

Bringing Japan's Entertainment to the World.

J-ENTERTAINMENT

Broadcast starts in January 2022.

Covering over 300 million households in 160 regions and countries worldwide.

Introducing the latest Japanese entertainment opening the door to the world.

H2O Company, Ltd. and Japan International Broadcasting Inc. are pleased to announce that "J-ENTERTAINMENT," an original program introducing Japanese entertainment to the world, will be broadcast in "CATCH JAPAN" program on "NHK World Japan/jibtv" from January 2022.

NHK World JAPAN is the largest English-language television channel in Japan, broadcasting to more than 300 million households in 160 countries and territories around the world.

In the midst of the global Covid-19 pandemic, the entertainment industry is also forced to make new developments. We, as an international broadcast, sincerely hope that this program, which supports entertainment artists with the potential to open doors to the world, will expand the new development of Japanese entertainment in the global market.

Your understanding and cooperation in the implementation of this program would be greatly appreciated.
