Gamma Phi Beta members share the *Gift of Sisterhood* at Convention 2006 in Phoenix.

DEAR SISTERS:

At every Convention, I am awed and re-inspired by the generosity and dedication of so many Sorority members. Your gifts of sisterhood are more evident than usual during Convention week. As we close another biennium, please accept my deep appreciation for your increased support to the Gamma Phi Beta Foundation. We are particularly proud to have grown our total assets to \$8.07 million, a 4% increase in the last year.

The Foundation made many new friends and recognized our donors at Convention. We raised over \$50,000 in cash and pledges thanks to over 700 attendees and numerous volunteers who made this achievement possible. Knowing that strong chapters require strong advisors, we introduced the Collegiate Advisors Development Endowment. We were able to give the Sorority \$10,000 for advisor support from interest generated by the endowment and will increase the annual proceeds as this endowment grows.

The Sorority has a wonderful new tagline — *Connect. Impact. Shine*. That is truly what our 3,934 donors do each year to help our young sisters experience the sisterhood. In 2005-2006, you connected with your gifts of \$1,227,782. Our donors are shining examples of lifetime commitment to Gamma Phi Beta.

One special program for our young leaders is the LeaderShape Institute®, which allows them to learn from instructors and each other in a supportive, positive environment. We have sent 53 collegians to this six-day program over the last 3 years, including 21 this past summer.

This year, our chapters stepped up in a major way for camping for girls, with record support for Camp Fire USA™, the Sorority's philanthropic partner, and local camps. Thanks to

26 collegiate chapters and 48 alumnae chapters and Crescent Circles, we provided an increase of 27% more funding for local camps and Camp Fire USA.

The Foundation helped 63 sisters with the gift of undergraduate scholarships, graduate fellowships and grants-in-aid, totaling \$114,400. We were proud to award the first Elizabeth Ahlemeyer Quick/Gamma Phi Beta Scholarship during Betty's (Indiana) term as Chairman of the National Panhellenic Conference (NPC).

In an effort to help our collegians learn more about the Foundation, we have launched a pilot Foundation Ambassadors Program this fall. The Foundation Ambassador is a new chapter officer who will provide information about the Foundation and benefits available to the chapter. For the pilot, the Sorority selected eight chapters for their leadership accomplishments. They are Northwestern, Idaho, Wittenberg, Kansas State, Colgate, Christopher Newport, Chapman and Texas A&M-College Station.

In this Annual Report, we are introducing our new giving circles to recognize members' lifetime giving. In the past, our highest level was the *President's Circle* for gifts over \$25,000; this circle now recognizes gifts from \$25,000-\$49,999. Your generosity led us to add the following circles: *Love Circle* — for lifetime giving of \$50,000-\$99,999, *Labor Circle* — \$100,000-\$249,999, *Learning Circle* — \$250,000-\$499,999 and *Loyalty Circle* — \$500,000-\$999,999.

Members of The 1874 Society continue to lead the way with unrestricted gifts of \$1,874 or more annually. These gifts allow the Foundation to respond to the areas of

greatest need in the current year. We raised over \$150,000 from 74 members.

We had outstanding growth of 50% in our silver and bronze members of the Founders Society, who give gifts between \$250 and \$999. These sisters, along with our 40 Gold Leaders, generously gave over \$125,000. The Tau Epsilon Pi Society has grown to 270 members; we thank these women for providing for Gamma Phi Beta in their estate plans.

More and more sisters are creating named endowments to help in perpetuity. We deeply appreciate the commitments for eight new leadership or scholarship endowments of \$25,000 or more during the year. Due to increasing costs of education and leadership training, the Trustees raised the minimum endowment to \$25,000, so the annual interest at current rates would provide at least \$1,000 per year. To illustrate the need, we had 105 qualified applicants for scholarships and fellowships, but only were able to make 61 awards. Providing educational support is one of our great gifts for our young sisters. Our staff and Trustees are always available to help members plan for endowments.

The Trustees appreciate every gift of sisterhood that enables us to shine in leadership, philanthropy and financial aid. We are thankful for your growing support. Every sister counts, every gift counts.

Chapter Advisor Rosemary Stone Bunn (Florida State), back row in the tiara, enjoys being Queen for a Day with Beta Mu alumnae and collegians.

Advisor Endowment

The endowment will provide:

- funding in perpetuity for leadership development for advisors
- financial aid for advisors to attend Convention and Regional Leadership Conferences
- a recognition program for advisors
- use of the online advisor program . . . the first of its kind in the Greek world!

"There are lots and lots of sparkles in this room. I love it! These sparkling women, wearing the tiaras, have showered their love and guidance on collegians over many years. Their name: Gamma Phi Beta Advisor. They are our Queens for the Day." Trustee Barbara Hurt-Simmons spoke these words in welcome to advisors past and present during the Foundation Luncheon in Phoenix. It was here that Barbara, along with Trustee Mary Vanier, announced a \$500,000 Collegiate Advisor Development Endowment campaign in recognition of the important role advisors play in the success of our collegiate chapters.

Campaigns already in progress are raising money in honor of an individual advisor or a group of advisors from a chapter. At the end of the fiscal year 2005-2006, contributions and pledges amounted to \$275,000, including a \$60,000 in-kind gift.

If you would like to make a gift (it can be made in honor of your advisor) to the Collegiate Advisor Development Endowment, please contact the Foundation office at 303.799.1874. Credit card donations as well as pledges payable over five years (which can be charged to your credit card on a monthly basis) are accepted. Gifts to the Foundation are fully deductible as charitable contributions for tax purposes.

Lois Abbott, chapter advisor of Delta Psi since it was colonized at the University of Santa Barbara in 1983, is excited about the leadership training that will be available through the endowment. "It is important to find a way for small chapters and young alumnae to attend Convention. Once they have attended and realize the value, they will find a way to put it in their budget."

Annie Yeager, one of the 23 Delta Psi chapter presidents Lois has advised, appreciates her advisor's enthusiasm for Convention. "Lois believes conferences such as Convention and RLC illustrate the life-long involvement and friendships this organization offers. She could not be more right. I will never forget the knowledge and outlook I gained from the 2004 Convention in Chicago. As Lois predicted, it made me want to give my heart and time to Gamma Phi Beta."

When Cinda Keating Lucas (Southern California) was chapter president at Beta Alpha, she learned much from her advisor, former Grand President Elizabeth Fee Arnold. "Elizabeth posed questions so that we would find the answers ourselves. She showed me that the strongest chapters have the strongest advisors."

Darcy Aman Quinn, in a letter to Cinda who was her advisor at Epsilon Gamma: "You inspire, motivate, move people . . . It's almost as if they believe that they've done it all, when it's actually you who pushed the button."

Rosemary Stone Bunn (Florida State) has served as a member of the House Corporation Board and as chapter advisor at Beta Mu. "I saw the girls arrive as chubby-cheeked 18-year-olds and watched them leave as professional young women. The most fun was watching them take leadership roles in the Sorority, and it was such a privilege knowing that the parents trusted me to be a part of their daughters' lives."

Julie Dunn, a former CLC who is currently serving as Regional Director of Region 4, said about Rosemary: "I feel like I am her legacy and that she is mine."

"These sparkling women, wearing the tiaras, have showered their love and guidance on collegians over many years. Their name: Gamma Phi Beta Advisor." —Barbara Hurt-Simmons

Five former Helen M. Dodge winners attended Convention. Back row (from left) Margaret West Pape (Oklahoma), Linda Babcock (California State-Long Beach), Jana Nobles (Oklahoma City). Front row: Cinda Keating Lucas (Southern California), Lois Kirchner Abbott (San Jose State).

Joyce Stewart with her husband Roger: "As a Gamma Phi Beta at USC, one thing that impressed me was the alumnae.

I wondered why they were so generous in giving of their time. It made me realize that I should give more of my time."

Acquaintances became friends when Joyce Canavan Stewart (Southern California) placed the winning bid in the Foundation auction for lunch in the Senate Dining Room with former U.S. Senator Jocelyn Birch Burdick (Northwestern). The Foundation honored both women in Phoenix as 2006 Philanthropists of the Year.

Joyce began performing as a pianist for a radio station in Pittsburgh at age six. "It was the Depression and I got five dollars for every performance," she said. It was Joyce's musical career that started her on her way to becoming a philanthropist. During World War II she gave free concerts at the Veterans' Hospital and the local mental institution.

Through the years Joyce has continued to appreciate the value of giving and music. She and her husband have funded a \$25,000 scholarship/fellowship endowment for any Gamma Phi Beta music education or performance student. Joyce has been a loyal supporter of her alma mater's music program, particularly the Trojan Marching Band. In her home of Tucson, she has served on the board of the Tucson Symphony and she is a generous donor to the opera and the theatre.

Jocelyn began her fundraising career 60 years ago when she and a sorority sister at Alpha Omicron both wished to attend Convention. "At that time, nylon stockings were at a premium," she said. "I was able to raise \$100 by raffling off nylons which paid our way."

Since then Jocelyn has been an outstanding example of service to country, community and Sorority. When her husband, U.S. Senator Quentin Burdick, died, she served in his place for three months.

Back home, Jocelyn is a charter member of the Junior League of Fargo, North Dakota, serves on the board of a home for the developmentally disabled and has been a Camp Fire leader for many years. She has served as an advisor to Alpha Omicron and Gamma Mu chapters.

Philanthropists of the Year

The Philanthropist Award is given at Convention to members whose outstanding philanthropic endeavors outside of Gamma Phi Beta have made a tremendous difference in the lives of others.

Jocelyn Burdick (far right) with family and friends: "I love the people I've met through Gamma Phi Beta. My friends often ask how I know all of these young girls and I tell them it's because I'm a Gamma Phi."

FOUNDATION AMBASSADOR PROGRAM LAUNCHED

In an effort to increase collegians' awareness of the Foundation, we are launching the Foundation Ambassadors Program at eight chapters this fall.

The purpose of this program is to develop advocates for the Foundation within chapters, to bring awareness of the Foundation's importance to the Sorority and to plant seeds through education for a lifetime of Foundation support. The Ambassadors Program will educate collegiate members about "What can the Foundation do for my chapter and sisters?" and "What can chapters do for the Foundation?", with an emphasis on philanthropy to Sorority programs and, ultimately, increased chapter support of the Foundation.

The Foundation Ambassador will be a new chapter officer who works closely with the Philanthropy Chair. Both officers report to the Vice President of Public Relations.

At Convention, the presidents of the eight pilot chapters learned of their selection. The chapters are: Northwestern, Idaho, Wittenberg, Kansas State, Colgate, Christopher Newport, Chapman and Texas A&M-College Station.

The Sorority selected these pilot chapters — one from each region — because of their unique leadership experience. The Foundation is relying on the Ambassadors to give vital feedback on how the Foundation can better reach out to collegians, both to educate them about the Foundation's support available to them and to encourage future giving.

In appreciation of their efforts, the Foundation Trustees have donated eight Leadership awards for each chapter to send one member selected by the Sorority to The LeaderShape Institute® in 2007. They will also receive recognition throughout the pilot program.

The Foundation Ambassador Program Chair is Colette Cooley Hays (Bradley) of Houston, and each chapter also will have a Trustee or Foundation committee member who lives nearby as a mentor. Suggested by Trustee Karen Wander Kline (Iowa State) and Colette, this program was created in conjunction with the Sorority.

Standing (left to right): Taylor Estes (Southern Methodist), Mary Jo Hope (Oklahoma City), Jamie Shultz (Oklahoma), Susie Knetter (Kansas State), Kerry Devine (Florida State), and Pamela Mayer (Denver). *Mary Jo Hope is supported by the Ruth Andrea Seeler, M.D. CLC Endowment.*

Leadership Development

Foundation grants to the Gamma Phi Beta Sorority's leadership development programs deliver on our promise to make leadership opportunities our first priority. These programs, designed to foster individual member and chapter growth, include the Collegiate Leadership Consultant Program, International Conventions, Regional Leadership Conferences and Leadership Development Institutes. Funding for the Crescent Values Program, Personal and Chapter Enrichment (PACE) training materials, website development, *The Crescent*, and chapter house educational renovations is also provided.

Five new leadership endowments this fiscal year include:

Tiffany Barnard Andres Leadership Education Endowment

See page 45 for details.

Cathy B. Griffin Leadership Education Endowment

In memory of her mother, Rita T. Boudreaux, Cathy Griffin (Louisiana State)

is providing educational opportunities for collegians from any of our chapters who are seeking leadership development.

Delta Tau Leadership Education Endowment

This endowment will provide leadership educational programming for collegiate members of Delta Tau Chapter (Colgate) who show promise as emerging leaders.

Karen Wander Kline Leadership Education Endowment

Karen Kline (Iowa State) has provided for leadership training for collegians at new or at-risk chapters, initially at Zeta Rho Chapter at Texas A&M University-College Station for the first ten years.

Jolene Lessard Stiver Leadership Education Endowment

This commitment from Joey Stiver (North Dakota State) is to provide chapter leadership training for new chapters with a focus on leadership development for the whole chapter.

Twenty-one emerging leaders attended The LeaderShape Institute® in 2006. Financial support for their participation was provided by 18 leadership award sponsors and by the Laurel Blair Salton Clark, M.D. Memorial Leadership Endowment. Following are comments from LeaderShape scholarship recipients:

MAGGIE HAMPL

Auburn University

My week at LeaderShape was a defining experience for me as an individual as well as a leader in my community. LeaderShape's unique way of bringing young people together to form strong and lasting relationships was one of the greatest things I took away from my week. Each person there was an integral tool in the process of every other participant's growth; LeaderShape taught me to dream big . . . to be open to new experiences . . . to take risks. It taught me to passionately pursue my goals, with a healthy disregard for the impossible. And I am forever grateful.

TIFFANY BORNE

Loyola University-New Orleans

Not knowing what to expect, I figured I would leave having heard some speakers, and learning typical leadership icebreakers to bring back to my chapter. The first day I was told that I would leave a whole different person, but I never believed I would leave with a whole new outlook on people, the world, and life in general. . . . LeaderShape has definitely challenged me to individually grow to my fullest potential and has guided me to better understand the world around me.

GEORGIA LESER

College of William and Mary

I expected LeaderShape to be fun and exciting, a way to meet new people and to get new ideas. Every person I met was a genuine, caring, motivated individual that I have no doubt will do something amazing with their life. The whole LeaderShape community has given me the motivation and 'healthy disregard for the impossible' necessary to make changes and push forward. I know that spread across the country, there are the others from LeaderShape standing behind my vision, as I stand behind them.

KELLY DOLAN

Colgate University

While understanding the value of one and the power of all, The LeaderShape Institute promoted both personal and communal growth by encouraging us to challenge what is and look to what could be. As each participant created visions for the future, the LeaderShape community developed an inspiring atmosphere for each individual to make a positive change in our school communities and, ulti-

mately, in the world. This invigorating experience also served as renewal of my passion and appreciation for serving Gamma Phi Beta! Thank you for this invaluable opportunity!

KATY SHORT

University of British Columbia

I want to thank the Foundation and the generous donors for giving me the opportunity to attend LeaderShape. It was an amazing complement to my four years in Gamma Phi Beta, and the perfect opportunity to further develop the skills and confidence I gained through our sisterhood. LeaderShape helped me re-examine myself, my leadership, and my commitments. Now, I am even more proud to say I am a Gamma Phi Beta, and truly believe this experience has renewed and strengthened my commitment to our outstanding organization. A million thanks would not be enough!

LINDSEY RUSTER

I attended LeaderShape after a particularly difficult semester as an officer for Zeta Omicron and finishing six rigorous classes. This program built my character through team challenges and renewed my confidence as a woman and as a leader. I was able to share with and learn from student leaders all across the nation on topics such as integrity, unity and change. I will be able to use the skills and knowledge from these challenges and discussions to continue improving my leadership abilities as well as the abilities of the women on Executive Council. LeaderShape was a life-changing

experience, and I hope Gamma Phi Beta sisters will continue to have the privilege of being involved in this program.

KELLY BRAUN

Albertson College of Idaho

I met other participants that I still stay in touch with—we are all supportive of each other in our new lives outside of the little house in the middle of a cornfield. We reminisced how worry free and easy it was there with no hurdles, no bumps and no opposition. LeaderShape is not only a one time thing. It is another lifetime commitment similar to Gamma Phi Beta.

Gamma Phi Beta has made a huge impact on my life, and it has only been magnified by the opportunity of LeaderShape. I thank you for everything: the sisterhood, love, education and the bonds of Gamma Phi.

KIMBERLY ROUNDS

Albertson College of Idaho

The sessions were incredible! The facilitators rocked! But most of all, I learned about myself and about my vision for the future. I know it sounds cliché, but LeaderShape really did change my life.

I learned that leaders come in all forms. I am a reserved person who likes to take everything in and process it all in my mind before responding. I am a person who likes to create a peaceful environment around me, and I like to have ‘to do’ lists. These are things that I knew about myself before LeaderShape, but now I know that even though I’m shy and reserved, I’m still a leader.

LeaderShape has given me a renewed view that I can make a difference. I can be that pebble that creates the ripples in the water. I can create change. It is possible.

Camping for Girls

Supporting camping for girls has been part of our mission since the beginning. In this fiscal year, our chapters exceeded their fundraising goals with tremendous support for Camp Fire USA, the Sorority's philanthropic partner, and local camps in the U.S. and Canada. With efforts from 26 collegiate chapters and 48 alumnae groups, Gamma Phi Beta chapters raised over \$90,000, almost double the amount raised the previous year. The Gamma Phi Beta Foundation supplemented their efforts, making \$181,935 the total contribution to camping. These gifts provided 6,998 joyous days of camping for girls.

The mission of Camp Fire USA matches that of Gamma Phi Beta — to provide experiences and resources that build spiritual, mental and social resilience in girls. Canadian chapters continue to support local camping organizations through their Vancouver Camp Board.

"We raised over \$3,000 for Camp Fire, and had a fantastic time bonding." —Stephanie Stava (Creighton)

How did chapters raise so much money? Beta Alpha Chapter (Southern California) had a dodgeball tournament, charging entrance fees to the fraternities which participated. Add in a barbecue, DJ and movie night, and the members of Beta Alpha raised \$9,397, which, when supplemented by the Foundation, amounted to over \$14,000 for Troy Camp.

Delta Theta Chapter (California Polytechnic) had several philanthropic fundraisers this year, including a car wash. These enterprising women raised \$3,000 (\$4,950 when supplemented) for Camp Natoma, a CampFire USA camp in Arroyo Grande, California.

Wing Fling was Epsilon Delta Chapter's (Creighton University) spring philanthropy for Camp Fire USA. Several businesses around Omaha, including Best Buy and Buffalo Wild Wings, sponsored a buffalo wing feed before one of Creighton University's home baseball games. The chapter offered raffle prizes, and participants could try to score a goal on their pick of an Epsilon Delta member by paying \$1 to kick a soccer ball three times past a sister into a goal. The chapter raised more than \$3,000 from Creighton students and other Omaha residents for Camp Fire USA.

Congratulations to all the Gamma Phi Beta groups who went above and beyond in fundraising in support of the Sorority's philanthropy. The campers truly appreciate your hard work!

KAPPA DELTA WINS FIRST BETTY QUICK NPC SCHOLARSHIP

The first recipient of the Elizabeth Ahlemeyer Quick/Gamma Phi Beta Scholarship is Jennifer Lynn Hitt, a member of Kappa Delta Sorority at Mississippi State University (MSU) and a resident of Oneonta, Alabama.

Following a lead gift of \$22,000 from Gloria Swanson Nelson (Oklahoma) in honor of Betty Quick (Indiana) becoming the third Gamma Phi Beta to become the National Panhellenic Conference Chairman in 2005, many sisters supported this \$50,000 Foundation endowment. Each year, a young woman who has provided exemplary service to her college Panhellenic council will receive a \$2,000 NPC scholarship provided by the Gamma Phi Beta Foundation.

"I was delighted to receive the Gamma Phi Beta scholarship," wrote Jennifer. "Please express to your members my greatest thanks for supporting my academic endeavors. I am honored to receive a scholarship from such an outstanding organization."

Jennifer is a senior at Mississippi State, majoring in broadcast meteorology. After graduation, she plans to either work as a meteorologist or attend graduate school for a master's degree in student affairs and become a Greek advisor.

Jennifer is an excellent embodiment of the high academic and local NPC service criteria for the scholarship. She has achieved high grades and is the current president of the MSU Panhellenic Council. She also has served as the Panhellenic Assistant Recruitment Chair and the Panhellenic Judicial Board Chair, and as a Fellowship for Christian Athletes speaker for high school students. Jennifer was an intern at an Alabama television station this summer.

"It seemed so fitting that a Greek woman should benefit from Betty's outstanding service as she assumed the Chairmanship of the National Panhellenic Conference."

—Pat Nieman, *Kappa Delta 2nd Alternate Delegate and Treasurer, NPC Foundation*

SCHOLARSHIPS AND FELLOWSHIPS

In 2005-2006, the Gamma Phi Beta Foundation provided \$111,900 in scholarships and fellowships to deserving members. Through the generosity of Gamma Phi Beta alumnae and friends, the Foundation currently manages 54 scholarship and fellowship endowments. We congratulate and celebrate all 2005-2006 scholarship and fellowship winners.

The Gamma Phi Beta Foundation encourages members to apply for scholarships and fellowships. In some years, there are not enough applicants for all of our restricted scholarship/fellowship funds. The Foundation must receive applications by January 31, 2007. Contact your chapter advisor for more information and download applications at www.gammaphibeta.org/foundation or call the Foundation staff at 303.799.1874.

The Foundation supports education and the special needs of members facing serious life challenges.

GRANTS-IN-AID

The Gamma Phi Beta Foundation issues grants to undergraduate members facing unforeseen financial crises that might force their withdrawal from college. This year's grants totaled \$3,000.

DORIS GORDEN SPECIAL SISTER GRANT

The Doris Bird Gorden Special Sister Grant allows the Gamma Phi Beta Foundation to issue grants to members who are experiencing a sudden or unexpected crisis and need to further their educational skill sets with refresher courses for a career change. The applicant must be in good standing with Gamma Phi Beta, be in financial need, and be experiencing one or more of the following conditions: personal illness or disability, widowed or divorced, or illness or disability of her husband and/or child.

Lifetime Giving Circles

"This year, the Trustees have added new lifetime giving circles to recognize the growing generosity of our members and friends. I gratefully acknowledge their contributions to help the Foundation provide funding for leadership development, camping for girls and scholarships." — **Susan Schlessman Duncan (Colorado College), Honorary Chair, Lifetime Giving Circles**

This year, there are four new lifetime giving circles to recognize the growth in gifts from sisters, their spouses and friends. The support of these generous members and friends is an inspiration to all.

LOYALTY CIRCLE (\$500,000-\$999,999)

Lucile McVey Dunn pledged 71 years ago when Sigma Chapter was seeking outstanding students. "Compared with the other girls I was a country bumpkin, but I had all A's," she says.

Lucile grew up in a small Dust Bowl town, where her entrepreneurial father started a movie theater, the first of many in Kansas.

Lucile McVey Dunn (Kansas) with Jennifer Kurumada Chuang (California-Berkeley).

LABOR CIRCLE (\$100,000-\$249,999)

Lucile's parents quietly increased their wealth and began to share it. "They were very generous but always made donations anonymously, so no one knew how generous they had been," she says. To give her parents the acknowledgment they deserve, Lucile established the Garnette and Lloyd McVey Family Foundation which contributes to 20 organizations each year.

Her foundation gives an annual restricted gift to the Gamma Phi Beta Foundation. Her generosity has given the Sigma Chapter over \$175,000 to fund renovation projects at the chapter house. This gift is dear to Lucile's heart because she strongly believes having competitive, up-to-date housing is important to the strength of a sorority.

Lucile, like other sisters, is happy to give back to Gamma Phi Beta each year because of the opportunities the Sorority offered her. "My four years in that house were very happy, productive and fulfilling years," says Lucile.

The 1874 Society

"I am so proud of my sisters, whose generosity has enabled The 1874 Society to realize a record year in membership and contributions. These unrestricted leadership gifts provide the flexibility to meet the needs of our young women. Thank you to our 74 members, including 18 new members, who provided over \$150,000 in gifts of sisterhood with open hands and open hearts." — **Georgiana Post McClenaghan (Oregon State), Honorary Chair, The 1874 Society**

For 14 years, The 1874 Society has been our premier donor group of unrestricted funds, which are critical to the day-to-day operation of the Foundation. They give between \$1,874 and \$10,000 annually. This year, we received close to \$200,000 and had 18 new members, the largest growth since its inception.

* Increased gift level in 2005-2006

Trustees Karen Wander Kline (Iowa State) and Sandra Biegelman Burba (Miami) enjoy the pre-opening in the Foundation Room.

Sisters receive their foundation ribbons in recognition of their enthusiastic support.

Adrianna Moya Madril and Kathy Walck (California-Riverside), advisors for their Delta Lambda Chapter, enjoy the Foundation Luncheon.

Convention 2006

The Gift of Sisterhood filled the air as Gamma Phi Betas gathered for Convention 2006 in Phoenix. It was a time to renew friendships, share goals and celebrate successes. And it was an opportunity to put the fun into fundraising.

Volunteer leaders attending a special training session funded by the Foundation got a sneak preview of the Foundation Room on Tuesday night. Soon word spread that the Foundation Room was the place to be . . . to connect with sisters, to purchase Opportunity Drawing tickets, to bid on the awesome array of Silent Auction items. It was also the place to pick up a stack of Crescent Grams to send thoughtful messages to sisters. These little notecards with their embroidered hearts have become a popular Convention tradition, but this year's supply disappeared in record time.

LeaderShape scholarship recipients shared their experiences and expressed their gratitude during the Friends of the Foundation Breakfast, recognizing over 200 lifetime donors of \$250 or more. Amanda Henriksen, Beta Upsilon chapter president, said, "LeaderShape gave me the opportunity to grow into a woman who reflects Gamma Phi Beta's ideals."

All convention attendees gathered at the Foundation Luncheon where L'Cena Rice presented awards to Joyce Canavan Stewart and Jocelyn Birch Burdick (see page 4), both honored as Philanthropist Award winners. Special guests were the champions of our collegiate chapters — the advisors — who were honored as Queens for the Day as the Foundation announced its new Collegiate Advisor Development Endowment (see page 2, 3).

The Sorority keynote speaker Karen Horney Holbrook, Ph.D. (Wisconsin-Madison), president of The Ohio State University, also addressed and visited with members of The 1874 Society and Major Donors at their special luncheon at the Wrigley Mansion. Dr. Holbrook stressed the importance of unrestricted gifts saying, "These gifts come from donors who have confidence in the organization. They are wonderful because they allow us to take advantage of opportunities when they occur." The Foundation had underwritten her participation at Convention.

Collegians partied to the energizing music of dueling pianos at the Collegiate Bash and, at the same time, learned some Fast Foundation Facts to take back to their chapters. The event

offered a chance for collegians to win amazing prizes, including five grants for winning chapters to send a representative to LeaderShape next summer. But even more it was a night to celebrate sisterhood.

Campers from the Camp Fire USA Phoenix Council entertained conventioners at the Sorority Philanthropy Breakfast. The campers' wonderful smiles and letters of appreciation made it clear that local fundraising events are well worth the effort.

Throughout the week, competition was friendly but fierce as attendees from each region competed in the first Quest for the Crescent by making unrestricted gifts of \$10 or more to the Foundation. Region 4 took the prize by being the first to achieve 100% participation. Region 7 contributed the largest amount and had the highest average gift per full-time Convention attendee.

While some walked away with Opportunity Drawing prizes of jewelry and electronics and others were successful bidders for vacations, weekend getaways and designer handbags, all left Convention 2006 with a renewed commitment to the Gift of Sisterhood.

The Foundation introduced a new contest, Quest for the Crescent, which raised over \$17,000.

Collegiate and alumnae sisters enjoy Convention gatherings.

Collegians danced and sang with the dueling pianos at the Collegiate Bash.

"Attending Convention for the first time, I saw what it truly means to be a sister, and how special my membership really is." —Amy Blosser Spikes (Kansas)

Endowments are gifts that keep on giving. They are critical to the success of the Foundation and require a contribution of \$25,000 or more in one gift or installments over a five-year period from a donor, group of donors or bequests. Trustees increased the minimum level for a scholarship or leadership endowment by \$5,000. Endowment principal remains intact forever, while the Foundation distributes a portion of the investment and interest earnings from each endowment directly to the educational institution or programs specified by the donor.

The larger our endowments, the more funds the Foundation can award to Gamma Phi Beta Sorority leadership opportunities, educational and philanthropic programs and to deserving members.

From left: Jane Bacheller Habermann (Colorado State), Kay Wetzel Graham (Southern California), Lois Kirchner Abbott (San José State), and Marilyn Swift Tennity (Syracuse) at the Santa Barbara luncheon in June.

Giving Opportunities

At Convention, the Foundation presents \$10,000 to International President Linda Daniel Johnson (Vanderbilt) (left, holding check) from the interest of the new Collegiate Advisor Development Endowment. From left are donors: Trustees Lynn Towsley White (Colorado) and Barbara Hurt-Simmons (Nebraska-Kearney), Linda, Foundation Chair L'Cena Brunskill Rice (Southern California), Trustee Mary Vanier (Kansas State) and Una Mae Brunskill Naulty (Southern California).

The larger our endowments, the more funds the Foundation can award to our leadership opportunities, educational and philanthropic programs, and to deserving members.

As part of our lifetime commitment, your tax-deductible gift of any amount contributes to the Sorority's commitment to develop young leaders. There are many tax-deductible giving opportunities to the Gamma Phi Beta Foundation.

ANNUAL GIVING SOCIETIES

These societies provide flexibility so you can give at many levels:

The 1874 Society

Annual unrestricted gifts of \$1,874 or more.

Founders Society

Annual unrestricted gifts of \$250 to \$1,873.

Tau Epsilon Pi Society

Bequests, life income gifts or gifts of life insurance.

These appeals occur throughout the year and contributions can be made any time:

Annual Appeals

All donors and prospects receive requests for unrestricted gifts through our direct-mail campaigns in the fall and spring.

Your gifts as young alumnae are so important!

Establish or Support an Endowment

Members are encouraged to establish endowments; contact the Foundation office for details. Examples include the Josephine Hall Graham Epsilon Scholarship Endowment and the Ruth Andrea Seeler, M.D. Collegiate Consultant Leadership Endowment.

Parents and Friends

Parents and friends often show support of Gamma Phi Beta members by making a tax-deductible gift to the Foundation.

Matching Gifts

See your employer's human resources department for details.

The Sisterhood Plaza

For an unrestricted gift of \$125 or more, a personalized brick will be placed in the Sisterhood Plaza in front of International Headquarters in Centennial, Colorado.

"By remembering Gamma Phi Beta Foundation in our estate plans, we help guarantee that leadership training, scholarships and camping for girls continue to benefit women and our society in the future. It is a special gift of sisterhood to plan for how to benefit others beyond our lifetimes. Thanks to these 270 sisters who have the vision of the Gamma Phi Beta Foundation's future. This year, we gratefully benefited from \$158,000 in bequests from three members and friends." — **Ann Mullen Bronsing (Indiana State), Honorary Chair, Tau Epsilon Pi Society**

THE ULTIMATE GIFT THAT KEEPS ON GIVING

Evelyn Virginia Wiley, Ph.D. (Birmingham-Southern) was a firm believer in the value of education. Dr. Wiley was a professor of History, best known for her courses on 20th Century Chinese History and the French Revolution. An ardent traveler herself, she also pioneered courses at Birmingham-Southern College involving travel for academic credit.

Several years ago, Evelyn notified the Foundation that she had included a gift in her will. As a member of the Tau Epsilon Pi Society, Evelyn joined other sisters in preparing for her final gift to Gamma Phi Beta by including a bequest, with the funds to be used for the scholarship and fellowship program. When she passed away last fall, the Foundation realized the benefit of her careful plans, allowing the Trustees to create the Evelyn V. Wiley Scholarship/Fellowship.

Alumnae and Collegiate Donors

Many groups play a significant role in the success of the Gamma Phi Beta Foundation. With busy academic, work and Sorority schedules, collegians find time and energy to participate in everything from tournaments to walk-a-thons to support local camps and contribute to the Foundation. Busy alumnae sponsor a myriad of creative fundraisers and special events. In addition to alumnae and collegiate chapters, Crescent Circles, and House Corporation Boards, organizations/corporations also contribute generously through direct contributions and matching gifts.

South Bay Alumnae Chapter (represented by L'Cena Rice, left) and the Greater Long Beach Area CampFire USA Council celebrate support for campers.

ALUMNAE RAISE FUNDS FOR CAMPING

Alumnae do superb fundraising, too. South Bay Alumnae Chapter hosted a "phantom tea", with invitations sent to all members and friends of Gamma Phi Beta in the area. With supplemental funding provided by the Gamma Phi Beta Foundation, the South Bay Alumnae Chapter was able to present the Greater Long Beach Area CampFire USA Council with a check for \$825.

Annual Donor Roll

The generosity of Foundation donors grows each year. Some donors choose to make unrestricted gifts, so that the Trustees can use the funds in the areas of greatest need. These donors are members of The 1874 Society, the Founders Society or the Loyalty Fund, or have made memorial or in celebration gifts. Other donors choose to restrict their gifts, creating endowments for scholarships or leadership programs, or making donations to be used by their special chapter. These *gifts of sisterhood* are celebrated here.

In a change from previous years, this listing now shows **total giving** — combining **restricted and unrestricted gifts** into one list by chapter and amount. We are proud to recognize the collegiate and alumnae donors to the Gamma Phi Beta Foundation for 2005-2006.

Donors to Restricted Funds

The Foundation offers a number of endowment funds for leadership and advisor training, undergraduate scholarships and graduate fellowships, chapter specific educational-related housing improvements, Convention delegate expenses as well as underwriting of special events at Convention and other donor cultivation and recognition events. The donor establishes the restrictions for the use of the funds. This year, 705 generous members and friends provided these much-needed designated gifts to the Foundation.

If you are interested in starting an endowment or contributing to an existing one, contact the Foundation staff at foundation@gammaphibeta.org or call 303.799.1874.

BETA RHO—A GIFT OF SISTERHOOD

When a young alumna member of their chapter suddenly died this year, sisters decided to establish a leadership endowment in her memory. Tiffany Barnard Andres (Colorado) was initiated in 1990 and leaves behind a husband and infant daughter. A behind-the-scenes leader in the chapter, she was known for her glowing smile and truly warm heart. Tiff was also a woman of pure determination, financing her way through college while making it a priority to be involved in the Sorority.

As a tribute, the House Corporation Board and the Executive Board of the Boulder Alumnae Chapter are raising \$25,000 to fund educational opportunities for emerging leaders. The distributable income will be used for leadership programming for Beta Rho collegians in good standing *each year*—a wonderful way to ensure the strength of the chapter and to honor Tiff in perpetuity. Together, they are creating a gift of sisterhood that will keep on giving.

Collegiate Advisor Dawn Schriver McSavaney (Puget Sound) with Beta Rho collegians and advisors.

2005-2006 Financial Report

The Foundation is happy to share financial data for the 2005-2006 fiscal year in this Annual Report. This data is unaudited because our audited results are not available until late October 2006, after the publication deadline for this issue of *The Crescent*. From past experience, we do not anticipate that the audit will result in any material changes. A copy of the audit will be available upon written request.

REPORT CARD FOR THE PERIOD AUGUST 1, 2005 THROUGH JULY 31, 2006:

- I. Total Assets increased by \$307,818 to \$8,071,668.
- II. Endowment and restricted assets in our three program funds, Camping, Financial Aid, and Leadership, increased by \$436,208 to \$7,175,666. The largest increase was in the Leadership Fund.
- III. Our investment income was \$321,280.
- IV. We received Total Contributions of \$1,227,782.

HOW ARE FOUNDATION ASSETS INVESTED AND USED?

We believe that long-term investment success is best achieved by maintaining a balanced portfolio of 60-65 percent equities (stocks) and 35-40 percent fixed income (cash and bonds). A portfolio of all stock would expose our assets to "bear market" risk (decline in value), while a portfolio of all bonds and cash would provide little potential for appreciation.

Each year, we distribute four percent of the principal value of each endowment plus four percent of the five-year rolling average of the accumulated net earnings of that endowment. The four percent payout is a conservative approach and in line with the Foundation's fiduciary responsibility to donors.

HOW ARE FOUNDATION FUNDS USED?

This fiscal year, the Foundation provided grants to the Sorority for leadership programming, such as the Collegiate Leadership Consultant program and participation at The LeaderShape Institute® by collegiate members. These grants were funded by distributable funds from the Leadership Fund Endowments and from the General Fund as authorized by the Board of Trustees.

Financial Aid grants, including scholarships and fellowships, are funded by distributable funds from the Financial Aid Fund endowments.

Our chapters did an excellent job of fundraising in support of camping this year. Combined with supplemental funding from the Foundation's Camping Endowments, a record amount was granted to Camp Fire USA and other local camps.

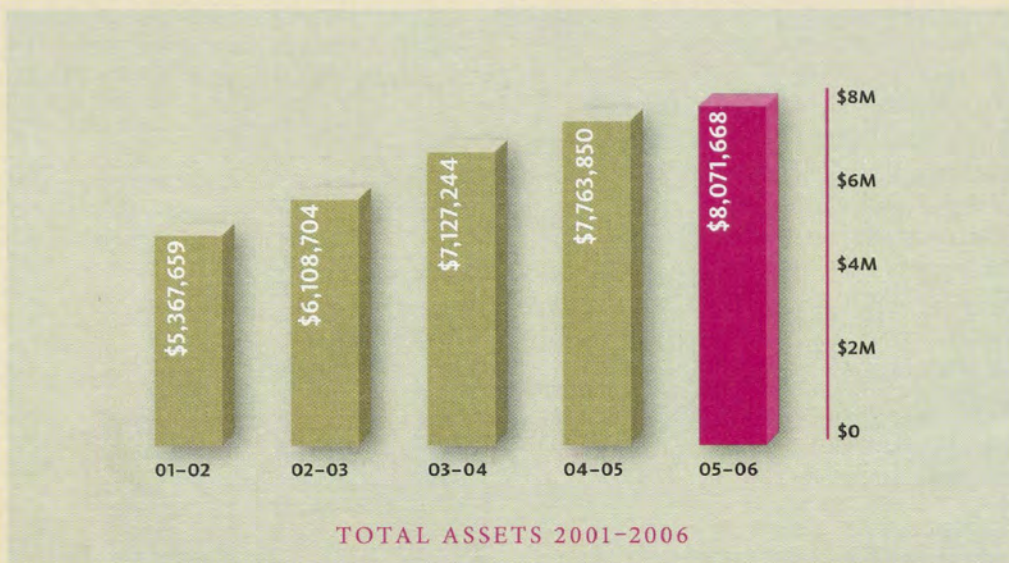

The General Fund provides the dollars needed for the Foundation to do business. The program grants must be overseen and managed. We must continue with our fundraising, which has associated costs. We are a business, and must maintain a place of business and a professional staff to help the Board of Trustees handle the day-to-day operations involved with an educational non-profit organization. We strive to keep our fundraising and administrative expenses well within accepted levels, so that you can be assured that your contributions are being used to support the programs of Gamma Phi Beta.

Thank you for your support this past year. Our success depends on you.

Virginia Harris Hammond
Finance and Investment Chair,
Gamma Phi Beta Foundation

Program support may fluctuate from year to year due to bequests, designated donations or one-time-only program grants.

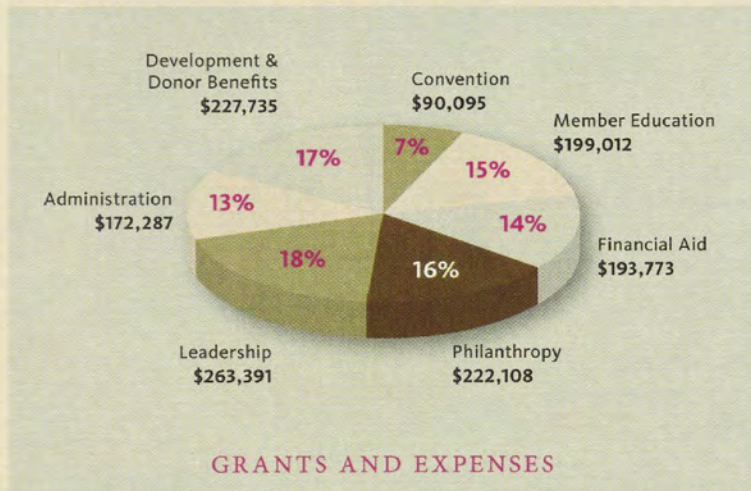

Gamma Phi Beta Foundation, Inc. is an Internal Revenue Code 501(c)(3) non-profit corporation. All gifts to the Foundation are tax-deductible to the extent allowed by law. Gamma Phi Beta Foundation books for the fiscal year ending July 31, 2006 were audited by JDS Professional Group. An audit report will be provided upon written request. Tax Identification Number 75-6026984.

GIVING SECURITIES

Donating appreciated assets to the Foundation may be an appropriate way to receive an immediate charitable deduction and avoid capital gains tax, while supporting the mission of the Foundation. You can contribute long-term appreciated stocks or other securities by contacting the Foundation office at 303.799.1874 to obtain transfer information and other instructions.

A TIME-LIMITED GIVING OPPORTUNITY

A new law passed this summer, permitting tax-free charitable gifts from a traditional or Roth Individual Retirement Account (IRA). If you are 70½ or older, you can transfer up to \$100,000 from your IRA to the Gamma Phi Beta Foundation in 2006 and 2007. For more information about this unique (and time-limited) opportunity, call the Foundation staff at 303.799.1874 or speak to your tax advisor.
