### Parishes throughout the Diocese of Kerry are preparing to celebrate Earth Week 2013 from 4th to 13th October.

In celebrating Earth Week 2013 we invite you to reflect on the importance of Water. Access to water for life is a basic human need and a fundamental human right. Yet in our increasingly prosperous world, nearly a billion people are denied the right to clean water. "It is therefore necessary to cultivate a public conscience that considers food and access to water as universal rights of human beings, without distinction or discrimination". (Caritas in Veritate. Benedict XVI.) We invite you as a parish, school, or family to see how you use this precious gift. Let Earth Week 2013 remind us that every drop counts!

### SEEING YOUR LIFE THROUGH THE LENS OF THE GOSPELS Luke 9:51-62

1 In the opening verse Jesus is portrayed as having a new sense of clarity about his life that enables him to set out on the road 'resolutely'. Perhaps there have been such moments in your life, moments of insight and clarity about the road ahead. Recall such moments and what they were like for you.

2 As he walked the road Jesus found that not everyone supported the journey he was making. Some of his friends were angry and wanted to hit back, but Jesus restrained them. What has helped you to cope with opposition you have met in your life and continue your journey.

3 The response of Jesus to prospective followers seems harsh. He lets the first man know that discipleship is not a path to a comfortable nest. It is a way in which we never know what is going to be asked of us next. The disciple must be ready to move on. Where have you found good news in being open to change, confident in the presence of Jesus with you?

4 He also demands commitment. Being human it is easy for us to start thinking about times when our commitment was less than perfect. But can you also recall the times when you realised the truth of this story - that commitment brings its own fruits and blessings. What specific blessings can you bring to mind? John Byrne OSA
