## Welcome to the World of Enders Outdoor and Leisure Products!

The Enders catalogue 2011 will show you the new world of Enders Outdoor and Leisure Products. Whatever you want to do outside, the Enders products guarantee you high level comfort and performance outdoor or on your travels

The Catalogue offers you a clear overview of all products from the Enders range Gas and Charcoal Barbecues for culinary highlights under the stars

### Gas and Charcoal Barbecues

For culinary highlights under the stars

### Patio Heaters

For cuddly warmth by cold temperatures

### Camping articles

As perfect and safe equipment for every outdoor demand

### Aluminum boxes

For storage and safe transport of sensitive objects

Since 1883 when our company was founded we have become a specialist in our Outdoor living product categories, which includes camping equipment, Patio Heaters, barbecues and aluminum boxes, But more than ever we ensure a clean energy balance of our gas products to be modern, attractive and functional in design

### Enders gas products – more eco-friendly

Our gas products have a sophisticated technology - which lowers costs and CO2 emissions. You have that good feeling to help the environment!

## Enders Design – Acclaimed!

We'd like to meet our everyday objects of everyday life with our high expectations of a sophisticated design. For this we have won several awards:

The prestigious "Red Dot Award" for the gas grill Manhattan and with the "caravanning design award" for the camping toilet "Mobil WC Deluxe".

From the low cost value version to the high-end professional application - for every need, Enders has the product for you

Connecting tradition and innovation is our way and is the philosophy behind our brand

Your Enders Colman Team

Item No.:

**1139**

**Safety pressure regulator**

to supply industrial plants according to requirements of BGV D34.

Output pressure 50 mbar. Nominal flow 1.5 kg / h. Reduces the gas pressure in two stages. The first stage reduces the cylinder pressure (0.3 to 16 bar) to 0.15 bar. The second stage reduces the pressure of 0.15 mbar to 50 bar. If a defect in the first stage, the second is automatically regulated to 50 mbar, thus protecting the system against accidental overpressure. With 90 ° outlet for connection

**Required for commercial use!**

Item No.:

**1515**

**Line rupture guard**

50 mbar / 1,5 kg/h

The line rupture guard chokes off the gas supply in the event of damages or disconnection of the line. This prevents uncontrolled leakage of the gas. The line rupture guard is installed between the pressure regulator and the connection hose.

**Required for commercial use!**

Item No.:

**1145**

**Profi Gas Kit**

consists of Item No. 1139 und Item No. 1515

# PATIO HEATER COVERS

Item No.:

**5050**

**Weather protection cover for patio heaters „Cosystand“**

fits to the following ENDERS patio heaters: „Classic“, „Elegance“ and „Profi“

with zipper, Velcro fastener and bottom drawcord weather-resistant

UV stabilized, weathering-resistant, durable and washable

All Covers protect against the weather and made of 210D polyester. They adapt to the contour of the patio heater.

Item No.:

**5065**

**Weather protection cover for burners**

fits to the ENDERS patio heaters with a reflector diameter of max. 76 cm.

Item No.:

**5066**

**Weather protection cover for patio heaters „Trendstyle“**

with zipper, Velcro fastener and bottom drawcord

UV stabilized, weathering-resistant, durable and washable

Item No.:

**5060**

**Weather protection cover for patio heaters „Cosystand“**

fits to the following ENDERS patio heaters:  
Wood, Commercial, Rattan, Style

through the drawstrings the cover adapt to  
the contour of the patio heater

UV stabilized, weathering-resistant,  
durable and washable

made of tear-proof 210D polyester.

All covers protect against the weather.

Item No.:

**5070**

**Weather protection cover for patio heaters „Ecoline“**

with zipper

made of tear-proof 210D polyester

Item No.:

**5056**

**Weather protection cover for patio heaters „Casypolo“**

Made of PVC, weather-resistant,  
durable and washable

Item No.:  
**1139**

**Safety pressure regulator**

to supply industrial plants according to requirements of BGV D34.

Output pressure 50 mbar. Nominal flow 1.5 kg / h. Reduces the gas pressure in two stages. The first stage reduces the cylinder pressure (0.3 to 16 bar) to 0.15 bar. The second stage reduces the pressure of 0.15 mbar to 50 bar. If a defect in the first stage, the second is automatically regulated to 50 mbar, thus protecting the system against accidental overpressure. With 90 ° outlet for connection

**Required for commercial use!**

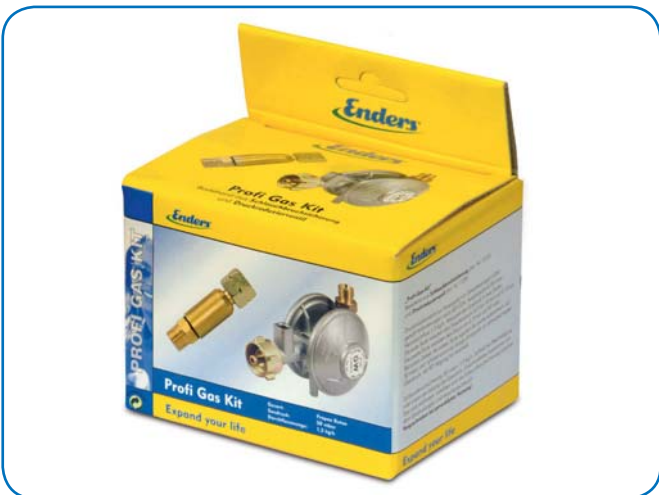

Item No.:  
**1515**

**Line rupture guard**

50 mbar / 1,5 kg/h

The line rupture guard chokes off the gas supply in the event of damages or disconnection of the line. This prevents uncontrolled leakage of the gas. The line rupture guard is installed between the pressure regulator and the connection hose.

**Required for commercial use!**

Item No.:  
**1145**

**Profi Gas Kit**

consists of Item No. 1139 und Item No. 1515

**Required for commercial use!**

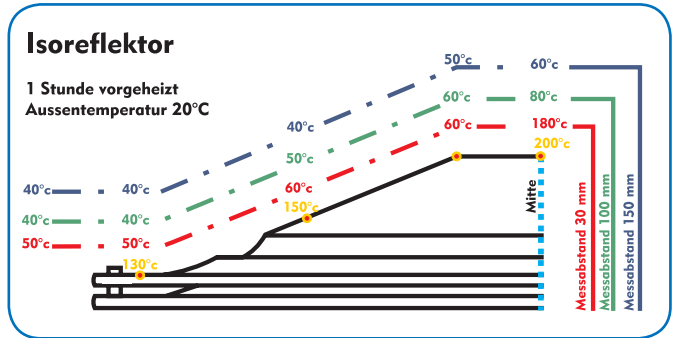

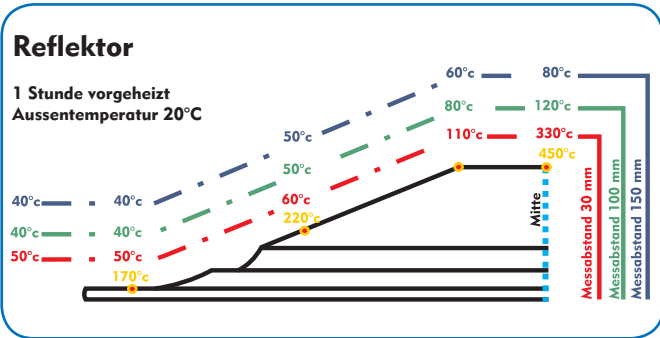

Item No.:

**5053**

**Insulator reflector**

Fits to all ENDERS patio heaters (except Polo).  
 Double reflector 88 cm made of aluminium with space  
 Reduces top-side heat loss. The insulating reflector allows  
 the patio heater to be operated at minimal distances  
 from awnings and parasols.

Item No.:

**5062**

**Glas table**

height-adjustable with plastic adapter.

suitable for all patio heaters with an tube  
 diameter of 5 cm  
 (Elegance S, Item No. 9305, 9376, 9276  
 Classic, Item No. 5305  
 Wood S, Item No. 5526  
 Rattan S, Item No. 5495)

safety glass, 6cm  
 table diameter 37cm

# SHINE

Battery powered lamp

Item No.:

**6840**

for use with four D batteries (sold separately)

Casing made of impact-resistant plastic, resistant to splashing water, with foldable carrying and hanging clip, with energy saving bulb

**Performance:** 5 Watt

**Burning length:** approx. 20 hours

# FLYING BUG ZAPPER

Item No.:

**6868**

Completely harmless application.

Flying insects are electrocuted. Works without chemicals, spraying, adhesive strips, etc. No troublesome cable during operation. With 6 volt battery for recharging over 230 V or 12 V (cigarette lighter). Casing made of impact-resistant plastic. Resistant to splashing water.

**Performance:** 4 Watt

**Operating time:** approx. 8 hours per battery charge

# Melamine picnic set

cut-resistant, dishwasher safe, unbreakable

# Aluminium cooking setz

„Olympia III“

Item No.:  
**1666110**

„Gourmet“

Item No.:  
**3303**

## „Olympia III“

### Aluminium cooking set 5 piece

The kettle fits into the stacked pots.

- Weight:** 850 g
- Pan:** Ø 19 cm
- Pot:** 2.5 l Ø 18 cm
- Pot:** 2.0 l Ø 17 cm
- Kettle:** 1.5 l

**Pot handle, stuff sack**

The practical set made of aluminium, shines through stable quality and light weight.

## „Gourmet“

### Aluminium cooking set, anti-stick coating, 10 piece

- Weight:** 2,000 g
- Covered pan:** Ø 22 cm, with 2 handles
- Pan:** Ø 20 cm
- Stainless steel pot:** 2.5 l Ø 20 cm, with steel cover
- Stainless steel pot:** 6.0 l Ø 22 cm, with steel cover
- Saucepan:** 14 cm
- Carrying and locking belt (no illustration)

This 10-piece cooking set will help turn camp food into delicacies. It makes it easy to conjure up a complete menu. The set can be stacked nested and is held together for transport with the included belt.

Material: Pots from aluminium, green enamelling on exterior, anti-stick coating on inside, stainless steel cover

# CAMPINGARTIKEL

Picknickrucksack, Picknickdecke, Wasserkanister

Item No.:

**75651**

**"Prärie"**

**Picnic rucksack blue**

With insulated compartment for food and drinks, insulated bottle holder, removable

- 4 plastic plates, Ø 22.5 cm
- 4 plastic wine glasses 0.25 l
- 4 stainless steel spoons with plastic handles
- 4 stainless steel forks with plastic handles
- 4 stainless steel knives with plastic handles
- 4 textile napkins
- 1 corkscrew with knife and bottle opener
- 1 bread knife, 1 plastic storage box
- 1 wooden cutting and serving board
- 1 salt & pepper shaker

Item No.:

**7675**

**Picnic blanket**

bottom insulated against moisture and cold, with carrying handle and Velcro

- Upper material:** Acrylic
- Bottom material:** PVC
- Filling:** foam
- Colour:** blue / red / green mix
- Size:** 170 x 130 cm

Item No.:

**7599**

**Water canister**

The canister is made of highly durable material, allowing it to be folded up easily and small after use. Food safe, with stable handle and practical tap.

# MOBILE-WC DELUXE“

Freshwater Flush toilet

CARAVANING  
DESIGN AWARD 2010/2011  
INNOVATIONS FOR NEW MOBILITY

Easy filling of the waste water add.

Easy filling of the fresh water add.

Filling level indication

Effective plunger pump

Separating and transport of fresh- and waste water tank is very easy.

Integrated transport roller

Item No.:

**4950**

Extremely smooth, easy-care surface made of hygienic plastic.  
Special features: Pressure control valve, automatic ventilation push button to ensure clean removal of the faecal material, level display, swivelling faecal outlet pipe.

**Weight:** 3,8 kg

**Freshwater tank:** 16 l

**Wastewater tank:** 19 l

**Dimensions (H/W/D):** 36,7 x 38 x 44,6 cm

# ACCESSORIES

Item No.:

**4980****ENSAN GREEN 1,0 l****Sanitary concentrate for wastewater tanks**

- Pour ENSAN GREEN into the wastewater tank of your toilet.
- ENSAN GREEN is an environmentally friendly sanitary liquid and its ingredients are biodegradable.
- Protects slider and sealant.
- Helps to break down faecal material and toilet paper.
- Prevents the build-up of unpleasant odours.
- Forest Fresh
- One litre of ENSAN GREEN is sufficient for around 130 l of wastewater.

Item No.:

**4984****ENSAN RINSE 1,0 l****Sanitary concentrate for water tanks**

- High quality sanitary concentrate for water tanks.
- Is added to the rinse water and ensures clean flushing thus cleansing the bowl and the slider with every flush.
- Removes scale, prevents chalk build-up and ensures that the stop valve works perfectly.
- Protects all rubber sealants, removes unpleasant odours and reduces the build-up of gas.
- ENSAN RINSE provides comfortable, long-lasting freshness.

Item No.:

**5017****ENSAN-BLUE 2,5 l****Sanitary concentrate for wastewater tanks**

- Effective sanitary concentrate for wastewater tanks.
- Helps to break down faecal material and toilet paper.
- Prevents unpleasant odours and reduces the build-up of gas.
- 2,5 litre of ENSAN BLUE is sufficient for around 250 litres of wastewater.

Item No.:

**5018****ENSAN-BLUE 5,0 l****Sanitary concentrate for wastewater tanks**

- Effective sanitary concentrate for wastewater tanks.
- Helps to break down faecal material and toilet paper.
- Prevents unpleasant odours and reduces the build-up of gas.
- 5 litre of ENSAN BLUE is sufficient for around 500 litres of wastewater.

Item No.:

**5005****„SOFT-WC-PAPIER“****special toilet paper with fast decomposing properties**

- 4 roll bags,
- 3-ply, extremely soft and strong,
- 350 sheets per roll,
- Sheet dimensions 9,5 x 11 cm
