. Murray (Abbeyside), J. J. Ronayne (Dungarvan), P. Curran (Brickey Rangers), R. Ryan (Naomh Brid), E. Cunningham (Dungarvan), D. Ryan (St. Patrick's), N. Considine (Dungarvan), A. Fitzpatrick (Naomh Brid), M. Enright (Abbeyside), D. Moore (Abbeyside), K. Cunningham (Abbeyside). Sub. — R. Casey (St. Patrick's) for K. Cunningham (55 mins.)

**Mount Sion** — B. Walsh (St. Saviours), M. Gates (Mount Sion), P. Finn (Mount Sion), D. Hutchinson (St. Saviours), S. Nolan (Mount Sion), D. Walsh (St. Saviours), G. Crowley (St. Saviours), A. # Disappointing Defeat For Ballyduff

Passage 1-11, Ballyduff 0-13

[By "Commentator"]

I wrote last week of the possibility of Ballyduff under-estimating the challenge from Passage. This might have been a factor in a match that did not quite go their way as throughout there was never a time when they could feel sure of themselves. Gerome Quirke who seemed to have sustained an injury in the first half, might have been replaced at the break. In hindsight it would have been a wise move as the team lost Ger when he was sidelined about five minutes after the restart and this produced a situation that was not easy to cope with against such an eager bunch of players like Passage.

Playing with the aid of a fair breeze, Ballyduff held an 0-7 to 0-4 lead at half time but while these were well taken scores by Michael Walsh (0-3), Paudie Prendergast (0-2), Gerome Quirke and Eugene Hickey (0-1 each), the total did not give them enough of a lead.

Passage started off in the second half in whirlwind fashion and set about reducing the gap of three points. However points by

Michael Walsh, Paudie Prendergast and Maurice Geary (all two each), kept Ballyduff in the drivers seat until a 51st minute goal by county player Mossy O'Keefe inspired the outsiders who came back with points by Pat Connors, Sean Cullinane and a Paul Fitzgerald winning point almost on the stroke of time.

It was a disappointment for Ballyduff and it makes their date with Ballygunner a vital match.

# Erin's Own Win Exciting Clash

ERIN'S OWN 4-12  
COLLIGAN 1-18

[By "Commentator"]

This was entertaining, interesting and it provided an exciting finish. As intermediate games go, it could be called a good one, even though the match was dominated by two players, Jimmy Beresford of Colligan and Damien Byrne of Erin's Own. Between them the two county players scored a total of 1-21. Jimmy had a personal total of 1-12 and, subject to correction this could be a record for an adult championship game here in Waterford. When Shamrocks lost to Roanmore by 1-14 to 2-5 in the S.H. championship in 1987, I recall writing that Kieran Delahunty's 1-10 was a record.

Damien Byrne had a total of nine points here against Colligan and like his county team-mate several of the scores showed touches of class. The city team fielded without the injured Liam O'Connor and Colligan were without the retired Anthony Walsh, who had given around a quarter of a century of distinguished service to the Rockies and saw them rise from junior to senior and back again to intermediate. Both Liam and Anthony were bodily on the line and spiritually on the field as I observed a

few times during the game. Anthony's successor, Michael Dunford while under pressure for a while, did quite well in goal and at the other end, Liam O'Connor's brother brought off a last second save that made the difference between winning and losing for Erin's Own.

Scorers: Colligan — J. Beresford 1-12; P. Coffey 0-4; S. Ahearne and S. Quinlan 0-1 each. Erin's Own — D. Byrne 0-9; N. Kelly 2-1; B. Coady 2-1; D. Power 0-1.

# Tallow Hang On In Close Finish

TALLOW 2-12 CLONEA 2-10

Tallow collected their second brace of senior hurling championship points, but only just, when they hung on to defeat Clonea by two points in a very close clash at Fraher Field, Dungarvan, on Sunday last.

As in their first game against Dunhill, Tallow looked to be coasting to an easy win when they led 2-11 to 0-8 with just ten minutes to go.

Then Jerry Kirwan struck a fine goal for Clonea and two minutes later Barry Power scored another (a fine individual effort) and suddenly the game was thrown wide open.

Martin Power cut Tallow's lead to two points (2-11 to 2-9) with five minutes left to play and Barry Power's point for Clonea two minutes from time cut the arrears to the minimum. With just a minute left to play full forward Pat Murphy shot Tallow's insurance point but it must have been with a sigh of relief that the Bridesiders heard the long final whistle.

Clonea just shaded the exchanges in the first half to lead 0-6 to 1-2 at the break, Tallow's goal coming from Stephen Curley after seven minutes. Their second goal came from the stick of Mickey Curley in the 45th minute, not long after he had substituted for Colin Cunningham.

They looked unassailable when they led by three straight goals but once Clonea put on the pressure, the Tallow defence which had creaked on a number of occasions suddenly cracked to allow the losers in for their two goals. Tallow were lucky on another occasion and Clonea could in fact, feel aggrieved when they might have been awarded a penalty after full forward Jerry Kirwan was taken down in possession.

As it was Tallow hung on in a close finish, but they will have to show improvement in defence particularly for their remaining games.

Scorers: Tallow — P. Murphy 0-6; S. Curley 1-2; M. Curley 1-0; C. Curley 0-2; M. Geary and B. Henley 0-1 each. Clonea — B. Power 1-4; M.

Power 0-5; J. Kirwan 1-0; J. Murray 0-1.

Tallow — M. Murphy, T. McCarthy, J. O'Donoghue, M. T. Cunningham, Tim Sheehan, C. Curley, J. Geary, M. Geary, Trevor Sheehan, Dermot Henley, S. Curley, Colin Cunningham, B. Henley, P. Murphy, P. Curley. Sub. — M. Curley for C. Cunningham.

Clonea — P. Power, J. Walsh, J. Cahill, S. Keane, D. Harnett, A. Power, T. Bolger, H. Skehan, J. Hahissey, J. Murray, B. Power, T. Hassett. M. Power, J. Kirwan, S. Power. Subs. — H. Power for S. Keane; D. Power for T. Bolger.

# Deserving Win For Portlaw

PORTLAW 2-12 LISMORE 2-8

Lismore felt the loss of the injured Seamus Prendergast when they went down by four points to Portlaw in their second round senior hurling championship game at Fraher Field, Dungarvan, on Sunday last.

The Western side never really looked impressive and in contrast to Portlaw never looked sharp or showed the urgency needed to take the points on the day. Consequently their hopes of taking the title took a blow.

The exchanges were even in the first half and the sides were level at 0-2 each after ten minutes. Michael Hennebry's goal on the quarter hour gave Portlaw a lead they subsequently never relinquished and they went on to lead 1-6 to 0-4 at half time.

Despite several positional switches Lismore never got to grips with the game and were always hunting a lost cause in the second half.

Michael Hennebry had his second goal for Portlaw in the 41st minute and Lismore looked to be on the

edge of a trouncing as they trailed 2-8 to 0-6.

FOUGHT BACK

To their credit they fought back and a point from Sean Daly and a goal from Kieran O'Gorman in the 49th minute gave them some hope. This hope was short-lived however as Portlaw came back for a brace of points from Tommy Larkin and one from Kieran Laffan to leave them 2-11 to 1-7 ahead with seven minutes left to play.

Again Lismore fought back and Sean Daly pointed and five minutes from time sub. Frank Power goaled after Portlaw keeper Jimmy Power uncharacteristically failed to clear.

The Eastern side however came back strong again in the closing stages and Tom Larkin's point from a free put the icing on what was a

fully deserved win.

Scorers: Portlaw — T. Larkin 0-7; M. Hennebry 2-0; D. Foran 0-2; J. Kiely, K. Laffan and L. Callaghan 0-1 each. Lismore — S. Daly 0-7; K. O'Gorman 1-1; F. Power 1-0.

Portlaw — J. Power, P. O'Hanlon, J. Galvin, J. Kirwan, E. Rockett, J. Hennebry, L. Callaghan, D. de Paor, P. Coffey, D. Foran, S. Fitzpatrick, T. Larkin, K. Laffan, M. Hennebry, J. Kiely.

Lismore — D. Landers, J. J. Duggan, R. Ronayne, S. Prendergast, B. Crowley, M. Ronayne, D. Barry, B. Lee, B. Prendergast, D. Geoghegan, B. Lawton, D. Landers, K. O'Gorman, S. Daly, P. Prendergast. Sub. — F. Power for D. Geoghegan.

Referee — J. J. Landers (Affane/Cappoquin).

# Championship Results

Although several of the losing sides were a little bit shattered by the results over the week-end, anything that happened could not be described as a shock. Overall they were the kind of results that go to make the championship interesting. With the table looking the way it is, it would be a wise one who would forecast the result of this intriguing championship at this stage.

Only three of the thirteen substantial reason for sup- teams have full points and posing that any of that at this stage there is no bunch will take the title.

Tallow won their game after a sub-standard display and they didn't look world-beaters against Clonea, who with a bit of luck might have snatched the game because they were every bit as good as their conquerors. I know that they are not going to rest on their oars now that they share the top of the table with Portlaw. They have proved that the senior championship is their rightful place, but they will have to do a lot more before they satisfy supporters that they are going to win the championship.

them to a sparkling display against Ballygunner, who didn't have a first round game. Passage will be their biggest threat in their remaining matches.

Dungarvan's skill was the overriding factor in their win against Fourmilewater who badly missed the services of Ger Walsh who was out injured. This was a very entertaining match and some delightful goal-scoring made the game interesting and quite exciting for a bit. In this game which produced the biggest score on the senior scene for the week-end, Dungarvan were worthy winners.

Clonea on this display are not going to finish up at the bottom of the table.

Portlaw looked better than they have been for a few years and their match with Lismore produced some good hurling. Lismore certainly missed the injured Seamus Prendergast and conceivably his presence could have made a difference.

On the sideline during this game, speculators forecast that Portlaw's fitness would fail them towards the end. It didn't and in fact they were keeping Lismore under pressure during the closing stages.

Following their disappointing defeat by Ballyduff on the previous Sunday, Mount Sion came out determined not to lose a further two points and the fierce determination with which they played was a factor in helping

## OTHER GAMES

On the intermediate front Erin's Own, Abbeyside and Stradbally all got over their first round engagements.

In the double header at Kill, Stradbally just managed to stay in front against St. Mollerans who were favourites here and on their display they will be a force to be reckoned with in the weeks to come.

Abbeyside playing their best hurling for quite some time, broke a long losing sequence of championship defeats by beating De La Salle in a well contested and very exciting game that also remained in the balance right up to the last puck of the ball. Understandably the club were very pleased with the result, more especially because De La Salle gave them a fair sized beating last year.

A two point win over St. Saviours gave a welcome first round victory to Tramore, where hurling is said to be taking off in a big way. It will be interesting to watch their progress this year, particularly when the club are doing poorly in football.

On the junior front there were good wins for Ballysaggart over Kilgobinet, An Rinn over Ballinameela and Clashmore against Geraldines. This championship is beginning to 'hot up' in a big way and there is a lot of excitement ahead. In the second string section there were wins for Tallow over Shamrocks in a nice even game and Lismore over Dungarvan.

## Players Sent Off

The incidence of unsporting behaviour seems to be on the increase in the county of late and the past week-end saw the number sidelined in the present championship increase to around 16.

The Eastern Board will this week deal with a serious report of a junior game played at Kill two weeks ago and here in the West the very serious and ugly incident which happened in the Ballinameela/An Rinn junior hurling tie at Cappoquin on Saturday evening is likely to be dealt with by the Disciplinary Committee.

The Board had to deal with a serious altercation which took place when these two clubs met in last year's championships. On this occasion the referee, Jim Landers was manhandled when he attempted to defuse the situation and was so upset by the incident that he is contemplat-

ing resigning as a referee. The loss to the Association of a man of his quality and reputation would be immeasurable and hopefully Jim will change his mind. Three were sent off in that game.

On the same evening at Brickey Park two players were sidelined by referee John Moore during the Clashmore v. Geraldines junior hurling tie and Ballyduff finished with 14 players on Sunday night after they had a player sent off in their game with Passage. In the recent Killorossanty v. Stradbally junior football tie at Abbeyside three players were dismissed by referee Pat Moore.

## Roanmore Well On Top

ROANMORE 4-12  
CAPPOQUIN 1-2

A scoreline like the above tells its own story. Cappoquin were not in contention at any stage against the champions who were not great at any stage of the game. It was a bitterly cold evening and the small crowd who paid their £2 to see the match got poor value.

Roanmore, who didn't have the injured Noel Crowley, will have to play better hurling if they are going to retain their title and Cappoquin will have to play much better in all their remaining matches if they

## Waterford Beaten By Laois

The game at Lismore was something of a nightmare for Waterford who fielded only six of their regular side. With a full round of championship games being played over the week-end, it may not have been the best decision to play the match. Played in such circumstances it was of little benefit to us. I have always contended that the results of challenge games at whatever level are meaningless.

## Believe It Or Not

Whenever I read the same article twice, I do so for one of two reasons. Either I like it very much or I read it again to convince myself that I had read it properly.

The summer edition of Ireland's leading gaelic sports magazine, 'Gaelic Sport' was published last week and dealt with for the most part, the championship prospects in the different provinces.

The Munster preview which was written by Seamus O'Neill under the caption Munster Medley dealt with prospects in our province. After reading the article twice, I hardly believed what I had read — or to be more precise — what I had not read. Never once during the 900 word article is the name Waterford mentioned or even referred to in any way.

He wrote about the amount of talent in the present Cork side when previewing their chances of beating Tipperary, writes that it might be more prudent for him to see how Tipperary will handle the Limerick/Clare challenge in their opening round.

He even devoted a good portion of his article to Kerry's hurling resurgence and how they lost only one point in seven league games in their division of the league, which they won. He even wrote about

Kerry's hurling All-Ireland victory in 1891, etc., but not a mention of the name, Waterford.

Just in case readers of the magazine get the idea that we didn't pay our affiliation fees, or that we had opted out or that we had decided to play in some other province, I sent a note to the Editor, Tommy McQuaid to assure him of our intention to field. Unfortunately he won't be able to get the message across until the next edition, which comes out in the Autumn. By that time everyone will know that we have played!

## Senior Hurling Championship Table

G.A.A. NOTES

BY "COMMENTATOR"

# Week-End Games

At the time of writing I am a little unsure of what is going to happen over the coming week-end as I know that an application to have all senior games postponed, is being considered by the county fixtures committee. The application is made by the county selectors who are becoming increasingly concerned about the injury problems, etc.

As I have written elsewhere a number are already postponed. If the scheduled programme goes ahead three senior matches will be played in which Tallow will play Cappoquin at Lismore. Here a comprehensive win for Tallow is expected.

At Walsh Park, Roanmore will be favourite to beat Dunhill, but this match could produce a surprise as Dunhill have already shown that they are on the way back.

## BALLYGUNNER v BALLYDUFF

This is a crunch game for both clubs as both need to win to make reasonably sure of being involved at the finish.

Ballygunner with a defeat in their first and only game will try their best to win this, but Ballyduff, who cannot afford to lose either, will try might and main to make this impossible. Ballyduff showing a return to their best form might just about take the points.

In intermediate hurling we have a close contest in prospect when Abbeyside

and Stradbally, both of whom won on Sunday, meet at Dungarvan. On form they appear to be evenly matched, but maybe, Abbeyside who have now tasted victory after a long while can make it.

## INTERMEDIATE FOOTBALL

The lone game listed will see Brickeys and Ardmore in opposition at the Old Parish venue. There is not a great difference in standards here and this is a match that can go either way.

## SHAMROCKS v MOLLERANS

This will be Shamrocks first hurling game and it won't be to their advantage that Mollerans have already played a game in the championship.

Both sides reached the semi-final last year and standardwise, there appears to be very little between them, so by all accounts this will be a close and exciting contest and the right kind of match to round off a very busy week-end of activity.

## JUNIOR GAMES

The pick of these will be the meeting of Clashmore and Ballinameela in hurling at Cappoquin on Sunday, but with Clashmore having

won a good game against Geraldines and Ballinameela having lost a couple of players over last week-end, the clear indications are that Clashmore will take the points.

# Knockanore/ Shamrocks Celebrate

When the Knockanore junior football team returned home after winning the 1940 junior football county final, some of their players went back to work, many of them went to evening devotions and some just went home and about their normal business. There was a war on, there was rationing and anyway, celebrating on the modern style was not the in-thing in those years.

This was the story told by some of the surviving members of that famous team when they assembled at the Shamrock Inn to be royally feted and suitably honoured by the present members of the club, now named Shamrocks, on Sunday night last.

The celebrations began with a very impressive church service conducted by Very Rev. Fr. James Mulcahy, P.P., and assisted by Rev. Fr. Magnier, C.C. and at which a very large congregation attended. Taking part in the service also were club chairman, Declan Ahearne who did the readings and team captains Mick Neville and Mick Roche who read the bidding prayers.

In his homily, Fr. Mulcahy spoke about the great bond of friendship between the church and the local club. Prayers were offered for the deceased members of the team — Paddy Barry, John Kelly, John Moloney, Jim Murray, Pats Neville and Tom O'Donoghue.

At the delightful function held at the Shamrock Inn, the surviving members, John O'Donoghue (capt.), Jack Baldwin, Mick Cunningham, Pats Kelly, Tom Dan Moloney, Jack Neville, Willie Revins, Michael John O'Neill and Tom O'Neill, were the honoured guests as well as a relative of each of the deceased. All were presented with a personally inscribed silver tankard as a memento of the occasion and as a mark of appreciation by the club.

As might be expected on such a wonderful occasion, many speeches were made about the 1940 campaign

and all that went into winning their first title. Among the speakers were Declan Ahearne (chairman), who, having paid tribute to the members, both living and deceased, thanked everyone who had helped to make it a great occasion. He especially thanked the members of the Ladies Committee who had worked so hard preparing the wonderful meal which had been served on the night to a very big number of guests and for having made confectionery and sandwiches for the couple of hundred supporters who had come to enjoy the evening and to honour the men of 1940. He thanked the club secretary Ann O'Keeffe, treasurer John Baldwin and the proprietors of the Shamrock Inn for their great co-operation to the club at all times.

Other speakers included Nioclás Mac Craith who was a fifteen year old player with the Brickeys in the Western final that year and whose contribution was certainly a feature of the occasion, Very Rev. Fr. Mulcahy, Dan Savage and Seamus O'Brien. Michael Neville replied to the many speeches on behalf of the team and thanked the club and all who had come to honour them.

On the social side of the evening there were many fine contributions and this end of the celebrations was professionally and admirably handled by former club and county chairman James Tobin who was the life and soul of the party that will remain a night to remember in Knockanore for a long, long time.

## Western Board Meeting

A full meeting of the Western Board is scheduled for this Thursday evening at Dungarvan. Referees' reports, fixtures and some other important matters are listed for discussion. It is important that all clubs are represented.

## Called Off

Due to the fact that the junior team to play Clare on Sunday, will include players from senior and intermediate hurling clubs, a number of championship matches have had to be cancelled. They include the following which were scheduled for the coming week-end: S.H.C. Mount Sion v. Dungarvan; Lismore v. Clonea; Passage v. Fourmilewater; I.H.C. Colligan v. St. Mary's and Erin's Own v. St. Saviours.

These will be refixed when venues and dates become available. Should we win in Listowel, further cancellations will be necessary in the football championships on the following weekend.

## Cancellations

Dungarvan senior football team received a walk-over from Sliabh gCua in their scheduled senior league (Phelan cup) game last week. The Cappoquin v. Stradbally junior hurling tie which was due to be played on Friday evening at Abbeyside was called off when Cappoquin invoked the bye-law which gave them the right to wait until after Stradbally had played their first round intermediate game.

## Club History Publications

On Thursday night of next week, Ballyduff Upper Club who played in the first ever official Waterford football championship and who have graced the playing fields of the county in all grades and in both codes in the century or so in between, will become the tenth club in the county to publish their history in a launch ceremony at the Grand Hotel, Fermoy on Thursday night of next week. The association president, John Dowling will attend.

For the record the following clubs have all produced histories in the past 10/15 years — Dunhill, Kilrossanty, Lismore, Abbeyside, Fourmilewater, Rathgormack, De La Salle, Ballygunner, Ballysaggart. Two or three others are in the process of doing the same thing.

## Junior Footballers Travel To Listowel

The replay of the Munster junior football first round between Clare and Waterford is fixed for Listowel and will be played as a curtain-raiser to the McGrath Cup final between Limerick and Clare.

We were due to travel to a Clare venue, but as they will play Kerry in the Munster semi-final in Listowel on next Sunday week, they chose to play the McGrath Cup final there and the Munster Council put the two on together.

Those who saw the game in Dungarvan, will agree that there should have been no question of having to travel anywhere to play the junior match. It was a game we looked to have well and truly won when it was snatched from our grasp in added on time.

The new venue will hardly be an advantage to our opponents here, but they will have far greater support than we will and a whole lot more than they had in Fraher Field.

We were a far better side in the drawn match and might have the beatings of them this time if we can keep up the tempo of our game for the full hour. The panel have had a training session since and were due to play Wexford in a challenge on last evening (Tuesday). The team has not been named at the time of writing, and again this is a pity. It will probably be selected after the Wexford match and it is unlikely to show many changes from the original side.

## Ring Community Are £4,000 Prizewinners

The vibrant and well-integrated Co. Waterford Gaeltacht Community of Ring scooped a first prize of £4,000 in Udaras na Gaeltacht's "Pobal Beo" Community Education and Development Programme. They won out in the 500 to 1,500 population category. Presenting the cheque and award to the Community Council on last Friday night, May 11, in Halla Pobail na Rinne, Udaras Chairman, Donncha O Gallchobhair praised the people of Ring for their dedication to the language and their sterling voluntary work which helped to create local enterprise and industry. He congratulated the Community on the expansion to the Community Centre which has provided first-class facilities for badminton, indoor football and snooker. The Community Centre is a pivotal point for Community life in the parish, he said.

The vitality of the Ring Gaeltacht — despite its size and isolation from other Gaeltacht areas — impressed the Udaras "Pobal Beo" adjudicators. They were particularly struck by An Rinn's consistent efforts to conduct their business through Irish with all state and semi-state institutions, by the level of spoken Irish in the parish and by the fact that religious and other adult classes were held through Irish. A thriving local enterprise — Meitheal Mara na Rinne — a fish auction centre on Helvick Pier was successfully developed by the Community Council, for the benefit of local fishermen and to maximise fish prices for landings at Helvick. The community has also taken an active interest in Mariculture and there are pilot oyster beds in Dungarvan

Bay, for a trial period.

### SIXTH PRIZE

Accepting the award Seamus Mac Craith, Chairman of the Community Council said this was the sixth such prize won in the competition. He said that all the money won was put towards funding the charges on the Community Centre which was provided for them in the first instance by An tUdaras to whom they were most thankful.

Brendan Mac Gearailt member of Udaras also addressed those present and Tomas O Ceilleachair, Runai Comhairle Pobail na Rinne was M.C.

The Sagart Paroiste, Very Rev. Fr. C. O Dalaigh, Deputies Austin Deasy and Brian O'Shea, County Councillors Paddy Kennally and Michael O'Riordan were present at the function.

## Local Success At R.D.S. Spring Show

Just about 3 years ago Eamonn and Patricia Lonergan, who farm at Ballyneety, Knockanore, ventured into the highly competitive farmhouse cheese market. It was a brave effort given the number of established names enjoying a high profile in this field. They decided on producing a semi-soft cheese with a wax finish and it has proven a resounding success with regular supplies of 'Knockanore' (how could they call it anything else) penetrating the Irish market and capturing an important segment of the London market with Anthony Rowcliff & Son, the delicatessen importer, taking regular consignments from Eamonn and Patricia.

Anthony Rowcliff & Son are main U.K. cheese distributors so more British palates than Londoners will be titillated ere long.

Not content to rest on their laurels the Lonergans constantly strive to diversify and were really thrilled last week when their new cheese was adjudged first of its class at the Spring Show. Despite the keenest competition this cheese with a natural rind topped the lot and seems set to better the success of the

more-established earlier brand.

It is nice to see enterprise get its reward. Only those in farming know how important alternative farm enterprises are nowadays. With their progressive and innovative approach Eamonn and Patricia will make further headlines in the years to come, no doubt and put Knockanore and Co. Waterford on the shelves and on the lips of people from Lismore to London, from Tallow to the Thames.
