

Induction hob survey — Prices valid at April 1st 2010

NO.	Picture	Brand	Model	Unit Price	Size	Features	Remark
1		Bosch	PIE651T14E	£619.00	60cm Induction Hob in Framless Facetted on 3 sides	4 induction zone hob with black ceramic glass base Machine finished facetted front and sides Electronic front touch controls Main on/off control Electronic power level display Boost setting for all zones Automatic pan recognition Timer with automatic shut-off for all zones Anti-overflow protection Small utensil detection 2 stage Hh residual heat indicator for each zone Variable 17-stage power settings for each zone Automatic safety switch-off Safety lock	

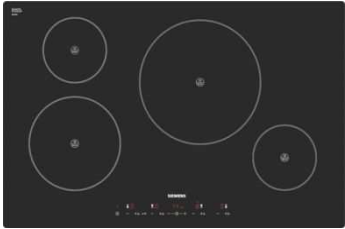

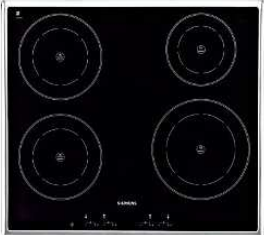

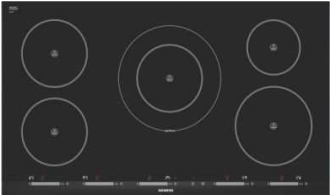

2		Bosch	PIE975N14E	£909.00	90x35cm Induction Hob in Brushed Steel	<p>4 induction zone hob with black ceramic glass base and brushed steel trim</p> <p>Electronic front touch controls</p> <p>Main on/off control</p> <p>Electronic power level display</p> <p>Boost setting for all zones</p> <p>Automatic pan recognition</p> <p>Timer with automatic shut off for all zones</p> <p>Anti overflow protection</p> <p>Small utensil detection</p> <p>2 stage Hh residual heat indicator for each zone</p> <p>Variable 17-stage power settings for each zone</p> <p>DirectSelect function</p> <p>Freeze function</p> <p>Automatic safety switch-off</p> <p>Safety lock</p>	
3		Bosch	PIL845T14E	£829.00	Brushed Steel 80cm	<p>4 induction zone hob with black ceramic glass base and brushed steel trim</p> <p>28cm diameter zone</p> <p>Electronic front touch controls</p> <p>Electronic power level displayBoost setting for all zones</p> <p>Automatic pan recognition</p> <p>Timer with automatic shut off for all zones</p> <p>Anti-overflow protectionSmall utensil detection</p> <p>2 stage Hh residual heat indicator for each zone</p> <p>Variable 17-stage power settings for each zone</p> <p>Automatic safety switch-off</p> <p>Safety lock</p>	

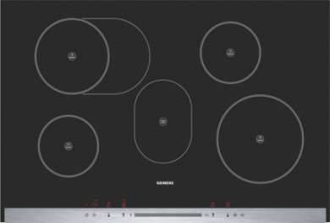

4		Neff	T43D20NO	£663.81	60cm Induction Hob trimmed with Stainless Steel	<p>60cm - 4 zone induction hob Electronic touch control 4 power boost zones LED display for each zone LED timer for each zone with switch off function and acoustic alarm 2 stage residual heat indicators Child safety lock Safety cut out facility Control panel suspension Automatic pan recognition</p> <p>Design Central electronic touch control operation Standard design full trim Only saucepans made of ferrous metal are suitable for use on this hob</p>	
5		Neff	T42D85XO	£849.11	80cm Induction Hob Frameless	<p>80cm - 4 zone induction hob Electronic touch control 4 power boost zones LED display for each zone LED timer for each zone with switch off function and acoustic alarm 2 stage residual heat indicators Child safety lock Safety cut out facility Control panel suspension Automatic pan recognition</p> <p>Design Central electronic touch control operation Standard design full trim Only saucepans made of ferrous metal are suitable for use on this hob</p>	

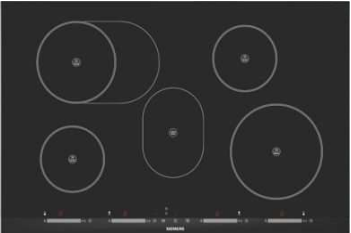

6		Neff	T43P90NO 90	£910.15	90 x 35cm Induction Hob with Stainless Steel Trim	same as above and include In-Line design	
7		Neff	T44M40NO	£860.01	60cm PIEZO Induction	60cm - 4 zone induction hob including 1 extendable zone Electronic control 4 power boost zones LED display for each zone LED timer for each zone with switch off function and acoustic signal 2 stage residual heat indicators Child safety lock Safety cut out facility Control panel suspension Automatic pan recognition Piezo pressure sensitive touch control for each zone within front panel Bevelled design trim	
8		Neff	T45D80XO	£958.11	80cm Flushline Induction Hob	including 1 extendable zone and 1 central warming zone (not induction) Flushline installation	

9		Hotpoint	ET7424	£789.00	70cm	Height: 48mm Width: 700mm Depth: 510mm	
10		Hotpoint	N321ix	£639.00	30cm Domino	W (cm) : 28.8 D (cm) : 51.0 Hob Type : Ceramic Max absorbed power (Watt) : 3700	
11	 	CDA	HVN80	£659.00	80cm	<p>Front left: 3.1kW / 210mm Front right: 3.1kW / 210mm Rear left: 2.8kW / 180mm Rear right: 2.8kW / 180mm</p> <p>Rated electrical power: 6.2kW Power supply required: 30 amps</p> <p>Fitting notes Ensure sufficient clearance when fitting induction hob over built under double ove</p>	
12		Hoover	HVi469B	£609.00	60cm		

13		Hoover	HVi740x	£919.00	75cm	<p>Width of Product 746 Depth of Product 499 Height of Product 55</p> <p>Weight (kg) (packed) 13 Weight (kg) (unpacked) 12</p>	
14		Stoves	S7-C600TCi	£769.00	60cm	<ul style="list-style-type: none"> • Work break function • Keep warm function • Booster function 	
15		Stoves	S7-C900TCi	£1,229.00	90cm	<p>Work break function Keep warm function (induction only) Booster function Flush fitting Griddle plate Extra large cooking zone</p>	
16		Stoves	S7-C900TCiWOK	£1,549.00	90cm	<p>Induction Hob with WOK recess 1 recessed wok plate Griddle plate</p>	

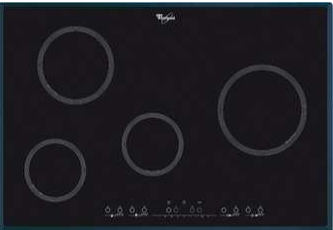

17		Siemens	EH811TL11E	£860	80cm	<p>792 mm Front controls Flush fitting design/installation 4 induction cooking zones Touch control Electronic power level display 17 power levels Main on/off switch Timer for all zones Two stage residual heat indicators Automatic safety switch off Safety lock Power boost setting Automatic pan recognition Should be installed in natural stone surfaces</p>	full 2 YEARS manufacturers guarantee
18		Siemens	EH775501E	£612.02	Built-In Induction Hob	<p>H60 x W575 x D505mm 17 temperature settings including 'keep warm' setting</p>	
19		Siemens	EH975SK11E	£1,185	90cm		

20		Siemens	EH885MB11E	£1074.58	80cm	<p>Front controls 4 induction cooking zones 1 dual/extendable zone 1 warming zone Electronic control Metal touchSlider operation Electronic power level display 17 power levels Main on/off switch Timer Two stage residual heat indicators Automatic safety switch off Safety lock Control panel pause Power boost setting Automatic pan recognition</p>	
21		Siemens	EH975ME11E	£900.00	90cm	touchSlider operation	

22		Siemens	EH875SB11E	£982.99	80cm	<p>Design trim (front facette with side trim)</p> <p>4 induction cooking zones</p> <p>1 dual/extendable zone</p> <p>1 warming zone</p> <p>Can be installed with a Siemens domino hob</p> <p>Electronic control</p> <p>touchSlider operation</p> <p>Electronic power level display</p> <p>17 power levels</p> <p>Main on/off switch</p> <p>Timer for all zones</p> <p>Two stage residual heat indicators</p> <p>Automatic safety switch off</p> <p>Safety lock</p> <p>Control panel pause</p> <p>Power boost setting</p> <p>Automatic pan recognition</p>	
23		Siemens	EH845TL11E	£850.99	80cm	<p>803 mm</p> <p>Front controls</p> <p>All around trim</p> <p>4 induction cooking zones</p> <p>Electronic control</p> <p>Touch control</p> <p>Electronic power level display</p> <p>17 power levels</p> <p>Main on/off switch</p> <p>Timer for all zones</p> <p>Two stage residual heat indicators</p> <p>Automatic safety switch off</p> <p>Safety lock</p> <p>Power boost setting</p> <p>Automatic pan recognition</p>	

24		Siemens	EH675ME31E	£1028.79	60cm	<p>602 mm Front controls Design trim (front facette with side trim) Can be installed with a Siemens domino hob 4 induction cooking zones 2 infra red sensor zones 2 frying sensor zones Electronic control Electronic power level display 17 power levels 5 infra red sensor power levels 4 frying sensor power levels Main on/off switch Timer for all zones Two stage residual heat indicators Automatic safety switch offSafety lock Control panel pause Power boost setting Automatic pan recognition</p>	
----	---	---------	------------	----------	------	---	--

25		AEG	78031KFN	£854.18	50 x 710 x 520mm (H x W x D)	<p>Full induction hob 4 section maxi-sense induction hob with 'flexible zones' cooking New 'Direktouch' controls Touch controls Automax function Stop & Go with keep warm setting Flexible size - minimum 120mm Flexible power - each section up to 3200W Powerful booster 15 stage digital power level displays Programmable timer per zone up to 99 minutes Child / user safety control lock Control lock Auto safety switch off Acoustic timer signal Residual heat indicators 11.8Kg Net Weight</p>	
----	---	-----	----------	---------	------------------------------	---	--

26		AEG	98030KFSN	£770.00	50 x 910 x 410mm	<p>Full induction hob 3 section maxi-sense induction hob with 'flexible zones' cooking New 'Direktouch' controls Touch controls Automax function Stop & Go with keep warm setting Flexible size - minimum 120mm Flexible power - each section up to 3200W Powerful booster 15 stage digital power level displays Programmable timer per zone up to 99 minutes Child / user safety control lock Control lock Auto safety switch off Acoustic timer signal Residual heat indicators 12.1Kg Net Weight</p>	
27		Whirlpool	ACM707BA	£733.40	52 x 770 x 510mm (H x W x D)	<p>Booster functionality Glass surface Electric induction Touch control operation All Zones with boost setting Residual heat indicators Automatic pan detection 4 Induction zones 9 Power Levels Child Lock</p>	

28		Smeg	SE2951ID1	£1028.00	90cm	<p>5 "full power" induction zones Rear left: 210/100mm, 2.8 kW - turbo 3.2 kW Front left: 160/100mm, 2.0 kW - turbo 2.2 kW Central: 290/100mm, 3.2 kW - turbo 3.6 kW Rear right: 210/100mm, 2.8 kW - turbo 3.2 kW Front right: 160/100mm, 2.0 kW - turbo 2.2 kW "Suprema" black ceramic glass 5 independent "Turbo" controls Individual timers for each zone(1-99 minutes) 15 power levels for each zone 29cm Giant multi zone Visual display to show power level/residual heat/countdown cooking time Automatic safety cut out Front control panel Nominal power: 10.8 kW 30 Amp power supply required</p>
29		Smeg	SE2931ID	£890.00	50 x 900 x 350mm (H x W x D)	<p>3 "full power" induction zones, including: Left: 260/170 mm, 2.4 kW - turbo 3.2 kW Centre: 180/120 mm, 1.8kW - turbo 2.5 kW Right: 210/100 mm, 2.2 kW - turbo 3.2kW "Suprema" black ceramic glass Visual display to show power level / residual heat Individual timers for each zone Front control panel Automatic safety cut-out</p>

30		Smeg	SE2842ID3	£836.00	52 x 770 x 510mm (H x W x D)	<p>4 "full power" induction zones Rear left: 90/145mm, 1.4 kW - turbo 1.8 kW Front left: 170/260mm, 2.4 kW - turbo 3.2 kW Rear right: 120/180mm, 1.85 kW - turbo 2.5 kW Front right: 120/180mm, 1.85 kW - turbo 2.5 kW "Suprema" black ceramic glass "Turbo" button Individual timers for each zone Visual display to show power level / residual heat / countdown cooking time Automatic safety cut out Front control panel Nominal power of 7.4 kW 30 Amp power supply required</p>	
31		Smeg	SE2631ID1	£561.00	64 x 600 x 510mm (H x W x D)	<p>3 "full power" induction zones, including: Rear left: ø 100/160 mm, 2 kW Front left: ø 210/100 mm, 3.1 kW Centre: ø 190/290 mm, 2.8 kW "Suprema" black ceramic glass Visual display to show power level/residual heat Timer for giant zone Front control panel Automatic safety cut-out Nominal power: 5.9 kW 30 Amp power supply required</p>	

32		Fisher & Paykal	CI905DTB1	£1010.50	900*530*50mm(w*d*h)	<p>3.7kW PowerBoost function GentleHeat Auto Heat Reduce SCHOTT CERAN® glass ceramic cooktops Pan detection system 1-9 heat settings PowerBoost on all cooking zones</p>	
33		Britannia	INE905	£1494.00	90cm	<p>9 power levels per zone Boost function on each zone Auto heat up for each zone Independent timers for each zone Keep warm function Residual heat indicators Pause function Child lock Automatic pan detection Auto-safety shut off Boil-dry protection Power outputs: Back left: 1400w (boost 1800w) Front left: 2300w (boost 3200w) Centre: 2400w (boost 3700w) Back right: 1850w (boost 2500w) Front right: 1850w (boost 2500w)</p>	
34		Control induction	CI-20T	£240.00	302*373mm	<p>Cooking ring:1@2.0kw Cut-out apertu(width x depth):275 x 345mm Overall height:76mm Temperature control:60 - 240C Power consumption:2000W Supply voltage:240V 50Hz Electrical connection:13 amp plug</p>	

35		Control induction	CI-31K	£178.00	690*420mm	<p>Cooking ring:1@1.3kw 1@1.8kw Cooking surface material:Vitro ceramic Cut-out apertu(width x depth): 670*400mm Overall height:65mm Power adjustment:500 - 1300 500 - 1800 Temperature control:60 - 240C Power consumption:3100W Timer:0-120 Supply voltage:240V 50Hz Electrical connection:13 amp plug</p>	
36		Control induction	CI-31T3	£284.00	290*510mm	<p>Cooking ring:1@1.3kw 1@1.8kw Cooking surface material:Vitro ceramic Cut-out apertu(width x depth): 270*490mm Overall height:84mm Power adjustment:1-8 Power consumption:3100W Timer:0-120 Supply voltage:240V 50Hz Electrical connection:13 amp plug</p>	

37		Control induction	CI-68B	£532.00	580*510m m	Cooking ring:2@1.6kw 2@1.8kw Cooking surface material:Vitre ceramic Cut-out apertu(width x depth): 560*490mm Overall height:84mm Power adjustment:1-8 Power consumption:6800W Timer:0-120 Supply voltage:240V 50Hz Electrical connection:2 x 2 core 1 x 1 core 2.5mm ² cable
