PREFACE

The *Listing of Caribbean Titles, 2008* is the third issue in this series released by the Regional ISBN Agency. This edition which provides information on over **549** titles which were assigned ISBNs in 2008, is based largely on data submitted by the National ISBN Agencies located in the Bahamas, Barbados, Belize, Jamaica and Trinidad and Tobago. Information received by the Regional Agency directly from other publishers in the OECS and other territories in the Caribbean is also included. This product which is also available on CD provides contact information on approximately 332 publishers who were allocated ISBNs during the period.

The information in the Listing can be accessed under Title, Author and Publisher. For more information on the publishers registered with the Caribbean Regional Agency between 1983 and 2009, the *Directory of Caribbean Publishers*, 8th edition is an excellent related resource.

The *Listing of Caribbean Titles, 2009* is currently in preparation. The Regional ISBN Agency wishes to encourage National Agencies and publishers to forward all outstanding data to facilitate the publication of this forthcoming issue.

The Regional ISBN Agency acknowledges with appreciation, the invaluable assistance of Sandra Barker and Cecily Crum-Ewing in the production of this listing.
