Subject: Mail Meter Upgrades

It has come to DGS's attention that many agencies are in the process of upgrading their Mailing Meters to comply with the Phase III U.S. Postal Service Requirements in effect December 31st, 2006.

In many instances the CWOPA Staff are not reviewing their volume needs, resulting in the purchase of meters that are larger than needed or undersized.

PLEASE CONTACT DGS-BOP (KAREN RHINEHART) at 717-346-8177 should you require any guidance with volume bands in sizing your meter upgrades.

Sincerely
Nick Kaczmarek

The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum.

The final determination shall be issued within **120 days** of the receipt of the claim, unless extended by consent of the Contracting Officer and the Contractor. Nothing in this **Section 19, TAXES-FEDERAL, STATE, AND LOCAL**, is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

20. COMMONWEALTH HELD HARMLESS.

- (a) The Contractor shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all third party claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Addendum, provided the Commonwealth gives the Contractor prompt notice of any such claim of which it learns. Pursuant to the *Commonwealth Attorneys Act*, 71 P.S. § 732-101, *et seq.*, the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG, however, in its sole discretion and under such terms as it deems appropriate, may delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of the Contractor made in the defense of such suits.

- (b) Notwithstanding subsection (a) of this Section 20, **COMMONWEALTH HELD HARMLESS**, neither party shall enter into any settlement without the other party's written consent, which shall not be withheld unreasonably. No official or employee of the Commonwealth and no member of its General Assembly who exercises any functions or responsibilities under this Addendum shall participate in any decision relating to this Addendum which affects their personal interest or the interest of any corporation, partnership, or association in which they are, directly or indirectly, interested; nor shall any such official or employee of the Commonwealth or member of its General Assembly have any interest, direct or indirect, in this Addendum or the proceeds thereof.

23. INDEPENDENT CAPACITY OF CONTRACTOR.

The parties to this Addendum agree that the Services performed by the Contractor under the terms of this Addendum are performed as an independent contractor. The Services performed by the Contractor are performed neither as an employee of the Commonwealth nor as a partnership or joint venture between the Commonwealth and the Contractor.

Except as otherwise provided by the terms of this Addendum, the Commonwealth shall have no control over the manner in which the Contractor or any subcontractor performs the contractual Services. Any job specifications or standards of work attached to or incorporated into this Addendum or any subcontracting restrictions contained in this Contract shall not be construed as the Commonwealth's direction or control over the manner of the performance of Services provided by the Contractor.

24. CONTRACTOR RESPONSIBILITY PROGRAM.

- (a) The Contractor, for itself and all its subcontractors, certifies that as of the date of its execution of this Bid/Contract that neither the Contractor, nor any subcontractors, nor any suppliers are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid, a written explanation of why such certification cannot be made.
- (b) The Contractor also certifies that, as of the date of its execution of this Bid/Contract, it has no tax liabilities or other Commonwealth obligations.
- (c) The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within **15 days** of the date of suspension or debarment.
- (d) The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- (e) The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth, which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.

-------------	---	----

“Post-consumer” content is “material or finished product that has served its intended use and has been diverted or recovered from waste destined for disposal, having completed its life as a consumer item. Post-consumer content is part of the broader category of recovered material.”

The Commonwealth of Pennsylvania recognizes that paper products are universally made with scrap material recovered from the manufacturing process; use of such materials is a standard practice, both efficient and economical for the paper maker; therefore, bidders of paper products need not certify that their products are made with “pre-consumer,” “recovered,” or “secondary” paper fiber.

BIDDER’S CERTIFICATION

Bidder certifies that the paper product(s) which the bidder is offering contains the required minimum percentage of post-consumer content as shown above for the product.

MANUFACTURER/MILL CERTIFICATION

In addition to the Bidders Certification in Subsection (B), a mill certification must be completed and signed by the mill before payment will be made to the successful bidder for the delivered items. The enclosed *Manufacturer/Mill* Certification form must be used. Bidders are not required to submit the completed and signed *Manufacturer/Mill* Certification form with their bids. **THE COMMONWEALTH SHALL HAVE NO OBLIGATION TO PAY FOR THE ITEM(S) UNTIL A PROPERLY COMPLETED AND SIGNED MANUFACTURER/MILL CERTIFICATION IS SUBMITTED FOR THE DELIVERED ITEM.**

ENFORCEMENT

Awarded bidders may be required, after delivery of the paper product(s), to provide the Commonwealth with documentary evidence that the paper product(s) were in fact produced with the required minimum percentage of post-consumer content.

8. INVOICES.

- (a) **Minimum invoice requirements.** Unless the Commonwealth has authorized the Contractor for Evaluated Receipt Settlement or Vendor Self-Invoicing, the Contractor shall send an invoice itemized by purchase order line item to the address referenced on the purchase order promptly after services are satisfactorily completed. The invoice should include only amounts due under the purchase order. The Contractor shall include in all of its invoices the following minimum information:

- (i) Vendor name and “Remit to” address, including SAP Vendor number;
 - (ii) Bank routing information, if ACH;
 - (iii) SAP Purchase Order number;
 - (iv) Delivery address, including name of Commonwealth agency;

 - (vi) Quantity provided;
 - (vii) Unit price;
 - (viii) Price extension;
 - (ix) Total price; and
 - (x) Delivery date of supplies or services.
- (b) **Rejection of invoice.** If an invoice does not contain the minimum information set forth in this **Section 8, INVOICES**, the Commonwealth will reject the invoice as improper. If the Commonwealth rejects an invoice as improper, the time for processing a payment under **Section 9, PAYMENT**, will be suspended until the Commonwealth receives a corrected invoice. The Contractor shall not receive payment until the Contractor has submitted a corrected invoice, which the Commonwealth has received and processed.

9. PAYMENT.

- (a) **Payment date.** The Commonwealth shall put forth reasonable efforts to make payment by the required payment date. The required payment date is:
- (i) The date on which payment is due under the terms of the Addendum;
 - (ii) **Thirty days** after a proper invoice actually is received at the “Bill To” address if a date on which payment is due is not specified in the Addendum (a “proper” invoice is not received until DGS accepts the supply or service as satisfactorily performed); or

(iii) The payment date specified on the invoice if later than the dates established by **paragraphs a(i) and a(ii) of this Section 9, PAYMENT.**

(b) **Delayed payment.** Payment may be delayed if the payment amount on an invoice is not based upon the prices as stated in the Addendum. If any payment is not made within **15 days** after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act No. 266 of 1982 (72 P. S. § 1507) and regulations promulgated pursuant thereto (4 Pa. Code § 2.31—2.40). Payment should not be construed by the Contractor as acceptance of the service performed by the Contractor. DGS reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if the past payment testing or inspection discloses a defect or a failure to meet specifications.

10. CONTRACT MANAGEMENT.

(a) **General.** The Contractor shall assign one or more individuals as contact person(s), contact supervisor(s) and customer service representative(s) for the Addendum.

(b) **Contact person and contact supervisor.** The contact person is responsible for the coordination of all activities between all authorized users and the Contractor. The contact person, or the office represented, is responsible for coordinating orders and answering billing questions. The contact person is the central point of contact for the Contractor. If DGS, a local public procurement unit or state-affiliated entity becomes dissatisfied with the performance of the contact person, DGS, the local public procurement unit or state-affiliated entity will contact the contact supervisor. Contractor will make commercially reasonable efforts to consider the concerns of DGS, the local public procurement unit or state-affiliated entity in the Contractor's decisions regarding personnel. If it becomes necessary for the Contractor to change its contact person or contact supervisor, the qualifications of replacement personnel must be at least equal to the replaced personnel.

(c) **Customer service representative.** The Contractor shall assign one or more individuals as customer service representative(s) for the duration of the Addendum. These individuals are responsible for providing services under the Addendum that include, but are not limited to: operational and billing problem resolution; product and technical information; and training. The Contractor will make commercially reasonable efforts to consider the concerns of DGS, the local public procurement unit or state-affiliated entity in the Contractor's decisions regarding personnel. If it becomes necessary for the Contractor to change customer service

representative, the qualifications of replacement personnel must be at least equal to the replaced personnel.

- (d) **Notification of assigned individuals.** The Contractor will provide to DGS within **10 days** of execution of this Addendum the names, mailing addresses, e-mail addresses and telephone numbers of the contact person(s), contact supervisor and customer service representative(s).

11. ADDENDUM SCOPE.

Addendum pricing shall be firm, and is based on the prices set forth in the Master Contract.

12. INSTALLMENT PURCHASES.

- (a) **Written approval for installment purchases.** Commonwealth agencies, upon written approval from DGS, may utilize the lease to own purchase option of the Master Contract. The only rental option available to Commonwealth agencies is the rental of postage meters as set forth in the Master Contract at Attachment F, *Neopost, Inc. State of Arizona/WSCA Discounted Meter Rental*.

- (b) **Lease factors.** The lease rate factors, as of August 1, 2005, of the Master Contract are located in Attachment L, *Neopost Leasing*, and, as indicated in the Government Lease Rates section of Attachment K, *Neopost Terms and Conditions LTOP Mailing Equipment*, Neopost Leasing reserves the right to increase/decrease these factors twice during each **12-month** period.

- (c) **Revisions to terms and conditions.** The Master Contract, at Attachment K, *Neopost Terms and Conditions LTOP Mailing Equipment*, is revised as follows:

- (i) **PAYMENTS:** The following sentence is deleted as it is addressed in this Addendum at **subsection (b) of Section 9 PAYMENT:**

Any payment not made within forty (40) days after the invoice may be assessed a minimum late charge of 5% of the invoice amount or the maximum amount allowed by law, whichever is less.

- (ii) **OWNERSHIP AND RISK OF LOSS:** The phrase “, and shall maintain adequate insurance naming Us as loss payee” is deleted from the penultimate sentence of the first paragraph since the Commonwealth is self insured.

- (iii) **DAMAGES OCCURRING:** The phrase “, including reasonable attorneys’ fees” is deleted from the final sentence.
- (iv) **DEFAULT:** The last sentence is revised to read as follows:

The parties further agree that if You are in breach of any estimate of Our damages, and We are entitled to receive without further notice and as liquidated damages and not as penalty: (i) the entire amount of all outstanding and remaining lease payments; (ii) possession of any and all items of Equipment; and (iii) reasonable expenses, excluding attorneys’ fees, incurred in the enforcement of this Agreement.

13. IDENTIFICATION NUMBER.

The Contractor must have a SAP vendor number. To obtain a SAP vendor number, the Contractor must register at www.vendorregistration.state.pa.us. Questions about completing the Vendor Registration Form should be directed to the Central Vendor Management Unit by phone at (717) 214-2868 or toll free at 1 (866) 775-2868 or by e-mail to ra-co-bfm-cvmu@state.pa.us.

14. NOTICE OF DELAY

Whenever the Contractor encounters any difficulty that delays or threatens to delay the timely performance of this Addendum (including actual or potential labor disputes), the Contractor, in writing, shall immediately notify DGS, stating all relevant information with respect to the difficulty. This notice shall not constitute a basis for a delivery schedule extension; nor shall this notice be construed as a waiver by the Commonwealth of any rights or remedies to which it is entitled by law or pursuant to provisions of this Addendum. The Contractor’s failure to provide notice under this **Section 14, NOTICE OF DELAY**, however, may be grounds for denial of any request for a delivery schedule extension because of the delay.

15. BACKGROUND CHECKS.

- (a) **General.** The Contractor shall arrange for an annual criminal background check for each of its employees, as well as each employee of any of the contractor’s subcontractors, who have access to Commonwealth facilities. The Contractor shall conduct background checks in accordance with Form SP-4-164, *Request for Criminal Background Check* and this **Section 15, BACKGROUND CHECKS**. Form SP-4-164 can also be located on the Internet at <http://www.psp.state.pa.us/psp/lib/psp/sp4-164.pdf>. Alternatively, the Contractor may request a criminal background check electronically through the Pennsylvania State Police’s *Pennsylvania*

Access to Criminal History (“PATCH”) System, located at www.psp.state.pa.us/patch.

- (b) **New or reassigned employees.** The Contractor shall also conduct criminal background checks for new or reassigned employees (of either the Contractor or the Contractor’s subcontractor(s)) immediately prior to providing that new employee access to the Commonwealth’s facilities.
- (c) **Completed criminal background checks.** The Contractor, upon receiving a notice to proceed from the Commonwealth, shall request the necessary criminal background checks and provide written confirmation that the criminal background checks have been completed by sending a copy of the *Request for Criminal Record Check*, Form SP-4-164 (or its electronically generated equivalent), either by FAX or by mail to the Contracting Officer.
- (d) **Criminal record information.** If, at any time, it is discovered that a Contractor’s employee, or an employee of the Contractor’s subcontractor(s), has a criminal record that includes any of the following information, the Contractor shall comply with **subsection (e) of this Section 15, BACKGROUND CHECKS:**
 - (i) A felony or misdemeanor involving terroristic behavior;
 - (ii) Violence;
 - (iii) Use of a lethal weapon;
 - (iv) Breach of trust or fiduciary responsibility;
 - (v) Information which raises concerns about building security, system security or personal security; or
 - (vi) Information that is otherwise job-related.
- (e) **Response to criminal record information.** If an employee has a criminal record that includes any of the information set forth in **subsection (d) of this Section 15, BACKGROUND CHECKS**, the Contractor or its subcontractor(s) shall:
 - (i) Not assign that employee to any Commonwealth facility;
 - (ii) Remove any access privileges already given to that employee; and

- (iii) Not permit that employee remote access to any Commonwealth facility unless the Commonwealth consents to the access, in writing, prior to the access.
- (f) **Consent; result of noncompliance.** The Commonwealth may withhold its consent in its complete discretion. Failure of the Contractor to comply with the terms of this **Section 15, BACKGROUND CHECKS**, may result in default by the Contractor under Addendum.
- (g) **Commonwealth-conducted background checks.** The Commonwealth specifically reserves the right to conduct background checks over and above that described in this **Section 15, BACKGROUND CHECKS**.

16. CONTRACTING OFFICER.

The Contracting Officer for this Addendum is:

17. CONTROVERSIES.

- (a) **Request for determination.** If a controversy or claim arises from this Addendum, the Contractor, within six months after the cause of action accrues, must file a written claim with the Contracting Officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum.
- (b) **Final determination.** The Contracting Officer shall review timely filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within **120 days** of the receipt of the claim, unless extended by consent of the Contracting Officer and the Contractor. The Contracting Officer shall send a written determination to the Contractor. If the Contracting Officer fails to issue a final determination within the **120 days** (unless extended by consent of the parties), the claim shall be deemed denied. The Contracting Officer's determination shall be the final order of the Commonwealth.

- (c) **Statement of claim.** The Contractor may file a statement of claim with the Commonwealth Board of Claims, within **15 days** of the mailing date of the determination denying a claim or within **135 days** of filing a claim if no extension is agreed to by the parties, whichever occurs first. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Addendum in a manner consistent with the determination of the Contracting Officer and the Commonwealth shall compensate the Contractor pursuant to the terms of this Addendum.

18. INSURANCE.

- (a) **General.** The Contractor, at its expense, shall procure and maintain, or require its subcontractors to procure and maintain, as appropriate, the following types of insurance issued by companies acceptable to the Commonwealth and authorized to conduct that business under the laws of the Commonwealth:
 - (i) Worker's Compensation Insurance for all of the Contractor's employees and those of any subcontractor engaged in performing Services in accordance with the *Worker's Compensation Act of 1915* and its supplements or amendments.
 - (ii) Public liability and property damage insurance to protect the Commonwealth, the Contractor, and any and all subcontractors from claims for damages for personal injury (including bodily injury), sickness or disease, accidental death, and damage to property, including loss of use resulting from any property damage which may arise from its operations under this Addendum, whether the operation be by the Contractor, any subcontractor, or anyone directly or indirectly employed by either. The insurance limits shall be in an amount not less than \$500,000 each person and \$2,000,000 each occurrence, personal injury and property damage combined. These policies shall be occurrence rather than claims-made policies and shall name the Commonwealth of Pennsylvania as an additional insured. The insurance shall not contain any endorsements or any other form designed to limit and restrict any action by the Commonwealth as an additional insured against the insurance coverages in regard to the work performed for the Commonwealth.
- (b) **Evidence of insurance.** Prior to commencing work under the Addendum, and before any employee of the Contractor or its subcontractors attempts to access Commonwealth facilities, the Contractor shall provide the Commonwealth with a copy of each current certificate of insurance. These certificates shall contain a provision that coverages afforded under

the policies will not be canceled or changed in a manner to cause the coverage to fail to comply with the requirements of this **Section 18, INSURANCE**, until at least **30 days** prior written notice has been given to the Commonwealth.

- (c) The Contractor agrees to maintain the insurance for the life of this Addendum.
- (d) The Contractor's self-insurance of the types and amounts of insurance set forth in **subparagraph (a) of this Section 18, INSURANCE**, shall satisfy the requirements of this **Section 18, INSURANCE**.

19. TAXES—FEDERAL, STATE AND LOCAL.

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax-free purchases under registration No. 23-23740001-K. With the exception of purchases of the following items, no exemption certificates are required and the Commonwealth will issue none: tires; trucks; gas-guzzler emergency vehicles and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania sales tax, local sales tax, public transportation assistance taxes, and fees and vehicle rental tax. The Pennsylvania Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this **Section 19, TAXES-FEDERAL, STATE, AND LOCAL**, is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

20. COMMONWEALTH HELD HARMLESS.

- (a) The Contractor shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all third party claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Addendum, provided the Commonwealth gives the Contractor prompt notice of any such claim of which it learns. Pursuant to the *Commonwealth Attorneys Act*, 71 P.S. § 732-101, *et seq.*, the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG, however, in its sole discretion and under such terms as it deems appropriate, may delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of the Contractor made in the defense of such suits.

(b) Notwithstanding subsection (a) of this Section 20, **COMMONWEALTH HELD HARMLESS**, neither party shall enter into any settlement without the other party's written consent, which shall not be withheld unreasonably. The Commonwealth, in its sole discretion, may allow the Contractor to control the defense and any related settlement negotiations.

21. CHANGE OF OWNERSHIP OR INSOLVENCY.

Except as otherwise provided in this Addendum, if the Contractor changes ownership for any reason whatsoever, the Commonwealth shall have the exclusive option of continuing under the terms and conditions of this Addendum with the Contractor or its successors or assigns for the full remaining term of this Addendum, or continuing under the terms and conditions of this Addendum with the Contractor or its successors or assigns for a period of time as is necessary to replace the products, materials, reports, studies, or computer programs, or immediately terminating this Addendum.

22. OFFICIALS NOT TO BENEFIT.

No official or employee of the Commonwealth and no member of its General Assembly who exercises any functions or responsibilities under this Addendum shall participate in any decision relating to this Addendum which affects their personal interest or the interest of any corporation, partnership, or association in which they are, directly or indirectly, interested; nor shall any such official or employee of the Commonwealth or member of its General Assembly have any interest, direct or indirect, in this Addendum or the proceeds thereof.

23. INDEPENDENT CAPACITY OF CONTRACTOR.

The parties to this Addendum agree that the Services performed by the Contractor under the terms of this Addendum are performed as an independent contractor. The Services performed by the Contractor are performed neither as an employee of the Commonwealth nor as a partnership or joint venture between the Commonwealth and the Contractor.

Except as otherwise provided by the terms of this Addendum, the Commonwealth shall have no control over the manner in which the Contractor or any subcontractor performs the contractual Services. Any job specifications or standards of work attached to or incorporated into this Addendum or any subcontracting restrictions contained in this Contract shall not be construed as the Commonwealth's direction or control over the manner of the performance of Services provided by the Contractor.

24. CONTRACTOR RESPONSIBILITY PROGRAM.

- (a) The Contractor, for itself and all its subcontractors, certifies that as of the date of its execution of this Bid/Contract that neither the Contractor, nor any subcontractors, nor any suppliers are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid, a written explanation of why such certification cannot be made.
- (b) The Contractor also certifies that, as of the date of its execution of this Bid/Contract, it has no tax liabilities or other Commonwealth obligations.
- (c) The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within **15 days** of the date of suspension or debarment.
- (d) The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- (e) The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth, which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- (f) The Contractor may obtain a current list of suspended and debarred Commonwealth contractors by either searching the internet at <http://www.dgs.state.pa.us/> or contacting the:

25. OFFSET PROVISION.

The Contractor agrees that the Commonwealth may offset the amount of any state tax or Commonwealth liability of the Contractor or its affiliates and subsidiaries that is owed to the Commonwealth against any payments due the Contractor under this or any other contract with the Commonwealth.

26. *THE AMERICANS WITH DISABILITIES ACT.*

During the term of this Contract, the Contractor agrees as follows:

- (i) Pursuant to federal regulations promulgated under the authority of *The Americans With Disabilities Act*, 28 C.F.R. § 35.101, et seq., the Contractor understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this Contract or from activities provided for under this Addendum. As a condition of accepting and executing this Addendum, the Contractor agrees to comply with the General Prohibitions Against Discrimination, 28 C.F.R. § 35.130, and all other regulations promulgated under Title II of *The Americans With Disabilities Act* which are applicable to the benefits, services, programs, and activities provided by the Commonwealth of Pennsylvania through contracts with outside Contractors.
- (ii) The Contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth of Pennsylvania from losses, damages, expenses claims, demands, suits, and actions brought by any party against the Commonwealth of Pennsylvania as a result of the Contractor's failure to comply with the provisions of subsection (i) above.

27. *SINGLE AUDIT ACT OF 1984.*

In compliance with the *Single Audit Act of 1984*, the Contractor agrees to the following:

- (a) This Addendum is subject to audit by federal and state agencies or their authorized representative in accordance with the auditing standards promulgated by the Comptroller General of the United States and

specified in Government Auditing Standards, 1994 Revisions (Yellow Book).

- (b) The audit requirement of this Addendum will be satisfied if a single audit is performed under the provisions of the *Single Audit Act of 1984*, 31 U.S.C. § 7501, *et seq.*, and all rules and regulations promulgated pursuant to the Act.
- (c) The Commonwealth reserves the right for federal and state agencies or their authorized representatives to perform additional audits of a financial/compliance, economy/efficiency, or program results nature, if deemed necessary.

29. NONDISCRIMINATION CLAUSE/SEXUAL HARASSMENT CLAUSE.

Each contract entered into by a governmental agency shall contain the following provisions by which the Contractor agrees:

- (a) In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the contractor, subcontractor, or any person acting on behalf of the contractor or subcontractor shall not, by reason of gender, race, creed, or color, discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

- (f) The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that such provisions will be binding upon each subcontractor.
- (g) The Commonwealth may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

30. CONTRACTOR INTEGRITY PROVISIONS.

-------------	---	----

“Post-consumer” content is “material or finished product that has served its intended use and has been diverted or recovered from waste destined for disposal, having completed its life as a consumer item. Post-consumer content is part of the broader category of recovered material.”

The Commonwealth of Pennsylvania recognizes that paper products are universally made with scrap material recovered from the manufacturing process; use of such materials is a standard practice, both efficient and economical for the paper maker; therefore, bidders of paper products need not certify that their products are made with “pre-consumer,” “recovered,” or “secondary” paper fiber.

BIDDER’S CERTIFICATION

Bidder certifies that the paper product(s) which the bidder is offering contains the required minimum percentage of post-consumer content as shown above for the product.

MANUFACTURER/MILL CERTIFICATION

In addition to the Bidders Certification in Subsection (B), a mill certification must be completed and signed by the mill before payment will be made to the successful bidder for the delivered items. The enclosed *Manufacturer/Mill* Certification form must be used. Bidders are not required to submit the completed and signed *Manufacturer/Mill* Certification form with their bids. **THE COMMONWEALTH SHALL HAVE NO OBLIGATION TO PAY FOR THE ITEM(S) UNTIL A PROPERLY COMPLETED AND SIGNED MANUFACTURER/MILL CERTIFICATION IS SUBMITTED FOR THE DELIVERED ITEM.**

ENFORCEMENT

Awarded bidders may be required, after delivery of the paper product(s), to provide the Commonwealth with documentary evidence that the paper product(s) were in fact produced with the required minimum percentage of post-consumer content.

 - (ii) **Thirty days** after a proper invoice actually is received at the “Bill To” address if a date on which payment is due is not specified in the Addendum (a “proper” invoice is not received until DGS accepts the supply or service as satisfactorily performed); or

- (iii) The payment date specified on the invoice if later than the dates established by **paragraphs a(i) and a(ii) of this Section 9, PAYMENT.**

- (b) **Delayed payment.** Payment may be delayed if the payment amount on an invoice is not based upon the prices as stated in the Addendum. If any payment is not made within **15 days** after the required payment date, the Commonwealth may pay interest as determined by the Secretary of Budget in accordance with Act No. 266 of 1982 (72 P. S. § 1507) and regulations promulgated pursuant thereto (4 Pa. Code § 2.31—2.40). Payment should not be construed by the Contractor as acceptance of the service performed by the Contractor. DGS reserves the right to conduct further testing and inspection after payment, but within a reasonable time after performance, and to reject the service if the past payment testing or inspection discloses a defect or a failure to meet specifications.

10. CONTRACT MANAGEMENT.

- (a) **General.** The Contractor shall assign one or more individuals as contact person(s), contact supervisor(s) and customer service representative(s) for the Addendum.

- (b) **Contact person and contact supervisor.** The contact person is responsible for the coordination of all activities between all authorized users and the Contractor. The contact person, or the office represented, is responsible for coordinating orders and answering billing questions. The contact person is the central point of contact for the Contractor. If DGS, a local public procurement unit or state-affiliated entity becomes dissatisfied with the performance of the contact person, DGS, the local public procurement unit or state-affiliated entity will contact the contact supervisor. Contractor will make commercially reasonable efforts to consider the concerns of DGS, the local public procurement unit or state-affiliated entity in the Contractor's decisions regarding personnel. If it becomes necessary for the Contractor to change its contact person or contact supervisor, the qualifications of replacement personnel must be at least equal to the replaced personnel.

- (c) **Customer service representative.** The Contractor shall assign one or more individuals as customer service representative(s) for the duration of the Addendum. These individuals are responsible for providing services under the Addendum that include, but are not limited to: operational and billing problem resolution; product and technical information; and training. The Contractor will make commercially reasonable efforts to consider the concerns of DGS, the local public procurement unit or state-affiliated entity in the Contractor's decisions regarding personnel. If it becomes necessary for the Contractor to change customer service

representative, the qualifications of replacement personnel must be at least equal to the replaced personnel.

- (d) **Notification of assigned individuals.** The Contractor will provide to DGS within **10 days** of execution of this Addendum the names, mailing addresses, e-mail addresses and telephone numbers of the contact person(s), contact supervisor and customer service representative(s).

Any payment not made within forty (40) days after the invoice may be assessed a minimum late charge of 5% of the invoice amount or the maximum amount allowed by law, whichever is less.

- (ii) **OWNERSHIP AND RISK OF LOSS:** The phrase “, and shall maintain adequate insurance naming Us as loss payee” is deleted

from the penultimate sentence of the first paragraph since the Commonwealth is self insured.

- (iv) **DEFAULT:** The last sentence is revised to read as follows:

The parties further agree that if You are in breach of any estimate of Our damages, and We are entitled to receive without further notice and as liquidated damages and not as penalty: (i) the entire amount of all outstanding and remaining lease payments; (ii) possession of any and all items of Equipment; and (iii) reasonable expenses, excluding attorneys’ fees, incurred in the enforcement of this Agreement.

13. IDENTIFICATION NUMBER.

The Contractor must have a SAP vendor number. To obtain a SAP vendor number, the Contractor must register at www.vendorregistration.state.pa.us. 14. NOTICE OF DELAY

Whenever the Contractor encounters any difficulty that delays or threatens to delay the timely performance of this Addendum (including actual or potential labor disputes), the Contractor, in writing, shall immediately notify DGS, stating all relevant information with respect to the difficulty. This notice shall not constitute a basis for a delivery schedule extension; nor shall this notice be construed as a waiver by the Commonwealth of any rights or remedies to which it is entitled by law or pursuant to provisions of this Addendum. The Contractor’s failure to provide notice under this **Section 14, NOTICE OF DELAY**, however, may be grounds for denial of any request for a delivery schedule extension because of the delay.

15. BACKGROUND CHECKS.

- (a) **General.** The Contractor shall arrange for an annual criminal background check for each of its employees, as well as each employee of any of the contractor’s subcontractors, who have access to Commonwealth facilities. The Contractor shall conduct background checks in accordance with Form SP-4-164, *Request for Criminal Background Check* and this **Section 15, BACKGROUND CHECKS** Form SP-4-164 can also be located on the

- (c) **Completed criminal background checks.** The Contractor, upon receiving a notice to proceed from the Commonwealth, shall request the necessary criminal background checks and provide written confirmation that the criminal background checks have been completed by sending a copy of the *Request for Criminal Record Check*, Form SP-4-164 (or its electronically generated equivalent), either by FAX or by mail to the Contracting Officer.
- (d) **Criminal record information.** If, at any time, it is discovered that a Contractor's employee, or an employee of the Contractor's subcontractor(s), has a criminal record that includes any of the following information, the Contractor shall comply with **subsection (e) of this Section 15, BACKGROUND CHECKS:**

 - (i) Not assign that employee to any Commonwealth facility;
 - (ii) Remove any access privileges already given to that employee; and

- (iii) Not permit that employee remote access to any Commonwealth facility unless the Commonwealth consents to the access, in writing, prior to the access.
- (f) **Consent; result of noncompliance.** The Commonwealth may withhold its consent in its complete discretion. Failure of the Contractor to comply with the terms of this **Section 15, BACKGROUND CHECKS**, may result in default by the Contractor under Addendum.
- (g) **Commonwealth-conducted background checks.** The Commonwealth specifically reserves the right to conduct background checks over and above that described in this **Section 15, BACKGROUND CHECKS**.

16. CONTRACTING OFFICER.

The Contracting Officer for this Addendum is:

17. CONTROVERSIES.

- (a) **Request for determination.** If a controversy or claim arises from this Addendum, the Contractor, within six months after the cause of action accrues, must file a written claim with the Contracting Officer for a determination. The claim shall state all grounds upon which the Contractor asserts a controversy exists. If the Contractor fails to file a claim or files an untimely claim, the Contractor is deemed to have waived its right to assert a claim in any forum.
- (b) **Final determination.** The Contracting Officer shall review timely filed claims and issue a final determination, in writing, regarding the claim. The final determination shall be issued within **120 days** of the receipt of the claim, unless extended by consent of the Contracting Officer and the Contractor. The Contracting Officer shall send a written determination to the Contractor. If the Contracting Officer fails to issue a final determination within the **120 days** (unless extended by consent of the parties), the claim shall be deemed denied. The Contracting Officer's determination shall be the final order of the Commonwealth.

- (c) **Statement of claim.** The Contractor may file a statement of claim with the Commonwealth Board of Claims, within **15 days** of the mailing date of the determination denying a claim or within **135 days** of filing a claim if no extension is agreed to by the parties, whichever occurs first. Pending a final judicial resolution of a controversy or claim, the Contractor shall proceed diligently with the performance of the Addendum in a manner consistent with the determination of the Contracting Officer and the Commonwealth shall compensate the Contractor pursuant to the terms of this Addendum.

18. INSURANCE.

- (a) **General.** The Contractor, at its expense, shall procure and maintain, or require its subcontractors to procure and maintain, as appropriate, the following types of insurance issued by companies acceptable to the Commonwealth and authorized to conduct that business under the laws of the Commonwealth:
 - (i) Worker's Compensation Insurance for all of the Contractor's employees and those of any subcontractor engaged in performing Services in accordance with the *Worker's Compensation Act of 1915* and its supplements or amendments.
 - (ii) Public liability and property damage insurance to protect the Commonwealth, the Contractor, and any and all subcontractors from claims for damages for personal injury (including bodily injury), sickness or disease, accidental death, and damage to property, including loss of use resulting from any property damage which may arise from its operations under this Addendum, whether the operation be by the Contractor, any subcontractor, or anyone directly or indirectly employed by either. The insurance limits shall be in an amount not less than \$500,000 each person and \$2,000,000 each occurrence, personal injury and property damage combined. These policies shall be occurrence rather than claims-made policies and shall name the Commonwealth of Pennsylvania as an additional insured. The insurance shall not contain any endorsements or any other form designed to limit and restrict any action by the Commonwealth as an additional insured against the insurance coverages in regard to the work performed for the Commonwealth.
- (b) **Evidence of insurance.** Prior to commencing work under the Addendum, and before any employee of the Contractor or its subcontractors attempts to access Commonwealth facilities, the Contractor shall provide the Commonwealth with a copy of each current certificate of insurance.

These certificates shall contain a provision that coverages afforded under the policies will not be canceled or changed in a manner to cause the coverage to fail to comply with the requirements of this **Section 18, INSURANCE**, until at least **30 days** prior written notice has been given to the Commonwealth.

- (c) The Contractor agrees to maintain the insurance for the life of this Addendum.
- (d) The Contractor's self-insurance of the types and amounts of insurance set forth in **subparagraph (a) of this Section 18, INSURANCE**, shall satisfy the requirements of this **Section 18, INSURANCE**.

19. TAXES—FEDERAL, STATE AND LOCAL.

The Commonwealth is exempt from all excise taxes imposed by the Internal Revenue Service and has accordingly registered with the Internal Revenue Service to make tax-free purchases under registration No. 23-23740001-K. With the exception of purchases of the following items, no exemption certificates are required and the Commonwealth will issue none: tires; trucks; gas-guzzler emergency vehicles and sports fishing equipment. The Commonwealth is also exempt from Pennsylvania sales tax, local sales tax, public transportation assistance taxes, and fees and vehicle rental tax. The Pennsylvania Department of Revenue regulations provide that exemption certificates are not required for sales made to governmental entities and none will be issued. Nothing in this **Section 19, TAXES-FEDERAL, STATE, AND LOCAL**, is meant to exempt a construction contractor from the payment of any of these taxes or fees which are required to be paid with respect to the purchase, use, rental or lease of tangible personal property or taxable services used or transferred in connection with the performance of a construction contract.

20. COMMONWEALTH HELD HARMLESS.

- (a) The Contractor shall hold the Commonwealth harmless from and indemnify the Commonwealth against any and all third party claims, demands and actions based upon or arising out of any activities performed by the Contractor and its employees and agents under this Addendum, provided the Commonwealth gives the Contractor prompt notice of any such claim of which it learns. Pursuant to the *Commonwealth Attorneys Act*, 71 P.S. § 732-101, *et seq.*, the Office of Attorney General (OAG) has the sole authority to represent the Commonwealth in actions brought against the Commonwealth. The OAG, however, in its sole discretion and under such terms as it deems appropriate, may delegate its right of defense. If OAG delegates the defense to the Contractor, the Commonwealth will cooperate with all reasonable requests of the Contractor made in the defense of such suits.

- (b) Notwithstanding **subsection (a) of this Section 20, COMMONWEALTH HELD HARMLESS**, neither party shall enter into any settlement without the other party's written consent, which shall not be withheld unreasonably. The Commonwealth, in its sole discretion, may allow the Contractor to control the defense and any related settlement negotiations.

21. CHANGE OF OWNERSHIP OR INSOLVENCY.

Except as otherwise provided in this Addendum, if the Contractor changes ownership for any reason whatsoever, the Commonwealth shall have the exclusive option of continuing under the terms and conditions of this Addendum with the Contractor or its successors or assigns for the full remaining term of this Addendum, or continuing under the terms and conditions of this Addendum with the Contractor or its successors or assigns for a period of time as is necessary to replace the products, materials, reports, studies, or computer programs, or immediately terminating this Addendum.

22. OFFICIALS NOT TO BENEFIT.

No official or employee of the Commonwealth and no member of its General Assembly who exercises any functions or responsibilities under this Addendum shall participate in any decision relating to this Addendum which affects their personal interest or the interest of any corporation, partnership, or association in which they are, directly or indirectly, interested; nor shall any such official or employee of the Commonwealth or member of its General Assembly have any interest, direct or indirect, in this Addendum or the proceeds thereof.

23. INDEPENDENT CAPACITY OF CONTRACTOR.

The parties to this Addendum agree that the Services performed by the Contractor under the terms of this Addendum are performed as an independent contractor. The Services performed by the Contractor are performed neither as an employee of the Commonwealth nor as a partnership or joint venture between the Commonwealth and the Contractor.

Except as otherwise provided by the terms of this Addendum, the Commonwealth shall have no control over the manner in which the Contractor or any subcontractor performs the contractual Services. Any job specifications or standards of work attached to or incorporated into this Addendum or any subcontracting restrictions contained in this Contract shall not be construed as the Commonwealth's direction or control over the manner of the performance of Services provided by the Contractor.

24. CONTRACTOR RESPONSIBILITY PROGRAM.

- (a) The Contractor, for itself and all its subcontractors, certifies that as of the date of its execution of this Bid/Contract that neither the Contractor, nor any subcontractors, nor any suppliers are under suspension or debarment by the Commonwealth or any governmental entity, instrumentality, or authority and, if the Contractor cannot so certify, then it agrees to submit, along with its Bid, a written explanation of why such certification cannot be made.
- (b) The Contractor also certifies that, as of the date of its execution of this Bid/Contract, it has no tax liabilities or other Commonwealth obligations.
- (c) The Contractor's obligations pursuant to these provisions are ongoing from and after the effective date of the Contract through the termination date thereof. Accordingly, the Contractor shall have an obligation to inform the Commonwealth if, at any time during the term of the Contract, it becomes delinquent in the payment of taxes, or other Commonwealth obligations, or if it or any of its subcontractors are suspended or debarred by the Commonwealth, the federal government, or any other state or governmental entity. Such notification shall be made within **15 days** of the date of suspension or debarment.
- (d) The failure of the Contractor to notify the Commonwealth of its suspension or debarment by the Commonwealth, any other state or the federal government shall constitute an event of default of the Contract with the Commonwealth.
- (e) The Contractor agrees to reimburse the Commonwealth for the reasonable costs of investigation incurred by the Office of State Inspector General for investigations of the Contractor's compliance with the terms of this or any other agreement between the Contractor and the Commonwealth, which results in the suspension or debarment of the Contractor. Such costs shall include, but shall not be limited to, salaries of investigators, including overtime; travel and lodging expenses; and expert witness and documentary fees. The Contractor shall not be responsible for investigative costs for investigations that do not result in the Contractor's suspension or debarment.
- (f) The Contractor may obtain a current list of suspended and debarred Commonwealth contractors by either searching the internet at <http://www.dgs.state.pa.us/> or contacting the:

Department of General Services

25. OFFSET PROVISION.

The Contractor agrees that the Commonwealth may offset the amount of any state tax or Commonwealth liability of the Contractor or its affiliates and subsidiaries that is owed to the Commonwealth against any payments due the Contractor under this or any other contract with the Commonwealth.

26. *THE AMERICANS WITH DISABILITIES ACT.*

During the term of this Contract, the Contractor agrees as follows:

- (i) Pursuant to federal regulations promulgated under the authority of *The Americans With Disabilities Act*, 28 C.F.R. § 35.101, et seq., the Contractor understands and agrees that no individual with a disability shall, on the basis of the disability, be excluded from participation in this Contract or from activities provided for under this Addendum. As a condition of accepting and executing this Addendum, the Contractor agrees to comply with the General Prohibitions Against Discrimination, 28 C.F.R. § 35.130, and all other regulations promulgated under Title II of *The Americans With Disabilities Act* which are applicable to the benefits, services, programs, and activities provided by the Commonwealth of Pennsylvania through contracts with outside Contractors.
- (ii) The Contractor shall be responsible for and agrees to indemnify and hold harmless the Commonwealth of Pennsylvania from losses, damages, expenses claims, demands, suits, and actions brought by any party against the Commonwealth of Pennsylvania as a result of the Contractor's failure to comply with the provisions of subsection (i) above.

27. *SINGLE AUDIT ACT OF 1984.*

In compliance with the *Single Audit Act of 1984*, the Contractor agrees to the following:

- (a) This Addendum is subject to audit by federal and state agencies or their authorized representative in accordance with the auditing standards promulgated by the Comptroller General of the United States and

specified in Government Auditing Standards, 1994 Revisions (Yellow Book).

- (b) The audit requirement of this Addendum will be satisfied if a single audit is performed under the provisions of the *Single Audit Act of 1984*, 31 U.S.C. § 7501, *et seq.*, and all rules and regulations promulgated pursuant to the Act.
- (c) The Commonwealth reserves the right for federal and state agencies or their authorized representatives to perform additional audits of a financial/compliance, economy/efficiency, or program results nature, if deemed necessary.

29. NONDISCRIMINATION CLAUSE/SEXUAL HARASSMENT CLAUSE.

Each contract entered into by a governmental agency shall contain the following provisions by which the Contractor agrees:

- (a) In the hiring of any employee(s) for the manufacture of supplies, performance of work, or any other activity required under the contract or any subcontract, the contractor, subcontractor, or any person acting on behalf of the contractor or subcontractor shall not, by reason of gender, race, creed, or color, discriminate against any citizen of this Commonwealth who is qualified and available to perform the work to which the employment relates.

- (f) The Contractor shall include the provisions of this Nondiscrimination/Sexual Harassment Clause in every subcontract so that such provisions will be binding upon each subcontractor.
- (g) The Commonwealth may cancel or terminate the contract and all money due or to become due under the contract may be forfeited for a violation of the terms and conditions of this Nondiscrimination/Sexual Harassment Clause. In addition, the agency may proceed with debarment or suspension and may place the Contractor in the Contractor Responsibility File.

30. CONTRACTOR INTEGRITY PROVISIONS.

“Post-consumer” content is “material or finished product that has served its intended use and has been diverted or recovered from waste destined for disposal, having completed its life as a consumer item. Post-consumer content is part of the broader category of recovered material.”

The Commonwealth of Pennsylvania recognizes that paper products are universally made with scrap material recovered from the manufacturing process; use of such materials is a standard practice, both efficient and economical for the paper maker; therefore, bidders of paper products need not certify that their products are made with “pre-consumer,” “recovered,” or “secondary” paper fiber.

BIDDER’S CERTIFICATION

Bidder certifies that the paper product(s) which the bidder is offering contains the required minimum percentage of post-consumer content as shown above for the product.

MANUFACTURER/MILL CERTIFICATION

In addition to the Bidders Certification in Subsection (B), a mill certification must be completed and signed by the mill before payment will be made to the successful bidder for the delivered items. The enclosed *Manufacturer/Mill* Certification form must be used. Bidders are not required to submit the completed and signed *Manufacturer/Mill* Certification form with their bids. **THE COMMONWEALTH SHALL HAVE NO OBLIGATION TO PAY FOR THE ITEM(S) UNTIL A PROPERLY COMPLETED AND SIGNED MANUFACTURER/MILL CERTIFICATION IS SUBMITTED FOR THE DELIVERED ITEM.**

ENFORCEMENT

Awarded bidders may be required, after delivery of the paper product(s), to provide the Commonwealth with documentary evidence that the paper product(s) were in fact produced with the required minimum percentage of post-consumer content.

CHANGE SUMMARY:

In conjunction with amendments made to WSCA contract EPS050076, Pitney Bowes has amended the master price agreement to include additional products, new pricing and a Fair Market Value Financing Option "C". The Billing Partner for FMV leases will be Global Finance.

ALL OTHER TERMS AND CONDITIONS OF THIS AGREEMENT NOT CHANGED BY THIS CHANGE NOTICE REMAIN AS ORIGINALLY WRITTEN.

Agencies (each referred to as a “Participating Agency”) eligible to acquire Pitney Bowes Mailing Equipment under WSCA Contract EPS050076-A2-2 (as amended from time to time, “EPS050076-A2-2”) will have the option to acquire such Equipment through an Installment Lease Agreement, a Rental Agreement or a Fair Market Value Lease Agreement, subject to the applicable terms and conditions set forth herein.

INSTALLMENT LEASE AGREEMENT OPTION A

Pitney Bowes Global Financial Services LLC may serve as a sub-contractor under EPS050076-A2-2 and be the financing party under such Installment Lease Agreements.

The pricing plan for the Installment Lease Agreement is as follows:

<i>Monthly Billing:</i>		<i>Quarterly Billing:</i>	
Term	Lease Rate	Term	Lease Rate
36	.0317	36	.0960
48	.0247	48	.0750
60	.0205	60	.0625

The terms and conditions are as follows:

1. **GENERAL.** All Installment Lease Option A Agreements (each referred to herein as “Installment Agreement”) consist of the following terms and conditions in addition to the applicable terms and conditions of EPS050076-A2-2. By issuing a Purchase Order under the Installment Agreement, the Participating Agency is requesting that Contractor leases the referenced equipment (the “Equipment”) for essential governmental purposes. Such Equipment does not include any referenced IntelliLink™ Control Center or postage meter, which remains the property of Contractor or one of its wholly owned subsidiaries. Any IntelliLink™ Control Center or postage meter is subject to the applicable USPS regulations and meter terms and conditions as may be provided by Contractor.
2. **TERM.** Each Installment Agreement shall commence upon acceptance of the Equipment and shall continue until the earlier of: (i) termination at Contractor’s Option upon the Participating Agency’s failure to pay when due the amount required or failure to perform any other obligation under an Installment Agreement or under EPS050076-A2-2, (ii) the occurrence of an event of non-appropriation or termination for Contractor default under EPS050076-A2-2, (iii) termination in accordance with paragraph 3 below, or (iv) the expiration of the specified term.
3. **CANCELLATION OR TERMINATION.** The Participating Agency intends to enter into an Installment Agreement for the entire agreed upon term and Contractor relies upon such represented intention when determining the applicable pricing plan. If the Participating Agency cancels or terminates an Installment Agreement prior to its expiration (other than for non-appropriations or Contractor default pursuant to EPS050076-A2-2), the Participating Agency shall pay a termination charge equal to the net present value of the monthly payments

remaining through the completion of the term, discounted to present value at a rate of 6% per year.

4. **REMEDIES.** If the Participating Agency fails to pay when due any amount required, or fails to perform any other obligation under an Installment Agreement or under EPS050076-A2-2 and fails to cure the same within thirty (30) days of the Participating Agency's receipt of written notice thereof, Contractor may, at its option and without further demand or notice, take one or any combination of the following actions: terminate the relevant Installment Agreement, take possession of the relevant Equipment (and the meters), declare the entire amount of all payments, and other amounts due and to become due, for the then current fiscal period for which funds have been appropriated to be immediately due and payable, and pursue any other remedy permitted by applicable law.
5. **REPRESENTATIONS; MISCELLANEOUS.** The Participating Agency represents and warrants that: (a) it shall timely file an information reporting return (e.g. Form 8038 - GC or, as necessary, Form 8038 - G) with the Internal Revenue Service in accordance with Section 149(e) of the Internal Revenue Code of 1986, as amended (the "Code"), and the regulations thereunder and the Participating Agency hereby appoints Contractor as its Agent for the purpose of maintaining a registration system as required by Section 149(a) of the Code; and the Participating Agency is (and shall continue to be) a State or local government entity, and that any obligation arising out of this Agreement constitutes an obligation by or on behalf of a state or political subdivision thereof, within the meaning of Section 103 of the Code and the regulations thereunder. The Participating Agency acknowledges that the Installment Agreement is entered into based on the assumption that the interest portion of each Period Payment is not includible in gross income of the owner thereof for Federal income tax purposes under Section 103(a) of the Code. A portion of each Period Payment that the Participating Agency shall pay includes interest. If any interest is determined not to be excludible from gross income in accordance with Section 103(a) of the Code, the Participating Agency's Period Payment shall be adjusted in an amount sufficient to maintain Contractor's original after tax yield utilizing Contractor's consolidated marginal tax rate, which adjusted Period Payments the Participating Agency agrees to pay as provided in this Agreement. The rate at which the interest portion of Period Payments is calculated is not intended to exceed the maximum rate or amount of interest permitted by applicable law. If such interest portion exceeds such maximum, then at Contractor's option, if permitted by law, the interest portion will be reduced to the legally permitted maximum amount of interest, and any excess will be used to reduce the principal amount of the Participating Agency's obligation or be refunded to the Participating Agency.
6. **ASSIGNMENT.** The Participating Agency may not assign, transfer or sublet any interest in an Installment Agreement or the Equipment without Contractor's prior written consent.
7. **TITLE.** Title to the equipment passes to the Participating Agency at the time and place of acceptance of each unit of equipment. The Contractor or its duly authorized assignee shall have a purchase money security interest in the equipment, until payment of all installments are made. Upon payment of the final installment, or any concluding payment option, the Contractor or his duly authorized assignee shall have no further interest in the equipment.
8. **PURCHASE OPTION.** The Participating Agency shall have the option to purchase the Equipment at any time during the Term "as is, where is" by paying the remainder of all installment payments.

9. **RISK OF LOSS.** The Participating Agency is responsible for Equipment loss, damage or destruction from any cause, whether or not insured from the date of acceptance and for the entire term. No Equipment loss, theft or damage shall relieve the Participating Agency of its obligation to make the payments or perform its obligations under an Installment Agreement. **Notwithstanding the foregoing, the Participating Agency shall not be responsible for Equipment loss, damage or destruction if Contractor has delivered non-conforming goods.**

RENTAL AGREEMENT OPTION B

The pricing plan for the Rental Agreement is as follows:

Term:	Rental Factor:
36 Months	.0450

The terms and conditions are as follows:

- 1. GENERAL.** All Rental Option B Agreements (each referred to herein as “Rental Agreement”) consist of the following terms and conditions in addition to the applicable terms and conditions of EPS050076-A2-2. By issuing a Purchase Order under this Rental Option B, the Participating Agency is requesting that Contractor rent the referenced equipment (the “Equipment”) for essential governmental purposes. Such Equipment does not include any referenced IntelliLink™ Control Center or postage meter, which remain the property of Contractor or one of its wholly owned subsidiaries. Any IntelliLink™ Control Center or postage meter is subject to the applicable USPS regulations and meter terms and conditions as may be provided by Contractor.
- 2. TERM.** The Term of each Rental Agreement shall commence on the date of delivery of the Equipment and shall continue for 36 months, unless earlier terminated in accordance with EPS050076-A2-2. The Participating Agency intends to enter into each Rental Agreement for at least the 36 month period and Contractor has relied upon such represented intention when determining the applicable pricing plan.
- 3. REMEDIES.** If the Participating Agency fails to pay when due any amount required, or fails to perform any other obligation under a Rental Agreement or under EPS050076-A2-2 and fails to cure the same within thirty (30) days of the Participating Agency’s receipt of written notice thereof, Contractor may, at Contractor’s option and without further demand or notice, take one or any combination of the following actions: terminate this Agreement, take possession of the Equipment (including meters), declare the entire amount of all payments, and other amounts due and to become due for the then current fiscal period for which funds have been appropriated to be immediately due and payable, and pursue any other remedy permitted by applicable law.
- 4. ASSIGNMENT.** The Participating Agency may not assign, transfer or sublet any interest in a Rental Agreement or the Equipment without Contractor’s prior written consent.
- 5. RISK OF LOSS.** The Participating Agency is responsible for Equipment loss, damage or destruction from any cause, whether or not insured from the date of acceptance and for the entire term. No Equipment loss, theft or damage shall relieve the Participating Agency of its obligation to make the payments or perform its obligations under a Rental Agreement. **Notwithstanding the foregoing, the Participating Agency shall not be responsible for Equipment loss, damage or destruction if Contractor has delivered non-conforming goods.**

OPTION C

LEASE AGREEMENT WITH FAIR MARKET VALUE ("FMV") PURCHASE OPTION

Pitney Bowes Global Financial Services LLC will serve as a sub-contractor under EPS050076-A2-2 and will be the Lessor under such FMV Lease Agreements.

The pricing plan for the FMV Lease Plan is as follows:

<i>Monthly Billing:</i>		<i>Quarterly Billing:</i>	
Term	Lease Rate	Term	Lease Rate
36	.0334	36	.1008
48	.0270	48	.0817
60	.0231	60	.0705

The terms and conditions are as follows:

- 1. GENERAL.** All FMV Lease Option C Agreements (each referred to herein as "Lease") consist of the following terms and conditions in addition to the applicable terms and conditions of EPS050076-A2-2. By issuing a Purchase Order under this FMV Lease Option C, the Participating Agency is requesting that Pitney Bowes Global Financial Services LLC leases the referenced equipment (the "Equipment") for essential governmental purposes. Such Equipment does not include any referenced IntelliLink™ Control Center or postage meter, which remain the property of Pitney Bowes Inc. or one of its wholly owned subsidiaries. Any IntelliLink™ Control Center or postage meter is subject to the applicable USPS regulations and meter terms and conditions as may be provided by Pitney Bowes Inc.
- 2. TERM.** Each Lease shall commence upon acceptance of the Equipment and shall continue until the earlier of (a) termination at Lessor's option upon the Participating Agency's failure to pay when due the amount required or failure to perform any other obligation hereunder or under EPS050076-A2-2, or (b) the occurrence of an event of non-appropriations or termination for Contractor default under EPS050076-A2-2, (c) cancellation or termination in accordance with paragraph 3 below, or (d) expiration of the term specified on the relevant Purchase Order and satisfaction by the Participating Agency of all obligations thereunder.
- 3. CANCELLATION OR TERMINATION.** The Participating Agency intends to enter into a Lease for the entire agreed upon term and Lessor relies upon such represented intention when determining the applicable pricing plan. If the Participating Agency cancels or terminates a Lease prior to its expiration (other than for non-appropriations or Contractor default pursuant to EPS050076-A2-2), the Participating Agency shall pay a termination charge equal to the net present value of the monthly payments remaining through the completion of the term, discounted to present value at a rate of 6% per year.
- 4. REMEDIES.** If the Participating Agency fails to pay when due any amount required, or fails to perform any other obligation under a Lease or under EPS050076-A2-2 and fails to cure the same within thirty (30) days of the Participating Agency's receipt of written notice thereof, Lessor may, at its option and without further demand or notice, take one or any combination of the following actions: terminate the relevant Lease, take possession of the relevant

Equipment (and related meters), declare the entire amount of all lease payments, and other amounts due and to become due, for the then current fiscal period for which funds have been appropriated to be immediately due and payable, and pursue any other remedy permitted by applicable law.

5. **ASSIGNMENT.** The Participating Agency may not assign, transfer or sublet any interest in a Lease or the Equipment without Lessor's prior written consent.
6. **OWNERSHIP.** Lessor owns the Equipment and the Participating Agency shall keep the Equipment free from any liens or encumbrances. Each Lease is a "finance lease" governed by Uniform Commercial Code Article 2A.
7. **END OF LEASE OPTIONS.** Upon 90 days prior written notice, the Participating Agency may, if not in default, elect among the following options with respect to the Equipment: (a) purchase the Equipment "as is, where is" for fair market value, as determined by Lessor based upon what a willing and able buyer would pay a willing and able seller in an arm's length transaction, or (b) return the Equipment in its original condition, reasonable wear and tear excepted, by de-installing the Equipment and making it available for Contractor's retrieval. If the Participating Agency has not elected one of the above options, the Participating Agency shall be deemed to have entered into successive month-to-month extensions of the relevant term.
8. **RISK OF LOSS.** The Participating Agency is responsible for Equipment loss, damage or destruction from any cause, from the date of acceptance and for the entire term. No Equipment loss, theft or damage shall relieve the Participating Agency of its obligation to make the payments or perform its obligations under a Lease. **Notwithstanding the foregoing, the Participating Agency shall not be responsible for Equipment loss, damage or destruction if Contractor has delivered non-conforming goods.**

SHAPE BASED PRICING

GENERAL INFORMATION WHAT WE KNOW NOW

- ❖ Implementation must be completed by May 13, 2007 to be compliant
- ❖ Agencies that have a lot of mixed mail will have the biggest impact
- ❖ If you process under 1000 envelopes/day of #10 plain standard (not mixed-mail) envelopes a day you DON'T HAVE to upgrade. A manual tool for measurement may suffice for immaterial shape and thickness issues.
- ❖ If you are currently automated (wow/in-line scale) you **will** have to upgrade to be shape based compliant unless replacement versus upgrade is applicable
- ❖ Over ¼" thick is considered a flat
- ❖ Over ¾" thick is considered a package
- ❖ If you mail a "large" amount of packages consider using the UPS contract or redesign 6 oz packages as a flat
- ❖ A mail template for non automated equipment will be made available from the USPS at no charge
- ❖ If you have a meter that needs to be migrated by Dec 2008, do it now to conform with the SBP and it will all be done at once

PITNEY BOWES EQUIPMENT

- ❖ DM800 and above that already have the weigh on the weigh (WOW) feature may be upgraded. One component will be removed and an upgrade component will be installed at a price of \$3612.00 (for all models) (currently 3655). This upgrade is included on the WSCA contract 7490-04
- ❖ If you don't have WOW now but want to get it you need to buy a new SBP compliant machine
- ❖ PB will completely replace a machine if the lease is 6 months or newer (vendor considering going to 12 months)
- ❖ Commonwealth will allow manufacturer upgrade options capability on leases for Shape Based Pricing only to be in compliance with the USPS upcoming rate change effective 5/14/2007
- ❖ For all digital models not being upgraded or exchanged, **the Shape Based Pricing** updates will be downloaded via the phone and there is no charge. This software will prompt users to manually measure etc the piece of mail.
- ❖ Older scales that need the rate change will be charged \$236.00 unless the optional Softguard was purchased under the maintenance contract. (Please check current scale inventory against rate solicitation card from PB to purchase rate upgrade on scales in use)

HASLER/NEOPOST EQUIPMENT-(through Priority Systems)

- ❖ If you currently have a machine with a Dynamic Weighing Platform (DWP) you must be upgraded. The cost is \$875.00 with a \$475.00 installation charge. This upgrade has been added to the WSCA contract (7490-04). If you don't have a DWP (in-line dynamic scale) and wish to upgrade to the automation you can add the module at a cost of \$4600. This is also part of the WSCA contract.
- ❖ If you keep your existing equipment and have a scale and do not have RATE CHANGE PROTECTION, you will need to purchase it for a price of \$125-\$175 depending on the scale

**SPECIAL COTERMINOUS LEASE RATES AGREEMENT OPTION
FOR SHAPED BASED MODULE EQUIPMENT PURCHASES ONLY**

On March 19, 2007 the Governors of the U.S. Postal Services (USPS) approved a price increase for First Class mail, as well as approved the new shaped-base pricing structure. Prices will be in effect May 14, 2007. **Please note: These changes will affect numerous mail processing machines in the participating agencies.**

The current pricing structure for first-class mail is based on weight rather than size. The new structure de-emphasizes weight alone and incorporates weight with length, height, shape, and thickness of the parcel. For instance, a 2 ounce letter will go from \$0.63 to \$0.62, a 2 ounce flat goes from \$0.63 to \$0.82 cents, and a 2 ounce parcel will go from \$0.63 to \$1.20. Other price increases will occur. For instance, the price of a single-piece will go from \$0.39 to \$0.42, while postcards will increase from \$0.24 to \$0.27. For additional information on the rate changes, please visit USPS's website at <http://www.usps.com/ratecase>. Additionally, the attachment "USPS Rate Change 2007" explains the USPS Governors Approval.

For Pitney Bowes Products the Shape Based Rating utilizes our Weigh on the Way (WOW) technology to function. It is not a stand-alone product, therefore we can only offer it on DM products that have WOW capabilities. Please note however, that upgrades to machines are not mandatory. If the customer chooses not to upgrade, the postage will need to be calculated manually.

As a result of the rate change, Pitney Bowes is offering to our current leasing customers the opportunity [REDACTED] for the upgraded equipment for a term consistent with the number of months remaining on an existing lease contract. For example, a customer with 18 months remaining on the lease will be offered an 18 month lease. Invoices will show two separate line items reflecting the machine lease and the new [REDACTED] lease. The new [REDACTED] lease will be subject to the same terms and conditions as the original lease. Below are the [REDACTED] lease rates for Option A and Option C.

Pitney Bowes Global Financial Services LLC may serve as a sub-contractor under EPS050076-A2-2 and be the financing party under such Lease Agreements.

The pricing plan for the [REDACTED] Lease Agreement is as follows:

SPECIAL COTERMINOUS LEASE RATES AGREEMENT OPTION FOR SHAPED BASED MODULE EQUIPMENT PURCHASES ONLY

On March 19, 2007 the Governors of the U.S. Postal Services (USPS) approved a price increase for First Class mail, as well as approved the new shaped-base pricing structure. Prices will be in effect May 14, 2007. **Please note: These changes will affect numerous mail processing machines in the participating agencies.**

The current pricing structure for first-class mail is based on weight rather than size. The new structure de-emphasizes weight alone and incorporates weight with length, height, shape, and thickness of the parcel. For instance, a 2 ounce letter will go from \$0.63 to \$0.62, a 2 ounce flat goes from \$0.63 to \$0.82 cents, and a 2 ounce parcel will go from \$0.63 to \$1.20. Other price increases will occur. For instance, the price of a single-piece will go from \$0.39 to \$0.42, while postcards will increase from \$0.24 to \$0.27. For additional information on the rate changes, please visit USPS's website at <http://www.usps.com/ratecase>. Additionally, the attachment "USPS Rate Change 2007" explains the USPS Governors Approval.

For Pitney Bowes Products the Shape Based Rating utilizes our Weigh on the Way (WOW) technology to function. It is not a stand-alone product, therefore we can only offer it on DM products that have WOW capabilities. Please note however, that upgrades to machines are not mandatory. If the customer chooses not to upgrade, the postage will need to be calculated manually.

As a result of the rate change, Pitney Bowes is offering to our current leasing customers the opportunity to enter into a "coterminous lease" for the upgraded equipment for a term consistent with the number of months remaining on an existing lease contract. For example, a customer with 18 months remaining on a lease will be offered an 18 month lease. Invoices will show two separate line items reflecting the machine lease and the new coterminous lease. The new coterminous lease will be subject to the same terms and conditions as the original lease. Below are the co-terminus lease rates for Option A and Option C.

Pitney Bowes Global Financial Services LLC may serve as a sub-contractor under EPS050076-A2-2 and be the financing party under such Lease Agreements.

The pricing plan for the Coterminous Lease Agreement is as follows:
