Meeting Minutes October 13, 2011

1. **Oldcastle Precast, Inc. Plant Tour - Randy Wahlen**: Randy took the WCSWC on a tour of the precast plant. We looked at the manufacturing of manhole, pipe and box culverts. Also the strength testing of materials. Oldcastle provided lunch. It was a very informative presentation of concrete products

Regular Meeting

1. **Welcome and Introductions.**: Sign in sheet was passed around. Need to make sure the coalition has all the email addresses.
2. **Roster and Sign in:** (If you are not on the current contact list please put your e-mail address on the roster sheet).
3. **Approval of minutes for July 14, and September 8, 2011:** July Tabled :Motion to approve September Minutes Trent Meyerhoffer, seconded George Burbidge, all approved
4. **Discussion on recent APWA Fall Conference and Storm Water Expo:** Paul Taylor reported on the conference. One big issue will be the storage of runoff and what will be permitted to runoff new sites. There will be new federal regulations that we need to pay close attention to.
5. **USWAC meeting and information.** There was discussion by the State that they are going to focus on late reports or entities that did not submit a report. They also emphasized that all cities will be audited. Again they will be focusing on Cities that have not submitted reports.
6. **RSI re-certification.** Renewal date for 2009 is approaching.
7. **Other:**
 - **Model Ordinance discussion** Discussion was made to emphasize that a model ordinance be done in 2012.
 - Remember the Flood Plain Conference Nov 8-10, 2011, St. George
8. **Adjourn:** Moved to adjourn. All agreed by leaving.
