**Features**

**PROJECTOR**

**Widescreen Viewing**

Ideal for use in a meeting room or classroom, the small and stylish W301 has a bright 3000L which allows you to project bright, crystal clear widescreen images in ambient light. Installed or on the move with the included carry bag the versatile W301 incorporates HDMI, built in speaker and Full 3D technology.

Using the latest DLP® and BrilliantColor™ technology the W301 produces a 15,000:1 contrast allowing you to present picture presentations and videos with superb colours. An incredible lamp life of up to 6500 hours combined with Eco+ technology provides energy and money saving features for hassle-free, long lasting projection.

**BRIGHT, CLEAR, FOCUSED IMAGES**

Bright 3000 ANSI Lumens, Perfect for projecting in lights on environments. And with DarkChip3™ technology from Texas Instruments combined with Eco+ technology produces a stunning 15,000:1 contrast ratio for pin sharp graphics and crystal clear text. Crisper whites, ultra-rich blacks make images come alive and text easier to read - ideal for business and education presentations.

**AUDIO PERFORMANCE**

Built-in 2W speaker offers excellent audio support. The W301 is easy to set up without the need for costly external speakers

**FUTURE PROOF TECHNOLOGY**

Using the inherent speed of DLP technology, The Optoma W301. Full 3D projector can display true 3D content from any 3D display device, such as 3D Blu-ray, PS3, Xbox and Sky3D.

**RAPID OFF**

It takes less than 10 seconds for the projector to power up and shutdown, saving both time and energy.

**QUICK RESUME**

Save time by not waiting for the projector to cool down before it can power up again. If the projector is accidentally turned off, this feature allows the projector to be instantly powered on again, if selected within a period of 100 seconds.

**AMAZING COLOURS**

The W301 incorporates BrilliantColor™ technology to produce stunningly bright images with perfectly balanced life-like colours.

**WIRELESS PRESENTING (OPTIONAL EXTRA)**

Making presentations couldn't be easier using the optional wireless features of the W031. Using the Wireless Adapter you can connect and display presentations and video material wirelessly from a laptop, PC or mobile device. (Additional power required)

**ACCESSORIES INCLUDED**
