Sesame Glazed Prawns

Method

1. Chill serving dishes. Place a pan of water on a medium to high heat and bring to the boil.
2. Prepare 900g tiger prawns by removing head and shell. Cut along back and remove vein, cover, label and refrigerate until required.
3. Cook 200g Samphire in boiling water for 2 minutes, remove and refresh in ice water. Drain well once cold.
4. Cut 200g cucumber in long julienne and place into a suitable bowl, add the Samphire and 200g rocket, mix well.

Of the mustard seed we purchase we aim to grow at least 51% in Norfolk, Cambridgeshire & Lincolnshire

We contract our mint from a farmers' co-operative called 'Norfolk mint growers'. Our mint is grown in Norfolk within 45 minutes of the factory

The fresh Horseradish root is washed and prepared on site in Norwich and then milled into the Horseradish base for our lovely hot product

Our Bramley Apples are grown in Northern Ireland. They are stored fresh and prepared in the factory on a weekly basis by our supplier and then sent to Norwich for use in our Bramley Apple Sauce

THE STORY BEHIND THE NATION'S FAVOURITE*

Where we can, we source our ingredients locally. The produce is washed and prepared on our Norwich estate to create the unmistakable taste of COLMAN'S.

The Wilkin family have been farming at Tiptree, Essex, since 1757 and making quality preserves since 1885. Here at Wilkin & Sons we grow a wide range of traditional English fruits and use them to make conserves and condiments in our factory by the farm. Our products are made to cherished recipes and are free from artificial colours, flavours and preservatives. We cook in small batches using traditional, copper-bottomed pans. Peter Wilkin, great grandson of our founder, still runs the family business.

KEEPERS OF THE CREAM SINCE 1890

some things just can't get better

We're still crafting our Cornish Clotted Cream in the same way our great-great-grandmother did 120 years ago, using Cornish milk from Cornish cows. We think it's a tradition worth preserving, and we think you will too.

KEEPERS OF THE CREAM SINCE 1890.

Every Authentic recipe
is created by our
award winning chefs,
then frozen with great care.

It's all about cake

Whether you're thinking whole cakes, traybakes, cupcakes or Cakes-to-Go, Berkshire's best loved independent baker provides the perfect one-stop cake solution.

In a company where phrases like handmade, small batches and real kitchen cupboard ingredients ring true, we make no apologies for the natural imperfections of our many offerings, since a little wonkiness shows that we put our faith firmly in the hands of Steve & Pam's bakers and decorators as opposed to cold, methodical machines.
