

APhA Foundation Annual Contributors' Breakfast Program

Monday, March 31, 2014

Orange County Convention Center
Orlando, Florida

Visit our website

www.aphafoundation.org

Improving
people's health
through pharmacists'
patient care
services

Thank you for joining us as we celebrate you, our donors,
who value the work we are doing here at the APhA Foundation.

Each year, we work to build upon the traditional areas
of recognition to show our appreciation for all those
who contribute to our success.

All documentation is dependent upon historical information in
our database. We are eager to “get it right” so please let us know
if you feel there may be an error in our information.

We're honored by your dedication to our mission and our goal is
to accurately reflect the giving history of each our donors.

2014 Jacob W. Miller Award

About the Jacob W. Miller Award

The Jacob W. Miller Award is named for the APhA and APhA Foundation Former President Jake Miller in honor of his leadership and dedicated service to the APhA Foundation. This award recognizes an individual who, like President Miller, has advanced the mission of the APhA Foundation through any or all of the following: active involvement in the programs of the APhA Foundation; exemplary support in helping establish and/or maintain the APhA Foundation initiatives; and outstanding leadership in carrying out the mission of the APhA Foundation. The Jacob W. Miller Award was established through a founding grant from Wyeth, now Pfizer.

William Ellis, BSPHarm, MS

William Ellis currently serves as Executive Director for the Board of Pharmacy Specialties (BPS). Ellis is also Chair of the Council on Credentialing in Pharmacy and Chair of the Board of Visitors for the Philadelphia College of Pharmacy. He has served as the Executive Vice President of the Pennsylvania Society of Health-System Pharmacists and was Executive Director of the APhA Foundation from 1997-2010.

Involvement in the Programs of the APhA Foundation

- Developed and directed robust Foundation research initiatives, projects, and programs that have been featured by national health care coalitions, such as the Partnership to Fight Chronic Disease and Better Health Care by Design.
- Launched the Project IMPACT series which has produced essential data supporting the expanded role of the pharmacist.
- Introduced HealthMapRx, a voluntary health benefit for self-insured employers, proven to reduce health care costs and improve health outcomes for employees and dependents with diabetes.
- Established the Pinnacle Awards to recognize individuals and groups that demonstrate excellence in improving the medication use process.

PhilanthroSpheRxe

A world of giving to improve health through pharmacy.

PhilanthroSpheRxe is pharmacy's philanthropy, a world of giving to improve healthcare, through the generosity of the pharmacy community. PhilanthroSpheRxe supporters invest in the future of pharmacists and their essential role in the healthcare system.

The APhA Foundation's work influences...

- People, by improving their health;
- The profession of pharmacy, by creating evidence and innovative, sustainable, and scalable practice models;
- Pharmacists, through recognizing leadership and proving resources; and
- The healthcare system, by demonstrating how the pharmacist, when an essential member of the healthcare team, improves health and lowers costs.

Gifts to PhilanthroSpheRxe help us expand our "sphere of influence" as we work to help more patients through APhA Foundation programs.

2013 PhilanthroSphere Donors

Names in bold type are Annual Fund donors who give on a monthly or quarterly basis.

Lindsay Watson, PharmD
DIRECTOR OF APPLIED INNOVATION

Legacy Giving

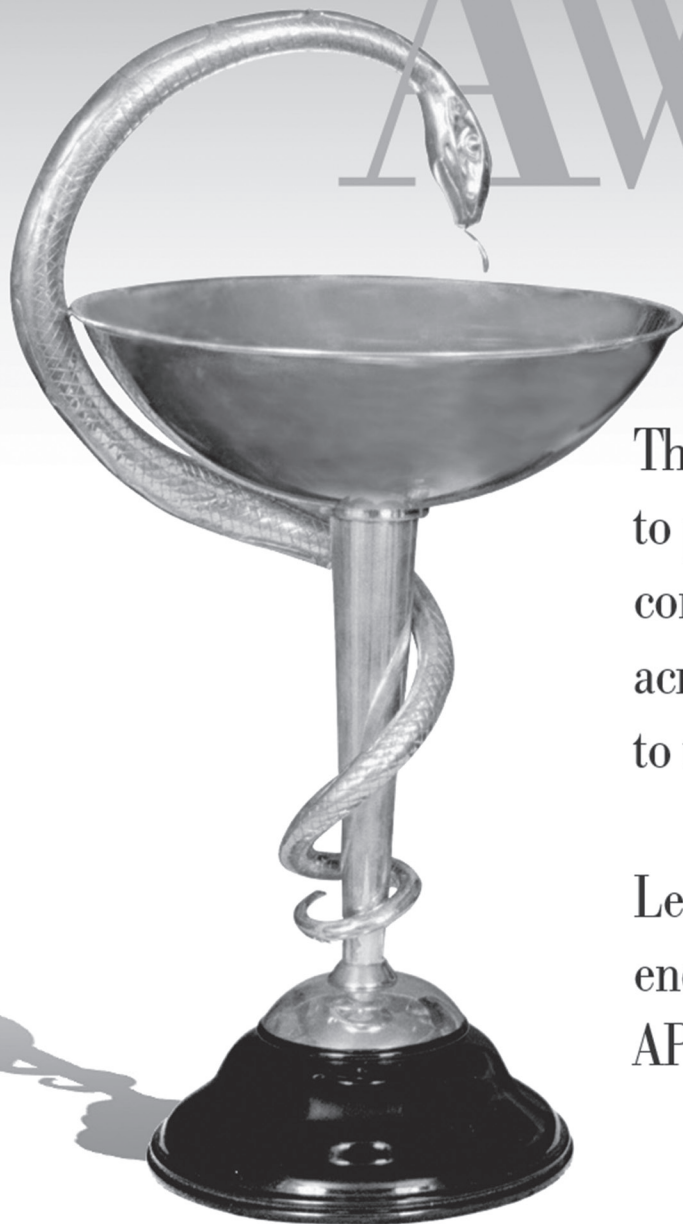

For more than 60 years, the APhA Foundation has been providing quality programs in pharmacy practice research and recognition. Our mission of improving people's health through pharmacists' patient care services is driving our research agenda in patient-focused pharmacy practice models that allow pharmacists to practice at the top of the licenses.

If you are thinking about the legacy you would like to leave to the profession of pharmacy, please consider a bequest to the APhA Foundation. We are here to help you prepare a tailored plan that carries out your personal wishes and makes an impact on the profession of pharmacy and the lives of patients in a way that will make you proud.

An estate gift is much more than a financial decision; it's a personal statement about who you are, what you care about, and what your legacy will be. Your estate gift to the APhA Foundation will help maintain our innovative research programs, sustain the student incentive grant program and allow for innovation in pharmacy-based patient health initiatives, all while establishing your own professional pharmacy legacy. Learn more at [APhAFoundation.org/giftplanning](https://aphafoundation.org/giftplanning) or contact Lynette Sappe-Watkins at 202-429-7534 or lsappe-watkins@aphanet.org.

BOWL OF HYGEIA

AWARD

The APhA Foundation is proud to partner with NASPA and APhA to continue recognition of pharmacists across the nation for outstanding service to their communities.

Learn more about our efforts to endow the Bowl of Hygeia at APhAFoundation.org/Bowl-Hygeia-Award.

Boehringer Ingelheim is proud to be the Premier Supporter of the Bowl of Hygeia program.

American Pharmacists Association®
Improving medication use. Advancing patient care.
