your partner for success

COMPOTECH was founded in 1999, entering the CAR AUDIO market.

The HEAD OFFICE in Brusaporto (BG) extends over a surface area of 1,300 m², employing ten highly qualified collaborators.

COMPOTECH manufactures standard and personalised products for specific usage requested by its various customers. Products include:

WIRING,
ELECTRONIC CIRCUITS,
ANTENNAS,
SPEAKERS,
ADAPTERS for installing CAR RADIOS
and NAVIGATION DOUBLE DIN FITTING KITS.

OUTSOURCERS that are managed and controlled by its business centre. They create prototypes and tools as well as moulded and co-moulded plastic materials, cutting and assembly of products that have been studied and developed by its technicians.

COMPOTECH is certified by Dasa-Rägister SpA in accordance with EN ISO 9001:2015, and is recognized as a pioneer for EUROPEAN LEVEL competence, technical and commercial reliability.

...un gruppo di amici cresciuti nell'ambito del car audio ed accomunati da quella stessa passione, con il passare degli anni ha maturato una tale esperienza e professionalità che unite alla serietà e capacità di ognuno, hanno reso la società Compotech S.r.l. modello di serietà, competenza e affidabilità che la pongono a sicuro riferimento di tutti gli operatori economici del settore.

Compotech S.r.l. è sempre molto attenta alle necessità del mercato, tanto da sviluppare e realizzare in proprio ed autonomamente tutti i nuovi prodotti, offrendo un costante flusso di novità al mondo commerciale dei propri Clienti con rapidità e garanzia.

Inoltre, la struttura dinamica delle giacenze di magazzino unita alla gestione snella ed elastica degli ordinativi, consentono di soddisfare in tempi molto brevi qualsiasi richiesta, anche quelle dell'ultima ora.

Il presente catalogo non vuole essere solamente un momento di incontro tra specialisti del car audio, ma si propone soprattutto di rendere più semplici ed agevoli i rapporti commerciali con la nostra Clientela.

...a group of friends who've grown up together in the fascinating world of car audio and who share the same passion. Over the years they've built up their expertise and professional know-how. Add to this their serious approach to business and individual skills and it's easy to see why Compotech S.r.l. is a model business when it comes to professionalism, competence and reliability, thus setting the standards for all those in this industry.

Compotech S.r.l. has always paid a lot of attention to the changing market needs, developing and producing all its own new products and offering a constant flow of innovative products for its clients, quickly and always with the Compotech guarantee.

Moreover, the dynamic structure of the company's stocks and its streamlined flexible processing of orders mean that all requests can be met extremely rapidly, even "just-in-time" orders.

This catalogue doesn't just set out to bring car audio specialists together, but also (and especially) wants to render our dealings with our clientele that much simpler and easier.
