

WHAT DO
YOU HAVE
TO SAY?

HP Designjet T1100 MFP

A trusted choice for demanding professionals

Whether you're working with line drawings, maps, images, or posters, this HP multifunction printer helps you copy, scan, and print all your large-format documents quickly using one convenient, integrated device. And with HP Vivera inks, you get high-quality results every time.

Superior color and black-and-white copy, scan, and print results

- **Scan any document and see excellent results with 3 CCD camera scanning technology**—with up to 9600 dpi resolution and 0.1% line accuracy—achieve a high level of detail, matching your originals.
- **Copy anything from line drawings to complex maps or images.** See impressive color accuracy—including black and gray tones—over a range of applications.
- **Professional prints—HP Vivera inks with the Threeblack ink set produce a wide range of colors and fine detail.** With the addition of gray ink in the HP Threeblack ink set, you achieve more accurate color, dark blacks, and true neutral grays, so prints have smooth area fills, more depth, and more subtle contrasts.
- **Fast-drying, smudge-resistant prints—HP Vivera inks are designed together with a range of Original HP media.** HP Vivera inks achieve excellent dry times, producing prints with excellent smudge-resistance on over 20 Original HP media substrates.

Quickly and effectively performs three functions in one

- **This HP MFP scans, copies, and prints your projects quickly, so you're back to business in no time.** Create one A1 (D)-sized copy up to four times faster than with the HP Designjet 820 MFP¹—and realize even faster speeds when producing numerous high-quality copies of your original documents.
- **Print and scan quickly—fast processing speed makes short work of large files.** The HP Designjet T1100 MFP comes standard with an integrated, embedded operating system and a fast Intel® Pentium® IV processor. In addition, with this printer's in-printer processing architecture and 40 GB hard disk drive, files are processed in the printer rather than on your workstation so you can send a file reliably to the printer and get back to work quickly.
- **Advanced copy features simplify tasks and expand your options.** Skew is rarely a problem when you use the auto-alignment option to load and preview your original. Use the nesting option to save media, and make extra-large enlargements easily with the paneling option. You can also perform batch scanning with auto-naming and track your output by using the integrated accounting features.

- **Control printing functions easily and efficiently with the Job Center and the HP Embedded Web Server.** Control the progress and priorities of your print jobs without walking to the printer. With batch printing, instead of opening individual files and changing their settings, drag and drop your batch of files to the Job Center² for easy reprinting. And, if you're copying, don't worry about losing time; copy jobs have priority over print jobs.

Intuitive, effortless operation

- **Easy operation saves training time and costs.** Even untrained users can easily master operation and immediately copy, scan, and print large-format documents by using the graphical touchscreen display and intuitive software.
- **Assume greater control over your final output.** Fast preview advanced color and image quality adjustment options not only ensure you get the expected quality with your very first copy, but they help improve the quality of damaged or weathered originals with a background cleaning option.
- **Boost productivity with preconfigured drivers and network connectivity—including scan-to-network functionality.** This MFP is fully compatible. Easily print scanned documents directly to almost any HP Designjet printer.³ Built-in scan-to-network capabilities foster productivity with fewer steps. Easily save scanned files in PDF, TIFF, JPEG 2000, and DWF file formats.
- **Easily maintain and manage this printer and its supplies with HP Easy Printer Care.**

Convenient, integrated single-vendor solution

- **Convenient single-vendor solution—built together to work together.** Bi-directional capabilities between the printer and scanner provide built-in intelligence, enabling you to get basic printer-status information and access the printer queue.
- **Integrated multifunction solution saves valuable workspace with single footprint.**

(1) Using plain paper in best mode for a 36-in. color CAD original

(2) Files supported by HP-GL/2, CALS G4

(3) Fully compatible with HP Designjet 500, 800, 1000, 4000, 4500, 5000, 5500, T610, T1100, Z2100, Z3100, Z6100 series products

HP Designjet T1100 MFP

1. Scanning speed of 2-in (50.8 mm) per second for color and 6-in (152 mm) per second for mono originals (400 dpi Turbo)
2. Print A1 (D)-sized documents in up to 35 seconds per page
3. 15-in touchscreen graphical display for easy, intuitive operation
4. Fast preview enables greater control over final output
5. DVD/CD reader/writer to save files directly to disc
6. Built-in fast image processing for excellent copy and scan performance
7. Intuitive software provides easy-to-use scanning, copying, and network printing
8. The integrated product design saves workspace
9. Print output basket for high volume batch jobs
10. High scanning quality and speeds, excellent 3D scanning capability

vivera
HP INKS

- Accurate color
- Dark blacks
- True neutral grays
- Smooth area fills
- Subtle contrasts, from the most vivid color to the softest tones

Triple 4-linear CCDs camera scanning technology

- Superior scanning quality: Color CCD technology includes three digital cameras with four arrays with RGB filters that separate color components and panchromatic BW filter to ensure superior quality on grayscale
- High application versatility
- Better results with previously folded paper
- Lower maintenance costs: modular technology, many customer-replaceable parts
- Can reach high scanning speeds thanks to powerful illumination and processing capabilities
- More tolerant to dust

A trusted choice for demanding professionals

Printing

Achieve professional prints - a wide range of color and fine details

1. Uniform lines
2. Neutral grays and deep blacks
3. Accurate color
4. Crisp text

Copying

See impressive accuracy for any kind of original

Settings specially optimized for:

- CAD
- Map
- Brochure (line and text)
- Photo

Improved quality for damaged document thanks to the background cleaning feature

Scanning

Scan to many different locations

CD/DVD

Scanner hard drive

Network

Scan original up to 0.6-in thick

Scan to many industry standard formats

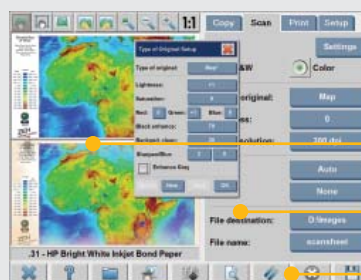

Intuitive Software

Touchscreen fast preview ensure greater control over final output

"The HP Designjet T1100 MFP not only scans and prints at amazing speeds, it includes a host of convenient job management features, like batch printing, queue management, scan to PDF and scan to network, that really save time and greatly simplify our workflow."

Peter Frode Vandrup - Printer Operator - Ramboll

HP Designjet T1100 MFP

Technical specifications

Print	
Print speed ¹	Line drawings: 35 sec D/A1 on plain media in Fast Economode, 52 D/A1 per hour on plain media in Fast mode; Color images: 445 f ² /hr (41 m ² /hr) on coated media in Fast mode, 30 f ² /hr (2.8 m ² /hr) on glossy media in Best mode
Print resolution maximum	2400 x 1200 optimized dpi
Margins	Roll: 0.2 x 0.2 x 0.2 x 0.2 in/5 x 5 x 5 mm (borderless on photo papers) Sheet: 0.2 x 0.67 x 0.2 x 0.2 in/5 x 16.75 x 5 x 5 mm
Technology	HP Thermal Inkjet
Print cartridge colors	Cyan, gray, magenta, matte black, photo black, yellow
Ink types	HP Vivera inks
Ink drop	6 pl (cyan, magenta, photo black, gray), 9 pl (yellow, matte black)
Ink cartridge size	69 ml (photo black, cyan, magenta, yellow, gray) 130 ml (matte black, photo black, cyan, magenta, yellow, gray)
Minimum line width	0.002 in/0.0423 mm
Line accuracy	+/- 0.1% ²
Scan	
Scan speed	Color (200 dpi/400 dpi Turbo): 2 in/sec (51 mm/sec) Black-and-white (200 dpi/400 dpi Turbo): 6 in/sec (152 mm/sec)
Scan/copy resolution	Enhanced mode: 9600 x 9600 dpi with variable resolution settings from 50 dpi in increments of 1 dpi Best mode: color and black-and-white: 300 x 300 dpi Normal mode: color and black-and-white: 200 x 200 dpi Draft mode: color and black-and-white: 150 x 150 dpi
Maximum scan width	42 in (1067 mm)
Maximum scan thickness	0.6 in (15 mm)
Line accuracy	+/- 0.3 % (Y axis), +/- 0.1% (X axis)
Copy	
Reduction/enlargement	1 to 10000%
Maximum copies	1000 copies
Copier settings	Type of original, image crop and align preview, lightness, saturation and RGB controls, sharpen/blur, mirror copy, enlarge/reduce, paneling, tiling, nesting, accounting, batch
Media handling	
	Printer: Roll feed, sheet feed, automatic cutter Scanner: Sheet feed
Media types	
	Printer: Bond and coated paper (bond, coated, heavyweight coated, super heavyweight coated, super heavyweight plus matte, colored), photographic paper (satin, gloss, semi-gloss, matte, high-gloss), technical paper (natural tracing, translucent bond, vellum), film (clear, matte, polyester), backlit, selfadhesive (two-view cling, indoor paper, polypropylene, vinyl) Scanner: Non-abrasive paper, vellum, mylar, sepia, blueprints, plastic film, plastic laminate, foam board, cardboard. (No plywood, stone plates, metal plates or abrasive, dirty, rough, sharp edged, metal clamped, burned surfaces, transparencies.)
Processing and memory	
	Printer: Intel® Centrino® mobile 600 MHz, 256 MB memory, 40 GB hard disk Scanner: Intel Pentium 4 2.8 GHz, 1 GB memory, 40 GB hard disk
Connectivity	
Interfaces (standard)	Printer: One 10/100/1000BT Ethernet RJ-45 port, one Hi-Speed USB 2.0 certified port, one EIO Jetdirect accessory slot; Scanner: One 10/100BT Ethernet RJ-45 port, one Hi-Speed USB 2.0 certified port, one FireWire®
Print languages	Adobe® PostScript® 3™, Adobe PDF 1.6, HP-GL2/RTL, CALS G4, TIFF, JPEG, HP PCL 3 GUI
Drivers (included)	HP-GL/2, HP-RTL Windows® drivers; PS Windows drivers; Optimized Windows driver for AutoCAD 2000 and higher; support for Citrix MetaFrame environments; PS driver for Mac OS X

(1) Mechanical printing time

(2) ±0.1% of the specified vector length or ±0.1 mm (whichever greater) at 23° C (73° F), 50-60% relative humidity, on E/A0 printing material in Best or Normal mode with HP Matte Film

Environmental ranges

Operating temperature	41 to 104° F/ 5 to 40° C
Recommended operating temperature	64 to 90° F/ 18 to 32° C
Storage temperature	-4 to 131° F/ -20 to 55° C
Operating humidity	20 to 80% RH

Acoustic

Sound pressure, active	55 dB(A)
Sound pressure, standby	42 dB(A)
Sound power, active	6.9 B(A)
Sound power, standby	5.8 B(A)

Power consumption

Maximum	330 watts
Powersave	44.4 watts
Off	1.69 watts
Power requirements	Input voltage (autoranging): 100 to 240 V ac (+/- 10%), 50/60 Hz (+/- 3 Hz), 2 amp max

Certification

Safety	Compliant with ITE requirements including USA and Canada (CSA certified), EU (LVD and EN60950-1 compliant), Russia (GOST), Singapore (PSB), China (CCC), Argentina (IRAM)
Electromagnetic	Compliance for Class A ITE products: EU (EMC Directive), USA (FCC Rules), Canada (DoC), Australia (ACA), New Zealand (MoC), China (CCC), Japan (VCCI); Certified as Class A product: Korea (MIC), Taiwan (BSMI)
Environmental	RoHS, WEEE

Warranty

	One-year, next-business-day, on-site warranty
