

"Reptiles" and "Amphibians" i.e. non-warm-blooded tetrapods

REPTILES

Testudines, Tortoises, turtles and terrapins, Tortues

Kinixys, Hinged tortoises, terrestrial

Pelusios, Hinged terrapins, aquatic

Cycloderma, Flat-shelled turtles, aquatic

Trionyx, Soft-shelled turtles, aquatic

Sauria, Lizards, Lézards

Gekkonidae, Geckos

Hemidactylus, e.g. H. mabouia, House gecko

Lygodactylus, Dwarf geckos

Cnemaspis, Forest geckos

Scincidae, Skinks, Scinques

Mabuya, e.g. M. maculilabris, Speckle-lipped skink

Lygosoma, e.g. L. (Mochlus) fernandi, Red-flanked skink

Panaspis, Snake-eyed skinks

Feylinia, e.g. F. currori, Western Forest limbless skink (no limbs, eyes or ears)

Lacertidae, Old World lizards

Holaspis, e.g. H. guentheri, Blue-tailed gliding lizard

Adolfus, Forest lizards

Gastropholis, Keel-bellied lizards

Gerrhosauridae, Plated lizards

Gerrhosaurus major, Great Plated lizard & G. nigrolineatus, Black-lined Plated lizard

Agamidae, Agamas, Margouillats

Agama, e.g. Agama agama, Red-headed rock agama

Chamaeleonidae, Chameleons, Chaméléons

Chamaeleo, e.g. C. dilepis, Flap-necked Chameleon

Rhampholeon, Pygmy chameleons

Varanidae, Monitor lizards, Varans

Varanus, e.g. V. ornatus, Forest monitor

Amphisbaenidae, Worm-lizards (no legs or external ears)

Crocodylia, Crocodiles

Crocodylus niloticus, Nile Crocodile

Crocodylus cataphractus, Slender-snouted crocodile

Osteolaemus tetraspis, Dwarf crocodile

Squamata, Snakes, Serpents

Typhlopidae, Blind snakes

Typhlops, e.g. T. angolensis, Angola blind snake

Pythonidae, Pythons

Python, e.g. *P. sebae*, Central African Rock python; *P. regius*, Royal python

Colubridae, Typical snakes

Lamprophis, e.g. *L. olivaceus*, Olive House snake

Lycophidion, e.g. *L. laterale*, Western Forest Wolf snake

Mehelya, e.g. *M. capensis*, Cape File snake; *M. poensis*, Forest File snake

Bothrophthalmus, Striped snake

Chamaelycus fasciatus, Ituri Banded snake

Hormonotus modestus, Yellow Forest snake

Gonionotophis brussauxi, Mocquard's Lesser File snake

Grayia, Water snakes

Meizodon, Crowned snakes

Philothamnus, e.g. *P. carinatus*, Thirteen-scaled Green snake; *P. heterolepidotus*, Slender Green snake; *P. heterodermus*, Forest Green snake; *P. nitidus*, Loveridge's Green snake

Hapsidophrys, e.g. *H. smaragdina*, Emerald snake; *H. lineata / lineatus*, Black-lined Green snake

Thrasops, Black Tree snakes

Rhamnophis, e.g. *R. aethiopissa*, Large-eyed Green Tree snake

Buhoma, e.g. *Buhoma depressiceps*, Pale-headed Forest snake

Boiga, e.g. *B. blandingii*, Blanding's Tree snake; *B. pulverulenta*, Powdered Tree snake

Crotaphopeltis, e.g. *C. hotamboeia*, White-lipped snake

Dipsadoboa, e.g. *D. viridis*, Laurent's Green Tree snake; *D. weileri*, Black-tailed Green Tree snake

Dispholidus typus, Boomslang

Thelotornis, e.g. *T. kirtlandii*, Forest Vine snake

Psammophis, Sand snake

Natriciteres, Marsh snake

Dasypeltis, e.g. *D. scabra*, Common Egg-eater; *D. fasciata*, Western Forest Egg-eater

Atractaspididae, African Burrowing snakes

Aparallactus, e.g. *A. modestus*, Western Forest Centipede-eater

Polemon, e.g. *P. collaris*, Fawn-headed snake-eater; *P. gabonensis*, Gabon snake-eater

Amblyodipsas, e.g. *A. unicolor*, Western Glossy snake

Atractapsis, Burrowing asps

Elapidae, Cobras and Mambas

Elapsoidea, Garter snakes

Boulengerina, e.g. *B. annulata*, Banded Water cobra

Naja, e.g. *Naja melanoleuca*, Forest cobra; *N. nigricollis*, Black-neck spitting cobra

Pseudohaje goldii, Gold's Tree cobra

Dendroaspis, e.g. *D. jamesoni*, Jameson's mamba

Viperidae, Vipers, Vipères

Causus, e.g. *C. lichtensteini*, Forest Night adder

Bitis, e.g. *B. arietans*, Puff adder; *B. gabonica*, Gaboon viper; *B. nasicornis*, Rhinoceros viper

Atheris, e.g. *Atheris squamiger(a)*, Green Bush viper
