Shandon Sewer .- Mr. Bowen reported-The sewer laid from Shandon along the Marsh a few years ago was provided with a flushing tank near Messrs. Power's Brewery. The connection of the water supply to this tank was a temporary one taken from Messrs. Power's premises.
Messrs. Power's found this connection inconvenient, and had it disconnected. Some promise was made that put in but this was not done. It was now a matter of urgency to have this ushing tank in operation and for that purpose it is essential to have a new 1" lead connection put in from the Kiladangan main west of the Brewery. The distance is some 60 yards. He asked the Council's approval to have this done at once.

It was decided to have the work Timber On Quay.—A long letter Cycle Race from Clonmel to Bally- from the B.S. reporting the covering of water hydrants and mooring posts on the Quay by timber was read. The Chairman said the covering of water, Newcastle, The Nire, and Touraneena.
