interesting

Information from Norwegian escapee arrived Stockholm April 18 rated B2 who was eye witness to recent aerial attack against German Tirpitz; 80 killed, 300 badly wounded and 900 to 1000 requiring medical attention. Most wounds result of fire and explosives. Germans used aircraft and trains to evacuate wounded. Source stated Warship would be out for duration. Two explosions occurred aboard warship one of which damaged Norwegian Whaler C A Larson anchored nearby. German sailor morale reported very low.
