Product overview

Xperia™ X10 mini pro – Tell everyone

Know who's with who? Got tickets to tonight's gig? Spread the word. Use Xperia™ X10 mini pro. Compact and clever, and with a full slide-out keyboard, it makes life on the move faster, easier, more responsive. Messaging should be instant, right?

Your home screen – just like home

Where's best for you? Email top right? Music player bottom left? You decide. Put your favourites in thumb's reach. Use the unique touchscreen interface to drag 'n drop the icons into the corners of your home screen. Messages. Calls. Web. Music. YouTube™. Your favourite apps from Android Market™ or the PlayNow™ service. What you want, where you want.

One way to everyone

Who's up? Who's around? And who's on the way out? Check out with Timescape™. It shows you everything, from Facebook™ and Twitter™ to messages and calls. One simple app to keep tabs on all your friends. Up front on your home screen. With the latest event at the top.

From here to infinity

Press the infinite button in the music player and get more. Much more. Favourite stars, mindful music, soulful videos. And the latest laughs from YouTube™. Be a personal trainer. Or download tools for work. Direct from Android Market™. Or why not track down that missing track from the PlayNow™ service?

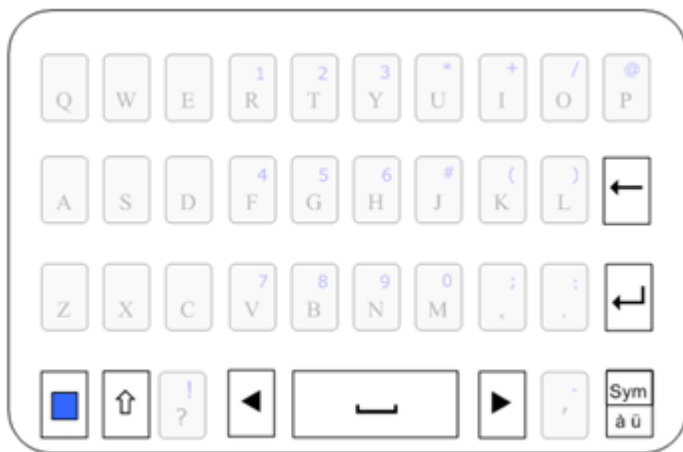

Xperia™ X10 mini pro keyboard

Fast and hassle free messaging. The QWERTY keyboard makes your fingers fly as your friends reply. And with the function keys to match, you're definitely on top of things.

Keyboard function keys

- **Backspace key**
- **Enter key**
- **Mode toggle key**: Switch between typing modes (number keypad or associated characters)
- **Shift key**
- **Arrow keys**: Move cursor left/right
- **Space key**
- **Sym/àü key**: Symbols, smileys and character variants (variants accessed through multitap)

Facts – dimensions, weight, performance and networks

U20a	UMTS HSPA 850 (Band V), 1900 (Band II), 2100 (Band I) GSM GPRS/EDGE 850, 900, 1800, 1900
Data transfer speeds	
GSM GPRS	Up to 85.6 kbps
GSM EDGE	Up to 236.8 kbps
UMTS HSPA (upload)	Up to 2.0 Mbps (uplink, Cat 5)
UMTS HSPA (download)	Up to 7.3 Mbps (downlink, Cat 8)

Talk time (GSM)	4 hours *
Standby time (GSM)	300 hours *
Talk time (UMTS)	3 hours 30 min *
Standby time (UMTS)	360 hours *
Music listening time	17 hours 30 min *
Video playback time	10 hours *
Battery	970 mAh

* According to GSM Association Battery Life Measurement Technique.

Note: Battery performance may vary depending on network conditions and configuration, and phone usage.

Application overview list

Sony Ericsson signature applications

Sony Ericsson Timescape™
Sony Ericsson Home application
Sony Ericsson Music player
Sony Ericsson Album application
Sony Ericsson FM radio

Sony Ericsson services

PlayNow™**
TrackID™
Sony Ericsson Sync

Google services

Android Market™*
Google Mail™
Google Calendar™
Google Maps™ with Street View
Google Media Uploader
Google Phone-top Search
Google Search widget
Google Talk™
Google Voice™ Search**
YouTube™
Google Latitude™

Games

California Gold Rush
Peggle
Rollercoaster Revolution 99 Tracks

Other applications

Facebook™
Wisepilot™ turn-by-turn navigation (free trial version)**
Exchange ActiveSync® support with Dataviz™ RoadSync™
Back-up and Restore

** Applications in the Android Market™ varies widely in size, from less than 100 KB for small utilities to 3-4 MB for full games, music player applications, or other major offerings. The average size, if a representative selection of useful and fun applications are selected, is about 1 MB. This mean that on average, more than 100 applications can be downloaded and used without problems. With the ready availability of Android Market™ in the phone, it is also very easy to delete and later reinstall infrequently used applications.*

*** The service is not available in all markets.*

Full feature list

1. Signature features

Sony Ericsson Timescape™

The place to meet your friends

The Timescape™ application manages all your communication with one person in one place. Browse through your conversations the bright way to check out your Facebook™, Twitter™, and texts. Now they're all kept together so you don't have to open loads of different applications to see what's going on.

Infinite button

Everything you want – from everywhere

Find out all about your friends in a flash. Press the infinite button in the phone book and smart filter everything that's going on with each person. In the Sony Ericsson Music player, the infinite button lets you explore more information about your favourite celebrities and artists.

Sony Ericsson Sync

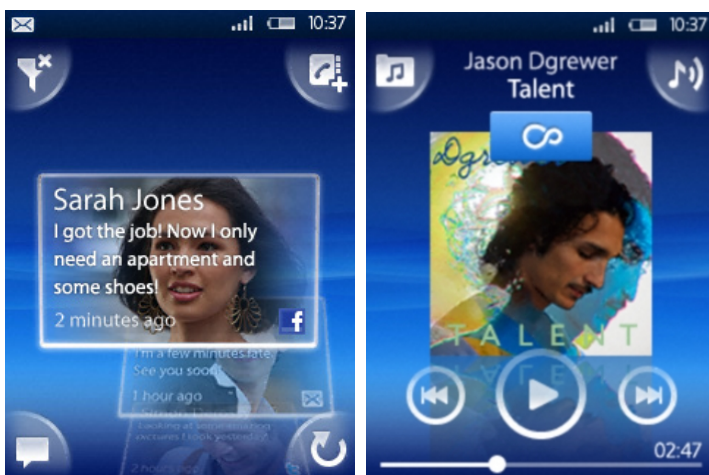

Make your mobile life available on the web

Synchronise your phone data with Sony Ericsson Sync. Match your phone contacts with your contacts on Facebook™. All your synchronised phone data is right at your fingertips – in your account on www.sonyericsson.com.

Sony Ericsson Home

Your home screen – just like home

Where's best for you? Email top right? Music player bottom left? You decide. Put your favourites in thumb's reach. Use the unique touchscreen interface to drag 'n drop the icons into the corners of your home screen. Messages. Calls. Web. Music. YouTube™. Your favourite apps from Android Market™ or the PlayNow™ service*. What you want, where you want.

*The service is not available in all markets.

Technologies in detail

***NOTE:** The information outlined below is general and levels of compliance to standards and specifications may vary between products and markets. For more information, contact Sony Ericsson Developer World or your Sony Ericsson contact person where applicable.

Device-to-device communications (local)

Bluetooth wireless technology

Bluetooth™ profiles supported	Advanced Audio Distribution Profile Audio/Video Control Transport Protocol Audio/Video Distribution Transport Protocol Audio/Video Remote Control Profile Generic Access Profile Generic Audio/Video Distribution Profile Handsfree Profile Headset Profile Object Push Profile Phone Book Access Profile Serial Port Profile Service Discovery Application Profile
Core version and supported core features	v2.0+EDR
Connectable devices	All products supporting at least Bluetooth spec. 1.2 and at least one of the profiles above

More information:

www.sonyericsson.com/developer

www.bluetooth.com

Wi-Fi™

Wi-Fi™ is a popular wireless networking technology that uses radio waves to provide wireless high-speed Internet and network connections. Wi-Fi hotspots exist in an increasing number of locations, for example, airports, hotels, cafés and bistros. Mobile phones that support Wi-Fi can facilitate high data transfer rates and lower calling costs.

Supported standards	Wi-Fi™ certified. When applicable, 802.11g is prioritized over 802.11b.
Connectable devices	Wi-Fi™ access points
Frequency band	2.4 GHz
Data transmission rate	54 Mbps
Security	Open Open WEP Shared WEP WPA Personal and WPA2 Personal
Encryption	TKIP and AES
Power save	WMM-UAPSD QoS, WMM

Messaging

MMS (Multimedia Messaging Service)

MMS 1.0 is supported.

Email
