# A Message from L'Cena Rice

**A**s I begin my seventh year as Chair of this wonderful Foundation, I am totally in awe of our fabulous sisters and friends who give so much to the Foundation and do so much for our Sorority. Your tax-deductible financial support enables us to fund Sorority leadership programs, philanthropy and scholarships for our members.

Due to the generosity of so many sisters we have experienced another record year, growing the Foundation's total assets to more than \$9.4 million. It is hard to believe we were at \$5.5 million when I assumed this role. This growth has been possible only because of our loyal donors, strong growth in investments and our hard-working staff and volunteer Trustees.

These gifts of sisterhood are growing in many ways. We had 19 individual or group donors establish new endowments. When fully funded, they will add \$1.75 million of assets. An exciting new endowment is the *Celebrating Our Past, Ensuring Our Future* Endowment for Beta Upsilon Chapter. This Foundation pilot program has raised awareness and promoted interest from other chapters.

In 2006-2007, your gifts totaled more than \$1.8 million, a 72 percent increase over last year's gifts. Our strongest growth was in restricted gifts, with major increases in both endowments and area grants.

As you see in the chart at left, leadership programs continue to be our highest priority, and we gave over \$215,000 to support them.

It is exciting that our collegiate chapters have embraced our Camping For Girls philanthropy. This year we contributed more than \$171,000 for this initiative, including \$105,775 raised by our alumnae and collegiate chapters. There was strong support for the Sorority's collaboration with Camp Fire USA™ and a variety of other local camps.

The Foundation provided 83 sisters with the gift of undergraduate scholarships, graduate fellowships and grants-in-aid, totaling \$139,450. There is always more work to do because we had 121 qualified applicants for scholarships and fellowships.

Another outstanding development this year was the 858 first-time gifts that we received from members, many in response to our successful Spring break flip-flop campaign. We hope these young women will continue to include our Foundation in their annual giving plans.

Our giving society members increased their strong support of unrestricted gifts, which are critically important to enable the Foundation to respond to the areas of greatest need. Members of The 1874 Society continue to lead the way with unrestricted gifts of \$1,874 or more annually. We raised approximately \$151,000 from 69 members. This upcoming year, we are focusing on the Power of 100 with a goal of \$100,000 from 100 Gold Leaders. We had 33 Gold Leaders of the Founders Society in 2006-2007.

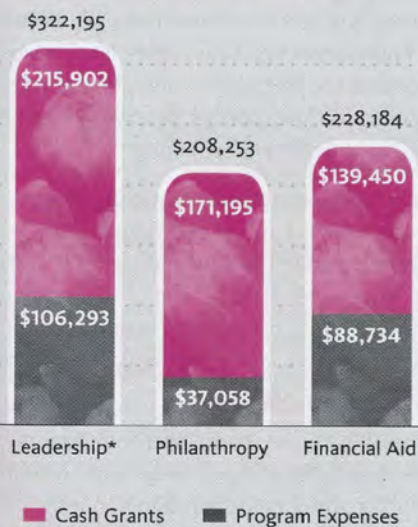

We continued to work toward our fundraising goals for the Collegiate Advisors Development and the Laurel Blair Salton Clark Memorial Leadership endowments.

We thank you for every single gift that enables us to provide for the Sorority's leadership programs, philanthropy and financial aid. We are grateful for your growing support. We truly mean that every gift counts and every sister's support counts.

Love in ΠΚΕ,

L'Cena Rice  
Chair, The Gamma Phi Beta Foundation

### WHAT ARE ENDOWMENTS?

*Endowments are donations made to benefit chapters, leadership programs, scholarships, fellowships, camping or other special opportunities through the Foundation. Because of the way they are structured, they will last forever. With a gift of \$25,000 or more, an endowment will generate interest and income to be distributed as annual awards. The principal (the amount of original donation) must remain intact so that it benefits members in perpetuity.*

*For more information on creating a new endowment or contributing to an existing one, contact the Foundation at 303.799.1874 x304 or email us at [Foundation@gammaphibeta.org](mailto:Foundation@gammaphibeta.org).*

Helen Pustmueller (UCLA) completed her pledge of \$100,000 to the Helen Ward Pustmueller Museum Endowment this year.

## Growth in Endowments

Endowments provide funds in perpetuity to help sisters.

**G**rowth of our Foundation takes many forms and the number of endowments has surged in the last year. These wonderful gifts provide funds in perpetuity to help current sisters and members yet to come. The Foundation can award more leadership opportunities, educational and philanthropic programs to the Sorority's deserving members because of larger endowments.

Thanks to the incredible generosity of our members, their families and friends, the Foundation added 19 new endowments with a total value when fully funded of \$1.75 million. Their generosity has created needed support for the Sorority's leadership, educational and philanthropic programs.

Individuals, chapters and groups of donors have established most of these endowments and others have come through bequests of members. We are so appreciative of all these donors and highlight several that illustrate the variety of support.

Gamma Phi Beta connects three students working at International Headquarters: Jesse Reese (Denver), My Le Nguyen (Wichita State) and Stephanie Stava (Creighton).

Sometimes, a Gamma Phi Beta relative establishes an endowment to honor a loved one. Knowing how much the Sorority meant to her mother, Worth Ludwick gave a \$100,000 gift to honor Noreen Linduska Zahour's (Illinois) passion for education. The Noreen Linduska Zahour Scholarship Endowment is a generous and loving memorial that will benefit Gamma Phi Betas forever, with preference toward those members pursuing degrees in journalism, advertising, creative writing or English.

An important initiative funded as part of the Collegiate Advisor Development Endowment inspired another donor to establish an endowment. She directed that distributable income from the Connect. Impact. Shine. Endowment be used each year to support on-line, distance learning or other innovative, cutting-edge volunteer leader training programs that may evolve over time. Her inspiration was seeing the success of Gamma Phi Beta's online advisor training program, which recently received an award for its new and up-to-date approach to volunteer training.

Foundation Finance and Investment Trustee Ginny Hammond (Colorado-Boulder) has created a general fund endowment. Her knowledge of our finances and importance of unrestricted funds led her to provide a \$50,000 endowment for the Foundation and/or Board operations.

An alumnae group that has historically funded a cash award through annual fundraising realized the benefit of partnering with the Gamma Phi Beta Foundation. They created the Evanston-North Shore Alumnae/Epsilon Chapter Scholarship/Fellowship Endowment to benefit outstanding members at Northwestern. The chapter is hoping that recent short-term

changes in IRA provisions permitting tax-free rollovers for certain charitable gifts will encourage members to contribute to this endowment (see page 25 for more information).

These are just some of the highlights of this year's new endowments. Some of these generous gifts were paid in full this year. Other donors have pledged to provide their gifts over five years. As with any endowment, other members may augment these initiatives with their gifts. There are many donors who added significantly to existing endowments.

We sincerely thank all who established or contributed to Gamma Phi Beta Foundation endowments during the past year.

#### **PLEDGES FROM KANSAS STATE ALUMNAE**

*Beta Upsilon alumnae have a goal of \$1.5 million for their chapter's educational purposes and they raised \$323,073 in cash in the fiscal year. They also received many pledges, including three \$25,000 pledges from Martha Steps Frank, Judy Mai Millen and Sandra Gutru Reilly.*

## Leadership Development

Providing leadership support for our outstanding members is a primary focus of the Gamma Phi Beta Foundation. While many leadership programs benefit from funding, the three key areas are scholarships for The LeaderShape Institute®, volunteer leader training and the Collegiate Leadership Consultant (CLC) Program.

In summer 2007, the Foundation provided funds for the Sorority to award 22 LeaderShape scholarships to outstanding collegians. In our first year of sponsorship, 10 collegiate members attended LeaderShape. To date, 75 of our young leaders have had the opportunity to participate in this powerful six-day program. LeaderShape provides tools for college students to "lead with integrity." Our vision is to grow our participation each year until every chapter is sending at least one member annually.

Since the success of our chapters directly corresponds to the effectiveness of our volunteer leaders, a new area of focus is "training the trainer." The Foundation established the Collegiate Advisor Development Endowment to ensure training for our volunteers who provide advisory support to our chapters. Thanks to a new Connect. Impact. Shine. Endowment, the Sorority's volunteer leaders in the eight regions will have similar training in the future.

In addition to individual training, team building is also important. The Foundation was proud to support 14 advisors to attend Regional Leadership Conferences this year. "Our leadership conferences are a great way for regions to build as teams, and plan how to best serve our collegiate and alumnae chapters," said Shauna Revello Wilson (Washington State), Regional Director-Region 4.

The Collegiate Leadership Consultant Program remains at the top of the Sorority's wish list. Each year, the Sorority hires recent graduates to visit our U.S. and Canadian chapters and colonies. We support consultant training, travel and technology for CLCs with proceeds from endowments and unrestricted funds. We hope that the educational components of the program will ultimately be fully funded.

"The training I received as a CLC has helped me appreciate all that Gamma Phi Beta does to empower young women to excel," said Pamela Mayer (Denver), Collegiate Leadership Consultant 2006-2007.

Mary Jo Hope (Oklahoma City), whose travels were supported by the Ruth Andrea Seeler, M.D. Collegiate Leadership Consultant Endowment, said she never felt alone while on the road. "The training gave me a new understanding of the international organization. When I had questions, I knew who to call."

Jamie Shultz (Oklahoma), a second-year CLC, said: "My extensive training helped me to feel more comfortable with my position but, most importantly, allowed me to assist chapters in all areas of Sorority life, including the Foundation."

## FOUNDATION AMBASSADORS/CLC TRAINING

Collegians at eight pilot chapters—one in each region—learned more about the importance of the Foundation, thanks to the Foundation Ambassadors Program launched in September 2006.

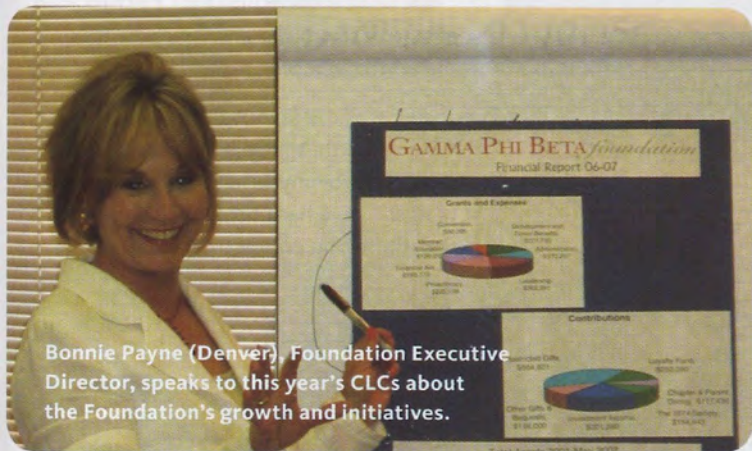

In addition, Executive Director Bonnie Payne provided expanded training about the work of the Foundation in late July to help prepare the new CLCs for working with their chapters.

Ambassadors Chair Colette Cooley Hayes (Bradley) of Houston reports that the Foundation Ambassadors have focused on educating their chapters about what the Foundation provides including scholarships, leadership training and camping for girls and how the collegiate chapters can support the Foundation.

“Through the ambassadors’ feedback, we have learned what types of chapter programs were well-received,” Colette says. “In the future, we are planning to prepare more materials for their use, such as PowerPoint presentations and Foundation videos on DVD.”

Starting this September, newly appointed Foundation mentors will begin working with the pilot chapters. These alumnae advisors include current and former Trustees or committee members, who were selected for their depth of knowledge or current work with the Foundation.

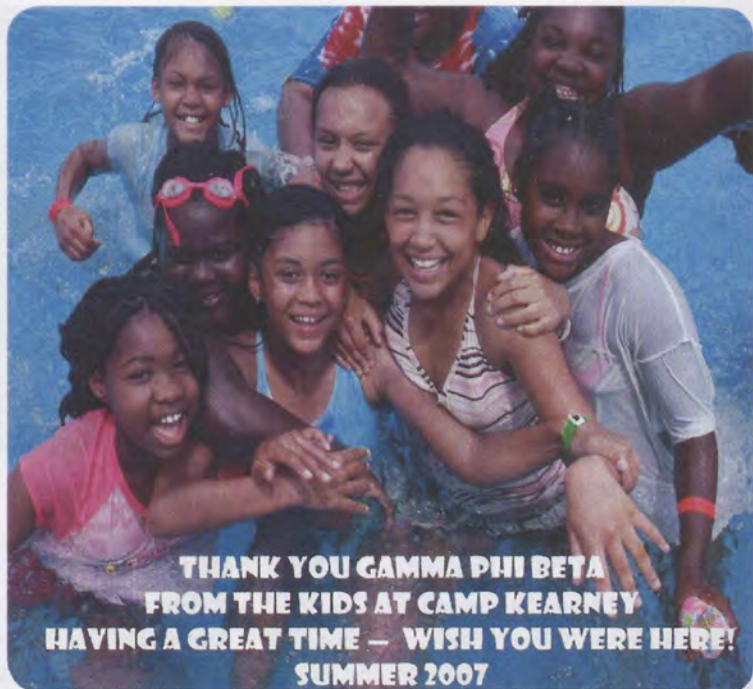

Continuing in the pilot program are Northwestern, Idaho, Wittenberg, Kansas State, Colgate, Christopher Newport and Chapman. The Sorority selected Texas A&M—Corpus Christi as the new representative of Region 3 for the 2007–2008 program.

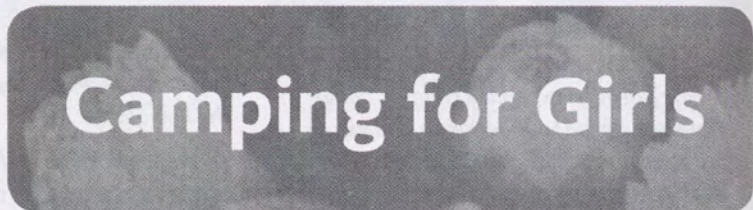

Bonnie Payne (Denver), Foundation Executive Director, speaks to this year’s CLCs about the Foundation’s growth and initiatives.

**THANK YOU GAMMA PHI BETA  
FROM THE KIDS AT CAMP KEARNEY  
HAVING A GREAT TIME – WISH YOU WERE HERE!  
SUMMER 2007**

**A** stay at camp can shape a child's life in a positive manner, and bring hope to a child with an illness; it can provide a safe haven for a child who has been abused. At camp, a child is encouraged in an environment where a kid can be a kid.

The sisters of Gamma Phi Beta Sorority chose to philanthropically support camping for girls in 1929. Over the years, the membership has renewed its belief in this cause including choosing to collaborate with Camp Fire USA™ in 2002.

For more than 30 years, the Gamma Phi Beta Foundation has partnered with the Sorority to provide supplemental funds for camps that our chapters support at the local level. This year, the total donation to camping was more than \$171,000, allowing for 4,891 camper days for young girls in the U.S. and Canada.

We had 28 collegiate chapters and 43 alumnae chapters/groups apply for supplemental funds. With supplemental funds, chapters throughout the United States and Canada awarded approximately \$140,000 to camps for girls.

In addition, 22 collegiate chapters and three alumnae chapters/groups supported the national fund for Camp Fire USA™. These funds send girls with the greatest need for scholarships to Camp Fire USA™ camps, including in cities where there is no Gamma Phi Beta chapter.

#### **SUPPORTING A LOCAL CAMP FIRE USA CAMP**

Zeta Sigma Chapter at the University of South Carolina supports the nearby Camp Fire USA™ Georgia Council. This year, they held their second annual Crescent Classic Dodgeball Tournament. This event raised \$4,000. With supplemental funds from the Gamma Phi Beta Foundation, the chapter was able to make a total contribution of \$5,400. Event participants from various organizations gathered for some friendly competition, fun door prizes and great food. The Gamma Phi Beta sisters acted as the referees for the dodgeball games.

#### **A WORLD AWAY**

"I felt more mature when I got back," Christina said. "At camp, I was having fun, but I guess I was growing up at the same time." Thanks to the sisters of Gamma Phi Beta's Zeta Sigma Chapter, Christina was able to attend Camp Toccoa in the mountains of North Georgia. This is a wonderful respite for Christina who, along with her mother and two brothers, has struggled to overcome homelessness.

"Canoeing was my favorite, though," she says of the activity that gave her the most solace. "I always went by myself because a partner would give me a hard time, telling me how to row. But being on my own was peaceful."

**Gates Camp**

At Gates Camp, located near Colorado's Indian Peaks Wilderness Area, members of the Boys & Girls Clubs of Metro Denver experience outdoor learning and fun during a week-long camp program.

A young girl enjoys the fun and games of the Camp Fire experience.

Trustee Anne Layton (standing left) and Foundation Executive Director Bonnie Payne (standing center) share information about the Foundation's support of our members and our camping for girls philanthropy with Toronto alumnae.

Mary Walstad Hoffmann (North Dakota State), Foundation Financial Sub-Committee Chair, welcomes Alumnae Initiate Linda Sutfin Walker (North Dakota).

Scholarships and fellowships help young women pursue their dreams through education.

## Financial Aid

**C**onnect. Impact. Shine. It's what Gamma Phi Betas do! We connect with one another and with the world around us, we make a positive impact on our world and we shine while we do it. Gamma Phi Beta alumnae and friends give generously to the Foundation in ways that really connect and make an impact on young women who in turn use their gifts to shine in our communities.

### SCHOLARSHIPS AND FELLOWSHIPS

In 2006–2007, the Gamma Phi Beta Foundation provided \$137,450 for 81 scholarships and fellowships to deserving members. We congratulate and celebrate all 2006–2007 scholarship and fellowship winners.

The Gamma Phi Beta Foundation encourages members to apply for scholarships and fellowships. In some years, there are not enough applicants for all of our restricted scholarship/fellowship funds. For the 2008–2009 school year, we must receive applications by January 31, 2008. Contact your chapter advisor for more information and download applications at [www.gammaphibeta.org/foundation](http://www.gammaphibeta.org/foundation) or call the Foundation at 303.799.1874.

The Foundation supports education and the special needs of members facing serious life challenges.

### GRANTS-IN-AID

The Gamma Phi Beta Foundation issues grants to undergraduate members facing unforeseen financial crises that might force their withdrawal from college. This year's grants totaled \$2,000.

### DORIS GORDEN SPECIAL SISTER GRANT

The Doris Bird Gorden Special Sister Grant allows the Gamma Phi Beta Foundation to issue grants to alumnae who are experiencing a sudden or unexpected crisis and need to further their educational skill sets with refresher courses or a career change. The applicant must be in good standing with Gamma Phi Beta, be in financial need, and be experiencing one or more of the following conditions: personal illness or disability, widowed or divorced, or illness or disability of her husband and/or child.

## Scholarship and Fellowship Winners, *Restricted*

The donors of these endowments establish restrictions to limit these awards to members of specific chapters or those residing in designated geographic areas. In some cases, a donor may limit the award to students majoring in a particular field of study and members from any chapter may apply.

## BETTY QUICK'S ENDOWMENT GROWS

*"The generosity of our organization never ceases to amaze me. It seems that no matter what a young woman needs, Gamma Phi Beta just keeps on giving. Thanks to the Foundation's selfless donors, Gamma Phi Betas throughout the U.S. and Canada will be able to achieve their goals through scholarships from our Sorority." — Loretia Taylor (Washington State)*

After a lead gift of \$22,000 from Gloria Swanson Nelson (Oklahoma), an endowment was created to honor Betty Quick (Indiana) in 2005 when she became the National Panhellenic Conference (NPC) Chairman — the third Gamma Phi Beta to hold this rotating position. Each year, a young woman who has provided exemplary service to her college Panhellenic Council will receive a \$2,000 NPC scholarship provided by the Elizabeth Ahlemeyer Quick/Gamma Phi Beta Scholarship. Betty had the honor of presenting this year's award to Hayley Steplyk, an Alpha Phi at Dartmouth and a resident of Grayslake, Illinois.

A National Merit Commended Scholar, Hayley is an engineering double major seeking both Bachelors of Arts and Bachelors of Science degrees. As a member of the Women In Science Project, she encourages underclassmen to persist in science, math and engineering, and provides help to them in pursuing these fields as a career. Hayley is a founding member of the Alpha Phi colony at Dartmouth and has been active in

improving the Greek community. As a member of the Panhellenic Council, she rallied support in the community to eradicate hazing. She continues to advocate for educational programs to deal with this issue.

In late July, the Betty Quick endowment reached its \$100,000 goal, making an additional scholarship available for a Gamma Phi Beta collegian who has made an outstanding contribution to her college Panhellenic. Loretia Taylor (Washington State) received a \$1,750 scholarship, the first Gamma Phi Beta chosen for this endowment.

# Lifetime Giving Circles

**Susan Schlessman Duncan (Colorado College), Honorary Chair, Lifetime Giving Circles**

"In 1874, our Founders provided a vision with common beliefs that the members of Gamma Phi Beta could be a positive influence in helping others. I believe all members can support the goals of the Foundation: leadership development, camping for girls and scholarships. Your financial support is important to reach our goals. We are appreciative of your help."

This year, there are four new lifetime giving circles to recognize the growth in gifts from sisters, their spouses and friends: Love, Labor, Learning, and Loyalty. The support of these generous members and friends is an inspiration to all.

Honorary Chair,  
The 1874 Society

"The day we join Gamma Phi Beta we make a commitment to love, labor, learning, and loyalty. Our generosity to The 1874 Society confirms this commitment to the values of the Sorority. Winston Churchill once said, 'We make a living by what we get, but we make a life by what we give.'"

For 14 years, The 1874 Society has been our premier group of unrestricted-fund donors, who are critical to the day-to-day operation of the Foundation. They give between \$1,874 and \$10,000 annually. This year, we received \$151,000 and had 10 new members.

## WHY AN UNRESTRICTED GIFT?

The Gamma Phi Beta Foundation encourages donors to make unrestricted gifts to the Foundation to provide flexibility for responding to rapidly changing needs in the Sorority's leadership and educational programming, changes in the investment arena, and the evolving requirements of fundraising. Unrestricted funds allow the Foundation to provide funding where the need is greatest.

# Founders Society

**Phyllis Donaldson Choat (Nebraska-Lincoln), Honorary Chair, Founders Society**

"Our Founders would certainly be proud of our alumnae for supporting Gamma Phi Beta's core programs and initiatives with their annual unrestricted gifts. These gifts are vital to the future strength and long-term stability of our sisterhood, enabling our Sorority to fulfill its mission. Together, our unrestricted gifts demonstrate our belief in the power of philanthropy to change lives. Year after year, gift after gift, together we're making a difference. Thank you."

The Founders Society recognizes annual unrestricted gifts to the Foundation of \$250 – \$1,873. Together, our Founders Society members contributed more than \$110,000.

## GOLD LEADERS AND THE "POWER OF 100" INITIATIVE

*Gamma Phi Beta Foundation proudly recognizes our members who give annual unrestricted gifts of \$1,000 to \$1,873 — our Gold Leaders. Special sisters who contribute \$1,000 annually make an immediate difference in the lives of our sisters.*

*With 100 Gold Leaders making gifts of \$1,000, we will raise \$100,000. Please be a part of our special Power of 100 Initiative in 2007 - 2008. Contact the Foundation for more information.*

*"I will be 82 next week, and I wanted to do something more for Gamma Phi Beta. I enjoy giving to the Sorority. The Power of 100 is a great level for me. I hope in the future I can do more."*

# Tau Epsilon Pi Society

**Ann Mullen Bronsing  
(Indiana State),  
Honorary Chair, Tau  
Epsilon Pi Society**

"My personal thanks to these 279 Tau Epsilon Pi Society members. They remember what Gamma Phi Beta has meant to them through the years and have made estate plans to 'remember' our sisterhood beyond their lifetimes. These gifts will ensure that quality leadership education, scholarships and camping for girls will continue to benefit, not only our sisters, but society at large. What a great way to impact the future. This year's three bequests demonstrate the generosity and foresight of sisters and friends of the Foundation.

"You too can be a member of Tau Epsilon Pi by informing the Foundation of your estate planning."

Our wills are the final chapter in the stories of our lives. The pages speak about our love for families and friends, and for organizations such as Gamma Phi Beta through the Foundation. In 1990, 37 progressive-thinking members, realizing that they could encourage others to include the Sorority in their estate plans, established the Tau Epsilon Pi Society. Since that time, 279 individuals have notified the Gamma Phi Beta Foundation of an estate gift. Tau Epsilon Pi members as of July 31, 2007 are:

### Senior Carnation Appeal

Senior collegians are encouraged to begin a tradition of giving to the Foundation immediately upon graduation. The first year after graduation, we ask each senior to provide her new address and make a \$10 gift to the Foundation, second year \$20, third year \$30, and fourth year \$40. Gifts from young alumnae are so important!

### Establish or Support an Endowment

Members are encouraged to establish endowments. Endowments may be created for \$25,000 or more. Examples include the June Williams Smith Xi Chapter Scholarship/Fellowship Endowment and the Ruth Andrea Seeler, M.D. Collegiate Leadership Consultant Endowment. Contact the Foundation office for details.

### Parents and Friends

Parents and friends often show support of Gamma Phi Beta members by making a tax-deductible gift to the Foundation.

### Matching Gifts

Many companies and organizations provide matching gifts which allow members to double and triple donations. See your employer's human resources department for details.

### The Sisterhood Plaza

For an unrestricted gift of \$125 or more, a personalized brick will be placed in the Sisterhood Plaza in front of International Headquarters in Centennial, Colorado.

# Alumnae and Collegiate Donors

Many groups play a significant role in the success of the Gamma Phi Beta Foundation. With busy academic, work and Sorority schedules, collegians find time and energy to participate in everything from tournaments to walk-a-thons to support local camps and contribute to the Foundation. Busy alumnae sponsor a myriad of creative fundraisers and special events. In addition to alumnae and collegiate chapters, Crescent Circles and House Corporation Boards, organizations/corporations also contribute generously through direct contributions and matching gifts.

# Annual Donor Roll

The generosity of Foundation donors grows each year. Some donors choose to make unrestricted gifts, so that the Trustees can use the funds in the areas of greatest need. These donors are members of The 1874 Society, the Founders Society, the Loyalty Fund or have made Memorial or In Celebration gifts. Other donors choose to restrict their gifts, by creating endowments for scholarships or leadership programs, or making donations to be used by their chapters for educational purposes.

This listing shows total giving — combining restricted and unrestricted gifts in one list by chapter and amount — of cash gifts during the fiscal year. We are proud to recognize the collegiate and alumnae donors to our Foundation for 2006 – 2007.

# Donors to Restricted Funds

The Foundation offers a number of endowment funds for leadership and advisor training, undergraduate scholarships and graduate fellowships, chapter specific educational related housing improvements, Convention delegate expenses as well as underwriting of special events at Convention and other donor cultivation and recognition events. The donor establishes the restrictions for the use of the funds. This year, 899 generous members and friends provided these much needed designated gifts to the Foundation. This listing does not reflect many generous pledges received this year.

If you are interested in starting an endowment or contributing to an existing one, contact the Foundation staff at [Foundation@gammaphibeta.org](mailto:Foundation@gammaphibeta.org) or call 303.799.1874.

# Financial Report

The Foundation is happy to publish financial data for the 2006 – 2007 fiscal year, which ended July 31. The data has not yet been audited because our auditors will not complete their work until after the publication deadline for this issue of *The Crescent*. In past years, there have been no material changes to our financial statements after completion of the audit; we anticipate the same result this year. A copy of the audit will be available upon written request.

## REPORT CARD FOR THE PERIOD AUGUST 1, 2006 THROUGH JULY 31, 2007:

- I. Total Assets increased by approximately \$1 million to over \$9.4 million.
- II. Total Assets in our three program funds, Leadership, Camping, and Financial Aid increased by over \$1 million to \$8 million.
- III. We received total contributions of \$1,853,954.
- IV. Our investment income was over \$878,970.

## INVESTMENT & SPENDING POLICIES

Newspapers, television, radio stations and Web sites make it possible for us to hear investment reports 24 hours a day, seven days a week. Most of this information focuses on a very short-term perspective, sometimes "up to the minute." Unfortunately, the short-term can give us a superficial assessment of what it means to invest. Volatility in the stock market can make headlines, causing indigestion, while driving otherwise rational individuals to make financial decisions based on emotion — a sure recipe for long-term failure.

Our investment strategy is not based on emotion but on a long-term strategy of asset diversification. We maintain a balanced portfolio of 60 to 65 percent equities (U.S. and Non U.S. stocks, and real estate investment trusts) and 35 to 40 percent fixed income (cash and bonds). We have not purchased hedge funds or private-equity or venture-capital funds because we do not want to accept the increased risk inherent in those investments.

Each year, we distribute 4 percent of the principal value of each endowment plus 4 percent of the five-year rolling average of the accumulated net earnings of that endowment. The five-year rolling average policy helps maintain spending levels in years when investment returns are negative. The 4 percent payout rate is a very conservative approach and has served us well. The Board of Trustees may increase this amount in the future: as our total assets increase, it may be prudent to increase the rate to 4.5 percent.

## HOW ARE FOUNDATION FUNDS USED?

This fiscal year, the Foundation provided grants to the Sorority for leadership programming, such as the Collegiate Leadership Consultant program and participation at The LeaderShape Institute® by collegiate members. These grants are funded by distributable funds from the Leadership Fund Endowments and from the General Fund when authorized by the Board of Trustees.

Financial Aid grants for scholarships (undergraduate) and fellowships (graduate study) are funded by distributable funds from the Financial Aid Fund Endowments.

Once again, our collegiate and alumnae chapters did a great job of raising money for the Sorority's camping philanthropy program. Supplemental funding was provided by the distributable funds from the camping endowments.

The Foundation and the Sorority are separate legal entities that support each other in their respective missions. They are both housed in the International Headquarters building. Money from the Foundation's General Fund is used to pay for all Foundation expenses incurred to maintain the office, oversee programs and investments, hire and compensate staff, attend Convention and conferences, and solicit donations. The Foundation pays the Sorority 27 percent of the total expenses for the building and for shared space, equipment, supplies and staff.

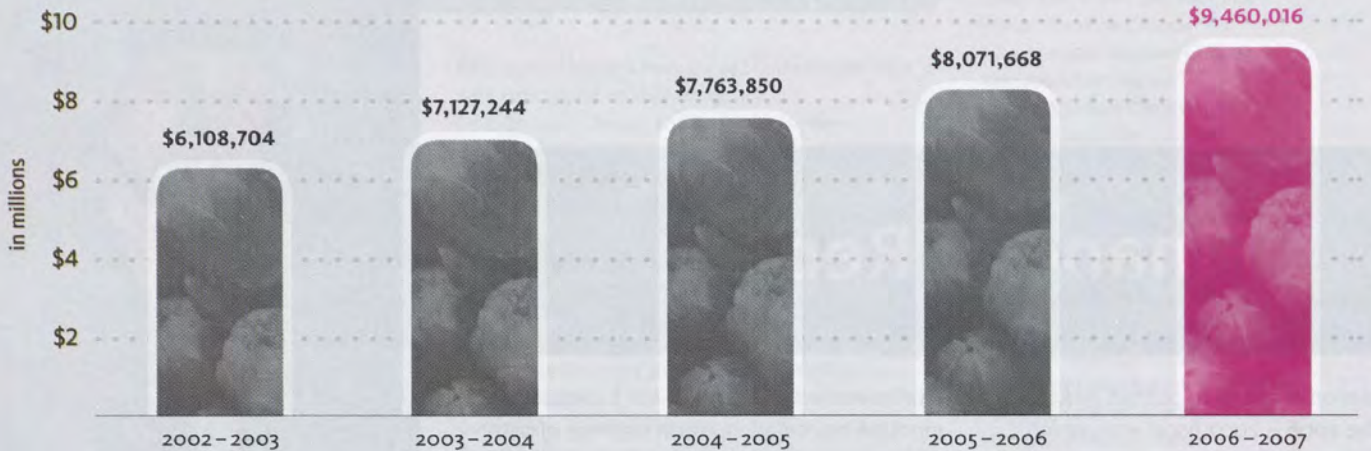

This year has been very exciting and rewarding for the Foundation. With your continued support, we will be able to do more for the Sorority and our members.
